AWLGRIP

LET YOUR IMAGINATION RUN WILD...

The world's finest yachts require the most distinctive and long-lasting finish. For that reason Awlgrip developed a revolutionary new topcoat as part of a tailor-made high-gloss paint system. The result is a fast-drying and easy to apply topcoat that comes in a limitless color palette of solids, metallics and luxuriant effects only bound by your imagination.

Micron®: Generations of Innovation

The innovation continues…

We are excited to introduce Micron WA as the newest addition to the Micron Technology family. Micron WA is a multi-seasonal, polishing, water-based antifouling with the unique Water Activated matrix. This novel paint technology delivers a crisp color, and premium long lasting protection for all waters!

The Micron Technology family offers a range of premium products that meets your needs while delivering true and proven performance. For generations Micron Technology has been protecting boats coast to coast by improving fuel efficiencies while reducing paint build up through controlled polishing.

Whatever the year, you know you'll always have the latest and best in Micron Technology.

Visit our website for more information – **yachtpaint.com**

Epoxy Barrier Coats all have the same ingredients,

but the protection they provide isn't even close.

Barrier Epoxies are formulated to prevent and repair water absorption and gelcoat blistering. The best selling two-part epoxies have identical ingredients: Talc and Mica. The amounts of each vary greatly from product to product. The two greatest factors for determining which offers the best protection is:

1. **how much of each ingredient the product contains**
2. **the size and shape of the mica particles and how they lay out**

Pettit Protect contains more Mica, the ingredient that actually creates the barrier. Pettit Protect also contains far less inert Talc, which serves mainly to add volume.

	Epoxy Primer A	Pettit Paint® Pettit Protect®	Epoxy Primer B
Talc Content	11% - 27%	8.2%	15% - 30%
Mica Content	1% - 11%	16.5%	3% - 7%

Bottom line: Pettit Protect is the only epoxy coating that provides an impenetrable barrier against water absorption and blisters.

Island Water World exports products from our hub in Sint Maarten to the marked countries

STORES, MARINA & BOATYARD

ST MAARTEN , ST MARTIN

COLE BAY, Simpson Bay Lagoon

Wellsburg Rd #1
Cole Bay

18° 2' 6N
63° 5' 7W

At our main Sint Maarten location, on the shores of the Simpson Bay Lagoon, we have our own marina, a powerboat haul-out facility, an outboard/inboard maintenance shop and a fully-stocked, full assortment chandlery with over 30,000 marine items. Cole Bay is the Headquarters of our operation with over 7,000 sq ft in trading space and and 10,000 sq ft in warehouse and distribution space. It is also where our online store is based. You will find in close proximity a variety of marine related services such as fabrication and rigging, sail lofts and shipwrights. Pick up one of our free courtesy bikes to get around easily. For emergencies we also offer a courtesy dinghy!

COLE BAY: Tel: +721 544 5310, Fax: +721 544 3299,
E-mail: sales@islandwaterworld.com, Monday - Saturday: 8.00am - 5.00pm

Our Marina & Boatyard Services - see page 8

VHF 74

MARINA & BOATYARD & FUEL DOCK: Tel: +721 544 5310, Fax: +721 544 3299, E-mail: service@islandwaterworld.com
Marina Office: Monday - Friday: 8.00am - 12.30pm and 1.30pm - 5.00pm, closed on Saturday
Fuel Dock: 8.00am- 12.30pm and 1.30pm - 5.00pm, Saturday 8.00am - 4.00pm

BOBBY'S MARINA, Philipsburg

Juancho Yrasquin
Boulevard 22

18° 1' 11N
63° 2' 34W

In Sint Maarten's Capital, Philipsburg, our second store is located at Bobby's Marina - the Marina and haul-out facility in Great Bay. Here too, you will find a variety of marine related services.

BOBBY'S MARINA: Tel: +721 543 7119, Fax: +721 542 2675, E-mail: sales@islandwaterworld.com
Monday - Friday: 8.00am - 12.00 pm and 1.00 pm - 5.00pm, Saturdays: 9.00am - 1.00pm - in season only!

Duty Free

Our shops on St. Maarten benefit from the duty free status of the island.

FRENCH ST MARTIN, Marigot

Marina Royale:
67 Rue Charles Tondu
Sandy Ground,
97150 St. Martin

18° 3' 50N
63° 5' 23W

On the French side, we have a chandlery of 2,700 sq ft in the center of Marigot, adjacent to Marina Royale, the French Tourism Office as well as Geminga boatyard. It is easy accessible by land, has a dinghy dock in the lagoon and is right at the center of marine activities and services.
The store carries a broad range of merchandise that reflects the full assortment philosophy of Island Water World. Access to larger quantities are easily achieved by the proximity of the company's distribution facility in Cole Bay.
It is managed by Valerie Leroy, well known amongst cruisers for her ability to source hard to find products and parts from Europe and elsewhere.

▶ **The French location offers the same pricing as our other stores in St Maarten.**

ST MARTIN, MARIGOT: Tel: +590 590 51 32 06, E-mail: stmartin@islandwaterworld.com,
Monday - Saturday: 8.00am - 5.00 pm, and Saturday 8.00 am - 12.00pm in low season.

ST LUCIA

QUE

RODNEY BAY MARINA, Rodney Bay

Castries-Gros Islet
Highway
St Lucia

14° 4' 33N
60° 56' 53W

Our store at Rodney Bay Marina is also a full assortment chandlery. Located in the mall at the marina and just a short dinghy ride away from the boatyard. Merchandise has been geared to all the needs of the visiting yachtsman and power boater, as well as the local fisherman and boatyard customer. At Rodney Bay Marina you will find a host of services from a Sail Loft to Electronic Repairs as well as a number of restaurants and bars. The large haul-out yard offers fabrication, fiberglass and spray-painting services.

RODNEY BAY MARINA: Tel: +758 452 1222, Fax: +758 452 4333, E-mail: iwwsl.ltd@candw.lc
Monday - Friday: 8.30 am - 4.30pm, Saturday: 8.30am - 12.30pm

Duty Free

The St Lucian Government has granted Island Water World a concession to sell duty free to visiting yachtsman. To ensure we can sell to you duty free, please bring along your boat papers and your clearance into St Lucia the first time you shop with us – we need copies of these for our customs records.

STORES

CURACAO

CARACASBAAIWEG 199

Our store in Curacao is a full assortment chandlery offering 4,000sq ft in retail space and a further 2,500sq ft in warehousing. Centrally and conveniently located on the main thoroughfare of Caracasbaaiweg, the store has been configured to meet all the needs of the power boater, yachtsman, sports and local fisherman. Also included are the store-within- store concepts “Dive Buddy” which offers Scuba and Snorkeling equipment to the underwater enthusiast and “Fish Tales” that caters to the sports fisherman and angler. We also offer deliveries to all boatyards and popular anchorages on the island.
To enhance your mobility on island, get one of our free Island Water World bikes at Norman’s Fisherman’s Harbour.

Island Water World exports products from our hub in Sint Maarten to the marked countries

GRENADA & CARRIACOU

ST GEORGES

Island Water World
Lagoon Rd.
St. Georges, Grenada

12° 2' 42N
61° 44' 43W

Our main location on the lagoon in St Georges has its own dinghy dock and is located opposite Grenada's Port Louis Marina and nearby the Grenada Yacht Club, close to the major food stores and along the main bus and taxi route. This store has over 5,000 sq ft in trading space and a further 5,000 sq ft in warehouse space and offers a broad merchandise range - in stock. Pick up a courtesy bike at the Marina or at our store.

ST GEORGES: Tel: +473 435 2150/1, Fax: +473 435 2152, E-mail: grenada@islandwaterworld.com
Monday - Friday: 8.00am - 5.00pm, Saturdays: 8.00am - 12.00pm

ST DAVID'S HARBOUR

Island Water World
St. Davids Harbour
@ Grenada Marine
Grenada

12° 1' 25N
61° 40' 43W

Our smaller relocated store, which specializes in boat yard, boat repair and maintenance products, is based in St David's in the Grenada Marine boatyard. This premier Grenadian boatyard has an especially widened 70 ton travel lift, ideal for large catamarans, storage for more than 200 boats and a host of facilities including a shipwright, metal fabricator, riggers, electrical services, bar, restaurant and Customs and Immigration.

ST DAVID'S HARBOUR: Tel: +473 443 1028, Fax: +473 443 1038, E-mail: iwwstdavids@islandwaterworld.com
Monday - Friday: 8.00am - 4.00pm, Saturdays: 8.00am - 12.00pm

Duty Free

Grenada is not a duty free island. To ensure we can sell to you duty free, please bring along your boat papers and your clearance into Grenada, the first time you shop with us – we need copies of these for our customs records. Alternatively when you clear customs on entering the country, please ask the officer for a "permit to ship stores" to purchase from Island Water World - you will be able to shop duty free at both locations.

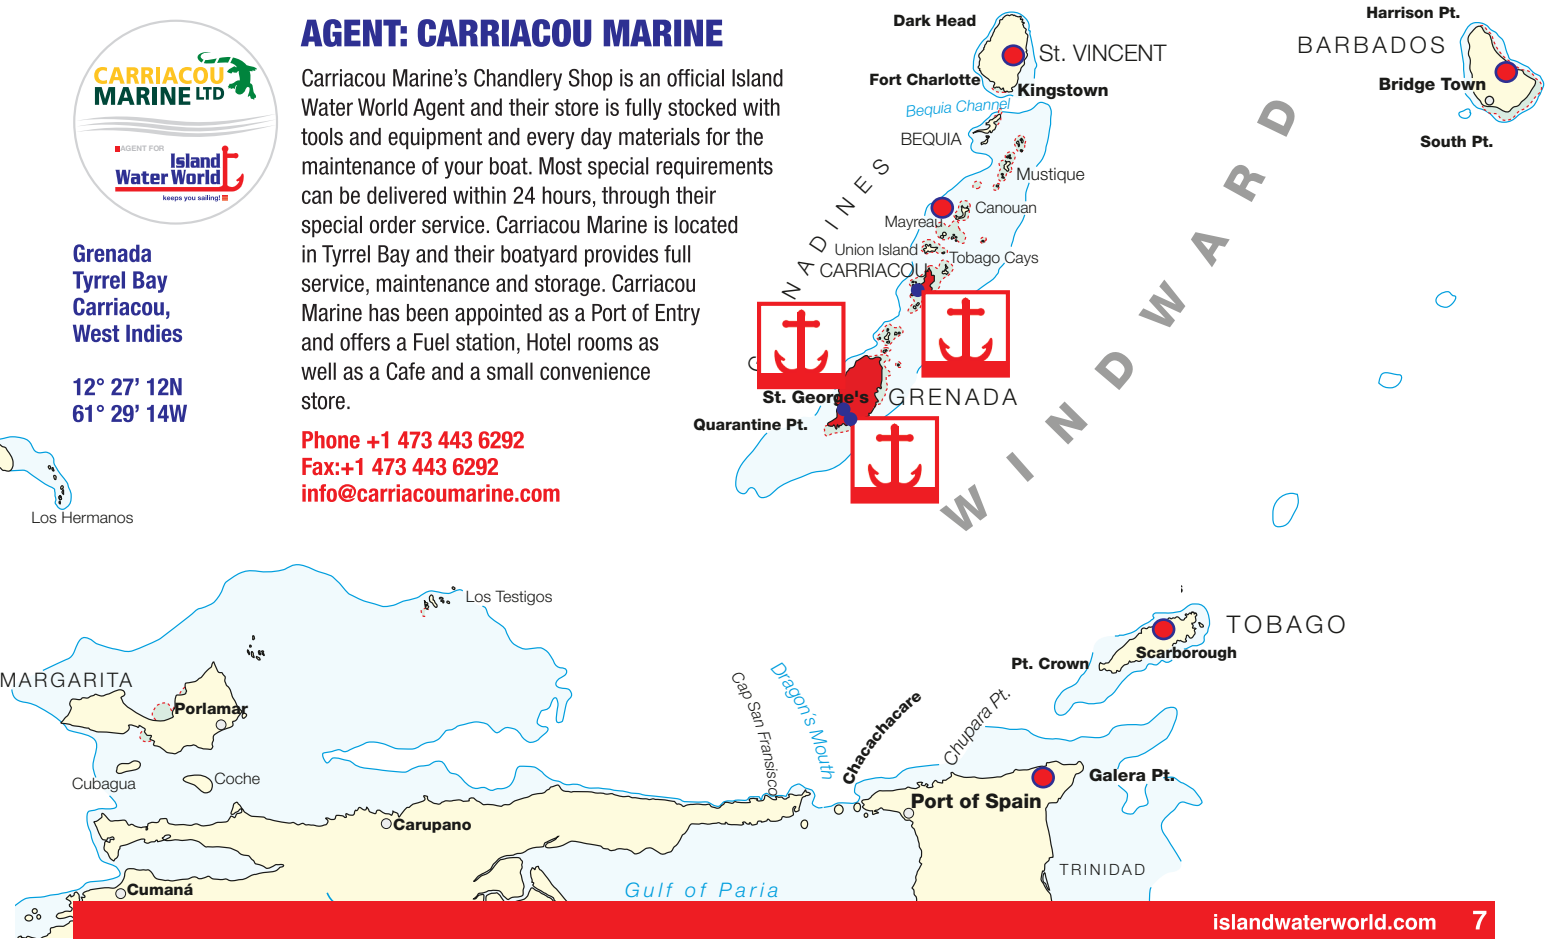

AGENT: CARRIACOU MARINE

Grenada
Tyrrel Bay
Carriacou,
West Indies

12° 27' 12N
61° 29' 14W

Carriacou Marine's Chandlery Shop is an official Island Water World Agent and their store is fully stocked with tools and equipment and every day materials for the maintenance of your boat. Most special requirements can be delivered within 24 hours, through their special order service. Carriacou Marine is located in Tyrrel Bay and their boatyard provides full service, maintenance and storage. Carriacou Marine has been appointed as a Port of Entry and offers a Fuel station, Hotel rooms as well as a Cafe and a small convenience store.

Island Water World 50th Anniversary
Your continued support has helped us to grow and thrive for half a century. A big thanks to everyone who helped us celebrate the 50th Anniversary of Island Water World!

Sail fast and chill afterwards in the most pristine bays in our region. **Arawak**, a 54 ft ex-Route du Rhum catamaran, sponsored by us, offers fantastic day-charters.

Marigot General Manager Valerie Leroy invited staff and customers for lunch celebrate another great year.

la Fête de la Mer 2017
Hosted by Metimer, a boating industry association in French St. Martin, la Fête de la Mer is a unique event that showcases waterports activities and businesses.

Grenada Sailing Week™ 2017 Island Water World keeps you sailing!

Grenada Sailing Week – Sailors from as far away as Lithuania, Norway, Austrailia, the UK and the US turned out for the sixth annual Island Water World Grenada Sailing Week. Although highly competitive, this event has become known as "the friendly regatta".

2017 was another great year for Team Island Water World. Winner in the Melges Class at Les Voiles De St. Barths; Winner in CSA 6 at Antigua Sailing Week; Best Caribbean Racing Yacht at Antigua Sailing Week; Winner of Captain Oliver's Regatta; Winner in the IC24 Class at the BVI Spring Regatta; Winner of the Heineken Regatta Warmup Regatta; and 2nd Place in the Melges 24 Class at the Heineken Regatta. Way to go Team Island Water World!

The St Barths YC hosts not only the famous St Barths Bucket, but also the Mini Bucket for Sailing Youth. As sailing is part of the St Barths school curriculum, kids go out on a daily basis on a fleet of RS boats and Optimists. We have supported the club for over 4 years.

Cruisers' Seminars – With a variety of knowledgable presenters, topics include everything from cruising and sailing advice to technical advice. Seminars are held at our Cole Bay location. Beer and snacks are provided. These are great events for meeting other sailors too.

Island Water World MAY 20TH 2017 4th Mahi Mahi Tournament • SXM

Mahi Mahi Tournament - Fishing teams from Dutch and French St. Maarten, Saba, St. Barth's, and St. Kitts competed in the 4th Annual Island Water World Mahi Mahi Tournament in St. Maarten. 'Another fun event hosted by the St. Maarten Sport Fishing Foundation.

PRICING & WARRANTY

If you are not located on any of the islands listed above:

FedEx ship to more countries, islands and territories than anyone else in the world and work with Island Water World to offer you very reasonable rates. So if you find yourself needing a part in say „Bora Bora“, „Vanuatu“, „the Azores“ or „Mauritius“ contact us! We can get it to you affordably.
Please e-mail us at export@islandwaterworld.com or phone Sint Maarten at +721-544-5310

Shipping methods and rates

Shipping charges are calculated by weight and volume of order. If your country does not appear in our list, we cannot ship orders to that country unless by special arrangement. We reserve the right to change the requested method of shipping if a more suitable method is available. Airlines will not accept any hazardous goods such as paints, resins, glues and flares, and in certain circumstances overweight or oversized products. Items that are hazardous or oversized are clearly marked as such in our online store.
With the exception of FedEx we always ship F.O.B. but in all cases once we hand over to the shipper, our risk ends. Please note that you may still be liable for custom duties and clearance fees in your country.

- Ocean: We ship by ocean to most of the above-mentioned countries. Our shipping partners are reliable and reasonably priced. All sea freight is shipped collect for your expense.
- Air: We offer FedEx and have negotiated very favorable rates, which you prepay when ordering. We also offer Liat Quickpak collect and Insel Air collect, which means you pay the freight at delivery.

They are all reliable and reasonably priced shipping partners. Airlines will not accept any hazardous goods such as paints, resins, glues and flares, and in certain circumstances overweight or oversized products.

- Monday through Thursday all orders received before 4 pm are shipped the following day if the selected carrier is available. All orders received before 9am Friday will be delivered to the ships agent the same day. Orders received after 9am Friday will be delivered to the shipping agent the following Monday for the next available sailing.
- Customer pick up - Monday to Friday

If you prefer, your order can be picked up at our store on Sint Maarten. Please call ahead to ensure that your order is ready when you arrive.
Although we do ship to your address in St Lucia, Grenada and Curacao we do not at this time offer store pick up at our store locations on these islands. If you are on one of these islands we strongly recommend you visit our stores in person.

Damage incurred during transit

Island Water World is not liable for damages incurred in transit therefore the recipient must carefully inspect shipments before accepting delivery, to ensure that items are received in good condition. If items are received damaged a claim must be immediately filed with the respective shipping company.

See hazardous/oversize items shipping options on islandwaterworld.com

PRICING

We try and maintain the same shelf price in all our stores. Our shelf price is the „Duty Free Sint Maarten Price“. However, every island we trade on belongs to a different sovereign nation. This means we have to deal with different laws, fiscal and otherwise.
We do offer duty-free pricing to all visiting sailors in Sint Maarten, St Lucia, Grenada and Curacao. However prices in St Lucia, Grenada and Curacao may vary as a result of Customs Service Charges and Excise fees.
Where we do offer duty free pricing local residents on these islands sometimes don't enjoy some of the price advantages afforded to our visiting Customers.
Our base price is in US$. Shelf pricing in stores will reflect the US$ price and/or the currency of that island.
Although a significant portion of our product mix is derived from the United States of America we source a great many of our products worldwide. Demand for raw materials, fluctuations in commodities and exchange rates will impact prices – even in the United States. Consequently our prices may change, up or down, as our suppliers pass these effects on. Prices in our stores and on our online store are our latest prices.

WARRANTY AND RETURNS

Island Water World stands behind the quality and value of everything we sell. Your satisfaction with our products is of the utmost importance to us. We encourage you to fully open and inspect your purchase upon receipt. In the event that visible damage occurs in transit, we ask that you contact the freight carrier immediately.

■ Warranty

All our products carry the manufactures warranty. In certain circumstances the manufacturer may require that the item be returned for inspection and repair sometimes to us, sometimes to them. We will advise you in this matter. In these instances whether you receive a new item or the repaired item is a decision of the manufacturer. In the case of customer abuse, repair and freight charges will be for your account. All batteries will be warranted for one year pro rated by the month.

■ Return

You can return an item for a refund or exchange within 14 days of receipt. After 14 days, merchandise credit can only be issued. After 30 days, a request for a refund or credit will be denied.

■ Conditions of return

The item must be unused and in it's original package with all it's original content. It must be in brand new resellable condition. You are responsible for freight back to Island Water World Sint Maarten and this must be prepaid. Please note that freight charges are not refundable.

■ Restocking fee

If you are returning a non-defective product that has been opened, you will be charged a 15% restocking fee. Until you are sure you will keep the product, please do not open or remove any packaging. Island Water World unfortunately can't accept returns of non-stocked special order goods.

■ Exchange

When you apply for exchange of defective goods, we offer to replace the product with the same one or with another product of the same equal value. We only offer another product when we are out of stock and we can't replace it with the same product. At this time we will contact you for confirmation.

■ Website credit

Island Water World also offers their customers website credit for merchandise returns. The customer receives a credit for the amount of their purchase, less the shipping costs.

MARINA & BOATYARD

SERVICES AND PRICES - ST. MAARTEN

Our Simpson Bay Lagoon location not only serves as store and distribution center, but we also have our own 53 slip marina, facilitating yachts, boat lifts and smaller craft moorings. Along with a Taylor Marine forklift and our Dinghy Davit, we are able to lift boats to 25ft; augmented with our outboard repair and maintenance facility.
Our marina and boatyard is conveniently located near respected specialist marine businesses like St. Maarten Sails, Simpson Bay Diesel and FKG Rigging. At our marina we are able to provide you with shower, water, electricity, FREE WiFi and many other services.
Please check the pricelists and our website for relevant pricing, or contact us at **service@islandwaterworld.com**. Please note that these prices are for St. Maarten only.

ANCHORS

Britany

Britany | Fluke Anchor Galvanised 44 lb (20kg) ...

The Britany is excellent value. It has the great holding power of a flat anchor at an unbeatable price.

PL16464 Fluke Anchor Galvanised 44 lb (20kg) $253.95

Britany Fluke Anchor Galvansied 55 lb (25 kg)
PL16465 $416.95

Britany Fluke Anchor Galvansied 77 lb (35 kg)
PL16466 $429.19

Britany | Fluke Anchor Galvanised 143.3 lb (65kg)

The Britany is excellent value. It has the great holding power of a flat anchor at an unbeatable price. The Britany is the only flat anchor with a shank designed not to foul, thus preventing the anchor from breaking away. It bites into the seabed within seconds. Constructed of high resistance galvanised steel.

PL16468 $896.95

Claw

Bruce Type | Claw Anchor Stainless Steel 4.4lb (2kg) ...

The stainless Claw anchor is constructed of high-grade 316 stainless steel cast in a single piece. The Claw anchor is patterned after anchors used to secure oil rigs in the North Sea. The anchor can be used very effectively in a variety of seabed's and remains stable under a variety of tide and wind conditions. The Claw anchor stows easily on a bow roller and will set and reset quickly.

HG80002 Claw Anchor Stainless Steel 4.4lb (2kg) $86.20
HG80003 Claw Anchor Stainless Steel 7lb (3kg) $149.15
HG80005 Claw Anchor Stainless Steel 11lb (5kg) $250.55
HG80015 Claw Anchor Stainless Steel 33lb (15kg) $751.75

Bruce Type | Claw Anchor Galvanised 33 lb (15 kg) ...

The galvanised Claw anchor is constructed of high grade steel cast in a single piece. The Claw anchor is patterned after anchors used to secure oil rigs in the North Sea. The anchor can be used very effectively in a variety of seabed's and remains stable under a variety of tide and wind conditions. The Claw anchor stows easily on a bow roller and will set and reset quickly.

HG20015 Claw Anchor Galvanised 33 lb (15 kg) $133.65
HG20020 Bruce Type Claw Anchor Galvanised 44 lb (20 kg) $144.55
PL35737 Bruce Type Claw Anchor Galvanised 22 lb (10 kg) $92.95

SL057950 Bruce Type Claw Anchor Galvanised 110 lb (50 kg) $513.95

Danforth / Fluke

Sumar Marine Equipment | Danforth Type Fluke Anch ...

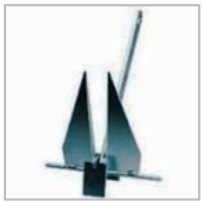

The Danforth anchor is a very economical anchor that is very popular amongst boaters. The Danforth is quickly identified by its two long, sharp pivoting flukes and long shank. The Danforth is mainly used by boaters with small to medium sized boats. The anchor isn't very heavy, it's small and it stores away easily. It bites into the seabed within seconds. Constructed of high resistance galvanized steel.

HG20610 Danforth Type Fluke Anchor Galvanised 22lb (10kg) $76.00
SA305040 Danforth Type Anchor H.D. Galvanized 9 lb (4 Kg) $30.25
SA305060 Danforth Type Anchor H.D. Galvanized 13 lb (6 Kg) $45.50

Danforth / Traditional

Danforth | Fluke Anchor Hi-Tensile 9 lb (4 kg) ...

Every angle on a Danforth contributes to its performance. The inward sloping crown forces its thin, sharp flukes down into the bottom, while the beam fluke construction provides an extra margin of safety with its strength and durability. As the rode/chain becomes taut, the beveled flukes penetrate deeper until firmly set. Stows flat. Hot-dipped galvanized Hi-Tensile steel for long lasting performance. Made in the USA. Manufacturers one year limited warranty.

RU00600 Fluke Anchor Hi-Tensile 9 lb (4 kg) $43.95
RU01300 Danforth Fluke Anchor Hi-Tensile 16 lb (7 kg) $169.50
RU01600 Danforth Fluke Anchor Hi-Tensile 25 lb (11 kg) $211.75
RU02000 Danforth Fluke Anchor Hi-Tensile 43 lb (20 kg) $383.95
RU03000 Danforth Fluke Anchor Hi-Tensile 70 lb (32 kg) $628.95
RU03500 Danforth Fluke Anchor 100 lb (45 kg) $882.95

Delta Fast Set

Delta | Plow Anchor Galvanised 22 lb (10 kg) ...

The Delta fast set anchor is a one-piece construction for ease of handling and stowability on the stem head. A unique shank profile combined with tip biased ballasting promotes self-launching allowing the Delta to be released using a power windlass, without the need to leave the controls of the boat. The very low center of gravity and high stability dictate that the anchor hits the seabed in the natural setting position, promoting very fast set and high holding power.

SL57410 Plow Anchor Galvanised 22 lb (10 kg) $232.80
SL57416 Delta Plow Anchor Galvanised 35 lb (16 kg) $337.50
SL57420 Delta Plow Anchor Galvanised 44 lb (20 kg) $495.99
SL57425 Delta Plow Anchor Galvanised 55 lb (25 kg) $566.75
SL57432 Delta Plow Anchor Galvanised 70 lb (32 kg) $745.50
SL57440 Delta Plow Anchor Galvanised 88 lb (40 kg) $834.25

Folding

Sumar Marine Equipment | Folding Anchor Galvanised 3.3 lb (1.5 kg) ...

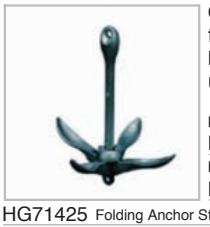

These strong, folding, anchors are perfect for hanging off rugged bottoms and reefs while snorkeling, diving or working underwater.

Folding Anchor Galvanised 3.3 lb (1.5 kg)
HG20201 $18.00

Folding Anchor Galvanised 5.5 lb (2.5 kg)
HG20202 $29.75
HG20203 Folding Anchor Galvanised 7 lb (3 kg) $36.75

HG71425 Folding Anchor Stainless Steel 5.5lb (2.5kg) $162.85

Fortress

Guardian | Stowaway Bag for FX-7 Anchor w/Spare F ...

The Perfect Anchor Storage Solution!Now you can easily store the spare & storm anchors you need! Custom designed for all Fortress & Guardian anchors Made from top quality rugged ballistic Cordura. Securely holds everything: Anchor 6 (2 m) chain shackles and wrenches. Includes spare clips & wrenches.

NX11007 Stowaway Bag for FX-7 Anchor w/Spare Fluke Clip, Nut, Bolt & Wrenches $84.75
NX11011 Stowaway Bag for FX-11 Anchor w/Spare Fluke Clip, Nut, Bolt & Wrenches $94.25

Fortress | Fluke Anchor Aluminium FX-7 4 lb (2 kg) ...

Strong as steel and half the weight. Pound for pound, no other anchor matches the holding power of a Fortress anchor. Precision machined from a special high tensile, marine grade, extruded aluminium -magnesium alloy that is as strong as steel, completely rustproof and is three times as resilient, so it won't bend easily. Each has a tough anodized finish. The shank, flukes and stock "plug into" the super tough crown, so the anchor structure actually becomes stronger the harder you pull at it. Adjustable shank fluke angles provide maximum penetration of firm or soft bottoms. The 'take apart' design eliminates welds that can break and permits easy storage. Made in the USA - Manufacturers three year limited warranty.

NX10007	Fluke Anchor Aluminium FX-7 4 lb (2 kg)	$173.25
NX10011	Fortress Fluke Anchor Aluminium FX-11 7 lb (3 kg)	$234.25
NX10016	Fortress Fluke Anchor Aluminium FX-16 10 lb (5 kg)	$307.95
NX10023	Fortress Fluke Anchor Aluminium FX-23 15 lb (7 kg)	$460.25
NX10037	Fortress Fluke Anchor Aluminium FX-37 21 lb (10 kg)	$648.95
NX10055	Fortress Fluke Anchor Aluminium FX-55 32 lb (15 kg)	$896.25
NX10085	Fortress Fluke Anchor Aluminium FX-85 47 lb (21 kg)	$1,375.25
NX10125	Fortress Fluke Anchor Aluminium FX-125 69 lb (31 kg)	$1,955.75

Guardian

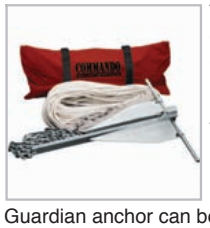

Guardian | Fluke Anchor Aluminium G-5 3 lb (1 kg) ...

The Guardian anchor is a lower priced version of the Fortress. It uses similar machining and slightly smaller components. The result is about half the holding power of the Fortress at a lower price. Non-anodized, yet corrosion resistant aluminum construction with no welds to weaken the structure. Can be completely disassembled for storage or replacement parts. Precision 32 deg fluke angle.

NX20005	Fluke Anchor Aluminium G-5 3 lb (1 kg)	$71.90
NX20007	Guardian Fluke Anchor Aluminium G-7 4 lb (2 kg)	$98.95
NX20011	Guardian Fluke Anchor Aluminium G-11 6 lb (3 kg)	$128.95
NX20016	Guardian Fluke Anchor Aluminium G-16 7 lb (3 kg)	$187.50

Guardian | Commando Small Craft Anchoring System ...

The Commando Small Craft Anchoring System includes everything you need: Anchor Rope, Chain, Shackle and Storage Bag. Originally developed for military raiding craft, the Commando high-tech aluminum alloy Guardian Utility Anchor offers a no-nonsense solution to the problems of anchor storage and deployment on small boats. - Everything, including the disassembled Guardian G-5 anchor, can be stored inside the rugged Dupont Cordura Plus storage bag. The modified Guardian anchor can be assembled quickly without tools. The bag itself can be attached permanently to the boat. With the lightweight Guardian anchor, the entire system weighs only 8.5 lbs (4 kg). - The Commando is perfect for Inflatables, Bass Boats, Personal Watercraft, Runabouts, Tenders, Ski Boats, and more.

NX30005	Commando Small Craft Anchoring System w/G-5 Anchor, Bag, Chain & Rope	$186.95

Hooker

Hooker | Fluke Anchor Galvanised 2.5 lbs (1 kg) ...

Hooker anchors are strong, and each has a hot dipped galvanized finish. A good choice for your anchoring needs.

RU95030	Fluke Anchor Galvanised 2.5 lbs (1 kg)	$24.85
	Hooker Fluke Anchor Galvanised 4 lbs (2 kg)	
RU95035		$37.65
	Hooker Fluke Anchor Galvanised 8 lbs (4 kg)	
RU95040		$44.05
RU95045	Hooker Fluke Anchor Galvanised 13l bs (6 kg)	$74.95
RU95050	Hooker Fluke Anchor Galvanised 18 lbs (8 kg)	$86.75
RU95055	Hooker Fluke Anchor Galvanised 22 lbs (10 kg)	$110.50

Manson

Manson | Plow Anchor Galvanised 25 lb/11 kg ...

Certified by Lloyd's Register of Shipping, the Manson Supreme is a super high holding, fast setting, fixed shank anchor. It sets immediately due to the spear head & wing tips which cut through weed. The roll bar allows it to self-right meaning that more weight & strength can be built into the load bearing fluke. The twin slots on the shank make it suitable for use in all seabed 's & allows a shackle to slide to the front to trip the anchor if it becomes jammed in rocks. -

MN10025	Plow Anchor Galvanised 25 lb/11 kg	$317.50
MN10035	Plow Anchor Galvanised 35 lb/16 kg	$464.95
MN10045	Plow Anchor Galvanised 45 lb/20 kg	$583.95

MN10080	Plow Anchor Galvanised 80 lb/36 kg	$1,021.95
MN10100	Plow Anchor Galvanised 100 lb/45 kg	$1,413.99

Mantus

Mantus | Galvanized Steel Dinghy Anchor 2 lbs

Dinghies and kayaks require a small, light anchor that sets reliably in a variety of bottom soil conditions, and none of the currently available small anchors offer this level of performance. The 2 lbs mantus dinghy anchor brings superb setting ability in all bottom types and outperforms its competitors, even of much larger size. Designed to be used as kayak anchor or a dinghy anchor, this anchor weighs only 2 lbs and is recommended for boat 0 - 16 feet.

MQ00002 $56.00

Mantus | Galvanized Dinghy Anchor Kit w/50 ft Lin ...

Dinghy Anchor Kit. Collapsible anchor. 5/16 Double braid line - 50 feet, with a galvanised steel thimble. 1/4 galvanised steel shackle. Nose cover. Storage bag.

Galvanized Dinghy Anchor Kit w/50 ft Line, Nose Protector & Bag

MQ90003 $97.95

Mantus | Galvanized Steel Anchor 8 lbs ...

Digs like no other. The Mantus anchor is designed to penetrate dense grassy bottoms and set with unparalleled holding power. When tested, our anchors set faster and deeper than any other tested anchor. Built strong. Easy to store, the Mantus breaks down for easy storage, so you can store one or two as spares without taking up much needed boat space.

MQ00008	Galvanized Steel Anchor 8 lbs	$106.00

MQ90004 $261.95

Rocna

Rocna | Galvanized Anchor 10kg ...

The rocna anchor was designed by new zealand sailor peter smith, who has been designing, building, and sailing boats since the early 1960's. Over 100,000 nautical miles of cruising, peter experienced the same anchoring problems that are still prevalent today - needing to carry a variety of anchors to suit various seabeds, yet still the anchors dragged and boaters felt insecure. An independently tested new generation design: Peter's solution consistently returns top results in objective and independent testing. Since its launch in 2004, the rocna has led worldwide anchor tests as published in the likes of sail, yachting monthly, practical boat owner, voile, and others. Because of the rocna's reliable and convincing performance against its competition, rocna is trusted to be rock solid in the real world. For all who need reliability from performance: Rocna anchors are performing in some of the world's toughest locales, including patagonia, antarctica, alaska, greenland, scotland - as well as enduring temperamental tropical weather. Precision setting: The roll-bar ensures that the anchor always arrives at the ideal angle for penetration, and the setting skids guide the fluke tip [...] more at islandwaterworld.com

RQ00010	Galvanized Anchor 10kg	$365.50

Sand, Mooring Screws

Hubbell Power Systems | No-Wrench Sand Screw 5.5 ...

Chance No-Wrench Screw Anchors may be installed by hand or machine. The Thimbleye« eye or Tripleye« eye on the rod has a large opening to admit a turning bar for screwing the anchor down. The eye will also fit into an adapter available from most hole-boring machine manufacturers so the anchor may be power-installed. The No-Wrench Screw Anchor consists of a drop-forged steel Thimbleye« eye or Tripleye« eye rod welded to a steel helix. The entire anchor is hot-dip galvanized for long resistance to rust. - No-Wrench Screw Anchors can be installed to a greater depth to reach a firmer soil by using an extension rod, available in three lengths below. Maximum installing torque is 2300 ft.-lbs. for 11/4" diameter rod.

IO00816	No-Wrench Sand Screw 5.5 ft 8" Single Helix on 1" Rod	$73.80
IO06346	No-Wrench Sand Screw 5.5 ft 6" Single Helix on 3/4" Rod	$46.95

Sea Brakes

Lalizas | Sea Anchor (Parachute Anchor) For Boats 40 ft

Sea Anchor (Drogue). Made of strong coated PVC with continuous webbing inside, for added strength.

LZ10075 $41.95

Vulcan

Rocna | Vulcan Galvanized Anchor 12kg - Boats to 9m ...

The Vulcan is carefully designed to offer the greatest possible compatibility across a wider range of vessel bow configurations, particularly powerboats with a bow pulpit. It brings the security and reliability of the Rocna anchor, highly successful and popular with offshore cruisers and adventurers, to a wider range of boaters who desire improved anchoring performance. The Vulcan features a unique combination of shank and fluke geometry, including an innovative roll-palm at the rear of the fluke, which self-rights the anchor on the seabed without the use of a roll-bar. This is assisted by the V-bulb which extends fluke ballast downward to gain maximum leverage and efficiency. This development permits a larger fluke surface area than competing designs which rely on simple dead weight, while the concave fluke is similar in design to the Rocna, directly equating to more holding power and security. Perfect fit for all vessels: The omission of a roll-bar along with a carefully designed shank profile ensures a snug fit on the bows of a widely expanded range of vessels. Platforms, bowsprits, prods, stays, and other protrusions are easily cleared with no hassle or inconvenience. The [...] more at islandwaterworld.com

Rock hard outer shell, seamless & almost indestructible. Core is high density polyurethane foam.Tube size 2". . White, permanent blue stripe.on

JB44022 $218.50

Jim-buoy | Mooring Bouy 24 " w/Tube Only 2"

24 inch Round. Rock hard outer shell, seamless & almost indestructible. Core is 3 lb. high density polyurethane foam. No eyebolts - tube only.

JB44032 $274.95

Buoys / Inflatable Mooring Buoys

Polyform | Mooring Buoy CM-2 Red w/ 13.5" x 18" ...

The CM Series Mooring Buoy has been designed to provide the ultimate in strength, durability and boat protection, giving increased security to any mooring. A 1/2-inch central rod, a large eye (4-3/8 inch diameter), and a swivel (1-1/2 inch wide). A mooring iron made with vinyl-protected galvanized or stainless steel. Soft vinyl surface protects boat finishes. Polyform's unique vinyl valve seals securely. Even wall thickness for maximum strength and durability. Limited three year warranty

PF00202 Mooring Buoy CM-2 Red w/ 13.5" x 18" $168.30
PF00203 Mooring Bouy CM-3 Red w/ 17" x 22" $199.65

Chafe Guards

Superior Fire Hose | Fire Hose Single Jacket 2" ...

Fire hose is high quality single jacket fire hose. Intended for industrial fire protection use, but makes great anti chafe protection for your anchor or dock Lines. This hose has a synthetic rubber liner. 100% polyester yarns prevent mildew.

AL01389 Fire Hose Single Jacket 2" $3.35
AL01390 Fire Hose Single Jacket 3" $4.95
AL01391 Fire Hose Single Jacket 1.5" $2.55

Taylor Made | Chafe Guard Polyester 1 1/4"

These chafe guards are made from strong, abrasion resistant polyester. They slide through chocks to protect your lines. Sold per foot.

TY21250 $6.25

Taylor Made | Chafe Guard Polyester Removable 1 1/4" x 16" ...

Removable chafe guard allows for easy adjustment, regardless of the application. They are sold individually. Ideal for anchor lines, power cords and pre spliced eyes. Polyester hook and loop fasteners provides easy and secure installation.

Chafe Guard Polyester Removable 1 1/4" x 16"
TY212511 $30.95
TY30116 Chafe Guard Polyester Removable 3/4" x 16" $26.75

Osculati | Spiroll Chafe Gear for 8-16mm Ropes ...

Made of self-rolling polyurethane, it protects lines from rubbing against the fairleads/hawseholes of the boat or against the rings/bollards of the dock. No need to undo splicing, etc. when mounting it.

OC0645301 Spiroll Chafe Gear for 8-16mm Ropes $30.95
Spiroll Chafe Gear for 16-25mm Ropes
OC0645302 $35.25

Davis Instruments | Removeable Chafe Guard, 3/8-7/8" Line, Pair

Chafe protection is critical at the dock, at anchor, or on a mooring. The Chafe Guard is a good solution to prevent chafing over a cleat, cap rail, where two lines cross or at the anchor roller. Dock lines can be expensive; extending their life with good chafe protection is not. - Removable Chafe Guards fit 3/8" to 7/8" line (10 mm to 23 mm). Great for anchor lines or mooring pennants, where chafing through a line could cost you the boat. Velcro« brand hook fasteners on the inside of the guard grip the line securely; no need for additional strings or ties. Easily reposition when dock lines stretch and chafe protection needs to moved. Made of nylon. Sold by the pair. Each chafe guard is 16" long (40 cm).
DI00395 $34.95

Taylor Made | Chafe Guard Polyester 3/4" x 4 ft ...

These chafe guards are made from strong, abrasion resistant polyester. They slide through chocks to protect your lines. 4ft. long, sold in pairs.

TY20344 Chafe Guard Polyester 3/4" x 4 ft $47.95
TY20584 Chafe Guard Ployester 3/8" - 5/8" x 4 ft $44.55
TY21144 Chafe Guard Polyester 1 1/4" x 4 ft $58.50

OC151202	Chain Marker Yellow 12 mm	$6.10

Other / Snubber

Davis Instruments | MiniShockle, 12" Black w/Stai ...

This is a bungee cord on steroids! MiniShockles hold up to 300lbs to protect your valuable gear. Ten times stronger than a standard bungee cord.

MiniShockle, 12" Black w/Stainless Steel Gate Snap. Holds up to 300 lbs
DI02430 $15.75

MiniShockle, 18" Black w/Stainless Steel Gate Snap. Holds up to 300 lbs
DI02440 $17.55

DI02445 MiniShockle, 24" Black w/Stainless Steel Gate Snap. Holds up to 300 lbs $18.75

Plastimo | "Smart" Snubber for Lines to 20mm

The smart subber offers an innovative mooring compensation solucion. The assembling process is fast and easy and does not require any free end of the line. Handy and efficient, provides stretchability and efficiency for many years. Just add some more snubbers on the same line to adjust the compensaction effect.

PL58845		$34.95

Plastimo | Snubber Rubber 12-16 mm For Boat Maximum 33 ft ...

Play it safe. Use snubber to allow some stretch and save your anchor or mooring lines.

Snubber Rubber 12-16 mm For Boat Maximum 33 ft
PL16586 $54.49

Snubber Rubber 14-18 mm For Boat Maximum 50 ft
PL16587 $83.50

Davis Instruments | AnchorSnubber, 20" w/ Stainle ...

AnchorSnubber safely absorbs shock loads and helps keep your anchor set. AnchorSnubber helps your boat ride comfortably at anchor, even in rough anchorages, adverse currents, or strong winds. No more chain noise keeping you awake! It attaches directly to chain, rope anchor rode, or anchor snubber line.

AnchorSnubber, 20" w/ Stainless Steel Captive Pin Shackles
DI02420 $70.25

Stainless / Anchor Roller

Osculati | Anchor Roller Spare Wheel Nylon 69 mm ...

Replacement rollers for bow rollers. Made from nylon.

Anchor Roller Spare Wheel Nylon 69 mm x 43 mm Hole 10.1 mm
OC0134620 $16.40

Anchor Roller Spare Wheel Nylon 88 mm x 53 mm Hole 12.5 mm
OC0134630 $25.95

Anchor Roller Spare Wheel Nylon 40 mm x 33.5 mm Hole 8.3 mm

Anchor Roller Stainless Steel 19 7/8" x 3 1/8 " x 2 3/4"
AT56023 $85.95

Mantus | Anchor Mate

Anchors frequently do not fit well on the bow rollers and boat owners resort to either switching to a sub optimal anchor design in order to ensure a better fit or invest heavily in expensive custom solutions to better secure their anchor on the bow. Anchor Mate was designed to mate an existing bow roller with an anchor of any design. Simple install uses the same bolt that articulates your roller, and converts an existing bow roller into a custom bow roller for any anchor. The design incorporates: Sturdy 316L Stainless Steel Precision Casting, Polyurethane V- guard from Stoltz Industries, and all 316L Fasteners.

MQ90005 $108.95

Mantus | Stainless Steel Anchor Bracket

Have your emergency anchor fully rigged and ready to deploy! This universal bracket allows you to store an anchor of any design on the rail in cockpit or on the bow. The rollers adjust and allow you to customize the bracket to snugly secure the shank of any design. The tight fitting rollers eliminate any movement, yet the anchor easily slides into the customized bracket. Made from Polished 316 L Stainless Steel.

MQ90002 $175.00

Mantus | Bow Roller For Boats 20-34Ft 316 Stainless Steel ...

Mantus bow roller is an anchor bow roller designed to fit an anchor of any design and when combined with the anchor-mate provides an ultimate solution for anchor storage.

Bow Roller For Boats 20-34Ft 316 Stainless Steel
MQ40001 $257.50

Mantus Bow Roller For Boats 34-45Ft 316 Stainless Steel
MQ40002 $359.95

HG00213 $36.85

Stainless / Mantus Swivel

Mantus | Swivel S1 For 1/4"-5/16" CHAIN Stainless Steel ...

The strongest link - Mantus swivel is stronger than its corresponding Grade 40 chain. (WLL is 1/5 UBS). Integrated shackle design completely eliminates side loading making this the safest swivel on the market. The pin on the chain side of the swivel is the strength limiting part since the geometry of the chain determines the pin size. Mantus swivel is the first to feature an oblong pin to maximizes the pin strength, with the aid of computer modeling and physical testing we truly created a swivel that is the strongest link. Note the innovative shackle bolt design - no shackle dog! This slim hex head design (with holes for safety wire) offers a slimmer profile making it easier for translating through your bow roller.

MQ80001 Swivel S1 For 1/4"-5/16" CHAIN Stainless Steel $84.50
MQ80002 Mantus Swivel S2 For 5/16"-3/8" CHAIN Stainless Steel $111.00
MQ80003 Mantus Swivel S3 For 3/8"-1/2" CHAIN Stainless Steel $168.75

Stainless / Osculati Chain Hook

Osculati | Chain Hook Stainless Steel 6-8 mm ...

This chain hook is a stainless steel mooring device and anchor chain lock. It hooks into the chain links to relieve the tension on the chain and abnormal loads on the windlass.

OC0174406 Chain Hook Stainless Steel 6-8 mm $24.95
OC0174410 Chain Hook Stainless Steel 10-12 mm $63.95

CHAINS

Galvanized / BBB Imperial

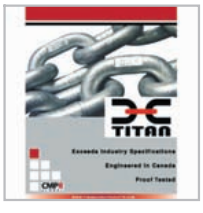

Titan | Chain BBB Galv. dia 3/8" pitch 1.09" ...

BBB is a low carbon steel chain designed with short, compact calibrated links suitable for windlasses and general anchoring. Check manufacturer specification prior to purchase. Finish: Hot Dip Galvanized. Chain by Canada Metal. Exceeds NACM, RR-C-271D Specifications. ISO-9001 Quality Assurance. Proof Tested. Sold per foot.

MA32380	Chain BBB Galv. dia 3/8" pitch 1.09"	$8.15
MA32516	Chain BBB Galv. dia 5/16" pitch 1"	$6.15

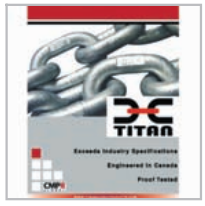

Titan | Chain BBB Galv. dia 3/8" pitch 1.09" WLL 2650 lb - 400ft

BBB is a low carbon steel chain designed with short, compact calibrated links suitable for windlasses and general anchoring. Hot Dip Galvanized.Sold by the drum.

MA52380		$3,096.00

Titan | Chain BBB Galv. dia 5/16" pitch 1" WLL 1900 lb - 550ft

BBB is a low carbon steel chain designed with short, compact calibrated links suitable for windlasses and general anchoring. Hot Dip Galvanized.Sold by the drum.

MA52516		$3,222.00

Galvanized / Din 766 G30 Std. Metric

Titan | Chain G30 DIN766 Galv. dia 6 mm pitch 18.5 mm ...

G30 quality is a low carbon steel chain suitable for all anchor applications. Hot dip galvanised short link chain, calibrated to Din766. Precise pitch on every chain link means it fits most anchor windlasses. Also suitable for general use. G30 chain has a break load 4 times its safe working load and is about 70% the strength of G43. Sold per foot.

MA43006	Chain G30 DIN766 Galv. dia 6 mm pitch 18.5 mm	$1.95
MA43008	Chain G30 DIN766 Galv. dia 8 mm pitch 24 mm	$2.95

DOCK & ANCHOR LINES

Rope - Dock Prespliced

Southern Ropes I Dockline Double Braid Black 10 m ...

Choose from a selection of premium quality, double braid dock lines (available in black, blue, and red). Each line has a professionally spliced 12" eye. Available in a variety of diameters from 10mm to 16mm and in lengths from 15ft to 35ft. How much line do you need? The size and type of line you use will depend on a number of factors including the size and weight of your boat. In general, lengths for fore and aft dock lines are usually two thirds of the boat length, and spring lines are usually equal to the length of the boat.

Rope - Twisted Nylon

Southern Ropes | Rope Polyrene 3-Strand Twisted White 6 mm (1/4") ...

Polyrene ® is a three strand twisted rope and has been developed as an economic alternative to nylon, maintaining similar strength, specific gravity and appearance characteristics, without water related strength loss or hardening with use. This rope has excellent abrasion resistance, is UV resistant, its strength is not affected by water, it does not shrink, and will sink. It can be used for: fishing nets, lifelines, anchor warps, mooring warps, lanyards, fender and tender lines. Sold per foot.

FENDERS & COVERS

Fender Covers / Continuous Fender Covers

Polyform | Rollneck Black Fender Cover, Fits 22-2 ...

Fender covers by FENDER-DESIGN are an economical solution at a fraction of the cost of traditional socks. The Roll Neck is a highly elastic tubular fabric that rolls on itself after the cut, no sewing, no rubbing, no lace! Features: Cut to length fender sock with self rolling border: Roll Neck is available in Navy Blue and Black Fits up to 12 inch diameter fenders. Small sizes fit 16-22 cm diameter and large sizes fit 22-30 cm diameter. A stocking on a fender eliminates the creak when two boats lie side by side and bumps into each other. The fender stocking also gives the fenders a longer life and gives the boat a new nice look. Easy to use! Slip the fender stocking onto the fender, cut the appropriate length and edge of the fender stocking folds itself and you are ready to go! Self-adjusting edge. There is no need for sewing or adjustments for a perfect fit to the fender. Machine washable.

PF22270	Rollneck Black Fender Cover, Fits 22-27cm Diameter Fender	$5.75
PF28330	Rollneck Black Fender Cover, Fits 28-33cm Diameter Fender	$7.95

Fender Covers / Elite Fender Covers

Polyform | Fender Cover Elite EFC-1 Black ...

Fender covers should be as tough as the fenders they protect. That's the criteria used in developing the Elite Fender Cover series. Polyform uses a premium grade yarn that is resistant to sunlight and abrasion. They are woven by a special knitting machine that produces a seamless tube so you don't have to worry about seams splitting and allows for a heavier yarn content. The result is a fender cover that is built to last for many years and not just a season. Features: hand-crafted with heavy duty polyester fabric for durability, washable, custom fit for a tailored look, drawstring closures instead of elastic - which can become brittle and break, quick and easy installation. Limited 3 year warranty.

PF01101	Fender Cover Elite EFC-1 Black	$34.49

Fenders / Polyform Ribbed

Polyform | Fender HTM-1 HTM-Series White 6" x 15 1/2" ...

In keeping with the Polyform tradition of quality, the HTM (hole through middle) fender was designed to provide maximum protection for small and medium sized pleasure craft. Vertical ribs for extra protection, reinforced tube ends to prevent lines from being pulled through if the fender gets caught in a tight spot, and extra wall thickness to resist punctures and tears, are just a few of the features this high quality fender has to offer. Moulded in one piece.

PF00501	Fender HTM-1 HTM-Series White 6" x 15 1/2"	$46.99
PF00502	Fender HTM-2 HTM-Series White 8 1/2" x 20 1/2"	$66.95
PF00503	Fender HTM-3 HTM-Series White 10 1/2" x 27"	$106.95
PF00504	Fender HTM-4 HTM-Series White 13 1/2" x 35"	$151.50
PF00803	Fender HTM-3 HTM-Series Black 10 1/2" x 27"	$106.95
PF00804	Fender HTM-4 HTM-Series Black 13 1/2" x 35"	$151.50

THRUSTERS

Quick | Cable Extension TCDEX 6 m

The Quick ® TCDEX is a control extension cable used on the Quick ® BTQ bow thruster series.

QK06000 $59.95

Quick | Bow Thruster Joystick Control Panel

TCD-1042 control panel for operating the BTQ bow thruster through a joystick. Simple and intuitive user interface. Universal power supply (from 8 to 30V DC). Automatic disablement. Protection against reverse polarity, short circuit output, prolonged activity of motor and interruption of thruster.

Maxwell Windlasses

Maxwell | Windlass VWC 2500 12v 3/8" High Test Chain w/Drum

Preferred for automatic, all-chain anchoring chores aboard the world's finest yachts because of their flawless operation and elegant appearance. The high-quality finish is heavy chrome over marine alloy bronze. An integral chainpipe and stripper are aligned for jamfree operation and provide automatic feed of the chain to-and-from the anchor locker. All include single-direction controls, chainpipe and chainwheel, circuit breaker/solenoid panel, foot switch and an emergency handle. Dual-direction motors are standard, but a dualdirection control kit must be added for power-down capabilities. Maxwell VWC250012V058. Vertical. VWC 2500. Max. Pull 2500 lb Windlass, 1200w. 40'--61' Boat Length, 3/8" Chain Rode Size, 50' (220lb.) Speed Up/Min., 50' Speed Down/Min., 9 9/16"H x 7 1/2"W x 11 23/32"L

VE250012 $4,650.00

Quick Horizontal Windlass

Quick | Genius Windlass GP2 2000 Drum Horizontal 800W 12V 8 mm

Horizontal on-deck windlasses. Anodized alluminium in hard oxide base. Rope and chain on a single gypsy. Integrated sensor and magnet for chain counter. Available with manual Free-Fall system. Supplied with pressure lever. IP66 watertight motor. Epicyclical gearbox. For boats 26-39ft.

QK201208 $1,795.00

Quick | Hector Windlass HC3 Drum Horizontal 1500W 12V 10 mm

Hector is a horizontal windlass suitable for complete 'on deck' installation. It is hallmarked with internal integrated solenoids, this feature allows an easy and fast installation. The external case is in aluminium, while the IP67 motor jacket is manufactured in special nylon glass fiber. Gypsy, drum and lid are all chromed plated bronze. The all new Hector windlass is suitable to take a rope and chain combination on a single gypsy, and thanks to new pressure level, it obtains a far higher performance using only rope. Complete with drum and gypsy.

QK14012 $2,495.00

Quick | Eagle Windlass E33 Drum Horizontal 1400W 12V 10 mm

For boats 39-49ft. Base in anodized aluminium in hard oxide. Integrated sensor and magnet for chain counter. Manual Free-Fall system. IP67 watertight motor. The vertical motor allows for extremely simple and quick installation.

QK141210 $2,650.00

BOATS - DINGHIES

Aruba Dinghies / Air Series

Aruba I A8 Dinghy (Air Series) Arctic Grey w/Orange Strip 8 ft 3"

Length: 250cm, Width 165cm, Weight 42kg. Seats 4 people. Max rated 10HP. Lightweight fiberglass stepped hull. The Air range is provided with an offset transom for faster planning. Orca Hypalon tubes. Lifting points and towing eye. Rowlocks with oars. 1 seat, Front and rear lifting handles. Foot pump and repair kit. - ARUBA RIBs start with proven Italian design - they are lightweight, fast and good looking. - But what truly sets Aruba apart from the competition is the attention to detail and care in manufacturing. Stateof-the-art manufacturing technology is blended with meticulous craftsmanship to produce durable tubes and surprisingly lightweight fiberglass hulls that offer exceptional quality and rugged reliability.

WH10008 $3,150.00

Aruba I A9 Dinghy (Air Series) Arctic Grey w/Orange Strip 9 ft 2"

Length: 280cm, Width 165cm, Weight 45kg. Seats 4 people. Max rated 15HP. Lightweight fiberglass stepped hull. The Air range is provided with an offset transom for faster planning. Orca Hypalon tubes. Lifting points and towing eye. Rowlocks with oars. 1 seat, Front and rear lifting handles. Foot pump and repair kit. - ARUBA RIBs start with proven Italian design - they are lightweight, fast and good looking. - But what truly sets Aruba apart from the competition is the attention to detail and care in manufacturing. Stateof-the-art manufacturing technology is blended with meticulous craftsmanship to produce durable tubes and surprisingly lightweight fiberglass hulls that offer exceptional quality and rugged reliability.

WH10009 $3,295.00

Aruba I A10 Dinghy (Air Series) Arctic Grey w/Orange Strip 10 ft 2"

Length: 310cm, Width 165cm, Weight 52kg. Seats 4 people. Max rated 20HP. Lightweight fiberglass stepped hull. The Air range is provided with an offset transom for faster planning. Orca Hypalon tubes. Lifting points and towing eye. Rowlocks with oars. 1 seat, Front and rear lifting handles. Foot pump and repair kit. - ARUBA RIBs start with proven Italian design - they are lightweight, fast and good looking. - But what truly sets Aruba apart from the competition is the attention to detail and care in manufacturing. Stateof-the-art manufacturing technology is blended with meticulous craftsmanship to produce durable tubes and surprisingly lightweight fiberglass hulls that offer exceptional quality and rugged reliability.

WH10010 $3,750.00

Aruba I A11 Dinghy (Air Series) Arctic Grey w/Orange Strip 11 ft 2"

Length: 340cm, Width 173cm, Weight 62kg. Seats 5 people. Max rated 20HP. Lightweight fiberglass stepped hull. The Air range is provided with an offset transom for faster planning. Orca Hypalon tubes. Lifting points and towing eye. Rowlocks with oars. 1 seat, Front and rear lifting handles. Foot pump and repair kit. - ARUBA RIBs start with proven Italian design - they are lightweight, fast and good looking. - But what truly sets Aruba apart from the competition is the attention to detail and care in manufacturing. Stateof-the-art manufacturing technology is blended with meticulous craftsmanship to produce durable tubes and surprisingly lightweight fiberglass hulls that offer exceptional quality and rugged reliability.

WH10011 $4,095.00

Aruba Dinghies / Comfort Series

Aruba I C12 Rear Seat ...

Padded seat with folding back rest.

WH210122 C12 Rear Seat $756.00
WH210132 Aruba C13 Rear Seat $851.99

Aruba I C12 Console ...

Fiberglass console with windscreen and grab handles.

WH210121 C12 Console $936.00
WH210131 Aruba C13 Console $708.00

Aruba I C9 Dinghy (Comfort Series) Arctic Grey w/Orange Strip 9ft 2"

Length: 283cm, Width 165cm, Weight 60kg. Seats 4 people. Max rated 15HP. Double bottom and straked fiberglass hull. The Comfort range offers outstanding seaworthy behavior. Orca Hypalon tubes. Constant V Hull. Integrated transom supports. Bow locker. Lifting points and towing eye. Foot pump, repair kit and telescopic paddles. (Seat and oars shown not included). ARUBA RIBs start with proven Italian design - they are lightweight, fast and good looking. But what truly sets Aruba apart from the competition is the attention to detail and care in manufacturing. State of-the-art manufacturing technology is blended with meticulous craftsmanship to produce durable tubes and surprisingly lightweight fiberglass hulls that offer exceptional quality and rugged reliability.

WH20009 $3,925.00

Aruba I C10 Dinghy (Comfort Series) Arctic Grey w/Orange Strip 10ft 2"

Length: 313cm, Width 167cm, Weight 60kg. Seats 4 people. Max rated 20HP. Double bottom and straked fiberglass hull. The Comfort range offers outstanding seaworthy behavior. Orca Hypalon tubes. Constant V Hull. Integrated transom supports. Bow locker. Lifting points and towing eye. Foot pump, repair kit and telescopic paddles. (Seat and oars shown not included). ARUBA RIBs start with proven Italian design - they are lightweight, fast and good looking. But what truly sets Aruba apart from the competition is the attention to detail and care in manufacturing. Walker Bay Dinghies / Odyssey Air Floor

Walker Bay | Dinghy 240-AF (Odyssey Air Floor Roll Up Series) 7 ft 11"

The new Odyssey line is perfect for those looking for simplicity and performance in a stowable tender. Light and compact, the Odyssey Series rolls up to neatly fit in its own (included) carrying bag. Specifications: Heytex PVC Floor and ORCA CSM Hypalon 2+2 Air Chambers. Length Outer 7'11". Beam 5'. Tube Outer diameter 16.5". Weight 49 lb. Persons 3. Max Load 924 lb. Max HP 6. Recommended HP 5. Short shaft.Features: - Tough HYPALON TUBES, INFLATABLE FLOOR WITH INFLATABLE KEEL. Construction - Large Diameter Multi-Chamber Tubes provide a Safe and Dry ride - Ergonomic Handles make moving your Odyssey effortless - Custom Molded Tube Ends offer more internal space versus traditional pointed tubes as there is greater length in the cockpit than in the tube end - Wear Patches protect tubes from abrasion. High Pressure Inflatable Deck; Constructed from PVC, joined inside by thousands of dropstitch fibers that inflate to form a lightweight rigid deck, Odyssey's Air Floor Series offers performance, combined with effortless setup and takedown - just inflate and go, deflate and stow. The high pressure deep V-hull provides a smooth ride in rough chop and performs well with a smaller motor.

WB02400 $1,895.00

Walker Bay Dinghies / Supertenders

Walker Bay | Dinghy 325-STXH Deluxe (Odyssey Supe ...

Model Supertender 325STX. Specifications: ORCA CSM Hypalon. 3 Air Chambers. Length Outer 10'8". Length Inner 7'7". Beam Outer 5'3". Beam Inner 30.5". Tube Outer diameter 17". Weight 181 lb. Persons 5. Max Load 1886 lb. Max HP 25. Short shaft. Features: Extra deep V in the hull provides a smoother ride in rough water. Hull shape deflects water down for a dryer ride. Wider bow means more space up front and room enough for a large bow locker which fits a large 6.6 gallon gas tank. Built tough from Walker Bay's DuraTech molded construction. Vacuum resin molded with a foam core making it stronger and lighter that other comparable boats. Large 17" diameter tubes and towing D-Rings included. Additional reinforcement areas in the hull and deck for different davit lifting point options. Tube set length matched to LOA with motor for maximum performance. Includes Bow Locker, Genesis deluxe seat and two piece light weight oars. Designed to work with Genesis console package.

WB50325 Dinghy 325-STXH Deluxe (Odyssey Supertender Series) 10 ft 8" $4,599.00

BOATS - OUTBOARD

Evinrude / Evinrude G2

Evinrude | 150HP G2 25in High Output

The outboard of the future. Introducing a revolutionary concept in outboards - a choice. Now, choose cutting-edge over commonplace. Choose more torque over more talk. Choose more time on the water over more time in the shop. Choose the outboard that performs, and looks like no other outboard in the world. The most powerful, fuel efficient and cleanest combustion outboard is now available from 150 HP to 300 HP. With hundreds of color combinations to choose from, stand out in look, design, and performance. The Evinrude E-Tec G2 delivers 20% more torque to jump on plane or power over big swells. Go further and fill up less with a 15% reduction in fuel costs vis-a-vis closest competitors. The fully integrated i-Trim automatically trims your engine, Dynamic Power Steering and the hydrodynamic SLX gearcase reduces steering effort and improves handling delivering a silky smooth, yet powerful steering experience. - Color: Slate Grey with over 400 Color Panel and Accent Combinations. Your choice. Engine Type V6 66 deg. D.I. Bore x Stroke - in (mm) 3.386 x 3.100 (86 x 78.7). Displacement - cu in (cc) L 167 (2744), 2.7L. Gear Ratio 2.17:1. Full Throttle RPM Range 5000-6000 RPM. Weight - lbs [...] more at islandwaterworld.com

XEC150FXH $16,725.50

Walker Bay Supertender.
Superior comfort. Smooth ride.
The perfect tender for Carribean waters.

Evinrude / Evinrude Inline

Evinrude I 25HP Etec - 15in shaft E25DGTE Smoke Blue

Lighter and tougher than the other guys with more electrical output. And with the incredible Evinrude tiller, you're in total control of your engine. And your time on the water. Weight 162lbs. Shaft length 15". Steering Tiller. Rope and electric start. No gauges. Includes Prop. - Engine type Inline 2-Cylinder E-TEC DI Displacement 35.2 cu in/577 cc Recommended fuel 87 Octane Emissions compliance CARB 3 Star, U.S EPA, European Union Recommended Oil Evinrude/Johnson XD100Ö Oil Propshaft HP 25 HP (19 kw) @ 5500 RPM Full Throttle RPM Range 5500 to 6000 Alternator output 56 Amps Total Output/ 15 Amps Net Dedicated Fuel induction E-TEC DI w/ Stratified low RPM combustion mode

XE25DGTE $6,700.00

Evinrude I 25HP Etec - 20in shaft E25D9SL White

Lighter and tougher than the other guys with more electrical output. Remote Steering. Rope and electric start. Weight 181lbs. Shaft length 20". Gauges. Includes Prop. - Engine type Inline 2-Cylinder E-TEC DI Displacement 35.2 cu in/577 cc Recommended fuel 87 Octane Emissions compliance CARB 3 Star, U.S EPA, European Union Recommended Oil Evinrude/Johnson XD100Ö Oil Propshaft HP 25 HP (19 kw) @ 5500 RPM Full Throttle RPM Range 5500 to 6000 Alternator output 56 Amps Total Output/ 15 Amps Net Dedicated Fuel induction E-TEC DI w/ Stratified low RPM combustion mode

XE25DPSL $7,150.00

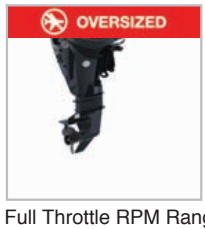

Evinrude I 30HP Etec - 20in shaft E30DPSL White

Lighter and tougher than the other guys with more electrical output. Remote Steering. Power Tilt/Power trim and tilt. Rope and electric start. Weight 181lbs. Shaft length 20". Gauges. Includes Prop. - Limited Warranty 3-Years Non-Declining Engine type Inline 2-Cylinder E-TEC DI Displacement 35.2 cu in/577 cc Recommended fuel 87 Octane Emissions compliance CARB 3 Star, U.S EPA, European Union Recommended Oil Evinrude/Johnson XD100Ö Oil Propshaft HP 40 HP (30 kw) @ 5500 RPM Full Throttle RPM Range 5500-6000 RPM Alternator output 81 Amps Total Output/ 25 Amps Net Dedicated Fuel induction E-TEC DI w/ Stratified low RPM combustion mode

XE30DPSL $7,750.00

Evinrude I 30HP Etec - 20in shaft E30DPGL Smoke Blue

Lighter and tougher than the other guys with more electrical output. Remote Steering. Power Tilt.Rope and electric start. Weight 181lbs. Shaft length 20". Gauges. Includes Prop. - Limited Warranty 3-Years Non-Declining Engine type Inline 2-Cylinder E-TEC DI Displacement 35.2 cu in/577 cc Recommended fuel 87 Octane Emissions compliance CARB 3 Star, U.S EPA, European Union Recommended Oil Evinrude/Johnson XD100Ö Oil Propshaft HP 40 HP (30 kw) @ 5500 RPM Full Throttle RPM Range 5500-6000 RPM Alternator output 81 Amps Total Output/ 25 Amps Net Dedicated Fuel induction E-TEC DI w/ Stratified low RPM combustion mode

XE30DPGL $7,900.00

Evinrude I 40HP Etec - 20in shaft E40DSL White

More in the three-cylinder class. Lighter and tougher than the other guys with more electrical output. No Maintenance for 3 Years / 300 Hours No inspections or adjustments, no changing gearcase lube, no spring tune-ups. For a full three years, then every three years after that. Beat everything on the water in everything from speed and torque to fuel efficiency. Whether you're running slow, fast or anywhere in between. Starting Method Electric. FasTrak Power Trim and Tilt, Remote Steering. Weighs 240lbs. 20" shaft. Includes guages no prop. - Limited Warranty 3 year, non-declining. Engine type Inline 2-Cylinder E-TEC DI. Displacement 52.7 cu in/863 cc. Recommended fuel 87 Octane. Emissions compliance CARB 3 Star, U.S EPA, European Union. Recommended Oil Evinrude/Johnson XD100 Oil. Propshaft HP 40 HP (30 kw) @ 5500 RPM Full Throttle RPM Range 5500-6000 RPM Alternator output 81 Amps Total Output/ 25 Amps Net Dedicated. Fuel induction E-TEC DI w/ Stratified low RPM combustion mode

XE40DSL $7,950.00

Evinrude I 40HP Etec - 20in shaft E40DPGL Smoke Blue

More in the three-cylinder class. Lighter and tougher than the other guys with more electrical output. Nissan | Outboard Motor 2-stroke (S) 9.8 hp

Model 9.8 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Displacement: 169. Control type: Tiller. Fuel tank: Separate, approx. 12 L. Weight: 57 lbs. Features: This proven 2-stroke technology gives these two cylinder outboards extremely long life and still remains one of the best, not only in terms of power to weight ratio, but also excellent reliability.

NI10098 $1,883.99

Nissan | Outboard Motor 2-stroke (S) 15 hp

Model 15 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Displacement: 15.07 cu in. Control type: Tiller. Fuel tank: Separate, approx. 25 L. Weight: 84 lbs. Features: This proven 2-stroke technology gives these two cylinder outboards extremely long life and still remains one of the best, not only in terms of power to weight ratio, but also excellent reliability.

NI10015 $2,380.00

Nissan | Outboard Motor 2-stroke (S) 18 hp

Model 18 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Displacement: 17.94 cu in. Control type: Tiller. Fuel tank: Separate, approx. 24 L. Weight: 84 lbs. Features: This proven 2-stroke technology gives these two cylinder outboards extremely long life and still remains one of the best, not only in terms of power to weight ratio, but also excellent reliability.

NI10018 $2,385.00

Nissan | Outboard Motor 2-stroke (L) 18 hp

Model 18 Long Shaft 2-Stroke. Specifications: Cylinders: 2. Displacement: 17.94 cu in. Control type: Tiller. Fuel tank: Separate, approx. 24 L. Features: This proven 2-stroke technology gives these two cylinder outboards extremely long life and still remains one of the best, not only in terms of power to weight ratio, but also excellent reliability.

NI10118 $2,505.00

Nissan | Outboard Motor 2-stroke (L) 25 hp

Model 25 Long Shaft 2-Stroke. Specifications: Cylinders: 2. Displacement: 26.18 cu in. Control type: Tiller. Fuel tank: Separate, approx. 25 L. Weight: 115 lbs. Features: This proven 2-stroke technology gives these two cylinder outboards extremely long life and still remains one of the best, not only in terms of power to weight ratio, but also excellent reliability.

NI10125 $2,975.00

Nissan | Outboard Motor 2-stroke (S) 30 hp

Model 30 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Control type: Remote. Fuel tank: Separate, approx. 25 L. Weight: 119 lbs. Features: This proven 2-stroke technology gives these two cylinder outboards extremely long life and still remains one of the best, not only in terms of power to weight ratio, but also excellent reliability.

NI10130 $3,390.00

Nissan / 4-stroke

Nissan | Outboard Motor 4-stroke (S) 15 hp

Model NSF-15 Short Shaft 4-Stroke. Specifications: Cylinders: 2. Control type: Remote or tiller. Fuel tank: Separate, approx. 12 L. Weight: 114.4 lbs. Features: Light and compact! designed with proven technology , advanced cross-flow induction for smooth operation, canister style oil filter for easy replacement , larger capacity oil reservoir for optimum lubrication, tuned intake system for crisp takeoffs, ultra low emission, EPA and CARB approved, start-in-gear protection for safer engine starting, safety lanyard (an essential protection feature standard on all Nissan outboards).

NI20015 $3,350.00

Seanovo

Seanovo | 2-Stroke Outboard Motor 2.5 hp, Short Shaft

Great back-up outboard. Max Output:2.5HP(1.8kw). RPM:4000-5000. Stroke:2. Cylinder:1 Displacement(cc):61. Size:610X240X916. Weight:9.8kg. Gear Ratio:27:13(2.08). Gear Shift Position:F. Ignition System:CDI. Cooling System:Water-cooling. Starting System:Manual. Control system:Tiller Control. Fuel tank:1.2L.

SEA20025 $549.00

Yamaha - St Maarten Only / 2-stroke St Maarten Only

Yamaha | Outboard Motor 2-stroke (S) 2 hp

Model 2 Short Shaft 2-Stroke. Specifications: Cylinders: 1. Control type: Tiller. Fuel tank: Integral 1.2 L. Weight: 21 lbs. Displacement: 50 cc. Features: lightweight, compact and power-pact! built-in fuel tank, manual starter & 360 degree steering for convenience, loop charging for high performance & fuel economy, maintenance free CDI for high performance, reliability & sure start , exhaust buffer for reduced engine noise, front controls (throttle, choke, recoil starter, engine stop switch) for easy operation, long steering handle for maneuverability, clamp screw with grease for corrosion protection, tilt-up stopper for convenience, 5-stage multiple coating & self-sacrificing anodes for anti-corrosion. Only available in St Maarten.

YM01002 $1,040.99

Yamaha | Outboard Motor 2-stroke (S) 5 hp

Model 5 Short Shaft 2-Stroke. Specifications: Cylinders: 1. Control type: Tiller. Fuel tank: external 3 gal. Weight: 46 lbs. Displacement: 103 cc. Features: lightweight, compact and power-pact! built-in fuel tank, manual starter & 360 degree steering for convenience, loop charging for high performance & fuel economy, maintenance free CDI for high performance, tiller handle with twist throttle grip for convenience, F-N-R gear shift for convenience, steering friction adjustment for convenience, shallow water drive, 5-stage multiple coating & self-sacrificing anodes for anti-corrosion. Only available in St Maarten.

YM01005 $1,675.00

Yamaha | Outboard Motor 2-stroke (S) 15 hp 15FMHS

The 15F stands out in Yamaha's portable range and prove to be the markets favourite outboard. Lightweight and easy to transport they have a reputation built on years of reliable and powerful performance.

YM05015 $3,053.10

Yamaha | Outboard Motor 2-stroke (L) 70 hp

This range of hard working outboards offer excellent value and no frills reliability. Simple as that, really! 70BETOL - Electric Start, Tilt System - Electric Start, Precision BlendÖ Oil Injection, Transom height - Long General Features: Precision blend. Steering arm. Prime start Engine mounted oil reservoir Weight 231lbs. - Excellent reliability. CDI ignition provides automatic spark advance to provide maximum power throughout the whole RPM range. Loop charging boosts power and fuel efficiency. Precision Blend oil injection system (on applicable models) guarantees the optimum smooth running, excellent durability and eliminates the need for pre-mixing two stroke fuel. Sharp responsive power. Three cylinder design has stood the test of time and proven to be hugely successful with a range of boat owners.

YM01070 $8,577.00

Yamaha - St Maarten Only / 4-stroke St Maarten Only

Yamaha | Outboard Motor 4-stroke (S) F9.9 hp

Model F9.9 Short Shaft 4-Stroke. Specifications: Cylinders: 2. Displacement: 212 cc. Compression ratio: 9.46:1. Shaft (S): 15". Prop shaft hp: 9.9 hp @ 5500 rpm. Weight: 87 lb. Control: Gear - fwrd, neutral and reverse. The F9.9 can be paired with a duel thrust propeller to make a great sail drive outboard for heavier displacement boats. Microcomputer ignition adjusts timing to maintain optimum engine performance, economy and power under all conditions. Yamaha's shallow water drive helps keep the propeller and lower unit out of harm's way in shallow water. Only available in St Maarten.

YM06099 $3,295.00

Yamaha | Outboard Motor 4-stroke (S) F15 hp

Model F15 Short Shaft 4-Stroke. Specifications: Cylinders: 2. Displacement: 362 cc. Compression ratio: 9.3:1. Shaft (S): 15". Prop shaft hp: 15 hp @ 5500 rpm. Weight: 111 lb. Control: Gear - fwrd, neutral and reverse. The F15 portable outboards meet federal EPA requirements. Microcomputer ignition adjusts timing to maintain optimum engine performance, economy and power under all conditions. Yamaha's shallow water drive helps keep the propeller and lower unit out of harm's way in shallow water. Only available in St Maarten.

YM06015 $4,226.00

Yamaha | Outboard Motor 4-stroke (S) 20 hp - Electric Start

Versatile twin-cylinder, 4-stroke engines, they combine power and responsiveness to deliver an always-smooth ride. Standout fuel economy also means that they're kinder to the environment, with exhaust emissions cut to a minimum. Enjoy the extras that a Yamaha outboard also brings, benefits - such as computer-controlled ignition, a special light-load starting system, a water-cooled fuel pump, and a large-volume silencer - normally only found on larger engines. For commercial, professional or leisure use, this all adds up to a winning formula. Electric start, Power tilt, 12v -10amp regulator. Weight 115 lbs -

YM06020 $4,491.95

Yamaha | Outboard Motor 4-stroke (L) F70 hp

Model F70 Long Shaft 4-Stroke. Specifications: Cylinders: 4. Displacement: 996 cc. Compression ratio: 9.4:1. Shaft (S): 20". Prop shaft hp: 70 hp @ 5800 rpm. Weight: 111 lb. Control: Gear - fwrd, neutral and reverse. Features: Precision multi-point fuel injection uses individual fuel injectors and a system of on-engine sensors to deliver an optimal fuel/air mixture to each cylinder, easy turnkey starting, smooth acceleration and maximum fuel economy, a single overhead camshaft (SOHC) provides a compact, lightweight, space-saving design. Only available in St Maarten.

YM05070 $9,901.99

Yamaha | Outboard Motor 4-stroke (L) F150 hp

Model F150 Long Shaft 4-Stroke. Specifications: Cylinders: 4. Displacement: 2670 cc. Compression ratio: 9.0:1. Shaft (S): 20". Prop shaft hp: 150 hp @ 5500 rpm. Weight: 480 lb. Control: Gear - fwrd, neutral and reverse. Features: Compact and lightweight, our in-line four-cylinder design is quiet, clean-burning and fuel efficient, with power to spare, a 16-Valve Double Overhead Cam with individual intake and exhaust camshafts provides more precise valve timing control and has less moving parts for less maintenance, multi-point electronic fuel injection is controlled by the ECM (engine control module), four individual fuel injectors provide the precise amount of fuel for each individual cylinder, optimal fuel atomization provides better combustion, a 10mm offset crankshaft allows for larger intake volume design, four tuned intake tubes boost torque in low and mid-speed ranges for quick acceleration. Only available in St Maarten.

YM05150 $19,555.00

Yamaha - St Maarten Only / Enduro St Maarten Only

Yamaha | Outboard Motor 2-stroke (S) Enduro 8 hp

Model Enduro 8 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Compression ratio: 5.8. Shaft (S)22". Prop shaft hp: 8 hp @ 5500 rpm. Features: Manual trim & tilt method, loop-charged scavenging creates a circular flow for efficient removal of exhaust gas and even distribution of air-fuel mixture, a lanyard clips to clothing or around the wrist, stopping the engine immediately if the operator leaves the helm, shallow water drive, start-in-gear prevention, extremely durable crankshaft, long life piston/piston ring, sturdy gears and gear case. Only available in St Maarten.

YM04008 $2,481.00

MICHIGAN WHEEL

Yamaha • Evinrude • Suzuki • Mercury • Tohatsu • Honda • Volvo • MerCruiser

MICHIGAN APOLLO | MICHIGAN BALLISTIC | MICHIGAN MATCH | MICHIGAN VORTEX

ABOUT US

Founded in 1903, Michigan Wheel is an industry leader in the design and production of marine propellers. Our high-quality, innovative products are marketed to both the OEM and aftermarket.

Our philosphy of utilizing the latest in manufacturing processes has made Michigan the standard by which the industry judges excellence. Such manufacturing integrity means that in the future, as in the past, you can depend upon Michigan Wheel - where breakthroughts in propeller technology begin.

WHY MICHIGAN?

- Propellers manufactured with superior alloys, which provides superior performance and greater durability.
- Broad selection of propeller sizes for all engine brands - from 4 HP through 300 HP, and single propeller sterndrives.
- Factory Customer Service Support available M-F 8:00AM - 5:00PM EST at 1-800-369-4335.

OUR PROPELLERS

MICHIGAN MATCH

With OEM-equivalent blade geometry, Michigan Match propellers provide performance equal to, or better than the propeller being replaced.

MICHIGAN VORTEX

Featuring high-performance blade geometry, and utilizing the XHS Hub System, Vortex propellers are a great choice for replacement or prop upgrades.

MICHIGAN APOLLO

The most economically priced stainless steel propeller, Apollo propellers offer all-around top performance without the sticker shock.

MICHIGAN BALLISTIC

Long thought of as a performance bass boat propeller, Ballistic propellers provide unparalleled performance on a variety of hull types.

Need help sizing a propeller? Use the Prop Selector at www.miwheel.com

Yamaha | Outboard Motor 2-stroke (S) Enduro 9.9 hp

Model Enduro 9.9 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Compression ratio: 7.0. Shaft (S) 17". Prop shaft hp: 9.9 hp @ 5000 rpm. Weight: 83 lb. Control: Gear - fwrd, neutral and reverse. Features: Manual trim & tilt method, loop-charged scavenging creates a circular flow for efficient removal of exhaust gas and even distribution of air-fuel mixture, a lanyard clips to clothing or around the wrist, stopping the engine immediately if the operator leaves the helm, shallow water drive, start-in-gear prevention, extremely durable crankshaft, long life piston/piston ring, sturdy gears and gear case. Only available in St Maarten.

YM04099 $2,684.00

Yamaha | Outboard Motor 2-stroke (L) 15 HP

2-stroke, enduro, 15hp, long shaft, pre-mix. Key Features: Manual Trim & Tilt method. Loop charging - Loop-charged scavenging creates a circular flow for efficient removal of exhaust gas and even distribution of air-fuel mixture. The result is greater combustion efficiency for higher power and better fuel economy. Engine stop switch lanyard - This lanyard clips to clothing or around the wrist, stopping the engine immediately if the operator leaves the helm. Shallow water drive - The outboard can be set at a tilt angle, preventing it from hitting the bottom when operating in shallow water. Start-In-Gear Prevention. Extremely durable crankshaft. Long life piston/piston ring. Sturdy gears and gear case. - Working class heroes: For more than thirty years Yamaha has been supplying reliable, heavy-duty outboards to the most demanding boaters of all: the people who make their living on the water. These Enduro outboards are designed from the bottom up to take the strain of long continuous hours of hard use. Years of rigorous testing have produced features that make the difference between a motor that goes the distance and those that quit along the way.

YM04115 $2,873.25

Yamaha | Outboard Motor 2-stroke (S) Enduro 15 hp

Model Enduro 15 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Compression ratio: 6.8. Shaft (S) 17". Prop shaft hp: 15 hp @ 5000 rpm. Weight: 86 lb. Control: Gear - fwrd, neutral and reverse. Features: Manual trim & tilt method, loop-charged scavenging creates a circular flow for efficient removal of exhaust gas and even distribution of air-fuel mixture, a lanyard clips to clothing or around the wrist, stopping the engine immediately if the operator leaves the helm, shallow water drive, start-in-gear prevention, extremely durable crankshaft, long life piston/piston ring, sturdy gears and gear case. Only available in St Maarten.

YM04015 $2,877.99

Yamaha | Outboard Motor 2-stroke (S) Enduro 25 hp

Model Enduro 25 Short Shaft 2-Stroke. Specifications: Cylinders: 2. Compression ratio: 2.08. Shaft (S) 16". Prop shaft hp: 25 hp @ 5000 rpm. Weight: 120 lb. Control: Gear - fwrd, neutral and reverse. Features: Manual trim & tilt method, loop-charged scavenging creates a circular flow for efficient removal of exhaust gas and even distribution of air-fuel mixture, a lanyard clips to clothing or around the wrist, stopping the engine immediately if the operator leaves the helm, shallow water drive, start-in-gear prevention, extremely durable crankshaft, long life piston/piston ring, sturdy gears and gear case. Only available in St Maarten.

YM04025 $3,534.00

Yamaha | Outboard Motor 2-stroke (L) Enduro 40 hp

Model Enduro 40 Long Shaft 2-Stroke. Specifications: Cylinders: 2. Compression ratio: 6.0. Shaft (S) 21". Prop shaft hp: 40 hp @ 5000 rpm. Weight: 240 lb. Control: Gear - fwrd, neutral and reverse. Features: Manual trim & tilt method, loop-charged scavenging creates a circular flow for efficient removal of exhaust gas and even distribution of air-fuel mixture, a lanyard clips to clothing or around the wrist, stopping the engine immediately if the operator leaves the helm, shallow water drive, start-in-gear prevention, extremely durable crankshaft, long life piston/piston ring, sturdy gears and gear case. Only available in St Maarten. -

Polymarine I Dinghy Drain Plug Expanding

Expanding dinghy drain plug. Plastic and rubber plug for use in tube PO116215.

PO116216 $9.95

Nuova Rade I Transom Pad, Plastic 250 x 90mm

Rigid non-slip plastic. Prevents outboard clamps from damaging the transom. Dimensions : 9.84"(250 mm) x 3.54"(90 mm).

LZ16943 $9.95

Caribe I Dinghy Condensation Valve Complete

Dinghy condensation valve complete.

CI220411 $10.49

Caribe I Universal Air Valve Adapter

Universal Air Valve Adapter.

CI2204031 $10.49

Lalizas I Dinghy Valve Standard Grey

Standard dinghy valve. Grey.

LZ98966 $10.95

Caribe I Oarlock Glass Reinforced Pivot

Dinghy oarlock pivot. Plastic.

CI220604 $12.00

Polymarine I Transom Plate Plastic Black 270 mm x 98 mm

T-shaped plastic transom plate. 270 x 98mm. Supplied in black

PO896210 $12.50

Perko I Oarlock Horns Ribbed Zinc

Oarlocks. The zinc manufactured oarlocks are 1-3/4" between horns and the bronze manufactured oarlocks are 2" between horns. Both have a 1/2" shank.

PK12622 $12.75

Caribe I Dinghy Drain Plug

Dinghy drain plug. Handle flips up.

CI220402 $13.50

Polymarine I Self Bailer Cup and Plug Black

Complete self bailer cup and plug w/diaphragm.

PO117310 $13.55

Caribe I Oar Sleeve. Pivot sold separately

Oar sleeve. our pivot sold separately.

CI220603 $13.95

Highfield I Large Stainless Steel Towing D-Ring

D-Ring Large towing Stainless Steel. 7 x 29. Hypalon fabric. DR002LH.

HF00002 $14.50

Kwik Tek I Outboard Motor Kill Switch Key w/Lanyard

Be prepared, always carry a spare. If you lose or break your kill switch key, for whatever reason, you won't be able to start your outboard motor. Most marinas don't stock replacement keys, so your much deserved day out on the boat will be ruined. This lanyard has 7 keys to fit all BRP, Johnson, Evinrude, Mercury, Yamaha, Honda, Tohatsu, Nissan and Suzuki kill switches. It's equipped with a swivel snap hook to prevent tangles, and rust free stainless steel crimps. Don't leave the dock without it.

LR90006 $17.50

Caribe I Transom Plate Plastic

Dinghy transom plate. Plastic.

CI3211 $18.00

Osculati I Dinghy Air Valve Universal Push Push Mechanism Nylon ...

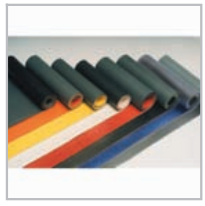

Made of strong non hygroscopic POM. Push valves are dimensionally stable because they do not absorb humidity, while valves made from nylon may absorb water, causing them to deform and to leak.

Dinghy Air Valve Universal Push Push Mechanism Nylon
OC6644664 $18.10

Dinghy Air Valve Universal Push Push Mechanism Nylon
OC6644665 $23.60

Polymarine I Hypalon Fabric Arctic Grey 1 ft x 1 ft ...

PO324801 Hypalon Fabric Arctic Grey 1 ft x 1 ft $18.49
PO324802 Hypalon Fabric Yellow 1 ft x 1 ft $18.95

Osculati I Adhesive Hypalon Two Part 125 g w/Hardener 10 ml

Adamprene two components adhesive for repairing hypalon dinghies. 125g of resin 10ml of hardener.

OC6624011 $18.49

Lalizas I Paddle Aluminium 120 cm x 25 mm

Aluminium, palm grib paddle. Length: 120 cm; Diameter: 25 mm

LZ50200 $18.49

Caribe I ORCA Hypalon Fabric 820 Arctic Grey 1 ft x 1 ft

ORCA Hypalon fabric grade 820. 12 x 12 inches

CI220312 $18.49

Inland Marine I Numbering & Name Kit

Numbering & name kits. Good for use on dingies.

IN00300 $20.50

Seasense I Drain Safety Plug One Way 1/2" NPT Female

One way safety plug lets water out of you bilge but not back in. Ideal for every boater who has ever forgotten to put in the plug. Features an exclusive plug handle which allows the plug to be tightened and loosened with a wrench, screwdriver or even a nail. plug and handle included.

DF32270 $20.50

Caribe I Towing Ring Preassembled Patch Light Grey Lrg

Preassembled towing ring for an inflatable dinghy. Light Grey.

CI312208 $20.99

Highfield | Large Grey Valve

Large Grey Valve.

HF00001 $21.75

Polymarine | Oarlock Plastic Glass Reinforced

Caribe oarlock pin. Glass reinforced top oval ring on a stainless steel shaft. Fits oarlock PO176010.

PO172110 $23.25

Honda | Outboard Motor Emergency Stop Lanyard

Replacement engine stop lanyard clip on style engine stop lanyard fits all Honda outboard motors.

AH36182-ZV4-651 $23.74

Barton Marine | Clam Seal Glueless

The Barton ClamSeal is an instant, glueless repair system for inflatable's, liferafts, buoyancy bags and virtually any inflatable product. The patented 'ClamSeal' is a compact safety device, which can be quickly inserted into any tear up to 90mm (3.5")without the use of hand tools or adhesives. Hand tightening the nut is all that is needed before re inflating the tube for an instant repair above or below the waterline.

BN60001 $23.95

Polymarine | Dinghy Drain Plug Expanding 35 mm

Expanding plastic and rubber drain plug 35mm diameter.

PO116213 $25.95

Polymarine | Suresealxxx Adhesive Sealant Waterproof 75 ml

Flexible repair sealant and adhesive for a waterproof permanent repair to coated fabrics, PVC, PU, neoprene, rubber, leather, most plastics and fabrics Multiple uses include repairs to inflatable boat and RIB tubes, wet suits, dry suits, waders, boat fenders, tents and awnings, sails, diving and skiing equipment, foul weather gear, flotation vests, footwear, vinyl upholstery and thousands more items Creates a skin to repair actual holes without the need for a fabric patch.

PO353810 $26.05

Lalizas | Hand Pump Double Action

Double action hand pump.

LZ10230 $28.95

Seasense | Drain Plug Stainless Steel

Captive plug. Non corrosive stainless steel construction. Easy plug installation and removal.

DF32268 $29.95

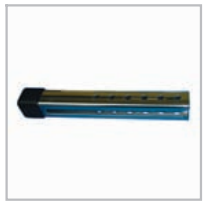

Seachoice | Telescopic Aluminum Paddle/Handle, 18-31"

Small Telescoping Paddle. Lightweight. Corrosion resistant aluminum. High strength molded material.

L007109 $30.55

Lalizas | Outboard Motor Safety Lock Stainless Steel 280 mm

Safaty lock for outboard engines. Length 280mm.

LZ99526 $32.95

Davis Instruments | Motor Caddy Outboard Hoisting Harness

Motor Caddy is sized to be quickly attached to most outboards from 2-15 horsepower. This improved design features a longer strap to fit 4-stroke motors and an added security strap for today's streamlined engine cases. Made of UV resistant materials that will endure the marine environment for those who prefer a semi permanent installation. Glass filled nylon buckles insure that Motor Caddy is easy to install and remove. Makes lifting and moving cumbersome motors safer and simpler

DI00430 $33.75

Nuova Rade | Aluminum Dinghy Paddle, Jointed 160 x 35mm

LZ44367 $33.95

Lalizas | Pump Inflator/Deflaflator 3 m Cable 12V

Capable of nflation and deflation. Self-adjusting pressure at 40mbar (0,55psi) so as to avoid over-inflation. Fast and durable motor. Low current consumption. Supplied with an adaptor suitable for the most common types of valve. Can be connected to the car lighter (3m cable).

LZ11501 $34.95

Polymarine I Adhesive 3026 PVC Two Part 250 ml w/hardener 10 ml

PVC Inflatable Boat Adhesive. PLEASE NOTE: For a complete bond 2903 solvent must be used before the adhesive is applied. Solvent based polyurethane adhesive giving excellent adhesion to both plasticised and unplasticised PVC. Used in conjunction with 107 curing agent will bond a wide variety of surfaces including PVC, nylon fabric, polyurethane fabric and foam. Use for repair of all PVC inflatables including Zodiac/Bombard "Dynalon" and "Strongon" fabrics and Narwhal/Valiant "Hypertex" (see Boat Fabric Type Table) Easy to mix two part supplied in sets with requisite amount of curing agent. Can be used as a single part for quick temporary repairs. Easy to apply by brush, roller or serrated trowel; contact bonds in 10-15 minutes, full cure 48 hours. Shelf life - 24 months unopened tin; mixed adhesive has pot life of 3-4 hours. Coverage using 2 coats 1 litre bonds 1 square metre. Primer-solvent 2903 necessary as primer before applying adhesive for maximum bond Used by liferaft service stations and major manufacturers

PO354435 $35.49

Osculati I Adhesive Hypalon Two Part 125 g w/Cata ...

Professional repair kit for hypalon inflatable's. Includes 125g of adhesive with hardener, one neoprene patch 15 x 22cm and one sandpaper sheet.

Adhesive Hypalon Two Part 125 g w/Catalyst and Patch Grey 15 cm x 22 cm
OC6623500 $36.95

Osculati I Adhesive Hypalon Two Part 500 g w/hardener

Special two-component adhesives for rubber dinghies.

OC6624010 $37.95

Polymarine I Adhesive 2990 PVC Two Part 250 ml w/hardener 10 ml

Hypalon inflatable boat adhesive. Supplied with a 10ml bottle of 107 curative solvent based polychloroprene rubber adhesive, giving high strength bonds when used in conjunction with 107 curing agent. Particularly suilable for manufacture and repair of inflatable boats. Will bond natural rubber, polychloroprene, butyl, nitrile , hypalon and polyurethane rubber materials and leather.

PO354415 $38.25

Stazo I Eyecable Pro 10mm x 300cm (10ft) ...

Lasso cable, special woven, polyethylene coating. With STAZO safety core . Many applications.

STA10300 Eyecable Pro 10mm x 300cm (10ft) $39.95
STA10500 Eyecable Pro 10mm x 500cm (16ft) $61.95

Nuova Rade I Outboard Tiller Extension Handle Aluminium Telescoping

Telescopic tiller extension handle for outboard motor.

PL27119 $41.95

Polymarine I Adhesive Hypalon Grey 70 ml w/patch 35 cm x 15 cm ...

Contains 70ml tube of hypalon adhesive, 35 x 15cm of hypalon material, sandpaper and instructions.

Adhesive Hypalon Grey 70 ml w/patch 35 cm x 15 cm
PO319910 $42.75
Adhesive Hypalon Yellow 70 ml w/patch 35 cm x 15 cm
PO319912 $57.50

Osculati I Glue PVC Two Part 125 g w/Catalyst and ...

Professional repair kit for PVC inflatable's. Includes 125g of adhesive with hardener, special PVC cleaner, one brush, one PVC patch 14 x 21cm and one sandpaper sheet. Grey color.

Glue PVC Two Part 125 g w/Catalyst and Patch Grey 14 cm x 21 cm
OC6623400 $43.50

Perko I Garboard Drain Plug Bronze Flange w/Brass Plug

Garboard drain plug with cast bronze flange with brass plug.

PK07142 $43.95

Afw I Outboard Motor Safety Lock Brass

Brass construction offers maximum corrosion resistance. Hardened steel tube with a laminated brass lock body. Marine brass shackle, 4-pin tumbler cylinder. Vinyl covered for maximum corrosion resistance. Locks outboard motors up to 40 H.P.

H547004 $44.95

Caribe I Transom Plate Aluminium

Dinghy transom plate. Aluminium.

CI110813 $44.95

Caribe I Dinghy Air Valve Complete Light Grey

Air valve complete. Available in light grey and white.

CI210401 $45.00

Aaa World Wide Enterprises I Double action air hand pump, 12000 c.c.

Double Action Hand Pump Plastic. capacity 12,000 c.c.

AT18546 $45.25

Plastimo | Foot Pump Heavy Duty 5L

Heavy duty 5L foot pump, particularly suitable for synthetic or rubber coated boats. Glassfibre polyamide plates. Reinforced coated bellows. All metal parts stainless steel. Reinforced hose. Universal adaptor.

PL16270 $45.45

Sumar Marine Equipment | Outboard Tiller Handle T ...

A rugged telescoping outboard tiller handle that really works. Adjustable between 60 and 100cm, variable firm lock position with kill switch.

Outboard Tiller Handle Telescoping 60 cm - 100 cm

SA01609 $45.95

Nuova Rade | Aluminum Kayak Paddle, Jointed 220 x 30mm

Aluminium shafts with plastic blades

LZ44343 $48.50

Lalizas | Under Seat Storage Bag PVC Grey

The under seat storage bag provides you with the extra storage space that is so necessary on any boat. It is made of PVC tarpaulin and has been designed to fit any seat. It also features a shoulder strap which allows you to carry the bag when you leave the boat. The top of the bag is padded to soften the ride on the seat. It is water resistant, with a waterproof zipper.

LZ70895 $49.00

Seachoice | Oarlock Set Top Mount Chrome Plated Zinc

Oarlock set chrome plated zinc. Top mounted. Set includes: Two oarlock horns: OD shank: 1/2". Shank length: 1-3/4". Between horns: 1-3/4complete with locking pin. Two oarlock sockets.Plastic bearings. Dimensions: 2-7/8" x 1-1/8" x 1-1/8" ID Hole: 1/2"

L007040 $52.50

Plastimo | Oar Vanished Wood 5 ft

Pre varnished wooden oar made from selected wood. Perfectly balanced, and excellent workmanship.

PL10162 $52.75

Polymarine | Oarlock Rubber

Rubber rowlock for oar pin PO172110. Suitable for bonding onto hypalon tubes.

PO176010 $54.25

Perko | Oarlock Socket Bronze

Bronze oarlock socket.

PK08331 $54.75

Seasense | Xtreme II Kayak Paddle 84" Orange/Yellow ...

Manufactured with a fiberglass filled nylon blade making them x-tremely lightweight and durable. - Feathered Blade Design. Two Piece Construction for Easy Storage. Adjustable Drip Guards. Support Ridge for Added Strength. Three Locking Positions. Foam Rubber Grips.

Xtreme II Kayak Paddle 84" Orange/Yellow

DF08678 $54.85

DF08682 Xtreme II Kayak Paddle 96" Black $48.95

Seasense | Xtreme II Kayak Paddle 96" Blue/White

New feathered blade design allows for a more efficient stroke. Two piece construction for easy storage. Three locking positions for ease of use. Adjustable drip guards. Foam rubber grips for comfort. Comes in two popular sizes.

DF008677 $56.95

Plastimo | Oar Varnished Wood 6 ft

Pre varnished wooden oar made from selected wood. Perfectly balanced, and excellent workmanship.

PL10164 $58.15

Confluence | Sea Passage Paddle One Piece 235 cm

The Harmony Sea Passage paddle has a One piece aluminum shaft that won't break or freeze-up like two-pieces can. The anodized shaft won't corrode in salt water, and sleeves at the grip points help prevent blisters. The Sea Passage paddle's moderately sized, asymmetrical blades work well for beginners as well as those who've been kayaking for years. Rings on this Harmony paddle deflect water drips so you don't end up with an unwelcome puddle in your lap.

WS23580 $59.95

Stazo | Security Padlock, Weather & Chemical Resistant w/ Plus Cylinder

Padlock made of hardened steel. With an all season- and chemical resistant rubber protective coating. Incl. a lockable key hole to protect against pollution. Incl. a STAZO«plus cylinder and key code card.

STA10001 $59.95

Caribe | Cleat Handle Rubber Grey

Rubber cleat handle for inflatable dinghies.

CI110111 $59.95

Polymarine | Cleat Handle Rubber Grey 275 mm x 93 mm

Moulded rubber cleat handle. Closed curved with rope leads. 275mm x 93mm base dimensions.

PO147316 $63.25

Sumar Marine Equipment | Outboard Motor Safety Lo ...

Outboard motor safety lock.

Outboard Motor Safety Lock Stainless Steel SA01609
HG60103 $63.95

Perko | Oarlock Horns Chrome Plated 1/2" Shank ...

Round and horn oarlocks. Both have a 1/2" shank, and are 2" ID.

Oarlock Horns Chrome Plated 1/2" Shank
PK08291 $67.25
Oarlock Round Chrome Plated 1/2" Shank
PK12671 $25.75

Osculati | Outboard Motor Safety Lock Up To 25 hp

Outboard motor safety lock for motors up to 25hp.

OC3817510 $71.25

Seanovo | Propeller Sea Novo 2.5HP

Propeller Sea Novo 2.5HP

SEA00027 $72.20

Polymarine | Oar Telescopic Aluminium 118-160 cm

PO202110 $81.49

Caribe | Dinghy Seat For C10, C10X

Dinghy seat that fits the C10, C10X and I32 .

CI331102 $87.50

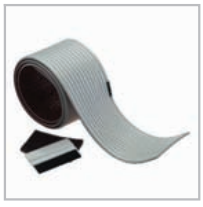

Caribe | Dinghy Seat For C8, C9, C9X, C25, C27

Dinghy seat that fits the C8, C9, C9X, C25, C27 and I27.

CI331101 $87.50

Keelshield | White 4ft ...

Protect against abrasive sand, rocks, concrete ramps and oyster beds. Eliminate costly repairs. Enjoy the highest quality and superior engineering. Increase the value of your boat. Wear and damage to your boat's keel can break down its protective gelcoat finish, allowing water to reach and destroy the fiberglass laminates. This model is white in colour and the dimensions are 6 feet long x 5 inches wide. A revolutionary marine product to help you maintain your vessel's appearance and improve performance. By using Pellethane , an incredibly durable material from Dow Plastics, KeelShield provides the strongest protection against scratches or scars on your boat's keel, bow, swim platform, stern and more.

KE10004 White 4ft $115.50
KE10006 Keelshield White 6ft $173.25

Plastimo | Rim Lock Assmbly w/2 Keys

Chromed brass cylinder. With thumbturn. 2 keys supplied.

PL408196 $125.95

Garelick Eez-in | Folding Seat White Full 16" Width

Comfortable full 16" width. Firm dual durometer resilient foam, 30 oz. marine grade vinyl, high density plastic substrates. T-nutted for standard seat hardware mount patterns, silver powder coated aluminum hinges. 16"W x 14"D x 18"H.

GA48391 $135.95

Rule | Pump Inflator/Deflaflator 12V

High speed inflator 12V. Inflates a four man dinghy in 1 to 2 minutes. Supplied with an adaptor for all major inflatable boats. Deflates a dinghy flat and ready to pack. One handed operation. Airflow 550 liters per minute. 25A maximum.

RU00020 $138.75

Stazo | Smartlock Quick Link Locking Device for O/B Engines up to 40hp

Lasso cable of stainless steel 20mm diameter, including STAZO safety core and locking pehn, for Stazo SmartLock Quicklink and Stazo decklock QuickLInk. (See items STA10002)

STA20500 $147.50

Stazo I Nutlock for O/B Engines to 40hp, w/Key

Lock for all outboard engines from 35/40HP. Made of thick-walled stainless steel. Internationally certified. With one STAZO Plus navy cylinder and key codecard. Easy Assembly.

STA10003 $149.95

Walker Bay I Dinghy Seat For Odyssey

Replacement seat.

WB25003 $150.00

Stazo I Smartlock Quick Link Locking Device for O/B Engines up to 40hp

Thick walled locking device of stainless stell for clamp on outboard motors. Including a STAZO plus cylinder and key code card. Easy installation, no tools required. Lasso cable sold separately.

STA10002 $166.50

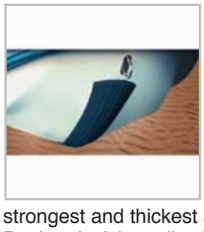

Plastimo I Rim Lock Assmbly w/2 Keys Stainless Steel Case

Stainless steel case. Chromed-brass cylinder. 2 keys supplied. Model with thumbturn.

PL405027 $169.95

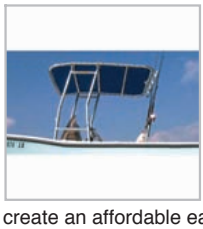

Keelshield I White 12ft

2ft White KeelShield« Keel Protection. Protect your hull from nicks and scratches with the strongest, most durable keel protection on the market. Save money by reducing the need for gelcoat and fiberglass repairs. Patented grooved design enhances performance by adding directional stability. Made in the USA. Urethane construction with UV-inhibitors. Not a blend, PVC or PVC-based Polycore. Guards while beaching against sand, rocks and concrete ramps. Includes the strongest and thickest 3M Marine adhesive system available. No down time. Peel and stick application lets you use your boat right away. 5" wide.

KE10012 $346.50

Fishmaster I T-Top Folding Navy Blue

Fishmaster folding T-Top. Navy blue. The first universal T-Top that folds for fixed bridges and storage. It's affordable, strong, silent and easy to install. The patent pending design offers an affordable option to many boat owners who could not previously own a T-Top because of fixed bridges or storage constraints. Fishmaster is the creation of a team of seasoned engineers and marine manufacturing professionals with a passion for fishing and boating. Their goal: create an affordable easy to install silent, folding T-Top that fits any boat and looks expensive. The Fishmaster T-Top is the lowest priced in the market and adjusts to fit any boat with center console up to 50" wide.

FT00001 $1,274.99

ELECTRIC FUEL PUMPS

Seachoice I Fuel Pump, 7.0-4.0PSI 12V For Diesel & Gas

Easy to install. Coast Guard ignition test approved. UL (574A) Certified. Built-in Anti-Siphon Valve. 74 Micron filter included. Self-regulating. Transient Protection. Internal check valve, self-priming. Reliable solid state design provides longer life.

L002035 $109.50

Dura-lift I Fuel Pump, 11.5-9 PSI 12V For Diesel & Gas

These pumps are rated for diesel fuel, gasoline, blended alcohol fuels, and fuel additives. Application: Marine generator sets, diesel filtration systems, industrial applications, and other diesel lift applications. Solid State Reliability: Proven on many original equipment applications No electrical contacts. No bearings or diaphragms to wear out or fatigue. Endurance life almost doubles that of our nearest competitor. Easy to Install-Easy to Service: Two bolt mounting makes installations easy. Nothing to adjust. The pump is self-priming to 120 inches (3.0 m). Vertical mounting is preferred to assure maintenance of rated pressures. The transparent housing allows for visual capability to monitor the cleanliness of the stainless steel filter. Eliminates Vapor Lock: When properly installed on most vehicles a constant, smooth, dependable supply of fuel under pressure is assured in the hottest weather or in high altitudes. -

L002033 $185.25

ENGINE ACCESSORIES

Engine Insulation Foams

Vetus I Fastener Ceiling Rose 15/pk

Vetus ceiling rose for fastening engine insulation.

VE10003 $17.95

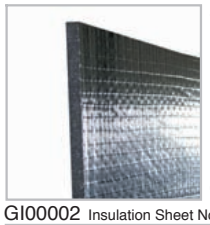

Soundown I Insulation Tape Aluminium Foil 3" x 108 ft ...

Sound proofing foil faced marine insulation. Use this tape to totally cover all sides of vinyl/Foam and to butt ends together. Available in 3" x 108ft and 2" x 125ft.

GI00011 Insulation Tape Aluminium Foil 3" x 108 ft $76.49
GI00012 Insulation Tape Scrim 2" x 125 ft $62.95

Soundown I Insulation Sheet Barrier Silver 1" x 32" x 54" ...

Silver 1" x 32" x 54". Soundown barrier composite insulation is the most commonly used material due to its wide range of applications and excellent acoustic properties. These composites are typically a fire retardant polyether foam absorber and decoupler type.

Insulation Sheet Barrier Silver 1" x 32" x 54"
GI00001 $105.45

GI00002 Insulation Sheet No Barrier Silver 1" x 32" x 54" $57.75

R&D Flex Shaft Couplings

R & D Marine | Flexible Shaft Coupling Hurth, Bw, Prm Cap-5 ...

The R & D marine flexible coupling fits between the transmission output flange and shaft coupling. It is designed to protect a boat's drivetrain. The unit will reduce vibration, compensate for some misalignment, isolate the shaft and absorb shock loads. The polyurethane disc is backed up by two metal compression straps, one on either side of the flexible coupling. These metal straps hold the system in constant compression whether the drivetrain is in forward or reverse. This feature extends the life of the system dramatically. To find the right coupling for your engine visit: www.pyiinc.com

PY910001	Flexible Shaft Coupling Hurth, Bw, Prm Cap-5	$214.25

R&D Marine Engine Mounts

R & D Marine | Engine Mount Small Shear 70-200 lb 4" Bolt Spacing

70-200 lb 12 mm Stud. The R & D marine flexible engine mounts are designed specifically for the rigors of marine applications. The mounts are stiff enough to absorb forward and reverse propeller thrust, yet soft enough to isolate drivetrain vibrations from the hull. R & D marine mounts are preloaded based on the combined engine and transmission weight to limit engine movement. To facilitate in the ease of installation the mounts are height adjusting and the mounting holes in the base of the mount are slotted to assist in alignment of the drivetrain. For selection and size visit www.pyiinc.com

PY800039 $80.00

R & D Marine | Engine Mount Small Shear 30-90 lb 4" Bolt Spacing

30-90 lb 12 mm Stud. The R & D marine flexible engine mounts are designed specifically for the rigors of marine applications. EXHAUST SYSTEMS

Centek Muffler

Centek | Vernatone Exhaust In-Line Muffler 3 1/2" ...

The Vernatone exhaust muffler is the original FRP water-cooled marine muffler. This style has been used by boat builders and boaters world wide for over 40 years. The Vernatone family of inline mufflers includes eight basic products with hundreds of variations in length, width, height, inlets and outlets. Builders and boaters requested these variations for specific engine or location requirements in a particular vessel. These mufflers also vary in size which influences the acoustical performance.

MT10500 Exhaust Tubing Fiberglass 5" $38.95
MT10600 Exhaust Tubing Fiberglass 6" $49.75

Vetus Exhaust

Vetus | Exhaust Gooseneck LT40 Plastic 40mm (1 9/16")

Gooseneck for exhaust hose with 40mm internal diameter. Raises the exhaust hose above the waterline so that water cannot backfill the exhaust system.

VE10400 $151.39

Vetus | Exhaust Waterlock LSS50A Plastic Rotatable 50mm (2")

Plastic waterlock LSS50A inlet and outlet stubs will rotate through 360°. Suitable for exhaust hose with i.d. 50 mm (2"). Capacity 7 1/2 litres (2 gal.).

VE00500 $177.15

Vetus | Exhaust Waterlock LSS40A Plastic Rotatable 40mm (1 9/16")

Plastic waterlock LSS40A inlet and outlet stubs will rotate through 360°. Suitable for exhaust hose with i.d. 40 mm (1 9/16"). Capacity 7 1/2 litres (2 gal.).

VE00400 $177.15

Vetus | Exhaust Waterlock LSS45A Plastic Rotatable 45mm (1 12/16")

Plastic waterlock LSS45A inlet and outlet stubs will rotate through 360°. Suitable for exhaust hose with i.d. 45 mm (1 12/16"). Capacity 7 1/2 litres (2 gal.).

VE00450 $181.25

Vetus | Exhaust Gooseneck LT6565 Plastic 65mm (3")

Plastic gooseneck for marine exhaust systems with water injection. Supplied with stainless steel fastening brackets.

VE06565 $245.00

Vetus | Exhaust Waterlock LP90S Plastic Super 90mm (3 9/16")

Plastic super waterlock LP90S.Suitable for exhaust hose with i.d. 90 mm (3 9/16"). Capacity 10.5 litres (2.77 gal.).

VE00900 $282.80

Vetus | Exhaust Waterlock LP75S Plastic Super 75mm (3")

Plastic super waterlock LP75S.Suitable for exhaust hose with i.d. 75 mm (3"). Capacity 10.5 litres (2.77 gal.).

VE00750 $282.80

Vetus I Exhaust Waterlock LP60S Plastic Super 60mm (2 6/16")

Plastic super waterlock LP60S.Suitable for exhaust hose with i.d. 60 mm (2 6/16"). Capacity 10.5 litres (2.77 gal.).

VE00600 $282.80

Vetus I Exhaust Waterlock LPS50S Plastic Super 51mm (2")

Plastic super waterlock LP50S.Suitable for exhaust hose with i.d. 51 mm (2"). Capacity 10.5 litres (2.77 gal.).

VE00501 $282.95

Vetus I Exhaust Muffler/Gooseneck LLPH75 Rotatable 75mm (3")

The construction of this new Vetus muffler/gooseneck consists of two rotatable components. The 3" hose connections are also fully rotatable, ensuring simple and time-saving installation in a wide range of applications. This combined exhaust component is designed for horizontal installation. Capacity 10 litres (2.6 gal.).

VE00175 $345.50

Vetus I Exhaust Waterlock NLP75 Plastic Vertical Dual Stage 75mm (3")

The NLP waterlocks are of dual stage construction, featuring upper and lower chambers with a horizontal partition plate and a riser tube through the centre. Compared with single stage waterlocks, using only one chamber, these NLP waterlocks offer superior silencing of exhaust noise with minimal back pressure. Since the top chamber may be rotated through 360° and both the inlet and the outlet connectors can rotate through 360°, installation of the exhaust assembly even in confined engine spaces is greatly simplified. Suitable for exhaust hose with i.d. 76 mm (3"). Capacity 10 litres (2.6 gal.). -

VE10075 $381.50

Vetus I Exhaust Waterlock NLP50S Plastic Super 50mm (2")

Waterlock/muffler with dual stage construction. Superior silencing of exhaust noise with minimal back pressure. 360° rotatable top chamber and connectors.

VE00502 $388.95

Vetus I Exhaust Gas/Water Separator LGS7550 Plast ...

Generator sets and marine diesel engines often produce disturbing, gurgling exhaust noises. The Vetus gas/water separator offers the ultimate solution because it separates the injected raw cooling water from the exhaust gases. The LGS7550 model has 360° connectors with a diameter of 75 mm (2 15/16"). Capacity 12 litres (32 gal.). -

VE07550 Exhaust Gas/Water Separator LGS7550 Plastic Rotating 75mm (3") $525.00

FILTERS

Accessories / Filter Wrenches

Starbrite I Filter Wrench Adjustable 2 3/4"-4"

Filter wrench adjustable from 2 3/4" to 4".

SB28908 $17.25

Accessories / Fuel Filter Funnels

Shurhold I Fuel Funnel w/Filter Conductive Medium Black 5 GPM ...

This fuel funnel is Teflon coated with a 100 micron stainless steel filter that separates water and dirt from gasoline, diesel and kerosene. The funnel is manufactured using black industrial standard electro conductive polypropylene and can be grounded for extra safety during the refueling process.

Fuel Funnel w/Filter Conductive Medium Black 5 GPM
MI80108 $47.95

MI80110 Funnel Fuel w/filter Conductive Black 12 GPM. $101.95

FRAM Filters

Fram I Oil Filter Element Spin On, FRAM PH8A, WIX 51515 ...

Island Water World carries a wide range of Fram filters. We also have cross-reference tables for other brand filters in our stores.

Racor / Diesel Filters,Separators

Racor I Fuel Filter/Water Separator Spin On w/Bowl 120A-S

120A/R12 series spin on fuel filters /separators. The 120A series offers reliable protection for smaller diesel and gasoline engines. Used in generator sets, pressure washers, and other equipment. Their compact size fits into tight mounting locations and multiple ports offer installation flexibility. These filters have an amber see-through bowl & 4 port versatility. Maximum flow rate 15 GPH. Port size 1/4" NPT. Height 5.7". Width 3.2". Depth 3.2". Use filter Replacement: RA80012 R12S 2 micron and RA80112 R12T 10 micron.

RA90120 $111.49

Racor I Fuel Filter/Water Separator Spin On w/Bowl 230R2

230R2/R20 series spin on fuel filter /separators. 230R2 has an amber see-through bowl & 2 3/8" barbed 90° hose fittings. Maximum flow rate 30 GPH. Port size 1/4" NPT. Height 9.5". Width 4". Depth 4". Use replacement filter: R20 series: R20T 10 micro and R20S 2 micron.

RA00230 $189.50

Racor / Diesel Spare Elements

Racor I Fuel Filter Element Cartridge 2010PM-OR 30 Micron

2010PM-OR use with 500 Series Turbine assemblies. 30 micron.

RA82012 $18.95

Racor I Fuel Filter Element Cartridge 2010TM-OR 10 Micron

2010TM-OR use with 500 Series Turbine assemblies. 10 micron.

RA82011 $18.95

Racor I Fuel Filter Element Cartridge 2010SM-OR 2 Micron

2010SM-OR use with 500 Series Turbine assemblies. 2 micron.

RA82010 $18.95

Racor I Fuel Filter Element Cartridge 2040N-30 30 Micron

Waterproof, rustproof, dirtproof. Engineered to repel water and remove solid contaminants before they can damage precision engine components. Racor Aquabloc elements are available in different lengths for various flow rates and color coded for 2, 10 and 30 microns. The lower the micron rating, the finer the filtration. Follow your engine manufacturer's recommendation for fuel filter micron rating. 2020N & 2040N series filters feature a redesigned bail handle for easy removal.

RA820420 $21.75

Racor I Fuel Filter Element Cartridge 2040PM-OR 30 Micron

2040PM-OR use with 900 Series Turbine assemblies. 30 micron.

RA82042 $21.75

Racor I Fuel Filter Element Cartridge 2040N-10 10 Micron

Waterproof, rustproof, dirtproof. Engineered to repel water and remove solid contaminants before they can damage precision engine components. Racor Aquabloc elements are available in different lengths for various flow rates and color coded for 2, 10 and 30 microns. The lower the micron rating, the finer the filtration. Follow your engine manufacturer's recommendation for fuel filter micron rating.

RA820410 $21.75

Racor I Fuel Filter Element Cartridge 2040SM-OR 2 Micron

2040SM-OR use with 900 Series Turbine assemblies. 2 micron.

RA82040 $21.75

Racor I Fuel Filter Element Cartridge 2020N-02 2 Micron

Waterproof, rustproof, dirtproof. Engineered to repel water and remove solid contaminants before they can damage precision engine components. Racor Aquabloc elements are available in different lengths for various flow rates and color coded for 2, 10 and 30 microns. The lower the micron rating, the finer the filtration. Follow your engine manufacturer's recommendation for fuel filter micron rating. 2020N & 2040N series filters feature a redesigned bail handle for easy removal.

RA920200 $22.25

Racor / Gas Spin-On Filters

Racor I Fuel Filter/Water Separator Spin On w/Bowl S3214

S3214. These OEM spin-on gasoline filters with blue see-through bowl were designed to fit most Quicksilver, MerCruiser and OMC applications. Also fits Yamaha, Suzuki, Volvo Penta. The S3214 is a replacement for B32014. Features: 60 GPH. 1"-12 center thread. For outboard engine applications, use filter replacement S3214 10 micron. Alternate part numbers: OMC502905 and Aquapower 6040. Replacement clear bowl: RA30747

RA32014 $74.15

Racor I Fuel Filter/Water Separator Spin On w/Bowl

S3213. These OEM spin-on gasoline filters with blue see-through bowl were designed to fit most Quicksilver, MerCruiser and OMC applications. Also fits Yamaha, Suzuki, Volvo Penta. The S3213 is a replacement for B32013. Features: 60 GPH. Fits 11/16" -16 Quicksilver heads. For outboard engine applications only, use filter replacement S3213. 10 micron. Alternative part: Mercury 35-805269-1/35-807172/35-805269-1, Fram PS3808, Baldwin BF791, Aquapower 6001, Sierra 18-7845, Wix 33225, Yamaha ABA-Fuel-Fltr. Replacement clear bowl: RA30747.

RA32013 $74.15

Racor I Fuel Filter/Water Separator Spin On w/Bowl 32OR

2020SM-OR use with 1000 Series Turbine assemblies. 2 micron.

RA93201 $127.05

Fuel/water separator element for Seachoice 20901.

L002091 $13.95

Wix | Fuel Filter Element Spin-On 33392

Spin-On Fuel/Water Separator Filter WIX 33392. Media: Enhanced Cellulose. Height: 3.374(86)*. Outer Diameter: 3.023(77)*. Thread Size: 16X1.5 MM. Burst Pressure-PSI: 300. Max Flow Rate: 6-8. Nominal Micron Rating: 14. * denotes metric

VN33392 $13.98

Seachoice | Inline Fuel Filter Universal

This in-line style universal fuel filter replaces any 1/4", 5/16", or 3/8" filter. Protects all carbureted engines by trapping pollutants. Clear body permits visual inspection.

L002094 $16.65

Moeller Marine | Outboard Fuel Filter/Water Separator Element Spin On

Replacement fuel/water separator element for Moeller 33314.

ML33315 $25.95

Seachoice | Fuel/Water Separator Universal Complete

Fits all 2 and 4 cycle engines. Filter and bracket included. Replaces Mercury 35-60494A4. Includes 2 brass plugs. One complete set per box. Use filter replacement 20911. Equivalent to: Mercury 35-60494-1, Aqua Power 6001, Sierra 18-7850, SMI 494, GLM 2494.

L002090 $47.05

Seachoice | Fuel/Water Separator Kit Complete w/R ...

Fuel/water separator kit complete with bowl and 10 micron filter. Use filter replacement 20951.

Fuel/Water Separator Kit Complete w/Reusable Bowl & Drain
L002093 $48.60

Moeller Marine | Outboard Fuel Filter/Water Separ ...

Outboard fuel filter/ water separator is designed to trap the smallest particles and emulsified water from gasoline. Filtration media will not separate two cycle oil from gasoline. Water separating canisters ensure no other contaminates or rust will contribute to a blocked fuel system. High performance 3/8" NPT ports offer lower pressure drop rates. 3/8" NPT composite filter head, clear site bowl kit; Includes coated alum. Filter head, sight bowl and canister w/plugs for filter head. Bowl and filter head are reusable. 85gal per hour flow rate at 3" of mercury. 10 micron filtration. For outboard use only! Not for use with diesel fuel. Filter replacement: ML33315.

ML33314 Outboard Fuel Filter/Water Separator Complete w/Clear Bowl $66.95

Strainers / Complete Units

Shurflo | Water Strainer In Line Plastic w/Stainl ...

Shurflo strainers protect pumps from harmful debris. Pop out stainless steel screen and see through clear bowl allow for easy cleaning.

VE33025 Water Strainer Type 330 1" Hose $129.50

Groco | Water Strainer, Bronze w/Plastic Filter Basket 3/4" ...

Bronze water strainers. No tie rods or gaskets. 'O' rings seal all mating surfaces. Easy service with screw on cap. Mounting hardware is included. Bonding connection. The plastic filter basket is standard.

Water Strainer, Bronze w/Plastic Filter Basket 3/4"
GC20750 $172.65
Water Strainer, Bronze w/Plastic Filter Basket 1 1/4"
GC21250 $287.00

Raritan | Water Strainer Plastic w/Nylon Filter Basket 1 1/2"

Raritan raw water strainer is made of high impact clear plastic with nylon strainer. No center post to corrode or cause electrolysis. Basket cleans in seconds, without tools. Inlet & outlet are female threaded 1 1/2" IPS. Plastic fittings must be used with this strainer. Size 9" high x 6" diameter x 7" deep. Capacity - 3 pints.

RR40010 $184.00

Forespar | Water Strainer Marelon w/Stainless Steel Filter Basket 1 1/2"

The MF850 water strainer is made of Marelon ®. It features a new universal mounting bracket and clear polycarbonate lid for ready inspection. The stainless steel strainer basket can be easily removed for cleaning. Intake and exit ports are 1 1/2" (38.10mm) ANP threads standard. Reducers for 3/4" (19.05mm) I.D. hose are available separately. Diameter: 6.3" (160.02mm) Height: 6.1" (154.94mm) . The flow rate is 40 gallons per minute (151.41liters per minute) with 1 1/2" (38.10mm) ports. The new mounting bracket allows the strainer exit port to be positioned in the proper direction by simply loosening the bracket clamp and rotating the entire housing, allowing greater flexibility in installation.

FO906066 $190.00

Perko I Intake Water Strainer Bronze w/Stainless ...

Cast bronze intake water strainer is designed for easy installation and cleaning. Features include: mounting lugs cast into both sides to ensure universal mounting, four outside tie rods and a 304 stainless steel strainer basket to minimize electrolysis. A drain plug in the bottom casting is provided for easy removal sediment.

Intake Water Strainer Bronze w/Stainless Steel Filter Basket 3/4"

SR9472700 $21.75

Vetus I Stepped Hose Adapter 1/2 - 1 1/2", 13-38mm

Synthetic hose pillars - ideal for securely joining two dissimilar ID hoses. Simply cut to size. Stepped sizes: 38,32,28.5,25,22,19,16 and 13mm.

VE01338 $25.50

Groco I Water Strainer Filter Basket Plastic ARG 1000/1210 1" - 1 1/14"

This filter basket fits Groco strainers: ARG 500, 755, 750.

GC80762 $25.99

Perko I Intake Water Strainer Cover Gasket Cork Sizes 6 & 7 ...

Perko 602 series LED side lights. For use on power driven vessels under 20m (65ft 6"). 2 mile visibility.

Intake Water Strainer Cover Gasket Cork Sizes 6 & 7
PK049363 $29.95
Water Strainer Filter Basket Stainless Steel 1 1/2"
PK049381 $138.75

Groco I Water Strainer Filter Basket Plastic ARG-750 3/4"

This filter basket fits Groco strainers: ARG 750..

GC80693 $33.25

Vetus I Stepped Hose Adapter 1 1/4 - 2 1/4", 30-60mm

Synthetic hose pillars - ideal for securely joining two dissimilar ID hoses. Simply cut to size. Stepped sizes: 57/60,50,45,38/40,30/32mm.

VE03060 $36.49

Groco I Water Strainer Filter Basket Stainless St ...

Water Strainer Filter Basket Stainless Steel dia 2.5" x 5.9" Length
GC91762 $40.55
Water Strainer Filter Basket Stainless Steel dia 2.4" x 7.9" Length
GC91763 $42.65

Perko I Water Strainer Cover Gasket Rubber Sizes 8, 9 & 10

Water strainer cover replacement gaskets. Fits Perko 493 series. Rubber gasket kit consists of: 1 x cover gasket and 2 x rubber cylinder gaskets.

PK049394 $43.75

Groco I Water Strainer Filter Basket Stainless St ...

Water Strainer Filter Basket Stainless Steel dia 3" x 7.9" Length
GC91858 $46.85
Water Strainer Filter Basket Stainless Steel dia 3" x 9.8" Length
GC91859 $47.85

Perko | Water Strainer Filter Basket Stainless Steel 3/4" ...

Water strainer filter.

Water Strainer Filter Basket Stainless Steel 3/4"
PK049351 $78.95

Intake Water Strainer Filter Basket Stainless Steel 1"
PK049361 $99.95

Intake Water Strainer Filter Basket Stainless Steel 1 1/4"
PK049371 $112.75

Groco | Water Strainer Filter Basket Monel dia 3" x 11.6" Length

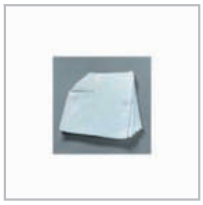

GC90852 $136.25

MAINTENANCE

Accessories

3m | Oil & Fuel Absorbent Pad

This high capacity, low profile absorbent pad that picks up petroleum based fluids and will not absorb water. For routine use, cleaning up small spills and wiping contaminated areas. Pads may also be used on a work surface in anticipation of a spill or as a wipe. 19" x 17" pad has the absorption capacity of 37.5gal US.

MM00156 $1.15

Buffalo Industries | Small Bilge Oil Boom Absorption 1.2 gal 15" x 5"

Small bilge oil boom absorbs oil in the bilge so that remaining water may legally be pumped overboard. Convenient tie down keeps the boom in place. Special design allows maximum absorption. Ideal for bilges, sumps, drains and basins. Bilge oil boom absorbs oil, fuel & hydraulic fluid but will not absorb water. Helps protect the environment. For spill containment on water and land, or around drains and equipment. 15" x 5". Absorbs up to 1.2 gallons.

NW90400 $13.55

Seachoice | Gear Lube & Oil Pump Adapter Included

Keep your gears moving smoothly with this gear lube & oil pump.For use with 32-oz. gear lube bottles. Fits any outboard or stern drive. Yamaha adapter included.

L001919 $13.85

Buffalo Industries | Large Bilge Oil Boom Absorption 2.8 gal 19" x 6"

Large bilge oil boom absorbs oil in the bilge so that remaining water may legally be pumped overboard. Convenient tie down keeps the boom in place. Special design allows maximum absorption. Ideal for bilges, sumps, drains and basins. Bilge oil boom absorbs oil, fuel & hydraulic fluid but will not absorb water. Helps protect the environment. For spill containment on water and land, or around drains and equipment. 19" x 6". Absorbs up to 2.8 gallons.

NW90405 $20.95

Starbrite | Lever Action Grease Gun Heavy Duty

Lever action grease gun. Engineered to withstand the toughest demands, this lever action grease gun gets the job done fast and easy. Takes all 14oz and 14.5oz grease cartridges.

SB28714 $31.25

Starbrite | Pistol Grease Gun Mini Complete w/3 oz Cartridge

Marine corosion control kit, also known as a grease gun, this kit includes a 3oz cartridge of marine quality grease. For use on all types of boat trailers, water pumps, deck equipment and dock side machinery.

SB28703 $40.75

Aaa World Wide Enterprises | Oil and Fluid extrac ...

Oil And Fluid Extraction Self-Priming pump. The internal float will shut off when full, preventing overflow. capacity 6 L.

Oil and Fluid extraction, self priming, internal float to shut off.
AT18548 $92.25

West Marine | Oil & Fluid Extractor Manual 6.5 L

Perfect for oil changes and ridding excess fluid from hard to reach places, the oil extractor utilizes a powerful pump that creates a vacuum so that continuous pumping is not necessary. Usage is easy, just insert one of the included extension tubes into your engine's dipstick tube, attach extraction tubes and give the cylinder up to 15 pumps-and watch the cylinder fill up! Next, press the pressure relief valve and then pour the extracted oil into an appropriate container. System includes, foot brace, extraction tubes and garden hose adaptor. Extracts oil through dipstick tube. Powerful pump creates a vacuum-so continuous pumping is not necessary! 6.5 Litre capacity. Extracts both warm and cold oil. 2.7 Litre model includes outboard clip for easy 4-stroke outboard oil changes.

P11047123 $116.49

Aaa World Wide Enterprises | Oil & Fluid Extractor Manual 6.5 L ...

Ideal for use on marine craft, automobiles, industrial machinery, etc.

AT18547 Oil & Fluid Extractor Manual 6.5 L $140.50
AT185471 Oil & Fluid Extractor Manual 4 L $118.99

Engine Maintenance

Crc | Jump Start Starting Fluid Aerosol 11 oz

Jump Start ® starting fluid assures fast, economical starts in cold or humid conditions. Also contains an upper cylinder lubricant to minimize wear during cold starts.

CC00192 $5.55

Crc I Carb & Choke Cleaner Aerosol 12 oz

HAZMAT

CRC Carb & Choke cleaner dissolves and removes gum and varnish deposits in carburetors, automatic chokes, heat control valves and PVC valves. Harmless to oxygen sensors.

CC06064 $6.49

Crc I Engine Stor Fogging Oil Aerosol 13 oz

HAZMAT

CRC Engine Stor ® Fogging fluid protects engines against corrosion while laid up. Keeps pistons, rings, and cylinder walls corrosion-free, insuring longer engine life. Also protects fishing reels and tools from rust and corrosion.

CC06068 $8.49

3m I Carb & Choke Cleaner Aerosol 16 oz

HAZMAT

3M Choke and Carb cleaner penetrates quickly to loosen and clean. Dries fast and leaves no residue. Oxygen-sensor safe for use throughout the engine.

MM08796 $8.75

Crc I Corrosion Inhibitor Heavy Duty Aerosol 10 oz

HAZMAT

Forms a flexible, corrosion-proof insulating film. Seals out salt air and moisture, and will not crack or craze. Provides long-term protection in all weather conditions.

CC06026 $11.95

Valvoline I Zerex Diesel Engine Coolant GL Extended Life

Fully formulated or pre-charged to protect against liner pitting and hard water scale. 3 Years/300,000 mile protection guaranteed. Meets the Caterpillar EC-1, Cummins 14603, and DDC long-life specifications. Extend drain interval to 6 years, 14,000 hours, or 600,000 miles with the use of Zerex Extended Life Extender.

VN10002 $22.25

Super S I Antifreeze Coolant Liquid 1 gal

Full Strength antifreeze coolant liquid 1 gal

F320003 $22.95

Starbrite I Antifreeze Coolant Heavy Duty Liquid 1 gal

Specially designed for the heavy duty antifreeze coolant market. No SCA's (suppliment coolant additives) needed for maximum performance. Excellent for complete coolant system refills or for topping off existing fills.

SB33500 $29.95

Marvel Mystery Oil I Marvel Mystery Fuel Additive ...

HAZMAT

Marvel Mystery Oil ® lubricates the entire fuel system: fuel pumps, fuel injectors or carburetors and the top-portion of the cylinders. These are areas, that by design, motor oil does not reach. Using Marvel Mystery Oil ® in your fuel extends the life of these vital components by providing them with lubrication that fuel alone does not provide.W hen added to engine oil, Marvel Mystery Oil ® reduces and prevents valve sticking and clatter by breaking down harmful deposits of carbon and sludge.

LE33903 Marvel Mystery Fuel Additive For All Marine Engines 1 gal $43.75
LE33905 Marvel Mystery Fuel Additive For All Marine Engines 1 qt $11.15

Fuel Conditioners

Crc I Fuel Injector & Carburetor Cleaner Liquid 12 oz

Reduces knock caused by deposits, and reduces engine demand for higher-octane fuel. Not for use in diesel fuel.

CC00792 $5.50

Crc I Water Removal Additive For Gas/Petrol Tanks Liquid 12 oz

HAZMAT

Isopropanol based formula that removes water from gasoline. Prevents fuel line freeze while protecting & cleaning the fuel system year round. Protects down to -50F. Assures quicker starting & faster pick-up. Recommended use 3-4 times a year.

CC00005 $8.25

Starbrite I Additive StarTron For Gas/Petrol Engines Liquid 8 oz

Star Tron ® is revolutionary enzyme tank cleaner additive. Reduces all emissions. Prevents fuel oxidation and stabilizes fuel chemistry for at least 1 year. Lowers fuel system maintenance. Eliminates carbon build up in fuel delivery system and on exhaust components. Increases fuel economy up to 15%. 8oz treats 128gal of fuel.

SB93008 $16.95

Starbrite I Additive StarTron For Diesel Engines Liquid 8 oz

Star Tron ® is revolutionary enzyme tank cleaner additive. Reduces all emissions. Prevents fuel oxidation and stabilizes fuel chemistry for at least 1 year. Lowers fuel system maintenance. Eliminates carbon build up in fuel delivery system and on exhaust components. Increases fuel economy up to 15%. 8oz treats 256gal of fuel.

SB93108 $20.95

Biobor I MD Diesel Performance/Efficiency Enhancer Liquid 16 oz

Biobor MD is an all-inclusive diesel treatment to boost engine performance and efficiency and protect your diesel engine year-round. Fuel combustion qualities are increased, injectors are cleaned and lubricated, fuel is stabilized and corrosion is inhibited; all resulting in a cleaner, more efficient engine. Unique to Biobor MD, all the critical characteristics to improve performance and protect your diesel engine are included in one treatment, plus Biobor MD contains cold weather protection for year-round use with a single product. Reduces soot up to 94%. Increases cetane by up to 6 pts. Stabilizes diesel up to 2 yrs. Prevents corrosion in fuel system. Anti-gel and lower CFPP. Inhibits corrosion and adds lubricity.

P518697 $21.95

Starbrite | Additive Diesel Water Absorber Liquid 16 oz

Removes free water from diesel fuel. Prevents microbial growth and corrosion and protects diesel fuel injectors. 16oz treat 275gal of diesel fuel.

SB84616 $23.85

Biobor | EB Gasoline Ethanol Treatment/Performanc ...

Biobor EB is a complete fuel treatment for use in all gasoline and ethanol-blended fuels. With the introduction of ethanol in today's gasoline at volumes up to 15%, Biobor EB will combat the corrosion and phase separation issues that arise while also stabilizing fuel for storage and removing performance robbing deposits and varnish. Great for use in any 2 or 4 cycle gasoline engine, Biobor EB protects vital engine components while promoting a more efficient, better running engine. Prevents fuel phase separation. Cleans the entire fuel system. Full corrosion protection. Adds lubricity, protects elastomers. Stabilizes stored gas up to 18 months. Excellent for any 2 or 4 cycle engine.

P518698 EB Gasoline Ethanol Treatment/Performance Enhancer Liquid 16 oz $28.49

Starbrite | Additive Star Tron For Diesel Engines Liquid 16 oz

Star Tron ® is revolutionary enzyme tank cleaner additive. Reduces all emissions. Prevents fuel oxidation and stabilizes fuel chemistry for at least 1 year. Lowers fuel system maintenance. Eliminates carbon build up in fuel delivery system and on exhaust components. Increases fuel economy up to 15%. 16oz treats 512gal of fuel.

SB93116 $33.95

Biobor | JF Diesel Biocide/Lubricity Additive Liquid 16 oz

Biobor JF Diesel Biocide and Lubricity additive has been used by commercial airlines since 1965 and recommended by name by major diesel engine manufacturers worldwide. Biobor JF will kill existing algae and bacteria growth in contaminated tanks plus keep fuel microbe free with continuous use. Works equally well in the fuel and water phases for a more effective kill. Regular use will dramatically reduce fuel filter plugging/usage and fuel system corrosion. Biobor JF also adds lubricity back to protect injectors and fuel pumps. Remarkable treat rate of 1 oz : 80 gallons.

P518696 $33.95

Starbrite | Additive Star Tron Fuel Tank Cleaner Liquid 64 oz

Exceptional in cleaning sludge and algae from gasoline and diesel tanks. Slows the recurrence of new algae that can contaminate fuel. Enzyme will clean tanks better than any tank cleaning service. Treats up to 250gal capacity tank.

SB93664 $48.15

Starbrite | Additive Star Tron For Diesel Engines Liquid 32 oz

Star Tron ® is revolutionary enzyme tank cleaner additive. Reduces all emissions. Prevents fuel oxidation and stabilizes fuel chemistry for at least 1 year. Lowers fuel system maintenance. Eliminates carbon build up in fuel delivery system and on exhaust components. Increases fuel economy up to 15%. 32oz treats 1024gal of fuel.

SB93132 $58.95

Lubricant & Grease

Crc | White Lithium Grease Aerosol 10 oz

This heavy-duty lubricant will not wash off, melt or freeze. Mainly used as a break-in lubricant for bearings, pistons, etc. It is also great at protecting rigging, tools and mechanical parts.

CC06037 $7.95

Crc | Wheel Bearing Grease Cartridge 14 oz ...

A distinctive blue tacky, aluminium complex grease with natural water resistance. It will not wash out under the most severe conditions, and provides superior rust and corrosion protection.

CC03120 Wheel Bearing Grease Cartridge 14 oz $8.95

CC03121 Wheel Bearing Grease Tub 14 oz $9.49

Wheel Bearing Grease Cartridge 3 x 3 oz

CC03184 $12.95

Starbrite | 90W Hypoid Gear Lube For Lower Units Tube 10 oz ...

Hypoid 90W lower unit gear lube for API GL-5 service. For outboards and stern drives with mechanical shift mechanisms. Will not void manufacturer's warranties. The ultimate lubrication for maximum performance and economy. Features: Recommended for use in Mercury, Mercruiser, Johnson, Evinrude, OMC, Force, Mariner, Nissan, Suzuki, Yamaha and Volvo. Exceeds all engine manufacturer's specifications. Formulated with special anti-wear additives, rust and corrosion inhibitors. Designed specifically for the marine environment. For lower units of all outboard motors and stern drives.

SB27110 90W Hypoid Gear Lube For Lower Units Tube 10 oz $9.35

SB27132 90W Hypoid Gear Lube For Lower Units Liquid 32 oz $13.65

Starbrite | 80W90 Gear Lube High Viscosity For Lo ...

High viscosity lower unit gear lube 80W 90 for MIL-PSF-2105E, API MT-1, API GL-5, MACK GO-J, MACK GO-H. Features: Formulated with special anti-wear additives, rust and corrosion inhibitors. For lower units of all outboard motors and stern drives.

80W90 Gear Lube High Viscosity For Lower Units Tube 10 oz

SB27010 $9.49

SB27032 80W90 Gear Lube High Viscosity For Lower Units Liquid 32 oz $13.50

Corrosion Technologies | CorrosionX Rust Preventi ...

Use CorrosionX ® where you want corrosion control without a messy wax coating. A light spray of CorrosionX ® on power heads, generator sets and engines two or three times a year will keep them looking like new, even in saltwater conditions. In addition to its corrosion fighting properties, CorrosionX ® is also a super lubricant and penetrant. It lubricates under heavy loads and high temperatures. Use it on sheaves, hinges, locks, cables/wire ropes, windlasses or other rotating devices. It is ideal for fishing reels and guns. And, CorrosionX ® penetrates like nothing you've ever used. Corroded or rusted nuts, bolts or fittings can usually be removed in just a few minutes.

CT90101 CorrosionX Rust Preventive Coating Aerosol 6 oz $9.95

CT90102 CorrosionX Rust Preventive Coating Aerosol 16 oz $18.49

Forespar l Marelube Teflon TEF-45 Bi Metal Barrier Syringe 6cc ...

Designed specifically for high load/extreme pressure, anti-corrosion, anti-seize, and bi-metal barrier applications. It is a completely waterproof, synthetic grease containing 45% PTFE sub-micron size powder. This is the highest percentage PTFE available anywhere. Won't wash away in fresh or salt water or detergents.

FO770065	Marelube Teflon TEF-45 Bi Metal Barrier Syringe 6cc	$15.15
FO770066	Marelube Teflon TEF-45 Bi Metal Barrier Syringe 30cc	$21.95
FO770067	Marelube Teflon TEF-45 Bi Metal Barrier Tub 4 oz	$39.95

Forespar l LanoCote Rust & Corrosion Aerosol 8 oz ...

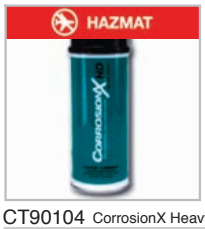

Lanocote is the choice of marine professionals. Prevents electrolysis corrosion, seals porous surfaces, prevents thread freeze-up and neutralizes acids, alkalis and salts.

LanoCote Rust & Corrosion Aerosol 8 oz

FO770007		$15.85
P129975	Lanocote Grease Tub 4 oz	$12.85

Corrosion Technologies l CorrosionX Heavy Duty Ru ...

For those really tough jobs where you need the ultimate protection against moisture, the answer is new CorrosionX ® Heavy Duty. There is no other product like it on the market today. It is a high performance, thick film version of CorrosionX ®. It was developed specifically to provide maximum protection against moisture intrusion and resulting rust and corrosion.

CT90104	CorrosionX Heavy Duty Rust Preventive Coating Aerosol 12 oz	$16.25
CT91002	CorrosionX Rust Preventive Coating Aerosol 16 oz	$18.49

Corrosion Technologies l CorrosionX Aviation Rust ...

CorrosionX ® Aviation takes corrosion control to a new level. Featuring the latest advances in Fluid Thin Film Coating (FTFC) Technology, it is specially designed to displace moisture, stop corrosion instantly and provide long lasting protection. Made in the USA, CorrosionX ® Aviation is qualified under Mil-C-81309E, Type II for application to airframes and is used extensively by the military.

CT80102	CorrosionX Aviation Rust Preventive Coating Aerosol 16 oz	$18.49

Starbrite l Lubricant w/PTEF White Tub 4 oz

Special teflon formula will not wash off and protects from 65°F to +650°F. The marine formula makes it ideal for winches. Also works well at loensening fasteners, zippers, etc.

SB85504		$19.95

Lewis Marine l Tef Gel Bi Metal Barrier Syringe 1 oz

TeF Gel is a unique corrosion eliminator and anti-seize lubricant, which prevents the seizing of metals and galvanic corrosion between dissimilar metals. It absolutely will not break down in salt water or detergents.

LE69242		$23.95

Wichard l Wichinox Stainless Steel Cleaner Paste Tube 150 ml

Paste for cleaning and passivation of stainless steel.

WI09601		$24.10

Mclube l Sailkote Dry Lubricant Aerosol 16 oz

Sailkote is an easy to apply high-tech, high performance dry lubricant. It makes sails, hulls, rigging, deck hardware, and anything that moves on your boat run smoother, work more efficiently and last longer than you ever thought possible. It dries quickly to a hard, smooth, ultra-slick, hydrophobic dry coating that bonds, tenaciously to almost any surface.

P318230		$31.95

Lubricants

Wd-40 l Multi-Use Product 8 oz Spray ...

Known as "the can with thousands of uses," WD-40« Multi-Use Product has been Getting The Job DoneÖ for over 60 years. It protects metal from rust and corrosion, displaces moisture, penetrates stuck parts, lubricates, and removes grease, grime and other gunk. It's the Can-Do can.

Y279001	Multi-Use Product 8 oz Spray	$6.49
Y279003	WD-40 Multi-Use Product 11 oz	$8.75

Crc l 6-56 Lubricant Aerosol 9 oz ...

Long lasting, superior lubrication that resists water and salt spray. Drives out moisture that can cause electrical failures and hard starting. Penetrates deep through rust and corrosion to loosen frozen parts. Starts wet engines. One of the most popular lubricants on the market.

CC06006	6-56 Lubricant Aerosol 9 oz	$6.49
CC06007	6-56 Lubricant Aerosol 11 oz	$7.50

Crc l Silicone Spray Heavy Duty Aerosol 9 oz

An ideal all-round lubricant for anything that squeaks or sticks. Works from -40°F to +400°, and doesn't wash off. It can also be used as a canvas water proofer, or to unstick fasteners and zippers.

CC06077		$6.75

Pb Blaster l Lubricant Oil Aerosol 13 oz

PB Blaster is a penetrating catalyst that eliminates rust problems. Its unique capillary action enables PB to access the tightest cavities, break surface tension and free rusted parts.

L305016		$9.29

Crc l Electronic and Electrical Contact Cleaner Quick Dry Aerosol 11oz

Precision contact cleaner, quick drying, leaves no residue. Plastic safe - Extremely flammable. -

CC02130		$11.50

Crc | Electronic Cleaner Quick Dry Aerosol 11 oz

Multi-purpose, high-performance and long-lasting lubrication for: micro-mechanisms, rocker mechanisms, hinges etc. Particularly suited to aggressive and polluted environments. May be applied to many materials: iron, aluminium, plastic, rubber. Good resistance to combustion and oxidation. Thermally stable and resistant lubricating fluid.

CC06102 $11.95

Crc | Lectra Clean Electronic Cleaner Aerosol 19 oz

Scientifically formulated cleaner and degreaser effectively removes moisture, grease, oil, wax, dirt and other contaminants from motors, parts and other electrical and mechanical equipment Does not contain carbon tetra chloride, silicones, CFC 113, methyl chloroform, trichloroethylene or tetrachloroethylene. Suitable for electric motors, high voltage switch gears, alarms, air conditioners, bus bars, cables, gearboxes, pumps, generators, welders, compressors, transformers, fork lift trucks and surfaces prior to anti corrosion coatings. Ideal for removing moisture, grease, oil, wax, dirt and other contaminants from motors, parts and other electrical and mechanical equipment.

CC02018 $19.50

Boeshield | T-9 Lubricant Aerosol 12 oz

Boeshield T-9 is a combination of solvents, lubricants, and waxes designed for penetration, moisture displacement, lubrication and protection. It dries to a thin waxy film that clings to metal for months. It also loosens rusty and corroded parts and is safe on paints, plastics, and vinyls.

PM90012 $20.95

Lewmar | TotalCote Total Marine Maintenance

Lewmars TotalCote is the new go-to product for almost any marine maintenance requirement.TotalCote protects, displaces, cleans, seals, penetrates and lubricates. Use it on everything from seized bolts to your block and traveller car ball bearings to your luff groove. TotalCote will reduce friction and offer a long-term barrier against rust and corrosion. Formulated solely from naturally occurring products, TotalCote is incredibly effective yet safe to the environment and sensitive marine eco-systems.

LM19701700 $21.95

Oil & Lubricants / Hydraulic/Transmission

Napa | Transmission Fluid QT Dextron 3

Transmission Fluid Dextron III. 1 Quarter.

MI80005 $9.49

Seastar Solutions | Hydraulic Steering Fluid HA5430 qt

SeaStar/BayStar hydraulic steering fluid is formulated to provide the best performance for your SeaStar/BayStar steering system. A perfect blend of viscosity stabilizers, anti-wear agents and corrosion inhibitors will ensure maximum steering life performance.

TF05430 $22.95

Oil & Lubricants / Motor Oil

Starbrite | SAE30 Motor Oil Pro Star Super Premium 1 qt

Pro Star super premium heavy duty motor oil SAE 30. Recommended for engines requiring API CF-2 level performance Exceeds warranty requirements for all diesel and gasoline engines specifying SAE 30 grade and API service classification including Catepillar, Cummins, Detroit Diesel, Mack, Navistar and Volvo Exceeds Mack EO-K/2 and Allison C4 specifications and CID; A-A- 52306A requirements API Service Classifications; CF-2, CD-II, CD, CF, CE/SJ, SH and SG Heavy duty formulation minimizes engine wear to provide long-engine life.

SB27832 $10.85

Shell | Rimula 15W-40 4 LITER ...

Unique, active technology for high power, modern engines No matter how hot, cold, steep, dusty, muddy or extended your operations, you need to know that your oil will protect your engine under all conditions. The Energised Protection of Shell Rimula heavy-duty diesel engine oils works relentlessly in three critical areas: Acid control - well-proven performance additives help to protect against corrosion from acids formed as fuel burns. Deposit control - helps to keep the engine clean for consistent performance and long life. Wear control - keeps moving metal engine surfaces apart for long engine life.

MI95153 Rimula 15W-40 4 LITER $25.95
MI98155 Rimula,15W-40 QT $7.65

Shell | Rotella Oil SAE15W-40 Gal

Rotella«T with Triple ProtectionÖ technology, a new and improved formulation designed to meet the new API CJ-4 service category for heavy-duty diesel engine oils. Provides significantly lower wear, exceptional deposit control and engine cleanliness for both pre-2007 engines and the latest performance and emissions systems technology found on new engines.

MI95253 $32.95

Starbrite | SAE30 Motor Oil Pro Star Super Premium 1 gal

Pro Star super premium heavy duty motor oil SAE 30. Recommended for engines requiring API CF-2 level performance Exceeds warranty requirements for all diesel and gasoline engines specifying SAE 30 grade and API service classification including Catepillar, Cummins, Detroit Diesel, Mack, Navistar and Volvo Exceeds Mack EO-K/2 and Allison C4 specifications and CID; A-A- 52306A requirements API Service Classifications; CF-2, CD-II, CD, CF, CE/SJ, SH and SG Heavy-duty formulation minimizes engine wear to provide long-engine life.

SB27800 $39.75

Shell | Rimula X-40 5-Gal ...

No matter how hot, cold, steep, dusty, muddy or extended your operations, you need to know that your oil will protect your engine under all conditions. The Energised Protection of Shell Rimula heavy-duty diesel engine oils works relentlessly in three critical areas:Acid control - well-proven performance additives help to protect against corrosion from acids formed as fuel burns. Deposit control - helps to keeps engine clean for consistent performance and long life. Wear control - keeps moving metal engine surfaces apart for long engine life.

MI95400 Rimula X-40 5-Gal $129.15
MI95403 Rimula X-40 4 LITERS $25.25
MI98405 Rimula X-40 QT $7.25

Shell | Rimula 15W-40 5- Gal

Heavy duty diesel engine oil. Contrains selected additives that are designed to provide triple protection to improve engine and oil durability. It helps to lower maintenance and increase reliability of vehicles.

MI95150 $137.95

Shell I Rotella T Oil Sae 15w-40 5 Gal Pail

ROTELLA«T with Triple ProtectionÖ technology, a new and improved formulation designed to meet the new API CJ-4 service category for heavy-duty diesel engine oils. Provides significantly lower wear, exceptional deposit control and engine cleanliness for both pre-2007 engines and the latest performance and emissions systems technology found on new engines. -

MI9230418 $159.75

Shell I Tellus 32 5-GAL

The Shell Tellus range of hydraulic fluids provides reliable air release filterability and cleanliness, and the latest technology to help extend pump life even under the most severe conditions.

MI96320 $177.99

Oil & Lubricants / Outboard Oil

Evinrude I XD-30 Pre Mix Oil Red 32 oz ...

Evinrude/Johnson XD30 oil is formulated for water cooled 2 cycle outboards and 2 cycle engines that specify TCW3 certified oils. This exclusive performance enhanced blend provides premium lubrication and extra detergency compared to minimum TCW3 requirements. Great for general and light load situations. Approved for pre-mix and oil injection. Minimizes carbon and deposit build up. Protects against wear with premium lubricity.

E764348 XD-30 Pre Mix Oil Red 32 oz $11.50
E764349 XD-30 Pre Mix Oil Red 1 gal $41.95

Starbrite I 10W30 Four Stroke Outboard Oil Pro St ...

Marine engines are often operated in harsh, saltwater environments that are much more demanding than the conditions faced by most automotive engines. Accordingly, their engine oil must be up to the task. Pro Star super premium synthetic blend 4 stroke oil premium, synthetic blend engine oil designed for 4 stroke high performance outboards, gasoline inboards and stern drives. One of the first 4 stroke oils to be certified under NMMA's new FC-W category. Meets or exceeds all criteria for viscosity, filter plugging, foaming and aeration. Successfully passed NMMA's 100 hour general performance engine test.

SB28132 10W30 Four Stroke Outboard Oil Pro Star Synthetic Blend 32 oz $11.75

Starbrite I TC-W3 Two Stroke Outboard Oil 1 gal ...

Premium TC-W3 combines an extremely high grade synthetic blend base stock with a custom additive package that equals or exceeds all OEM oils. The result is first rate performance and protection at an affordable price. It is ideal for use in all 2 cycle engines, to include personal watercraft, pre mix and direct injection designs. It meets or exceeds all engine manufacturer specifications and it will not void any engine warranties.

SB19000 TC-W3 Two Stroke Outboard Oil 1 gal $37.15
SB19032 TC-W3 Two Stroke Outboard Oil 1 qt $10.85

Evinrude I XD-50 Two Stroke Outboard Engine Oil 1 gal

XD50 performance enhanced synthetic blend oil that meets the specific demands of direct injection and water cooled 2 cycle outboard engines that specify TC-W3 certified oils. Contains CarbX combustion cleaner to keep carbon in suspension and away from critical components. Protects against wear with superior lubricity. Reduces smoke for cleaner operation. Use XD50 in high load and performance applications for greater dependability, reliability, and reduced maintenance. Specially formulated for fuel injected outboards. Also applicable for carbureted engines.

E764354 $43.95

PACKING & GASKET MATERIAL

Gaskets

Western Pacific Trading I Red Rubber EDPM Gasket ...

Red, silicone free, EPDM sheeting for gaskets. Available in two sizes: Roll: 1/16" x 3 ft x 25 ft.and Roll: 1/8" x 3 ft x 25 ft.

Red Rubber EDPM Gasket Sheeting 1/16" x1 ft x 3 ft
PT22000 $8.99

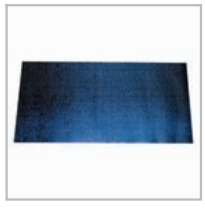

Western Pacific Trading I Red Rubber EDPM Gasket ...

Red, silicone free, EPDM sheeting for gaskets. Available in two sizes: Roll: 1/16" x 3 ft x 25 ft.and Roll: 1/8" x 3 ft x 25 ft.

Red Rubber EDPM Gasket Sheeting 1/8" x1 ft x 3 ft
PT22005 $16.50

Brunger I Gasket Material Oil Resitant 12" x 24" x 1/32"

Synthaseal non asbestos. Excellent oil resistance. Designed to seal rough surfaces. Will withstand 350°F. 12" x 24" x 1/32".

GS00116 $20.25

Packing

Western Pacific Trading I Flax Shaft Packing 5/8" ...

This popular shaft packing is a blend of quality flax rovings that are braided to a high quality standard. The braid is then impregnated with teflon(PTFE) to give it a low surface friction. This combination results in a packing that delivers solid performance, season after season. Sold by ft.

PT10057 Flax Shaft Packing 5/8" $5.25
PT10101 Flax Shaft Packing w/Teflon PTFE 3/16" $3.25
PT10102 Flax Shaft Packing w/Teflon PTFE 1/4" $3.75
PT10103 Flax Shaft Packing w/Teflon PTFE 5/16" $5.00
PT10104 Flax Shaft Packing w/Teflon PTFE 3/8" $6.75
PT10106 Flax Shaft Packing w/Teflon PTFE 1/2" $9.95

Western Pacific Trading I Syntef Shaft Packing Lubricant

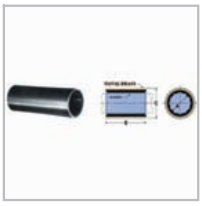

The new Syntef shaft packing lubricant is now available in a new plastic squeeze tube for easy application.

PT10150 $14.00

SHAFT & CUTLASS BEARINGS

Reinforced Resin Shell / Inches

Duramax Marine I Cutless/Shaft Bearing US/Standar ...

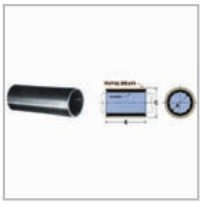

Johnson Cutless ® non-metallic sleeve bearings. These bearings feature a structure of engineered reinforced thermoset plastic. The nitrile rubber polymer liner that is bonded to shell, is non-corrosive and inherently resistant to chemicals, oil and grease, as well as being anti-electrolytic.

Cutless/Shaft Bearing US/Standard Non-Metallic 1" x 1 1/2" x 4"
AB2100112 $74.65

Duramax Marine I Cutless/Shaft Bearing US/Standar ...

Corn Cutlass Bearings - Johnson Duramax Cutless Bearing - Naval Brass Inch - CORN - Johnson Duramax cutless bearings adapt equally well to strut and sterntube mounts, and are often used efficiently as rudder stock and pintle bushings. Johnson Duramax Bearing diameters are precision fitted to the designated shaft size with the correct clearance for efficient water lubrication. External brass shells are machined and polished to provide easy fitting. Johnson Duramax cutless bearings use a specially formulated oil and chemical resistant nitrile rubber is securely bonded to the shell. Duramax Marine is the world's largest supplier of marine bearings, and each is made in the USA.

AB212338 Cutless/Shaft Bearing US/Standard Brass "Corn" 2-1/2" x 3-3/8" x 10" $354.45

Rubber Sleeve Bearings / Millimeters

Johnson CUTLESS® Water-Lubricated Marine Bearings

Johnson Cutless® is the most recognized marine bearing in the world. Marine professionals trust Johnson Cutless® for its consistent quality, precision design, and durability.

Johnson Cutless® rubber bearings are available in naval brass and non-metallic sleeve, as well as naval brass flanged, for propulsion and rudder applications. Standard bearings are available from stocking distributors and sales agents worldwide. Custom materials and sizes can be ordered for special applications.

Use Johnson Cutless®, the bearing marine professionals rely on. Contact your Duramax Marine® Representative or visit **www.DuramaxMarine.com**

Shaft Seals

Pyi | PSS (Packless Sealing Shaft) Shaft Seal Shaft dia 1 1/4"

The P.S.S. (Packless Sealing Seal System) shaft seal is a maintenance free, watertight seal that replaces the old style packing gland and requires no packing or adjustment. The PSS shaft seal is a mechanical face seal. The seal created between a rotating SS collar and a stationary carbon face. The three main components of the PSS shaft seal are the nitrile bellow, carbon flange, and SS rotor. The rotor is fixed to the shaft so that it compresses the bellow to form a watertight seal. The carbon flange is bored larger than the shaft to allow the seal to compensate for shaft vibration and misalignment. The PSS shaft seal is the number one selling brand of shaft seal. Shaft size 1-1/4. Hose size 1-3/4. Compressed length 6-1/2.

PY01114134 $330.00

Lasdrop | Dry Seal for 30mm Shaft, 51mm Stern Tube ...

The Lasdrop DrySeal is a compact, economical lip seal designed for quick and easy installation. The lip seal, made specifically for marine use, is in constant low friction contact with the propeller shaft, preventing water from passing in your vessel. As in all Lasdrop models, the DrySeal incorporates a water lubricated alignment bearing in the housing to keep the unit properly aligned with the shaft. There is an optional back-up seal available that can be installed during the original installation changeable in the future without the need of removing the shaft or unit.

LS33051 Dry Seal for 30mm Shaft, 51mm Stern Tube $427.00
LS33557 Lasdrop Dry Seal for 35mm Shaft, 57mm Stern Tube $466.40

Pyi | PSS (Packless Sealing Shaft) Shaft Seal Shaft dia 1 1/2" ...

Lasdrop | Elite Seal for 30mm Shaft, 51mm Stern Tube ...

The Lasdrop Elite is a compact, lip seal designed for quick and easy installation. The lip seal, made specifically for marine use, is in constant low friction contact with the propeller shaft, preventing water from passing in your vessel. As in all Lasdrop models, the Elites incorporates a water lubricated alignment bearing in the housing to keep the unit properly aligned with the shaft. There is a compartment that is secured to the housing that encompasses a back-up seal, making it changeable in the future without the need of removing the shaft or entire unit. 2nd back-up seal in compartment is available as an option.

LS43051 Elite Seal for 30mm Shaft, 51mm Stern Tube $569.80
LS43557 Lasdrop Elite Seal for 35mm Shaft, 57mm Stern Tube $621.99

Pyi | PSS Shaft Seal for 2" Shaft, 3-1/4"-3-3/8" Stern Tube

A stationary carbon flange is held in contact against a stainless steel flange, which rotates with the prop shaft. The high-density carbon/graphite flange is attached to the boat by a nitrile bellows which, with the help of water pressure, produces constant pressure between the carbon and stainless flanges. This mechanical seal is 100% watertight and virtually maintenance-free. Made from space-age carbon composites, heavy-duty nitrile O-rings, nitrile bellows, and Type 316 stainless rotor and fasteners, P.S.S. Shaft Seals are durable, strong, resistant to high temperatures, saltwater, UV radiation and petroleum-based products and corrosion.

PY02200300 $630.50

Lasdrop | Gen II Seal, 30mm Shaft, 51mm Stern Tube ...

The Gen II offers exclusive features that make it the premier shaft seal on the market with the culmination of more than a quarter century of experience in shaft seal design. The Gen II offers a unique ball-bearing drive system that allows the seal ring to "float" and remain in constant contact with the carbon graphite seal surface, resulting in a seal that's impenetrable to water.

LS53051 Gen II Seal, 30mm Shaft, 51mm Stern Tube $799.90
LS53557 Lasdrop Gen II Seal, 35mm Shaft, 57mm Stern Tube $836.00

SPARKPLUGS

Champion

Champion | Spark Plug XC12PEPB ...

High-quality plugs with all the features that make Champion the industry's leader. Triple-coated shell for excellent corrosion resistance. Triple seal assembly that's the strongest in the industry. RFI suppression so plugs won't affect your radio or navigation equipment.

E5001211 Spark Plug XC12PEPB $14.50

Control Cables / Teleflex Extreme

Seastar Solutions | Throttle Control Cable TFXtreme 3300 Red 6 ft ...

CC632 series red and CC633 series black. These cables carry the same 10/32" threaded ends and the same 3" travel as the Teleflex Morse cables. They have a splined core which reduces friction and the ridges on the core allows a closer fit and minimum contact with the cables inner liner so the core glides smoothly.

E7763206	Throttle Control Cable TFXtreme 3300 Red 6 ft	$49.25
E7763208	Throttle Control Cable TFXtreme 3300 Red 8 ft	$53.45

Seastar Solutions | DC Utility Control Kit

SeaStar 301916 DC Control. The Teleflex Morse DC Control is recommended for throttle, choke, air or fuel shutdown, as well as governor or valve control. The DC can be mounted flush on the dashboard or the side of the wheel box. Mounting with the stainless steel angle bracket is optional. It is compatible with 33C or 43C type cables.

TF301916		$124.35

Hydraulic Steering / Kits

Seastar Solutions I Hydraulic Steering System HK4200 Baystar

Single station, single engine application. Up to 150 HP. The BayStar hydraulic outboard steering system is a smaller, lower horse power steering system that is designed specifically for engines up to a maximum of 150 hp. A low friction helm ensures smooth comfortable steering, whilst the balanced cylinder is compactly designed to fit into the majority of splash wells (min. 32"). The BayStar kit comes complete with all the components required for installation. The cylinder uses the factory outboard engine supplied drag link for simplified installation, and two cut lengths of 18 foot tubing are also included, as well as two bottles of hydraulic steering fluid and filler kit.

TF04200 $1,171.49

Seastar Solutions I Hydraulic Steering System HK6318

High-horsepower/high-speed boating is here and steering systems must perform at maximum capacity. The SeaStar Hydraulic Steering System is designed to provide that extra margin of muscle when needed. The SeaStar system easily handles Outboard, Sterndrive and Inboard engines in boats up to 50 feet. System selection, installation and service is substantially simplified with just three major components - helm, cylinder and tube or hose. SeaStar has a comprehensive range of available cylinders to handle a variety of Outboard, Sterndrive and Inboard steering applications. These are suitable for both pleasure and commercial applications. Extra steering stations and/or autopilots are easily added. SeaStar hydraulic steering is a total commitment to quality, performance and simplicity. Easy to install.

TF06318 $1,621.95

Seastar Solutions I Hydraulic Steering System HK6316 Seastar

Unmatched for comfort and control, SeaStar is the most popular outboard hydraulic steering system. It offers low friction, super efficient No Feedback steering with 4.75 turns from lock-to-lock. Designed for today's high performance hulls with single or twin outboards up to 300 hp combined (600 combined hp for counter-rotating engines). Twin engines require purchase of a tie bar kit and additional hardware. Suitable for speeds up to 60 mph. Package includes SeaStar I helm, front mount balanced cylinder, 2 pre-made 16 foot hoses (hose length may be exchanged), 2 quarts of steering fluid, fittings and bleeder kit. Installation is fast and easy. Meets ABYC and NMMA standards.

TF06316 $1,621.95

Hydraulic Steering / Parts

Seastar Solutions I Hex Head Cap Screw 1-1/2" X 3/8" NF SST.

TF05182 $58.15

Seastar Solutions I Hardware Kit For O/B Pivot Plate Cylinder

SeaStar Solutions Teleflex HP6033. Hardware Kit For O/B Pivot Plate Cylinder.

TF06033 $64.69

Seastar Solutions | In-Board Cylinder Seal Kit, HS 5183

SeaStar Solutions Teleflex HS 5183. In-Board Cylinder Seal Kit, HS 5183. All brass cylinders seal kit for HC5319,HC5373,BA175-7TM.

TF05183 $71.85

Seastar Solutions | Tie Bar Ball Joint

Stainless steel tie bar ball joint.

TF116527 $121.49

Seastar Solutions | Cylinder Seal Kit Baystar HC4658

Cable push pull systems are recommended for outboard and inboard boats with planing hulls. These helms contain a clutch mechanism to prevent the engine torque from being felt at the steering wheel. This reduces driver fatigue by eliminating constant fighting the wheel. It does not eliminate the engine torque. This can only be reduced by proper trim and tilt setting by trial and error when running the boat. For a complete No Feedback steering system the following additional components are required : steering helm, bezel kit, cable assembly and connection kit are required. Tension systems require two connection kits.

TF04600 $124.55

Seastar Solutions | Front Mount Steering Cylinder Seal Kit HS516

TF05167 $138.95

Seastar Solutions | Steering Cylinder Seal Kit HC5342 45 58

Seal kit for HC5345, HC5340 & HC5342 (threaded end gland), HC5347 (pivot cylinder Honda 115-130 specific), HC5348 (pivot cylinder OMC 77-90 specific), HC5365 (compact cylinder (threaded end gland)) and HC5394 (SeaRay compact cylinder (obsolete) (threaded gland)). Kit contains 2 seal glands, pin wrench and guide tool.

TF05157 $152.65

Seastar Solutions | Outboard Steering Hose Kit H05104 4 ft ...

SeaStar outboard steering hose kit includes two hoses, complete with fittings. Hose must be ordered to standard lengths. Sold in sets of 2. It can be used with all SeaStar systems, except SeaStar PRO, BayStar, Capilano and 3-line inboard systems.

TF06002 Tie Bar Kit Front Mount Dual HC6702 $432.29

Seastar Solutions | Side Mount Steering Cylinder HC5370-3

Teleflex HC5370 SeaStar side mount cylinder features alternative to front mount type if motor well space is too restrictive or unbalanced, uneven number of wheel turns from mid ship to hard over left and right. Ease of installation. Suitable for installation in shallow splash wells. Suitable for use on engines fitted with power steering.

TF05370 $637.50

Seastar Solutions | Front Mount Helm Pump HH5271 ...

Front mount helm. Integral 1000 PSI lock valve. Convenient front of dash fill.

TF05271 Front Mount Helm Pump HH5271 $733.35
TF05272 Front Mount Helm Pump HH5272 $976.25
TF05273 Front Mount Helm Pump HH5273 $835.59

Seastar Solutions | Inboard Steering Cylinder HC5313

Aluminum cylinder. Dimensions: 20" x 6.5" x 8.5". Body diameter 1.5". Shaft diameter 0.625". Teleflex SeaStar inboard hydraulic steering cylinders are engineered and manufactured for most pleasure and commercial vessel applications up to 38 feet in length. Cylinders are constructed from regular duty aluminum. SeaStar cylinders are easy to install for single and dual rudder systems, they feature two axis articulation, and can be easily interfaced with an autopilot system. All cylinders are supplied with bleeder fittings for easy maintenance.

TF05313 $769.35

Seastar Solutions | Front Mount Steering Cylinder HC5358

Teleflex HC5358 SeaStar front mount steering cylinder is designed for single and twin outboard engines up to 300hp. Teleflex HC5358 suitable for Yamaha engines 2002 and up. Independent engine tilt for twin engine installations. Easy steering. 5 turns lock to lock steering response. General purpose system. Single and multiple engine capability. Total power to 600hp. Typical applications include center console fishing boats and cruisers.

TF05358 $769.75

Seastar Solutions | Front Mount Steering Cylinder HC5345

Teleflex HC5345 SeaStar front mount steering cylinder is designed for single and twin outboard engines up to 300 hp. SeaStar HC5345 is suitable for speeds up to 60 mph. Independent engine tilt for twin engine installations. Easy steering. 5 turns lock to lock steering response. General purpose system. Single and multiple engine capability. Total power to 600hp. Typical applications include center console fishing boats and cruisers.

TF05345 $769.75

Seastar Solutions | Outboard Hynautic Steering Cylinder K-6

These aluminium cylinders are designed for boats up to 38ft. Where the steering loads are less than 10,000 inch pounds of torque. The cylinder barrel and ends are T6061 aluminium with rods of 303 stainless steel. All cylinders have replaceable wiper seals. Base mount. Bore 1 1/2". Stroke 7 3/4". Output force 950psi.

MH10006 $811.25

Seastar Solutions | Front Mount Steering Cylinder HC5342

Outboard cylinders fit most large outboards. Standard side-mount cylinder is an affordable alternative to front mount cylinders. It's easy to install and can be installed in shallow splash wells and on engines fitted with power steering. Can be used with single or twin outboards. Extends about 13" to the right of the motor tilt tube. Cannot be used with autopilots since it is an unbalanced cylinder.

TF05342 $1,088.09

Seastar Solutions | Classic Tilt Front Mount Helm Pump HH5741

The ultimate in tilt steering technology. Tilt steering delivers unsurpassed performance and flexibility making it the perfect system for all possible applications and boat types. Pre loaded dual taper bearings ensures minimal excess free play. Smooth operation and feel. Shaft seals to prevent water ingress. 48° of tilt articulation. 5 positive lock positions. Compact footprint. Maintenance free. Fits most styled and formed dashes.

TF05741 $1,122.79

Seastar Solutions | Inboard Steering Cylinder HC5319

Aluminium cylinder. Dimensions: 20" x 6.5" x 8.5". Body diameter 2". Shaft diameter 0.75". Teleflex Seastar inboard hydraulic steering cylinders are engineered and manufactured for most pleasure and commercial vessel applications up to 38ft in length. Cylinders are constructed from regular duty aluminium. SeaStar cylinders are easy to install for single and dual rudder systems, feature two axis articulation, and can be easily interfaced with an autopilot system. All cylinders are supplied with bleeder fittings for easy maintenance.

TF05319 $1,185.79

LZ43756 $7.95

Seastar Solutions | Helm to Quick Concet Cable Converter

For current Seastar solutions, rotary systems and replacement for older cables. Now service both threaded and quick connect helms with one new cable. The new cable is designed to fit any SeaStar solutions rotary helm. New or old. Each QCII comes with a specially designed converter, so you can complete most steering service jobs with just a snap.

TF27620 $12.25

Seachoice | Steering Cable Protector Heavy Duty

Heavy duty rubber boot. Fits all standard steering cables.

L002830 $12.95

Uflex | Black 90* Mounting Bezel

Uflex X34 90 degree bezel mounting kit comes with black bezel, mounting bracket, and hardware including steering wheel shaft nut. 90 degree mounting.Compatible with rack and rotary steering systems.

UF10034 $15.29

Seastar Solutions | Safe-T Standard Helm Bezel Kit 20"

Teleflex SB27483 20° black mounting bezel kit. Use with SH5094, SH5294P, SH5023 Safe-T helms. Also use when 20° bezel is needed with no-feedback helms. (SB27483P, SH4910P and SH4920P).

TF27483 $15.75

Seastar Solutions | Safe-T Standard Helm Bezel Kit

Safe-T or No Feedback 90° bezel kit. New kit includes mounting bracket, bolts, shaft nut, woodruff key, and plastic bezel.

TF27484 $16.25

Seastar Solutions | Big-T Helm Bezel Kit Black

Fits steering wheels up to 20" and boats up to 34ft with single or twin engines. 2-piece black adjustable 20 to 90° bezel.

TF27265 $130.95

Uflex | Zero Torque Rotary Helm T73FC

Zero Torque Rotory Helm, T73FC uses a patented non-reversible mechanism that eliminates the continuous load on the operator caused by the propeller torque, and is most suitable where clearance is limited. Single cable steering helm. Uses M66 steering cable. Fast connect. Simple installation. Optional 20 degree or 90 degree installation. Lock to lock 3.8. Stroke 9". Standard 3/4" tapered shaft.

UF10073 $143.25

Seastar Solutions | No Feedback Single Cable Stee ...

Cable push pull systems are recommended for outboard and inboard boats with planing hulls. For a complete steering system the following additional components are required : steering helm, bezel kit, cable assembly and connection kit. Tension systems require two connection kits.

No Feedback Single Cable Steering System SH4910
TF04910 $158.75

TF05023 Safe-T Helm Single Steering System SH5023 $104.50

Seastar Solutions | Safe-T Quick Connect Helm Dual SH5294P

Compact, lightweight, rugged rotary helm. Patented "Quick Connect" cable with stainless steel output end simplifies installation/saves time. 3 turns lock-to-lock. Standard 3/4" tapered steering shaft. For outboard, runabouts, pontoon boats & small cruisers up to 24 feet. Dual engine boats that exceed 50 mph or boats that experience steering instability due to engine flutter should use dual cable steering.

TF05294 $375.98

Steering Cables

Safe-t | Quick Connect Steering Cable 8 ft ...

These cables can be used on boats with inboards, outboards and stern drives with single or twin motors. Kit comes with converter to change threaded spigot helms into quick connect helms. Tension systems require two connection kits.

Seastar Solutions | Throttle Control Dual Lever Single Action Top Mount

Twin lever, single function controls with highly polished stainless steel covers. Works with stern drives, inboards and outboards. -

TF05200 $371.55

Seastar Solutions | Throttle Control Single Lever ...

Single lever/dual action control to operate both throttle and shift. Suitable for any type of boats with outboard, inboard, or I/O motors. Enables easy and safe shifting by preventing accidental gear engagement unless engine is idling.

Throttle Control Single Lever Dual Action Side Mount w/Trim & Tilt
TF01751 $471.50
UF00104 Throttle Control Twin Lever Dual Action Top Mount $414.55
UF00173 Throttle Control Single Lever Dual Action Top Mount $295.00
UF00177 Throttle Control Single Lever Dual Action w/Trim Top Mount $328.05
UF00185 Throttle Control Single Lever Dual Action Side Mount $189.50

Seastar Solutions | Throttle Control Dual Lever S ...

Twin lever, single function control with raked handles. Uses SeaStar 3300 control cables and features a heavy zinc construction with chrome finish. Dual station capability. Positive detents for shift.

Throttle Control Dual Lever Single Action Top Mount w/Raked Handles
TF04481 $574.49

Seastar Solutions | MT-3 Top Mount Twin Lever Control Dual Action

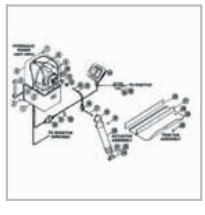

The Teleflex Ch5300P MT3 twin top mount controls feature the most popular classic design, dual action, top mount controls. Chrome finish, twin engine version.

LE32122 $601.75

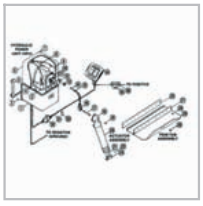

Trim Tabs & Accessories

Bennett Marine | Filler Plug

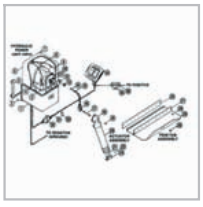

BT11400 $1.15

Bennett Marine | Mounting Bracket For HPU

BT11790 $7.79

Bennett Marine | Lower Hinge For Actuator ...

BT11130 Lower Hinge For Actuator $9.25
BT11150 Lower Hinge Pin For Actuator $2.95

Evinrude | Power Trim & Tilt Steering Fluid Tube 10 oz

Specially formulated to provide the viscosity, aniline point and lubricity necessary to insure proper pump performance and seal life in most Evinrude/Johnson power tilts, power trim/tilts and stern drive power steering units.

E775612 $10.70

Seastar Solutions | Hydraulic Cap Plug Nut Compression Fitting

SeaStar Solutions Closing Nuts 3. HF5524.

TF05524 $24.00

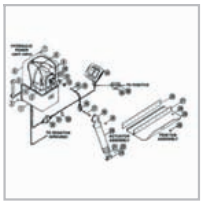

Nuova Rade | Hydrofoil for Outboard Engines to 50hp

Benefits of using Hydrofoils include: Lower fuel consumption. Straight tracking. Excellent steering at low speeds. Smoother ride. Maximum lift. Reduced planing time. Increased stability. Reduced cavitation. Effortless installation. Stainless mounting hardware included. -

LZ10121 $25.95

Bennett Marine | Upper Hinge For Actuator

BT11030 $29.95

Seasense | Universal Hydrofoil

Reduce your fuel consumption and get your boat on a plane quickly by increasing the lift generated by the engine. Easy to install on the cavitation plate of all outboards from 5hp.

DF73740 $32.95

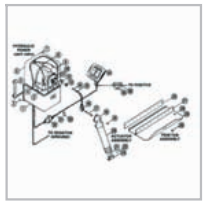

Atlantic Mfg | SST Hydrofoil Stabilizer Black

Fits all out drives (except Volvo), and outboards 5hp and up. Shark skin finish to increase fuel efficiency. Improves low speed planing, reduces fuel consumption, controls better.

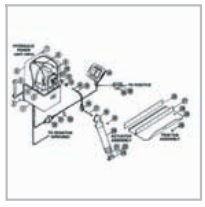

AN00200 $44.85

Bennett Marine | Wire Harness 22 ft

BT31000 $45.50

Bennett Marine | Hydraulic Tubing 20 ft ...

BT11251 Hydraulic Tubing 20 ft $47.50
BT11270 Nut w/Ferrule Compression Connector $2.50

Atlantic Mfg | Ultra Fin Hydrofoil Stabiliser Black

Saves fuel, stops bow rise and gets the boat on plane sooner. Gives smoother ride, reduces cavitation and lowers minimum planing speed. Includes integral torque control system which adjusts to provide the ultimate in precise and effortless steering.

AN00400 $53.95

Bennett Marine | Solenoid Valve Red ...

Solenoid valves direct the flow of fluid to the actuators. The solenoid valves lock tightly to secure the tabs in place.

BT11350 Solenoid Valve Red $75.50
BT11351 Solenoid Valve Green $75.50

Bennett Marine | Euro Style Rocker Switch Control

Featuring a sleek, waterproof, contemporary design.

BT51001 $119.95

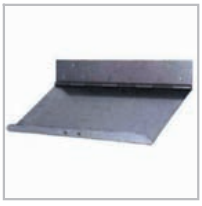

Bennett Marine | Tri Tab Standard Actuator Assembly ...

Piston like strong arm which pushes tab into position. Hydraulic fluid flows into the actuator through a concealed hole in the upper hinge, eliminating external hoses subject to damage by the elements. Actuator is flexible but hearty enough to withstand the rigors of offshore use.

BT11012 Tri Tab Standard Actuator Assembly $122.25
BT11016 Actuator External Line Assembly $128.75

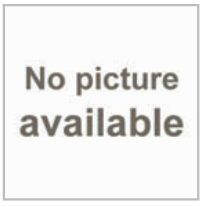

Bennett Marine | Spare Trim Plane 12" x 9"

Bennett tabs are not welded, as welding creates a condition which invites corrosion. In operation these tabs remain rigid even in the most challenging conditions.

BT00129 $170.25

Bennett Marine | Communication Cable EIC20130

30ft EIC Wire Harness

BT20130 $180.00

Nauticled | Automatically Adjusting Trim Tab, 60lb Actuator - Boats 18'+

The NEW SX series incorporates all of the fully automatic features of our popular SMART TABS, in addition to the rust and corrosion free benefits of molded composite materials. Assembly can be completed in seconds and the installation in a few minutes. The only tools required are a drill with a 3/16" bit and a phillips screw driver. SMART TABS SX provide un-equaled performance and durability with no maintenance in fresh or salt water. The system can be specifically tuned to maximize the performance of any power boat, and TRACKING RIBS have been added to improve handling at higher speeds. - The patented SMART TABS are a one of the kind trim and stabilizer system that automatically adjusts to the sea conditions, without the needed for expensive electric or hydraulic hardware and switches. The system constantly reacts to the water conditions, boat speed, and balance providing a remarkable improvements on any boat. - Nauticus Sx9510-60 Smart Tab Trim Tabs. Automatically Adjusting Trim Tab, 60lb Actuator.

NT951060 $181.95

Nauticled | Automatically Adjusting Trim Tab, 40lb Actuator - Boats to 16'

The NEW SX series incorporates all of the fully automatic features of our popular SMART TABS, in addition to the rust and corrosion free benefits of molded composite materials. Assembly can be completed in seconds and the installation in a few minutes. The only tools required are a drill with a 3/16" bit and a phillips screw driver. SMART TABS SX provide un-equaled performance and durability with no maintenance in fresh or salt water. Automatically Adjusting Trim Tab, 30lb Actuator.

NT951030 $181.95

Bennett Marine | Hydraulic Power Unit 12V

This power unit measures 4" x 7 1/2" x 5".

BT03511 $452.50

Bennett Marine | Control Kit, EIC5000

Three features combined into one sophisticated control - the popular Bennett rocker switch control, trim tab indicator and the Auto Tab Retractor. Water resistant, highly accurate and features variable intensity LEDs for night or day. Features a relay module mounted near the transom, which simplifies installation by reducing the number of wires to run to the helm. - Standard kit is 12V and includes: - o EIC Display (EIC001) o 12V EIC Relay Module (EIC101) o Sensor with 10' SC Red and Connector (EIC901P) o Sensor with 10' SC Green and Connector (EIC901S) o 20' EIC Cable (EIC201) o EIC Pigtail Pack (EIC401) o EIC Hardware Pack (EIC501)

BT05000 $531.75

Bennett Marine | Trim Tabs w/Rocker Switch 12" x 9"

Bennett complete trim tab kit. Includes one hydraulic power unit. Two actuator arms. Two 12" x 9" trim tab assemblies. Rocker switch. Solenoid valves. Mounting brackets and wiring harness.

BT01291 $775.00

Bennett Marine | Sport Tab ST16 w/Euro Style Rock ...

Bennett ST16 sport tabs, 12" x 16", are engineered for the demands of offshore attitude correction over a wide range of water conditions. For boats above 25ft in length and for speeds up to 60 mph. The ST16 sport tabs features two heavy duty stainless steel tabs with powder coated black finish, secured with heavy duty mounting plates and fasteners. The ST16 sport tabs are deflected and held firmly in position by dual actuators on each tab. Kits also includes hydraulic power unit, and all necessary wiring, tubing and hardware. Includes euro style rocker switch control.

BT10016 Sport Tab ST16 w/Euro Style Rocker Switch Control 12" x 16" $1,236.25

Bennett Marine | Bennett Trim Tab set ST16EIC

Hydraulic Trim Tab Sets with Electronic Indicator Control (EIC) - 12v

BT00016 $1,712.25

TANKS & JUGS

Fuel Tanks

Moeller Marine | Topside Portable Fuel Tank Red 3 gal

Neptune 3 gallon tank with 1/4" NPT fuel pick up. Manufactured from a sturdy, high density polyethylene, these tanks are designed for recreational use in the harsh marine environment. Lightweight, with stout handles for easy transport, tanks are non corrosive, unbreakable, and dent resistant. Designed with UV stabilized resin. Different gallon capacities and features to ensure the best tanks possible. Tanks are specifically certified and comply with industry requirements. CSA Certified. Measures 16.75" x 10.75" x 8.00".

ML04158 $45.00

Moeller Marine | Topside Portable Fuel Tank Red 6 gal

Neptune 6 gallon tank with 1/4" NPT fuel pick up. Manufactured from a sturdy, high density polyethylene, these tanks are designed for recreational use in the harsh marine environment. Lightweight, with stout handles for easy transport, tanks are non corrosive, unbreakable, and dent resistant. Designed with UV stabilized resin. Different gallon capacities and features to ensure the best tanks possible. Tanks are specifically certified and comply with industry requirements. CSA Certified. Measures 20.50" x 12.75" x 10.50".

ML04921 $46.95

Scepter | Fuel Tank, 6 Gallon Portable w/Gauge

22.7 Litre / 6 Gallon Neptune; C/W Combi Cap Gauge

ML06154 $59.55

Moeller Marine | Topside Portable Fuel Tank Red 9 gal

Provides positive seal with injection molded 2 1/4" in fill neck. Features 90°, 1/4" NPT fuel withdrawal elbow that rotates 360° (rotation not applicable on models 008189, 008190 or 008191). Includes mechanical direct sight gauge with easy-to-read indicator. High-density polyethylene with UV stabilized resin for no leak construction. Capacity dimensions: 22.5" x 14.3" x 11.75".

ML08189 $85.95

Moeller Marine | Topside Portable Fuel Tank Short Red 12 gal

Provides positive seal with injection molded 2 1/4" in fill neck. Features 90°, 1/4" NPT fuel withdrawal elbow that rotates 360° (rotation not applicable on models 008189, 008190 or 008191). Includes mechanical direct-sight gauge with easy to read indicator. High density polyethylene with UV stabilized resin for no leak construction. Capacity dimensions: 18.10" x 24.30" x 10.75".

ML08191 $93.95

Moeller Marine | Topside Portable Fuel Tank Tall Red 12 gal

Provides positive seal with injection molded 2 1/4" in fill neck. Features 90°, 1/4" NPT fuel withdrawal elbow that rotates 360° (rotation not applicable on models 008189, 008190 or 008191). Includes mechanical direct sight gauge with easy to read indicator. High density polyethylene with UV stabilized resin for no leak construction. Capacity dimensions: 14.30" x 22.90" x 13.60".

ML08190 $160.30

Moeller Marine | Flo n' Go Wheeled Fuel Transport w/10 ft Hose 14 gal

Composed of a durable, high density polyethylene in vibrant red for use with gasoline, diesel, or kerosene fuels. Comes complete with a patented Flo n' Go hand pump and pump holder handle. 14gal/53L volume capacity and a 10ft long fuel hose. Includes a bolt on hanger for convenient hose storage. Quickly refuels, using a mechanically vented fill cap. Fluid transfer on level surfaces with minimal priming. Sturdy, 6" wheels, makes maneuverability a breeze over rough terrains. Ergonomically designed, heavy duty top handle with extra deep base unit handholds for transport. Recessed grooves provide nuisance free strapping locations for safer transport. Dual mechanical shut off valves, at both tank and hose, for spill proof Flo n' Go disconnection. Meets D.O.T. & UN transportation requirements.

ML006792 $225.00

Moeller Marine | Permanent Fuel Tank White 23 gal

Rotationally molded, cross-linked polyethylene plastic. Tank fittings hold the highest O.D. and I.D. tolerances in the industry, ensuring the highest level of input flow. Machined aluminum 3/8" withdraw fitting has 360° rotational capability for hook-up convenience. Conforms to all ABYC, NMMA and U.S.C.G. regulations. Add 2 1/8" to tank height dimension to accommodate fill height. Dimensions: 24.00" x 20" x 12".

ML32623 $419.95

Moeller Marine | Topside Fuel Tank Red 18 gal

Moeller offers a complete line of rotationally molded topside fuel tanks. This manufacturing process produces a one piece seamless fuel tank, which eliminates rust and corrosion. Dimensions 28" x 15" x 12.37".

ML31620 $422.15

Moeller Marine | Permanent Fuel Tank White 31 gal

Specially designed for below deck applications, Moeller tanks are manufactured from rotationally molded, cross-linked polyethylene plastic and feature corrosion/pit resistance and exclusive Moeller Tite pioneering. Each tank is equipped with an electrical sending unit that is compatible with industry standard dash mounted gauges, Hose Tite, machined aluminum fill spouts, withdraw, and vent fittings molded directly into shell. All below deck Moeller tanks are ideal for gasoline or diesel. Machined aluminum 3/8" withdraw fitting has 360° rotational capability for hook-up convenience.Convenient hold down grooves molded directly into tank shell.Conforms to all ABYC, NMMA and US Coast Guard regulations.Add 2-3/4" to tank height dimension to accommodate fill height.

ML32631 $422.75

Moeller Marine | Permanent Fuel Tank White 27 gal

Moeller offers a complete line of permanent fuel tanks to be installed below deck. Includes fuel sender. Dimensions: 36.5" x 16" x 11.75".

ML32527 $426.50

Moeller Marine | Topside Fuel Tank Red 15 gal

Moeller offers a complete line of rotationally molded topside fuel tanks. This manufacturing process produces a one piece seamless fuel tank, which eliminates rust and corrosion. Dimensions 42.50" x 14.75" x 7.63".

ML31818 $434.75

Moeller Marine | Topside Fuel Tank Red 24 gal

Moeller offers a complete line of rotationally molded topside fuel tanks. This manufacturing process produces a one piece seamless fuel tank, which eliminates rust and corrosion. Dimensions 29.25" x 19" x 12.25".

ML31526 $458.45

Moeller Marine | Permanent Fuel Tank White 40 gal

Rotationally molded, cross linked polyethylene plastic. Tank fittings hold the highest O.D. and I.D. tolerances in the industry, ensuring the highest level of input flow. Machined aluminum 3/8" withdraw fitting has 360° rotational capability for hook-up convenience. Conforms to all ABYC, NMMA and U.S.C.G. regulations. Add 2 1/8" to tank height dimension to accommodate fill height. Dimensions: 26.00" x 20.50" x 18.50".

ML32640 $528.75

Moeller Marine | Permanent Fuel Tank White 50 gal

Moeller offers a complete line of permanent fuel tanks to be installed below deck. Includes fuel sender. Dimensions: 45" x 12.50" x 22".

ML32550 $583.65

Moeller Marine | Permanent Fuel Tank 39 Gallons

Below-deck technology with Moellers Above & Beyond innovation, 39 gallon perminant below deck fuel (Gasoline or Diesel) tank. - CAPACITY: 39.00 Gal, 147.63 L - DIMENSIONS: 51.75?L x 28.00?W x 10.75?H, 1314.45mmL x 711.20mmW x 273.05mmH - WEIGHT: 28.00 lb, 12.72 kg

ML32540 $636.00

Moeller Marine | Fuel Tank Permanent White 58 gal

This tank utilizes rotationally molded, cross linked, polyethylene plastic, allowing for complex shape designs beyond conventional and restricted aluminum tanks. Tank fittings hold the highest O.D. and I.D. tolerances in the industry, ensuring you the highest level of input flow available during tank refueling. +Machined aluminum 3/8" withdrawal fitting has 360° rotational capability for hook-up convenience. +Ideally suited for gasoline and diesel. Use with appropriate return kit (part no. 035724-10). Hold down grooves molded directly into tank shell work great with Moeller's permanent fuel tank hold down kit (part no. 035710). +Conforms to all ABYC, NMMA and U.S. coast guard regulations. +Available with CE certification. Product Dimension: 44.00" x 21.50" x 15.75".

ML33558 $685.50

Moeller Marine | Fuel Transfer Tank Wheeled w/10 ft Hose 29 gal (110 L)

3.5gal per minute (average flow rate). Durable cross linked polyethylene construction with UV inhibitors. Built in handle makes maneuvering a fully loaded Gas Walker to the dock easy. Brass shut off valve safely controls fuel flow. Includes 10ft of 3/4" hose. Locking plate prevents accidental discharge or theft of fuel. Manual vented fuel cap has easy to grip ribs. Molded hose storage compartment helps keep your storage area neat and safe. Electric static discharge grounding wire is included. Safe for use with gasoline, diesel and kerosene - DO NOT MIX! Meets US requirements for transporting gasoline. The GW-29 Gas Walker Comes with a 10ft fuel hose assembly, the GW-14 Gas Walker comes with a 6ft fuel hose assembly. Certified DOT and UN as "special container".

ML730025 $895.00

Jugs / Diesel

Moeller Marine | Self Venting Jerry Jug Diesel Yellow 5 gal

Made from high-density polyethylene. Lightweight, crushproof design with extra headspace built in to accommodate expansion. User-friendly "easy pour" design, self-venting pouts and child resistant closures. The cans are rustproof, unbreakable and non-corroding. 5 US gallons.

ML07649 $21.75

Moeller Marine | Diesel Jug Yellow 5 gal

5 gallon, manual venting diesel jerry can (square yellow/military style). These jerry cans are virtually indestructible, manufactured from high density, unbreakable polyethylene that is rustproof, crush resistant and non corroding.

P275714 $28.95

Jugs / Gasoline

Moeller Marine | Fuel Jug Red 1 1/4 gal ...

Every fuel container must pass hot and cold temperature drop and high-pressure tests. Exclusive flexible spout for truly precise one handed pouring even at difficult angles. Rustproof crush proof polyethylene. Low profile design for additional stability.

L352120 Fuel Jug Red 1 1/4 gal $8.95
L352500 Fuel Jug Red 6.6 gal $25.95

Moeller Marine | Fuel Jug Red 5 gal ...

Every fuel container must pass hot and cold temperature drop and high pressure tests. Exclusive flexible spout for truly precise one handed pouring even at difficult angles. Rustproof crush proof polyethylene. Low profile design for additional stability.

P275722 Fuel Jug Red 5 gal $27.95
P275748 Fuel Jug Red 2 gal $21.95

Jugs / Water

Reliance | Collapsible Water Carrier 5 gal

Holds 5gal. of water and folds flat for storage. Made of sturdy, nontoxic polyethylene with reinforced seams.

P232678 $16.25

Moeller Marine I Water Jug Blue 5 gal

Nearly indestructible, heavy gauge polyethylene jug with flexible spout that stores inside when not in use. Light blue color aids in identification. 18 1/4" H x 13" W x 7" D.

P1914969 $25.50

Aaa World Wide Enterprises | Deck fill color code ...

Deck Fill for 38.1mm Hose with Color-Coded Key Made of Nylon, 6 Name Plates Included (Diesel, Fuel, Gas, Petrol, Waste, Water), 4pcs Different Color Keys Also Included, Customers Can Change The Key Color Easily for Different Usage Red Key for Gas, Green Key for Diesel, Blue Key for Water, Black Key for Waste.

Deck fill color coded for 38.1 (1.5inch) hose

AT40006 $13.65

Whitecap | Primer Bulb, 5/16" ...

Alcohol resistant primer bulb for fuel line assemblies. Provides for maximum fuel performance. Includes safety check valves and remains easy to pump over time. Supersonic weld.

WC04742 Primer Bulb, 5/16" $13.95

WC04752 Fuel Primer Bulb Black 3/8" $13.95

Moeller Marine | Tank Vent Thru Hull Chrome Plated Brass 5/8"

Thru hull vent for hulls up to 1/2" thick, 5/8" vent hose.

TE00207 $16.50

Seasense | Fuel Shut Off Valve Brass 1/4" Female/Female

Brass shut off valve for 1/4" and 3/8" fuel lines, provide a quick and easy way to connect one or more tanks to your motor.

DF52441 $16.95

Perko | Gas Tank Vent w/Swivel Elbow 5/8"

Black or white polymer cap with zinc alloy elbow. Removable 30 mesh stainless steel wire screen flame arrestor - for use with fuel applications. Design allows elbow to be rotated to any position.

PK05711 $18.15

Perko | Gas Tank Vent 5/8"

Chrome plated zinc alloy with black polymer splash guard. Removable 30 mesh stainless steel wire screen flame arrestor - for use with fuel applications.

PK05061 $21.45

Moeller Marine | Direct Site Gauge Replacement

Replacement direct site gauge.

ML35759 $22.95

Moeller Marine | Fuel Shut-Off Valve NPT Male/Female 10-1/4"

Brass shut off valve. Male/female 10-1/4" NPT.

ML33300 $29.95

Moeller Marine | Fuel Shut-Off Valve NPT Male/Male 10-1/4"

Brass shut off valve. Male/male 10-1/4" NPT.

ML33303 $30.50

Marpac | Water Deck Fill w/Blue Nylon Cap 316 Stainless Steel 1.5"

These 316 stainless steel deck fills have color coded caps and symbols for easier identification and less confusion. The water deck fills have blue nylon caps. The keyless cap design makes filling easier since no tools are needed. Designed for use with 1 1/2" hose.

DX071642 $36.49

Marpac | Gas/Petrol Deck Fill w/Red Nylon Cap 316 Stainless Steel 1.5"

These 316 stainless steel deck fills have color coded caps and symbols for easier identification and less confusion. The gas/petrol deck fills have red nylon caps. The keyless cap design makes filling easier since no tools are needed. Designed for use with 1 1/2" hose.

DX071641 $36.49

Marpac | Diesel Deck Fill w/Green Nylon Cap 316 Stainless Steel 1.5"

These 316 stainless steel deck fills have color coded caps and symbols for easier identification and less confusion. The diesel deck fills have green nylon caps. The keyless cap design makes filling easier since no tools are needed. Designed for use with 1 1/2" hose.

DX071640 $36.49

Osculati | Universal Tank Gauge

Universal Gauge. TANK letter symbol (suitable for any type of liquid).

OC2717000 $37.45

Moeller Marine | Fuel Gauge For Swing Arm Sending Unit Dash Mounted

Moeller's fuel gauges are easy to install with complete instructions. The units are compatible with 35 to 240 ohm. Manufactured of non ferrous materials, they are designed for the harsh marine environments.

ML35727 $37.49

Whitecap | Fuel Line Assembly Universal w/Primer Bulb 3/8"

Universal fuel line for outboard motors comes with primer bulb and 8ft hose. -

HG08863 Water Deck Fill w/Key 316 Stainless Steel 38 mm $42.25

Veethree | Swingarm Electric Fuel Sender Depth 4-24"

Adjustable for tank depths from 4" to 24". Left or right arm adjustable in 90° increments. Standard SAE 5 hole pattern, rust proof Delrin ® flange with rigid aluminum insert. 10-24 stud connections for maximum integrity. Stainless steel, aluminium and brass construction. 240 (empty) to 33 (full) ohm resistance range. Includes gasket, screws and instructions. Fuel gauge optional.

TF90424 $46.65

Scepter | Tank Sender Electrical Ajustable 8-24"

8"-24" Universal Electric Fuel Sender with 33-240 Ohm Gauge (10636) by Scepter«. What can be more fun and rewarding than boating on the open waters? This is an excellent solution for your boating needs. This product is great for use in all marine applications. It will satisfy the needs of both pleasure boat enthusiasts and ambitious yacht owners. Get this excellent product for your vessel and prepare to embark on a thrilling adventure.

SJ10636 $63.50

Osculati | Electric Sending Unit w/Float 240/33 Ohms Length 25 cm ...

Ideal for either fuel or water, 5 hole international flange. Universal 12/24 V.

Electric Sending Unit w/Float 240/33 Ohms Length 25 cm
OC2716025 $69.95

Electric Sending Unit w/Float 240/33 Ohms Length 50 cm
OC2716050 $98.75

Osculati | Electric Sending Unit w/Float 33 To 240 ohm Depth 30 cm ...

This vertical tank sender with float is made from stainless steel and is ideal for either fuel or water. It has a standard, international 5 hole flange and is a universal 12/24V.

Electric Sending Unit w/Float 33 To 240 ohm Depth 30 cm
OC2716030 $76.25

Electric Sending Unit w/Float 33 To 240 ohm Depth 45 cm
OC2716045 $93.25

OC2716060 Electric Sending Unit w/Float 33 To 240 ohm Depth 60 cm $115.35
OC2716070 Electric Sending Unit w/Float 33 To 240 ohm Depth 70 cm $118.75

Osculati | Electric Sending Unit w/Float 240/33 Ohms Length 40 cm

Axial vertical floater. Ideal for either fuel or water, 5 hole international flange; any length available for a minimum order of 10 pieces. Universal 12/24 V.

OC2716040 $85.75

Moeller Marine | Swingarm Mechanical Sending Unit ...

Swingarm mechanical sending units, with a direct sight gauge or with the conversion capsule, gather fuel level information by means of a float. Because of the moving parts and the float the gauge will fluctuate as the fuel in the tank 'sloshes' around. A direct site gauge is complete on unit.

Swingarm Mechanical Sending Unit w/Direct Sight Gauge 11 3/4"
ML03753 $92.75

TE01000 Swingarm Mechanical Sending Unit w/Direct Sight Gauge 10" $92.95
TE01400 Swingarm Mechanical Sending Unit w/Direct Sight Gauge 14" $92.95
TE01775 Swingarm Mechanical Sending Unit w/Direct Sight Gauge 17 3/4" $92.75

Moeller Marine | Conversion Capsule Mechanical To ...

Converts fuel level reading from standard direct site gauge to electric dash mounted gauge, 33-240Ohm's. The site capsule is situated directly on top of the unit.

Conversion Capsule Mechanical To Electric 33-240 Ohm
TE00002 $103.85

Perko | Water Inlet Fitting

Chrome plated bronze. Standard female swivel hose connector. Black polymer watertight plug. Stainless steel bead chain. For obtaining water at dockside.

PK04991 $128.95

Oceanair | SkyScreen Roller Size 10 White ...

Quick and easy to install, SKYSCREEN Roller Surface is a unique combined flyscreen and blackout blind, custom made for hatches. Whilst the blackout blind provides full darkness, the flyscreen allows for an airy yet insect free environment, ideal for an undisturbed sleep. - KEY FEATURES: Available from your local Oceanair stockist in a range of standard hatch sizes Ideal for boats with thin decks, and soft, or no headlining Can be retrofitted to existing hatch trims Optional seal and liner systems available to resolve through deck engineering challenges Soft-edged, low profile design, consistent with the style of OceanairÃ†s SKYSCREEN Pleated product A quick assembly, easy fit solution to suit all budgets

OR41011 SkyScreen Roller Size 10 White $187.00
OR41044 SkyScreen Roller Size 44 White $275.00
OR41060 SkyScreen Roller Size 60 White $347.60

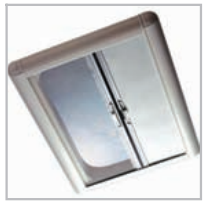

Oceanair | SkyScreen Roller Blind, Surface Mount ...

The award-winning design team at Oceanair marine presents Skyscreen, an attractive screen and shade solution. Skyscreencombines a retractable hatch shade (with 100% blackout) and fly screen system (utilizing UV treated fiberglass mesh) in a low profile styled cassette. This innovative system incorporates an easy-to-use and reliable magnetic handle. Surface mount installation is easy, using four corner fasteners. Optional PVC liner kit utilizes integrated corner radius system to provide a complete thru-deck finishing solution. Features: Offers heat and light control as well as insect prevention. 100% blackout blind. Tightest screen mesh available. A stylish, practical, and functional alternative to hatch blinds. Easy to use magnetic, low profile handle system. Models available for all hatch manufactures. Integral hatch liner solution available for all models. SkyScreen Roller Blind, Surface Mount for Lewmar 40 Hatches.

OR40400 SkyScreen Roller Blind, Surface Mount for Lewmar 40 Hatches $248.95

Oceanair | SkyScreen Roller Blind Surface Mount W ...

New screen and shade solution provides the ultimate in heat and light reflection with bug free ventilation for onboard comfort. Combines a retractable hatch shade and flyscreen system in a low profile styled cassette. Includes easy to use and reliable magnetic handle system. Simple surface mount installation utilizing four corner fasteners. Made in extruded polymer and comes with integral hatch liner option, matching hatch corner radii and in three sizes available with round hatch adapter. Matches all known hatches and infinitely variable on size. SkyScreen Roller Blind, Surface Mount for Lewmar 44 Hatches.

Forespar | Horn Cleat Marelon MF763 5" ...

Forespar ®'s cleats have been thoroughly tested by independent laboratories and manufacturers of yachts and power boats all over the world. Their strength, light weight and low cost have contributed to their increased use in the marine industry. The use of fiberglass reinforced Marelon ® allows these cleats to take up the curve of a deck without breaking, whilst maintaining strength and resisting abrasion. These cleats will not soften on hot days or freeze in winter.

VENTILATION

Blowers / Flangemount

Jabsco | Blower Flangemount 12V

Jabsco marine blowers have set the standard for efficient, high volume evacuation of gasoline vapors on vessels equipped with gasoline powered engines. When properly installed they satisfy US Coast guard requirements. Constructed of tough reinforced plastic housing and one piece balanced plastic rotor for maximum corrosion resistance in marine environments. Connections: for 75mm (3") ducting. Dimensions: 170mm x 140mm x 120mm. Fuse size: 6A. Output: Air flow 3 cu.m per minute. High volume air intake or extraction blowers for engine room fuel compartment, galley or heads. Outlet flange mounts directly on bulkhead.

J351151 $126.75

Jabsco | Blower Flangemount 12V

Jabsco marine blowers have set the standard for efficient, high volume evacuation of gasoline vapors on vessels equipped with gasoline powered engines. When properly installed they satisfy US Coast guard requirements. Constructed of tough reinforced plastic housing and one piece balanced plastic rotor for maximum corrosion resistance in marine environments. Connections: for 75mm (3") ducting. Dimensions: 200mm x 200mm x 170mm. Fuse size: 10A. Output: Air flow 4.2 cu.m per minute. High volume air intake or extraction blowers for engine room fuel compartment, galley or heads. Outlet flange mounts directly on bulkhead.

J347391 $212.95

Jabsco | Blower Flangemount 24V

Jabsco marine blowers have set the standard for efficient, high volume evacuation of gasoline vapors on vessels equipped with gasoline powered engines. When properly installed they satisfy US Coast guard requirements. Constructed of tough reinforced plastic housing and one piece balanced plastic rotor for maximum corrosion resistance in marine environments. Connections: for 75mm (3") ducting. Dimensions: 200mm x 200mm x 170mm. Fuse size: 5A. Output: Air flow 4.2 cu.m per minute. High volume air intake or extraction blowers for engine room fuel compartment, galley or heads. Outlet flange mounts directly on bulkhead.

J347392 $234.40

Jabsco | Blower 115V

Jabsco marine blowers have set the standard for efficient, high volume evacuation of gasoline vapors on vessels equipped with gasoline powered engines. When properly installed they satisfy US Coast guard requirements. Constructed of tough reinforced plastic housing and one piece balanced plastic rotor for maximum corrosion resistance in marine environments. Fuse size: .75A. Output: Air flow 2.8 cu.m per minute. High volume air intake or extraction blowers for engine room fuel compartment, galley or heads. Outlet flange mounts directly on bulkhead.

J347443 $251.40

Jabsco | Blower Flangemount 12V

Jabsco marine blowers have set the standard for efficient, high volume evacuation of gasoline vapors on vessels equipped with gasoline powered engines. When properly installed they satisfy US Coast guard requirements. Constructed of tough reinforced plastic housing and one piece balanced plastic rotor for maximum corrosion resistance in marine environments. Connections: for 100mm (4") ducting. Dimensions: 220mm x 230mm x 220mm. Fuse size: 15A. Output: Air flow 7 cu.m per minute. High volume air intake or extraction blowers for engine room fuel compartment, galley or heads. Outlet flange mounts directly on bulkhead.

Windscoops

Davis Instruments | Windscoop Ventilating Sail

The Windscoop ventilating sail puts an end to hot, stuffy cabins and sleepless nights. The Windscoop is aerodynamically designed to force the slightest breeze down into your cabin to keep you cool and comfortable. All seams are double stitched. Two battens are sewn into place. The versatile Windscoop can be hung from a halyard, boom or a roller furling sheet. Fits any hatch or companion way up to 4ft (120cm) wide. Nothing to install. Since the Windscoop has no tiedowns, once you put it up, it will follow variable wind. Works with most screens. Windscoop is packed in its own protective nylon storage bag. Colors vary.

DI00291 $64.50

Breeze Booster | Windscoop Blue Fits Hatches 22"-28" LRG ...

The Port Ventilator provides an easy and efficient way to funnel air into side ports, often the only source of ventilation in back cabins, galleys and heads. Fits inward opening ports with overall dimensions up to 10" x 17".

Windscoop Blue Fits Hatches 22"-28" LRG
BR00001 $105.00

BR00002 Windscoop Blue Fits Hatches 17"-20" MED $93.99

BR00003 Port Ventilator w/Screen Blue Fits Ports 10"-17" $66.00

OB01150 $82.95

Overboard | Waterproof Yellow Backpack 30 L

The yellow, 30 liter Classic Waterproof Backpack from OverBoard is a bag with a 1,800 cubic inch capacity that is designed to be able to float and keep its contents dry even when briefly submersed up to three feet. Utilizing a fold-seal closure that is secured with a snap-buckle, this bag features an IP66 rating and is suitable for use while on a boat, raft, or whenever there is an elevated risk of the wearer or their backpack falling into water. Aside from providing protection from accidental immersion and the ability for later retrieval, the Classic Waterproof Backpack may also be used for instances where some exposure to water is anticipated, such as while crossing a stream or river. - To help ensure that this Classic Waterproof Backpack is comfortable to carry, its shoulder straps feature both padding and ventilation in addition to a ventilated back panel that further cools the wearer. An adjustable sternum strap provides additional stability and built-in lumbar support reduces pressure on the lower back. - Should the need arise to retrieve this bag under darkness or low-light; reflective external patches are included on the front surface and on both shoulder straps. OB01146 $132.65

Overboard | Waterproof Pro-Vis Orange Backpack 30 L

The Overboard Pro-Vis 30 L Waterproof Backpack is a really practical pack for conventional use but also in particular for when you want to be as visible as possible in both daylight and darkness whether you are on a mountain hike, a cycling tour or involved in water sports. The high-visibility yellow or orange front and back panels are key features but in addition there are reflective strips on the front and on the shoulder straps and there is an loop to which you can attach LED light (not incl), perhaps with a flashing mode to attract attention. The waterproof quality of this rucksack is achieved via the tough PVC tarpaulin fabric and the roll top closure system that is effective enough to mean that, if the pack is inadvertently dropped into the water, it will remain watertight for a short time and retrieving it is made much easier by the fact that the pack will float. Various features such as the adjustable sternum strap and waist belt plus the ventilated back panel will help to ensure the Overboard Pro-Vis 30 L Waterproof Backpack is a very comfortable backpack to wear even on long and difficult expeditions.

OB01147 $135.95

Overboard | Waterproof Black Pro-Light Backpack 30 L

Roll-top 100% waterproof Backpack (Class 3). Floats safely if dropped in water. Made from environmentally friendly and lightweight TPU fabrics. Unique 'High Frequency' welded construction. Lalizas I PVC Waterproof Fishing Jacket, Large ...

Fishermens Jackets and Trousers have a 0,35mm double PVC coating on the inside of the fabric to make it 100% waterproof and on the outside to provide extra durability. Even fish blood and grease are fairly easy to clean. Instead of seam stitching, the different garment parts are ôglued" as a second security to make it 100% waterproof. The Lalizas Fishermen gear is designed to minimize the possibilities for nets to get caught while working. They feature full front flapped zipper and inner hand cuffs. The pants have a high bib at the front and back with elastic adjustable belt straps with buckle closure.

WB950001 $98.99

Roto Molded

Confluence I Kayak Tribe Lime/Yellow 9.5 ft

An affordable, easy to paddle, and great looking sit-on-top, the most surprising thing about the Tribe 9.5 is just how great it paddles. It performs terrific in surf and rough ocean conditions, but is also speedy and maneuverable on flat water and lazy rivers. With side handles built-in plus additional bow and stern handles, carrying and car topping is a breeze. The Tribe is a low-maintenance kayak, but don't mistake simplicity for slow and bulky. It offers speed, control, and comfort. The ergonomic design puts the paddler's feet level with the body rather than at an awkward angle. Ample storage opportunities, including a new aftermarket hatch indication will have you living in the moment while thinking about what adventures next weekend will bring.

WS10951 $625.00

A terrific all around SOT kayak for lakes, ponds, surf and fishing. At only 10ft, this kayak is easy to transport but still stable enough for larger paddlers. A high performance, feature rich boat at a great value. Features: Kayak carrier handles. CSS seating system. Molded-in footwells. Center day hatch. Bow hatch. Tankwell w/ bungee. Paddle parks.

See Through

Clear Blue Hawaii | Kayak Molokini Tandem Clear Polycarbonate 11 ft 1"

The Molokini is an all transparent, two passenger kayak made out of the same durable polycarbonate material used in the production of bulletproof glass and fighter jet canopies. It comes equipped with dual flotation bladders, a three quart water bailer and lightweight, anodized aluminium internal frame system, which is removable allowing the user to minimize space consumption, thus making transporting and storage of multiple units easy and convenient. Paddle not included. Tests performed on the island of Oahu, Hawaii, have proven that the visibility on a sunny day and during non turbulent water conditions can yield views to depths of 75ft plus. Tests have included encounters with pods of dolphins, coral farms and nocturnal underwater sea life. -

DD50071 $19.95

Trident Diving Equipment I Buddy Call Underwater Signalling Device

Battery powered underwater buddy signaling device, essential piece of gear for all dives. Communicate easily. Get attention fast. Worn around the wrist like a watch or attached to other gear like a diver's BCD. Audible up to 100 feet underwater. DEPTH: 110 feet. Free Batteries included. Free Wrist strap or BC attachment included.

DD00631 $39.99

Cressi I Depth Gauge Module In Feet

Looking to upgrade your Cressi Pressure Gauge to a console with a depth gauge? Maybe you're going to wrist mount your dive computer from your console and want to replace the instrument with a backup depth gauge, whatever your needs this small, analog depth gauge module is what you're looking for. Gauge is high quality instrument housed in a chrome plated brass case and is a diaphragm membrane actuated design. The Instrument has a large circular easy-to-read scale. The Depth Gauge is equipped with a Maximum Depth Indicator that Stops on the Maximum Depth Reached during the Dive. This Function is Extremely-Handy for Logging of Dive Information. The gauge has a luminescent face for easy reading in low light or night diving conditions. There are two models to choose from. One model is imperial with depth readings in feet and the other model is metric with depth readings in meters.

DD60505 $88.00

Cressi I XS2 Regulator 2nd Stage Only Black

DD92001 $103.99

Aqua Lung I Calypso/Titan Octopus Regulator 2nd Stage

Compliment your Calypso and Titan regulators with this reliable, easy breathing octopus. Referred to as the Calypso/Titan Octopus Classic, you now have a choice as to which octopus configuration will best suit your needs. High visibility 39" yellow hose and high visibility yellow cover makes it easy to locate in an emergency. The venturi lever prevents unwanted free flow when not in use. Easy purge front cover.

DD02106 $105.00

Cressi I Octopus XS Regulator 2nd Stage

The XS Octopus is a lightweight, high performance second stage regulator. The XS has a venturi dive/pre dive switch which will help control the sensitivity of the regulator when not in use, yet when switched from the pre dive to dive position the regulators performance will instantly increase. The XS Octopus has a dependable downstream demand valve mechanism for reliable performance. The XS Octopus is equipped with a 33" (84cm) 3/8" threaded hose, has a yellow front cover for easy identification in an out of air emergency. The regulator has a soft and comfortable liquid silicone mouthpiece and the housing is made of durable impact resistant hi tech polymers. The regulator weighs 7oz (200g) without the hose.

DD02116 $115.00

Cressi I Mini SPG Gauge Single Console

The Mini SPG provides necessary information at a glance. Its compact size also allows it to be tucked away to help keep a streamlined profile in the water.

DD02340 $123.99

Cressi I Mini C2 Gauge Console Depth & Pressure ...

Compact and built to last, this two gauge console combines a mini SPG and depth gauge. The textured boot is easy to handle, even while wearing gloves, and can be rigged with a clip or bungee and secured to the diver's BC for a streamlined profile in the water.

Mini C2 Gauge Console Depth & Pressure
DD02117 $190.00

DD02119 Mini C2 Metric Gauge Console Depth & Pressure $220.00

Aqua Lung I Calypso Regulator Complete 1st & 2nd Stage

This simple design, with its attractive price, makes this regulator a popular choice for new divers. It is compact, lightweight and it breathes like a regulator that costs much, much more.

DD02105 $230.00

Cressi I AC2/XS2 Regulator Complete 1st & 2nd Stage

First and second stage regulator. The XS2/AC2 regulator is an exceptionally dependable non balanced f low by piston designed 1st stage regulator that is a great choice as a new divers rig, or for use as a stage bottle regulator system. The second stage housing is made of durable non corrosive hi tech polymers, and has a dependable downstream demand valve mechanism. The flow of air is channeled to the mouthpiece by injection, creating a venturi effect enhancing the performance. The 2nd stage comes with a flow deviator that acts on the Venturi effect, with dive/pre dive function.

DD02115 $284.09

Cressi I Mini C3 Gauge Console Depth Pressure & Compass

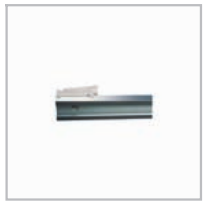

Combining depth gauge, submersible pressure gauge and a compass in one ergonomic package, this console naturally positions each instrument for optimal viewing when held upright. Easily attaches to the BC with a clip or bungee.

DD02118 $290.00

SUP'S

Inflatable SUP's

Highfield I Coral Sea "Classic" Paddleboard SUP I ...

These inflatable SUP's are made of high quality drop stitch material and offer rigid and stable performance when inflated. Easy to carry and easy to handle when deflated. Complete with carry bag and repair kit.

Coral Sea "Classic" Paddleboard SUP Inflatable w/Backpack 10 ft 6"
HF90106 $812.50

Coral Sea "Classic" Paddleboard SUP Inflatable w/Backpack 12 ft 6"
HF90126 $845.00

Walker Bay I 9' Stubby Stand Up Paddle Board with HardTop

Airis HardTop Stubby 9 Inflatable Stand Up Paddle Board 5003200001 . The STUBBY 9 is a great option for everyone just looking for fun and convenience in a SUP. The shorter length and wide design mean it is stable and more maneuverable than a longer board. It comes with bungee tie downs for gear and there are also attachment points so a kayak seat can be added for even more versatility. Best of all it glides easily and there is no flex unlike other inflatable boards. Don't compromise. Just enjoy! -
WB900001 $825.00

Airhead I Na Pali Paddleboard Standup Inflatable 10 ft 6"

The extra rugged drop stitch construction on these SUPs allows a much higher air pressure than other inflatable technologies. Thousands of tiny threads connect the top and bottom layers. Consequently, it can hold 12lb of air pressure, more than double the working pressure of other technologies. When you're out on the water, Na Pali is rigid and will perform like a fiberglass board. A large anti skid EVA pad provides secure footing. Strap your gear to the 4 D rings up front. Three removable fins ensure straight tracking and precise maneuvering. Install the seat in seconds and paddle kayak style. For convenience and portability, a backpack with mesh panels is included for stowing and carrying the SUP and all accessories. Accessories included: backpack w mesh panels, adjustable seat, high pressure hand pump, anemometer, valve wrench.
LR02015 $895.00

Confluence I Perception "Escapade" Stand-Up Paddl ...

This stand up paddle-board is a great choice for paddlers looking for stability, durability, and value - all packed into a great shape. Built with "Bombshell" construction, this board is extremely impact resistant and light, with a hull design that provides excellent stability and glide. The Escapade SUP is a great all-around stand up paddle board for the whole family that is quite versatile, built to last, and very affordable. Features: Performance hull design that offers excellent stability, flotation and glide. Extremely durable, impact resistant "Bombshell" construction featuring top and bottom thermoform dual sheets and Kevlar reinforced rails. Soft + length diamond groove EVA deck pad for ultimate comfort and traction. 2 deck tie-downs for a variety of cargo options. 9" flexy dolphin fin for a wide variety of conditions and uses. Recessed ergonomic carry handle for ease of transport. Self regulating vent plug to relieve pressure in heat or high altitude.
WS40106 Perception "Escapade" Stand-Up Paddleboard Hardshell 10' 6" $950.00

Walker Bay | 11' Stand Up Paddle Board with HardTop

Airis HardTop SUV 11 Inflatable Stand Up Paddle Board 5003200002 . The SUV 11 is the perfect all-around board. It comes with bungee tie downs for gear and an additional Rod and Tackle Box attachment area for Fishing. Also included are attachment points so a kayak seat can be added for even more versatility. Best of all it glides easily and there is no flex unlike other inflatable boards. One Board. Everything you need. Don't compromise. Just enjoy!

WB900002 $995.00

Sportsstuff I Towable Tube Frequent Flyer Triple Rider

Grab your friends, jump on board the Frequent Flyer, and get ready for action. This huge flat deck towable for 1-3 riders has multiple double webbing foam handles with knuckle guards to enable various riding positions and two EVA foam body pads for extra comfort. Rocket across the wake and skim around whips and turns over and over again on this classic re designed inflatable deck tube from Sportsstuff. Featuring an aluminium quick connect tow point to make attaching and detaching your tow rope quickly and easily, the Frequent Flyer also comes equipped with the patented speed safety valve for the fastest inflation and deflation possible. New sleek custom graphics on the top and bottom of this classic deck towable will keep you and your friends coming back for more.

LR531661 $278.75

Airhead I Towable fussion II 3 Triple Rider

Cockpit-style towables are great for small children, because they feel secure sitting inside. Teenagers love the wild ride of a deck tube. AIRHEAD FUSION is a revolutionary new tube design, it's both a cockpit tube and a deck tube! The roomy center cockpit is equipped with a nylon covered inflatable floor and headrest. The side deck areas have strategically placed neoprene panels for comfort and performance. Two inflatable fins are strategically placed to help riders stay on the tube. A Kwik-Connect and Boston valve provide the ultimate in connecting, inflating and deflating convenience. The durable 30 gauge PVC bladder is fully covered by rugged 840 denier nylon.

LR532222 $340.00

Sportsstuff I Towable Tube Half Pip Rampage Double Rider

This amazing new tube offers a thrill ride for one or two people sitting, kneeling, in the prone position, or even sideways. The angled sides give this tube sensational action on the water while maintaining a great deal of stability. Also includes bright printed graphics on a full nylon cover, EVA foam body pads for each rider, and handles all over. Use for a smooth, stable ride or tilt the tube on its side for tight turns and wild wake action.

LR532155 $350.00

Airhead I 4 Person Towable Mega Slice

MEGA SLICE Inflatable Quadruple Rider Towable MEGA-SLICE is the largest member of AIRHEAD's SLICE-series, the industry standard in deck tubes. The exclusive tapered profile, thick at the front and thin at the back, enhances your tubing experience. The thicker front allows a more natural and comfortable rider position and prevents "submarining". The thin back and 5 boarding straps make it easy to climb onto the towable from the water. 8 deluxe handles with neoprene knuckle guards provide a great grip for 1, 2, 3 or 4 riders. Connect MEGA-SLICE to an AIRHEAD Tube Anchor and you have an instant swim platform!

LR40602 $360.00

Sportsstuff I Towable Tube Speedzone 2 Double Rider

Built for speed and dressed for fun. The Speed Zone 2 is designed for two riders, providing a stable ride while easily sliding outside the wake for an exhilarating run! This fast track hot rod features a full nylon cover that is as durable as it is sleek, cockpit seating to keep you in the saddle, high backrests, air cushioned floors for a more comfortable ride, and double webbing foam handles to keep your white knuckles from turning red. Speed Zone 2 will keep you in the zone.

LR531931 $388.95

Sportsstuff I Towable Tube Super Marble Triple Rider

The next generation Super Mable from Sportsstuff is here. Built for one to three riders, this new and improved classic towable will continue to impress you with a variety of different riding options. Featuring dual tow points, you can go for a wild ride utilizing the comfy backrest or tow it the opposite direction for a chariot style blast on the water you'll never forget. This action packed towable comes equipped with comfy EVA foam seating pads and a magnitude of double webbing foam handles with knuckle guards to enable tons of different riding positions. The addition of air cushioned side walls will keep you on board while the redesigned backrest and new custom graphics make this uniquely shaped towable dressed to impress. Experience an exciting day of towable action on the Super Mable or put your feet up and relax using it as a deluxe lounge.

BATTERIES

Alkaline Batteries / Duracell

Duracell | Alkaline Coppertop Batteries D-Cell 2/pk ...

Duracell Coppertop batteries have been engineered to deliver just the right level of power for most of your household needs. Plus, they're guaranteed fresh for 7 years. To fit virtually every device out there, Coppertop alkaline batteries are available in AAA, AA, C, D, and 9-volt sizes.

OD01300	Alkaline Coppertop Batteries D-Cell 2/pk	$6.75
OD01400	Alkaline Coppertop Batteries C-Cell 1.5V 2/pk	$5.95
OD01500	Alkaline Coppertop Batteries AA-Cell 2/pk	$2.95
OD01504	Alkaline Coppertop Batteries AA-Cell 4/pk	$5.50
OD01604	Alkaline Coppertop Batteries 9V	$6.95
OD02400	Alkaline Coppertop Batteries AAA-Cell 2/pk	$2.95
OD02404	Alkaline Coppertop Batteries AAA-Cell 4/pk	$5.50

Deka Dominator GEL

Deka | Deep Cycle Battery Gel GRP24 750 MCA 12V

Dominator gel batteries offer many significant advantages over conventional liquid acid batteries. Gelled electrolyte cannot sulfate like a liquid acid battery, and since there is no liquid, there is no need to check fluid levels. Construction also eliminates vibration damage to plates, a common problem with flooded batteries. Even works under water. 100% maintenance free, faster recharging, self discharge rate of less than 1% per month (at 68°F), resists damaging over discharges. All batteries carry a 1 year pro rated warranty.

A012400 $327.35

Deka | Deep Cycle Battery Gel GRP27 700 MCA 12V

Dominator gel batteries offer many significant advantages over conventional liquid acid batteries. Gelled electrolyte cannot sulfate like a liquid acid battery, and since there is no liquid, there is no need to check fluid levels. Construction also eliminates vibration damage to plates, a common problem with flooded batteries. Even works under water. 100% maintenance free, faster recharging, self discharge rate of less than 1% per month (at 68°F), resists damaging over discharges. All batteries carry a 1 year pro rated warranty. 12 3/4" x 6 3/4" x 9 7/8".

A012700 $415.00

Duracell | Golf Cart Battery Gel 180A MCA760 6V

20A hour rate: 180. 6A hour rate: 155. Minutes at 75A:92. Minutes at 25A:375. Gel batteries offer many significant advantages over conventional liquid acid batteries. Gelled electrolyte cannot sulfate like a liquid acid battery, and since there is no liquid, there is no need to check fluid levels. Construction also eliminates vibration damage to plates, a common problem with flooded batteries. Even works under water. 100% maintenance free, faster recharging, self discharge rate of less than 1% per month. 10 2/4" x 7 1/8" x 10 7/8"

A012006 $440.00

Deka | Deep Cycle Battery Gel GRP31 780 MCA 12V ...

Dominator gel batteries offer many significant advantages over conventional liquid acid batteries. Gelled electrolyte cannot sulfate like a liquid acid battery, and since there is no liquid, there is no need to check fluid levels. Construction also eliminates vibration damage to plates, a common problem with flooded batteries. Even works under water. 100% maintenance free, faster recharging, self discharge rate of less than 1% per month (at 68°F), resists damaging over discharges. A018000 $1,049.99

Deka Marine Lead Acid 12V

Deka | Starting Battery Sealed 24M4 575 MCA 12V ...

Marine Master starting batteries have calcium alloy frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. Starting batteries are typically used for the starting of both gasoline and diesel inboards, outboard and inboard/outboard boat motors plus routine electronic equipment powering. All batteries carry a 1 year pro rated warranty. 10.75" x 9.375" x 6.75".

A002402	Starting Battery Sealed 24M4 575 MCA 12V	$136.70
A002406	Starting Battery Sealed 24M6 650 MCA 12V	$171.50
A002416	Starting Battery Sealed 24M7 1000 MCA 12V	$197.65

Deka | Dual Purpose Battery Deep Cycle Wet DP24 685 MCA 12V

Deep cycle batteries are designed to with stand the special rigors of long deep discharges and long, slow recharges. Features include thick heavy duty frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits, fiberglass plate wrap protecting against plate shedding and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. All batteries carry a 1 year pro rated warranty. 10.75" x 9.375" x 6.75".

A002401 $177.95

Deka | Deep Cycle Battery Wet DC27 715 MCA 12V

Deep cycle batteries are designed to with stand the special rigors of long deep discharges and long, slow recharges. Features include thick heavy duty frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits, fiberglass plate wrap protecting against plate shedding and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. All batteries carry a 1 year pro rated warranty. 12.5" x 9.375" x 6.75".

A002701 $226.25

Deka | Starting Battery Sealed 27M6 1050 MCA 12V

Marine Master starting batteries have calcium alloy frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. Starting batteries are typically used for the starting of both gasoline and diesel inboards, outboard and inboard/outboard boat motors plus routine electronic equipment powering. All batteries carry a 1 year pro rated warranty. 12.5" x 9.375" x 6.75".

A002750 $246.95

Deka MARINE BATTERIES

Congratulations on your 50TH Anniversary

Harsh seas and heavy auxiliary loads are no match for ***Deka Marine Master, Dominator,*** *and* ***Intimidator*** *batteries. For heavy house power, high cranking, or days of trolling without recharge...* ***Deka*** *delivers. Available in* ***Starting, Dual Purpose*** *(deep cycle/starting),* ***Heavy-Duty Deep Cycle****, and* ***Commercial Service****, there's a* ***Deka*** *battery for virtually every marine application.*

For premium, maintenance-free, deep cycle/starting service, experience the power of ***AGM* technology*** *with the* ***Intimidator*** *or the long life* ***Deka Dominator*** *– which uses gelled electrolyte technology. Both these spillproof, high performance designs minimize dangerous gassing and are safe to use at severe tilt angles.*

Deka marine batteries *are backed by over 250 quality control checks, ensuring the highest quality and performance.*

**Absorbed Glass Mat*

Deka I Deep Cycle Battery Wet DC31DT 810 MCA 12V

Deep cycle batteries are designed to with stand the special rigors of long deep discharges and long, slow recharges. Features include thick heavy duty frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits, fiberglass plate wrap protecting against plate shedding and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. All batteries carry a 1 year pro rated warranty. 13" x 9.5" x 6.75".

A003101 $263.50

Deka I Dual Purpose Battery 4D Deep Cycle 904D 1280 MCA 12V

Deep cycle batteries are designed to with stand the special rigors of long deep discharges and long, slow recharges. Features include thick heavy duty frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits, fiberglass plate wrap protecting against plate shedding and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. All batteries carry a 1 year pro rated warranty. 20.75" x 9.375" x 8.5".

A041300 $345.00

Deka I Dual Purpose Battery 8D Deep Cycle 708D 1340 MCA 12V ...

Deep cycle batteries are designed to with stand the special rigors of long deep discharges and long, slow recharges. Features include thick heavy duty frame grids and plates for minimum maintenance, deep pocket plate separators preventing short circuits, fiberglass plate wrap protecting against plate shedding and de mineralized electrolyte preventing water loss. A leak proof and vibration resistant designs to help prolong the life of the battery. All batteries carry a 1 year pro rated warranty. 20.75" x 10" x 11".

A081100 Dual Purpose Battery 8D Deep Cycle 708D 1340 MCA 12V $367.50

A081300 Dual Purpose Battery 8D Deep Cycle 908D 1730 MCA 12V $434.95

Duracell 6V

Duracell I Golf Cart Battery Deep Cycle GC2 230A 6V

20A hour rate: 230. 5A hour rate: 174. 6A hour rate: 178. Minutes at 25A:448. Minutes at 75A:120. Duracells biggest innovations lie inside the battery, where they use heavier grids, plates with higher density oxide and improved glass mat envelope separators. The result? Longer life cycles and superior cycle life performance. The exterior features represent powerful thinking as well. Engineers have designed a battery that is as durable and user friendly as possible. The heavy gauge polypropylene cases have been specially engineered to take a pounding without damaging the cells. Twist and release vent caps make removing caps a snap, and they've maximized convenience by designing a new lifting system. -

A006016 $197.50

Duracell AGM

Duracell I AGM Battery Deep Cycle GRP24 800 MCA 12V

The Duracell AGM deep cycle series provides an ideal solution for heavy marine house power, renewable energy powered equipment, portable power needs, golf cars and other types of electric vehicles. Completely spill proof and maintenance free AGM technology eliminates watering and unnecessary maintenance. Deep cycle batteries spend less time on the charger and more time in service by actually recharging faster than conventional batteries. A high deep discharge abuse tolerance provides added resiliency for dependable deep cycle service. All batteries carry a 1 year pro rated warranty. 10 7/8" x 6 3/4" x 9 7/8".

A402400 $299.95

Duracell I AGM Battery Deep Cycle GRP27 900 MCA 12V

The Duracell AGM deep cycle series provides an ideal solution for heavy marine house power, renewable energy powered equipment, portable power needs, golf cars and other types of electric vehicles. Completely spill proof and maintenance free AGM technology eliminates watering and unnecessary maintenance. Deep cycle batteries spend less time on the charger and more time in service by actually recharging faster than conventional batteries. A high deep discharge abuse tolerance provides added resiliency for dependable deep cycle service. All batteries carry a 1 year pro rated warranty. 12 3/4" x 6 3/4" x 9 7/8".

A402700 $345.50

Duracell I Golf Cart Battery AGM 6V 190Ah AGMGC2

Keep your equipment running strong and long with ample power. These batteries are specially designed for the long, deep discharges typical of marine, wheelchair, RVs, emergency lighting, golf cars, other deep cycle applications as well as engine starting. The absorbed glass mat (AGM) design provides maintenance-free service and ensures that they are spillproof and leakproof. 10.25"x7.13"x11"

A012016 $382.95

Duracell I AGM Battery Deep Cycle GRP31 1000 MCA 12V

The Duracell AGM deep cycle series provides an ideal solution for heavy marine house power, renewable energy powered equipment, portable power needs, golf cars and other types of electric vehicles. DURACELL®

Driving Power Solutions.

The Duracell line of AGM and deep cycle flooded battery solutions is not just an ordinary battery offering. Delivering peak efficiency with trusted performance, experience the long life and superior power benefits of premium AGM technology and other trusted products from Duracell.

MARINE AGM

Start strong, Troll long.

Duracell AGM marine batteries get you out on the water faster and powers more electronic accessories longer.

POWER SPORTS AGM

Plug in, start up, and get going.

Maximize your convenience and performance with a sealed design that provides high power and relentless durability.

DEEP CYCLE FLOODED

A deeper, deep cycle performance.

Duracell 6-Volt AGM batteries handle the most demanding, deep discharging applications such as heavy marine house power, renewable energy, portable power, golf cars and other EV vehicles.

Terminals & Accessories

American Battery | Flagt Black Battery Cable Term ...

Terminal Protectors Help Prevent: Terminals accidently coming in contact with each other. Power robbing corrosion build up that inhibits cranking power. Loss of charge due to electrical leakage, extending the lives of batteries, terminals and hold downs. Unnecessary water loss from overcharging. Unnecessary fuel consumption by eliminating the energy wasted by overcharging. Installation hassles. No special tools are required.

A06112 Flagt Black Battery Cable Terminal Protector Boots, #2 Gauge $1.95

A06113 Flagt Red Battery Cable Terminal Protector Boots, #2 Gauge $1.95

American Battery | Straight Black Battery Cable T ...

Cable Protector Boots. Reduce chance of short circuit.

Straight Black Battery Cable Terminal Protector Boots, #1-2 Gauge

A06102 $1.95

Straight Red Battery Cable Terminal Protector Boots

A06103 $1.95

Universal Chemical Corp | Battery Water Grand Prix

Grand Prix battery water is filtered for purity using state of the art treatment. Use Grand Prix battery water instead of fresh or distilled water.

MI80002 $2.75

Deka | Battery Terminal Heavy Duty Top Post

Deka ® lead alloy battery terminals. Fits to 6 to 1 gauge cables. Holds cable or strap. Threaded clamp avoids pull out.Two per clam shell.

A900888 $5.95

Deka | Battery Terminal epoxy coated, pair

Deka ® universal battery terminals. Epoxy coated, corrosion resistant, Fits to 6 to 1 gauge cables. Holds cable, strap or crimp. Threaded clamp avoids pull out. Two per clam shell.

A03067 $7.95

Deka | Battery Lift & Carry Strap

Designed to fit the T105 battery. Highly recommended during battery replacement and removal to avoid back injury, battery acid contact and battery damage.

A900015 $8.98

Deka | Battery Terminal w/Wing Nut 3/8" Positive & 5/16" Negative

Clamp type wing nut terminals convert standard post to marine or other special uses. Brass plated wing nut. Positive terminal stud size is 3/8". Negative and universal terminal stud size is 5/16.

A900862 $9.35

West Marine | Group U1 Battery Box w/Strap

Battery box for group U1 batteries. Dimensions: 5 1/2" Width x 6" Height x 8 1/4" Length

P406314 $12.95

Seachoice | Battery Terminal Brass Plated w/Wing Nut

Lead alloy, brass plated, clamp type wing nut terminal. 3/8" positive stud and 5/16" negative stud. Fits all standard battery posts.

L001367 $13.75

Seasense | Battery Box 27M Series w/Stay Shut Lid

Exclusive vented top with cover keeps battery completely safe and dry. Available in three sizes to accommodate your battery. Stainless steel mounting hardware and battery strap included. Durable black polyethylene frame.

DF90671 $17.50

Vetus Sealed (SMF)

Vetus | Sealed Maintenance Free 12v Battery, 105A ...

A sealed maintenance free battery which never needs to be refilled. These batteries are suitable as starter- and service batteries. The lids on this series of batteries internally regenerate any gas that occurs during use or charging. The battery construction is based on the use of lead-calcium plates, which yet further reduces the water usage. The models VESMF60, 70, 85 and 105 are equipped with a ômagic" eye which indicates the state of charge. Voltage (V): 12 V. Cold cranking amps CCA (EN): 710 A. Reserve capacity (minutes) at 25A: 108. Capacity C5 (Ah): No. Dimensions (length x width x height) (inches):13 9/16 x 6 7/8 x 9 1/16. Capacity C20 (Ah):110 Ah.

VE01105 Sealed Maintenance Free 12v Battery, 105AH 710 CCA, w/"Magic Eye" VESMF105 $258.95

Vetus | Sealed Maintenance Free 12v Battery, 165A ...

A sealed maintenance free battery which never needs to be refilled. These batteries are suitable as starter- and service batteries. The battery construction is based on the use of lead-calcium plates, which yet further reduces the water usage. The models VESMF60, 70, 85 and 105 are equipped with a ômagic" eye which indicates the state of charge. Voltage (V): 12 V. Cold cranking amps CCA (EN): 1250 A. Reserve capacity (minutes) at 25A: 322. Capacity C5 (Ah): No. Dimensions (length x width x height) (inches):20 3/8 x 8 3/4 x 8 3/4. Capacity C20 (Ah):165 Ah.

VE01165 Sealed Maintenance Free 12v Battery, 165AH 1200 CCA VESMF165 $469.95

Vetus | Sealed Maintenance Free 12v Battery, 220A ...

A sealed maintenance free battery which never needs to be refilled. These batteries are suitable as starter- and service batteries. The lids on this series of batteries internally regenerate any gas that occurs during use or charging. The battery construction is based on the use of lead-calcium plates, which yet further reduces the water usage. The models VESMF60, 70, 85 and 105 are equipped with a ômagic" eye which indicates the state of charge. Voltage (V): 12 V. Cold cranking amps CCA (EN): 1400 A. Reserve capacity (minutes) at 25A: 445. Capacity C5 (Ah): No. Dimensions (length x width x height) (inches):20 3/8 x 10 7/8 x 9 1/2. Capacity C20 (Ah):220 Ah.

VE01220 Sealed Maintenance Free 12v Battery, 220AH 1400 CCA VESMF220 $598.95

CHARGER & INVERTER COMBOS

Xantrex

Xantrex | Echo Charge Auxilliary Battery Charger 15A 12V

Xantrex digital echo charge is designed to charge auxiliary or starting batteries from an inverter/charger or other charging source with limited voltage drop. The Xantrex echo-charge detects when the house battery bank is being charged and directs a portion of the charge current to auxiliary or starting batteries. The maximum charger current offered by echo-charge is limited to 15A. The product features: 15A maximum charge current. Automatically adjusts for 12V or 24V battery banks (both battery banks must be the same DC voltage and battery type). Automatically switches on and off without affecting the in house battery bank or over charging. Utilizes excess current from the primary charging source. Built in thermal and over current circuits. Reverse polarity protection. Easy three wire installation.

Xantrex I Freedom HF Inverter/Charger 1000W 20A 12V-110V ...

The Freedom HF is available in two sizes: 1000W with a 20A charger and 1800W with a 40A charger. Both Freedom HF models are designed for demanding marine conditions. Temperature controlled multistage charging ensures that your batteries are recharged safely and efficiently. Both models include an automatic transfer switch and a detachable digital remote control panel display that provides precise system information and can be mounted wherever you require the information. Automatic three stage battery charger. Built in 30A relay to automatically transfer between inverter power and incoming AC utility power.

LC8061020	Freedom HF Inverter/Charger 1000W 20A 12V-110V	$495.00
LC8061840	Freedom HF Inverter/Charger 1800W Modified Sine Wave 40A 12V-110V	$707.40

Xantrex I Inverter/Charger Freedom HF 55A/110v/12v 1000W

No Messy Wiring. Quick Installation. Minimal Battery Drain. The new generation Freedom HF is equipped with quick-connect AC terminals and ignition lockout capability. The quick-connect AC terminals enable quick installation eliminating the need for strain relief clamps. The ignition lockout feature helps to minimize battery drain by disabling the inverter when the ignition is turned off. "If you are looking for an affordable, easy to install and use Inverter/Charger, the Freedom HF1800 should be your first choice", says Darryl Skelton of Toy Hauler Adventures. - The Freedom HF Inverter/Charger is one of the smallest, lightest, and most affordable inverter/chargers in the market today. The Freedom HF Inverter/Charger features modified sine wave output and is designed to operate entertainment systems and small appliances in boats, RV's and trucks. The Freedom HF is available in three models: 1000 watts with a 20-amp charger, 1000 watts with a 55-amp charger and 1800 watts with a 40-amp charger. - Some of the key feature enhancements include quick-connect AC terminal block on both AC input and output for incredibly easy installation. The ignition lockout feature minimizes battery [...] more at islandwaterworld.com

LC8061055		$635.00

Xantrex I Inverter/Charger Freedom HFS 55A/110v/12v 1000W ...

True sine wave 120 Vac inverter/charger with built-in transfer switch. Designed for recreational and commercial applications. "The Xantrex Freedom HFS inverter had no trouble with a stick blender, toaster, vacuum, computer charger or TV. Amazingly, it will also run a hair dryer, vacuum cleaner, most microwave ovens, toaster or coffee maker-but keep in mind you should only run these high wattage appliances one at a time, and not for very long. ", says Rich Luhr in his exclusive product review in Outside Interest magazine. The new generation Freedom HFS is equipped with quick-connect AC terminals, ignition control capability and programmable smart battery management logic. The quick-connect AC terminal on both AC input and output enables incredibly easy installation. The ignition control feature minimizes unintended battery drain. The new Freedom HFS is designed for cold harsh winter environment with consistent performance down to -20°C. The Freedom HFS Inverter/Charger features true sine wave output and is designed to operate sensitive electronics like entertainment systems and appliances in boats, RV's and commercial trucks. The Freedom HFS is available in two models: 1000 watts [...] more at islandwaterworld.com

Xantrex I Inverter/Charger Freedom TSW 100A/110v/12v 2000W ...

The NEW GENERATION Freedom SW series represents highly sophisticated and advanced inverter/chargers available in 3000 W with 150 A charger and 2000 W with 100 A charger models. The second generation 2000 watt model has been completely redesigned to include many of the same great features found in its high power counterpart.A key feature enhancement is 'Generator Support Mode' which enables the Freedom SW to supplement a generator° when AC loads exceed the generator's capacity. The new generation models also feature improved AC transfer/AC input detection time, providing the ability to transfer AC loads to batteries in less than 10 milliseconds when the incoming grid or generator power is lost. Connected loads are almost unable to feel the power transition due to this quick transfer time. Both models are approved to UL458 with marine supplement, CSA, ABYC and FCC, Class B requirements. Model: Freedom SW 2012. PartNbr: 815-2012. Voltage: 12V. AC Output: GFCI and/or Hardwire. Model: Freedom SW 3012. PartNbr 815-3012. Voltage: 12V. AC Output: GFCI and/or Hardwire.

LC8152012 Inverter/Charger Freedom TSW 100A/110v/12v 2000W $2,075.00
LC8153012 Inverter/Charger Freedom TSW 100A/110v/12v 3000W $2,425.00

Xantrex I Inverter/Charger Freedom TSW 50A/110v/24v 2000W ...

Leave your Battery Charging & AC Power needs to the Power Monster. The NEW Freedom SW 24 Vdc inverter/charger is packed with features and it is one of the most advanced inverter/chargers in the market today. The Freedom SW features premium sine wave output with high surge capability and temperature compensated, power factor corrected, multi-stage charging to meet power needs of demanding loads including inductive motor loads. The Freedom SW inverter/charger provides utility grade AC power to operate commonly used AC-powered electronics such as plasma television sets, microwaves, entertainment systems, computers, printers, power tools, refrigerators and much more. Available in two 24 Vdc models, the Freedom SW offers SERIES and PARALLEL stacking capability to enable twice-the-rated output and operation of 240 Vac applications respectively. Both models are compatible with optional accessories such as the System Control Panel and the Automatic Generator Start. Model: Freedom SW 2024. PartNbr:815-2024. Voltage: 24V. AC Output: Hardwire. Model: Freedom SW 3024. PartNbr: 815-3024. Voltage: 24V. AC Output: Hardwire.

LC8152024 Inverter/Charger Freedom TSW 50A/110v/24v 2000W $2,175.00
LC8153024 Inverter/Charger Freedom TSW 100A/110v/24v 3000W $2,475.00

CHARGERS - SOLAR

Solar Controllers

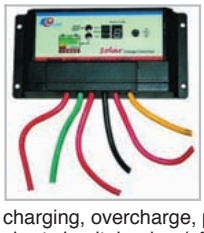

Morningstar I SunGuard Solar Controller 4.5A 12V

Morningstar's SunGuard is the most advanced small, economical solar charge controller on the market today. Features: ISO 9002 quality programs. Series design (not shunt). 100% solid state. True 0 to 100% PWM duty cycle. Set point accuracy to 60mV. Temperature compensation. Rated for 25% overloads. No need to de rate. Lightning protected with 1500W transorbs. Self consumption is 6mA. Fully encapsulated in epoxy potting. ABS plastic, impact resistant case. Outdoor rated, Hypalon connecting wires. -

KY10004 $45.95

Lalizas I Solar Charge Controller Waterproof IP67 ...

SCM and special software, intelligent control. PWM (pulse width modulation) charging. Boost, recovery and float charging auto work for long life. Uses temperature compensation. Over discharging control voltage modified by the battery discharging rate curve. Protection from: overload, outside and inside short circuit, reverse connection, thunder and lightning, PV penal reverse current, over charging and discharging etc. LED indicators for system working status: charging, overcharge, power full, power low, over discharge, over load, out short circuit, load on/off etc. Watt: 10W. Ampere: 10A. Volts: 12/24V.

LZ90287 Solar Charge Controller Waterproof IP67 w/LED Indicators 10A 12/24V $64.50

Solara I Remote Charge Display For 170/340CX Controllers

The remote meter works in combination with the charge regulators SR170CX and SR340CX. The meters have 2m connection cable. Shows voltage and current just like the controller and displays last 7 days of datalogger.

KY12001 $85.65

Morningstar I SunSaver 10L Solar Controller 10A 12V ...

The world's leading small solar controller for both professional and consumer applications, including standard features and capabilities not found in any other small PV controller. 100% solid state. Series design (not shunt). True 0 to 100% PWM duty cycle. Set point accuracy to 35mV. Rated for 25% overloads. Fully encapsulated in epoxy potting. Marine rated terminals/anodized case. Temperature compensation. Sealed/flooded battery select. No need to de rate. Green charging/red LVD indicators.

KY00010 SunSaver 10L Solar Controller 10A 12V $93.20
KY00020 SunSaver 20L Solar Controller 20A 12V $130.50
KY02420 SunSaver 20L Solar Controller 20A 24V $138.65

Solara I Digital Battery Monitor DA20

The DA20 is a simple LCD monitor displaying charging and discharging current plus battery voltage. Voltage 8-48V, maximum current 20A.

KY12002 $99.95

Kyocera I SunLight 10 Lighting Controller 12V, 10 Amp-LVD SL-10L-12V

Morningstars advanced SunLight SL-10L-12V solar lighting controller combines the SunSaver design with a microcontroller for automatic lighting control functions. The SunLight series technology provides: proven reliability, precise lighting control and PWM battery charging. Four versions are available: 12 Volt 10 Amp ratings, 12 Volt 20 Amp ratings, 24 Volt 10 Amp ratings, and 24 Volt 20 Amp ratings. - Morningstar's SunLight charge controllers have a variety of individual lighting control features, which; determine day and night with ten different preset lighting control options, measuring the length of the night (which is calculated by taking a moving four night average, and adjusts for seasonal changes). The SunLight's controller series carries an expected fifteen year life span, they are easy to use, and have high efficiency with a low self-consumption. The SunLight-10 parallels with the SunSaver for 40 Amps solar, and includes a SunSaver battery charging circuit.

KY00110 $120.50

Morningstar I TriStar Digital Meter TS-M-2 Display w/Cable 100 ft

Morningstar TS-RM-2 TriStar digital meter, for all TriStar controllers. Displays a full range of operating and diagnostic information for the TriStar PWM and TriStar MPPT battery charging, load, and diversion operating modes. The TriStar meters can be added to the controller when it is first installed, or at any time after the controller has been in service. Morningstar's TriStar Meter-2 is an advanced digital meter that may be used with any TriStar solar controller. The TS-RM-2 can be remotely mounted using the 100ft of cable supplied.

KY10002 $169.95

Morningstar | SunLight 20 Amp Charge Controller SL-20L-12V

Morningstar SunLight SL-20L-12V Charge Controller - Low Voltage Disconnect Morningstar advanced SunLight solar lighting controller combines the SunSaver design with a microcontroller for automatic lighting control functions. This technology provides proven reliability, precise lighting control, and PWM battery charging. These controllers combine the features of the SunSaver controllers with an adjustable automatic lighting control circuit. Its 10 position rotary switch allows users to choose exactly how the DC light operates. Specifications: System Voltage: 12V Solar Current: 20A Load Current: 20A LVD Reconnect: 12.8V Standard Features: Microcontroller digital accuracy Fully automatic operation Ten field adjustable lighting control options Special on/off/on lighting functions Manual test capability LVD override protection Detects day and night using the PV array Suitable for all 12/24 Vdc lamps Sealed/Flooded battery select Temperature compensation Parallel with a SunSaver for 40 amps solar Includes SunSaver battery charging circuit. Output Voltage: 12V Length: 6.6" Height: 1.3" Width: 2.2"

KY00220 $170.00

Morningstar | ProStar 30 Solar Controller 30A 12V

Morningstar's ProStar is the world's leading mid-range solar controller for both professional and consumer applications. This second generation ProStar adds new features and protections using highly advanced technology. These improvements provide longer battery life and improved system performance. The ProStar line of controllers set new standards for reliability and self diagnostics. The new ProStar is available in 15 or 30A, 12/24 or 48V, and negative or positive ground. The controller may be paralleled for a solar input rating of up to 300A. An optional meter provides an extensive display of self testing and system status. -

KY00030 $189.00

Morningstar | SunSaver Duo Solar Controller w/Display 25A 12V

Morningstar's SunSaver Duo is an advanced PWM two battery controller for RV's, caravans, boats and cottages. Rated for 25A at 12V DC, this product will charge two separate and isolated batteries at the same time, such as a 'house' and an engine battery, based on user selectable priorities. This controller also includes a backlit remote meter which may be mounted in or on a wall, and displays digital and pictorial status information about the solar power system. Provides more system information. Lower cost. Easy to install. Longer battery life. Extensive electronic protection. Highly reliable. Estimated 15 year life.

KY00025 $222.75

Morningstar | ProStar PS-30m Solar Controller 30A 12V With Meter

KY000301 $249.95

Morningstar | TriStar MPPT Solar Controller 45A 12V ...

Morningstar TriStar MPPT solar controller with TrakStar Technology is an advanced maximum power point tracking (MPPT) battery charger for off grid photovoltaic (PV) systems up to 3kW. The controller provides the industry's highest peak efficiency of 99% and significantly less power loss compared to other MPPT controllers. The TriStar MPPT features a smart tracking algorithm that maximizes the energy harvest from the PV by rapidly finding the solar array peak power point with extremely fast sweeping of the entire I-V curve.

KY00045 TriStar MPPT Solar Controller 45A 12V $640.95
KY10030 TriStar MPPT Solar Controller 30A 12-48V $518.00
KY10060 TriStar MPPT Solar Controller 60A 12V $799.95

Solar Panels

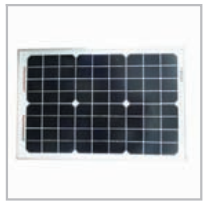

Lalizas | Solar Panel 5W 12V Monocrystlline ...

State of the art technology in cell manufacturing and encapsulation results in maximum reliability coupled with minimum maintenance. High resistance to water, abrasion, hail impact and other environmental factors. Anodized aluminium alloy frame. Low iron high transparency temper glass cover. Design and manufactured to comply with European and international standards.

LZ70904 Solar Panel 5W 12V Monocrystlline $24.95
LZ70905 Solar Panel 10W 12V Monocrystlline $31.50

Lalizas | Solar Panel 20W 12V

Lalizas« solar panels are monocrystalline with have the following characteristics: State of the art technology in cell manufacturing and encapsulation results in maximum reliability coupled with minimum maintenance. High resistance to water, abrasion, hail impact and other environmental factors. Anodized aluminium alloy frame. Low iron, high transparency temper glass cover Designed and manufactured to comply with European and International standards. Limited warranty on power output Warranty: 10 years 95% and 25 years 85%

LZ70906 $53.95

Lalizas | Solar Panel 50W 12V ...

Lalizas ® solar panels are monocrystalline with have the following characteristics: State of the art technology in cell manufacturing and encapsulation results in maximum reliability coupled with minimum maintenance. High resistance to water, abrasion, hail impact and other environmental factors. Anodized aluminium alloy frame. Low iron, high transparency temper glass cover Designed and manufactured to comply with European and International standards. Limited warranty on power output Warranty: 10 years 95% and 25 years 85%.

LZ99212 Solar Panel 50W 12V $132.95
LZ99213 Solar Panel 75W 12V $199.98

Kyocera | Solar panel KU260 w/Junction Box 260W

As a pioneer with four decades of experience in the development of photovoltaic systems, Kyocera drives the market as a leading provider of PV products. We demonstrate our Kaizen philosophy, or commitment to continuous improvement, by setting the industry standard in the innovation of best-in-class solar energy equipment. UV-stabilized, anodized aluminum frame in black . Supported by major mounting structure manufacturers . Easily accessible grounding points on all four corners for fast installation . Proven junction box technology with 12 AWG PV wire works with transformerless inverters . Locking plug-in connectors provide safe, quick connections.

KY00260 $395.00

CHARGERS - WIND

Windgenerator Accessories

Primuswindpower | Nose Cone Airbreeze White

Nose cone for Air Breeze. White only.

SW00043 $28.00

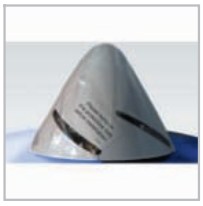

Silentwind | Replacement Nose Cone

Replacement nose cone for the Silentwind marine wind generator. Also suitable as an upgrade for the Air-X wind generator (see note). Compatible with both the Silent Power Blades and the Silentwind hub as well as original Air-X blades and hub. Also suitable for using Silent Power Blades with the Air Breeze generator. Made from UV resistant ABS plastic, the Silentwind nose cone is longer and more aerodynamic than the original Air X nose cone and also covers the blade connections further helping to reduce noise. Note - The original Air-X hub has varied slightly in diameter over the last few years. The Silentwind nose cone is designed to fit a 130mm diameter hub. We recommend checking the diameter of the blade hub to ensure a tight fit. Silentwind parts although compatible with Air-X and Air Breeze products are not approved by Primus Windpower.

WG20013 $30.95

Eclectic Energy | Eclectic Nose Cone D400

Eclectic D400 replacement nose cone.

DO00020 $34.49

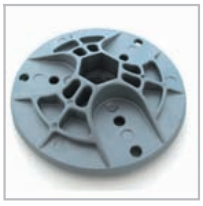

Eclectic Energy | Replacement Blade D400 Turbine

Turbine blade for D400 wind generator. Quiet and vibration free. Price per blade.

DO10028 $74.95

Spreco | Replacement Hub

Replacement rotor blade hub for wind generators Silentwind, all AirX types, and for assembly of the whispering blades to the Air Breeze. Aluminium die cast, seawater resistant painting, complete with screw kit M6. 6 + screw M6 + 22, stainless. 6 + nut M6 self locking, stainless. 6 + plastic washer, corrosion preventing.

WG0004 $85.00

Primuswindpower | Replacement Blades Air Breeze Black 3/set

SW00040 $164.00

Lvm | Regulator 6TB12 For Aerogen 6 40A 12V ...

This regulator sheds excess power into ceramic load resistors. During conditions of strong wind and full batteries the resistors can become very hot. A well ventilated location is required for the regulator and resistors. The 6TB has two resistors.

Regulator 6TB12 For Aerogen 6 40A 12V

DO80001 $430.99

DO80002 LVM Regulator 6TB24 For Aerogen 6 20A 24V $470.00

Spreco | Silent Power Blades Replacement Set For Windgenerator

High tech carbon fiber, replacement rotor blades for the Silentwind, Air-X, Air Breeze (Air Breeze requires replacement hub - our number WG0004) and Air 403 wind generators. Silent Power Blades (SPB) by Spreco were designed by a German engineer as ultra silent replacement rotor blades for the Air-X wind generator and are now supplied as standard with the Silentwind generator. Precision engineering in carbon fiber and epoxy resin leading to a remarkably stiff and light weight blade with an amazing 70% reduction in noise.

WG0003 $449.95

Windgenerator Silentwind 24V

Windgenerator 24V w/Hybrid 1000 Charge Controller w/BlueTooth

WG30024 $2,035.00

Windgenerators

Primuswindpower | Wind Generator 24V AIR BREEZE

Air Breeze provides energy you can count on in challenging conditions. This field proven unit is engineered for battery charging applications in coastal to desert to Arctic environments. It delivers the energy you need for communications, offshore structures, sailing or remote monitoring, to name a few. With optimized electronic controls, Air Breeze provides energy quietly and efficiently. Corrosion resistant, aircraft quality paint with a marine grade 'O' ring seal and stainless steel fasteners, ensuring durability in challenging conditions. Pair with solar PV for redundant energy production year round. Lightweight design is simple and easy to install, integrated controller for plug and play operation. 24knt wind speed 16A output.

SW00042 $1,255.49

Primuswindpower | Wind Generator 12V AIR BREEZE

Air Breeze provides energy you can count on in challenging conditions. This field proven unit is engineered for battery charging applications in coastal to desert to Arctic environments. It delivers the energy you need for communications, offshore structures, sailing or remote monitoring, to name a few. With optimized electronic controls, Air Breeze provides energy quietly and efficiently. Corrosion resistant, aircraft quality paint with a marine grade 'O' ring seal and stainless steel fasteners, ensuring durability in challenging conditions. Pair with solar PV for redundant energy production year round. Lightweight design is simple and easy to install, integrated controller for plug and play operation.

SW10041 $1,463.39

Primuswindpower | Air Silent-X 12v Windgenerator

New Air Silent X Wind Turbine by Primus Wind Power; featuring the Silent Power "blue blades" providing maximum energy harvest from the wind while operating with minimum vibration and very low noise. - Energy Approx. 30 kWh per month at 5.8 m/s (13 mph). Rotor Diameter 1.17 m (46 in). Weight 5.9 kg (13 lb). Startup Wind Speed 3.58 m/s (8 mph). Voltage 12 VDC Turbine Controller is a mircoprocessor-based smart controller. Body of permanent mold cast aluminum Blades (3) hand laminated, UV resistant carbon blue blades. Alternator Permanent magnet brushless. Overspeed Protection. Electronic torque control Survival Wind Speed 49.2 m/s (110 mph). Mount 1.5 in schedule 40 pipe 48 mm (1.9 in) outer diameter. Wind Speed Operating Range 3.6-22 m/s (8-49 mph). Optimum Wind Speed Range 11-15 m/s (25-32 mph). -

SW40012 $1,850.00

Silentwind | Windgenerator 12V w/Hybrid 1000 Cha ...

Rated voltage 12V. Permanent magnet-generator with 420 watts output. Very good start-up performance due to low cogging torque at 2,2m/s wind speed. External hybrid controller for wind- and solar-energy with multi-function display and integrated electronic/manual stop switch. Link your solar panels to this regulator too. Universal application for low, middle and high wind. Hand laminated, UV-resistant carbon blades, successfully tested according to DIN EN 61400-2 at hurricane speed 122km / h (5480 rpm, with almost speed of sound at the blade tips). See for this our video clip of the wind-tunnel test. Aerodynamic design from aircraft-engineering. Low noise. Durable and low maintenance by external controller and high-quality components. -

WG30012 Windgenerator 12V w/Hybrid 1000 Charge Controller w/BlueTooth $1,975.00

Eclectic Energy | D400 Wind Generator 12V ...

The D400 is a new direct drive wind generator, designed for a variety of marine, rooftop or terrestrial applications. The D400 is available in white, or low visibility black as the StealthGen. Ideal for mounting on buildings or boats. Virtually silent and vibration free in operation. Highly efficient and productive at all wind speeds. Low maintenance, 'fit and forget' engineering. Attractive, visually pleasing design. Robustly constructed for a long service life. Corrosion resistant materials used throughout. Turning circle 700mm. Weight 17kg. Available in 12V or 24V DC. In 15kts 100W, 20kts 200W, 25kts 350W and 30kts 530W.

DO80040 D400 Wind Generator 12V $2,295.95

DO80041 D400 Wind Generator 24V $2,295.95

CHARGERS

ChargePro

Marinco | Charge Pro On Board Battery Charger 10A ...

ChargePro onboard chargers have the same housing and mounting dimensions as our traditional Charge Pro Guest chargers with a number of performance enhancements. Charge flooded and AGM batteries. Microprocessor controlled for accurate charging. Universal input 120/230V input for go-anywhere freedom. Intuitive operation. Sense-Send technology senses the power needs of each battery and sends correct charge. Isolated outputs. Outputs can be put in series or parallel for higher voltage or current. Completely sealed, epoxy filled. IP68 waterproof. Designed for harsh marine and industrial environments - moisture, salt, shock and vibration tested. Non corroding housing for ultimate reliability. Meet global industry standards including UL, CE, CSA, ABYC, California efficiency regulations (CEC). Footprint same as former Charge Pro Guest Chargers. ConnectCharge Plug for easy assembly to inlet (Item #150CCI) with no wiring.

HU28210 Charge Pro On Board Battery Charger 10A(5/5) 12/24V 2 Bank 120Volts Inp $206.85

Mastervolt

Mastervolt I Solar ChargeMaster SCM-N 20 3 Stage 20A 12/24V ...

Works with nearly all solar panels (PV modules). Suitable for 12V and 24V. Clear LCD display and graphics. 3 step charging method adjustable for all battery types. Automatic night detection. Extensive alarm system (buzzer). Automatically switches off load when battery current is low. Comes as standard with temperature sensor for batteries. Optional PC Link for PC and laptop.

MV131802 Solar ChargeMaster SCM-N 20 3 Stage 20A 12/24V $227.50
MV131804 Solar ChargeMaster SCM-N 40 3 Stage 40A 12/24V $243.50

Mastervolt I Solar ChargeMaster SCM-25 3 Stage 25A 12/24V

The SCM25 MPPT is Mastervolt's smallest MPPT charge regulator and just as powerful as its big brother. With 200 to 700 Wp in solar panels, switchable output and buzzer, this Solar ChargeMaster is very well suited to small and medium systems. The innovative technology in the Mastervolt MPPT charge regulators increases the efficiency of the solar panels. The SCM25 MPPT charges your batteries up to 30% faster than PWM regulators - with the same number of panels. MPPT charge regulator for all solar panels: Besides the traditional 36 and 72-cell panels, the SCM25 MPPT is also ideal for the inexpensive 60-cell panels. The high PV voltage makes it possible to connect several panels in series, significantly reducing the required cable length, installation time and power loss in solar cables. Easy to use, safe and flexible: The SCM25 MPPT is suitable for all battery types, including Mastervolt Lithium Ion. The charging profiles for all types of batteries are pre-programmed and can be selected at the push of a button. The SCM25 MPPT is quiet and equipped with a very user-friendly, clear display. Built-in protection against overload, high/low battery voltage, overheating, short circuits and [...] more at islandwaterworld.com

MV902500 $256.00

Mastervolt I Charge Mate Pro

The Charge Mate Pro 40 provides additional functionality by limiting the charge current to the second battery to 40 A. The main battery is therefore charged with priority. The return current is automatically blocked, which reduces power dips of the onboard network. An emergency start function is possible by connecting an optional bypass switch. Features: Electronic charge coupling with very low voltage drop. Charge current secondary battery limited to 40 A. High system reliability by prioritized charging of the main battery. Unidirectional; blocks return current under all circumstances which reduces power dips of the onboard network. Suitable for all kinds of battery chargers and alternators. LED status indication. IP67 electronics in a corrosion resistant casing with aluminum heat sink. Fast and easy installation.

MV04002 $275.00

Mastervolt I Battery Charger ChargeMaster 12/25-3 3 Bank 25A 12V

Mastervolt's 3-Step+ charging method guarantees optimum efficiency, meaning your batteries will perform better and last much longer. Its direct current outlet is so clean that the battery charger itself can be used as direct power source, even without a battery. Nominal output voltage 12 V. Total charge current 25A. Number of battery outlets 3. Battery capacity range 50-250Ah. Nominal input voltage 120/230V (50/60Hz). Charge current second output 25A. Charge current third output 25A. AC connection 2m cable. Supplies your system without battery. LED Display/read out.

MV10250 $421.10

Mastervolt | MasterView Easy Remote Multifunctional Touchscreen Panel

This touch screen panel offers excellent readability and ease of operation. The single button offers you the possibility to turn the display on and turn off. All other operations are done via the touch screen. The first of the three operation levels show a quick system overview. This shows you the information you need on a day to day basis i.e. no information overload. When more information is required, product overview and product configuration offer all the required information and the possibility to change settings. The user interface is easier to use with multi language support and customisable names for all products. Operational power is provided via the MasterBus plug and play connection. Installation can be both flush and surface mounted.

MV710305 $453.75

Mastervolt | DC Distribution 500

The DC Distribution 500 is the smallest distribution model available. It connects up to four DC devices to the DC groups, such as a battery charger, inverter, alternators and solar panels. With the included plug and play cable it can be easily connected to the MasterBus network. The MasterView panel gives all fuses logical names to ensure you receive understandable error notifications (for example charger fuse defect).

MV720200 $481.60

Mastervolt | MasterShunt 500 Battery Monitor Digital DC Fuse 500A

MasterBus integrated battery monitor, with detailed information on the status of your batteries for an optimised charging process, including voltage, current, remaining time and consumption capacity in percentage. With an intelligent connection system, the MasterShunt is easily connected to the DC distribution. The integrated system clock combined with command based events custom automates the system to your needs. Example of system automation: The generator should start automatically when the batteries are almost depleted. The MasterShunt also provides a robust built in main fuse that can safely interrupt short circuit currents of 20 kA.

MV720100 $485.00

Sterling

Sterling Power | ProPulse Battery Desulphation Unit 12V

The Pro Pulse is a fully automatic system which works on a 24 hour basis. The concept is very simple, by removing the sulphate from the battery plates then the battery maintains its 'just new' feel. Sulphation builds up on all battery plates which are not correctly charged and is extremely common amongst boat owners who do not have high performance charging systems. It would not be an untrue statement to claim that 9 out of 10 batteries discarded in the boating market could easily be brought back to life with this device.

ST00012 $77.00

Sterling Power | Auxillary Battery Maintainer 12V To 12V 3A

This battery maintainer enables the auxiliary battery bank to remain topped up by using charge from the primary battery, only when the primary battery is connected to a battery charger, wind generator, solar cell, etc. The maintainer is activated when the primary battery reaches about 13.3V and allows excess power to be transferred to the auxiliary battery. The auxiliary battery will then be charged at low current, 1 or 3A, depending on model. It then maintains the charge on the auxiliary battery. If the primary battery's voltage drops below 12.9V the device switches to standby.

ST12123 $79.50

Sterling Power | Remote Control For Alternator To Battery Charger 130A

This is the remote control for 12V to 130A alternator to battery charger. Including 10m cable. Unique remote housing can be surface mounted, recess mounted or flush mounted.

ST12131 $133.75

Sterling Power | Battery Chemistry Module Waterproof IP67

The battery chemistry module is a battery charger optional extra. It allows multiple chemistries, AGM, gel, lithium, flooded etc, to be charged from one battery charger. Ideal if you have a gel thruster and a flooded house bank. Also an ideal add on for older battery chargers which don't cater for multiple battery types.

ST12600 $201.50

Sterling Power | Aquanautic Battery Charger Water ...

Will work on a variety of 12V, 24V or 36V battery setups. Also will charge a 12V start and a 24V bank system. Power source between 90-260V, requires less input power, produces less waste heat, and still has a remarkably small, lightweight footprint. Three pre programmed battery charging curves that can be set and re set as needed by the owner, to charge lead acid, AGM or Gel batteries.

ST12203 Aquanautic Battery Charger Waterproof IP68 3 Step 20A 12/24/36V $399.75

Sterling Power | Alternator To Battery Charger 4 Step 130A 12V ...

The 4 step battery charging profile extends the life of your batteries by ensuring a full charge and conditioning, as well as entering a float mode when charging is complete to protect against overcharging your batteries. Installs in place of a standard alternator to battery isolator. Available in 12V /130, 160 and 210A output. Available in 24V/100A.

ST12130 Alternator To Battery Charger 4 Step 130A 12V $443.25
ST12210 Alternator To Battery Charger 4 Step 210A 12V $559.25

Sterling Power | ProCharge Ultra Battery Charger 30A 24V

The new line of marine grade, power factor corrected battery chargers set a new standard of what you should expect from your battery charger when it comes to features, performance and price. This exceptionally efficient power factor corrected battery charger runs on any global AC power source between 90-260V, requires less input power, produces less waste heat, and still has a remarkably small, lightweight footprint. Eleven pre programmed battery charging curves as well as one user customizable battery profile. Check the real time voltage or current output on the digital display or on the optional remote control that can be either surface, recess, or flush mounted over 30ft away from the battery charger.

ST11261 $593.35

Sterling Power | ProCharge Ultra Battery Charger 60A 12V ...

The new line of marine grade, power factor corrected battery chargers set a new standard of what you should expect from your battery charger when it comes to features, performance and price. This exceptionally efficient power factor corrected battery charger runs on any global AC power source between 90-260V, requires less input power, produces less waste heat, and still has a remarkably small, lightweight footprint. Eleven pre programmed battery charging curves as well as one user customizable battery profile. Check the real time voltage or current output on the digital display or on the optional remote control that can be either surface, recess, or flush mounted over 30ft away from the battery charger.

ST11220 ProCharge Ultra Battery Charger 20A 12V $411.75
ST11240 ProCharge Ultra Battery Charger 40A 12V $493.00
ST11260 ProCharge Ultra Battery Charger 20A 24V $520.95

Xantrex

Xantrex | TRUECarge2 USB Charger For USB Powered Devices

Simply insert the USBcharger into your vehicle or boats DC socket, and then plug your device into the USB port, the LED light will illuminate and you're ready to begin charging. This USB charger combines innovative technology in a small footprint that provides 5V DC power to charge iPod, iPhone, BlackBerry, Smartphone, MP3 players, or any other mobile device.

LC8120001 $16.50

Xantrex | Battery Charger, Truecharge-2 10A 12v 110/220v

10 Amp - 90-265 Vac / 47-63 Hz. High Performance, Worldwide Charging. Xantrex TRUEChargeÖ2 Battery Chargers lead the industry with a small footprint and ultra-compact design. Designed for marine and commercial applications worldwide, the new TRUECharge2 10-amp charger is the latest addition to the TRUECharge2 series. The new TRUECharge2 10-amp charger replaces the former best-selling, first-generation TRUECharge 10TB unit and features universal auto ranging input voltage (90 Vac to 265 Vac, 47 to 63 Hz), which can be used in most parts of the world. The TRUECharge2 10-amp is smaller and lighter than its predecessor and can be mounted in a variety of positions. The TRUECharge2 10-amp charger uses power factor correction to deliver a full three-stage charge cycle. As a result, the charger requires less incoming AC power to operate at its peak efficiency, freeing up more usable AC power for onboard electronics. The TRUECharge2 10-amp charger meets stringent safety and regulatory standards including UL1564 and UL1236. - Model: TRUECharge2 10. Part number: 804-1210. Output voltage: 12V. Power Output: 10A

LC8041210 $257.50

Xantrex | Battery Charger, Truecharge-2 20A 12v 110/220v

20, 40, & 60 Amp - 90-265 Vac / 47-63 Hz AMP UP-TO 120A GLOBALLY! Now with PARALLEL STACKING FEATURE* This NEW feature allows two chargers to work together to combine the output current, achieving up to 120A for large battery banks. *Applies to the new generation TRUECharge2 models - 20A (part #804-1220-02), 40A (part #804-1240-02) & 60A (part #804-1260-02). Please ensure you order TRUECharge2 Remote Panel part #808-8040-01 for parallel stacking. "Every RVer who has ever experienced less-than-stellar performances from the stock converter/charger should seriously consider adding the TRUECharge2 to the 12-volt DC battery systems", says Gary Bunzer of RV Doctor. In addition to meeting global safety and regulatory standards, TRUECharge2 battery chargers feature low electrical interference and efficient, power factor corrected multistage charging. TRUECharge2 battery chargers can be mounted in a variety of positions, given their drip-proof design. TRUECharge2 battery chargers enable quick installation with easy-to-access AC and DC wiring compartments. Auto-ranging AC input voltage capability (90-265 volts AC) makes traveling abroad and handling poor-quality power a breeze. The [...] more at islandwaterworld.com

LC8041220 $385.25

Xantrex I Battery Charger, Truecharge-2 10A 24v 110/220v

10, 20 & 30 Amp - 90-265 Vac / 47-63 Hz. AMP-IT-UP! NEW 24-Volt Universal Chargers. Building on the success of the TRUECharge2 12-volt battery chargers, Xantrex now offers 24-volt battery chargers designed to meet the specific needs of marine and commercial markets. Available in 10A, 20A and 30A versions, each model packs a powerful universal charger (90-240Vac, 47-63 Hz) in an ultra-compact, lightweight package. TRUECharge2 battery chargers are highly versatile and can be mounted in multiple positions, thanks to their inherent drip-free design characteristics. TRUECharge2 delivers outstanding low electrical interference, coupled with efficient, power factor corrected, multistage charging capability. Installation is a breeze, thanks to the easy-access AC and DC wiring compartments. The easy-to-read display can be augmented with an optional remote panel. Model: TRUECharge2 10. Part nbr: 804-2410. Output voltage: 24V. Power Output: 10A.

LC8042410 $450.00

Xantrex I TRUECharge2 Battery Charger 40A 12V ...

Designed primarily for marine and commercial applications worldwide, TRUECharge2 battery chargers are unmatched for reliability. 12V output. Auto ranging AC input voltage capability (90V to 265V AC) makes traveling abroad and handling poor quality power a breeze. The easy to read display can be augmented with an optional remote panel. Microprocessor controlled, multistage charging algorithms. Settings for two and three stage charging. Settings for flooded, gel, AGM or lead calcium batteries. Auto ranging universal input voltage (90V to 265V AC, 47-63Hz) is also compatible with a generator or other low quality power sources. Temperature compensated charging. Power factor corrected for efficient charging. Battery equalization feature. Ability to charge dead batteries.

LC8041240 TRUECharge2 Battery Charger 40A 12V $522.00
LC8041260 TRUECharge2 Battery Charger 60A 12V $835.25

10, 20 & 30 Amp - 90-265 Vac / 47-63 Hz. AMP-IT-UP! NEW 24-Volt Universal Chargers. Building on the success of the TRUECharge2 12-volt battery chargers, Xantrex now offers 24-volt battery chargers designed to meet the specific needs of marine and commercial markets. Available in 10A, 20A and 30A versions, each model packs a powerful universal charger (90-240Vac, 47-63 Hz) in an ultra-compact, lightweight package. TRUECharge2 battery chargers are highly versatile and can be mounted in multiple positions, thanks to their inherent drip-free design characteristics. TRUECharge2 delivers outstanding low electrical interference, coupled with efficient, power factor corrected, multistage charging capability. Installation is a breeze, thanks to the easy-access AC and DC wiring compartments. The easy-to-read display can be augmented with an optional remote panel. Model: TRUECharge2 10. Part nbr: 804-2420. Output voltage: 24V. Power Output: 20A.

LC8042420 $550.00

GENERATORS

Honda I DC Charging Cord EU Series 10 ft

Charge any 12V automotive type battery with this convenient Honda generator accessory.

AH32650-892-010 $21.80

Honda I Inverter Generator EU2000i 2000W 110V

2000W (16.7A) of Honda inverter 120V AC power. Super quiet, 53 to 59 dB(A). Lightweight, less than 47lb. Eco throttle, runs up to 15 hours on 1 gallon of fuel. Advanced inverter technology provides reliable power to computers and other sensitive equipment. 12V 8.0A DC output. Parallel with another EU2000i for additional power. Protected by oil alert. Power for microwave, refrigerators, hair dryer, and small AC units. USDA-qualified spark arrestor/muffler.

AH02000 $1,595.00

Honda I Inverter Generator EU20i 2000W 240V

Delivering 2000 watts of portable power, the Honda EU20i generator is the ultimate leisure generator for the more demanding user. This tough and compact unit is powerful enough for all kinds of tasks where you don't have access to the mains whether you're abroad in the caravan or motor home, working at the end of the garden, entertaining outdoors or even to provide emergency back-up when there's the inevitable power cut. Honda's exclusive Inverter technology gives you unsurpassed power stability to run even the latest high tech electronics safely through the twin 230V outlets. And although the EU20i has enough capacity to power a microwave oven or several appliances simultaneously, its unique Eco Throttle means the EU20 is frugal too. At the flick of a switch this feature only runs the engine as fast as the load demands, enabling the EU20i to run for over ten hours on a single tank of fuel (1/4 load) , with minimal noise and fuel cost and maximum engine life. Power is passed through a special microprocessor which "smooths" the power output so computers and other sensitive electrical equipment can be run safely on this model. EU20i generator features Eco Throttle, this offers [...] more at islandwaterworld.com

INVERTERS

Sterling

Sterling Power I Remote Control for SIB Inverters w/10m Cable

Sterling Sine Wave Inverter remote control SWR, for use with Sterling Sine Wave Inverters.

ST00002 $36.85

Sterling Power I Pro Power Q Modsine Inverter 150W 12-230V

Pro Power Q are Sterling's range of quasi / modified sine wave inverters. Quasi sine wave inverters work with most electrical appliances, including: hair dryers, phone, computer chargers, microwaves, kettles etc. Exceptions to this are appliances which are thyristor controlled, for example, washing machines or bread makers. The new turbo can inverter can lie flat or fits in standard cup holders. weight 0.3Kg, 100 diam oval x 145L mm

ST12150 $59.49

Sterling Power I Pro Power Q Modsine Inverter 170W 24-230V

Sterling has invested in a new range of quasi-sine inverters because they are smaller, lower cost, offer better performance, are more efficient and more reliable than sine-wave. Sterling have always found the quasi-sinewave inverter more than adequate for general requirements in boats and vehicles. - Sterling have made a new range of DIGITAL quasi-sine inverters called the Pro Power Q. The idea behind this was to push forward this technology and bring in some new features. The most obvious change in this new inverter is its style, tough aluminum extrusion with great looking plastic end caps, euro and British sockets are on all this range ,enabling the unit to be compatible across Europe without problem. The new extrusion design has allowed Sterling to reduce the size of the 1000-2500 watt units by nearly 40%, but still offer their full power and even better performance over the previous models. Socket Type: Universal. Voltage DC: 24. Power (continuous) Watts: 170. Size L x W x D mm:65 dia 145. Weight Kg: 0.3. Part Number I24170T.

ST24170 $66.15

Sterling Power I Pro Power Q Modsine Inverter 200W 12-230V

Pro Power Q are Sterling's range of quasi / modified sine wave inverters. Quasi sine wave inverters work with most electrical appliances, including: hair dryers, phone, computer chargers, microwaves, kettles etc. Exceptions to this are appliances which are thyristor controlled, for example, washing machines or bread makers. The new turbo can inverter can lie flat or fits in standard cup holders. weight 0.3Kg, 65 diam x 145L mm

ST12170 $66.15

Sterling Power I Pro Power Q Modsine Inverter 350W 12-230V

Pro Power Q are Sterling's range of quasi / modified sine wave inverters. Quasi sine wave inverters work with most electrical appliances, including: hair dryers, phone, computer chargers, microwaves, kettles etc. Exceptions to this are appliances which are thyristor controlled, for example, washing machines or bread makers. Comes with 24Kt gold plated connectors. Includes remote control and 10 meters of cable. weight 1Kg, L150xW150xD65mm

ST12350 $94.15

Sterling Power I Pro Power Q Modsine Inverter 600W 12-230V

Sterling has invested in a new range of quasi-sine inverters because they are smaller, lower cost, offer better performance, are more efficient and more reliable than sine-wave. Sterling have always found the quasi-sinewave inverter more than adequate for general requirements in boats and vehicles. - Sterling have made a new range of DIGITAL quasi-sine inverters called the Pro Power Q. The idea behind this was to push forward this technology and bring in some new features. Quasi sine wave inverters work with most electrical appliances, including: hair dryers, phone, computer chargers, microwaves, kettles etc. Exceptions to this are appliances which are thyristor controlled, for example, washing machines or bread makers. Comes with 24Kt gold plated connectors. Includes remote control and 10 meters of cable. weight 4Kg, L300xW250xD100mm

ST121800 $399.95

Sterling Power I Pro Power Q Modsine Inverter 2700W 12-230V

Pro Power Q are Sterling's range of quasi / modified sine wave inverters. Quasi sine wave inverters work with most electrical appliances, including: hair dryers, phone, computer chargers, microwaves, kettles etc. Exceptions to this are appliances which are thyristor controlled, for example, washing machines or bread makers. Comes with 24Kt gold plated connectors. Includes remote control and 10 meters of cable. weight 5Kg, L370xW250xD100mm

ST122700 $712.95

Xantrex Prowatts

Xantrex I Remote Panel for Prowatt SW Inverter w/7.62m Cable

The Prowatt SW remote provides the convenience of a simple on/off remote function to the user. It also has an automatic ignition lockout feature to shut down the inverter's output when the vehicle's ignition or a 12 VDC enable is not engaged. A 25' remote cable is included with the remote panel. Part # 808-9001.

LC8089001 $27.50

Xantrex I Inverter, ProWatt SW 600w 12v/110v ...

The PROwatt SW series feature true sine wave AC output with 1000W and 2000W respectively. With high surge capability, the PROwatt SW series provide the necessary current to startup demanding electrical loads. In addition to dual GFCI AC receptacles, the PROwatt SW series include an innovative USB connection for providing power to most USB chargeable devices.

LC8061206	Inverter, ProWatt SW 600w 12v/110v	$299.00
LC8061210	PROWatt SW Inverter 1000W True Sine-Wave 12V-110V	$433.95
LC8061220	PROWatt SW Inverter 2000W True Sine Wave 12V-110V	$669.95

Xantrex I Inverter, ProWatt SW 700w 12v/230v ...

The PROwatt SW Series power inverters offer an affordable alternative to modified sine wave inverters. The PROwatt SW Series offers many safety features not found in similar inverters. When equipped with a remote control, the PROwatt SW Series has the ability to provide automatic ignition lockout shutting down the inverter's output when the vehicle's ignition is not engaged. The compact, easy-to-use and easy-to-install design of the PROwatt SW Series makes it ideal for use in commercial truck, RV and marine applications. With True Sine-Wave output, the PROwatt SW Series can provide power for all types of electrical loads including, variable speed power tools, advanced electrical appliances, microwaves and much more. The PROwatt SW provides household AC power anywhere. - Model:PROwatt SW 2000i. Part nbr: 806-1220-01. Voltage: 12V. AC output: SCHUKO.

LC806120601	Inverter, ProWatt SW 700w 12v/230v	$390.00
LC806122001	Inverter, ProWatt SW 2000w 12v/230v	$799.00

Xantrex I PROWatt SW1400i Inverter 1400W True Sine Wave 12V-230V

The PROwatt SW series inverters provide true sine wave AC power to operate most electronics including entertainment systems, variable speed power tools, appliances and much more. With high surge capability, the PROwatt SW provide the necessary current to startup demanding electrical loads. Built in digital display for DC volts and output power. Heavy duty terminals for trouble free battery connection. the PROwatt SW series include an innovative USB connection for providing power to most USB chargeable devices. 230V AC 50 Hz.

Xantrex I XPower Digital Micro 400 Inverter Porta ...

Designed to power electronics while on the go, new compact digital power inverters combine innovative industrial design with an advanced interactive LED display. Two AC receptacles for connecting multiple loads. Small Profile for easy storage. Digital LED instantly provides information on the amount of wattage an application is drawing, the amount of voltage remaining in the battery. Fault codes making troubleshooting easier. 320W continuous power with 640W surge. 120V AC 60 Hz.

LC8130400	XPower Digital Micro 400 Inverter Portable 400W Modified Sine Wave 12V	$64.95

Xantrex I Inverter, XPower 450w 12v/110v

Mobile power for RVs and boats. By plugging this versatile inverter into a 12-volt lighter socket or by connecting directly to the battery, you can turn your vehicle into a mobile office, or have power to run entertainment electronics. By plugging this versatile inverter into a 12-volt lighter socket or by connecting directly to the battery, you can turn your vehicle into a mobile office, or have power to run entertainment electronics like popular handheld games or TVs. In addition, Xantrex power inverters automatically sense low battery voltage so you never have to worry about a depleted battery. Ideal for damp and humid environments, the XPower 450 is specifically engineered to provide corrosion resistance and short-circuit protection. - Model: XPower 450. PartNbr: 851-0451. Voltage: 12V. AC Output: GFCI

LC8510451		$99.95

Xantrex I Inverter, Internation Series Modified Sine Wave, 12-220V 500W

Ideal for powering recreational, mobile office equipment and other electronic appliances, XPower Inverters convert 12 volts of DC battery power in your vehicle to 230 volts of AC power. Available in a range of sizes, the inverters can power a variety of electronic products including TVs, VCRs, fax machines, laptop computers, camcorders, stereos, small power tools and work lights. Choosing the right size of inverter for a particular application is important. For example, the XPower 150 Inverter can run a laptop for approximately 9 hours from a 75-amp hour battery; the XPower 300 can run a 49 cm TV for approximately 6 hours from a 75-amp hour battery. The exact run time depends on the amount of power being drawn by the application and the size and condition of the battery. The XPower Inverter 500 can be used instead of a generator for low power or intermitent loads. Model: XPower 500. PartNbr: 851-0512R. Voltage: 12V. AC Output: SCHUKO

Xantrex I XPower High Power Inverter 1000W Modifi ...

Portable power for AC products. 120V AC 60Hz. Two GFCI AC receptacles for connecting multiple loads. 5000W model: Four GFCI AC receptacles, each equipped with a 20A breaker. High surge capacity for products that require more power to start. High efficiency, converts virtually all the battery's available power to AC. Mounting brackets for convenient installation. Heavy duty stud connectors. Remote on/off switch included.

LC8131000	XPower High Power Inverter 1000W Modified Sine Wave w/Remote	$162.00
LC8133000	XPower High Power Inverter 3000W Modified Sine Wave w/Remote	$485.00

Xantrex I Inverter, XPower 1500w 12v/110v

These inverters provide AC power source onboard trucks, RVs and boats. Featuring high surge capability, they are ideal for users who may need to power multiple loads such as appliances, power tools and other onboard electronics at the same time. The NEW XPower Inverters 1000, 1500 and 3000 are certified to CSA standard C22.2 No. 107.1-01 and UL 458. - Mobile Power for Trucks, RVs and Boats. XPower Inverters connect easily to 12 volt batteries to provide AC power for a variety of medium to heavy duty applications. Designed for easy installation and operation, the XPower inverters provide a reliable source of power onboard trucks, RVs and boats to run home appliances, consumer electronics, entertainiment systems, power tools, office equipment and much more. They are also suitable for small contractors who need to operate handheld power tools from their van or pick-up truck. The powerful 5000-watt model has four GFCI oulets for multiple loads and an easy-to-read digital display for instant system information. All models meet the stringent UL458 regulatory requirements. Model: XPower 1500 Inverter. PartNbr: 813-1500-UL. Voltage: 12V. AC Output: GFCI

LC8131500		$220.00

Xantrex I Inverter, Pro XM1800 Modified Sine Wave, 1800W

Performance inverters designed for RVs and boats. UL 458 approved MSW Inverters with Transfer Switch and Hardwire Input. Designed for RV and marine electrical systems that already have a battery charger or generator installed, Xantrex PRO Inverters deliver modified sine wave power for small appliances, TVs, and other onboard electronics from a battery bank. The Xantrex PRO Series Power Inverters are the perfect complement to generators when shore power is unavailable, to quietly and efficiently provide household power when needed. The PRO Series design is both user friendly and versatile. These power inverters feature a detachable, digital remote control to display precise inverter, AC source and battery status information from one convenient location. A built-in transfer switch automatically detects when generator or shore power status changes to ensure power is always available. Both 1000 and 1800 W models are designed for demanding RV and marine conditions. They meet FCC Class B regulations to eliminate interference potential with other electronics, while UL 458 certification means they meet strict RV and marine safety standards. Versatile enough to be mounted either [...] more at islandwaterworld.com

AT011631 $30.10

Ancor | Single Contact Index Bulb 24 LED Vari Volt 360 Degree 10V/30V

Operating at much lower temperatures and lower energy requirements than conventional lighting sources, these bulbs are safe to use around flammable materials and where they could come into contact with a passersby. Ancor LED bulbs are shock and moisture resistant and there are no filaments to crack or shatter. Product features: Uses approximately a 10th of the current and is at least 50 times the life of comparable incandescent bulbs. Corrosion resistant nickel plated bases. Lower heat generation than comparable incandescent bulbs. Marinized construction for the harsh marine environment. System volts: 10V-30V range. Candle power: 2200MCD. Draw: 190mA. Life (hours): 50,000. Not for use in navigation fixtures.

AB529416 $43.90

Ancor | Single Contact Index Bulb 36 LED Vari Volt 360 Degree 10V/30V

Operating at much lower temperatures and lower energy requirements than conventional lighting sources, these bulbs are safe to use around flammable materials and where they could come into contact with a passersby. Ancor LED bulbs are shock and moisture resistant and there are no filaments to crack or shatter. Product features: Uses approximately a 10th of the current and is at least 50 times the life of comparable incandescent bulbs. Corrosion resistant nickel plated bases. Lower heat generation than comparable incandescent bulbs. Marinized construction for the harsh marine environment. System volts: 10V-30V range. Candle power: 2200MCD. Draw: 180mA. Life (hours): 50,000. Not for use in navigation fixtures.

Ancor | Axial Lead Bulb G4 27 LED White 90 Degree 12V

Operating at much lower temperatures and lower energy requirements than conventional lighting sources, these bulbs are safe to use around flammable materials and where they could come into contact with a passersby. Ancor LED bulbs are shock and moisture resistant and there are no filaments to crack or shatter. Product features: Uses approximately a 10th of the current and is at least 50 times the life of comparable incandescent bulbs. Corrosion resistant nickel plated bases. Lower heat generation than comparable incandescent bulbs. Marinized construction for the harsh marine environment. System volts: 12V range. Candle power: 2200MCD. Draw: 180mA. Life (hours): 50,000. Not for use in navigation fixtures.

AB529423 $32.10

Quick | LED Bulb G4 Daylight White 27 Side Pin 2.2W 12V

Zelig side entry LED replacement bulb. The LED bulb that provides the same light output as a 10W halogen bulb. Zelig can be used inside most of the downlights for boats, from 17 to 40mm recess, simply removing the reflector and installing it into the same lamp holder as the halogen bulb. Socket: G4. Operating voltage: 12V DC. Maximum power consumption 2.2W at 12V. LED protection: electronic. No polarity sensitivity. Color: daylight white.

QK90171 $32.25

Lamps, Bulbs / Bulb MR Halogen & LED / MR Halogen

Osculati | MR11 Bulb G4 Halogen Reflector White 20W 12V ...

Halogen bulbs with reflectors, MR8, MR11, MR16 are a coded designation in which MR stands for multifaceted reflector, and 16 is the number of eighths of an inch the front is in diameter. An MR16 is 2" (51 mm), an MR11 is 11/8" (35mm). MR halogen light bulbs are diameter reflector type light bulbs with 2 pins on their base. MR11 light bulbs are low voltage (between 6V and 24 volts) and have either a DC (BA15D) or G4 base (sometimes called a GZ4).

OC1492120 MR11 Bulb G4 Halogen Reflector White 20W 12V $9.70

Lamps, Bulbs / Bulb MR Halogen & LED / MR LED

Mast | MR11 Bulb G4 7 LED White 1.2W 12-30V

With the MR11 7 super bright chip LEDs replacement bulb, you can instantly replace all your halogen lights with LEDs. Using merely 1.2W, they provide a light output comparable with a 10W halogen light.

LD121212 $25.85

Aaa World Wide Enterprises | LED MR16 Bulb Warm W ...

This MR16 LED light bulb has extremely long lasting life and reliable performance. This MR16, 4W, 12V, 6000-6500K 4 LED high power, flat lamp spotlight LED light bulb, is much brighter than normal bulbs, utilizing four pieces of high power LEDs.

LED MR16 Bulb Warm White 4 LED 4W 12V
AT10164 $32.49

Lamps, Bulbs / Fluorescent Tubes

Ancor | Fluorescent Tube Lamp F8T5 8W 11.75" x 0.625" 13.5V 2/pk

Lamps are typically identified by a code such as F##T##, where F is for fluorescent, the first number indicates the power in watts (or where lamps can be operated at different power levels 12V and 24V, the length (L) in inches), the T indicates that the shape of the bulb is tubular, the last number is the diameter in eighths of an inch for US (sometimes in mm, rounded to the nearest millimeter for EU). Typical tube DIA are T12 or T38 (11/2" or 38.1mm) for residential bulbs with old magnetic ballasts, T8 or T26 (1" or 25.4mm) for commercial energy saving lamps with electronic ballasts, and T5 or T16 (5/8" or 15.875mm) for very small lamps, which may even operate from a battery powered device.

AB529402 $7.95

Lamps, Bulbs / Medium Screw Base

Plastimo | Replacement Bulb E10 Screw Base For MOB Light 2.9W 4.8V

Designed to fit the fixed, five battery, MOB light. The designation Exx refers to the diameter in millimeters, even in the U.S., where the bulb glass is listed in eighths of an inch. (for example, E5 has a diameter of 5 mm). There are four common sizes of screw-in sockets used for line-voltage lamps: candelabra: E12 North America. E11 in Europe. E17 North America. E14 (small ES) in Europe. Medium or standard: E26 (MES) in North America. E27 (ES) in Europe. Mogul: E39 North America. E40 (goliath ES) in Europe.

PL26320 $5.50

Dorcy | LED Bulb 30 Lumen 3V

The 30 Lumen, 3V LED replacement bulb is the perfect way to upgrade your old flashlights. This conversion bulb operates with any 2 cell, AA, C, or D, flashlight. This bulb is a 10 year bulb, and allows for 100,000 hours of use before any change is required. The 30 lumens of light output provides greater value and visibility to older flashlights.

DY01643 $6.95

Lamps, Bulbs / Other Bulbs / Wedge Base

Ancor | Wedge Bulb #906 0.69A 9.0W 12V 2/pk

A wedge base is a type of electrical connector used as a fitting for small light bulbs. It is similar to the bi-pin connector, except that the two "pins" are the same wires that extend into the bulb (rather than being rigid), and the wires are bent up onto the sides of the base, where they make contact with the socket. The wires are usually inserted into a plastic base that the bulb is mounted in, and which is often narrower at the tip than at the bulb, giving it a wedge shape. Usually ensuring a tight connection, depending on manufacturing tolerances. Some bulbs have no plastic base, and the wires are simply bent up to the sides of the bulb's glass base.

AB520906 $2.95

Ancor | Wedge Bulb LED 5W 20mA 12V

Operating at much lower temperatures and lower energy requirements than conventional lighting sources, these bulbs are safe to use around flammable materials and where they could come into contact with a passersby. Ancor LED bulbs are shock and moisture resistant and there are no filaments to crack or shatter. Product features: Uses approximately a 10th of the current and is at least 50 times the life of comparable incandescent bulbs. Corrosion resistant nickel plated bases. Lower heat generation than comparable incandescent bulbs. Marinized construction for the harsh marine environment. System volts: 12V 10.5V 15.8V range. Candle power: 4000MCD. Draw: 20mA. Life (hours): 50,000. Not for use in navigation fixtures.

AB529410 $6.60

Ancor | Wedge Bulb LED 12W 30mA 12V

Operating at much lower temperatures and lower energy requirements than conventional lighting sources, these bulbs are safe to use around flammable materials and where they could come into contact with a passersby. AB529411 $7.75

Lamps, Bulbs / Sealed Beams

Perko | Sealed Beam Unit Par 36/2 35W 12V 4.5"

Par sealed beams are used in outside lighting. The number beside Par is a measurement that describes the diameter of the par lamp or bulb. To figure out the diameter, divide the number next to par by eight. For example Par 36 = 36/8 = 4.5" diameter. Par 38 light bulb has diameter of 4.75". If you have a sealed beam of 5 1/2" diameter you have to look for a 5.5 x 8 = Par 44. Beam spreads are designated as FL (flood), SP (spot).

AB529374 $48.25

LED Strip Lighting

Seasense | Rotating Led Light 6"

LED fixture is the ideal solution for upgrading older fluorescent fixtures with the latest power saving technology. It's linear LED lighting delivers a wide angle of high luminous intensity bright white LED that rotates for focused light where needed. No more delicate fluorescent bulbs to change! It's good looks and rugged construction make it perfect for on board living (interior living spaces). Easy flip switch on the light. Easy mounting for boat or RV use. Screw covers conceal all mounting hardware.

DF23710 $19.75

Seamaster Marine | 7-LED IP68 Waterproof, White Light Strip 13cm/5" ...

Marine grade light built for the most extreme marine conditions. All SeaMaster Lights are wired with 22 gauge all tinned marine grade wire protected by two layers of durable PVC shielding. Ideal for under gunwale, indirect colored deck lighting. Also use for any below deck application such as storage, bilge and motor compartments to create highly practical general space lighting.

Navisafe | LED Navi Light 360 Degree Rescue Editi ...

This light is fitted with a glow in the dark circle around the switch. These unique glow pigments, glow for 8 hours after only 10 minutes of daylight. This and the emergency green color of the body, makes Navi light 360° rescue edition extremely easy to locate, day and night. 360° visibility, super bright LED light and a double magnetic system, integrated into a compact shape that fits easily in your pocket. The double magnetic system means the light attaches everywhere, on your clothes, on your boat, inside a tent, to your car everywhere you need light, and as a rescue light it will give the exact position with intense emergency blink.

NF00010 LED Navi Light 360 Degree Rescue Edition Portable Waterproof Flashing White $78.50

MARINE ALTERNATORS

D C Power Solutions | Alternator Stage One Premie ...

Stage one marine alternators are created by using the highest quality dualinternal fan series of Delco alternators parts. DC Power Solutions then wrap these parts with frames designed to fit the mounting platforms of today's marine engines. This includes one inch and two inch frame mounts, a two point PAD mount, a specific to Yanmar diesel 1.7" saddle mount and a 3.15" saddle mount. Proprietary internal D+ and field access board and termination studs are then added to the rear cover. This leap out of the marine alternator stone age allows the installer to make the choice of using the internal regulator, an external regulator of his choice or the combination use of both regulators, all without having to open up the alternator.

DC110011 Alternator Stage One Premier 1" or 2" Mount 1V Pulley 100A $628.95

Red reverse polarity indicating LED. All hot, neutral and safety ground buses installed, fully pre wired. All circuit label positions are backlit on standard panels, no kit required. 'ON' indicating LEDs installed in all circuit positions.

Traditional Panel AC w/AC Voltmeter, Main & 3 Positions 12V
BS08043 $368.45

BS08143 AC Panel Main & 3 Positions European 230V $341.15
BS08174 AC Panel Main & 8 Positions European 230V $509.35

Blue Sea I AC Panel Main plus 3 positions 2 Analogue Meters 120V AC

Red reverse polarity indicating LED. All hot, neutral and safety ground buses installed, fully pre-wired. All circuit label positions are backlit on standard panels - No kit required. "ON" indicating LEDs installed in all circuit positions.

BS08409 $411.75

Blue Sea I DC Panel w/Ammeters 5 Position 12V

Sleek modular design to compliment any system. Panel provides convenient control over equipment, supply circuits, with a total of 5 breaker positions of which 5 have 15A breakers installed. One 8-16V meter, one 0-50A meter with a 3 battery bank selector switch. LED circuit 'ON' indicators, set of 30 common labels. Size: 7.5" x 5 1/4".

BS08081 $489.95

Blue Sea I DC Panel 5 Position w/Disgital Meter 12V DC

All positive, negative and grounding buses installed, fully pre-wired. Panels with meters include toggle switch for mounting up to 3 battery banks. All panels with analog meters are owner upgradable to 24 Volts with 8240 or 8243 (18-32V DC meters). All circuit label positions are backlit on standard panels - No kit required. "ON" indicating LEDs installed in all circuit positions.

BS08401 $522.95

Meters / Ammeters

Primuswindpower | Amp Meter Kit for Silent -X & A ...

30 Amp Meter Kit is designed for the Air Breeze Marine, Air 40 & Air 30 Turbines. Durable construction - easy to install.

Amp Meter Kit for Silent -X & Air Breeze Wind Generators
SW41030 $52.95

Blue Sea | DC Analog Ammeter w/Shunt 0 To 25A ...

Simple 4 wire connection. Internal shunt. Backlit meter face (separate 12 or 24V DC backlight connections). Face width 2 1/2"x 2 3/4".

BS08005 DC Analog Ammeter w/Shunt 0 To 25A $58.25
BS08022 DC Analog Ammeter w/Shunt 0 To 50A $108.95

Blue Sea | AC Ammeter w/Coil 0 To 50A

Simple 2 wire connection. Meter senses and power from coil slipped over wire to be measured. Includes AC current transformer.

BS09630 $87.75

Meters / Battery Hydrometers

Deka | Battery Hydrometer

This float-type device is used to measure the concentration of sulfuric acid (specific gravity) of battery electrolyte ("battery acid"). From this reading you can easily and accurately determine a non sealed battery's state of charge.

A900874 $8.95

Meters / Battery Load Testers

Ez-red | Battery Load Tester BT104 125A

Test 6 and 12V batteries. This rugged unit is built to last. Features heavy duty insulated safety clamps with 300A jaws. Perform diagnostic tests: state of charge, battery load test, charging system test. Lightweight and easy to use. Pistol grip. Load: 125A.

A901100 $124.95

Meters / LED Indicator Lights

Blue Sea | LED Indicator Light Red 12/24V ...

Easy to install in any thickness of material, useful as general indicator and alarm lights.

BS08171 LED Indicator Light Red 12/24V $3.85
BS08172 LED Indicator Light Green 12/24V $3.85

Blue Sea | 250v Red LED Panel Light

LED - 230V AC Red. Easily installed in any Blue Sea Systems circuit breaker panel. Simple push-in installation mounts in any thickness material. Useful as general indicator and alarm lights.

BS08166 $3.85

Blue Sea | LED Indicator Light Amber 12/24V

Easy to install in any thickness of material, useful as general indicator and alarm lights.

BS08033 $3.89

Meters / Micro Series

Blue Sea | DC Micro Voltmeter 8 To 16V ...

Micro series meters. Compact 2" face.

BS08028 DC Micro Voltmeter 8 To 16V $55.85
BS08038 DC Micro Ammeter w/Shunt 0 To 15A $67.15
BS08041 DC Micro Ammeter w/Shunt 0 To 50A $119.95

Meters / Multimeters & Continuity

Sierra | Dual Voltage Circuit Tester

Dual bulb tester for both 6V and 12V circuits. Also can be used to check spark plug wires. This is the most commonly used tester for trouble shooting auto truck van and boat wiring. Supplied with ground wire and clip.

GS90400 $18.55

Sperry | Analogue Multitester 12 Range

Analogue, compact, lightweight design. AC/DC voltage. DC current. Accurate needle deflection. Uses one (1) AA battery.

AB06005 $29.30

Sperry | Continuity Tester Heavy Duty

Tests voltages from 80-480V AC/DC (4-range indication). Dual function voltage and continuity tester. Snap-in leads are spaced to fit standard outlet for "hands free" operation. Sta-Flex 36" cold weather leads. 4 Hi-Vis indicators. Integrated probe storage. Uses Two (2) LR44 batteries.

AB06207 $36.75

Sperry | Digital Multimeter 7 Function

This compact, lightweight meter features auto ranging capability that automatically determines the resolution based on the application. Reads AC V to 500V and DC V to 600V as well as resistance, diode testing, continuity, temperature (probe type), and battery testing. Impact resistant housing with protective rubber over mold. Auto off feature. Uses (2) AAA batteries.

AB006250 $59.15

Sterling Power I DC Clamp Meter 50/60Hz

DC Clamp meter plus multimeter

ST00003 $110.00

Sperry I Digital Multimeter Autorange 9 Function

Test lead input icons for correct lead placement. Industry leading LCD display size. Relative delta displays change in readings. Low impedance function to trace ghost voltage. Impact resistant housing with protective rubber boot. Uses one (1) 9 volt battery.

AB06450 $125.15

Meters / Volt Meters

Blue Sea I AC Voltmeter 0 To 250V AC

AC voltmeter analog face width 2 1/2" x 2 3/4".

BS09354 $52.85

Blue Sea I DC Analog Voltmeter 8 To 16V

Simple 4 wire connection. Meter senses powers from same connection. Backlit meter face (separate 12 or 24V DC backlight connections). Face width 2 1/2"x 2 3/4".

BS08003 $54.35

Bep Marine I Analogue Voltmeter 16-32v

Analogue Voltmeter 16-32v

AB01632 $55.95

Blue Sea I Digital Voltmeter Panel 7 To 60V

4 digit display. Voltmeter mounted in 0.125" aluminum 5052 alloy.

BS08051 $337.95

Remote Displays

Xantrex I Network Cable, 25' for Freedom SW/RS/MS Remote

25 feet Network Cable 809-0940. The Xantrex 809-0940 Xanbus 25ft Network Cable is used with Xanbus Enabled devices. - Xanbus Network Cable is required for connection between Freedom SW series inverter/chargers, System Control Panel, Automatic Generator Start module, Freedom Sequence, and other Xanbus Enabled devices. - Features: Xanbus enabled. Moded category 5 cable. RJ-45 connectors wired to T568A standard. Easy to install.

LC8090940 $29.75

Xantrex I Remote Panel TrueCharge2 808-8040-01

Xantrex Truecharge2 remote control, 3rd generation. The TRUECHARGE 2 Remote Panel is designed for use with TRUECHARGE 2 Battery Chargers. This full-function remote allows you to monitor and control battery charger performance from a remote location, including features not accessible from the charger's onboard display. The TRUECHARGE 2 Remote Panel reads like a fuel gauge and displays critical information on charging of battery banks. It is very easy to install, read and operate, connecting with the battery charger through the included telephone cable. Includes 25' cable and mounting template.

LC8088040 $99.75

Sterling Power I Remote Control For ProCharge Ultra w/10 m Cable

Now your battery charger can be controlled and monitored from the helm of your boat or the dash of your motorhome with the ProCharge Ultra remote. Check the real time voltage or current output on this optional remote control that can be either surface, recess, or flush mounted over 30ft away from the battery charger. Remote control option 110mm x 68mm x 20mm, Including 10m cable.

ST11000 $108.95

Xantrex I LinkLITE/PRO Connection Kit

This kit contains: 15m connection cable 3mm x 2mm x 0.5mm. Dual inline fuse holder with 1AT (slow) fuses and terminals. Single inline fuse holder with 1AT (slow) fuse and terminal. 3 x male 'bullet' crimp terminal. 2 x M3 fork crimp terminal. 1 x M8 ring crimp terminal.

LC8542021 $130.00

Xantrex I Control Panel, for Freedom SW Inverter/Charger

Use the System Control Panel for quick and comprehensive control of the Freedom SW Inverter/Charger. The Xanbus System Control Panel (SCP) features a graphical, backlit LCD screen that displays system configuration and diagnostic information in one central location. Large keypad buttons, an intuitive onscreen menu system, and plain text status messages make it easy to configure and operate. By providing basic controls for other devices connected to the network, the SCP reduces the complexity of separate control panels for each device. The SCP is Xanbus Enabled and easily connects to Freedom SW Inverter/Charger and other devices with off-the-shelf network cables, making installation quick and easy. Built-in flash memory makes the SCP's software upgradeable to take advantage of new features and system enhancements. - Product Features: Graphical 128x64 pixel LCD display. Large, tactile keys. Meets UL458 regulatory standards. Control and display of multiple networked devices. Xanbus Enabled. Dual thermostat input available to control up-to two air conditioners.

LC8090921 $255.00

Sterling Power I "ProRemote A", Remote Control fo ...

The latest software driven Power Management Panel is an extremely effective unit designed to monitor and display all the vital electrical information on an average boat. This enables important (potentially expensive) decisions to be made regarding faults and general on board D/C electrical power management. The information obtained also helps any third party engineer to identify problems. The new panel has a built in amp hour counter on one channel and, in total, enables 4 different amp readings, 4 different volt readings and one amp hour counter. The shunts of the system can be fitted in negative or positive cables (unlike most others). The counter counts the amps going into and out of the battery system. The amp hour counter and function set up are completely automatic and require no intervention from the user. The background light ensures perfect legibility in daylight, direct sunlight and at night.Comes with a list of labels for the panel front.

ST00200 "ProRemote A", Remote Control for ProReg-D & ProReg-DW 12/24V $272.95

Xantrex I LinkLITE Digital Battery Monitor

The LinkLITE battery monitor can measure currents up to 1,000A. It selectively displays voltage, charge and discharge current, consumed amphours and remaining battery capacity. It is equipped with an internal programmable alarm relay, to run a generator when needed or to turn off devices when the battery voltage exceeds programmable boundaries.

LC842030 $297.00

Xantrex I LinkPRO Digital Battery Monitor

The LinkPRO can measure currents up to 10,000A. It selectively displays voltage, charge and discharge current, consumed amphours, remaining battery capacity and the time remaining of your battery bank. It is equipped with an internal programmable alarm relay, to run a generator when needed or to turn off devices when the battery voltage exceeds programmable boundaries. Note: The LinkPRO battery monitor is the direct replacement of XBM battery monitor and has expanded features.

LC842031 $350.00

Blue Sea I VSM422 Vessel Systems Monitor

Three intuitive display modes. Flexible case design offers three mounting options. Fully programmable legends and adjustable alarm functions can be customized to fit every boat. Includes head unit, surface mount bezel, surface mount gasket, DC current shunt 8255, AC current transformer 8256, battery temperature sensor 1820, connectors, and mounting screws. Monitors DC systems voltage, amperage, battery state of charge, amp hours remaining, time remaining, % charge, battery temperature, alarms for all values. Monitors AC systems voltage, amperage, watts, frequency, alarms for voltage, amperage, and frequency. Monitors tank levels fuel, water, waste, alarms for high level waste, low level fuel, and water. Monitors bilge active, cycle count, and duration, alarms for cycles and duration.

BS01801 $450.00

Switch Panels

Aaa World Wide Enterprises I Switch Panel Black S ...

Bakelite plate with neoprene capped toggle switches. Preprinted labels included.

Switch Panel Black Splashproof 6 Switches Toggle 12V DC
AT10060 $39.95

Aaa World Wide Enterprises I Switch Panel White W ...

UL approved waterproof switches x 3 with LED indications. Circuit breakers 10A x 2, 5A x 1. Preprinted labels included.

Switch Panel White Waterproof 3 Switches LED Lights 12V DC
AT100131 $58.75

Aaa World Wide Enterprises I Switch Panel Black W ...

UL approved waterproof switches x 3 with LED indications. Circuit breakers 10A x 2, 5A x 1. Preprinted labels included.

Switch Panel Black Waterproof 3 Switches LED Lights 12V DC
AT10013 $58.75

Aaa World Wide Enterprises I Switch Panel 6 Rocke ...

Led rocker switch panel 6 gang auto fuses. Material: uv,abs,black. Voltage: 12 vdc.

Switch Panel 6 Rocker Switches w/Fuses & 23 Labels
AT10176 $67.95

Aaa World Wide Enterprises I Switch Panel 6 Toggles w/Fuses IP65

Splashproof switch panel. Material: abs panel. Voltage: 12 vdc. With led indication. Ul approved switches. Cabled & equipped with fuses.

AT10056 $89.95

Blue Sea I Gray 6-Position 12V WeatherDeck Waperproof Switch Panel

Many switch panels mounted on the dash or flybridge do not stand up to harsh marine environment. WeatherDeck« Switch Panels are waterproof and rated IP67 (for temporary immersion in water) and use materials that won't deteriorate in the harsh sun, salt, and water. Many small boats, which already have circuit protection and do not run at night, simply need a switch panel which is waterproof. The new WeatherDeck« Switch Panel has all the rugged features of the proven WeatherDeck« Panel family however does not have the added cost of backlighting and circuit protection. Integrated switch guards reduce the risk of accidental switching. Panels can be mounted in four different orientations Panel front rated IP67 when properly mounted with watertight mounting gasket. UV stabilized weather-resistant faceplate snaps on and off providing access to components and concealing mouting screws.

BS04307 $93.95

Aaa World Wide Enterprises I Switch Panel Black W ...

UL approved waterproof switches x 6 with LED indications. Circuit breakers 5A x 1, 10A x 3, 15A x 2. Size: 195mm x 130mm.

Switch Panel Black Waterproof 6 Switches w/1 Momentary Switch 12V DC
AT10016 $99.50

Aaa World Wide Enterprises I Switch Panel Black W ...

Waterproof switch panel with fuse holders and LED indicator bulbs. 30 preprinted labels included. 5 1/4" x 7 1/2" black aluminum plate. UL approved.

Switch Panel Black Waterproof 6 Switches LED Lights 12V DC
AT10067 $99.95

Jabsco I Switch Panel for 37045 Series Quiet-Flush Toilet

Jabsco switch panel.

J370472 $149.55

Waterproof Panels

Blue Sea I AC Panel Label Set Basic 30 Labels

30 common AC labels. Reinforced, weatherproof material. Used on Contura waterproof fuse panels, ST Glass fuse blocks and on all raised rocker and toggle circuit breaker panels.

BS08031 $12.10

Blue Sea I DC Panel Label Set Basic 30 Labels

30 common DC labels. Reinforced, weatherproof material. Used on Contura waterproof fuse panels, ST Glass fuse blocks and all raised rocker and toggle circuit breaker panels.

BS08030 $12.10

Aaa World Wide Enterprises I Switch Panel w/Fuses ...

Waterproof switch panel with usb charger. Material: aluminum panel, black. Waterproof switch with led indicator. Cabled with fuses + usb charger. Voltage: 12 vdc

Switch Panel w/Fuses 5 Switches + USB Charger IP65
AT10147 $84.90

Blue Sea I WeatherDeck Fuse Panel Waterproof 4 Postions Grey 12V ...

Rated IP67, temporary immersion for 30 minutes. Designed for flybridge and open cockpit applications. Independent label backlighting circuit for remote switching and dimming. Panel can be mounted in four different orientations. Integrated ATO/ATC fuse based circuit protection.

WeatherDeck Fuse Panel Waterproof 4 Postions Grey 12V
BS04304 $121.15

BS04306 WeatherDeck Fuse Panel Waterproof 6 Postions Grey 12V $170.35
BS04308 WeatherDeck Fuse Panel Waterproof 8 Postions Grey 12V $239.45

POSTS, FUSES & BLOCKS

Cable Connectors

Blue Sea I Mini Power Post 14" Stud

Connects high amperage cables securely. Stud dimensions: 1/4" x 3/4". Base material is PBT UL94 V0.

BS02011 $10.75

Blue Sea I Common Mini BusBar 5 Gang 100A

Great for limited space application.

BS02304 $15.35

Blue Sea I Power Post 3/8" Stud

Connects high amperage cables securely. Stud dimensions: 3/8" x 7/8". Base material is PBT UL94 V0.

BS02003 $16.10

Blue Sea I Power Post 5/16" Stud

Connects high amperage cables securely. Stud dimensions: 5/16" x 7/8". Base material is PBT UL94 V0.

BS02002 $16.10

Blue Sea I Power Post 1/4" Stud

Connects high amperage cables securely. Stud dimensions: 1/4" x 1-1/16". Base material is PBT UL94 V0.

BS02001 $16.15

Blue Sea I Dual Power Post 1 x 5/16" Stud & 1 x 3/8" Stud

Designed for outboard engine installation when factory cables need to be extended. Includes one black and one red insulator.

BS02018 $26.45

Blue Sea I Dual Power Post 2 x 5/16" Studs ...

Designed for connecting high amp conductors. Includes one black and one red insulator.

BS02016 Dual Power Post 2 x 5/16" Studs $26.45
BS02017 Dual Power Post 2 x 3/8" Studs $26.45

Blue Sea | Common BusBar 4 x 1/4 Studs 150A

Connects multiple amperage cables securely. Bus continuous amps. 48V DC maximum. 4 x 3/8" stud terminal.

BS02303 $26.65

Blue Sea | Power Post Plus 5/16" Stud

150A bus allows small wire connections at high amperage cable connections. Bus continuous amperage 300A, 48V DC maximum.

BS02102 $29.95

Blue Sea | DualBus Plus BusBar 1/4" Stud 5 Gang 150A

Combines negative and positive buses on one block. Clear polycarbonate cover snaps on to meet Coast Guard and ABYC insulation requirements.

BS02722 $34.95

Blue Sea | Power Bar BusBar 4 x 3/8" Studs 600A

Connects multiple amperage cables securely. Bus continuous amps. 48V DC maximum. 4 x 1/4". 16 stud terminal.

BS02104 $130.10

Fuse Blocks & Fuses

Blue Sea | ATO/ATC Fuse 40A

ATO / ATC Fuse - 40 Amp. Fast-acting type fuses ideal for electronic devices. Standard circuit protection device for automobiles and trucks. Tin-plated connector blades for corrosion resistance. Sold in packages of 2.

BS05246 $2.65

FUSE, ATM 20A MINI TO 32V

Blue Sea ATM fuse 20 Amp Mini. Color coded for easy amperage identification.

BS05723 $2.98

FUSE, ATM 15A MINI TO 32V

Blue Sea ATM fuse 15 Amp Mini. Color coded for easy amperage identification.

BS05272 $2.98

Blue Sea | FUSE, ATM 10A MINI TO 32V

Blue Sea ATM fuse 10 Amp. Color coded for easy amperage identification.

BS05271 $2.98

Blue Sea | ATM Fuse - 5 Amp

Blue Sea ATM fuse 5 Amp. Color coded for easy amperage identification.

BS05270 $2.98

Blue Sea | MAXI Fuse 30A ...

Economical. Tin plated connector blades for corrosion resistance. Visible indication of blown condition.

BS05138	MAXI Fuse 30A	$3.95
BS05139	MAXI Fuse 40A	$3.95
BS05140	MAXI Fuse 50A	$3.95
BS05141	MAXI Fuse 60A	$3.95
BS05143	MAXI Fuse 40A	$7.75

Blue Sea | 2-Pack AMI/MIDI 200A Fuse ...

AMI / MIDI Fuse - 200 Amp. Fast-acting type fuses ideal for electronic devices. Standard circuit protection device for automobiles and trucks. Tin-plated connector blades for corrosion resistance. Visible indication of blown condition. Sold in packages of 2.

BS05260	2-Pack AMI/MIDI 200A Fuse	$8.85
	Circuit Breaker Push Button Quick Connect 5A	
BS07052		$6.95
BS07053	7A Panel Mount Push Button Quick Connect Circuit Breaker	$6.95
BS07054	Circuit Breaker Push Button Quick Connect 10A	$6.95
BS07056	Circuit Breaker Push Button Quick Connect 15A	$6.95
BS07057	20A Quick Connect Series Circuit Breaker w/Black Push Button Reset	$6.95
BS07061	40A Panel Mount Push Button Quick Connect Circuit Breaker	$7.25
BS07216	25A Single Pole A-Series Circuit Breaker w/Black Toggle	$21.95
BS07224	40A Single Pole A-Series Circuit Breaker w/Black Toggle	$21.95
BS07226	40A Single Pole A-Series Circuit Breaker w/White Toggle	$21.25
BS07234	15A Double Pole A-Series Circuit Breaker w/Black Toggle	$48.95
BS07237	30A Double Pole A-Series Circuit Breaker w/Black Toggle	$48.95
BS07241	50A Double Pole A-Series Circuit Breaker w/Black Toggle	$48.95
BS07720	AMI/MIDI Safety Fuse Block 200A	$39.49

Blue Sea | 2-Pack AMI/MIDI 150A Fuse

AMI / MIDI Fuse - 150 Amp. Fast-acting type fuses ideal for electronic devices. Standard circuit protection device for automobiles and trucks. Tin-plated connector blades for corrosion resistance. Visible indication of blown condition. Sold in packages of 2.

BS05258 $8.85

Blue Sea | 2-Pack AMI/MIDI 50A Fuse

AMI / MIDI Fuse - 50 Amp. Fast-acting type fuses ideal for electronic devices. Standard circuit protection device for automobiles and trucks. Tin-plated connector blades for corrosion resistance. Visible indication of blown condition. Sold in packages of 2.

BS05252 $8.85

Blue Sea I Mega/AMG Fuse 224A ...

Most economical fuse for 100-300A circuit protection. For use with Blue Sea Systems MEGA ®/AMG ® fuse block.

BS05106	Mega/AMG Fuse 224A	$12.95
BS05107	Mega/AMG Fuse 250A	$12.95
BS05108	Mega/AMG Fuse 300A	$12.95

Sierra I Fuse Block Heavy Duty 20A 6 Gang

Heavy duty fuse blocks for 20A fuses. A common bus bar connects the hot side of the fuses for power feed. An independent bus bar for ground is also provided. Bus bar has 8-32 screw terminals, power/ground connections. 6 gang or rows.

GS40520 $18.45

Blue Sea I ANL Fuse 200A

ANL Fuse - 200 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05129 $23.05

Blue Sea I ANL Fuse 100A

ANL Fuse - 100 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05125 $23.05

Blue Sea I ANL Fuse 80A

ANL Fuse - 80 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05124 $23.10

Blue Sea I ANL Fuse 150A, Max 32v DC

ANL Fuse - 150 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05127 $24.25

Blue Sea I ANL Fuse 50A

ANL Fuse - 50 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05122 $24.50

Blue Sea I Ignition Protected ANL Fuse 300A

ANL Fuse - 300 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05133 $28.35

Blue Sea I ANL Fuse 400A

ANL Fuse - 400 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05136 $29.75

Blue Sea I ANL Fuse 250A

ANL Fuse - 250 Amp. Ignition protected (conforming to SAE J1171)- safe for installation aboard gasoline powered boats (35-500 Amp only). Silver-plated connector blades for corrosion resistance. Visible indication of blown condition. 6,000 Ampere Interrupt Capacity (AIC) satisfies ABYC requirements for main DC circuit protection on large battery banks. For use with Blue Sea Systems' ANL Fuse Blocks.

BS05131 $29.75

Blue Sea I ANL Fuse Block w/Insulating Cover 35-300A

ANL Fuse Block with Insulating Cover - 35 to 300A. Accepts 5/16" (M8) ring terminals. For use on systems up to 32 Volts DC. Swing out design allows replacement of the fuse without removing fasteners. Stainless steel studs provide resistance to corrosion and high torquing for excellent electrical contact. UL 94-V0 base resists high heat. Insert molded studs ensure secure fuse mounting. Insulating cover satisfies ABYC/USCG requirements. Cover breakouts allow wire access in any direction. Fuse sold separately.

BS05005 $32.15

Blue Sea I MAXI Fuse Block 30-80A

The most economical fuse block for 30-80A fusing. Snap on terminal cover insulates all conductive parts, satisfying ABYC/USCG requirements. Accepts wire sizes 18-4 AWG from sides or bottom. For use on systems up to 32V DC. Ring terminal screws compress fuse blades within blocks for extremely low resistance connections. Accepts MAXI fuses.

BS05006 $34.45

Blue Sea | ST Blade Battery Terminal Mount Fuse Block Kit, 4 Circuits

Easily add 4 fused circuits to the terminal of a battery. Provides power to new accessories in your boat or vehicle. Mounts on the battery terminal stud. Screw terminals for securing wires. Nylon insulated ring terminals included for each screw terminal. Accepts small format circuit labels. Insulating cover meets ABYC/USCG insulation requirements. Ignition Protectedûmeets ISO 8846 and SAE J1171 for use in a gasoline engine compartment. Includes a 4-circuit negative busbar. Includes write on labels. Includes four 16-14 AWG and four 12-10 AWG Nylon insulated ring terminals.

BS05024 $42.50

Blue Sea | ST Glass 6-Circuit Fuse Block w/Cover 30A per Circuit

ST Glass 6 Circuit Fuse Block with Cover. Innovative design allows for labeling, spare fuse storage, and easy fuse removal. Clear insulating cover with label recesses for accept Large Format Labels. Cover insulates all conductive parts, satisfying ABYC/USCG requirements and storing spare fuses. Tin-plated copper buses and Phosphor Bronze fuse clips give 30 Ampere rating per circuit. Accepts AGC (Fast Acting), MDL (Time-Delay) and all other 3AG Glass Fuses.

BS05018 $44.75

Blue Sea | ST Blade Fuse Block w/6 Independent Circuits & Cover

ST Blade Fuse Block - 6 Independent Circuits with Cover. Corrosion resistant, tin-plated copper fuse clips reduce heat and improve the efficiency of the electrical system. Clear insulating cover with label recesses accepts Small Format Labels. Spare fuse holder in cover. Accepts ring terminals. Includes two terminal block jumpers.

BS05035 $48.95

Blue Sea | Class T Fuse 300A, Max 160V DC

Class T Fuse - 300 Amp. Extremely fast short-circuit response. 20,000 Ampere Interrupt Capacity (AIC).

BS05119 $51.25

Blue Sea | ST Glass 6 Circuit Fuse Block w/Negative Bus & Cover 30A

Clear insulating cover with label recesses for accepting large format labels. Cover insulates all conductive parts, satisfying ABYC/USCG requirements and storing spare fuses. Tin plated copper buses and phosphor bronze fuse clips give 30A rating per circuit. Accepts AGC (fast acting), MDL (time delay) and all other 3AG glass fuses.

BS05015 $54.25

Marinco | ST Blade Compact Atc/Ato Fuse Blocks 8 Circuit

Provides surface mount circuit protection for ATO«/ATC« Fuses in a compact footprint. Ignition protected when cover is secure -meets ISO 8846 and SAE J1171 for use in a gasoline engine compartment. Single side design allows wire entry from one side to minimize footprint. Insulating cover meets ABYC/USCG insulation requirements. Tin-plated copper buses and fuse clips. Accepts ring or snap fork type terminals. Includes 8 write-on circuit labels. Fuses sold separately.

BS05046 $57.95

Blue Sea | 35-750A ANL Fuse Block w/Insulation Cover

ANL Fuse Block with Insulating Cover - 35 to 750A. Cover included. Accepts 5/16" (M8) ring terminals. For use on systems up to 32 Volts DC. Swing out design allows replacement of the fuse without removing fasteners. Stainless steel studs provide resistance to corrosion and high torquing for excellent electrical contact. UL 94-V0 base resists high heat. Insert molded studs ensure secure fuse mounting. Insulating cover satisfies ABYC/USCG requirements. Cover breakouts allow wire access in any direction.

BS05503 $63.55

Blue Sea | ST Blade 6 Circuit Fuse Block w/Negative Bus & Cover 30A

Positive distribution bus with #10-32 stud. Can be used for 24 hour circuits. Fuse blocks with covers include 20 write on circuit labels. Tin plated copper buses and fuse clips. Accepts ring or spade type terminals. Accepts ATO and ATC fast acting blade fuses. Fuses sold separately.

BS05025 $68.45

Blue Sea | ST Blade Fuse Block - 12 Circuits w/Negative Bus & Cover

Consolidates branch circuits and in-line fuses. Positive distribution bus with #10-32 stud. Can be used for 24-hour circuits. -

BS05026 $71.35

Fuse Holders

Ancor | ATO/ATC Fuse Holder In Line 15A 14 AWG

Heavy duty, in line fuse holders with gauge of wire matched to circuit amperage. Uses ATO/ATC blade style fuses. 15A 14 AWG.

AB607022 $5.05

Seachoice | Glass Fuse Holder Panel Mount Round 20A 32V DC

A panel mount fuse holder with bayonet type knob, spring loaded and vibration resistant that can be used in panels up to 5/16" thick. Use 1/4" x 1 1/4" glass tube fuses.

L001260 $6.10

Seachoice | In Line Fuse Holder 30A #12 AWG

In line heavy duty fuse holder. Includes 30A fuse with 4 1/2" 12 gauge orange wire leads.

L001265 $6.75

Sierra | In Line Fuse Holder 20A #14 AWG

In line red plastic fuse holder. Includes 14A fuse with 14 gauge wire.

GS45360 $6.75

Aaa World Wide Enterprises I Glass Fuse Holder w/ ...

Fuse not included. 20A. 32V DC. Has 1 x LED indicator that indicates when fuse is burned. -

Glass Fuse Holder w/LED Indicator 20A 32V DC
AT10516 $6.95

Ancor I AGC Fuse Holder Waterproof In Line 30A 12-18 AWG ...

In line waterproof fuse holder. Glass filled nylon base for durability. Compact design.

AGC Fuse Holder Waterproof In Line 30A 12-18 AWG
AB607013 $8.25
In Line Fuse Holder Waterproof 304.8mm Wire
AT11515 $4.95

Sierra I In Line Fuse Holder Weatherproof

Weatherproof fuse holder. Unique construction provides the best waterproof resistance available.

GS45440 $9.45

Insulators / Copper Strap

Newmar I Copper Strap GS-2-100 2" (5.1 cm) ...

Ideal conductor for RF grounding SSB radios, and other noise sensitive transceivers or bonding of thru hulls. Flexible, easily conforms to vessel contours. Thickness .01" (25 mm). Sold per foot.

NM01002 Copper Strap GS-2-100 2" (5.1 cm) $5.40
NM01104 Copper Strap GS-4-100 4" (10.2 cm) $8.98

Insulators / Ground Shoes

Newmar I Ground Shoes 8A Copper ...

Provide an excellent noise free RF ground by making direct contact with water outside hull. Porous copper construction magnifies contact area. Silicone bronze hardware provided. Not intended as lightning protection.

NM00020 Ground Shoes 8A Copper $179.50
NM00030 Ground Shoes 12C Copper $195.49

Terminal Blocks

Pacer I Terminal Block Jumper 30A Ring Terminal Style

Terminal block jumpers are constructed of nickel plated brass. Ring terminal style for positive retention in high vibration areas.

PA00130 $0.45

Blue Sea I 30A 2 Circuit Terminal Block ...

Closed back design completely insulates power from the mounting surface. Each screw pair is one isolated circuit. Jumpers allow creation of common circuits.

BS02502 30A 2 Circuit Terminal Block $5.25
BS02504 30A 4 Circuit Terminal Block $6.45
BS02506 30A 6 Circuit Terminal Block $8.95
BS02508 30A 8 Circuit Terminal Block $10.39
BS02510 30A 10 Circuit Terminal Block $11.85

Blue Sea I 30A Terminal Block Jumper 5/pk

Jumpers allow creation of common circuits on independent connectors. Fits 30 Ampere terminal blocks (2500 Series). 5 in Retail Pack.

BS09217 $5.30

Pacer I Terminal Block 30A 3 Gang (Rows) ...

Flat mount terminal blocks composed of general purpose, phenolic with nickel-plated brass hardware for maximum life span in marine environments. Triangular base design and solid sealed back provide added stability and corrosion resistance from moisture under the block.

PA00103 Terminal Block 30A 3 Gang (Rows) $8.25
PA00106 Terminal Block 30A 6 Gang (Rows) $9.05
PA00108 Terminal Block 30A 8 Gang (Rows) $10.35
PA00112 Terminal Block 30A 12 Gang (Rows) $12.95

Sierra I Terminal Block 4 Gang ...

Black molded base with two solid brass bus bars. Brass screw terminals.

GS40670 Terminal Block 4 Gang $12.25
GS40680 Terminal Block 6 Gang $17.50

Aaa World Wide Enterprises I Junction Box Waterpr ...

Waterproof connection box Bakelite. Two terminal strips with four conductors. 5" x 3" x 1 3/4".

Junction Box Waterproof 2 Terminals w/4 Conductors
AT10094 $15.49

Blue Sea I 10 Gang Bus Bar w/ Common Bus

Common 150A BusBar - 10 Gang. The industry standard busbar for positive distribution. The industry standard busbar for the collection of negative or AC ground circuits.

BS02301 $20.50

Aaa World Wide Enterprises I Terminal Block 10 Ga ...

Brass terminal blocks.

Terminal Block 10 Gang (Rows) w/Brass Bolts
AT11585 $21.95
Terminal Block 20 Gang (Rows) w/Brass Bolts
AT11587 $36.95

Aaa World Wide Enterprises I Junction Box Waterpr ...

Waterproof connection box Bakelite. Two terminal strips with eight conductors. 5 1/2" x 4" x 2 1/8".

Junction Box Waterproof 2 Terminals w/8 Conductors
AT10095 $23.95

REGULATORS & REDUCERS

Regulators

Sterling Power I 12V >500a Pro Pulse Battery De-S ...

The Pro Pulse is designed to connect to a 12V battery bank. This unit reverse feeds a small electrical pulse back into the battery which prevents and also reverses sulphation on the battery plates. By keeping the plates clean and free from sulphation the battery stays fresh and responsive to charging and discharging. If you have been replacing batteries because they are not holding their charge then in most cases the battery is, in fact, in good condition except the plates are sulphated. Sulphation acts like a waterproof coating over the plates preventing the plate area effected being active and contributing to reduction in the battery cell performance. The solution is to remove this sulphation and expose the plate to the battery process again. The Pro Pulse should be fitted to any battery bank to ensure that sulphation is not only prevented but also reversed and so prolong the life and performance of the battery bank. This device is not required if you have a Pro Digital battery charger or any other advanced Sterling charging product connected to your batteries as they have a de-sulphation cycle built into their software program. This is not a battery charger and it cannot [...] more at islandwaterworld.com

ST12500 12V >500a Pro Pulse Battery De-Sulphation & Maintenance Device $112.50

D C Power Solutions I Smart Charge One Regulator ...

Unlike any other advanced regulator on the market today it has an 'engine restart' function that limits the absorption time to ten minutes. Another function is the 'Force to Float' function where the operator can fully eliminate the absorption phase if not wanted. This input is especially handy for the Lithium user that has a BMS signal to end the high voltage charge of a Lithium bank or for the astute engineer that knows excessive absorption charging is not necessarily a good thing.

DC90202 Smart Charge One Regulator w/Force To Float Button & LED Display $242.95

Sterling Power I ProReg-D Advanced Alternator Reg ...

Four step battery charging profile extends the life of your batteries by fully charging and conditioning your batteries, as well as entering a float mode when charging is complete to protect against overcharging your batteries. Advanced 4 step charging algorithm provides a charging rate that recovers your batteries up to five times faster than from a standard alternator. 12V or 24V capability from the Pro Reg-D advanced alternator regulator. Unlike other advanced regulator packages on the market these advanced regulators will work with your existing engine alternator. When installed in conjunction with our ProSplit-R Zero drop battery isolator product line, you can provide advanced 4 step to all of your battery banks from your alternator, without the risk of any one of your battery banks discharging the others. Four different battery charging profiles are selectable: Open lead acid, closed lead acid, AGM and GEL. Will work with 12V system and positive or negative field inputs. Includes a battery temperature sensor to provide battery temperature compensation.

ST01224 ProReg-D Advanced Alternator Regulator 4 Step Charging 24/12V $247.50

Sterling Power I ProReg BW Alternator Regulator W ...

Waterproof IP67, alternator regulator for alternator size up to 100A. Does not rust and can be hosed down in the engine bay. Turns alternator into a 4 stage regulated battery charger. 9 preset battery chemistries including desulphation/equalization cycles.

ProReg BW Alternator Regulator Waterproof IP67 4 Step 100A 24/12V
ST12240 $275.25

Balmar I Digital 12V Regulator MC-614-H

The MC-614-H premium 12v multistage voltage regulator provides the ultimate in charging safety and control. Selectable preset programs for standard and deep-cycle flooded, gel, AGM, spiral wound (Optima) batteries, as well as systems requiring voltage sensitivity for halogen fixtures. Can be used to control dual alternators on a single engine, or on twin engines when used with the Centerfielder. Intelligent multi-stage regulation. Digital numeric LED display. Epoxy encapsulated circuitry. 12 volt. Includes 54" wiring harness. For use with P-type externally regulated alternators. Dash lamp and auxiliary lamp terminals. Small engine mode. Magnetic programming tool included.

P12032983 $449.95

Voltage Converters

Dometic I Voltage Converter 8006-DC24 6A 24V To 12V

This is an inexpensive, super compact voltage converter in switch mode design for operation of 12V, 6A appliances on a 24V battery.

WA00806 $92.50

Dometic I Voltage Converter 8012-DC24 12A 24V To 12V

This is an inexpensive, super compact voltage converter in switch mode design for operation of 12V, 12A appliances on a 24V battery.

WA00812 $121.49

Voltage Reducers

Quick I VRS16 Voltage Reducer 16A 24V/12V

The Quick ® VRS is a switching voltage reducer used to guarantee electrical separation of the 12 and 24V electrical systems. Important advantages of this unit are the electrical insulation between the input and output and low residual output fluctuation (ripple lower than 50mV RMS). Additional safety features include protections against short circuits, output overvoltage, and reverse output polarity. This unit is sold complete with the voltage reducer and product sheet.

QK00016 $125.40

SWITCHES, SHUNTS & PLUGS

Alternator Splitters

Sterling Power I Pro Split-R Xero Voltage Drop Is ...

ProSplit is an advanced split charge management device, developed specifically to deal with the complex nature of modern multi battery systems in boats and vehicles. For single or dual alternator input to two, three or four battery bank installations. Complex software analyses every perceivable condition to ensure charging priorities are managed exactly as you want, with specific focus on preserving charge in the engine start battery. Each input and output terminal is independently monitored to establish status before deciding where charge will be delivered and to prevent discharge from one battery to another.

ST00122 Pro Split-R Xero Voltage Drop Isolator Digital System 2 x 120A 12 V $192.25
ST00123 Pro Split-R Xero Voltage Drop Isolator Digital System 3 x 120A 12 V $206.55
ST00134 Pro Split-R Xero Voltage Drop Isolator Digital System 2 x 130A 12 V $368.55
ST00182 Pro Split-R Xero Voltage Drop Isolator Digital System 2 x 180A 12 V $221.75

Battery Isolators

Cole Hersee I Battery Isolator 90A

For 12-36V DC negative ground, electrical systems. Isolate each battery to prevent the battery with higher charge from draining into lower. Allow two batteries to be charged simultaneously from a single power source. Contains solid state, circuitry. Installation and wiring instructions included. 90A maximum alternator, 90A rating per leg, 2 legs. Three 1/4" stud terminals. 6 1/2" x 3 1/4" x 2 13/16".

DR48090 $102.50

Bep Marine I Digital Voltage Sensing Relay (DSVR) 12/24V

The DVSR (Digital Voltage Sensing Relay) allows charging of two independent battery banks from a single charging source. When the voltage on the start battery rises to a charged level, the DVSR engages allowing the 2nd battery to charge. When charging stops and voltage falls, the DVSR will disengage, isolating the two batteries from each other. Dual sensing functionality enables the sensing of two battery banks, allowing two way charging.

BP710140 $122.95

Cole Hersee I Battery Isolator 200A

For 12-36V DC negative ground, electrical systems. Isolate each battery to prevent the battery with higher charge from draining into lower. Allow two batteries to be charged simultaneously from a single power source. Contains solid state, circuitry. Installation and wiring instructions included. 200A maximum alternator, 200A rating per leg, 2 legs. Three 15/16" stud terminals. 8 1/2" x 3/16" x 3 13/32".

DR48160 $215.55

Battery Selectors

Hella I Spare Key For Battery Switch

Replacement key for Hella ® battery master switches.

HM87185 $7.50

Aaa World Wide Enterprises I Mini Battery Switch ...

Rated 250A continuous duty at 12V and 350A intermittent. 2 5/8" x 2 5/8".

Mini Battery Switch w/Removable Key Ignaition Protected Flush Mount 12V
AT10093 $28.35

Hella I Battery Switch Master 50A

Positive or negative cable can be switched off as required. Key can be removed in off position, current interrupted.

HM87181 $29.75

Bep Marine I Mini Battery Disconnect Switch

This switch offers a number of unique features, the highlight being the patented contour locking system, allowing it to be a stand alone unit, or locked together with other switches. The control knob can be removed by switching to an counterclockwise 45° position. This control knob also features an interchangeable labeling system allowing a full range of applications. Three removable side plates provide access of up to 1/0 cables. The rear cover insulating the rear terminals against any short circuits. This ensures that the switch meets ABYC requirements. Battery switch test procedures (UL 1107) continuous (1 hour), intermittent (5 minutes) and cranking (engine starting - 10 seconds). The test is to determine the maximum current the switch can handle for the stated time, without the rear terminals exceeding 100°C (212°F) above the ambient temperature. The continuous and intermittent ratings are tested at 110% of specified ratings. All BEP switches are tested Independently to this specification by a 3rd party laboratory.

BP00701 $33.75

Blue Sea I Mini Battery On OFF Switch w/Key m-Series Red

Vapor proof/ignition protected. Case design allows surface or flush mounting. Key is removable, yet positively retained at all times. 300A continuous.

BS09005 $40.75

Osculati I Battery On Off Switch w/Splashproof Key 100A

Master battery switch with watertight rubber cap and splashproof key. 1000A maximum capacity for 5 seconds and 100A maximum capacity continuous.

OC1438603 $42.25

Osculati I Battery On Off Switch Heavy Duty w/Splashproof Key 280A

Maybe fitted to either positive or negative circuit. Excellent anti theft device. 2500A maximum capacity for 5 seconds and 280A maximum capacity continuous.

OC1438500 $42.25

Blue Sea I Mini On Off Battery Switch w/Knob m-Series Red

Ignition protected, safe for installation aboard gasoline powered boats. Case design allows surface, front panel, or rear panel mounting. Isolating cover with snap on sections protects rear contacts.

BS06006 $46.55

Bep Marine I Mini Battery Selector Switch Four Position

The 701S is the most compact selector switch available on the market. While BEP recommends isolated battery systems as outlined with their distribution clusters, the 701S provides a simple economical way of separating two batteries. Battery switch test procedures (UL 1107) continuous (1 hour), intermittent (5 minutes) and cranking (engine starting - 10 seconds). The test is to determine the maximum current the switch can handle for the stated time, without the rear terminals exceeding 100°C (212°F) above the ambient temperature. The continuous and intermittent ratings are tested at 110% of specified ratings. All BEP switches are tested Independently to this specification by a 3rd party laboratory.

BP00711 $47.75

Blue Sea | Mini Battery Selector Switch m-Series Red

Switches isolated battery banks to all loads or combines battery banks to all loads. Make before break contact design allows switching between battery banks without power interruption.

BS06007 $54.49

Blue Sea | Battery On Off Switch e-Series

Switches a single battery to a single load group. Ignition protected safe for installation aboard gasoline powered boats. Case design allows surface or rear panel mounting

BS09003 $56.65

Blue Sea | Battery Selector Switch e-Series

Switches isolated battery banks to all loads or combines battery banks to all loads. Make before break contact design allows switching between battery banks without power interruption. Ignition protected safe for installation aboard gasoline powered boats. Case design allows surface or rear panel mounting.

BS09001 $63.95

Blue Sea | Battery Selector Switch w/AFD e-Series

Switches isolated battery banks to all loads or combines battery banks to all loads. Includes AFD (Alternator Field Disconnect). Make before break contact design allows switching between battery banks without power interruption. Ignition protected safe for installation aboard gasoline powered boats. Case design allows surface or rear panel mounting.

BS09002 $66.95

Aaa World Wide Enterprises | Battery Switch ABS 175A 12V

Rated 175A continuous duty at 12V and 300A intermittent. 5 1/4" x 5 1/4".

AT10005 $72.95

Bep Marine | Battery Selector Switch Heavy Duty Four Position

This battery selector switch is a heavy duty selector switch. Housed in the same module as the 720, it includes the same removable plates and back cover. While BEP Marine recommends isolated battery systems as outlined with our distribution clusters, the 721 offers a simple economical way of separating two batteries. Please note selector switches will not separate electronics from harmful engine starting spikes.

BP00721 $77.50

Blue Sea | Mini Dual Circuit Plus Battery Switch m-Series Red

Simultaneously switches two isolated battery banks or combines battery banks to all loads. Make before break contact design allows switching between battery banks without power interruption.

BS06011 $77.75

Perko | Battery Disconnect Switch Medium Duty

Offered as a main disconnect switch only. Ignition protected.

PK96011 $80.75

Blue Sea | Battery On Off Switch w/AFD e-Series

Switches a single battery to a single load group. Includes AFD (Alternator Field Disconnect). Ignition protected safe for installation aboard gasoline powered boats. Case design allows surface or rear panel mounting.

BS09004 $83.75

Perko | Battery Selector Switch Medium Duty

Switches for use with systems under 50V. 250A continuous capacity, 360A intermittent. Ignition protected for use with two or more batteries and single or dual engine systems. Allows for alternate battery charging or both batteries in parallel. Off also acts as emergency disconnect in the event of an electrical problem.

PK85012 $83.95

Perko | Battery Selector Switch Medium Duty w/Alt ...

Switches for use with systems under 50V. 250A continuous capacity, 360A intermittent. Ignition protected for use with two or more batteries and single or dual engine systems. Allows for alternate battery charging or both batteries in parallel. Off also acts as emergency disconnect in the event of an electrical problem. In addition to the standard features listed above the advantage to this model is that it will prevent damage to the alternator if accidently switched off while the engine is running.

PK85032 Battery Selector Switch Medium Duty w/Alternator Field Disconnect $100.95

Blue Sea | Battery On Off Switch Heavy Duty Series

Switches a single battery to a single load group. Ignition protected, safe for installation aboard gasoline powered boats. Case design allows surface or rear panel mounting. Accepts two 4/0 AWG battery cables.

BS03000 $116.49

Blue Sea | Battery Selector Switch Heavy Duty Series

Switches isolated battery banks to all loads or combines battery banks to all loads. Make before break contact design allows switching between battery banks without power interruption. Ignition protected safe for installation aboard gasoline powered boats. Case design allows surface or rear panel mounting. Accepts two 4/0 AWG battery cables.

BS03002 $121.15

Blue Sea | SI-ACR Automatic Charging Relay 120A 12/24V DC

Protects sensitive electronics by temporary isolation of house loads from engine circuit during engine cranking. Designed for 12V or 24V systems. 12/24V auto ranging voltage input. Hermetically sealed contacts/vapor proof. Waterproof rated IP67, temporary immersion for 30 minutes. Ignition protected safe for installation aboard gasoline powered boats. Remote LED output indicates relay state away from ACR. Supports high output alternators up to 120A. Dual sensing.

BS07610 $133.65

Bep Marine I Battery Switch Cluster Dual Engine w/Two Battery Banks

This cluster allows you to switch the house loads between port and starboard batteries. You can also use the selector switch to parallel the batteries.

BP00715 $139.90

Osculati I Battery Selector Switch w/AFD Heavy Duty 380A

Copper contacts, stainless steel springs, polycarbonate body and fitted with automatic field disconnect on the alternator if the battery isolator activates before turning off the engine. Well suited to diesel engines which, due to large starters, require heavy amperage. "CE" type tested in compliance with 94/25/CE standards.

OC1490500 $155.25

Bep Marine I Battery Selector Switch Single Engine Module w/Dual VSR

Battery Distribution Cluster for Single Engine with Two Battery Banks. The 714-140A-DVSR uses a dual sensing DVSR (710-140A). This system ensures that you will always have a fully charged reserve battery. When the switch is in position one, battery one becomes the sensing battery for the VSR. Battery two, which is in isolation, is charged through the VSR when the engine is running to ensure that it is always fully charged. When the switch is in position two, battery two becomes the sensing battery and battery one is charged through the VSR. The fact that there is always a fully charged battery in reserve is a huge safety benefit.

BP007141 $191.50

Bep Marine I Horizontal Battery Distribution Clus ...

BEP horizontal battery switch cluster with digital VSR - single engine with two battery banks.

Horizontal Battery Distribution Cluster, 1 Engine 2 Banks up to 150A
BP007161 $224.25

Blue Sea I Remote Battery Switch w/Manual Control, 500A 12V

500 Amp magnetic latching switch provides high amperage switching under load, manually or from remote locations. Manual override knob provides an added level of safety allowing control with or without power and offering LOCKED OFF capability for servicing. LED output to remotely indicate switch state - requires optional LED. 3? 8"-16 tin-plated copper studs for maximum conductivity and corrosion resistance. 7? 8" (22 mm) stud length accepts multiple cable terminals. Label recesses for circuit identification. Silver alloy contacts provide high reliability for switching live loads.

BS07700 $288.95

Blocking Diodes

Sterling Power I Prosplit D Battery Isolator Split Charge Two Bank 90A ...

Most off the shelf battery isolators use diodes designed to be used in the alternator itself where air movement is used to keep them cool. Unfortunately battery isolators don't have forced air cooling. A Sterling battery isolator uses diodes that have been designed for the battery isolator to have a lower voltage drop, thus less heat loss than the common off the shelf battery isolator. These battery isolators are available in two or three output configurations sized at 70A, 90A, 130A, 160A and 200A.

ST00902 Prosplit D Battery Isolator Split Charge Two Bank 90A $68.85
ST00903 Prosplit D Battery Isolator Split Charge Three Bank 90A $95.15
ST01302 Prosplit D Battery Isolator Split Charge Two Bank 130A $95.15
ST01303 Prosplit D Battery Isolator Split Charge Three Bank 130A $104.95

Circuit Breakers

Blue Sea I Circuit Breaker A Series Black Toggle Single Pole 50A ...

Toggle type circuit breakers. The industry standard circuit breaker for Blue Sea Systems electrical panels. Combines switching and circuit protection into a single device. 'Trip free' design cannot be held 'ON' during fault current condition.

Circuit Breaker A Series Black Toggle Single Pole 50A
GS40190 $21.95
GS40192 Circuit Breaker A Series White Toggle Single Pole 50A $21.95
GS40200 Circuit Breaker A Series Black Toggle Single Pole 5A $21.95
GS40202 Circuit Breaker A Series White Toggle Single Pole 5A $21.95
GS40220 Circuit Breaker A Series Black Toggle Single Pole 10A $21.25
GS40222 Circuit Breaker A Series White Toggle Single Pole 10A $21.25
GS40230 Circuit Breaker A Series Black Toggle Single Pole 15A $21.95
GS40232 Circuit Breaker A Series White Toggle Single Pole 15A $21.95
GS40240 Circuit Breaker A Series Black Toggle Single Pole 20A $21.25
GS40242 Circuit Breaker A Series White Toggle Single Pole 20A $21.95
GS40245 Circuit Breaker A Series Black Toggle Single Pole 30A $21.25
GS40246 Circuit Breaker A Series White Toggle Single Pole 30A $21.25

Blue Sea I A-Series Single Blank Mounting Panel

A-Series Single Blank Mounting Panel. Mounts A-Series Single Pole Toggle Circuit Breakers. Slate gray matches standard panel color. 1/8" aluminum 5052 alloy. Accepts Blue Sea Systems" Large Format Panel label.

BS08072 $25.35

Blue Sea I Circuit Breaker A Series White Toggle Double Pole 30A

Meets American Boat and Yacht Council (ABYC) standards. UL 1077 recognized, TUV certified, CE marked for Europe and CSA certified for Canada. The industry standard circuit breaker for Blue Sea Systems electrical panels. Combines switching and circuit protection into a single device. Used as AC main circuit protection. 'trip free' design cannot be held 'ON' during fault current condition.

BS07238 $46.75

Blue Sea I 100A "Trip Free" CA1 Circuit Breaker w/Red Toggle

Circuit Breaker CA1 100A Red IP. Provides overcurrent protection for inverters, bow thrusters, and windlasses. Combines switching and circuit protection into a single device. "Trip Free"-cannot be held closed after trip.

BS072501 $54.35

Blue Sea I 100A Single Pole C-Series Circuit Breaker w/White Toggle

C-Series White Toggle Circuit Breaker - Single Pole 100 Amp. Provides overcurrent protection for inverters, bow thrusters, and windlasses. Combines switching and circuit protection into a single device. "Trip Free"-cannot be held closed after trip.

BS07250 $54.55

Blue Sea I Surface Mount Circuit Breaker Bus 285-Series 150A

285-Series Circuit Breaker - Surface Mount 150A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07189 $65.35

Blue Sea | Surface Mount Circuit Breaker Bus 285-Series 40A

285-Series Circuit Breaker - Surface Mount 400A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07182 $65.35

Blue Sea | Panel Mount Circuit Breaker Bus 285-Series 150A

285-Series Circuit Breaker - Panel Mount 150A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07089 $65.35

Blue Sea | Panel Mount Circuit Breaker Bus 285-Series 100A

285-Series Circuit Breaker - Panel Mount 100A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07087 $65.35

Blue Sea | Panel Mount Circuit Breaker Bus 285-Series 50A

285-Series Circuit Breaker - Panel Mount 50A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07083 $65.35

Blue Sea | Panel Mount Circuit Breaker Bus 285-Series 40A

285-Series Circuit Breaker - Panel Mount 40A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07082 $65.35

Blue Sea | Circuit Breaker Surface Mount 285-Series 50A ...

285-Series thermal circuit breaker surface mount. Drop in replacement for 185-series circuit breakers. Visible reset lever shows open condition. 'trip free', cannot be held closed after trip.

Circuit Breaker Surface Mount 285-Series 50A
BS07183 $65.45

Circuit Breaker Surface Mount 285-Series 70A
BS07185 $65.35

BS07187 Circuit Breaker Surface Mount 285-Series 100A $65.35

Blue Sea | Panel Mount Circuit Breaker Bus 285-Series 80A

285-Series Circuit Breaker - Panel Mount 80A. Drop in replacement for 185-Series Circuit Breakers. Visible reset lever shows open condition. Ignition protected - Safe for installation aboard gasoline powered boats. Meets SAE J1171 external ignition protection requirements. Weather Resistant. Combines switching and circuit breaker function into one unit*. "Trip Free" - cannot be held closed after trip.

BS07086 $76.49

Heavy Duty Solenoids

Aaa World Wide Enterprises | SOLENOID, WINDLASS 12v 80-100amps

Solenoid For Windlass Control 80-100Amp

AT10260 $24.75

Cole Hersee | Continuous Duty Solenoid Insulated SPST 85A 12V

Insulated steel housing. Continuous 85A rating. Ignition protected.

DR24059 $44.55

Cole Hersee | Continuous Duty Solenoid Insulated SPST 85A 24V

Continuous and intermittent duty. Rugged steel housing and hardware, plated to resist corrosion. Heavy gauge copper contacts. Moisture repellent molded phenolic housings or plasticized steel housings for weather resistant applications. Continuous 65A rating. Ignition protected.

DR24063 $45.75

Cole Hersee | PVC Coated Continuous Duty Solenoid ...

Insulated PVC coated housing. Continuous 85A rating. Ignition protected.

PVC Coated Continuous Duty Solenoid Insulated SPST 65A 12V
DR24117 $61.25

Ignition Switches

Sierra | Ignition Switch 3 Position Off Run Start Polyester

3 position ignition switch. Off, run and start. 3 terminal screw type. Made of polyester with brass back up nut. 15A @ 12V DC ignition and 30A @ 12V DC solenoid.

GS39200 $27.75

Sierra I Ignition Switch 3 Position Off Run Start Brass

3 position ignition switch. Off, run and start. 3 terminal screw type. Made of brass with brass back up nut. 15A @ 12V DC ignition and 30A @ 12V DC solenoid.

GS39060 $46.35

Cole Hersee I Ignition Switch 4 Position Brass

4 position universal start switch, suitable for marine environments. Moisture repellent insulator and coded lock with two keys. Acc-off-ign/acc-ign/start, spring return to ign/acc. key removable at off position. Brass case and mounting hardware. Four screw terminals, chrome plated brass face nut. Brass mounting stem 30.95mm long. Fits panels up through 1" thick.

DR00712 $54.49

Plugs & Sockets

Blue Sea I 12V Dash Socket w/ Watertight Cap

12 Volt Dash Socket. Features watertight cap, easy installation, and twist locks securely with plug. Designed to withstand the rigors of wet environments and constant vibration. Large contact surfaces for good electrical connection. Twist lock systemùplug locks securely into socket. Internal strain relief and cord seal. Nickel plated copper alloy used for all current carrying components. Front panel, rear panel, or surface mount.

BS01011 $14.50

Blue Sea I 12V Plug

Moisture proof sealing ring around the shaft to keep out spray and make it seat firmly in the outlet. 'ON' indicating LED. Strain relief. Built in 10A fuse. Designed to withstand the rigors of wet environments and constant vibration. Large contact surfaces for good electrical connection. Twist lock system plug locks securely into socket. Internal strain relief and cord seal. Nickel plated copper alloy used for all current carrying components. Front panel, rear panel, or surface mount.

BS01010 $15.25

Whitecap I 12v Stainless Steel Socket w/Black Cap

Power socket, Stainless Steel, 12V.

WC08074 $19.50

Blue Sea I Dual USB Charger Socket 2.1A 5V

Easy to install in existing 12V DC socket providing convenient access for charging mobile devices. Compatible with popular mobile devices. Protective Cap. Easy to use.

BS01016 $31.60

Blue Sea I Black 12/24v DC Dual USB Charger

Charge two mobile devices on the go. Made with corrosion resistant materials which ensure a solid contact and low voltage drop. Fits in same mounting hole as a traditional 12 Volt outlet. Compatible with most mobile devices including Apple« products. Protective dust cap with tether keeps dust and spray from shortening the life of the charger. Conformal coated circuit board to stand up to the harsh marine environment. 2A Supply fuse is not included. - Easy to install in existing 12V DC socket hole providing convenient access for charging mobile devices.

BS01018 $36.45

Blue Sea I Black 12v Plug w/Single Exension Socket

Plug has a moisture proof sealing ring around the shaft to keep out spray and make it seat firmly in the outlet. Plug features an"ON" indicating LED, moisture proof sealing ring, strain relief, and a built-in 10 Amp fuse. Socket features a watertight cap, easy installation and interlocks with the plug. Heavy duty 18 gauge wire. Cord reaches up to 6 feet. Designed to withstand the rigors of wet environments and constant vibration. Large contact surfaces for good electrical connection. Twist lock systemùplug locks securely into socket. Internal strain relief and cord seal. Nickel plated copper alloy used for all current carrying components. Front panel, rear panel, or surface mount.

BS01012 $37.25

Marinco I 12v Plug with Receptacle

The SeaLink 12 volt family of products are manufactured from corrosion resistant marine grade materials. Exclusive to SeaLink products is a unique interconnecting system that securely locks the plug into the receptacle resulting in a positive and moisture-proof connection. The plug and receptacle feature optimized metal connection points for maximum conductivity.

AB00212 $40.85

Blue Sea I Black 12/24v DC Dual USB Round Socket Charger 4.8 Amps

Intelligent device recognition allows rapid charging of phones, tablets, or other mobile devices. Charges at the speed required by specific devices. Internal filtering for reduced electronic interference. Over temperature protection. Protective dust cap keeps debris and moisture out. Conformal coated circuit board for the harsh marine environment. Mounts in a common 1-1/8" hole.

BS01045 $54.75

Blue Sea I Black 12/24v DC Dual USB Charger, Contura Switch Mount

Intelligent device recognition allows rapid charging of phones, tablets, or other mobile devices. Charges at the speed required by specific devices. Internal filtering for reduced electronic interference. Over temperature protection. Protective dust cap keeps debris and moisture out. Conformal coated circuit board for the harsh marine environment. Mounts in an existing contura switch aperature.

BS01039 $54.75

Blue Sea I Mini OLED Voltmeter, 12/24v

Monitors dc voltage on a bright, waterproof, daylight readable oled screen. Reverse polarity protected. Mounts in a common 1-1/8" (29mm) hole.

BS01733 $59.49

BLUE SEA SYSTEMS

Fast Charge
4.8A Dual USB Chargers

Intelligent device recognition maximizes charge rate for phones, tablets, and other mobile devices

- Reduced electronic interference
- Over temperature protection
- Engineered for the harsh marine environment
- Protective cap keeps debris and moisture out

1039
Mounts in existing Contura Switch aperture

1045
Mounts in a common 1-1/8" round hole

Mini OLED
Digital Meters

Monitors essential electrical system parameters on a bright, waterproof, daylight readable screen

- Compact size
- Reverse polarity protected
- Mounts in a common 1-1/8" round hole

1733 Voltmeter
- 8V to 36V DC

1741 Temperature Monitor
- Measures in Fahrenheit or Celsius
- -40°C to 120°C (-40°F to 250°F)

1732 Ammeter
- -100A to 100A DC
- Positive or negative side wiring

Push Button Switches

Aaa World Wide Enterprises I Switch, On-Off for Reading Lamps

Switch on/off for reading lamps.

AT0094201 $4.95

Perko I Push Button Switch Black

Black polymer with weather resistant cover. Push-on, push-off. Rated for 10A at 12V, 24V and 32V.

PK07011 $10.95

Sierra I Push Pull Switch SPST Off On 15A

Off on push pull switch. Pull for on. Solid brass construction. Chrome plated plastic knob. 2 screw terminals. 15A @ 12V DC.

GS39520 $18.29

Sierra I Push Button Switch Heavy Duty Momentary SPST On Off 20A

Momentary on off push button switch. Solid brass construction. Use for starter, horn or other functions. 20A at 12V DC.

GS39310 $21.45

Sierra I Push Button Switch Heavy Duty Momentary SPST On Off 30A

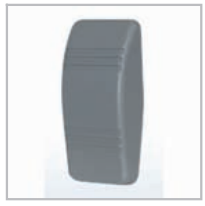

Momentary on off push button switch. Glass reinforced polyester housing. Electrical contacts are silver for maximum current carrying capacity. Includes rubber moisture and dust proof boot nut. 30A @ 12V DC.

GS39160 $21.75

Rocker Switches

Blue Sea I Grey Contura Actuator, No Lens

Mounts on any Blue Sea Systems Contura Switch. Constructed of thermal plastic polycarbonate with a hard nylon surface overlay. For each embedded LED there is a corresponding number of lenses.

BS08299 $2.75

Blue Sea I Black Contura Actuator 2 Lenses ...

Mounts on any Blue Sea Systems" Contura Switch. Constructed of thermal plastic polycarbonate with a hard nylon surface overlay. For each embedded LED there is a corresponding number of lenses.

BS08295 Black Contura Actuator 2 Lenses $2.75
BS08296 Black Contura Actuator No Lens $2.75

Aaa World Wide Enterprises | Switch Waterproof IP ...

Simple on/off waterproof switch. Single pole, single throw IP65 rated. Made of plastic. 12V DC. 20A. 1 x LED indicator lamp.

Switch Waterproof IP65 3P SPST w/LED Indicator 20A 12V
AT101191 $3.60

Aaa World Wide Enterprises | Switch Waterproof IP ...

Simple on/off waterproof switch. Double pole, single throw IP65 rated. Made of plastic. 12V DC. 20A. 1 x LED indicator lamp. -

Switch Waterproof IP65 4P DPST w/LED Indicator 20A 12V
AT101192 $6.20

Seasense | On/Off Rocker Switch w/Light 1" wide x 1.75" high

Rocker switches allow for a low profile look in a black matte finish plastic housing. Two positions are off / on and Illuminates in the on position, uses standard female disconnect wire terminals. Snap mounts in a 13/16" x 1-7/16" hole.

DF31251 $7.15

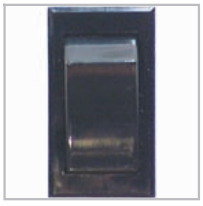

Aaa World Wide Enterprises | Switch Splashproof 5 ...

Simple on/off waterproof switch. Single pole, single throw IP65 rated. Made of plastic. 12V DC. 20A. 1 x LED indicator lamp. -

Switch Splashproof 5P DPDT w/LED Indicators 15A 12V
AT10135 $9.35

Sierra | Rocker Switch w/Black Actuator SPST On Off 20A

Standard rocker switches. Rated for 20A @ 12V DC.

GS40140 $11.35

Ancor | Rocker Switch Waterproof SPST On Off w/ Light

Sealed rocker switches are certified to IP66/IP68 for prolonged submersion under pressure (front panel sealing) and UL ignition protected. Rated for 20A at 12V.

AB554010 $12.60

Aaa World Wide Enterprises | Windlass Rocker Swit ...

Aluminium plate. Voltage: 12V DC. Amp: 1 x 5A. Allows windlass operation from remote station. Switch size 76mm x 51mm x 0.9mm.

Windlass Rocker Switch Aluminium 5A 12V
AT10096 $13.75

Blue Sea | Contura Switch SPST Off-(On)

Contura Switch SPST Gray - OFF-(ON). Vibration, shock, thermoshock, moisture and salt spray resistant. Specially manufactured for mounting in Blue Sea Systems" water resistant panels. Ignition Protected - Safe for installation aboard gasoline powered boats. Meets UL1500 and ISO8846 ignition protection requirements.

BS08231 $14.65

BS08234 Contura Rocker Switch w/Light SPDT Off (On) Grey $18.45

Blue Sea | Contura DPST Switch Off-On

Contura Switch DPST Gray - OFF-ON. Vibration, shock, thermoshock, moisture and salt spray resistant. Specially manufactured for mounting in Blue Sea Systems" water resistant panels. Ignition Protected - Safe for installation aboard gasoline powered boats. Meets UL1500 and ISO8846 ignition protection requirements.

BS08218 $17.95

Blue Sea | Contura Switch SPDT (On)-Off-On

Contura Switch DPDT Gray - (ON)-OFF-(ON). Vibration, shock, thermoshock, moisture and salt spray resistant. Specially manufactured for mounting in Blue Sea Systems" water resistant panels. Ignition Protected - Safe for installation aboard gasoline powered boats. Meets UL1500 and ISO8846 ignition protection requirements.

BS08222 $24.50

Blue Sea | Contura Switch DPDT On-Off-On

Contura Switch DPDT Gray - ON-OFF-ON. Vibration, shock, thermoshock, moisture and salt spray resistant. Specially manufactured for mounting in Blue Sea Systems" water resistant panels. Ignition Protected - Safe for installation aboard gasoline powered boats. Meets UL1500 and ISO8846 ignition protection requirements.

BS08220 $24.50

Blue Sea | Contura DPDT Switch (On)-Off-On

Contura Switch DPDT Gray - (ON)-OFF-ON. Vibration, shock, thermoshock, moisture and salt spray resistant.. Specially manufactured for mounting in Blue Sea Systems" water resistant panels Ignition Protected - Safe for installation aboard gasoline powered boats. Meets UL1500 and ISO8846 ignition protection requirements.

BS08221 $25.75

Blue Sea | SPDT Remote Control Contura Switch, On-Off-On

Vibration, shock, thermoshock, moisture and salt spray resistant.

BS02146 $28.49

Safety Switches

Sierra I Emergency Engine Cut Off Switch w/Lanyard

In an emergency a quick pull on the lanyard stops the engine, preventing a runaway.

GS40970 $29.45

Senders & Receivers

Quick I Wireless Pocket Remote P902 w/2 Relays

Microcontroller operated functions. FSK modulation and FCC carrier frequency 913Mhz. Operating temperatures from -15°C to +70°C. Possibility to control more receivers with one transmitter. Two functions can be activated at the same time. Floating.

QK01322 $110.00

Quick I Wireless Hand Held Remote H902 w/2 Relays ...

Microcontroller operated functions. FSK modulation and FCC carrier frequency 913Mhz. Operating temperatures from -15°C to +70°C. Possibility to control more receivers with one transmitter. Two functions can be activated at the same time. Floating. Also works with rechargeable batteries. Keyboard backlighting by means of LEDs.

QK01312 Wireless Hand Held Remote H902 w/2 Relays $166.25
QK01314 Wireless Hand Held Remote H904 w/4 Relays $183.95

Lewmar I Wired Hand Held Remote 68000599

Simple to use hand held remote control for lifting and lowering Lewmar windlass. Wired connection type. Up/down buttons to set or hoist. For any Lewmar windlass with multiple station controls. Ergonomic shape for secure feel. Attached to an 6-8 foot coil cord pre wired with locking plug. Allows the option of controlling windlass from bow, foredeck, cockpit or helm station. Comes with flanged deck mount socket.Power Supply: 12 or 24 Volt DC. Max. Current Draw: 5 Amp. Water Resistance (locking plug and socket): IP67.

LM68000599 $214.80

Quick I Radio Remote Control Reciever R902 w/2 Relays ...

Full power range (from 10.5 to 31V). Microcontroller operated functions. FSK modulation and FCC carrier frequency 913Mhz. Operating temperatures from 15°C to +70°C. Indication of the system operating status, errors and problems by means of LED and seven segment display. Protection against polarity inversion. Protection against low battery. 50 transmitters can be stored. Translation mode to activate more receivers, installed in different spots, by means of one transmitter. Programmable digital filter. Possible connection to an external antenna.

QK01302 Radio Remote Control Reciever R902 w/2 Relays $300.00
QK01304 Radio Remote Control Reciever R904 w/4 Relays $395.00

Toggle Switches

Aaa World Wide Enterprises I Sealed Toggle boot.

Toggle boot for AT toggle switches.

AT200601 $2.95

Sierra I Toggle Switch Boot

Toggle boot seals fit standard toggle switches with 15/32"-32 mounting stem. Protects against moisture. In grey with hex nut (brass threads).

GS39240 $7.75

Cole Hersee I Toggle Switch Standard SPST On Off 25A ...

Plastic housing with plated steel cap, stem and mounting hardware are nickel, plated brass. Silver contacts. 25A lamp load at 12V DC.

Toggle Switch Standard SPST On Off 25A

Shorepower Systems US / Cordsets and Adapters

Marinco | Straight Adapter 15A Male Straight Blade To 50A 125/250V

EEL ShorePower-Style Straight Adapters are high-quality, one-piece adapters used much like Pigtail Adapters. However, they do not have sealing collars and are not recommended for use in wet locations. Use only in an enclosed, dry location, such as powering your boat from a 15A power receptacle inside your house. EEL ShorePower-Style Straight Adapters feature an LED power indicator and an ergonomic design for easier gripping. All combinations are 125 volts.

HU15504 $66.75

Ancor | Shore Power Cord Plus 30A 50 ft Yellow

50 ft cord features LED power indicator light, threaded ring and the Marinco easy-lock ring, high quality marine-grade construction and super flexible 10-gauge, 3 cable watertight molded plug and connector. Five year warranty.

AB199119 $139.50

Marinco | Shorepower Pigtail Adapter w/Sealing Collar

A pigtail adapter allows you to connect from one dockside receptacle (or other power source receptacle) to one boat side inlet or equipment with a different power configuration. This adapter is a 30A 125V locking with sealing collar system, female connector and a 50A 125/250V locking male plug.

HU01211 $183.35

Marinco | Shorepower Pigtail Adapter w/Sealing Collar

A pigtail adapter allows you to connect from one dockside receptacle (or other power source receptacle) to one boat side inlet or equipment with a different power configuration. This adapter is a 50A 125/250V locking with sealing collar system, female connector and a 30A 125V locking male plug

HU01171 $257.15

Marinco | Shorepower Y Adapter w/Sealing Collar T ...

Y adapters let you split one dock side receptacle between the two boat inlets of similar or different power configurations. This Y adapter has two 30A 125V female connectors locking with sealing collars and a 50A 125/250V locking male plug.

Shorepower Y Adapter w/Sealing Collar Two Female & One Male
HU01531 $293.05

Telephone Cords and Plugs

Marinco | Shorepower Telephone To Cordset Adapter

Use this adapter to hook up telephone to cordset . No inlet installation required.

HU66001 $99.79

Marinco | Phone & Cable TV Inlet Watertight Stainless Steel Trim

The Marinco Stainless Steel Phone and Cable TV Inlet features two connections in one inlet. The inlet features a male recreational vehicle and boat telephone jack, and F type coaxial cable jack, under a weatherproof (while closed) cover. 316 stainless steel construction for appearance corrosion resistance. Locking waterproof cap and watertight rear boot keep moisture out.

HU65741 $145.35

Marinco | Shorepower Telephone Cord Set Yellow 50 ft

This 3 conductor #16SJTO vinyl cord provides portable telephone connection for RV's and pleasure boats.

HU65991 $230.55

WIRING & ELECTRICAL ACCS

Black Slit Conduits

Mpi Marine Products | Split Conduit Black 1 1/2" ...

Use as an electrical wiring harness or as protective insulation for hoses and pipes. Lightweight and crush resistant.

NR03112	Split Conduit Black 1 1/2"	$1.85
PA00334	Split Conduit Tubing Black 3/4"	$0.95
PA01012	Slit Conduit Black 1/2"	$0.75
PA01058	Slit Conduit Black 5/8"	$1.10

Cable Clamps / Nylon

Atlantic Mfg | Cable Clamp Heavy Duty Nylon White 1/2" ...

Durable nylon clamps are made in 1/2" and 3/8" widths and provide secure containment for a multiple range of cable or wiring harnesses. Single screw application.

Cable Clamp Heavy Duty Nylon White 1/2"
PA00412 $0.15
Cable Clamp Heavy Duty Nylon White 1/4"
PA00414 $0.15

PA00434	Cable Clamp Heavy Duty Nylon White 3/4"	$0.25
PA00436	Cable Clamp Heavy Duty Nylon 3/16"	$0.15
PA00438	Cable Clamp Heavy Duty Nylon 3/8"	$0.15
PA00458	Cable Clamp Heavy Duty Nylon 5/8"	$0.19
PA00460	Cable Clamp Heavy Duty Nylon 1"	$0.30

Pacer | Cable Clamp Nylon 1 1/2"

Durable nylon clamps are made in 1/2" widths and provide secure containment for a multiple range of cable or wiring harnesses. Single screw application.

PA00445 $0.85

Cable Clamps / SS Cushion

Pacer | Cushion Clamp Stainless Steel 1/2" ...

For use in mounting wire, cables, or hoses where weight and vibration are factors. 1/2" wide and designed to withstand vigorous environmental conditions. Black neoprene protects the harness and provides dampening.

PA00508	Cushion Clamp Stainless Steel 1/2"	$1.10
PA00512	Cushion Clamp Stainless Steel 3/4"	$1.95
PA00516	Cushion Clamp Stainless Steel 1"	$2.09
PA00524	Cushion Clamp Stainless Steel 1 1/2"	$2.50
PA00532	Cushion Clamp Stainless Steel 2"	$3.60

Cable Ties / Mounting Rings

Atlantic Mfg | Cable Tie w/Mounting Ring Black 15" ...

Cable ties with mounting rings. Available in black, white and clear.

PA00026	Cable Tie w/Mounting Ring Black 15"	$0.45
PA00030	Cable Tie w/Mounting Ring Clear 6"	$0.07
PA00056	Cable Tie w/Mounting Ring Black 8"	$0.17
PA00057	Cable Tie w/Mounting Ring Black 14 1/2"	$0.45
PA00058	Cable Tie w/Mounting Ring White 15"	$0.52

Cable Ties / Standard

Atlantic Mfg | Cable Tie Standard White 4" ...

Standard cable ties. Available in black, white and clear.

PA00001	Cable Tie Standard White 4"	$0.09
PA00007	Cable Tie Standard Black 15"	$0.30
PA00008	Cable Tie Standard Clear 14 1/2"	$0.23
PA00031	Cable Tie Standard Black 6"	$0.07
PA00032	Cable Tie Standard White 8'	$0.09
PA00035	Cable Tie Standard Black 12"	$0.19
PA00036	Cable Tie Standard Clear 14 1/2"	$0.42
PA00037	Cable Tie Standard Clear 48"	$1.60
PA00051	Cable Tie Standard Black 8"	$0.09

Ancor | Adhesive Backed/Center Screw Cable Tie Mount #8 White

Virgin nylon with heavy-duty locking mechanism. Insoluble in common solvents, alkalis, dilute mineral acids and most organic acids or petrochemicals. Provides secure thru-loop connection of cable ties to any drillable surface. Accepts #8 (4mm) screw.

AB199232 $0.15

Electrical Tools

Ancor | Automatic Wire Crimper & Stripper 10-26 AWG

Strips 26 to 10 AWG stranded wire. Automatic jaw load wire stripper. self adjusts to strip wire. Crimps 22-10 AWG insulated terminals.

AB702033 $28.75

Ancor | Mini Butane Pocket Torch

Super compact butane pocket torch with windproof flame and waterproof ignition is ideal for use in the marine environment. Produces a pinpoint flame of 2500°F (1300°C) to melt wax and glue. Shrink heat shrink tubing, thaw locks and even solder. Electronic ignition system with safety locking switch. Refillable butane cartridge included (butane sold separately). 8.5" x 4" x 1.25".

AB702024 $28.75

Marinco | Premium Battery Cable Stripper

This premium battery cable stripper punctures the cable's insulation, breaks the insulation free and pulls the cut insulation from the wire in one efficient motion. Strips 8 AWG through 400 MCM cable. Heavy duty construction.

AB703075 $41.95

Ancor | Micro Therm Heat Gun

The Mirco Therm Heat Gun features Piezo electronic ignition system providing flameless heat that is safe to use around chemicals or by wire bundles when using deflector. Powered by refillable cell. Flame temperature up to 1300°F (650°C). Ideal for work in the bilge where open flame should not be used.

AB702027 $45.79

Ancor | 120v Two Setting Heat Gun

Use with Ancor heat shrink connectors to offer heat activated adhesive built into the sleeve of the heat shrink tubing. When heated, these connectors form a water tight seal and the ultimate vibration and strain relief. Two settings: Low - 572 deg F, 10 CFM and High - 1,000 deg F, 17 CFM. 6.5' cord, 120V AC. Great for heat shrink tubing and connectors, stripping paint and more. Stands on end for hands free operation. Lightweight, under two pounds. Includes three nozzles and carrying case.

AB703023 $47.95

Ancor | Double Crimp Rachet Tool 22-10 AWG

The double crimp ratchet tool has a ratchet mechanism that crimps stranding and insulation grip portions of all connectors all in one motion for superior strain relief. Jaws are hardened 4150 steel with hardened center less ground pins adjustable for wear. A release lever in event of incorrectly placed terminal. Crimps terminals and connectors from 22 - 10 AWG /0.3-5 mm2 in three color-coded cavities.

AB70103 $95.75

Ancor | Lug Crimper Heavy Duty Stainless Steel

Spring loaded pivot bar, designed for use with a hammer or vise. Makes UL approved crimps. Crimps 6-4/0 AWG lugs and 6-3/0 AWG terminals.

AB701010 $134.39

Heat Shrink Tubing

Pacer | Heat Shrink Black 1/2" ...

Heat shrink tubing has a variety of uses including, harnessing, wire bundling and insulating where protecting wires and components are necessary. 2:1 ratio.

PA00812	Heat Shrink Black 1/2"	$1.20
PA00814	Heat Shrink Black 1/4"	$1.00
PA00838	Heat Shrink Black 3/8"	$1.15
PA01812	Heat Shrink Red 1/2"	$1.25
PA01814	Heat Shrink Red 1/4"	$1.00
PA01838	Heat Shrink Red 3/8"	$1.15

Pacer | Heat Shrink Adhesive Red 1/2" ...

3- to-1 is a semi-flexible, cross-linked polyolefin heat shrink tube that possesses a meltable inner lining of adhesive that flows when heated. In addition to insulation and mechanical protection, this tubing provides a moisture-proof seal for wires, splices, breakouts, and components.

PA20121	Heat Shrink Adhesive Red 1/2"	$4.75
PA20122	Heat Shrink Adhesive Black 1/2"	$4.75
PA20141	Heat Shrink Adhesive Red 1/4"	$4.55
PA20142	Heat Shrink Adhesive Black 1/4"	$3.65
PA20340	Heat Shrink Adhesive Red 1"	$7.69
PA20341	Heat Shrink Adhesive Red 3/4"	$7.60
PA20342	Heat Shrink Adhesive Black 3/4"	$7.60
PA20381	Heat Shrink Adhesive Red 3/8"	$4.55
PA20382	Heat Shrink Adhesive Black 3/4"	$4.55

Plugs, Gland & Connectors

Blue Sea | Black Insulating Cable Cap for 0.50 Stud

Insulates single stud on alternators, starters, windlasses and high amperage termination points. Insulate stud type connectors on alternators, starters, windlasses and other high amperage devices.

BS04013 $4.25

Seasense | 12v Power Outlet, Polarized, Watertigh ...

Chrome brass construction. Polarized pins. Includes weatherproof cap

12v Power Outlet, Polarized, Watertight 1.5" Chrome Plated w/ Plastic Cap

DF31190 $8.49

Osculati I Watertight Deck Connector 2 Pin 12V ...

OC1447002 Watertight Deck Connector 2 Pin 12V $13.85
OC1447003 Watertight Deck Connector 3 Pin 12V $19.00

Blue Sea I Side-Entry Cable Clam w/ Stainless Steel Dress Cap

Side entry cableclam with stainless steel dress cap. Provides a waterproof side entry for antenna cables without requiring removal of the factory installed connector. Stainless steel dress cap conceals mounting hardware and matches stainless steel deck fittings.

BS1007100 $16.38

Lalizas I Cigarette Plug & Socket Watertight w/LED Indicator Light 12V

This 12V marine plug and socket set is ideal for all devices that need electrical power to operate, such as mobile phones, flashlights etc.

LZ31306 $17.95

Blue Sea I Cable Clam 0.68"

Perfect for antenna installation. Waterproof co axial installation without removing connectors. Save the expense of removing and replacing connectors. Avoid poor connections from removing factory connectors.

BS01001 $25.25

Blue Sea I Cable Clam 0.825" ...

Perfect for antenna installation. Waterproof co axial installation without removing connectors. Save the expense of removing and replacing connectors. Avoid poor connections from removing factory connectors.

BS01002 Cable Clam 0.825" $26.25
BS01003 Cable Clam 1.385" $28.95

Aaa World Wide Enterprises I Deck Connector CPB 2 Pin 5A ...

HG06107 Deck Connector CPB 2 Pin 5A $27.50
HG06108 Deck Connector CPB 3 Pin 5A $29.75
HG06110 Cable Outlet CPB 6 mm x 32 mm $6.95
HG06111 Cable Outlet CPB 8 mm x 32 mm $7.95
HG06112 Cable Outlet CPB 10 mm x 32 mm $8.45

Perko I Deck Connector Watertight 12V

PK11901 $31.25

Perko I Plug In Base Only 2 Pin

Chrome plated brass. Black polymer. Waterproof snap on cover. Pigtail leads.

PK10451 $43.25

Sealants

Ancor I Dielectric Silicone Compound Tube 1/3 oz

Dielectric Silicone Compound fights oxidation to improve conductivity. Penetrates aluminium oxide to maintain current paths. Temperature rated 40°-500°F. 1/3 oz tube. -

AB700115 $10.19

Starbrite I Liquid Electrical Tape Liquid 4 oz

Waterproofs and protects electrical terminals. Fast drying, forms a protective UV resistant coating. Red.

SB84105 $15.95

Starbrite I Liquid Electrical Tape Liquid 4 oz

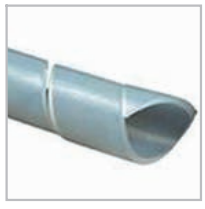

Waterproofs and protects electrical terminals. Fast drying, forms a protective UV resistant coating. Black.

SB84104 $15.95

Spiral Wrap

Pacer I Spiral Wrap Clear 3/4" ...

Spiral wrap allows for expansion, easy wire breakouts at any point, excellent flexibility and also serves to dampen vibration.

PA00047 Spiral Wrap Clear 3/4" $1.60
PA00049 Spiral Wrap Clear 1" $2.19
PA00914 Spiral Wrap UV Resistant Black 1/4" $0.85
PA00938 Spiral Wrap UV Resistant Black 3/8" $0.90

Terminals & Connector Kit

Sierra I Terminal & Connector Kit Solderless

A complete range of terminal and wiring accessory kits covering every need. 175 of the most popular terminals in a shatterproof nylon box.

GS01310 $27.15

WIRING

Coaxial Cable

Ancor | High Voltage Cable GTO 15 14 AWG For Ham & SSB White

High voltage 14 gauge antenna lead in for HAM and SSB installations (not VHF or TV).

AB150110 $0.65

Ancor | Coaxial Cable RG 59U White

Coaxial cable is made from premium tinned copper center conductor as well as tinned copper outer braid for corrosion resistance and easy soldering. It features signal loss ratios of up to 50% less than other coaxial cables. 96% braid provides best signal strength and least interference with UV inhibited white jacket for longest life. Ancor recommends RG 59U for TVs and some Sat Navs.

AB151025 $0.95

Ancor | Coaxial Cable RG 8X White

Coaxial cable is made from premium tinned copper center conductor as well as tinned copper outer braid for corrosion resistance and easy soldering. It features signal loss ratios of up to 50% less than other coaxial cables. 96% braid provides best signal strength and least interference with UV inhibited white jacket for longest life. Ancor recommends RG 8X for VHF runs less than 50 feet.

AB151550 $1.05

Dock Cable - Yellow

Marinco | Dock Cable 10/3 STW Imperial Yellow

This cord is protected by a high visibility yellow jacket that is oil and sunlight resistant. Ultra flexible insulation is abrasion resistant for "hard service" applications. 600 volt rated for extra heavy-duty service.

PA31005 $6.35

Pacer | Dock Cable 6/3 STO 6 AWG 600V 3 Cond Yellow ...

STO yellow "Ship-To-Shore" cable is constructed of finely stranded fully annealed copper conductors insulated with color coded PVC and covered with a though thermoplastic (PVC) jacket. Made primarily for use as a portable cord, STO is designed to resist moisture, acids, alkalis, ozone and oil. STO cables are rated at 600V.

PA30603 Dock Cable 6/3 STO 6 AWG 600V 3 Cond Yellow $15.95
PA30604 Dock Cable 6/4 STO 6 AWG 600V 4 Cond Yellow $13.50

Lugs / Crimped Closed End

Pacer | Battery Lug Closed End Tinned 1 AWG 5/16" Ring ...

General purpose seamless electrical terminals, made from 100% pure electrolytic copper, fully annealed to prevent cracking while being crimped and while in service. Tinned plated for optimum corrosion resistance. All lugs have a flared "bell" shaped entry to facilitate wire insertion. Pacer's closed end lugs are uniquely made so that there is no exposed seam on the outside of the terminal. At Island Water World we offer you all the terminals you may need for your marine application. Insulated and heat shrink.

PA60157 Battery Lug Closed End Tinned 1 AWG 5/16" Ring $2.75
PA60239 Battery Lug Closed End Tinned 2 AWG 3/8" Ring $2.65
PA60257 Battery Lug Closed End Tinned 2 AWG 5/16" Ring $2.40
PA60415 Battery Lug Closed End Tinned 4 AWG 1/4" Ring $2.35
PA60439 Battery Lug Closed End Tinned 4 AWG 3/8" Ring $2.00
PA60457 Battery Lug Closed End Tinned 4 AWG 5/16" Ring $2.05
PA60615 Battery Lug Closed End Tinned 6 AWG 1/4" Ring $1.65
PA60639 Battery Lug Closed End Tinned 6 AWG 3/8" Ring $1.85
PA60657 Battery Lug Closed End Tinned 6 AWG 5/16" Ring $2.00
PA60811 Battery Lug Closed End Tinned 8 AWG #10 Ring $1.50
PA60815 Battery Lug Closed End Tinned 8 AWG 1/4" Ring $1.10
PA60839 Battery Lug Closed End Tinned 8 AWG 3/8" Ring $1.95
PA60857 Battery Lug Closed End Tinned 8 AWG 5/16" Ring $1.55
PA65112 Battery Lug Closed End Tinned 1/0 AWG 1/2" Ring $3.60
PA65139 Battery Lug Closed End Tinned 1/0 AWG 3/8" Ring $3.00
PA65157 Battery Lug Closed End Tinned 1/0 AWG 5/16" Ring $3.00
PA65239 Battery Lug Closed End Tinned 2/0 AWG 3/8" Ring $3.95
PA65413 Battery Lug Closed End Tinned 4/0 AWG 1/2" Ring $6.30
PA65439 Battery Lug Closed End Tinned 4/0 AWG 3/8" Ring $6.30

Pacer | Battery Lug Closed End Tinned 1 AWG 3/8" Ring

General purpose seamless electrical terminals, made from 100% pure electrolytic copper, fully annealed to prevent cracking while being crimped and while in service. Tinned plated for optimum corrosion resistance. All lugs have a flared "bell" shaped entry to facilitate wire insertion. Pacer's closed end lugs are uniquely made so that there is no exposed seam on the outside of the terminal. At Island Water World we offer you all the terminals you may need for your marine application.

PA60139 $3.00

Pacer | Battery Lug Closed End Tinned 2/0 AWG 1/4" Ring

General purpose seamless electrical terminals, made from 100% pure electrolytic copper, fully annealed to prevent cracking while being crimped and while in service. Tinned plated for optimum corrosion resistance. All lugs have a flared ôbell" shaped entry to facilitate wire insertion. Pacers closed end lugs are uniquely made so that there is no exposed seam on the outside of the terminal.

PA62014 $3.95

Lugs / Crimped Open End

Pacer | Battery Lug Brazed Seam Tinned 1/0 AWG 3/8" Ring ...

Made from pure electrolytic copper for high conductivity and electro-plated with tin for maximum corrosion protection, wire barrels are silver alloy brazed, allowing the lug to be crimped anywhere, even on the seam, without splitting. The inside of the barrel is serrated with "V" grooves, which when crimped grip the wire adding to the holding power. These lugs are very sturdy and durable even in the most demanding conditions. Butt Splices are seamless.

PA50138 Battery Lug Brazed Seam Tinned 1/0 AWG 3/8" Ring $2.95
PA50238 Battery Lug Brazed Seam Tinned 2 AWG 3/8" Ring $2.50
PA52038 Battery Lug Brazed Seam Tinned 2/0 AWG 3/8" Ring $4.25

Round Boat Cable

Pacer | Round UL Boat Cable 14 AWG 2 Cond DC ...

Round boat cables allow for easy installation where tight twist and turns are common. Many installers prefer the use of round cables because they are easier to organize and leave a more finished installation.

Round UL Boat Cable 14 AWG 2 Cond DC
PA49400 $1.05

Round UL Boat Cable 14 AWG 3 Cond AC
PA49430 $1.75

PA49600 Round UL Boat Cable 16 AWG 2 Cond DC Grey $0.85
PA49630 Round UL Boat Cable 16 AWG 3 Cond AC $1.95

Ancor | Triplex Round Cable 16/3 AWG 3 Cond. White/Black/Green

Ancor round triplex cable features white, green and black marine grade primary conductors (correctly color-coded to ABYC standards) in a white common jacket that is made for easy removal while providing the best abrasion resistance available. Ultra flexible (type 3/ class K) tinned copper stranding resists fatigue due to vibration and flexing. Ancor's proprietary premium vinyl insulation stays flexible even in extreme cold and resists salt water, battery acid, oil, gasoline and ultra-violet radiation. Exclusive insulation is rated at 600 volts, 105°C dry and 75°C wet. Exceeds all UL 1426, and ABYC standards.

AB133710 $1.80

Terminals / Bullet Connectors

Pacer | Bullet Connector Vinyl Insulated Male 16-14 AWG ...

Bullet connectors have advantages similar to disconnects, providing a reliable in-line connection. Terminals are made to close tolerances to produce holding friction when parts are mated. Vinyl insulation should not be used in applications that expose the terminal to UV.

Bullet Connector Vinyl Insulated Male 16-14 AWG
PA94557 $0.60

PA94580 Bullet Connector Vinyl Insulated Female 16-14 AWG $0.55
PA95556 Bullet Connector Vinyl Insulated Male 16-14 AWG $0.55

Terminals / Butts

Pacer | Butt Connector Nylon 6 AWG ...

For use whenever two wires need to be connected. These nylon insulated terminals offer a better solution that includes insulation. Nylon insulation offers a longer life and does not crack like vinyl. All butt splices have a bell shaped wire entry with a serrated inner barrel for added pull-out strength.

PA97006 Butt Connector Nylon 6 AWG $2.95
PA97008 Butt Connector Nylon 8 AWG $1.45

PA97011 Butt Connector Vinyl Insulated 12-10 AWG $0.65
PA97015 Butt Connector Vinyl Insulated 16-14 AWG $0.70
PA97019 Butt Connector Vinyl Insulated 22-18 AWG $0.25

Ancor | Butt Connector Nylon Fully Insulated 22-18 AWG 7/pk ...

Ancor's marine grade terminals differ from automotive terminals by being designed for the harsh marine environment. Nylon insulators are easy to crimp and will not split. Barrels are designed to tightly grip the wire with the least effort. Tinned copper gives the least electrical resistance but the most corrosion protection. Nylon insulated with insulation grip. Double crimp. Funnel entry.

AB230100 Butt Connector Nylon Fully Insulated 22-18 AWG 7/pk $3.15
AB230110 Butt Connector Nylon Fully Insulated 16-14 AWG 7/pk $2.85
AB230120 Butt Connector Nylon Fully Insulated 12-10 AWG 5/pk $2.85
AB230222 Ring Terminal Nylon Partially Insulated 12-10 AWG 5/pk $3.65
AB230719 Snap Connector Nylon Fully Insulated Female AWG 16-14 4/pk $2.85
AB230818 Spade Connector Nylon Partially Insulated Female AWG 16-14 5/pk $3.15
AB231428 Spade Connector Nylon Fully Insulated Female AWG 12-10 3/pk $3.15

Pacer | Seamless Tinned Butt Splice, 1/0 AWG ...

Seamless Tinned Butt Splice.

PA51010 Seamless Tinned Butt Splice, 1/0 AWG $4.75
PA51020 Seamless Tinned Butt Splice, 2/0 AWG $4.95
PA51040 Seamless Tinned Butt Splice, 4/0 AWG $8.95

Ancor | Butt Connector Heat Shrink AWG 22-18 25/pk ...

Heat shrink terminals have quickly become the most requested connector among professionals. The ease and speed by which these connectors create a fully environmentally sealed connection is unmatched. When working in an environment that is prone to heavy vibration challenges these connectors out perform all others. Heat shrink terminals are constructed from high-grade, fully annealed, tinned plated copper with a brazed barrel seam. The insulation is a tough, quick to shrink polyolefin with an epoxy lining.

AB309025 Butt Connector Heat Shrink AWG 22-18 25/pk $24.65
AB309103 Butt Connector Heat Shrink AWG 16-14 3/pk $4.39
AB309125 Butt Connector Heat Shrink AWG 16-14 25/pk $25.75
AB309203 Butt Connector Heat Shrink AWG 12-10 3/pk $5.65
AB309225 Butt Connector Heat Shrink AWG 12-10 25/pk $33.80
AB311303 Ring Terminal Heat Shrink AWG 16-14 #10 3/pk $4.25
AB311603 Ring Terminal Heat Shrink AWG 16-14 3/8" 3/pk $4.39
AB312303 Ring Terminal Heat Shrink AWG 10-12 #10 3/pk $5.55
AB312503 Ring Terminal Heat Shrink AWG 10-12 5/16" 3/pk $5.10
AB312603 Ring Terminal Heat Shrink AWG 10-12 3/8" 3/pk $5.50
PA96008 Butt Connector Heat Shrink 8 AWG $3.35
PA96010 Butt Connector Heat Shrink 12-10 AWG $1.50
PA96014 Butt Connector Heat Shrink 16-14 AWG $1.00
PA96018 Butt Connector Heat Shrink 22-18 AWG $1.15
PA96138 Ring Terminal Heat Shrink 16-14 AWG 3/8" $1.10
PA96156 Ring Terminal Heat Shrink 16-14 AWG 5/16" $1.05
PA96238 Ring Terminal Heat Shrink 12-10 AWG 3/8" $1.20
PA96256 Ring Terminal Heat Shrink 12-10 AWG 5/16" $1.20

Terminals / Fork Terminals

Pacer | Fork Connector Nylon Insulated Locking 12-10 AWG #10 ...

Fork terminals are great to use in rework situations where it can be difficult to completely remove the fastener. Pacer has captive forks available in nylon funnel entry with insulation grip, funnel entry vinyl, and brazed seam non-insulated. Terminals are constructed entirely of tinned copper to resist corrosion. These nylon insulated terminals offer a better solution that includes insulation. Nylon insulation offers a longer life and does not crack like vinyl.

PA97711 Fork Connector Nylon Insulated Locking 12-10 AWG #10 $0.70
PA97715 Fork Connector Vinyl Insulated Locking 16-14 AWG #10 $0.30

Terminals / Ring Terminals

Pacer | Ring Terminal Vinyl Insulated 12-10 AWG #8 ...

Ring terminals are available in all three configurations: nylon insulated, vinyl insulated and non-insulated. These vinyl insulated terminals with funnel conductor entry are a cost effective solution that includes insulation. Vinyl insulation should not be used in applications that expose the terminal to UV.

Ring Terminal Vinyl Insulated 12-10 AWG #8
PA71108 $0.45

PA71110 Ring Terminal Vinyl Insulated 12-10 AWG #10 $0.39
PA71114 Ring Terminal Vinyl Insulated 12-10 AWG 1/4" $0.50
PA71138 Ring Terminal Vinyl Insulated 12-10 AWG 3/8" $0.60
PA71156 Ring Terminal Vinyl Insulated 12-10 AWG 5/16" $0.50
PA71506 Ring Terminal Vinyl Insulated 16-14 AWG #6 $0.95
PA71508 Ring Terminal Vinyl Insulated 16-14 AWG #8 $0.30
PA71510 Ring Terminal Vinyl Insulated 16-14 AWG #10 $0.30
PA71514 Ring Terminal Vinyl Insulated 16-14 AWG 1/4" $0.35
PA71538 Ring Terminal Vinyl Insulated 16-14 AWG 3/8" $0.45
PA71556 Ring Terminal Vinyl Insulated 16-14 AWG 5/16" $0.50

Terminals / Spade Connectors

Pacer | Spade Connector Nylon Fully Insulated Female 16-14 AWG ...

Connection is accomplished by fitting the female part over the male tab. The holding force is excellent due to an indentation on the tongue of the female part which locks into a hole on the male tab. These nylon fully insulated terminals offer a better solution that includes insulation over the entire terminal. Nylon insulation offers a longer life and does not crack like vinyl.

PA97617	Spade Connector Nylon Fully Insulated Female 16-14 AWG	$0.50
PA97618	Spade Connector Nylon Fully Insulated Male 16-14 AWG	$0.50
PA97619	Spade Connector Vinyl Partially Insulated Female 22-18 AWG	$0.39
PA97623	Spade Connector Vinyl Partially Insulated Male 22-18 AWG	$0.45
PA97624	Spade Connector Nylon Fully Insulated Female 22-18 AWG	$0.55
PA97811	Spade Connector Nylon Fully Insulated Female 12-10 AWG	$0.55
PA97812	Spade Connector Nylon Fully Insulated Male 12-10 AWG	$0.65
PA97815	Spade Connector Vinyl Partially Insulated Male 16-14 AWG	$0.30

Terminals / Specialty Connectors

Ancor | Splice Connector 18-14 AWG 4/pk

Quick splices are easy to install as no wire stripping is needed. They are used for splicing a new wire into an existing wire and provide a fast and dependable connection. Use for quick connections with no wire stripping. Simply insert both wires, squeeze down the metal insert with a pliers and snap the cover in place

AB230615 $2.85

Ancor | Spade Adapter Tinned 2 Male to 1 Female 5/pk

Adapts one male spade connector to two. Ancor's marine grade terminals differ from automotive terminals by being designed for the harsh marine environment. Nylon insulators are easy to crimp and will not split. Barrels are designed to tightly grip the wire with the least effort. Tinned copper gives the least electrical resistance but the most corrosion protection.

AB230613 $2.85

Ancor | Piggyback Spade Nylon Partially Insulated ...

Connection is accomplished by fitting the female part over the male tab. The holding force is excellent due to an indentation on the tongue of the female part which locks into a hole on the male tab. These vinyl partially insulated terminals are a cost effective solution that includes insulation. Vinyl insulation should not be used in applications that expose the terminal to UV.

AB230612	Piggyback Spade Nylon Partially Insulated Female 16-14 AWG 3/pk	$3.15
PA97511	Spade Connector Vinyl Partially Insulated Male 12-10 AWG	$0.95
PA97611	Spade Connector Vinyl Partially Insulated Female 12-10 AWG	$0.45
PA97615	Spade Connector Vinyl Partially Insulated Female 16-14 AWG	$0.30

Tinned Marine Wires / Ancor Primary Wire

Ancor | Boat Wire Tinned Copper 18 AWG Black ...

Ancor marine grade wire is manufactured from tinned copper stranding for maximum protection against corrosion and electrolysis. Ultra flexible (type 3) stranding resists fatigue due to vibration and flexing. Ancor's proprietary premium vinyl insulation stays flexible even in extreme cold and resists salt water, battery acid, oil, gasoline and ultra-violet radiation. Exclusive insulation is rated at 600 volts, 105°C dry and 75°C wet. Exceeds all UL 1426, US Coast Guard charterboat (CFR Title 46) and ABYC standards.

AB100010	Boat Wire Tinned Copper 18 AWG Black	$0.26

AUTOPILOTS

Autopilots - Garmin

Garmin | Class A Drive Unit For GHP 12 Hydraulic Linear

The Class A drive unit works with the GHP 12 marine autopilot system to control your sailboat's steering system. This device is designed for use with larger sailboats with up to 28,500lb (12,927kg) of displacement. Drive unit type: Hydraulic linear. Stroke length: 12" (303mm). Maximum thrust: 800lb (400kg). Dimensions (centered): 32.3" x 6.5" x 6.1" (820mm x 165mm x 155 mm). Supply voltage: 10V to 30V. Average clutch current at 12V: 0.5A. Average motor current at 12V: 1-2A. Operating temperature: -15°C to 60°C (5°F to 140°F).

LC11572 $2,110.00

Garmin | ClassB Drive Unit For GHP 12 Hydraulic Linear

The Class B drive unit works with the GHP 12 marine autopilot system to control your sailboat's steering system. This device is designed for use with larger sailboats with up to 79,000lb of displacement. Drive unit type: Hydraulic linear. Stroke length: 12" (303mm). Maximum thrust: 2380lb (1080kg). Dimensions motor: 8.8" x 3" x 3.5" (223mm x 76mm x 88 mm). Cylinder (centered): 32.7" x 4.1" x 6.3" (830mm x 105mm x 160mm). Reservoir: 7.9" x 6.1" x 3.3" (200mm x 155mm x 85 mm). Supply voltage: 10V to 30V. Average clutch current at 12V: 1A. Average motor current at 12V: 3-4A. Operating temperature: -15°C to 60°C (5°F to 140°F).

LC11573 $3,495.00

Garmin | Core Pack Autopilot System GHP20 w/SmartPump

The GHP20 marine autopilot with SmartPump technology is a tremendous advancement in hydraulic steering systems. One pump size handles most boat sizes and applications. One compact, brushless SmartPump fits most hydraulically steered boating applications. Delivers excellent thermal performance, high reliability, and low power consumption. Patented Shadow Drive technology keeps you in control even when relying upon autopilot. Intelligent Rudder Rate Technology (IRRT) slows rudder rate at high speeds, quickens rate at low speeds. Supports NMEA 0183 and NMEA 2000 ® certified.

LC16300 $4,675.00

Autopilots - Simrad

Simrad | Simnet Cable 2 m

2m extension for a Simnet system.

RD24005 $46.50

Simrad | Autopilot AP24 Control Unit ...

The AP24 and AP28 control units feature large LCD displays. Operation via the brand new interface is intuitive to say the least. This simple display and control setup gives you access to a raft of features and performance options. The important differences between the two are footprint size and the fact that the AP28 features a jog wheel. Otherwise, functionality is the same.

RD00024 Autopilot AP24 Control Unit $575.00

RD00028 Autopilot AP28 Control Unit $1,155.95

Simrad | Rate Compass RC42 w/SimNet Cable 5 m

The RC42 is an intelligent rate compass which significantly improves the dynamic performance of autopilots and stabilised radar displays. Featuring an integrated turn sensor, the RC42 enhances all auto-steering experiences.

RD90142 $759.00

Simrad | Autopilot AC12 Core Computer w/SimKit

The autopilot computer is the main unit in the Simrad AP24 and Simrad AP28 autopilot systems. It contains the steering computer and electronics for the drive unit motor and clutch and provides interface to other system components. The AC42 (30/50 A motor current) communicates on the proprietary SimNet data and control network to establish a reliable digital communication and power distribution between the units in the autopilot system as well as other Simrad yachting products. SimNet provides high speed data transfer and control of Simrad yachting products integrated in a total steering and navigation system.

RD90012 $1,156.49

Autopilots - Tiller

Simrad | Tillerpilot TP22 -

The TP22 is a reliable and robust autopilot for tiller steered boats up to 34ft in length. Low power draw and precise steering capabilities couple together with minimal noise, allowing you to enjoy some smooth sailing

RD00200 $669.00

Hydraulic Drives & Pumps

Octopus Autopilot | Hydraulic Linear Drive Remote ...

Hydraulic linear drive with 178mm stroke and 400kg thrust. Recommended for boats up to 45ft. An Octopus hydraulic linear actuator is a simple, effective way to drive the rudder on a boat equipped with a mechanical steering system. The linear actuator is an assembly of an Octopus reversing pump and a marine hydraulic cylinder. This assembly is mounted on the rudder quadrant. When the autopilot is not in use the cylinder runs freely along with the rudder. When the automatic pilot is in use a solenoid valve on the actuator closes and locks the cylinder. Steering signals from the pilot are now fed to the D.C. motor, which drives the pump to move the cylinder back and forth. The actuator has a small translucent oil reservoir, making it easy to check fluid levels. These actuators have only five moving parts. These actuators are shipped completely filled with oil and require no additional plumbing.

OP01207 Hydraulic Linear Drive Remote Mount 38 mm Bore 7" Stroke 12V $1,537.95

Octopus Autopilot | Hydraulic Linear Drive Remote ...

Hydraulic linear drive with 300mm stroke and 400kg thrust. Recommended for boats up to 60ft. An Octopus hydraulic linear actuator is a simple, effective way to drive the rudder on a boat equipped with a mechanical steering system. The linear actuator is an assembly of an Octopus reversing pump and a marine hydraulic cylinder. This assembly is mounted on the rudder quadrant. When the autopilot is not in use the cylinder runs freely along with the rudder. When the automatic pilot is in use a solenoid valve on the actuator closes and locks the cylinder. Steering signals from the pilot are now fed to the D.C. motor, which drives the pump to move the cylinder back and forth. The actuator has a small translucent oil reservoir, making it easy to check fluid levels. These actuators have only five moving parts. These actuators are shipped completely filled with oil and require no additional plumbing.

OP01212 Hydraulic Linear Drive Remote Mount 38 mm Bore 12" Stroke 12V $1,650.00

COMMUNICATIONS

Antennas / Antenna Accessory

Shakespeare | Antenna Flange Mount 4711 Low Profile Nylon

Flange mount. Low profile 1" high. All nylon construction. Standard 1"-14 male threads. Great for GPS, Marine TV, and shorter antennas.

LC04710 $6.95

Pacific Aerials | PL259 Connector Plug FastFit

Pacific's pre wired mounts come with a FastFit jack on the end of the coaxial cable. The cable can still be run easily through small spaces and when it reaches the radio, modem or cellular phone the required FastFit connector can simply be screwed onto the FastFit jack.

PI01217 $7.15

Shakespeare | Centerpin Connector PL259

Shakespeare Centerpin« PL-259-CP-G Connector Shakespeare offers an extensive line of marine grade connectors and adapters for antenna installations. Our new connectors are gold-plated brass to better withstand the elements and to minimize traditional connector-borne signal loss. SHAKESPEARE CENTERPIN« REVOLUTIONIZES THE PL-259 AND PL-258 The perfect solution to the troublesome task of installing a PL-259 connector or splicing RG-58 A/U, RG-8/X or Lo-Max« coaxial cables. Shakespeares revolutionary Centerpin« connectors are solderless, fret-less, and botchless. They go on without a hitch, without soldering skills. No measuring, no critical stripping of coax insulation, no fussing with the coaxs braid, and no "tinning." PL-259-CP-G is a Centerpin« PL-259 connector for RG-8X or RG-58/AU coax. Gold plated.

LC90259 $16.15

Pacific Aerials | Antenna Splitter VHF/AM/FM Broa ...

This VHF/AM/FM broadcast band splitter is supplied complete with VHF and car radio plugs. The Band splitter uses the VHF antenna to provide AM/FM reception, without degrading the performance of the antenna at VHF frequencies.

Antenna Splitter VHF/AM/FM Broadcast Band w/Plugs 50 ohm 50W

PI07101 $55.25

Imtra | Antenna Splitter RA201Glomex VHF/AM/FM and AIS Signals

The RA201 splitter makes it possible to use just one VHF antenna to simultaneously receive VHF, AM/FM and AIS signals. Compact and easy to install, the splitter requires only a 12V power supply, from which a maximum of 25mA is drawn.

IT00201 $89.50

Shakespeare | Antenna Splitter 4357-S For Marine Antennas

Eliminate the need for separate AM/FM antennas and operate AM/FM and VHF radios at the same time without interfering with VHF radio performance. Complete with 10ft RG-62 AM/FM cable, 3ft RG-58 VHF cable, and connectors. PL-259 included, not installed for easy passage of cable through bulkheads.

LC04359 $105.75

Shakespeare | Antenna/Radio Tester ART-3

No need to call for a radio check when you have this compact, easy to use, unit on board. Unlike other meters in its class, the ART-3 tests receiver function as well as output power and VSWR (antenna efficiency). It is powered by an internal battery or can be connected to ships 12V DC with the supplied power cable. Battery level can be checked at the flip of a switch. No serious boater should be without an ART-3. Specifications: Frequency range: 155-158 MHz. RF power scale: 0W to 30W. Impedance: 50ohms. Accuracy: 10%. Connectors: SO-239. Signal generator: 3KHz deviation. Tone: 1000Hz. RF level: -115 dBM (approximately). Die cast aluminium construction.

LC90003 $209.95

Antennas / Antenna Mount

Seachoice | Antenna Base Ratchet Mount Nylon White 1"

Hi impact super tough nylon. Weather resistant. Accepts all antennas with 1"-14 threads. Comes with stainless steel hardware. Positive lockdown ratchet handle.

L001950 $15.25

Pacific Aerials | Antenna Mount Heavy Duty Fold D ...

To be used with Longreach antennas in side or deck mount installations.

Antenna Mount Heavy Duty Fold Down Nylon 93 mm x 66 mm

PI06071 $15.49

Nuova Rade | Antenna Mount for 18-27mm Rail, White

LZ43257 $21.50

Shakespeare | Stand Off Antenna Bracket 408-R Moulded Plastic White

Insulated stand off brackets of white molded plastic. Easy opening for quick lay down. Includes bolts, nuts and lock washers. With inserts, fits either 1" or 1 1/2" diameter antennas.

LC00408 $26.25

Shakespeare | Antena 1 1/4" Rail Mount

Economy rail mount. This mount comes with nylon adapters to fit 7/8", 1' and 11/4" vertical or horizontal, square or round rails. For use with standard 1"-14 thread antennas. Can also be mounted to flat surfaces. Standard 1"-14 thread (male).

LC04720 $29.60

Pacific Aerials l Antenna Mount Through Deck w/Cable Nylon 35 mm

Through deck mount, for use with SeaMaster VHF or cellular antennas complete with 5m (+16ft) cable and FastFit plug.

PI06115 $31.25

Pacific Aerials l Antenna Mount Fold Down w/Cable ...

Can be used for SeaMaster Pro Series VHF or cellular antennas. 5m (+16ft) of cable is wired into the mount. Side or deck mount installation.

Antenna Mount Fold Down w/Cable Nylon 81 mm x 63 mm
PI06111 $41.98

Pacific Aerials l Fold Down Antenna Mount, Heavy Duty

VHF/Cellular LongReach pro series fold down mount. Can be used for LongReach Pro Series VHF or cellular antennas. 5m of cable is wired into the mount. Base Plate Dimensions: 93 x 66mm.

PI06151 $50.75

Aaa World Wide Enterprises l Antenna Base Ratchet ...

Versatile four way ratchet design for deck or side mounting. Quick action handle makes operation easy.

Antenna Base Ratchet Mount 316 Stainless Steel 66.7 mm x 95.2 mm
HG09837 $71.49

Seachoice l Antena Ratchet Mount S/S

Four-way ratchet design stainless steel. For mounting to deck or bulkhead. Has 9/32" access hole for cable. Standard 1" - 14 male thread.

L001953 $81.75

Shakespeare l Swivel Mount Antenna Bracket 81-S

Base is dual joint, free pivoting, and allows easy lowering of antenna for clearing overhead obstructions. Standard 1"-14 thread.

LC00081 $91.75

Antennas / Antennas & Tuners

Pacific Aerials l VHF Helical Antenna Heliflex Fo ...

A 450mm Heliflex antenna makes an excellent choice for RIBs and tenders communicating over short distances.

VHF Helical Antenna Heliflex For RIBs & Tenders 2.4dB 1.5 ft (450 mm)
PI06106 $31.50

Pacific Aerials l VHF Half Wave Antenna SeaMaster Pro 6dB 6 ft (1.8 m)

Superb performance and convenient size makes this antenna the industry standard. Half wave design with glass filled nylon ferrule.

PI06101 $42.95

Pacific Aerials l AIS Half Wave Antenna Pro 6dB 6 ft (1.8 m)

AIS is a marine tracking system used for identifying and locating vessels by electronically exchanging data with nearby ships. The AIS unit uses a standardised transceiver to broadcast the vessel's position and name as well as speed, course and destination. The frequencies used to transmit this data are higher than marine VHF, so using a standard marine VHF antenna will compromise the performance of the AIS system. It is recommended that you use a dedicated AIS antenna to ensure the best possible signal reception to maximise your safety. This is an AIS Ultraglass antenna with glass filled nylon ferrule.

PI06105 $48.95

Pacific Aerials l VHF Half Wave Antenna SeaMaster ...

A rugged and durable antenna which performs beyond the expectations of most small boat owners. Half wave design with glass filled nylon ferrule, hardwired with 5m (+16ft)cable and FastFit plugs.

VHF Half Wave Antenna SeaMaster w/FastFit Plugs 6dB 6 ft (1.8 m)
PI06003 $50.75
VHF Half Wave Antenna SeaMaster w/FastFit Plugs 6dB 8 ft (2.5 m)
PI06004 $54.95

Pacific Aerials l AM/FM Tuned Dipole Antenna SeaM ...

White powder coated stainless steel whip with glass filled nylon base. Hardwired with 5m (+16ft) cable and AM/FM radio plug fitted. This antenna needs to be mounted on a flat surface or on the P7105 bracket.

AM/FM Tuned Dipole Antenna SeaMaster Stainless Steel 3.3 ft (1.0 m)
PI06092 $58.50

Pacific Aerials l VHF Whip Antenna SeaMaster Stai ...

Antenna with built in laydown mount. White powder coated stainless steel whip with glass filled nylon base. This antenna is a half wave design and comes with 4m (+12ft) cable and FastFit plugs. Mount this antenna on a flat surface.

VHF Whip Antenna SeaMaster Stainless Steel 6dB 3.3 ft (1.0 m)
PI06091 $58.75

Pacific Aerials l VHF Half Wave Antenna SeaMaster Pro 6dB 8 ft (2.5 m)

Half wave design with a stainless steel ferrule. Perfectly proportioned for the larger boat.

PI06123 $59.95

Pacific Aerials l VHF Half Wave Antenna Telescopi ...

Telescopic VHF antenna in stowage pack. The telescopic whip extends to become a full performance marine VHF antenna. Comes complete with velcro straps and connectors for all fixed and hand held VHF radios.

VHF Half Wave Antenna Telescopic Emergency 6dB 3 ft (1.1 m)
PI06031 $59.95

Pacific Aerials | AIS Half Wave Antenna Masthead 6dB 3 ft (1.0 m)

AIS is a marine tracking system used for identifying and locating vessels by electronically exchanging data with nearby ships. The AIS unit uses a standardised transceiver to broadcast the vessel's position and name as well as speed, course and destination. The frequencies used to transmit this data are higher than marine VHF, so using a standard marine VHF antenna will compromise the performance of the AIS system. It is recommended that you use a dedicated AIS antenna to ensure the best possible signal reception to maximise your safety. This AIS masthead antenna has a stainless steel whip and ABS housing, with a connector in the base and a mounting bracket.

PI06005 $61.95

Pacific Aerials | VHF Half Wave Antenna Longreach ...

Half wave design with a stainless steel ferrule and hardwired with 5m (+16ft) of cable and FastFit plugs.

VHF Half Wave Antenna Longreach w/FastFit Plugs 6dB 8 ft (2.5 m)

PI06059 $62.50

Pacific Aerials | VHF Whip Antenna SeaMaster w/So ...

Stainless steel whip antenna with socket and mounting bracket. Use with a SeaMaster cable pack complete with connectors and weather seal. A robust half wave built in an ABS housing this antenna delivers outstanding performance. The first choice for an installation where the lowest possible wind age is a requirement.

PI06001 VHF Whip Antenna SeaMaster w/Socket & Bracket 6dB 3 ft (1.0 m) $63.25

Shakespeare | VHF Flexible Antenna 5912 w/Mounting Kit 7" (18 cm)

Designed especially for small boat applications needing only short range communications, the 5912 is a small, space saving antenna and, once the flush mounting kit has been installed, it attaches and detaches with ease. The connectors are gold plated for low loss performance. It's compact, light weight, and easily stored. A great rubber duck antenna.

LC05912 $79.75

Shakespeare | VHF Antenna 5206-N 6dB 8 ft (2.4 m)

Same as the Style 5206-C, but the 5206-N has a nylon ferrule. An economical and lightweight, self supporting antenna for good communications where range is not the predominant factor. 6dB gain, 8ft, fiberglass finish, VHF marine band antenna. Coax cable element. Nylon ferrule with standard 1"-14 thread. Bandwidth: 3MHz. SWR: 1.5:1 @156.8 MHz. Impedance: 50Ohm. Maximum input: 50W. DC Ground: Yes. Two year warranty.

LC52061 $84.95

Shakespeare | VHF/AIS Squatty Body Whip Antenna 5 ...

Communication performance over VHF marine frequencies is optimized with the master craftsmanship of this 5215-AIS Squatty Body ®, built with extra bandwidth for all popular AIS transceivers. The lightweight, low profile, stainless steel VHF antenna stands at 3ft tall and is designed for masthead mounting to enhance transmission quality. Designed specifically for AIS transceivers. Sealed, tinplated copper wire coil. Stainless steel body and 36" whip. SO-239 connector. Mount: Stainless steel 'L' bracket supplied.

LC052151 VHF/AIS Squatty Body Whip Antenna 5215-AIS 3dB 3 ft (0.9 m) $85.35

Shakespeare | VHF Unity Gain Whip Antenna 5218 Stainless Steel 19"

Base load stainless steel whip. This small, stainless steel whip antenna features a magnetic mount, for fast and easy attachment to magnet friendly surfaces. You can set this one up in a hurry, and detach it easily. Black stainless steel whip. Black magnetic mount included. Fast, easy set up. One section.

LC05218 $87.45

Shakespeare | VHF Whip Antenna 5215 3dB 3 ft (0.9 m)

This light weight, low profile, stainless steel antenna was specially designed for masthead mounting. Hermetically sealed, tin plated copper wire coil. Stainless steel body and whip.

LC05215 $88.75

Shakespeare | VHF Antenna 5101 6dB 8 ft (2.4 m)

Shakespeare ® brings you the best of the high end features in an 8ft antenna, 6dB end fed design with matching stub, brass element and a smooth, high gloss, polyurethane finish that won't turn yellow in the sun. This antenna delivers not only performance, but superb value.

LC05101 $89.50

Seachoice | VHF Hi Tech Whip Antenna 44 Stainless Steel 42"

Tapered stainless steel whip with rubber safety. Sealed internal copper element with a molded reinforced UV resistant nylon body. Supplied with PL259 twist on connector, 15' of RG58U coax and 1" x 14 tpi mounting adapter. Weatherproof solder less connector on antenna allows installation without soldering, simplifying the replacement of existing antennas. Can be used in grounded or ungrounded marine installations. Impedance: 50 ohms. Gain: 3dB performance. Maximum Input: 100W.

L001960 $89.75

Shakespeare | VHF Unity Gain Antenna 5911 10" (25 cm)

Stowaway emergency flex antenna. Complete with 12ft cable, connector and rubber suction cup. Flexible vinyl outer covering. 10" overall.

LC05911 $91.15

Shakespeare | VHF/AIS Skinny Mini Whip Antenna 52 ...

Various marine electronics operate over VHF band waves, but only by combining the appropriate VHF antenna with your device. Designed to meet the broader bandwidth requirements of all popular AIS transceivers, this 3ft Skinny Mini antenna mounts with ease as the sealed, tin plated copper wire coil enhances quality transmissions. Built for AIS transceivers. Sealed, tin plated copper wire coil. Chrome plated brass canister minimizes de tuning. Stainless steel whip (36"). Requires mount with center hole for passage of the supplied cable. 15ft RG-58 coax cable and a PL-259 connector included.

LC052501 VHF/AIS Skinny Mini Whip Antenna 5250-AIS 3dB 3 ft (0.9 m) $91.15

Shakespeare | 4350 AM-FM Antenna 3 ft (0.9 m)

This 3ft combination antenna features Shakespeare ®'s exclusive distributive load for super signal pulling power. The coil is permanently sealed in white fiberglass. A polycarbonate lift 'n lay mount is included. Includes 10ft RG-62 coax with Motorola plug installed. One section: 39" overall height. Mounting hardware is included.

LC04350 $100.95

Pacific Aerials | VHF Colinear Antenna Longreach ...

A high gain antenna which gives exceptional performance. It has a stainless steel ferrule and is hardwired with 5m (+16ft) of cable and FastFit plugs.

VHF Colinear Antenna Longreach w/FastFit Plugs 6dB 8 ft (2.5 m)

PI06051 $106.95

Shakespeare | VHF Antenna, 36" S/S Quick Disconnect, Low Profile 3dB

Shakespeare 5242-A 36" stainless steel sntenna with Quick Disconnect. This legacy style is coming back due to customer request. A convenient press-and-twist bayonet has been redesigned and improved for extra convenience. Features Stainless steel whip SO-239 connector "L" bracket included for mounting to a vertical surface.

LC05242 $126.49

Shakespeare | VHF Antenna 5241-R 3dB 3' (0.9m)

Shakespeare« engineers constantly push the limits to succeed and conquer innovative antennas that fit the varying, yet specific needs of boaters. The Classic 5241-R VHF antenna fulfills the need of bass boats, center console fishing boats, or any vessels where compact size is most important. Measuring in at 3', the sealed, tin-plated copper wire coil delivers quality performance while the heavy-duty stainless steel whip maintains extra stability at high speeds. - Sealed, tin-plated copper wire coil - Chrome plated brass canister minimizes de-tuning - Stainless steel whip (36?) - Requires mount with center hole for passage of the supplied cable - 15' RG-58 coax cable and a PL-259 connector included - Suggested mount: Style 4187 Ratchet Mount, 5187 Ratchet Mount, 4188-S Rail Mount, or 4190 Rail Mount

LC05241 $126.75

Shakespeare | Broadband VHF Antenna 396-1-AIS 3dB 4 ft (1.2 m)

The 396-1-AIS has been specially designed to meet the broader bandwidth requirements of all popular AIS transceivers. Commercial grade construction with a mast mounting sleeve. Center fed 1/2-wave coaxial sleeve. Brass and copper elements. SO-239 connector at the base. U bolts included for mast mounting. Specially designed for Automatic Information System applications. Antenna gain: 3dB. Maximum input power: 50 W. SWR: nominally 1.5:1 at 158MHz. Bandwidth: 6MHz within 2.0:1 VSWR.

LC003911 $160.00

Shakespeare | VHF Antenna 5415 3dB 20'

5415 Classic Marine VHF Antenna 2' VHF 3dB Gain Low Profile End-Fed 1/2 Wave Designed especially for Rigid Inflatable Boats and other applications requiring a short overall length, the black stainless steel whip has a helical design to avoid excessive whipping action. A unique solderless connector at the base provides for easy installation and removal. - Durable all black finish - Includes 20' RG-58 coax cable and a PL-259 connector - Suggested mount: ôL" bracket supplied - One section.

LC05415 $182.15

Shakespeare | VHF Antenna Galaxy 5225-XT 6dB 8 ft (2.4 m)

Collinear phased 5/8-wave elements. Shakespeare ®'s best, maximizes range and quality in a great looking antenna. The new 5225-XT is Shakespeare ®'s classic Galaxy ® Style 5225 in a new, stronger, stiffer radome. It's extra tough for use on hard tops, T tops, radar arches, or wherever its extra resistance to high winds and high speeds is welcome. 8ft. length. Brass and copper elements for maximum range and efficiency. Stainless steel ferrule with standard 1"-14 thread. 20ft RG-8/X low loss cable plus a PL-259 connector. One section.

LC05225 $215.00

Shakespeare | Little Giant VHF Antenna 5400-XT 3dB 4 ft (1.2 m)

Center fed 1/2-wave coaxial sleeve The compact Galaxy 5400-XT is an outstanding, general purpose 4ft antenna, of heavy duty construction for general purpose communications. It's designed for mast mounting in land based or ship station applications where a larger antenna is not feasible.

LC05400 $221.95

Pacific Aerials | SSB/HF Whip Antenna Longreach 2 Piece 16 ft (4.9 m)

The antenna is connected to an antenna tuner through a high voltage insulator and it is extremely important that the antenna location and grounding system are correctly chosen so that the system will radiate effectively. The longest possible antenna should be chosen for each installation. The antenna should be installed in a position free from obstruction, and as far away as possible from other upright objects such as masts. The ground system is a key part of the overall antenna system A poor ground system is the most common reason for poor HF performance. Consult an experienced HF radio installer if you have any doubts about the ground system on your vessel.

PI02031 $259.95

Shakespeare | SSB Whip Antenna 390 2 Piece 23 ft

Whip antenna with conductors running full length (no loading coil). This award winning performer is often referred to as 'the standard of the industry' by virtue of its capabilities and popularity. Reinforced insulating qualities allow input power up to 1kW. Conductors are permanently sealed in Shakespeare white fiberglass. Chrome plated brass ferrules, bottom ferrule has 1"-14 thread. Side feed termination band. Two sections: Base 162". Tip 112". Mount not supplied.

LC00390 $292.55

Pacific Aerials | SSB/HF Whip Antenna Longreach 3 Piece 24 ft (7.3 m)

Superbly finished SSB antenna, with glossy UltraGlass and stainless steel couplers to enhance the appearance and strength of the antenna, Longreach antennas are designed for customers who demand the best.

PI02032 $325.00

Shakespeare | VHF Antenna 4018 9dB 19 ft (5.8 m)

Top choice of charter boat captains. This 19ft, long distance communication antenna is rigid enough to stay erect in rough seas, yet is exceptionally lightweight, comes in 2 pieces. Mount not supplied.

LC04018 $522.65

Radios / Fixed Mount VHF Radios

Uniden I VHF Radio Solara D UM380 Fixed Mount w/DSC White ...

Compact and sleek, the Uniden Solara D UM380 comes equipped with a rugged front microphone, and is packed with features including full DSC capability and S.A.M.E. emergency weather alert. JIS4/CFR46 waterproof level. Memory channel scan. Triple watch feature. Hi/low power switch. Orange backlit LCD and keys with LCD contrast control. NMEA input and output. Channel names. DSC (Digital Selective Calling). DSC capability including distress and individual calling. DSC position send and request.

LC00380 VHF Radio Solara D UM380 Fixed Mount w/DSC White $148.40
LC003801 VHF Radio Solara D UM380 Fixed Mount w/DSC Black $144.10

Standard Horizon I VHF Fixed Mount Radio w/DSC GX1300 White

The GX1300 ECLIPSE is an affordable ultra-compact ITU-R M.493-13 Class D VHF radio that has been re-engineered to meet the IPX8 submersible waterproof rating of 4.92 feet for 30 minutes, redesigned with a new Easy to Operate Icon/Menu System featuring an oversized full dot matrix LCD (31 mm x 55 mm) to increase the size of the channels and navigation information* displayed. Simple installation, the radio's rear chassis has also been reduced to 5.9" deep for greater mounting flexibility in tight spaces. The NEW ECLIPSE has been updated with some great new features, including DSC Test Calling and Automatic Position Polling making this a perfect choice for the budget conscious mariner in need of a full featured Marine VHF.

LC01300 $190.95

Icom I VHF Radio M200 Fixed Mount M200

M200 VHF Marine Transceiver. The M200 gives you the same Icom performance and reliability boaters expect in a fixed mount but at a great value. This small compact unit includes a large easy to read LCD plus is IPX7 rated and comes with the AquaQuake draining function for optimal audio. This is a perfect radio for boats that need a basic radio or boats with limited space.

LC10400 $212.50

Icom I VHF Radio IC-M324 DSC Capable Fixed Mount Black, IPX7

Intuitive User Interface on the Icom M324. Icom's common Marine Family User Interface provides simple operation for the boat owner. A rotary selector and directional keypad provide intuitive operation. The high-definition dot-matrix display on the Icom M324 allows all information to be clearly viewed. The built-in DSC watch function on the Icom M324 monitors Ch.70 (DSC channel) activity, even while you are receiving another channel. DSC functions include: distress, individual, group, all ships, urgency, safety, position request/report, polling request and DSC test calls. When receiving DSC information from another vessel, the Icom M324 can transfer it to a navigational device via NMEA 0183 connectivity. The Icom M324 is Compatible with MA-500TR ClassB AIS Transponder The Icom M324 can be integrated with the MA-500TR Class B AIS Transponder, which allows you to transmit DSC individual calls to a selected vessel instantly without manual MMSI entry. The Icom M324 is very handy if you are waiting to contact vessels on the AIS screen - an essential safety feature in an emergency. The Icom M324 withstands submersion in up to 1.0m depth of water for 30 minutes. It is equivalent to the [...] more at islandwaterworld.com

LC32401 $280.00

Jaytron I VHF Radio Matrix GX200 DSC Standard Black

25W Marine fixed mount VHF with AIS receiver or transponder input, Waypoint navigation and 30W loud hailer. RAM3 second station compatible. - AIS (Automatic Identification System) receiver or transponder must be connected to perform AIS functions. AIS target display*: MMSI, Call Sign, Ship Name, BRG, DST, SOG and COG Contact AIS Ship with DSC*. CPA (Closest Point of Approach) Alarm*. 80dB Commercial grade receiver . Class D DSC (Digital Selective Calling) with Individual, All ship, Position Report, Request and Distress. Independent Channel 70 receiver built-in for continuous DSC watch. Local/Distance attenuator. Enter, Save and Navigate to waypoints with Compass page**. Navigate to a DSC Distress Call**. Submersible JIS-7 / IPX7 (3.3 feet for 30 minutes). ClearVoice noise canceling speaker microphone with channel selection and 16/9 key. Oversized rotary channel knob with push to enter, backlit display and keys. 30 Watt PA/Loud Hailer with preprogrammed fog signals. Capable of connecting an optional RAM3 second station remote microphone. Intercom between radio and RAM3. DSC position request and report functions when connected to compatible GPS chart plotter. Versatile [...] more at islandwaterworld.com

LC02000 $292.95

Icom I Fixed Mount VHF Radio w/DSC & GPS, M424G

Reliable Fixed Mount VHF Radio with Built-In GPS Receiver. Icoms M424-G is a top choice VHF radio that does not need to interface with an external GPS to send DSC information because of its built-in GPS. If ever the need arises to send an emergency SOS while on the water the M424G VHF radio can do it and send your position data based on the internal GPS of the radio. - The DSC watch function of the M424 G monitors channel 70 even while you are receiving on another channel. It is not necessary using the M424 G to connect to it via NMEA 0183 your chartplotter/GPS for the radio to receive your position data. This feature alone makes installation a whole lot easier, just connect the M424G to power and ground - attach a VHF antenna and you are done. The 10W audio output from the M424G will be loud enough to be heard by people on the vessel and also other boats that may not see you in a fog bank. - Active Noise Cancelling reduces outside noise when you receive a call by up to 90 percent and by 30 percent when you are transmitting, allowing for transmissions that can be clearly understood while also allowing you to more easily understand incoming communications. The user interface of the [...] more at islandwaterworld.com

LC01424 $404.25

Standard Horizon I White Matrix Fixed Mount VHF Radio GX2200 w/AIS

Now with an Integrated 66 Channel GPS receiver and two integrated AIS receivers getting connected has never been easier. Having a VHF with DSC and integrated AIS/GPS provides REAL piece of mind in high traffic areas. Integrated 66 Channel WAAS GPS antenna. Integrated dual channel AIS (Automatic Identification System) receiver. AIS / AIS SART target display: MMSI, Call Sign, Ship Name, BRG, DST, SOG and COG. 4800 or 38400 NMEA baud rate selection, for plotters with 1 NMEA port. True and Magnetic bearing selection on AIS display. Contact Class A or B AIS Ship with DSC. Programmable CPA or TCPA collision avoidance alarms. Meets ITU-R M493-13 Class D DSC (Digital Selective Calling). Submersible IPX7 (3.3 feet or 1 meter for 30 minutes) front panel. 80dB Commercial grade receiver. DSC position request and report functions. 30 Watt PA/Loud Hailer with preprogrammed fog signals and listen back. ClearVoice noise canceling speaker microphone with channel selection and 16/9 key. Radios / Handheld FRS/GMRS Radios

Uniden | FRS/GMRS Radios w/2 Vox Headsets & Charger Waterproof

The Uniden ® GMR4040-2CKHS 2 way radio is a lightweight, rugged and state of the art device equipped with many valuable features and accessories, including 2 VOX headsets. Use it at sporting events, to stay in contact with family and friends, hiking, skiing, outdoors, or in a neighborhood watch for vital communication.

LC04040 $110.00

Uniden | GMRS/FRS 2-Way Radios w/Headsets & Charger

In Touch, When You Need it, No Contract. Uniden GMRS/FRS Radios keep you in touch when you are out and about with family and friends. Use them when you are camping, shopping, biking, car caravaning, and more without using your mobile phone's minutes or data plan. The radio's 22 channels let you select the channel that is right for you. Pick a channel that no one else is using for uninterrupted communications. These channels operate on industry-standard frequencies, so you can easily communicate with people using other models or brands. 121 Privacy Codes. Combined with the channel selection, setting a privacy code keeps you hearing only the people you want to hear. Set everyone in your group to the same channel and privacy code to keep other groups comms from interrupting yours. Power Boost. Reserve your radio's battery power for when you need it most. Normal PTT transmits at less than 1 W ERP, which is normally plenty of power. However, if you need a little extra punch to get through trees or buildings, the Power Boost key increases power to about 1.7W ERP. (Channels 1-7, 15-22 only.) NOAA Weather Alert. Alerts you to hazardous conditions as they arise. Water Resistant. Your radio [...] more at islandwaterworld.com

Radios / Handheld VHF Radios

Standard Horizon | Handheld VHF Radio, HX150 Floating 1or5W

Floating, submersible IPX7 (3.3 feet or 1 meters for 30 minutes). Slim, form fitting case design. 10 hours of battery life. E2O (Easy To Operate) menu system. Selectable 5 and 1 Watt transmit power output. Supplied with a 1030 mAh Li-Ion battery, 110 VAC chargers and a charging cradle. Huge channel display. All USA, International and Canadian Marine Channels. Programmable Scan, Priority Scan and Dual Watch. NOAA Weather channels and Weather Alert. Key lock. Squelch level on display. Battery life indicator.

LC20150 $127.50

Uniden | Handheld VHF Radio 270 Floating 1/2.5/6W

The Uniden Atlantis 270 features all NOAA emergency weather channels, as well as all USA, International and Canadian marine channels. It also meets IPX7 submersible waterproof standards. The Atlantis' brilliant backlit LCD display makes it easy to use, day or night for the power to go anywhere. - JIS7/IPX7 Submersible Waterproof level + Designed to Float - So you can use it just about anywhere in any weather condition. 1/2.5/6W (VHF) + Power Boost PTT Key 10 Hour Battery Life NOAA Weather Channels - Sounds a warning tone when a hazard alert is issued. Dual and Triple Watch Operation - These different watch modes let you monitor up to two Coast Guard Distress/Hailing channels along with one regular marine channel. Weather Alert Watch mode - Mutes the radio while it monitors a preset Weather channel. It sounds an alarm if there are broadcasts on that channel. Put the radio in the charger to keep power on. Emergency 16/9 Channel Monitoring - It can scan one or both of these emergency channels regularly within normal scanning cycles. Large, Easy-To-Read Backlit LCD Screen AC & DC Adapter and Charging Cradle Included Glow Seals

LC10270 $130.95

Standard Horizon | Handheld VHF, Floating, HX100 ...

Floating submersible IPX7 (3.3 feet or 1 meter for 30 minutes). Slim, form fitting case design. More than 7.5 hours of battery life. E2O (Easy To Operate) menu system. Selectable 2.5 and 1 Watt transmit power output Supplied with a 700 mAh Ni-MH battery, 110 VAC chargers and a charging cradle. Huge channel display. All USA, International and Canadian Marine Channels. Programmable Scan, Priority Scan and Dual Watch. NOAA Weather channels and Weather Alert. Key lock. Squelch level on display. Battery life indicator.

LC10100 Handheld VHF, Floating, HX100 Twin Pack 2.5W w/ 110v Charger $152.95

Uniden | Handheld VHF Radio MH126 Floating

Finally, a marine handheld radio that fits in your hand, has a large display that is clear and easy to operate. If you drop it in the water, it floats to the surface, and the glow in the dark seals and power key allows you to find it easily. No more difficult menu settings just to change between 3 levels of power, 1, 2.5 or 6W. Just set it one time at a 1 or 2.5W to maximize the battery life, and when you need the maximum transmit allowed, full 6W, just use the POWER BOOST key and you have instant full power. The bright strobe can easily be turned on, flashing SOS, getting the attention of others when you are in need of help. The design is not only attractive, but achieves the highest level of water tightness, JIX8/IPX8 standard, allowing for complete submersion of 5ft for over 30 minutes. Hear urgent NOAA warnings, marine broadcasts and have the ability to reliably transmit in the harshest weather conditions. It also comes complete, with an AC adapter, DC charger, charging cradle, 11 hour rechargeable battery, an accessory battery tray, and a heavy duty swivel belt clip.

LC01252 $167.99

Standard Horizon | Handheld VHF Radio HX290 Floating 5W

Designed from the ground up to float or be able to be submersed in 1.5m of water for 30 minutes the HX290 will keep you communicating in the harshest environments. The design of the HX290 fits well in your hand and with large keys and volume knob it is easy to operate even with gloves. The HX290 includes the best of the basics and also advanced features: Programmable scan, dual watch, Ch16 priority scan, NOAA weather channels with weather alert, selectable 5 and 1 Watt transmit power, 10 channel preset key, key lock and a battery life indicator. It is supplied with a 1140 mAh Li-Ion battery, antenna, belt clip, AC, DC chargers, cradle with charging indication and wrist strap.

LC00290 $170.95

Icom | Float 'N Flash Handheld VHF Radio IC-M25

M25 Floating VHF - Metallic Gray - Float'n FlashÖ. The IC-M25 floats and lets you know where it is with the flashing red LED light and LCD/key backlight. - 11 Hours Long Battery Life. The built-in 1500mAh lithium-ion battery allows 11 hours (approx.) of long operation.* *Typical operation with Tx (Hi: Rx: standby = 5:5:90) . - USB Charging (Micro-B USB Type). A standard USB connector (Micro-B type) is used for charging the IC-M25. Cigarette lighter cables or mobile batteries for charging smartphones or other devices can be used with the IC-M25*. *The IC-M25 accepts 5V/1A (Max.) input. Use of third-party products is not guaranteed. - AquaQuakeÖ Draining Function. When water is in the speaker grill, Icom's unique AquaQuakeT emits a buzzing sound and sheds water from the speaker. This function assures clear sharp sound at all times. - Slim Body & Lightweight. The 7.76-ounce (220g) lightweight and 1.2 inch (30.5mm) slim body is the new benchmark for floating marine transceivers. - Large LCD, Simple User Interface. The IC-M25's LCD is 30% larger than the IC-M24's and clearly shows large channel number and status icons. The buttons on the front panel are well laid out and provide simple [...] more at islandwaterworld.com

LC00025 $210.00

Icom | Handheld VHF Radio IC-M36 Floating

The M36 automatically adjusts the outgoing voice and the incoming audio to compensate for the ambient noise level. Whether you're in a loud environment or in a quiet area, the M36 ensures your radio conversation is sent and received as clearly as possible. And yes, it floats. Continuing the legacy of the M34, the M36 floats back up to the surface if dropped overboard, even if the optional speaker microphone, HM-165, is attached. It features a LOUD button: When you need an instant 'boost' in the volume, a simple push of the LOUD button gives you full volume immediately. In addition, holding the LOUD button mutes the audio output. The sub microphone on the rear panel inverts phase and cancels out ambient noise from the main microphone. As a result, the M36 reduces the effect of background noise (particularly trebly noise) from the transmitted signal and makes it easier to catch voice communication. When in an engine room or high noise environment, the sub microphone detects the ambient noise and the M36 automatically increases the volume output to suit the surrounding environment. Although the M36 delivers a high 6W RF output and 700mW audio output, its current saving circuit offers [...] more at islandwaterworld.com

LC00036 $247.00

Icom | Handheld VHF Radio IC-M73 Submersible

Compact slim and ergonomic design for one handed operation. 6W submersible hand held VHF. IPx8 submersible waterproof rating. 700mW audio output power in internal speaker. Meets MIL-STD810 military standards. 18 hour battery life.

LC07301 $270.25

Icom | Handheld VHF Radio IC-M73 PLUS Submersible

Icoms newest handheld VHF radio, the IC-M73 Euro Plus, builds on many of the features that made the IC-M71 the choice of many maritime professionals across the globe but also incorporates two new important features; a new voice recording function and Icom's active Noise Cancelling Technology. - Features: Last Call Voice Recording, automatically saves the last incoming call for up to 1 minute. Active Noise Cancelling Technology reduces background noise by up to 90% and improves both your transmitted voice and incoming call. Bass Boost Function. 00mW Loud Audio. 6W RF Output Power. PX8 Advanced Waterproofing. Slim, Hourglass Body, Wide Viewing Angle LCD. AquaQuake water draining function. Battery indicator shows remaining battery power in 4 levels. High Capacity 2000mAh Li-Ion Battery.

LC07302 $324.95

Standard Horizon | Handheld 6W Floating VHF Radio ...

The advanced HX870 floating handheld VHF/GPS includes a 66-channel WAAS GPS receiver, allowing you to transmit a DSC distress message, report your position or send calls with your coordinates, perfect for everyday use or adding to your ditch bag. The workhorse HX870 includes 6W of transmit power, a die-cast chassis, IPX8 submersible waterproof rating and long-lasting 1,800mAh Li-Ion battery. GPS capabilities include navigation to a waypoint, DSC (Digital Selective Calling) functions including Position Request, Position Report and waypoint entering. Store up to 200 waypoints and 20 routes, which may be selected for navigating to via the radios unique compass page. The compass page can also display the position of up to nine vessels in proximity to you via the new GM (Group Monitoring) feature. Advanced features include the Easy to Operate Icon/Menu System, ten-channel preset key selection, USB Data Port, GPS Position Logger, water activated SOS strobe light (the radio will turn on and flash SOS even if dropped in the water while the radio is turned off). Alkaline Battery tray, 12V DC and 110V AC three-hour rapid chargers included. Controls: 13-button keypad. Scanning Modes: [...] more at islandwaterworld.com

LC00870 Handheld 6W Floating VHF Radio HX870 w/Internal GPS & DSC $328.25

Icom | Handheld VHF Radio IC-M88 w/Li-Ion Battery Waterproof

This little marine VHF workhorse is incredibly compact, yet it feels comfortable in the hand. Go up to 24 hours without a recharge. Built military rugged, Icom's IC-M88 is completely submersible and offers a 1700 mAh Li-Ion battery. It's the most powerful, longest lasting Li-ion battery in the industry. The IC-M88 offers a whole slew of options and accessories, from waterproof microphones to full headsets, great for the commercial mariner. Yet, this radio is as easy to use as any other Icom handheld, which is to say it offers superior one handed operation, so any recreational boater will appreciate its friendly interface. 5W of power really gets your message out. For ease of use, powerful and long lasting Li-ion battery, and sheer performance, Icom's IC-M88 can't be beat. Compare and you'll see why Icom is best.

LC00088 $358.95

Radios / Single Sideband Radios

Icom | Automatic SSB Tuner AT-140

The Icom AT-140 tuner comes ready for simple antenna cable and power connections. When connected to the IC-M802 SSB, the AT-140 automatically bypasses tuning to improve frequency reception. Weather resistant unit features auto tuning and tune up time of less than 3 seconds. Designed specifically for e-mail and shortwave listening, the AT-140 allows use of the entire antenna for best reception.

LC00740 $687.50

Icom | SSB Radio IC-M802 w/Compact Remote Head

Digital Signal Processing increases average talk power and provides super-clear reception. Digital SSB with remote able control head offers Digital Signal Processing (DSP) to increase average talk power and provide super clear reception. Class E Digital Selective Calling provides reliable emergency communications. 32-bit floating DSP unit filters out noise. A full keypad, over 1300 channels, wide band RX, Ham band TX and RX included, one touch e-mail access (an SSB first!) with no optional filters required, front panel headset jack and many more unique features make this ICOM's most advanced SSB ever. Channels: 1355 total, 160 programmable, 662 ITU voice/data. Frequency: Receive 0.5 - 30MHz, Transmit 1.6 - 27.5MHz. Transmit power: 20/60/150W. Display type: Backlit, dot matrix LCD. Lighting: 10 level adjustable backlighting. Controls: Remote control head, rotary knobs, backlit pushbuttons and spring loaded distress cover. Interfacing: RS-232C port (Modem, GPS, NMEA 0183 input), DSC and headphone jack. Audio output: 4.0 W. Tuner: Optional automatic AT-140. Two year warranty.

LC00802 $2,597.50

Receivers - AIS

Icom | AIS Receiver IC-MXA-5000

Icom's MXA-5000 AIS (Automatic Identification System) receiver will pick up real- time transmissions from vessels that use an AIS transporter. Such transponders are now required for SOLAS vessels by SOLAS regulations. The AIS transponder sends accurate navigation information such as: Static information: vessel call sign, name MMSI number, dimensions and type. Voyage-related information ù draft, cargo type, destination and estimated time of arrival. Dynamic information: time in universal time, coordinated, latitude/longitude position, course over ground, speed over ground, heading, rate of turn and navigational status.

LC05000 $550.00

Wifi

Data-alliance | WiFi Cable Extension RP-SMA 20 ft

One end has a RP-SMA male connector, and the other end has a RP-SMA female (bulkhead type) connector. This cable is 6m (20ft). Cable is low loss and very flexible. Antenna cable for wireless, WiFi network: 802.11N, 802.11G, 802.11B, 802.11AC, 802.11A, WiMax, 3G & 4G. 2.4Ghz or 5Ghz applications.

DT00056 $22.25

WiFi antenna, 9 dBi omni directional antenna for WiFi, wireless networks. It has a magnetic base and 1.5m (5ft.)cable to RP-SMA (male) connector. Fits most PCI wireless cards which have an RP-SMA female jack.

WiFi Antenna Omni Directional w/Magnetic Base 5 ft Cable 9dBi
DT05025 $25.55

Data-alliance | Alfa AWUS036AC Wifi USB Adapter w ...

Amazing Data Transfer Speeds: N 300Mbps, AC 867Mbps. Supported Standard's: 802.11a, 802.11b, 802.11g, 802.11N, 802.11ac. Wide Range: Includes 2 Dual-Band (2.4GHz / 5GHz) Removable 5dBi Rubber Duck Antennas. Supports Windows XP, Vista, 7, 8.1, Mac 10.5, 10.6, 10.7, 10.8, 10.9, 10.10 & Linux. Wireless Security: WEP 64-Bit, WEP 128-Bit, WPA-PSK, WPA2-PSK.

DT00036 Alfa AWUS036AC Wifi USB Adapter w/Desktop USB Mount/Cradle $74.50

Bitstorm | WiFi Hot Spot Bad Boy Unleashed N

Unleashed N is capable of providing a large hotspot by allowing adjustable output power up to 33dBm (2W) EIRP - that's about 50x more powerful than a typical home router. When suitably mounted, this can provide a range of 1 mile or more. So you can turn down the power while close by and supersize when needed.

BY20001 $166.95

Bitstorm | WiFi Antenna Bad Boy Xtreme w/75 ft Cable 100 Mbps

The Bad Boys are the new kid on the Wi-Fi block, bringing you high power devices to get you connected. The biggest problem is often the line of sight that's needed for Wi-Fi. Surroundings that have water, wood and metal all conspire to reduce range. Then there's the miniscule power that laptops put out, you can see the hotspot access point but it can't hear your laptop. Unlike laptops and other mobile devices which put out only 35-50mW, this Bad Boy puts out up to 4W (36dBm) of power to get you connected and keep you connected.The data goes to your computer via a digital (not analog) outdoor grade shielded cable. And since it's digital, you can locate your Wi-Fi device in the best location up to 300ft (90m) away. Compatible with Windows, Mac, Linux... any operating system. Rugged, completely weatherproof and continues operating in extreme temperatures. Select Wi-Fi Access Points through your browser so there's no software to install. All digital outdoor, PVC jacket, UV protected cable, no coax antenna cable needed. Easy do it yourself installation, no special tools required.

BY10075 $388.95

Bitstorm | WiFi Antenna Bad Boy Xtreme Metal Jacket w/Cable 75 ft

This is the bare bones version. Bitstorm's BAD BOY Xtreme gets you on the web. By putting the highest power Wi-Fi device available right at and connected directly to the antenna, the antenna cable is eliminated so it pulls in and locks onto the weakest signals. What this means is that all of the available power (36dBm or 4W EIRP) goes out the antenna for maximum range and reception. And the data goes to your computer via a digital (not analog) computer grade cable. And since it's digital, you can locate your Wi Fi device in the best location up to 300ft (90m) away. No more compromises. The biggest problem is often the line of sight that's needed for Wi Fi. Surroundings that have water, wood and metal all conspire to reduce range. Then there's the miniscule 35-50mW that laptops put out, you can see the hotspot access point but it can't hear you. Unlike laptops and other mobile devices, this Bad Boy puts out up to 4W (36dBm) EIRP of power. Compatible with Windows, Mac, Linux, any operating system. Rugged, completely weatherproof (IP65) and continues operating in extreme temperatures. Select Wi Fi Access Points through your browser so there's no software to install. GPS -iPad, Android

Bad Elf | GPS 1000 For iOS Devices 30 Pin USB

Tiny plug in iPad GPS specifically made for Apple devices. Now you can add accurate, reliable GPS information to your favorite marine and aviation apps with this tiny GPS. Just plug it into the bottom of your iPad or iPhone, the Bad Elf locks on fast and keeps itself charged. 66-channel WAAS GPS for excellent accuracy. Uses the iOS device's standard 30-pin dock connector, so it won't interfere with most cases (not compatible with iPhone 55S, iPad 4, iPad Air or iPad Mini). Micro USB port allows you to charge and sync your iPad while using the Bad Elf. Free app (available in the iTunes app store)allows for firmware updates. Works with iPad 1, 2 and 3 and iPhone 3G, 3GS, 4 and 4S (not iPhone 5, iPad mini or iPad 4). Includes detachable lanyard and micro USB cable. The 3G model of the iPad, in addition to its built in cellular antenna, also includes an internal GPS. The GPS is completely separate from the 3G data service, so you don't even have to have an active data plan for the GPS to work. You could buy the 3G model purely for the GPS and never activate the data plan, saving yourself some money. But the on board iPad GPS was made for ground use, and it's not very reliable in the [...] more at islandwaterworld.com

RADAR

Furuno | Signal Cable For Radomes & Displays 10 m ...

Signal cable assembly, 10 pin connection for connecting furuno radomes to display units for the following systems: 1621, 1621MK2, 1622, 1623, 1715.

Signal Cable For Radomes & Displays 10 m
LC241702 $185.88

Signal Cable For Furuno Radomes & Displays 15 m
LC241703 $429.95

Furuno | Radar 1623 16NM w/o Cable Silver Bright Display 6"

Radar system with 15" radome. Small in size, the 1623 is big on power, clarity and advanced radar features. The slim line monochrome LCD display and lightweight radome antenna make it ideal for power or sail boats as small as 17ft. This 2.2kW radar has a 16 nautical mile range, yet will zoom down to 1/8 nautical mile for tight navigation in harbors and inlets. The 1623 radar lets you readily identify objects, thanks to a high definition 6" silver bright LCD screen that clearly separates targets. Plus, the four tone target display lets you easily differentiate between stronger and weaker echoes, helping to alert you of any danger.

LC21623 $1,695.00

Si-tex | 24NM Radar w/7" Color Touch Screen, 4kW Dome & 10m Cable

The newest member of the Si-Tex Marine Electronics radar family takes single station radar performance to a completely different level. The T-760 integrates new features such as a touch screen user interface, 50 target AIS tracking and 10 MARPA targets. Measuring in at a little less than 5.4" wide by 8.9" high and 3.5" deep with a 7" color LCD display, the T-760 is compact enough to fit the needs of most users regardless if you're sailing, cruising or fishing. While small in size, this 4KW radar has a range of up to 24NM along with multispeed rotation.The series includes the T-760, equipped with an 18-inch compact radome antenna for rock-solid performance in a wide range of conditions and range scale choices from 1/8th nm to 24nm. Among many other notable standard features of the T-760 Series are Relative Motion, True Motion, North-Up, Head-Up and Course-Up presentation modes, Auto or Manual Sea/Rain Clutter modes. Control of all these features is achieved via the T-760's touch screen LCD display and rotary dial, for a simple and intuitive menu interface. -

LC04760 $2,360.00

Furuno | Radar 1715 24NM w/o Cable Silver Bright Display 7"

A high contrast LCD radar designed for pleasure craft and small fishing boats. Radar echoes are presented in four shades of gray on the 7" silver bright LCD. The radar offers detailed pictures of coastline and targets at short ranges thanks to narrower pulse lengths and dual IF bandwidths. The antenna rotation speed automatically changes depending on the range selection for optimum target detection. The compact, waterproof display allows tabletop or panel mounting in the cockpit or on the open fly bridge. The radar has a power saving Watchman mode. In this mode, the antenna is stopped and the transmission is off, while the screen displays NAV data only. The radar wakes up at a specified time interval (5, 10 or 20 minutes) and operates for a minute. If a target enters the Guard Zone, an audible alarm sounds and the radar goes into its normal operating mode, canceling the Watchman mode. The alarm may also be set to work for a target leaving the Zone. Standard features include: EBL (Electronic Bearing Line). VRM (Variable Range Marker). TLL output (Target L/L). Cursor L/L readout. Echo trail. Guard Zone alarm. Anti rain. Automatic control of tuning and sensitivity. High contrast 7" [...] more at islandwaterworld.com

Advansea transom mount Airmar P58 for C.56 Combo. Dual frequency, speed and temperature. 50/200kHz. Beam width 45/11 degrees. 10m cable. LT6F connector. Connects to all 50/200kHz depth transducers.

Transom Mount Transducer Airmar P58 Dual Frequency Speed/Temperature
PL57769 $119.45

Advansea | Thru Hull Mount Transducer Removable Speed/Temperature

Thru hull mount transducer for AdvanSea S400 series.

PL40640 $149.25

Advansea I Thru Hull Mount Transducer Airmar ST85 ...

Airmar ST850, 45knts, removable thru hull fitting with an anti return valve.

Thru Hull Mount Transducer Airmar ST850 Removable Speed/Temperature
PL57768 $166.95

Advansea I Transducer Depth - Thru Hull - for S400 models

Plastic thru-hull mount transducer, performs well at high speeds. An excellent choice for fiberglass and metal hulls, this 8-pin 600 W transducer has a depth of 800 to 1,200 ft; an operating frequency of 50 to 200 kHz; a beamwidth of 45 to 12 degrees; and a 0 to 7 degree deadrise. Transducer kit comes with installation instructions. Follow the instructions carefully to avoid damaging your boat. Do not use on wood hulls. When using with a 6-pin Garmin sounder, transducer adapter cable part number 010-11612-00 is required.
PL61669 $169.50

Advansea I S400 Speed & Log Display LRG Digital Readout

Delivers all speed, distance, time and temperature data, together with countdown function. The AdvanSea S400 series uses cutting edge technology to provide accurate data for cruisers or racers. Accuracy, optimal legibility, flexibility and ease of installation are the key benefits of the S400 series, together with easy intuitive operation with direct function access. LCD screens with wide angle viewing and super size digits for unmatched visibility. Watertight display fascia (IP66). Displays feature an antifogging coating for optimal safety even in extreme conditions. The S400 series is available with a choice of compatible transducers manufactured by Airmar or Plastimo. The instruments can also operate as 'stand alone' with intelligent transducers or an NMEA0183 source. The AdvanSea depth, speed and multi instruments are fully compatible replacements for the Navman 3100 and Northstar 310 series, as the same transducers can be used.
PL57749 $246.75

Advansea I S400 Depth Instrument Display w/Giant ...

Display only. Hi performance depth sounder with giant digits (45mm). The advanSea S400 series uses cutting edge technology to provide accurate data for cruisers or racers. Accuracy, optimal legibility, flexibility and ease of installation are the key benefits of the S400 series, together with easy intuitive operation with direct function access. LCD screens with wide angle viewing and super sized digits for unmatched visibility. Watertight displays feature an anti fogging coating for optimal safety even in extreme conditions. The S400 series is available with a choice of compatible transducers manufactured by Airmar or Plastimo. The instruments can also operate as 'stand alone' with intelligent transducers or an NMEA0183 source. The advanSea depth, speed and multi instruments are fully compatible replacements for the Navman 3100 and Northstar 310 series, as the same transducers can be used.
PL57748 S400 Depth Instrument Display w/Giant Digits w/o Transducer $267.75

Advansea I S400 Multi Instrument Display LRG Digital Readout

The AdvanSea S400 series uses cutting edge technology to provide accurate data for cruisers or racers. Accuracy, optimal legibility, flexibility and ease of installation are the key benefits of the S400 series, together with easy intuitive operation with direct function access. LCD screens with wide angle viewing and super size digits for unmatched visibility. Watertight display fascia (IP66). Displays feature an antifogging coating for optimal safety even in extreme conditions. The S400 series is available with a choice of compatible transducers manufactured by Airmar or Plastimo. The instruments can also operate as 'stand alone' with intelligent transducers or an NMEA0183 source. The AdvanSea depth, speed and multi instruments are fully compatible replacements for the Navman 3100 and Northstar 310 series, as the same transducers can be used.
PL57750 $295.95

Advansea I S400 Wind Display w/Masthead Unit & Ca ...

Complete with masthead unit and 25m cable. All essential wind data on a digital display. The AdvanSea S400 series uses cutting edge technology to provide accurate data for cruisers or racers. Accuracy, optimal legibility, flexibility and ease of installation are the key benefits of the S400 series, together with easy intuitive operation with direct function access. LCD screens with wide-angle viewing and super size digits for unmatched visibility. Watertight display fascia (IP66). Displays feature an anti fogging coating for optimal safety even in extreme conditions. The S400 series instruments can also operate as 'stand alone' with intelligent transducers or an NMEA0183 source.
PL57751 S400 Wind Display w/Masthead Unit & Cable LRG Digital Readout $582.95

Advansea I S400 Wind Direction Display w/Masthead Unit & Cable

Complete with masthead unit and 25m cable. Wind direction indication on a 360° analogue display. The AdvanSea S400 series uses cutting edge technology to provide accurate data for cruisers or racers. Accuracy, optimal legibility, flexibility and ease of installation are the key benefits of the S400 series, together with easy intuitive operation with direct function access. LCD screens with wide-angle viewing and super size digits for unmatched visibility. Watertight display fascia (IP66). Displays feature an anti fogging coating for optimal safety even in extreme conditions. The S400 series instruments can also operate as 'stand alone' with intelligent transducers or an NMEA0183 source.
PL57753 $593.25

Astra Instruments

Astra Yachts I GAMP 2000 NMEA Converter for Instruments

GAMP 2000 NMEA CONVERTER GAMP 2000 is the first router multiplexer access point able to bidirectionally convert NMEA 2000 - 0183. The most effective way for control navigation data, in the way you want, Wi-Fi or wired. A link between boat's old and new data networks. Convert and multiplex NMEA0813 in NMEA2000 and viceversa. Main benefits of the new GAMP 2000 are: - upgrade NMEA 0183 equipment to NMEA 2000; - allow NMEA 0183 devices to receive NMEA 2000 data; - use the NMEA 2000 bus to multiplex sever- al NMEA 0183 signals together from differ- ent instruments or sensors - stream data all the data through Wi-Fi in NMEA0183. Get all the benefit of Astra heritage with esa enabled GAMP, designed to be used with esa Regatta and esa Training app for sail world, both regatta and cruise. Register your navigation data on Micro SD, the management of recorded file is possible with dedicated free app Astra Dongle Recorder - Astra GAMP 2000 is based on an exclusive platform designed by Astra Yacht. Compatible with the most important nautical app for iOS and Android trough Wi-Fi NMEA 0183 Dedicated configuration software. Up to 5 user simultaneously connected trough Wi-Fi. GAMP 2000 Multiplexer [...] more at islandwaterworld.com
AY02000 $449.50

Astra Yachts I GAMP 2000 w/GPS NMEA Converter for Instruments

GAMP 2000 NMEA CONVERTER W/GPS In this version, GAMP 2000 is equipped also with an internal high speed GPS sensor (till 20 HZ). Obtain accurate, quick and reliable boat's position data to sail with best navigation data. The most effective way for control navigation data, in the way you want, Wi-Fi or wired. A link between boat's old and new data networks. Convert and multiplex NMEA0813 in NMEA2000 and viceversa. Main benefits of the new GAMP 2000 are: - upgrade NMEA 0183 equipment to NMEA 2000; - allow NMEA 0183 devices to receive NMEA 2000 data; - use the NMEA 2000 bus to multiplex sever- al NMEA 0183 signals together from differ- ent instruments or sensors - stream data all the data through Wi-Fi in NMEA0183. Get all the benefit of Astra heritage with esa enabled GAMP, designed to be used with esa Regatta and esa Training app for sail world, both regatta and cruise. Register your navigation data on Micro SD, the management of recorded file is possible with dedicated free app Astra Dongle Recorder - Astra GAMP 2000 is based on an exclusive platform designed by Astra Yacht. AY020001 $562.50

Astra Yachts | GAMP 2000 ESA Control Box

In this version, GAMP 2000 is enabled to use Astra's iOS apps esa Regatta and esa Training without any further costs. esa Regatta and esa Training are freely downloadable from the Apple App Store and it's possible to test them on your iPhone, iPad or iPod touch using the DEMO function, to catch their great potential. With esa Regattas is possible to get polar and performances of your boat in real time fully automatically. Best race software and easy to use with unique features.

AY12000 $675.95

Astra Yachts | GAMP 2000 GPS ESA Control Box

In this version, GAMP 2000 is enabled to use our iOS apps esa Regatta and esa Training without any further costs. esa Regatta and esa Training are freely downloadable from the Apple App Store and it's possible to test them on your iPhone, iPad or iPod touch using the DEMO function, to catch their great potential. In this version GAMP 2000 is equipped also with an internal high speed GPS sensor (till 20 HZ). Obtain accurate, quick and reliable boat's position data to sail with best navigation data.

AY120001 $787.50

Astra Yachts | Esa Instruments Cruise Pack w/Tran ...

The first instrumentation for regatta and cruise that allows to decide which sensors and instruments place on your own boat, basing on your needs, in total freedom and in any moment. The best solution for expand, organize or install on your boat the most advanced and simple instrumentation system in the world. Which sensors to be mounted on board? esa Instruments automatically manages the data coming from the boat, transmitting via Wi-Fi to iPhone, iPad, iPod touch or to the onboard displays. Complete and flexible system for cruise. Data available on fix display and mobile. (Wi-Fi). Open system to add any sensors and peripherals any time. For any crew level, easy to use.

AY30000 Esa Instruments Cruise Pack w/Transducers, Display, Compass & ESA Box $3,895.00

Garmin Instruments

Garmin | NMEA 2000 Female Terminator

The NMEA 2000 female terminator is used to begin or end the NMEA 2000 backbone. It should be installed on one side of a micro tee. -

LC011081 $12.50

Garmin | NMEA 2000 Male Terminator

The NMEA 2000 male terminator is used to begin or end the NMEA 2000 backbone. It should be installed on one side of a micro tee.

LC011080 $12.50

Garmin | NMEA 2000 Power Cable

The NMEA 2000 power cable is used to power your NMEA 2K network through a standard NMEA2000 T-connector.

LC011079 $23.15

Garmin | NMEA 2000 T-Connector

The NMEA 2000 T-Connector is required for adding components to your network. It is installed on the backbone cable and uses one end of the T-Connector for the drop cable.

LC011078 $25.00

Garmin | Adapter Cable 4 Pin to 8 Pin

8-pin transducer to 4-pin sounder adapter cable. Use this adapter cable to connect a Garmin 8-pin single/dual beam transducer to a Garmin 4-pin echoÖ series or STRIKERÖ series fishfinder.

LC00947 $26.50

Garmin | NMEA2000 Backbone/Drop Cable, 4m

Garmin 010-11076-04 4M Nmea 2K Backbone/Drop Cable.

LC011076 $29.50

Garmin | NMEA 2000 Starter Kit

The NMEA 2000 Starter Kit comes with all of the parts you need to start a NMEA2000 marine network. This kit includes a NMEA 2000 drop cable (2m), NMEA 2000 backbone cable (10m), NMEA 2000 power cable (2m), two NMEA 2000 T-connectors, NMEA 2000 male terminator and NMEA 2000 female terminator.

LC011442 $121.95

Garmin | Transducer, Through Hull P319

Airmar P319 200/50kHz Plastic Thru-hull Transducer (8-pin) provides depth and temperature data. This transducer has an operating frequency of 50 or 200 kHz and mounts on a 0-7° deadrise angle.

LC00319 $164.95

Airmar | Triducer DST800 Smart Sensor Depth/Speed ...

Airmar's DST800 Smart Sensor features embedded micro electronics. Depth, speed, and temperature signals are processed inside the sensor and can be displayed on any radar, chart plotter, or device that accepts NMEA 0183 or NMEA 2000 ® data. The 235 kHz frequency prevents mutual interference with other echosounders on the vessel. Single choice for depth, speed, and temperature. The DST800 is the market's first retractable TRIDUCER ® multisensor offering depth, speed, and temperature in a single, 51 mm (2") fitting. . Airmar's innovative housing design incorporates the popular self closing valve. When a transducer insert is removed, the valve minimizes water flow into the boat. Only one hole through the hull simplifies the installation, an attractive feature for boat builders and boat owners alike. You also get true water temperature readings with the DST800's reliable temperature sensor. Compatible with Garmin GMI 10 Instruments.

LC110510 Triducer DST800 Smart Sensor Depth/Speed &Temperature Thru Hull Mount $352.95

Garmin | Wind System GWS 10 w/GMI 10 Display

A complete wind system comprising of the new GWS10 masthead unit and a GMI20 multifunction display. This new GWS 10 wind sensor offers a real edge and provides the ability to gather wind speed and direction measurements, barometric pressure and air temperature with a single, integrated unit. The GWS 10 installs with ease, providing data output to your Garmin display via NMEA 2000 cable and bus (which also powers the GWS 10). It's designed to interface with Garmin's GMI 10 & 20 universal instrument display. This 'smart' transducer also adds barometric pressure and air temperature data., offering weather station capabilities. The wind sensor is designed with elliptical cups, scientifically proven to be most sensitive to wind speed allowing the GWS 10 to measure wind speeds as low as 0.5 knots. The GWS 10 features a wind vane for detecting wind direction and an anemometer for wind speed. Weather station provides barometric pressure and air temperature data. In combination with the on board display and other sensors, the GWS 10 offers data such as apparent and true wind angle, apparent and true wind speed, wind vmg, tack heading, ground wind, pressure trend, air temperature, set and [...] more at islandwaterworld.com

LC007470 $1,026.49

NMEA

Ancor | NMEA 2000 Male Terminator

Ancor's NMEA 2000 Certified Terminators allow for proper termination of an NMEA 2000 network. The yellow nuts connect to the corresponding Ancor tees, creating a simplified, color coded network installation. One male and one female terminator is required for each NMEA 2000 network. Color coded for easy installation and component identification NMEA 2000 Certified, 100 percent universal and compatible with other manufacturers' products.

AB270106 $14.50

Ancor | NMEA 2000 Single Tee Connector ...

Ancors NMEA 2000 Certified Tee Connectors offer connection between NMEA 2000 drop cables and backbone cables. The yellow nuts connect to the corresponding Ancor tees and backbone cables, creating a simplified, color coded network installation. The connectors are offered in four configurations for maximum installation flexibility. The two way and four way tee connectors allow for multiple drop cables to be connected without additional backbone cable. Color coded for easy installation and component identification NMEA 2000 Certified, 100 percent universal and compatible with other manufacturers' products.

AB270101 NMEA 2000 Single Tee Connector $20.50
AB270103 Ancor NMEA 2000 Two Way Tee Connector $35.95
AB270104 Ancor NMEA 2000 Four Way Tee Connector $45.95

Ancor | NMEA 2000 Drop Cable 5 Meter

Ancor's NMEA 2000 Certified Drop Cables offer connection between an NMEA 2000 device and tee connector. The black nuts connect to the corresponding Ancor tees creating a simplified, color coded network installation. The drop cables are smaller in diameter and more flexible than backbone cables for easy connection to NMEA 2000 devices. The drop cables are available in four lengths from 0.5 meter (1.6 feet) to 5 meters (16.4 feet) to cover a wide variety of applications. Color coded for easy installation and component identification Super flexible 22 AWG power conductors for ease of installation and wire routing NMEA 2000 Certified, 100 percent universal and compatible with other manufacturers' products.

AB270305 $33.95

Ancor | NMEA 2000 Dual Device Starter Kit

Ancor's NMEA 2000 Certified Starter Kits include all components needed to create a dual device NMEA 2000 network. Each kit includes: 1 meter power cable with tee, item# 270000 Male and female terminators (1 each), item# 270105 and 270106 One dual tee connector, item# 270103 Two 2 meter drop cables, item# 270302.

AB270202 $112.95

SOUND SYSTEMS

Marine Stereos/Amplifiers

Pyle | Elite Series 400W Waterproof Amplifier, w/Bluetooth

The PyleElite Series Waterproof Bluetooth 400-Watt Amp (4 Channels) provides waterproof power for all of your speaker needs. The marine-grade waterproof construction and high-power efficiency ratings provide performance and reliability in rain or shine! This amplifier is perfect for the back yard, boat or even by the pool and features Bluetooth wireless music streaming ability. They work with all of your favorite devices and you will be able to instantly stream your favorite songs or Internet radio service providers, quickly and easily. Enjoy versatile waterproof performance and next-level sound amplification!

Pyle | Marine AM/FM/MP3/WMA Stereo w/iPod Interfa ...

This stereo from Pyle ® has an awesome feature, a pop-out dock that lets you charge and play music from your iPod or iPhone. It's also equipped with an AM/FM radio, USB/SD ports for your digital music, and a 3.5mm aux in jack on the front to hook up any other digital music player. The screen displays ID3 tags, relevant track information, and lets you move between songs. Adjust the tone, tuning, and volume with the rotary controls. Outputs 50W over 4 channels for 200W maximum.

JE00038 Marine AM/FM/MP3/WMA Stereo w/iPod Interface & Detachable Face $105.95

Pyle | AM/FM/MP3/CD Stereo w/Remote, USB

AM/FM Radio, CD-DA, CD-R/RW, MP3/WMA, USB, SD/MMC marine receiver. 40 Watts x 4 internal amplifier with single preamp output for system expansion. Attractive multi-color LCD display with "dancing spectrum" visual. Features USB port and SD/MMC slot for MP3/WMA playback; 3.5mm auxiliary input. 8x Oversampling. Bit D/A Converter. Program CD Tracks. Auto Power Loading. Anti-Skip Mechanism. Loudness Mute Button. 3-Beam Laser Tracking. Full Function LCD Display. Digital Compact Disc Player. PLL Synthesizer Stereo Radio. Minute, Second Track Display. Auto Station Memory Function. CD-R & CD-RW Disc Compatible. 30 Station Memory (18FM/12AM). USB, SD & Auxiliary Input Functions. 4 x 40 Watts Maximum Total Output. Full Function Wireless Remote Control. AM/FM MPX Electronic Tuning Receiver. Chassis Dimensions: 7.0" W x 7.0" D x 1.96" H. -

JE00154 $126.25

Pyle | AM/FM/MP3/CD Stereo w/Remote, USB

AM/FM MPX Electronic Tuning Receiver. In-Dash Marine CD/MP3 Player. 8x Oversampling. Bit D/A Converter. Program CD Tracks. Auto Power Loading. Anti-Skip Mechanism. Loudness Mute Button. 3-Beam Laser Tracking. Full Function LCD Display. Digital Compact Disc Player. Minute, Second Track Display. Auto Best Station Memory. 30 Station Memory (18FM/12AM). 4 x 50 Watts Maximum Total Output. Full Function Wireless Remote Control. Auxiliary Input Function. USB Function. Full Illumination Carrying Case. Chassis Dimensions: 7"W x 7"D x 1.96"H.

JE00155 $129.50

Aquatic Av | Hide-Away Bluetooth Stereo "Bluecube Media Player" ...

This stereo has no AM/FM radio or CD player. Instead it is designed primarily for streaming your music wirelessly via Bluetooth. There is also a stereo pair of RCA input jacks for patching in the audio directly from any source. The built in 4 channel amp can power up to 8 speakers wired in parallel. Waterproof (IPX65 rated) resistant to rain, splashing or hosing down (not submersion). Bluetooth audio streaming and volume control. 288 watts total peak power at 2 ohms (72 watts x 4 channels). 180 watts total peak power at 4 ohms (45 watts x 4 channels). 1 pair RCA aux audio inputs. 1 pair RCA preamp outputs for sending a clean signal to an external amplifier. Operation Voltage: 9.6V - 14.4V DC . Current Draw: 6mA (standby), 7A (max) . UV Protection: ASTM D4329 compliant, 500hrs stable . Salt/Fog Protection: ASTM B117 compliant, 500hrs stable. Dimensions (HxWxD): 7 3/4" x 4 3/4" x 2 3/8" . Includes Stainless Steel mounting hardware

LC10005 Hide-Away Bluetooth Stereo "Bluecube Media Player" $149.95

Pyle | AM/FM/CD BlueTooth w/Remote USB Port & SD/MMC Card

Marine In-Dash Fold Down Detachable Face Radio with CD/MP3/USB/SD/AUX Input and Bluetooth Wireless Technology. With Built-in 2.0 Bluetooth Technology you can stream audio directly from your hand-held A2DP Bluetooth enabled device with crystal clear wireless performance (iPhone, Droid, Blackberry, Tablets, Etc.) - 30 Station Pre-Set Memory 18FM/12AM. AM/FM MPX PLL Synthesizer Stereo Tuner - Front. Auxiliary 3.5mm / 1/8-Inch Input jack (Direct headphone input from a portable MP3/CD/iPod/etc) - Blue. Illumination with LCD Digital Display & ID3 Tag. CD/CDR/CD-RW Compatible - Fold-Down Anti-Theft. Detachable Face Plate - 240 watt total output (60w x 4). Full Size USB Port & SD/MMC Card port for MP3/WMA. Digital Music file playback - Full Function Wireless. Remote Control - Dimensions: 7-Inch W x 4.72-Inch D x 1.98-Inch H. Digital Volume/Balance/Bass/Treble & Fader Control - Seek/Scan Function.

JE00153 $164.95

Poly-planar | Amplifier ME60 4 Channel w/Volume Control 120W

The ME60 is a four channel, 120W RMS audio, amplifier delivering up to 30W RMS per channel. It has a compact, water resistant design that allows for flexible mounting possibilities, and makes it simple to expand the audio system capabilities for any installation. Add additional loudspeakers to a current audio system, provide amplification for a separate audio zone, use as a stand alone system amplifier for any audio source and power standard speakers or speakers and subwoofer.

PP00060 $176.25

Fusion | Wired Remote Control/Repeater NRX200i; w ...

Introducing the MS-NRX200i NMEA 2000 Certified Wired Remote Control, which is out of the box NMEA 2000 ready and includes all necessary cables to connect to an existing network. Install a MS-NRX200i Wired Remote in each of the independent audio zones of your vessel, for localised zone volume level and global source control. Control each audio zone independently from multiple remotes connected to your compatible FUSION marine stereo, or manage the entire entertainment experience from a single remote control. The Large 2.6" Daylight viewable LCD will display multiple lines of text, for easy navigation of your iPod music library and full track, artist and song duration display. The fully sealed enclosure of the MS-NRX200i is rated IPx5 water resistant, ideal for installation around the boat or on the deck. The MS-NRX200i comes complete with all the necessary cabling for quick and simple integration to an existing NMEA 2000 network, there is no need to run additional cabling to the FUSION marine stereo. Simply connect the marine stereo and the MS-NRX200i to the same backbone for instant communication. The MS-NRX200i is also compatible with all FUSION-Link partnerd [...] more at islandwaterworld.com

FU00200 Wired Remote Control/Repeater NRX200i; w/NMEA 2000 Cable & Fittings $210.55

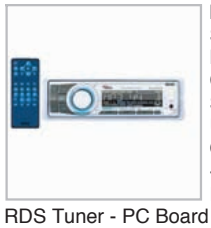

Poly-planar | Marine AM/FM/CD/MP3/WMA Stereo MR45 ...

MR45C is the AM, FM, CD, MP3, WMA and No Sirius version. It is a stereo receiver designed specifically for the marine environment with adjustable backlight display and flip down face design. Front and Back AUX input available for your MP3 music device and iPod ®. USB input available to play your music in a USB flash drive.

PP00045 Marine AM/FM/CD/MP3/WMA Stereo MR45C White w/o Sirius $221.95

Poly-planar | 120W Amplifier w/Bluetooth ME60bt 4-Channel

The ME60BT is a four channel, 120 Watts RMS Bluetooth wireless audio amplifier capable of delivering up to 30W RMS per channel. It has a compact, water resistant design that allows for flexible mounting possibilities. The control keypad is designed to withstand installation in the gas zone of a portable spa and is equally suited for use in a marine environment. The unit accepts either audio streamed via Bluetooth connection or hard wired input via RCA input. The waterproof control pad is easily mounted as the body of the keypad is threaded and the large mounting nut is tightened against the back side of the mounting surface. Keypad Controls: o Power - on/off o Input mode - Bluetooth or direct o Play/pause - available in Bluetooth mode o Track forward/repeat - available in Bluetooth mode o Volume up/down - available in both Bluetooth and direct mode

PP00061 $234.95

Jbl Marine I Marine AM/FM/CD Stereo MR-18.5 Waterproof Face

This stereo will play standard audio CDs and also CDs burned with MP3 or WMA files. You can easily fit a dozen albums in MP3 format on one CD. In addition, the rear RCA Aux inputs can be used to patch in the audio from iPods, iPhones, MP3 players or smart phones. Thoroughly developed for the marine environment with circuit boards that are encapsulated in a newly developed PUC moisture coating which dramatically improve reliability. Unlike the coating used by most companies in the marine industry, PUC coating is visible under a black light. This makes it possible to visually inspect every unit to make sure that the circuit board has been fully covered. Waterproof faceplate resists rain and splashing. Wireless remote ready (requires MIL-RF9 remote sold separately). 180W peak power (4 channels x 45W). 1 pair of RCA preamp outputs for sending a clean signal to an amplifier. Flip down waterproof face covers the CD slot. ESP Electronic Shock Protection virtually eliminates CD skipping. Rear RCA Aux Inputs to attach MP3 player, iPod, etc. (adapter required). Positive LCD display. Rotary encoder for convenient control. Bass, treble, balance controls. Preamp fader control. Electronic [...] more at islandwaterworld.com

LC10018 $295.00

Fusion I Entertainment System MS-RA70

Introducing the MS-RA70, FUSIONs sleekest value-packed marine stereo, designed to deliver a quality on-water entertainment experience by incorporating some of the latest marine technologies. Engineered to seamlessly replace any standard DIN sized non-marinised stereo without the need to reconfigure dash space. Clever styling allows an installer the option of either mounting the stereo with a conventional dash finish or an option to integrate into a glass helm with a flush surface mount, ensuring a high-end installation. Stream your favorite soundtrack from any compatible device with control available from the stereo or your connected smart phone via the FUSION-Link Bluetooth app. Simply download the free Apple or Android FUSION-Link remote control app for Bluetooth from iTunes or Google Play and enjoy localized zone control, source navigation, track selection and the freedom of wireless control. With two independent audio zones available, each with advanced localized menu controls, including zone naming, you can easily customise and control your listening experience in each zone. Note: Line Out/Sub Out requires additional amplification (Linked to Zone 1). -

Aquatic Av I Bluetooth/MP3/FM/USB/iPhone/iPod Med ...

The AQ-DM-5UBT Digital Media LockerÖ is a high quality, robust and durable waterproof marine grade stereo for use with Bluetooth, USB, iPhone, iPod and MP3 devices. Fits most smartphones, including larger models such as the Samsung Galaxy Note 2. Simply insert your digital media device (iPhone, iPod, smartphone, USB or MP3) into the locker, close the door and turn it on! Control your device via the external door controls or remotely using the fully waterproof, floating 2-way RF (Radio Frequency) remote control. The remote has a range of 40ft and displays song and track information on the LCD screen. IAP Bluetooth connectivity allows device information, such as song, playlist and album titles, to be streamed wirelessly and viewable on the remote control's LCD screen. The waterproof AQ-DM-5UBT features an onboard 288W amplifier capable of powering up to 8x speakers, or a combination of speakers and subwoofers, 2x high-quality RCA (phono) pre-outs for connecting an external amplifier (AQ-AD600.4 or AQ-AD300.2) or powered subwoofer and a host of other features such as DSP EQ, 12V trigger and FM radio with 3x pre-set memory. As with all Aquatic AV waterproof or marine stereos the [...] more at islandwaterworld.com

LC10025 Bluetooth/MP3/FM/USB/iPhone/iPod Media Locker w/288W Amplifier $338.95

Fusion I Entertainment System MS-RA70N Multi-Zone, NMEA Capable

Introducing the MS-RA70N, FUSIONs sleekest value-packed marine stereo, designed to deliver a quality on-water entertainment experience by incorporating some of the latest marine technologies. Engineered to seamlessly replace any standard DIN sized non-marinised stereo without the need to reconfigure dash space. Clever styling allows an installer the option of either mounting the stereo with a conventional dash finish or an option to integrate into a glass helm with a flush surface mount, ensuring a high-end installation.

FU000701 $351.25

Poly-planar I Amplifier ME400D Class D Power4 Channel 500W

The ME400D class D power amplifier provides 500W (125W x 4 CH) of crisp, clean audio power. This amplifier can be easily configured to enhance your listening pleasure. Gold plated connections resist corrosion. Efficient heat sink design ensures uninterrupted operation. The ME400D will be an outstanding addition to your vessel's audio system.

FU00650 $564.70

Fusion | 5-Channel 1600W Digital Amplifier

Introducing our most efficient, stunning and powerful marine amplifier. The stainless steel MS-DA51600 will resist corrosion and the incredible 1600 watt output (peak) will power 4 speakers and 1 subwoofer with ease. The MS-DA51600 is FUSION's first 5 Channel Class-D Hi-Fi Marine amplifier; the key benefit of a Class-D amplifier is low battery drain with a high output, making this the perfect amplifier for the marine environment. The MS-DA51600 has conformal coated PCB's for maximum product life and performance plus the amplifier chassis acts as a heat sink; reducing component core temperature and increasing efficiency. The stainless steel cover hides away the amplifier set up controls and connections for a discrete, attractive look. Outputs include Subwoofer plus four speaker channels for sound front and rear. RCA line-level inputs are included, for easy connection to new or existing systems. -

FU01600 $611.95

Fusion I 7" High Performance 2-Way Speaker, 260 W ...

FUSION's Full Range Marine Speakers are designed and engineered specifically for the marine environment. FUSION's marine speakers include design innovations and materials that not only produce great sound, but also ensure a sustained high performance level during prolonged exposure to the marine elements. Incorporating the latest German 'CURV' cone technology and titanium tweeter dome for clear, powerful sound in the harsh marine environment. 'CURV' technology incorporates a woven fibre composite which is heat pressed to form a lighter and stronger cone. This creates greater sound definition, higher output and greater resistance to the marine environment. Engineered to minimise magnetic interference to navigational equipment. 7" 2-Way Speakers, 260 Watts Max Power -

FISHING RODS & REELS

Reels / Daiwa

Daiwa | Dendoh Power Cord 2.7 m

Replacement, 2.7m power cord for Dendoh electric power assist reels.

DA00270 $65.85

Daiwa | Fishing Reel Seagate Levelwind SGTLW60H w ...

These are built for reliable service in fresh or saltwater. A choice of 50 and new 60 sizes offer the line capacity needed for Great Lakes style trolling with lead core and copper wire lines. Features: Rugged, corrosion proof composite frame. 4 bearing system. Dual system infinite anti reverse. Ultimate tournament carbon drag (UTD). Oversize line guide aperture for copper wire line. Loud spool click. Fast 6.1 to 1 gear ratio. Oversize soft touch handle knob.

DA11060 Fishing Reel Seagate Levelwind SGTLW60H w/Oversize Soft Touch Handle Knob $184.25

Daiwa | Saltist STT6500H Jigging/Casting Spinning Reel

As the Saltist name implies, these reels were designed for all-out serious saltwater fishing. And that means simple, straight forward mechanisms that can withstand the punishment and still work flawlessly, time after time. With features such as a manual bail trip for fewer moving parts for greater strength and reliability. These reels even have a dual, full-time anti-reverse you can depend on, with no lever to accidentally turn off or snag line. Reliability and performance - that's Saltist.

DA06500 $277.95

Daiwa | Fishing Reel Power Assist Tanacom 1000 w/LCD Display

The versatile Tanacom 1000 makes deep drop fishing easier for anyone. Fight 'em on the handle and let the power assist do the drudgery of retrieving heavy sinkers from the depths when it's time to check your bait. New LCD display reads out in English for easier programming. Oversize line guide aperture to clear large knots and kite swivels. Automatic stop and jigging features. Variable speed power lever control. Line counter and depth memory. Sealed electronics package. Manual winding option. Washable design. 12V system (12V-16.8 V). Sealed drag system.

DA01000 $666.95

Daiwa | Fishing Reel Tanacom Bull TB1000 Power Assist w/LCD Display

The ultimate kite and deep drop reel saves your arm and time. Quickly winds in and stops automatically at the boat. With plenty of power and capacity for deep drops, the Tanacom Bull will tackle anything that swims down deep. Smaller, lighter and easier to use than ordinary 'electrics'. Yet, despite their sleek, lightweight design, these reels give up nothing when it comes to power and performance. It boasts up to 32kg of maximum continuous (70kg maximum instant winding power) winding power and can retrieve up to 130m per minute. Features: Programmable jigging function. Brass and aluminium bronze gearing. Four ball bearings. Rod clamp. Daiwa's unique Power Lever for instant control of winding speed and power. Digital readout measures line let out and distance retrieved from the bottom. Programmable Auto Stop feature stops winding when lure reaches the surface. Manual winding option. Convenient 12VDC operation. Washable design with sealed electronics. Power cord and reel bag included.

DA11000 $1,110.95

Daiwa | Fishing Reel Seaborg 1000MT Power Assist w/LCD Display

These reels take deep drop fishing innovation to a whole new level, allowing anglers to shift instantly between high power and high speed ranges with the push of a button. Technologically advanced yet easy to use Seaborg Megatwin lets you increase either retrieve speed or winding power to suit the particular angling situation. Want to bring up your rig at warp speed to re bait? No problem, just use the high speed mode. Need extra torque to move big fish off the bottom? You can turn your Seaborg into a super winch by simply pressing the 'power' button. Having two speed ranges on demand ushers in a new era of functionality for deep drop fishing, making accessing and landing some of the oceans biggest, best eating game fish easier and more efficient than ever.

DA21000 $1,495.98

PR1206107 $125.75

Penn | Battle 5000 Spinning Reel ...

The PENN Battle II offers attractive cosmetics, durable design, and silky smooth HT-100 drag as just a few of the many reasons why so many anglers fish this reel. The Full Metal Body construction allows it to maintain precision gear alignment under severe punishment.

PR1206108 Battle 5000 Spinning Reel $137.25
PR1206109 Battle 6000 Spinning Reel $137.25

Penn | Fishing Reel Senator High Speed 114H2 Big Game 6/0

Constructed with a precision, stainless steel pinion gear and high strength, manganese bronze main gear. Stainless steel reinforced side plates. Anodized aluminium spool. Multi disc star drag system for smooth and consistent drag. Two shielded, stainless steel ball bearings. Convertible power handle. Heavy duty clicker. Graphite rod clamp. 390yds/60lb. Gear ratio 2.9:1. Weight 45oz.

PR187313 $165.75

Penn | Fishing Reel Conflict CFT6000 Spinning ...

The Penn ® Conflict features stealthy cosmetics, a lightweight design, and silky smooth HT 100 drag, these are just a few of the many reasons why so many anglers fish this reel. The metal body and side plate allow it to maintain precision gear alignment under severe punishment. The Techno Balanced rotor ensures a smooth retrieve with complete balance. With the Superline Spool no backing is needed because of the rubber gasket that keeps superlines from slipping. From striper to sailfish, the Conflict was designed to perform and engineered to last.

PR1292954 Fishing Reel Conflict CFT6000 Spinning $175.49
PR1292955 Fishing Reel Penn Conflict CFT8000 Spinning $195.95

Penn I Fishing Reel Squall SQL30LD Trolling Lever Drag

Penn ® designed the Squall Lever Drag reels with function and ergonomics at the top of the list. The lever drag does not protrude above the frame of the reel. This means there is no way for the line to loop over and hang up on the lever. Lightweight graphite frame and side plates. Forged and machined aluminium spool. High strength marine grade bronze main and pinion gear. Dura-Drag washers virtually eliminate hesitation, even under extreme drag settings. Switchblade harness lugs (50 and 60 sizes only). Ratcheted drag lever prevents 'drag creep', caused by hours of trolling and vibrations. 5+1 shielded stainless steel bearing system. Instant anti reverse bearing with silent back up ratchet. Mono capacity (yds/lb) 390/20, 350/25, 260/30. Braid capacity (yds/lb) 1025/20, 775/30, 550/50.

PR06093 $175.75

Penn I Fishing Reel Senator 115L2 Big Game 9/0 50 lb

This reel needs no introduction. Machined and anodized aluminium spool with high strength, marine grade bronze alloy main gear. Precision machined, stainless steel pinion gear. HT-100 washers provide smooth drag under heavy loads. Stainless steel frame rings enhance rigidity to prevent 'frame flex'. 2 shielded stainless steel ball bearings, multi disc star drag system for smooth and consistent drag. Stainless steel reel stand, convertible power handle and heavy duty clicker. The Senator's legendary toughness and low gear ratios gives anglers serious leverage against hard pulling fish.

PR199904 $191.25

Penn I Fishing Reel Squall SQL50LD Trolling Lever Drag

Penn ® designed the Squall Lever Drag reels with function and ergonomics at the top of the list. The lever drag does not protrude above the frame of the reel. This means there is no way for the line to loop over and hang up on the lever. Lightweight graphite frame and side plates. Forged and machined aluminium spool. High strength marine grade bronze main and pinion gear. Dura-Drag washers virtually eliminate hesitation, even under extreme drag settings. Switchblade harness lugs (50 and 60 sizes only). Ratcheted drag lever prevents 'drag creep', caused by hours of trolling and vibrations. 5+1 shielded stainless steel bearing system. Instant anti reverse bearing with silent back up ratchet. Mono capacity (yds/lb) 500/30, 420/40, 310/50. Braid capacity (yds/lb) 1050/50, 875/65, 750/80.

PR06095 $195.95

Penn I Fishing Reel Spinfisher V SSV9500

The Spinfisher series is already for more than 50 years the ultimate workhorse in the PENN range. This year we launch the new Spinfisher V series, stronger, smoother, a perfect drag system and fully seasled. For the first time Penn introduces the Spinfisher V Liveliner and the biggest reel ever, a size 10500 for extreme line capacity. The HT-100 Slammer Drrag is very smooth and can handle Spinfisher V, stronger than ever.

PU1259881 $203.25

Penn I Fishing Reel Fathom FTH40 Star Drag Trolling

Revolutionary Live Spindle design, and the improved configuration allows the spool to spin independently of the spindle and pinion gear, which significantly reduces friction experienced from the extreme acceleration of the spool when casting. Other reels using a 'fixed spindle' design slow the rotation of the spool and reduce casting distance. Additionally the Live Spindle improves the retrieve of the reel, because the spindle and pinion do not need to turn relative to each other during heavy loads, unlike a 'fixed spindle' reels that result in a difficult retrieve and erratic drag. Mono capacity (yds/lb)350/30, 300/40, 220/50. Braid capacity (yds/lb) 725/50, 600/65, 525/80.

PR38446 $239.50

Penn I Fishing Reel Fathom FTH25N Star Drag Trolling

Revolutionary Live Spindle design, and the improved configuration allows the spool to spin independently of the spindle and pinion gear, which significantly reduces friction experienced from the extreme acceleration of the spool when casting. Other reels using a 'fixed spindle' design slow the rotation of the spool and reduce casting distance. Additionally the Live Spindle improves the retrieve of the reel, because the spindle and pinion do not need to turn relative to each other during heavy loads, unlike a 'fixed spindle' reels that result in a difficult retrieve and erratic drag. Mono capacity (yds/lb)320/20, 290/25, 220/30. Braid capacity (yds/lb) 650/30, 450/50, 370/65.

PR38444 $239.50

Penn I Fishing Reel Senator 116L Big Game 12/0

Senator ® big game trolling reels feature stainless steel gears, ball bearings and proven star drag system. Side plates are protected by double chrome plated brass rings. Holds 1500yds of 60#, 1100yds of 80# and 875yds of 100# mono line.

PR01162 $444.40

Penn I Fishing Reel 50VW International V Series T ...

International ® VW single speed reels will quickly become the preferred choice of charter boat captains because of their ease of use and their dependability. Throw the lever into the strike position, set the hook, and crank like mad. Even the most novice of anglers and charters can handle that task of landing a trophy catch. Contrary to conventional wisdom, single speed International ® VW models are not slower than their two speed counnterparts and, more often than not, feature a gear ratio identical to the higher gear ratio of the two speed models. Line Capacity: 825yds/50lbs, 725yds/60lbs and 525yds/80lbs mono line. Gear ratio: 3.1-1. Weight: 74oz.

PR00511 Fishing Reel 50VW International V Series Trolling Lever Drag 50 lb $581.00

Penn I Fishing Reel 30VSW International VS Series ...

30VSW the flagship of the Penn ® International ® Lever Drag family of reels, the International ® V Series raises the gold standard for offshore anglers. The International ® V reels offer the most advanced and reliable fish fighting performance in the world, with an ergonomically designed, contoured, one piece machined frame, and unbelievable cranking power and strength. Distinctive pure gold color separates Penn ® from the impostors. Machine cut, heat treated stainless steel main and pinion gears, and Drag Cam powerful double disc drag with 150° drag quadrant. Graduated push to turn preset. One touch, shifting four aircraft grade, sealed, stainless steel ball bearings. Machined, gold anodized, one piece frame forged and machined spool and side plates. Stainless steel reel stand.

PR00301 Fishing Reel 30VSW International VS Series Trolling Lever Drag 30 lb $666.65

Penn I Fishing Reel 50VSW International VS Series ...

50VSW new generation two speed lever drag big game reel. Penn ®'s brand new, exclusive Bio Drive retrieve system makes the International ® 50VSW ideal standup angling for tuna, sharks, billfish and more. Combines an ergonomic design, new one touch shifting, Penn's powerful double disc HT100 drag and a new handle designed for a reel that fishes and cranks easier, even under the pressure of heavy fish. Rotary tuned lever drag. Contoured one piece machined aluminium frame, gold anodized for good looks and corrosion resistance, four stainless steel ball bearings and machined stainless steel main gear, pinion gear and drag cam. 3.1:1 & 1.3:1 gear ratios. Holds up to 525yds of 50#, 725yds of 60# and 525yds of 80# mono line..

PR00050 Fishing Reel 50VSW International VS Series Trolling Lever Drag 50 lb $721.95

Reels / Shimano

Shimano I Fishing Reel AX 4000FB Spinning

Shimano ® AX reels have rugged, lightweight graphite frames plus innovative features like varispeed and dyna balance for longer casts and smoother retrieves. AX reels are suitable for both freshwater and saltwater fishing, and accept mono, fluorocarbon, and PowerPro lines.

SF14000 $32.95

Shimano I Fishing Reel Sienna 4000 FE Spinning

The Shimano SN4000FE Sienna FE Spinning Reel is made with m-compact body. The oscillation gear in this reel is closer to the rod. This increases the balanced feel. This reel has Propulsion Line Management system incorporated into it for longer casts and reduced backlash. This reel features Super Stopper II for instant anti-reverse with no backplay.

SF04000 $42.95

Shimano I Fishing Reel Sedona 4000FD Spinning

Available in a variety of sizes, the Sedona FD incorporates top of the line features like propulsion, super stopper II and fluidrive II. The Shimano ® Sedona 4000 FD spinning reel has a cold forged aluminium spool with a propulsion lip design to provide consistent line speeds and prevent backlash. The super stopper II uses a 1 way roller bearing to eliminate back play, giving you instant hook setting power. Dyna balance eliminates wobble during retrieves by counter balancing the rotor to enhance sensitivity and smoothness. The fluidrive II gear system provides great control for smooth, powerful retrieves.

SF14011 $102.95

Shimano I Socorro 10000SW Spinning Reel

The Shimano Socorro SW (Salt Water) is the latest series of reels to earn the HAGANE CONCEPT badge which means our engineers have included only the best technologies to create a reel that stands for true durability and reliability. At the Socorro's core are HAGNE cold forged aluminum drive gears which improves overall strength and precision, X-SHIP (extra smooth and high power) supported pinion gear meaning tighter tolerances and a high level of endurance and the extremely rigid metal and corrosion resistant body features the HAGNE body seal of approval. The Shimano Socorro 10000 SW takes on 350 meters of 0.370mm / PE#5 rated braid and is designed with jigging, top water and live baiting for species like kingfish and hapuka / grouper in mind. Weight: 665 grams.

SF055901 $167.50

Shimano I Fishing Reel TLD-30 II 2 Speed Lever Drag

You don't need a big boat to catch big fish. TLD reels are light in hand, and adaptable to any number of bluewater species from tuna to striped marlin. And because they're built by Shimano, durability is an inevitable part of the package. This reel features a graphite frame and sideplate. Erogonomic power handle and aluminum spool. Anti rust bearings.

SF10303 $333.49

Shimano I Fishing Reel Tyrnos 30 II Two Speed Lever Drag

The Tyrnos 2 Speed expands on the popular Tyrnos line, with selectable power or high speed gear ratio. Rip jigs fast, then put it in low gear for fish fighting strength. Because two sets of gears are always meshed, changes can even happen under load, and the lever drag system provides easy, on the fly adjustments. Featuring a lever drag, push button two speed shifting, solid die cast aluminium frame and oversized stainless steel gearing, the Tyrnos two speed range is built tough for game fish. Two speed gear shifting adds another dimension to the already impressive array of features, rapidly clear the trolling pattern during a hook up or switch to low for incredible amounts of fish moving torque. Leaving other reels in its wake, the Tyrnos II speed range has been accepted as the most popular reel in its class.

SF10304 $404.50

Shimano I Fishing Reel TLD-50 III 2 Speed Lever Drag

You don't need a big boat to catch big fish. TLD reels are light in hand, and adaptable to any number of bluewater species from tuna to striped marlin. And because they're built by Shimano ®, durability is an inevitable part of the package. This reel features a graphite frame and sideplate. Erogonomic power handle and aluminum spool. Anti rust bearings.

SF15011 $444.50

Shimano I Fishing Reel Twin Power 8000 SW Offshore Spinning

The SW technology which was previously exclusive to the flagship Stella adorns the Twin Power family. With sizes from 4000 through to a powerhouse 10000 size, these are seriously tough reels, appealing to saltwater anglers seeking all sizes of fish including big game blue water species. Freshwater spinning experts will also appreciate such top-end quality. Bristling with advanced features including AR-C spool, SR one-piece bail arm and Waterproof Rigid Support Drag. Gear ratios range from 4.9:1 on the 8000PG model, to a pacy yet perfectly measured 6.2:1 on the 5000. Powered by S A-RB bearings, these are true thoroughbreds.

SF28000 $688.95

Shimano I Fishing Reel Tiagra T150WA Two Speed Lever Drag ...

The number one choice of serious offshore anglers and captains. Tiagra reels feature an innovative hydrothermal drag system that virtually eliminates the drag setting variances that affect today's big game reels. They combine technology with years of expertise to deliver a reel that is truly superior. The new Tiagra finally brings the strength and reliability of a solid aluminum frame to members of the Tiagra family. Designed to fish heavier line right out of the box, these reels are perfectly suited to long range fishing.

SF10502 Fishing Reel Tiagra T150WA Two Speed Lever Drag $735.00

SF18000 Fishing Reel Tiagra T180WA Two Speed Lever Drag $966.95

Shimano I Dendou-Maru Forcemaster 9000 Electric Reel

Shimano Forcemaster Electric Dendou Reels deliver the best in class winding speed, winding strength, drag, and line capacity. The Forcemaster electric reels feature a programmable and manual mode. This covers a wide variety of fishing techniques and applications from deep dropping to jigging to kite fishing.

SF9000 $1,194.99

Shimano | Fishing Reel Stella SW Offshore Spinnin ...

Lever drag performance in a spin reel the 'game' has changed forever. The bigger the fish, the faster it swims, the higher it jumps, the more the Stellas like it. The high rigidity aluminium in the body, which won't twist or warp, and keeps features like X-ship, which through its precision cut gears and increased bearing support increases cranking power. An incredible 14 SA-RB bearings, a more rigid aluminium handle, and a one piece aluminium shaft with stainless steel core help immeasurably in this regard, and provide more power under load. When you have a southern bluefin tuna or blue marlin hooked up and disappearing over the horizon or aiming for the bottom of the ocean, the X-Tough drag, with increased washer size and coil wave spring continues to deliver drag consistency at every setting and for the full duration of the fight. X-Shield and X-Protect gasket and rubber seals keep saltwater intrusion at bay. Casting heavy and high resistance lures like metal jigs, stick baits and poppers long distances with accuracy and efficiency has never been easier, thanks to a combination of X-Rigid rotor, SR one piece titanium bail arm wire, as well as a SW diamond like carbon bail roller [...] more at islandwaterworld.com

SF08000 Fishing Reel Stella SW Offshore Spinning SW-X Concept Series $1,262.49

Shimano | Fishing Reel Beastmaster 9000 Electric Reel.

The Shimano BM9000 Beastmaster Electric Dendou Reel features Shimano's brushless Gigamax motor that provides high torque and high speed with high durability. PU1248510 $37.49

Yo-zuri I HD Fluorocarbon Leader 100 lb 30Yds Pink ...

Yo-Zuri HD Fluorocarbon is a brand new fluorocarbon leader that maximizes the advantages of fluorocarbon and a Disappearing Pink tint. Fluorocarbon is virtually invisible in the water and red is the first color to disappear in the water column. Pink is the lightest shade of red and as a result disappears the quickest. - Fluorocarbon is also only invisible until it gets nicked or scraped up. If this happens, that section of the leader actually lights up from the sunlight. The color pink added to the line helps reduce this problem keeping an anglers invisibility intact. Ultimately the combination of fluorocarbon and the color pink will double your invisibility advantage and increase your chance for hookups! - Yo-Zuri HD Carbon has incredible abrasion resistance, ultimate invisibility, higher sensitivity, superior knot strength, and is a softer, more supple material than other brands.

PowerPro

Power Pro | Fishing Line Braided Vermilion Red 150 yd x 10 lb ...

In recent years there has been a craze among fisherman to use red line. But why? The logic behind this trend is based largely on the color spectrum in water. Since red is the first color to fade, it is thought that by using red colored line, the angler's line will 'disappear' underwater. Truth be told, red does not disappear but in fact turns into a shade of grey. This grey tone helps the line blend into the background and become much less visible to fish. The color red will completely fade out at a depth of 14ft. Therefore, when targeting fish in depths of 20ft or greater, red line is ideal.

Power Pro | Fishin Line Braided Spectra Green 500 yd x 80 lb

PowerPro ® braided Spectra ® fiber with enhanced body technology (EBT) gives you awesome handling performance on any reel. Unlike the older style braided lines, fishing with PowerPro ® is as easy as fishing with monofilament. An incredibly round, smooth, and sensitive line, PowerPro ® doesn't bury in the spool, and casts long and smooth, even after a hard strike. PowerPro ® outperforms monofilament lines in any situation and leaves other super lines in the dust.

H12530032 $94.75

LURES

Abu Garcia

Abu Garcia | Toby K Spoon Lure 40 g

The Abu Garcia ® Toby lure is probably one of the most famous lures in the world to date. Over the years the packaging of this famous lure may have changed, but the design and materials are still the same. The Toby is still made from solid brass. This lure is famous for catching trout, salmon, bass and pike.

PU1313017 $8.95

Abu Garcia | Jointed Tormentor Floating Lure BB 20 g 110 mm

The jointed Tormentor is the ultimate version of the one of the most famous hard baits in the world. This jointed lure combines the irreplaceable tormentor rolling action with an incredible lifelike swimming action. When this lure is retrieved slowly the predators go crazy.

PU1130081 $14.75

Berkley/Sea Striker

Sea Striker | Bucktail Worm Lure w/Hook Chartreuse 1 oz

Tied with natural bucktail hair and a white, live action tail. A proven killer for stripers.

H0290310 $5.65

Sea Striker | Trout Jig Head 2/0 Hook 3/8 oz 10/pk

The Got-Cha jig head has a chip resistant finish and a saltwater hook. The perfect head for soft plastic lures.

H0291574 $6.95

Berkley | Powerbait Pulse Shad Lure Pearl Blue 8 cm

Its special tail cut makes it swim even at the slowest speed, which is a key feature for vertical fishing. These head shapes will receive all jig head types easily. This proven shape is enhanced by the best predator attractant ever. Using a scientific patented process, each Berkley ® Powerbait ® is formulated with the most advanced scent and flavor on the market. Fish hold on to Powerbait ® up to 18 times longer than ordinary plastic bait.

PU1210356 $9.75

Berkley | Lure, Powerbait Pulse Shad 8 cm Perch

The Pulse shad is the first shape developped for the EUropean market in 2006. The success story is still being written with that complete new version. The material is now softer for even more action at low speed. The eye pattern and the colour line-up has been renovated as well. Comes in a new packaging for improved value for money.

PU1376838 $10.95

Berkley | All Round Jig Head Lure Olice Pearl Owner Hook 0/1 4.7 g

These all round Jig Heads have been fitted with seriously sharp Owner hooks. They are suitable for a variety of salt water fishing and conditions. They are perfectly balanced and have a resilient glossy hard finish.

PU1132292 $15.95

CH05618 Mini Turbo Slammer Lure Green/Gold/Pink 5.5" 5/8 oz $10.49

C & H Lures I Stubby Bubbler Rigged Chartreuse/Green Mylar

A combination of the famous Lil' Stubby Head and the Lil' Bubbler. The Stubby-Bubbler has additional holes in the head which gives a bubble trail similar to the Jet Head. A great light tackle lure.

CH01804 $12.75

C & H Lures I Magnum Turbo Whistler Lure Blue/Pearl ...

The Magnum Turbo Whistler creates multiple jets for unbelievable action. The lure head weighs about 2 oz. but stays down due to the cupped head design. The mylar under skirt is topped with a 4 inch rubber skirt. Works great with or without bait. Pull at 7-9 knots. Great for dolphin, wahoo, ttuna and small billfish.

CH05801 Magnum Turbo Whistler Lure Blue/Pearl $13.95
CH05804 Magnum Turbo Whistler Lure Green/Chartreuse/Orange $13.95
CH05805 Magnum Turbo Whistler Lure Dolphin/Pearl $13.95
CH05813 Magnum Turbo Whistler Lure Pink/Pearl $14.25

C & H Lures I Tango Tuna Lure Rigged & Ready Dolphin 5.5" 1.75 oz

Designed to run straight and deep. With weighted head the Tuna Tango is ideal for use in rough sea conditions and higher speeds. Can be used for tuna, wahoo, kingfish and dolphin.

CH00255 $13.95

C & H Lures I RK10C Rigging Kit Double Cadium Plated Hook

7ft leader with sleeve, 7754 10/0 cadmium plated hooks. Cable: 12ft of 200lb. Monofiliment.

CH91010 $17.40

C & H Lures I Super Smoker II Blue/White

The Super Smoker II combines action of the jetted Super Smoker head with the life like appearance of the Sea Witch. This lure can be trolled plain or in combination with dead bait. The new two part design protects against damage to the threads and hair. The plated aluminum heads are durable and will outlast plastic lures.

CH05715 $21.50

C & H Lures I RK10C Rigging Kit Double Stailess Steel Hook

Pre made for easy lure attachment. Insert monofilament through lure, crimp one sleeve and you're ready to go. Kit is made from 12ft of 200lb monofiliment, 2 Mustad 7732 hooks with stainless steel cable trail, 2 stainless steel thimbles and 4 nico press sleeves.

CH91108 $21.95

C & H Lures I Jet Head Lure Blue/Silver/White 10.5" 5 oz ...

This all time favorite lure has a chrome head with extra holes that produce a stream of bubbles below the surface of the water. The pointed and weighted head allows the lure to run straight and deep, putting it in the hot zone.

Jet Head Lure Blue/Silver/White 10.5" 5 oz
CH00276 $22.45

CH08570 Jet Head Lure Green/Yellow 10.5" 5 oz $21.50

C & H Lures | Deep Runner Lure Express Series White/Pink 14"

The Deep Runner, Express series is the most popular and fastest of all the C & H Lures. The Deep Runner's weighted head helps it run just below the surface of the water, even when trolled up to 20knts. The best results are obtained when pulled as a flat or shotgun line.

CH05502 $43.50

C & H Lures | Vanuatu 30 Lure Clear/Blue & Pink S ...

The C & H Vanuatu comes from the Caribbean islands and has been in the C & H big game line up for over 20 years. The slanted face makes the lure swim but does not have the radical action of the Kona series. This lure will come to the surface and pull air to form a great smoke trail. Works best on flat lines. Features real abalone shell inserts and hubs for tie on skirts.

CH0131012 Vanuatu 30 Lure Clear/Blue & Pink Stripe Over White 10" $43.95
CH013109 Vanatue Lure VS50 10.5 PPL/BLK $46.59

C & H Lures | Kona Clasic 30 Lure Green/Clear/Ora ...

The Kona Classic's head is a shape that has been popular in the Hawaiian Islands since lure fishing began. The Kona style nose produces a lot of action. This design causes the lure to move several feet up and down and side to side. Ideal speed is 8 to 9knts. Works great as a shotgun lure or chair line lure. Many captains find success using the Kona Classic as a teaser. Features real abalone shell inserts and hubs for tie on skirts.

CH120103 Kona Clasic 30 Lure Green/Clear/Orange Over Chartreuse 10.5" $53.25
CH121011 Kona Clasic 30 Lure Black Skirt Over Green w/Fleck 10.5" $53.75

C & H Lures | Wahoo Wacker XL Lure Dolphin 16" 11 oz ...

The Wahoo Whacker XL is the larger version of the popular Wahoo Whacker. It has an 11oz urethane coated head and two 12" skirts. This lure is built to handle speeds of twenty knots. Wahoo love big lures trolled at high speeds. Works great with a trolling lead or on the surface. No bait necessary. The Wahoo Whacker XL works best when trolled eight knots or faster. Best results if used with C & H trolling weights.

CH11105 Wahoo Wacker XL Lure Dolphin 16" 11 oz $59.95
CH11113 Wahoo Wacker XL Lure Pink/White 16" 11 oz $59.95
CH11119 Wahoo Wacker XL Lure Black Foil/Red 16" 11 oz $59.95

Billy Baits | Mr Big - Rubber Skirt Lure Black Foil/Green 16" 16 oz

Mr Big was designed for the real high speed 8 to 20knts trollers. This 16oz head is machine drilled with eight vent holes which creates a huge smoke trail. It also has internal chambers with stainless steel balls that rattle when trolled. Mr Big is precision machined to exacting tolerances and includes Billy's special 360° turbulence ring. This is the wahoo's worst nightmare. The Mr Big works best when trolled eight knots or faster. Best results if used with C & H trolling weights.

CH07120 $59.95

EC20150 $7.50

Iland Lures

Iland Lures | 7" Deep Trolling Lure, "Blue Mackerel"

All lures are hand-tuned and tank-tested to assure a realistic swimming action. When choosing trolling speed, watch your rod tip for vibration. All feature MirrOlure sonic "fish calling" rattles and premium big game hooks. Can also be used as casting lures with excellent results. Great for Tuna, Striper, Grouper, Dorado, King Mackerel, Blues, Wahoo, Pike and Muskie. - Big Game 111MR floater-divers (7"/2 1/8 oz.) can achieve depths of 25 feet or more. Features a tight wiggling action which can be pulled up to 7 knots. Lure will achieve deepest results at 3 to 4 knots with 125 to 150 feet of line. - Big Game 113MR (7"/2 1/4 oz.) swims true even at high trolling speeds. The stainless steel lip is an added attractor in murky or clear water - better visibility. Swims with a wide side-to-side wiggle.

RP29054	Countdown Subnersible Lure Spotted Silver Blue Treble Hook 5 cm	$7.95

Rapala I Rattlin' Lure Fire Tiger Treble Hook 7 cm

Sound heightens curiosity in fish and triggers investigation. These lures actually produce sound frequencies that are harmonic, uniform and 'in tune' with nature. The secret of sound combined with the patented Rapala ® 'wiggle' is what makes this lure so effective. Rip it fast or run it slow, either way, it sounds like a dinner bell to fish. The Rattlin Rapala is quite heavy for its size and casts well even in windy conditions.

H01402219		$8.49

Rapala I Original Floating Lure Treble Hook Rainbow/Trout 2.75"

The first and still the number one 'go to' lure. Whether twitched on top as a surface bait, retrieved as a shallow runner, weighted with a split shot for medium depth or bottom walked off a three way swivel or bottom bouncer, the wounded minnow action continues to be irresistible to fish everywhere.

H140190		$9.95

Rapala I Countdown Lure Blue Treble Hook 9 cm

The Countdown method of fishing first introduced by this lure has become a standard presentation of knowledgeable anglers. The slow sinking, control depth method enables you to put this lure exactly in the feeding zone of suspended fish or just above weed tops or bottom structure for deeper feeders. Containing a balanced action, this lure can be trolled or cast and retrieved in the usual manner. The Countdown has proven itself as an especially effective lure for trout, walleye and bass.

H01402137		$9.95

Rapala I Scatter Rap Crank Lure Caribbean Shad 5cm ...

This compact lure just feels right in your handà add water, and it comes alive. Agile, nimble and responsive, describe this cutting evasive action, no other crankbait compares. Baitfish skitter and scatter when they are pursued by predators - it's this erratic and evasive action that triggers the strike. Made of balsa, with a custom Scatter Lip, the Scatter Rap Crank consistently swims with an erratic and evasive sweeping action - perfectly mimicking vulnerable baitfish. Cast or trolled, it is the perfect choice for any species of gamefish. - Features: Balsa Body. Scatter Lip Design for Evasive, Erratic Swimming Action. Compact Shape Delivers a Nimble and Responsive Action to Varying Retrieves. Non-Rattling. True Multi-Species Gamefish Appeal. Premium Black Nickel VMC Hooks.

CH920001 $120.50

Sebile

Sebile I Koolie Minnow Long Lip ND2 Lure 11 g

Koolie Minnow Long Lip. The secret of the Long Lip is not the lip itself: it is the gap seen on top of the lip, connected to the nose of the lure with a bridge. This nullifies the turbulence generated by the lure itself making use of 100% of the lip's surface area to cause it to dive deep and swim perfectly.

PU1250343 $16.95

Shimano

Shimano I Coltsniper Stick 120S Bunker ...

When fish are breaking the surface or just subsurface, the Shimano Coltsniper Sinking Stickbait is going to be deadly! This sinking stickbait is perfect for when fish are feeding on the surface and uses superior finishes and stout 3X strong hooks and split rings. There are several retrieval methods that can be used effectively on many different predator fish.

SF02121 Coltsniper Stick 120S Bunker $16.75

Yo-zuri | 3D Inshore Pencil 4" Ghost Shad ...

The Yo-Zuri R1209 3D Inshore Pencil Lure is a part of Yo-Zuri's 3D Inshore Series. Yo-Zuri 3D Inshore Series Lures feature a gorgeous 3D Prism Finish that sends out flashes of reflected light that fish will see from great distances. The 3D Prism Finish imitates the scales of a baitfish, and entices strikes when foil finish lures cannot. Featuring an internal hologram sheet that never wears off and will keep on flashing even when the clear body is scratched, especially important when targeting species with abrasive mouths or sharp teeth. The shape and weight position of the lure causes it to be slow sinking and deliver a wide and sharp darting action. These 3D Inshore Series baits have great balance, allowing their action to begin immediately after hitting the water, which makes them particularly effective when fished close to structure. Saltwater grade treble hooks with a center balanced hook placement help to maximize lure performance.

Yo-zuri l , Mag Darter Floating Chrome Sadin 5" - 5/8oz ...

The Mag Darter Series allows anglers to cast farther and cover more water than ever before due to its Magnetic Weight Transfer System. The Mag Darter has a unique ôInverted Cupped Face" that is often confused for a topwater lure. The unique lip design actually produces an erratic underwater ôdarting" action. The Mag Darter is most productive when cast and slow retrieved. The Mag Darter Series has a tight rolling and natural darting action that requires no additional angler manipulation. This ônatural action," coupled with Yo-Zuris updated color patterns, make this bait irresistible to both fresh and saltwater game fish. The Magnetic Weight Transfer System allows the bait to cast straight even in a strong wind.

YZ11441 , Mag Darter Floating Chrome Sadin 5" - 5/8oz $22.50

The 3D Magnum Deep Diver features a tough polycarbonate body, 3X strong treble hooks and through wire construction making it the most durable trolling lure of its type on the market. Yo-Zuri's proprietary and patented Internal 3D Prism Finish, coupled with our internationally patented Color Change technology, makes these baits stand out in any fishing condition!!! They are designed to be fished with a crimp, loop knot, cable or single strand wire, to give the bait the freedom to swim correctly. 3D Magnum Deep Divers are particularly deadly on Grouper due to the "wide wobble" nature of this bait. This versatile trolling lure can be pulled from 4-9 knots with a wide swimming action and runs true out the box, no tuning necessary! The 3D Magnum Deep Diver comes in one size and eight color patterns to cover a variety of fishing conditions and species

H029264 Planer w/Stainless Steel Blade & Brass Ring Size 4 $22.95

Aftco | FL1B Flatline Clip

The AFTCO Flat Line Clip, with a 135-lb. coated stainless steel cable and heavy duty snap-swivel attached, can be rigged from the stern of the boat to put trolling lines into the water at a lower angle, helping to minimize the tangling that might otherwise occur when trolling with multiple lines, and keep your lures running below the surface for better action. Once the clip's tension is set, our precision-engineered latching system releases your line repeatedly at exactly the same pull to assure fewer missed strikes and less broken lines. Featured is AFTCO's legendary "roller guide action", where trolling lines roll smoothly over a polished stainless steel roller that turns right with the line - virtually eliminating friction and fraying. Your line remains strong and ready to absorb the stress from the sudden impact of a strike.

H3980001 $45.55

Repair Kit

Eagle Claw | Saltwater Rod Tip Repair Kit

Saltwater rod tip kit, silver dinish by Eagle Claw. Includes rod tips, UV-resistant rod cement, silver finish.

EC10002 $4.50

Rod Belts

Williamson Lures | Competition Rod Belt

BOOKS

Boat Repair & Maintenance

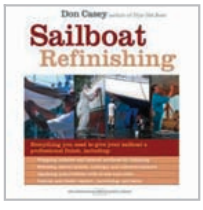

Sheridan House I Understanding Boat Wiring John C. Payne

Understanding Boat Wiring is a well illustrated, confidence inspiring guide to wiring and wiring standards, electricity basics, circuit protection, planning and installation, switches, grounding and much more. Makes boat wiring much more logical and far less intimidating. Includes the following subjects: Boat wiring standards. Electrical school basics. System voltages. How to plan and install boat wiring. Circuit protection and isolation. Switchboards and panels. Grounding systems and more. Author John C. Payne is a sailor and professional marine electrical engineer and surveyor with a long career in merchant shipping and the offshore oil industry. His unique combination of technical knowhow and practical experience at sea has made him a much sought after authority on the subject.

Practical Boat Mechanics belongs onboard every boat that has a gasoline, diesel, inboard, or out board engine. This practical collection of fast fixes enables you to repair failed machinery with basic tools under adverse conditions. Designed and written for non mechanics, it also presents do it yourself maintenance procedures and schedules that will prevent most problems from occurring.

IM45056 $26.95

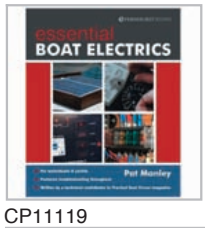

Paradise Cay I Book, Get Rid of Boat Odors by Peggie Hall

This is the completely-updated 2nd Edition of Peggie Hall's famous book "Get Rid of Boat Odors." "The New Get Rid of Boat Odors, 2nd ed." by Peggie Hall, known by many of her fans as "The Headmistress," will teach you how to eliminate annoying odors on your boat by treating the source instead of perfuming the symptoms. It covers all aspects of marine sanitation as well as other odor-causing problems like dirty bilge areas in an easy to understand format. The focus is to instruct the reader on how to resolve odor problems, not just disguise them. In addition, there are extensive appendices providing detailed contact information on equipment manufacturers and schematics of most major brands and models of marine toilets that will allow the reader to make necessary repairs with a high degree of confidence. This second edition contains many new schematics not found in the original book. "The New Get Rid of Boat Odors" is a book for boat owners or professionals in the boat industry alike. It's the most comprehensive guide available to help solve the widespread problem of annoying odors on boats.

CP11036 $29.25

Paradise Cay I Book, Essential Boat Electrics by Pat Manley

Essential Boat Electrics removes the mystique of boat electrics. The simple language & clear illustrations will help you understand what is going on & show you how to carry out the many electrical jobs on board effectively & safely. Included are tutorials, from using a multimeter and wiring & protecting a circuit, to troubleshooting electrical faults and connecting a PC to your instrument .

CP11119 $32.49

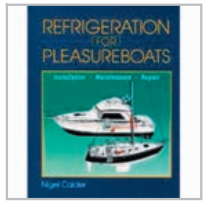

Paradise Cay I Book, Simple Boat Maintenance by Pat Manley

Concentrates on the 67 most common maintenance jobs to be done aboard both power and sailboats. Each is explained in simple steps and illustrated with fine color photos and diagrams. From electrical systems to leaky toilets, all is explained. Excellent and informative.

CP11111 $33.15

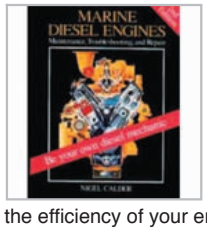

Paradise Cay I Refrigeration For Pleasure Boats Nigel Calder

The book is intended for the cruising sailor who plans to be sailing offshore with refrigeration. Calder explains clearly and logically how and why refrigeration components work, how to keep them working efficiently and economically, and what to look for when something goes wrong. Refrigeration for Pleasureboats provides all the step by step information an amateur needs to design and build a custom refrigeration unit that will cost far less than half the price of an off the shelf unit and will likely run better with far less drain on the batteries. With Calder's maintenance and troubleshooting tips, you'll be able to keep it running for years to come and keep those ice cubes tinkling in that frosted glass.

IM1579982 $33.25

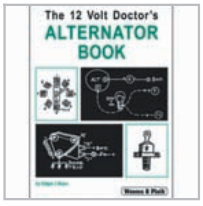

Paradise Cay I Marine Diesel Engines 3rd Ed. Nigel Calder

Marine Diesel Engines has been the bible for do it yourself boat owners for more than 15 years. Now updated with information on fuel injection systems, electronic engine controls, and other new diesel technologies, Nigel Calder's bestseller has everything you need to keep your diesel engine running cleanly and efficiently. Marine Diesel Engines explains how to: Diagnose and repair engine problems. Perform routine and annual maintenance. Extend the life and improve the efficiency of your engine.

WE15012 $35.95

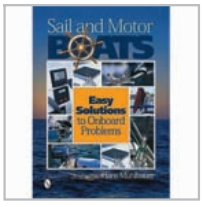

Imray I Sandy Lindsey's Fast Fixes for Your Boat

Better than swapping ideas with the owners of the boat in the next marina berth, this handy book will be a godsend to all boaters looking for simple solutions to everyday problems. Keeping a boat (whether sail or power) in a damp, corrosive environment (i.e. water) leads to all sorts of issues: rust, mildew, UV degradation, crazing, bad smells, staining, and worse. - In this fantastic resource of quick, easy and cost-effective solutions to boat maintenance problems, the author shares tried and tested ideas to protect and improve your boat. From cleaning off rust marks from aluminium stanchions to dislodging bird droppings on deck and preventing dank cabin odours, it's all here; quick and easy tips to protect your hull, deck, windscreen, shorelines, engine, electrics, bilges, freshwater system, sails, rigging, winches, electronics, heads, furniture, windows, carpets, dinghies and tenders. - The author also looks at new products on the market, new protectants and environmentally friendly cleaners, tackling the problems of ethanol now introduced into fuel, lower emission engines, sealed batteries, as well as new cures for odour removal and mildew prevention. - There's nothing worse [...] more at islandwaterworld.com

Paradise Cay I Easy solutions to onboard problems - H Mahlbauer

Life as a motor- or sailboat sailor could be so relaxing if everything just went as it should, but water sports enthusiasts often face difficulties. Problems lurk everywhere, and those who would like to keep their cool in every situation need to feel at home with broad technical knowledge. But even with the best technical skills, not everyone can have a solution for everything. This is why seasoned sailor Hans Mnhlbauer offers his many years of experience in this book. Mnhlbauer discusses improving safety, functionality, and comfort and also offers many practical tips for everyday life on board, including: lights and shade, sails and rigging, anchor and winch, tender and outboard, electronics and computers, safety and seamanship, luxury and comfort, supplies and waste, mooring and casting-off, boarding and going ashore, on-board technology and aids, and skipper and crew. This handbook will add to the enjoyment and pleasure of every boater.

Paradise Cay I Advanced marine Electrics & Electr ...

Whether you are a marine electronics professional or a boat owner, Advanced Marine Electrics and Electronics Troubleshooting helps you understand the new, more powerful methods of troubleshooting marine electrical and electronic systems. A modern boat's sophisticated installations and networked electronics can stretch the traditional diagnostic methods based on trouble lights and multimeters past their useful limits. This book will show you how to: Use microprocessor based diagnostic tools and techniques from the automotive and communications sectors, adapted for boats for the first time. Diagnose the most difficult AC and DC problems. Protect communications and navigation electronics from interference and lightning. Seek out and eliminate stray current sources and galvanic corrosion.

IM10777 Advanced marine Electrics & Electronics Troubleshooting Edwin Sherman $37.39

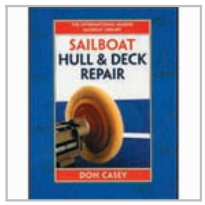

Paradise Cay I The 12 Volt Doctor's Practical Handbook Edgar J. Beyn

The 12 Volt Doctor's Practical Handbook provides a clear and useful guide as an electrical troubleshooting book. With this 'Doctor' in hand you can fix electrical problems on board before calling expensive outside technicians. You can learn and understand basic electricity, maintain your own 12V system, understand and use zincs effectively and isolate and repair hard to diagnose electrical problems.

WE15010 $38.95

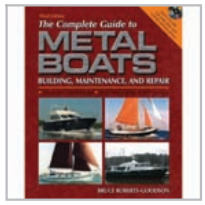

Paradise Cay I Sailboat Hull & Deck Repair Don Casey

A fiberglass hull's seamless nature leads many boat owners to conclude that repair must be difficult. Wrong. Here, clearly and abundantly illustrated, is all you need to know to seal joints, bed hardware, replace port lights, locate leaks, fix cracks and even holes, restore your hull's gloss, renew nonskid decks, and much more. You'll wonder what you were worried about.

IM13369 $41.50

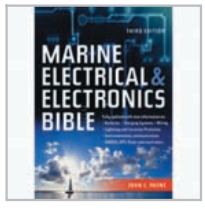

Paradise Cay I Complete Guide To Metal Boats Bruce Roberts-Goodson

Metal boats can deal with hazards like ice and coral that would rip apart a fiberglass or wooden hull, many long distance cruisers choose a metal boat for just that reason. But they are not mass produced, the only way to get one is to build it yourself or have it custom built. Bruce Roberts-Goodson has been designing and building metal boats for more than three decades, and in The Complete Guide to Metal Boats he tells you all you need to know to start building the boat of your dreams. How to build or refurbish hulls, decks, and superstructures. How to prevent corrosion. Building from plans or precut kits. Sample designs for sail- and powerboats.

Paradise Cay | Something Fish This Way Comes: The ...

Artist Ray Troll has developed a huge cult following for his humorous and scientifically accurate paintings of fish and fossils. He has successfully carved out his own category of artwork using colorful pen and ink to create drawings about fish, fish worship, evolution, and dinosaurs, all humorously captioned and technically accurate. Over a three-decade career, he has exhibited in all major scientific museums in America and managed to sell over 2 million t-shirts along the way. This collection of the artist's most popular t-shirt art features captions such as "Spawn Till You Die," "Cowasockeye," "The Baitful Dead," "Fish Worship: Is It Wrong," and "Tortured Sole," Ray Troll's appeal is both funky and funny.

CP11029 Something Fish This Way Comes: The Artwork of Ray Troll $24.25

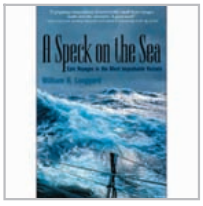

Paradise Cay | Cruising Chef Cookbook, by Michael ...

The Cruising Chef Cookbook is the bestselling, most extensive sailors' cookbook ever written. Twenty-two years in print and ten reprints make it clear that sailors consider it essential equipment. The new Cruising Chef is actually a book of nautical wisdom in the guise of a cookbook. It contains hundreds of tips plus more than 300 delicious recipes. Includes an extensive discussion of preparing for a voyage and resupplying in native markets. "Special Cooking Techniques" describes pressure cooking, stir frying and grilling, particularly useful techniques for the galley chef. Greenwald's salty humor is found throughout the book. His vignette, "Planning for the Big Eater" is a delight. "Fishing" is a sidesplitting description of his idea of sport fishing.

CP11020 Cruising Chef Cookbook, by Michael Greenwald, 2nd. Edition $25.45

Paradise Cay I A Speck on The Sea William Longyard

In A Speck on the Sea, William Longyard reaches back through five centuries to gather a collection of sea adventures in which the smallest, unlikeliest craft, and the daring individuals aboard them, completed extraordinary voyages against great odds. From canoes and small sailboats to a pair of strap to your feet pontoons, the watercraft in these true stories make nearly as varied a collection as the mariners who piloted them.

Paradise Cay I Sea Trials: A Lone Sailor's Race t ...

A poignant account that will inspire you to tackle challenging sailing endeavors as well as squarely face life's emotional challenges, finding the courage to live a fully engaged, authentic life Three years after his wife's death, Peter Bourke bought a boat--even though he had never learned to sail. In 2009, Peter entered the Oldest Singlehanded Trans-Atlantic Race at age 58. Sea Trials is the account of those 40 days of racing on his 44-foot sailboat Rubicon. Told with grace, insight, and humility, the book bares both the boredom and adventure of racing solo and provides insights to the value of going to sea. The author is donating all author payments to the Semper Fi Fund, an organization that provides assistance to injured soldiers, sailors, and marines and to their families.

CP11493 Sea Trials: A Lone Sailor's Race toward Home by Peter Bourke $29.25

Paradise Cay I Powerboating: Your First Book for Your First Boat

There has never been a better time to buy your first boat. And there is no better person to tell you how than Captain Ken Kreisler. - Kreisler, an award-winning writer, longtime professional mariner, and insider with more than twenty-five years in the boating industry, offers here the freshest, most up-to-date, abundantly illustrated, and comprehensive book for anyone looking to get started in powerboatingÑ‰for boats from sixteen to forty feet, on a trailer or docked at the marina. Here, fresh and unadorned, is advice and commentary on recent advances in engineering and technology that have made every other guide out there obsolete. Powerboating offers hands-on-the-wheel advice on: - The most recent, industry-changing joystick, pod, and remote control systems Maneuvering, especially around the dock and in close quarters situations. Safety equipment. Navigation. Advanced techniques. - Powerboating also presents a special section on how to get your boat US Coast GuardÑ‹certified, and whatÐ–s coming up on the horizon for alternative fuel and propulsion systems.

Paradise Cay I World Voyage Planner by Jimmy Cornell

The main aim of World Voyage Planner is to help sailors plan a voyage from anywhere in the world to anywhere in the world, with suggestions of alternative routes to certain destinations, recommended times and favourable seasons, tropical storm areas and critical months, suggested detours to attractive places, and strategically located ports of call to be used in an emergency. World Voyage Planner fills a glaring absence among nautical books by being the only book to be written specifically on the subject of offshore voyage planning. It is thus a valuable and indispensable companion to Jimmy Cornell's other books as it enables the reader to plan, undertake and accomplish a voyage from the earliest stage of conception to its successful completion. His books now cover the entire spectrum of offshore voyaging with World Cruising Routes outlining over one thousand routes between specific destinations from start to landfall, World Cruising Destinations, giving detailed information on 184 maritime nations and Cornell's Ocean Atlas presenting a comprehensive picture of weather conditions in every ocean of the world. Every voyage is illustrated by pilot charts showing the weather [...] more at islandwaterworld.com

CP10128 Wild Oceans: A Pop-Up Book w/Revolutionary Technnology by Lucio Santoro $35.75

Imray I The Trade Wind Foodie:Good Food, Cooking ...

The title of Rod Heikell's latest writing only hints at this book's content and coverage. Five years ago the author and his wife, Lu, set out on a circumnavigation and the opening part of The Tradewind Foodie is an account of the successive eastbound passages first to the Caribbean and then on through the Panama Canal to the Pacific, Australia and the Indian Ocean. There's plenty of practical advice as well as entertaining asides in Rod's inimitable style on the incidents that contributed to the adventure. Throughout, however, there is a slant towards provisioning, cooking on board and discovering food and restaurants at the numerous landfalls. Rod Heikell provides an extensive selection of tried and tested dishes in the second part of the book. Cooking at sea is an art and Rod's selection provides a great range of recipes that are practical under most sea conditions. - "Whilst taking you from the Mediterranean on a whirlwind trip west-about the world, dealing with food and provisioning as they go, Rod and Lu also incorporate a surprising amount of interesting information into this book... Having successfully tried a few recipes at home, with their straightforward ingredients list [...] more at islandwaterworld.com

CP03509 $14.95

Paradise Cay I Celestial Navigation For Yachtsmen ...

There is deep mystery and profound satisfaction in finding your position on earth by reference to the sun, moon, and stars, not to mention profound relief when the GPS receiver stops working in mid passage. That is why knowledge of celestial navigation is still a rite of initiation, and its practice still a favorite pastime among serious cruisers. That this edition of Celestial Navigation for Yachtsmen should appear 44 years after the first British edition and 27 years after its first publication in the U.S. is eloquent testimony to the author's clear, concise explanation of a difficult skill. Among other changes, this edition substitutes the Nautical Almanac for the Air Almanac, discusses the 'short' tables based on H.O. 211, expands the discussion in a few areas, fine tunes it in others, and shows how to advance a line of position for a running fix from sun sights. The only mathematics involved are straightforward addition and subtraction.

IM05928 Celestial Navigation For Yachtsmen Revised Ed. Mary Blewitt $15.55

Cruising Guide Publications | The Complete Diving ...

Intended to be the first in a series, it looks at the southern islands of the Eastern Caribbean. The write ups of the dive sites are full of interesting personal experiences. The rest of the chapter provides just the sort of information you need, such as which operators have English speaking dive guides and which recognise the depth limitations of BSAC rather than PADI. Throughput the book's 390 information packed pages are numerous interesting side panels. One describes the ships that sank in St. Pierre harbour on Martinique when Mount Pelee erupted in 1902.

CP90008 The Complete Diving Guide Carribean Vol. 1 Colleen Ryan & Brian Savage $35.95

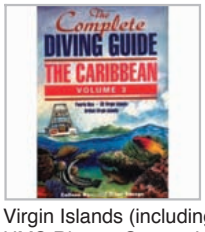

Paradise Cay | Nautical Almanac 2017

The cornerstone for all celestial navigation, listing the celestial bodies used for navigation, a sight reduction table, and other information valuable to the offshore navigator. The content of this edition is identical to the United States Naval Observatory edition. Paradise Cay Publications is the only entity in the United States other than the US Government legally authorized to publish the full contents of the Nautical Almanac.

BB42017 $36.25

CP20012 $39.95

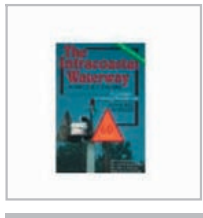

Imray | Mediterranean Cruising by Rod Heikell

Rod Heikell is the acknowledged expert on Mediterranean sailing, and this is the perfect guide for anyone cruising the area. Conveying the magic of Mediterranean cruising, as well as giving practical first-hand advice on sailing these enticing waters, this edition has been thoroughly revised, containing updates to cruising information, new regulations, new developments and new photos. - Although the Mediterranean provides wonderfully diverse cruising opportunities, it can also deliver a few surprises to the unwary. Rod Heikell gives sound advice on anchoring, berthing bow or stern-to, what weather to expect, facilities and the costs of keeping a boat there, plus advice on navigation, popular routes, formalities and what to expect ashore. Each country around the Mediterranean is covered, and there's even a handy section on shoe-string cruising for those on a tight budget. It is an invaluable must-have guide for actual and potential Mediterranean cruisers.

II10581 $40.95

IM42211 $41.25

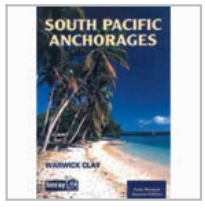

Paradise Cay | Mariner's Guide to Nautical Information by Priscilla Travis

This alphabetically arranged reference work puts over 2,000 modern nautical topics and terms at your fingertips, with enough explanatory advice to be truly useful. Topics ranging from the Navigation Rules, cruising under sail and power, electronics, and communication, to safety, weather, technical topics, and commonly-used spoken nautical language make this book a comprehensive resource. The Topic Index helps you test your knowledge and learn more about a subject, and the extensive annotated bibliography identifies hundreds of relevant publications and Internet resources. These terms are illustrated with 173 color photographs and 11 line drawings. If you are thinking about getting started on the water this book is for you. If you are already out there and dreaming about distant horizons, there is a wealth of information to help you become more competent, confident, and comfortable afloat. International emphasis is also incorporated for readers in Canada and across the pond.

Imray | Southeast Asia Cruising Guide Vol. II Ela ...

This edition concentrates on the most frequented routes and includes the most popular stops. There are hundreds of possible anchorages, the most popular of which are usefully summarised in tables. Introductory sections cover planning and the last part of the book deals with more general topics including advice on provisioning and the problems that are often faced by cruisers. The part of the world described in this work is one of the most interesting on our planet. Culturally, scenically, climatically and commercially, it has everything. This excellent book, now in its second edition, describes it all very enticingly. Set to the usual high standard of the Imray pilots that precede it, this one is spiced up by the wit and anecdotes the authors are so good at.

II00022 Southeast Asia Cruising Guide Vol. II Elaine Morgan & Stephen Davis $71.85

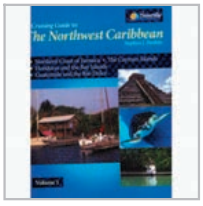

Paradise Cay | World Cruising Routes 6th Ed. Jommy Cornell

Imray I Atlantic Islands Cruising Guide 6th Ed Anne Hammick

The fifth edition of Atlantic Islands builds on solid foundations. The author's long familiarity with the area, an invaluable network of local contacts, and the constant flow of information and feedback received from yachtsmen and women during the lifetime of the previous edition. Passage waypoints are now included, though these should, as always, be used with caution, in addition to many harbour plans available nowhere else. Nearly 300 new photographs illustrate the fifth edition, most from the author's own collection, and the use of colour for indexing and cross referencing has also been increased. Whether you seek authoritative pilotage information, comprehensive details of available facilities, or simply suggestions for planning an enjoyable cruise, you will find them all in the fifth edition of Atlantic Islands. -

Jimmy Cornell, founder of the Atlantic Rally for Cruisers, and author of the sailor's bible World Cruising Routes has teamed up with his son Ivan to produce Cornell's Ocean Atlas. An atlas of 129 up to date pilot charts based on the last 20 years of satellite observations. Cornell's Ocean Atlas is: The first significant innovation in pilot charts an essential tool for passage planning since pilot charts were developed by Lieutenant Maury of the US Navy in the mid 1800s. The first and only pilot charts to be based on extensive near real time geospatial and remote buoy sensing data from 1987 to the present measuring true surface wind and current gathered from a network of OSCAR and other meteorological satellites, using NOAA and Earth and Space Research (ESR) data programs.

Paradise Cay I Discover Science: Oceans and Seas by Nicola Davies

Make science accessible with this essential series that will capture children's imagination while laying the foundation for future learning. With age-appropriate language and an eye-catching design,Discover Science gives young readers the answers to fundamental questions about the human body, animals, planet Earth and the Solar System. Go on a breath-taking tour of the wide oceans and seas. There is a lot to discover in the ocean-after all, two -thirds of Earth is covered by water! What kinds of animals live in shallow tropical reefs; what creatures lurk near the deepest ocean floor? How do humans affect sea life, and what mysteries are scientists still trying to solve? A parent and teacher guide, craft activities, and a glossary and index enhance this useful reference book.

CP11046 $10.25

Paradise Cay I Reeds Knot Handbook Jim Whippy

This handy pocket guide contains all the most useful knots you'll need whether on board or at the dockside. Each knot is broken down into clear step by step illustrations, with a photo of the finished knot and background information on its strengths, weaknesses and when best to use it. A perfect aide memoire for experienced sailors, and the ideal learning tool for novices.

CP10056 $11.95

Paradise Cay | Find The Constellations 2nd Ed. H.A. Rey

Did you know that H.A. Rey, author of the Curious George series, was also an avid student of the stars and skies? In this second edition of his Find the Constellations book for astronomy beginners, he shows you how to recognize the stars and find the constellations that one can see in the middle and northern United States (about latitude 40°). This updated version shows locations of the planets through 2016 and should be a staple in every science school bookshelf, public and home library. Grade 4 to adult.

CP110060 $12.75

Paradise Cay | Book Navigation Rules

Without a doubt, this is a book that every boater should be familiar with and keep on board their boat. The Coast Guard Navigation Rules describes the steering and sailing rules governing vessel traffic including which vessels have the right of way, sound signals, visual signals, distress and non-traditional situations.

P2606291 $13.15

Paradise Cay | Knot Craft 2nd Edition Des Pawson

Des Pawson has been a professional rope worker for more than 25 years. His passion for knots goes back to the time when, aged 7, he was given a book with some knots in it. He has studied knots and sailors' rope work ever since. Over that time he has built up a number of recipe books containing the information required to make each item, whether it is a key fob, fender, mat or knife lanyard. The book contains a selection from those recipe books, giving the reader the basic designs, illustrating which knots and sennits are used to make them. Here is a step by step breakdown of how to put the knots together as well as the size and lengths of materials required. Many books have been published on how to tie practical knots but not many books give help in putting the knots together to make an object.

CP11055 $13.25

Captain's Quick Guides | Rules Of The Road & Runn ...

A great aid for the skipper who needs a quickly available source of steering rules information. Colorful, concise, compact. 14 waterproof panels. Covers every rule and light a pleasure boater is likely to encounter.

Paradise Cay | Reeds Maritime Flag Handbook Edite ...

This handy pocket sized guide is the perfect, on board reference to the maritime flags of the world and their usage. It includes: National maritime flags, special ensigns, yacht club burgees, signal flags, flag etiquette and usage. Anyone who has ever put to sea wondering about the different types of flag, how they are made up and the dos and don'ts as well as traditions and myths of flying flags should find this a fascinating and useful handbook.

CP10075 Reeds Maritime Flag Handbook Edited By Miranda Delmar Morgan $15.55

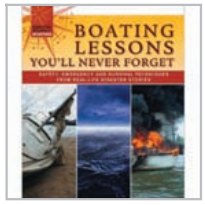

Paradise Cay | Racing Rules Companion 2013-2016 Bryan Willis

An invaluable on the water reference to the essentials of the latest racing rules. Splash proof and tough enough to withstand a cockpit soaking and with its spiral binding it will stay open on a selected page on a chart table. A color coded index allows you to instantly find what you are looking for. Clear illustrations ease understanding of the new rules that apply from 2013. Every aspect of the race is covered, from start to sailing the course, propulsion, room at marks, three boat situations, penalty turns, signals, protests and appeals. A proper understanding of the racing rules is crucial to success on the water and there is no better pocket guide to the latest rules. Bryan Willis has been chairman of the jury and chief umpire for some of the most prestigious sailing events in the world, including the America's Cup and Olympics. He has served on the International Sailing Federation (ISAF) Racing Rules Committee for over 25 years.

IL90128 $22.35

Paradise Cay | How To Read A Nautical Chart 2nd Ed. Nigel Calder

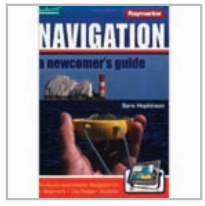

The classic How to Read a Nautical Chart explains every aspect of electronic and paper nautical charts: how a chart is assembled, how to gauge the accuracy of chart data, how to read charts created by other governments, how to use information such as scale, projection technique and datum that every chart contains, how not to get fooled or run aground by overzooming. Nigel Calder teaches you how to squeeze every ounce of information out of a nautical chart (on your GPS, chartplotter, or nav station) and understand the limits of accuracy for all charts, paper and electronic, raster and vector.
IM79821 $23.10

Sheridan House | Do Dolphins Ever Sleep? Pierre-Yves & Sally Bely

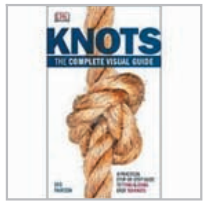

Why does a dinghy slide backward as we try to climb out? Why are cold seas green and warm seas blue? Why do barnacles attach themselves to boat hulls? When was the rudder invented? What have been the main steps in the evolution of sailboats? How does wind create waves? These are some of the questions asked about the sea, the sky, wind and weather, ships, sailing, navigation and life aboard. Do Dolphins Ever Sleep? 211 Questions and Answers about Ships, the Sky and the Sea, offers clear and precise answers to some of the questions you probably wondered or perhaps did not think about.
IL92400 $23.95

Paradise Cay | Navigation-A Newcomer's Guide, 2nd ...

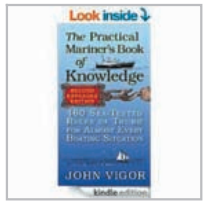

Navigators have only two questions: "Where am I?" and "Where do I go now?". This book shows the simplest way to answer these questions. It starts from scratch, uses no jargon and features graphics instead of words wherever possible. Areas covered include charts, giving a position, tides, course to steer, passage planning, and much more. Navigation is fun, keeps you safe and speeds you to your destination. With this book you need never be lost again!

From choosing, using, and maintaining ropes, to learning about the different families of knots, from stopper knots, binding knots, bends, hitches, loops, plaits, sennits, splices and whippings. This is the ultimate guide to tying knots for every occasion, from outdoor use in a host of recreational activities, to practical functions around the home.
CP11037 $23.95

Paradise Cay | Practical Mariner's Book Of Knowle ...

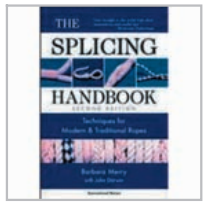

The Practical Mariner's Book of Knowledge is either the most useful boating book ever designed to entertain or the most entertaining book ever designed to be useful. In its alphabetical organization that juxtaposes wildly disparate entries, you can read about the derivation of figureheads where you turned to for recommended thicknesses of fiberglass hulls. In between the whimsy, however, is the essence of centuries of seafaring experience distilled into a concise reference for sailors and power boaters. There may be no substitute for a lifetime of experience, but this book is the next best thing. It should be kept at the navigation station and on every boat.
IM74752 Practical Mariner's Book Of Knowledge 2nd Ed. John Vigor $24.00

Paradise Cay | Gally Guru Lisa Hayden-Miller

For the cook who sails and the sailor who cooks, the Galley Guru is a connoisseur's guide to simple ways to keep your grip in the galley. Prepare, preserve, and present, from a tiny space, real food that would not be ashamed to have come from a gourmet kitchen many times the size. Great cooking takes to the water as Lisa Hayden-Miller, the Galley Guru, presents fare with a flair. From survival food to gourmet feast, all 120 recipes are tagged with appropriate sailing conditions, from anchorage to heavy seas. Galley Guru will tempt even the landlubber, for in this 327 page quality paperback, Lisa makes the exotic accessible and the simple, simply wonderful.
CP10039 $24.15

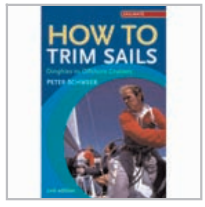

Paradise Cay | Splicing Handbook 2nd Ed. Barbara Merry

The only book devoted completely to slicing todays ropes, this fully illustrated, step by step guide has been expanded and enhanced in this new edition and now covers wire splices, and splices in Spectra and Kevlar ropes as well as Dacron braid and traditional three strand. IM35438 $24.95

Sheridan House | How To Trim Sails: Dinghies To O ...

This practical introduction to trimming sails is written to help owners and crew sailing on all types of boats, from dinghies to offshore cruisers. It encompasses mainsails and headsails, and explains the effect of various controls on the shape and performance of the sails. Don't let its slim appearance surprise you, it's in fact packed with trim details for all levels of experience and packs in tips on the most popular rig configurations for modern yachts and boats, pairing reference tables of at a glance detail with diagrams and clear directions.
IL92202 How To Trim Sails: Dinghies To Offshore Cruisers 2nd Ed. Peter Schweer $25.45

Flag Institute I Flags Of The World 2nd Edition By The

Flags of the World has been fully revised and updated to reflect today's world. It is organized alphabetically by nation. Concise text describes how the flag came into being and explains the symbolism of its elements, lending a fascinating perspective on the country. Each country's flag is shown in full color along with these quick reference facts: Flag ratio, flag use, date of adoption, most recent amendment, geographical area, population, capital city, languages, religions, ethnic groups, national anthem title, and national motto. A sample stamp in color adds further insight.

CP11060 $25.45

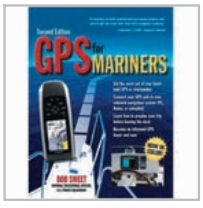

Imray I Learn to Navigate by Basil Mosenthal

Learn to Navigate has been the bestselling introduction to navigation for almost 20 years. With its refreshingly new approach, it introduces the basics in non-technical language, and takes the reader through each step with explanatory illustrations, chart extracts, screenshots and photographs. It is the ideal handbook for anyone wanting to learn the elements of navigation and how to put them into practice on the water.Recent developments in GPS and electronic charts have changed the way people navigate, and this book has been completely revised and updated to take that into account, equipping readers with both the traditional and modern skills they need to work out where they are and where they want to go. - Brief and user-friendly, this non-scary guide covers: - the essentials of reading a chart (paper and electronic). - understanding tides. - using traditional and electronic navigation instruments. - plotting a position and planning a passage, both on paper and using a chartplotter.

II00048 $25.50

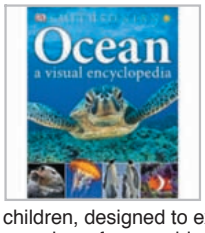

Paradise Cay I Book, GPS for Mariners, 2nd Edition by Robert Sweet

The operator's manual that should come with every boater's GPS receiver or chart plotter. Since the first edition of GPS for Mariners, GPS has achieved almost universal acceptance. No one needs to be told in detail how the system works or why it is reliable anymore. Boaters today accept GPS as the ultimate navigation tool-they just want to know how to use it. The second edition of GPS for Mariners has much less GPS tech-talk and theory and more instead on getting the most out of today's more advanced and powerful units. First edition sold more than 35,000 copies. Contains brand-new content on the features and capabilities of new GPS receivers and chart plotters. Color screen shots of the displays take the mystery out of interpretation. Readers will become informed GPS buyers as well as informed GPS users. Explains the ins and outs of navigation software . Shows how to interface GPS with a PC, radar, or autopilot. Robert J. Sweet (East Falmouth, MA) is the national director of education for the U. S. Power Squadrons, America's largest membership boating educator. With more than 30 years' boating experience, Bob is rated Senior Navigator, the U. S. Power Squadrons' highest grade.

Paradise Cay | Ocean: A Photicular Book by Carol ...

In its extraordinary debut, Safari, introduced the world to Photicular technology. The cheetah bounded, the African elephant flapped its ears-and readers could not believe their eyes. Now the creators ofSafari take their work a step further. Ocean offers not only a refinement of inventor Dan Kainen's Photicular technology, but a subject-undulating creatures of the deep-perfectly suited to the immersive visual pleasure of the process. - Ocean is like being on a dive. Open the book, and the reader is swept into the magic of an underwater world, face-to-face with a floating Yellow-Banded Sweetlips; with a glow-in-the-dark Deep-Sea Anglerfish; with a Sea Horse swaying in balletic motion; with a Sand Tiger Shark gliding along the ocean floor, its gaze haunting, its hook-toothed mouth gulping open and closed. - The text by Carol Kaufmann enchants with its descriptions of coral reefs; a journey on Alvin, the 17-ton submersible; and a meditation on our oceans. Then, for each creature, she writes a lively and informative essay, along with vital statistics-size, habitat, range, diet, and more. - The Photicular process uses an innovative lenticular technology, sliding lenses, and original [...] more at islandwaterworld.com

Paradise Cay | International Marine Log Book C. Dale Nouse

If you've never experienced the tension of failed equipment aboard or had to explain to guests why there is no more fresh water or panicked when thick fog closed in just after you had forgotten to make note of the last two buoys, you probably don't need to keep a log. But for those more human, it's not a bad idea. Developed and refined endlessly over three decades by longtime cruiser Dale Nouse, The International Marine Log Book is flexible enough to allow to record anything from bare piloting details to names and anecdotes that are valuable and/or enjoyable to recall. It will encourage good piloting, train you to be a careful observer of weather, stimulate you to run through a vital maintenance checklist, and serve as a compendium of interesting information about your boat. Complete, compact, and durable and will make all others obsolete. Here is a legal record of your boat's cruising history, vital navigational aid, concise and accurate weather forecasting system, daily checklist of your boat's mechanical systems, permanent record of your boat's important data and journal of your happy times afloat.

CP10362 $33.25

Imray | Rigging: Rig Your Boat Right for Racing or Cruising

Everything you wanted to know about the mysterious art of rigging but were afraid to ask. Rigging covers every aspect of standing and running rigging on a boat, explaining the role of every part and how they influence each other. Easy step-by-step guides explain how to choose and fit your equipment before going on to describe how to tune your rig to achieve better performance. Alternate configurations are examined and the bewildering array of lines simply explained. Where calculations are used they are kept easy and straightforward to understand.

II000067 $34.75

Completely transparent and has a clear optical finish to aid your charting. Each 15" long blade has a large, easy to grip handle and is precision molded to assure straight lines, you cannot buy a more accurate instrument.

DI00061 $22.50

Portable Depth Sounders

Norcross Marine | Handheld Depth Sounder H22PX

Works where no other depth finder can, and is now 60 percent more powerful. Shoot through muddy water to find water depth, drop offs or ledges, or pinpoint hiding fish up to 200ft away. Take it diving, snorkeling, crabbing or swimming, it is submersible up to 200ft and it floats. Algorithmic programming virtually eliminates false readings, and the display updates four times per second for instant depth and temperature readings. No need to constantly watch the display for depth readings, because it flashes the last reading for five seconds after removal from the water. Shoot thru technology allows readings through solid fiberglass hulls. Maximum Depth: 2 + ft to 199ft. Frequency: 200kHz (20° beam). Transmit Power: 200W (RMS). Display Type: Polarized LCD with Soft glow backlight. Screen Size: .93" x .63". Battery type: Four AA alkaline batteries (sold separately). Battery life: 10hr continuous use. Dimensions: 2" x 7" x 2". Waterproof rating: IPX8 submersible to 200ft/floats. Two year warranty.

CHARTS

Chart Kits

N.v. Charts | NV Charts North Florida; Paper, Digital & App Reg.8.1 ...

The nv-charts are characterised by fine contours and easy to distinguish colour graduations of the depth lines - turquoise for coral reefs, red for the 2-meter-line and blue for the 5-m-areas. Presented in a handy, user friendly size, a thick plastic envelope protects the charts, enabling them to be easily stored. The importance of good graphical representation of the topography when sailing in the Caribbean is essential. Well marked rivers, towns and street plans all help to give a clear overall view of the shoreside facilities of the islands. Red numbered waypoints with coordinates based on WGS 84 enable yachtsmen to navigate using their GPS instruments. Heights and depths are given in the internationally accepted format of meters. Large scale approaches and land contour markings simplify the entrance into anchorages.

CP001810 NV Charts North Florida; Paper, Digital & App Reg.8.1 $64.95
CP001820 NV Charts East Florida; Paper, Digital & App Reg.8.2 $64.95

Charts - Electronic

Garmin | Electronic BlueChart g2 MicroSD HXUS030R S E Caribbean

BlueChart ® g2 has 2D perspective and richer detail and content. These charts feature integrated maps for a much smoother presentation and a growing worldwide database of high quality photos of harbors, ports, marinas and coastal features. Best of all, its new 3D perspective lets you visualize map detail from a 'mariners eye view' vantage point for more intuitive orientation. BlueChart ® g2 is available on Garmin pre programmed data cards. BlueChart ® g2 Southeast Caribbean (HXUS030R) covers the Caribbean from Haiti to Trinidad and Tobago, including Puerto Rico and all of the Lesser Antilles. Also includes the Colombian and Venezuelan coasts from Barranquilla, Colombia to the mouth of the Orinoco River, including Lake Maracaibo and the Gulf of Paria.

LC04013 $200.95

Garmin | G2 Micro SD for S.W. Caribbean HXUS031R

Detailed coverage of the northern coast of Central America from Cancun, Mexico to Barranquilla, Colombia, including the Panama Canal in its entirety. General coverage of the northern half of the Gulf of Panama. Also includes detailed coverage of the coasts of Cuba, Jamaica, and the Caymans in their entirety.

LC00031 $200.95

C-map | Max Wide SD Card NAM027 Caribbean & Central America

MAX the ultimate navigator brings electronic charts to life. See NavAids on the screen exactly as they appear through your pilothouse window. Get 'at a glimpse' information about current strength and direction. Even view an aerial photograph of an unfamiliar inlet before you enter. MAX gracefully combines unparalleled levels of chart accuracy and detail, striking presentation and a huge collection of new value added data. Building on the incredible success of CMAP NT+, voted best electronic charts by the NMEA for 6 consecutive years, MAX infuses a new generation of chart plotters with lightning fast, knockout performance plus real life accuracy. For use with Advansea plotters.

Plastimo | Iris 50 Handbearing Compass Blue

An iconic product in the Plastimo range, the Iris 50 is the highly dependable companion of yachtsmen, regatta addicts and professional racers worldwide. It is regularly praised by technical press and prestigious skippers alike, as the most reliable, sturdy and handy handbearing compass. Good protection against hard knocks : the smooth finish feels soft in your hand, and it will not slip, even if it is wet. Outstanding legibility of the card, with one-degree graduations. No parallax error : a prism projects the reading of the bearing to infinity. This also contributes to a more comfortable operation, as you do not need to alternate close-reading to read the card and infinite-reading to take bearings. Optimum conditions to take bearings, thanks to the superb card stability and the wide 20Â° field of view, which will accommodate the roughest sea conditions. Most accurate bearing : the pivot and very hard stone are a guarantee of long life and shock resistance of your compass. Soft bottom cell : engineered using ultra-sonic welding, it acts like an expansion diaphragm, preventing the formation of bubbles and leaks. Built-in photoluminescent lighting, completely maintenance-free, [...] more at islandwaterworld.com

PL63870 $122.35

Plastimo | Iris 50 Handbearing Compass Yellow

Housed in a robust, soft, nonslip shell, this compass offers outstanding legibility, no parallax error and superb card stability. Completely maintenance free, impervious to corrosion and the photo luminescent lighting operates without batteries or radioactive tritium.

Magma BBQ's / Magma Charcoal BBQ's

Magma | BBQ Marine Kettle Grill Charcoal w/Hinged Lid Original Size ...

The time tested original charcoal grill now has a hinged lid. It is meticulously crafted of 100% 18-9 mirror polished stainless steel for maximum corrosion resistance. The rotating design allows you to determine which direction you would like the lid to open when grilling in windy conditions. Perfect results are obtained through use of the adjustable height cooking grill and the variable temperature control draft door assembly. The design allows oven type baking and it will cook more food faster, on less grill area, than any other charcoal grill. Magma's large selection of mounting options and accessories allows you to customize your grill for your specific on board or on shore application.

MG10104 BBQ Marine Kettle Grill Charcoal w/Hinged Lid Original Size $215.95

MG10114 BBQ Kettle Grill Marine Kettle Series Charcoal w/Hinged Lid Party Size $263.95

Magma BBQ's / Magma Gas BBQ's

Magma | BBQ Marine Kettle Grill Gas w/Hinged Lid Original Size

Made of 100% 18-9 mirror polished stainless steel, this grill will give you the safety, durability and performance required of a marine grill. It uses the time tested, highly efficient radiant plate heat distribution system in conjunction with convection heating technology to achieve hot, even temperatures while using a minimum of fuel. The patented swiveling turbo venturi tube allows you to adjust the control valve inboard, outboard, left or right wherever it is most convenient to you it also allows for quick safe fuel canister changes even while grilling. The turbo venturi tube, in combination with the newly designed burner, virtually eliminates blow outs. The grill quickly disassembles without tools for easy clean up.

MG10205 $281.95

Magma | BBQ Grill ChefsMate Connoisseur Series Gas Original Size

Meticulous attention to even the smallest details creates the finest value grill available. Wind tested for perfect even heat distribution, this grill offers the cooking performance usually only found in large back yard grills costing much more. Easily transported, the fold away legs are out of the way on board, but readily available for that quick picnic on shore. The snap out radiant plate provides easy access for clean up, yet allows the flame kissed flavor that makes for really memorable meals on onboard or ashore. Uses standard disposable 1lb propane canisters or adapts to on board LPG (propane) or CNG (natural gas) systems.

MG10803 $377.95

Magma | BBQ Marine Kettle 2 Grill Combination Sto ...

The Marine Kettle 2 is virtually windproof. Its dependability in a stiff breeze is due to a virtual blow out proof turbo venturi and valve system. A front mounted piezo igniter is now included, as well as a new patented burner and heat distribution system that reduces flare ups. These grills have full, double lined inner safety shells to keep the outside of the grill cooler. A mirror polished, 18-9 marine grade stainless exterior finish provides superior corrosion resistance. It has a polished, stainless 'Stay Cool' handle and the hinged lid is balanced so it won't slam shut as the boat rolls. Magma's patented plate and dome system make it the only boat grill that is truly a grill, stove or oven. The grills feature a new cast stainless indexing bracket and clamp to provide easier, more positive level mounting. It uses standard, disposable, 1lb. propane canisters or will easily adapt to the boat's existing onboard LPG (propane) or CNG (natural gas) system. The newly designed valve system adjusts left, right, inboard or outboard for easy heat control access and fuel bottle change.

MG10207 BBQ Marine Kettle 2 Grill Combination Stove & Grill Gas Original Size $383.95

Magma | Bait/Filet Mate Cutting & Serving Table 3 ...

Bait/Filet Mate cutting and serving tables may be used for food or cocktail service, for bait preparation, or for cleaning the catch of the day. They feature two filet knife holders and a handy receptacle for your fishing pliers. The slot at the back of the tables permits water drainage from the work surface when you clean or filet your favorite seafood. The Bait/Filet Mate is virtually indestructible and more practical and sanitary than wooden cutting boards. They do not absorb fish odor, will not crack or mildew and are maintenance free. They are made of the finest commercial cutting board material available, FDA approved and UV stabilized high density polyethylene. All edges and corners are rounded for your safety. Single mount mounting hardware is required for complete installation. Sold separately.

COOKERS

Hobs

Solgaz | Pot Holder Kit, for 2 Pots

Kit for two pots - to be used with Solgaz 2 or 3 burner gas induction hobs.

GZ10000 $99.95

Solgaz | Glass Top 2 Burner Induction Hob

Solgaz Flamesless hobs. 2 Burner dimensions: 330x495x110mm. Flameless ceramic hob, very easy to keep clean. Solgaz hobs have a touch control panel for simple and safe control. The gas is burned at about 800degC, which results in the removal of retardant gas ingredients, and hence, they leave no greasy deposits on dishes and furniture. Gas consumption is reduced by up to 50% compared to traditional gas stoves. The burners only heat up the hob in designated spots, hence no heat losses. Every model has one or two residual heat areas ("free burners"). These are located over the fume channels, require no gas intake; they do, however, allow heating up food during the operation of the medium or large burner. This gives you the additional energy from fume heat. The high temperature of the burner allows for greatly improved gas usage, compared to standard gas stoves. The touch panel allows for easy and safe control of the hob: it provides the user with information on current status as well as indicates possible errors. Has a lock against accidental activation (child lock). Lack of open flame protects you setting fire. The hot heating zone change color to red. CE certified. Ten times less [...] more at islandwaterworld.com

GZ00002 $595.00

Solgaz I Glass Top 3 Burner Induction Hob

Solgaz Flamesless hobs. 3 Burner dimensions: 580x495x110mm. Flameless ceramic hob, very easy to keep clean. Solgaz hobs have a touch control panel for simple and safe control. The gas is burned at about 800degC, which results in the removal of retardant gas ingredients, and hence, they leave no greasy deposits on dishes and furniture. Gas consumption is reduced by up to 50% compared to traditional gas stoves. The burners only heat up the hob in designated spots, hence no heat losses. Virtually indestructible rotational-molded construction minimum 2" insulating foam in lid and 15-20" foam in body. Heavy-duty "3-point grab" handle with comfort grip with durable, rubberized T-Grip lid latches. Lockable lid for maximum security - uses standard-size lock with a integrated fish ruler. Anti-skid feet on base keeps cooler from sliding and moving in truck or on the boat. Oversized, tethered drain plug allows quick draining and easy cleaning.

IG49233 $398.49

Igloo | Cooler Marine Elite White 150 qt

Top of the line, exceptionally featured heavy duty cooler. Bolt-through-body, comfort grip side handles with gasketed heavy duty back up plates - won't pull out even under heavy loads. Dual stainless steel latches for longer life and secure closure. Specially anchored, heavy duty stainless steel hinges. 40% heavier body for increased durability. Treaded drain plug for quick draining and easy cleaning with stainless steel tether to prevent cap loss - threads are hose compatible for draining away from area of use. Holds ice up to 7 days at 90Â° F. Dual stainless steel lid straps for even greater lid security. Four cup holders molded into lid. Convenient fish measuring ruler on lid. - Dimensions: 48.88" Length x 22.38" Width x 20.38" Height

IG90150 $445.00

Coolers / Pelican

Pelican | Elite Cooler 250 Quarts Marine White

PelicanÃ– is proud to announce our bear resistant certification from the Interagency Grizzly Bear Committee. - Dual Handle System (Molded-in & Hinged Handles) Up to 10 days ice retention, freezer grade gasket, 2" polyurethane insulation Press & Pull Latches (Wide for Gloved Use) Molded-In Tie Downs Non-Skid & Non-Marking Raised Feet Molded-In Lock Hasp, Stainless Steel Plate Sloped Drain & Tethered Threaded Plug (Garden Hose Attachable) Corrosion Resistant Stainless Steel Hardware Integrated Fish Scale on Lid Made in USA Guaranteed for life

PC00250 $995.00

Ice Makers

Dometic I Ice Maker Portable Stainless Steel Top Loading 60 hz 120V

The Dometic portable ice maker is the perfect appliance for entertaining and fun. At home or on the go, take your cold with you. Make up to 33lbs of fresh, clean ice every 24 hours. The first batch is yours in under 15 minutes. The ice maker has an energy saving clear window in the lid which lets you check the ice level without losing cold. A simple ice cube size selection makes you chose from small, medium or large cubes. Stainless steel finish with black lid.

WA30015 $335.50

Refrigerated Coolers

Dometic I CoolFreeze CF40 Portable Fridge/Freezer 12/24/115V

Composed of a high impact polypropylene cabinet, the CF40 can freeze to 0°F (-17°C). Memory feature will maintain preset settings if the system is turned off and the three stage battery monitor has a low voltage shut off to protect against a dead battery. Includes a coated wire grid divider to keep foods from adhering to the interior walls. Convenient carrying handles aid in transport and can be easily removed. Interior light helps quickly find contents in the dark.

WA30040 $1,085.75

Dometic I CoolFreeze CF52 Portable Fridge/Freezer 12/24/115/220V

Composed of a high impact polypropylene cabinet, the CF50 can freeze to 0°F (-17°C). Memory feature will maintain preset settings if the system is turned off and the three stage battery monitor has a low voltage shut off to protect against a dead battery. Includes a coated wire grid divider to keep foods from adhering to the interior walls. Convenient carrying handles aid in transport and can be easily removed. Interior light helps quickly find contents in the dark.

WA30050 $1,214.99

Dometic I CoolFreeze CF80 Portable Fridge/Freezer 12/24/115/220V

Composed of a high impact polypropylene cabinet, the CF80 can freeze to 0°F (-17°C). Memory feature will maintain preset settings if the system is turned off and the three stage battery monitor has a low voltage shut off to protect against a dead battery. Includes a coated wire grid divider to keep foods from adhering to the interior walls. Convenient carrying handles aid in transport and can be easily removed. Interior light helps quickly find contents in the dark.

WA30080 $1,437.95

Dometic I CoolFreeze CF110 Portable Fridge/Freezer 12/24/115/220V

Composed of a high impact polypropylene cabinet, the CF110 can freeze to 0°F (-17°C). Memory feature will maintain preset settings if the system is turned off and the three stage battery monitor has a low voltage shut off to protect against a dead battery. Includes a coated wire grid divider to keep foods from adhering to the interior walls. Convenient carrying handles aid in transport and can be easily removed. Interior light helps quickly find contents in the dark.

WA30110 $1,535.09

Dometic I CoolFreeze CFX-65DZ Portable Fridge/Fre ...

Portable compressor cooler and freezer with CFX special electronics for 12/24V DC and 100-240V AC. Suitable for solar operation. Energy class A++. Suitable for deep freezing down to -22°C. Excellent cooling performance even at extremely high outside temperatures. CFX special electronics with digital temperature display. Extremely efficient and superbly quiet operation. USB charging port. Drain plugs make cleaning simple. Heavy duty version.

WA304051 CoolFreeze CFX-65DZ Portable Fridge/Freezer Dual Zone 12/24/115/220V $1,695.00

Refrigeration Dometic S50

Dometic I CoolMatic O-Evaporator Plate VD07 50 Series

O-evaporator for installation in chest and upright refrigerators. Provides a freezer compartment for ice making. Cooling volumes up to approx. 3.5cu.ft with 2" of insulation/4.5cu.ft with 3" of insulation. Horizontal and vertical installation. Power input: 35W. Average running time 40% with an insulation of 50mm PU, at 5°C interior temperature, 32°C ambient temperature. Temp control is continuous variable thermostat, suited for external mounting. 255mm x 210mm x 90mm.

WA99007 $189.95

Dometic I CoolMatic Evaporator Plate VD05 80 Series Flat

Standard L shape evaporator, self sealing valve couplings, flexible connection pipe approximately 2m, continuously variable thermostat (for external installation with grey knob and black plastic housing), electric supply cord approximately 3m. Cooling volumes up to approximately 4.5cu.ft with 2" of insulation/6cu.ft with 3" of insulation. 375mm x 350mm x 20mm.

WA99005 $202.95

Dometic I ColdMatic CU55 Compressor/Condenser Series 50 12/24V

CU55 compressor/condenser run on either 12V or 24V DC. Each is equipped with an electronically controlled Danfoss BD35F compressor. Features include integrated, adjustable low voltage cutout protection, quiet fan cooling and self sealing valve couplings to make installation easy. Draw is approximately 2.75A-3.12A per hour at 12V DC. 220mm x 160mm x 220mm.

WA99055 $725.00

Refrigeration Dometic S80

Dometic I Plate Evaporator VD18 Series 80

Standard plate evaporator for horizontal and vertical installation in chest and upright refrigerators. Self sealing valve couplings, flexible connection pipe approximately 2m, continuously variable thermostat (for external installation with grey knob and black plastic housing, electric supply cord approximately 3m).

WA99018 $190.35

Dometic I CoolMatic Evaporator Plate VD04 80 Series L Shape

Standard L shape evaporator, self sealing valve couplings, flexible connection pipe approximately 2m, continuously variable thermostat (for external installation with grey knob and black plastic housing), electric supply cord approximately 3m. Cooling volumes up to approximately 4.5cu.ft with 2" of insulation/6cu.ft with 3" of insulation. Power input: 45W. Average running time 45% with 50mm PU installation. 375mm x 265mm x 100mm.

WA99004 $222.25

Dometic I CoolMatic O-Evaporator Plate VD09 80 Series

O-evaporator for installation in chest coolers, specially suitable for medium refrigeration capacities, evaporator can be used as deep freeze compartment. For vertical or horizontal installation. Power input: 45W. Average running time 40% with 50mm PU installation. 365mm x 140mm x 295mm.

WA99009 $265.50

Dometic I CoolMatic Evaporator Plate VD08 80 Series Angled

Standard angle evaporator, self sealing valve couplings, flexible connection pipe approximately 2m, continuously variable thermostat (for external installation with gray knob and black plastic housing), electric supply cord approximately 3m. Cooling volumes up to approximately 5.6cuft. with 2" of insulation/6.3cuft. with 3" of insulation. For vertical or horizontal installation. Power input: 45W. Average running time 40% with 50mm PU installation. 450mm x 270mm x 340mm.

WA99008 $318.75

Dometic I Circulating Air Evaporator VD15 Series 80

High performance circulating air evaporator in a white plastic housing, with brushless fan, fast cooling through circulating air operation, self sealing valve couplings, flexible connection pipe approx. 2.5m, continuously variable thermostat integrated in the evaporator housing with 35mm PU insulation, 250L maximum with 50mm PU insulation.

WA99015 $395.00

Dometic I ColdMatic CU86 Compressor/Condenser Series 80 12/24V

CU86 compressor/condenser is designed for larger boxes and use in warmer waters. The Danfoss BD35F is tuned for higher efficiency and is available in three sizes to match your installation needs. Brushless DC fan, lamellar condenser, self sealing valve couplings

WA99086 $775.00

Dometic I ColdMatic CU85 Compressor/Condenser Series 80 12/24V

CU85 compressor/condenser is designed for larger boxes and use in warmer waters. The Danfoss BD35F is tuned for higher efficiency and is available in three sizes to match your installation needs. Brushless DC fan, lamellar condenser, self sealing valve couplings.

WA99085 $775.00

Dometic I ColdMatic CU84 Compressor/Condenser Series 80 12/24V

CU84 compressor/condenser is designed for larger boxes and use in warmer waters. The Danfoss BD35F is tuned for higher efficiency and is available in three sizes to match your installation needs. Power input: 45-60W, depending on evaporator type. Electronic reverse pole protection. Cooling volumes: 250L maximum for normal refrigeration with direct evaporators, 70L maximum for deep freezing. Brushless DC fan, lamellar condenser, self sealing valve couplings.

WA99084 $775.00

Dometic I Cold Accumaltor Plate VD06 80/90 Series

Stainless steel energy accumulator with integrated high performance lamellar evaporator, self sealing valve couplings, continuously variable by means of electronic TEC controller. For vertical or horizontal installation. Power input: 65W. Average running time 40% with 50mm PU installation. Accumulator charging time: 2 hours. Discharge time: 8-12 hours (without compressor operation). Temperature control is continuously variable through electronic TEC control. Battery charge: at one discharge cycle per day = 10W/hr. 360mm x 290mm x 50mm.

WA99006 $865.00

Refrigeration Dometic S90

Dometic I CoolMatic Evaporator Plate VD21 90 Seri ...

This is a standard plate evaporator with large surface, self sealing valve couplings, flexible connection pipe approximately 2 m, continuously variable thermostat (for external installation, with blue turning knob and LED indicator, white plastic housing), for refrigeration and deepfreezing. Power input: 60W. Average running time: 50% with an insulation of 35mm PU, 40% with an insulation of 50mm PU, Both at 5°C interior temperature, 32°C ambient temperature and average cooling volume. Running time at deep freezing: 60% with an insulation of 50mm PU, 40% with an insulation of 100mm PU, both at 32°C ambient temperature and average cooling volume. 1370mm x 300mm x 10mm.

WA99021 CoolMatic Evaporator Plate VD21 90 Series Large Area Standard $295.00

Dometic I Circulating Air Evaporator VD14 Series 90

Circulating air evaporator for installation in chest and upright refrigerators, especially suitable for large refrigeration capacities and high ambient temperatures. Power input: 80W. Average running time: 35% with an insulation of 35 mm PU, 25% with an insulation of 50 mm PU, both at 5°C interior temperature, 32°C ambient temperature and average cooling volume. Power consumption: power input x average running time. With an insulation of 35mm PU, 400L maximum with an insulation of 50mm PU. 220mm x 275mm x 65mm.

WA99014 $395.95

Dometic I Circulating Air Deep Freeze Evaporator VD16 Series 90

Circulating air lamellar evaporator in a transparent plastic housing, self sealing valve couplings, flexible connection pipe approximately 2.5m, continuously variable deep freeze thermostat integrated in the evaporator housing. Power input: 60W. Average running time: 55% with an insulation of 50mm PU, 40% with an insulation of 100mm PU, both at 32°C ambient temperature and average cooling volume. Cooling volumes: 130L maximum with an insulation of 50mm PU, 200L maximum with an insulation of 100mm PU.

WA99016 $499.95

Dometic I ColdMatic CU94 Compressor/Condenser Series 90 12/24V ...

Fully hermetic Danfoss BDF50F compressor with control electronics and integrated low voltage protection, low voltage cut off, brushless DC fan, lamellar condenser, self sealing valve couplings. Power input: 60-100W, depending on evaporator type. Electronic reverse pole protection. Cooling volumes: 400L maximum for normal refrigeration with direct evaporators, 200L maximum deep freezing.

WA99094 ColdMatic CU94 Compressor/Condenser Series 90 12/24V $875.00
WA99095 ColdMatic CU95 Compressor/Condenser Series90 12/24V $875.00
WA99096 ColdMatic CU96 Compressor/Condenser Series 90 12/24V $875.00

Refrigerator Parts

Dometic I Thermostat For VD-01, 10 & 1

Original Dometic / Waeco replacement part.

WA00002 $24.85

Dometic | Replacement fan for VD-14

Replacement fan for VD-14 . (Circulating Air Evaporator VD14 Series 90, replacement fan).

WA990141 $29.95

Dometic | Thermostat For CR50/CR65

Dometic thermostat control 13-00-KPF1E1.

WA13001 $47.95

Dometic | Replacement Fan For Evaporator VD-16 11 ...

Original Dometic replacement part.

Replacement Fan For Evaporator VD-16 119 mm x 119 mm 24V
WA25224 $49.95

Replacement Fan For CU-50/80 119 mm x 119 mm 12V
WA25225 $49.95

Dometic | CoolPower Mains Recifier EPS817U 220V-12V

Low voltage protector integrated in the supply cable. For 12V applications with cigarette lighter socket as output. Enables automatic cut off at low battery voltage and cut in at normal voltage. Status indicated by LEDs.

WA84236 $54.95

Dometic | Thermostat Kit, Housing, cable, Led

Waeco Thermostat Kit.

WA540149 $64.95

Dometic | CoolPower MPS50 Mains Adapter 110/230V

Mains adapter for hassle free connection of 12/24V cooling appliances to 110/230V mains systems. Suitable for all WAECO cooling appliances with Danfoss BD35F/BD50F compressor. Ideal for permanent installation. Automatic priority circuit for mains operation.

WA00050 $145.95

Dometic | Electronic Controller For BD35F/BD50F Compressors ...

Controller for Danfoss refrigeration compressors.

Electronic Controller For BD35F/BD50F Compressors
WA25045 $265.00

Electronic Controller For BD50F Compressors
WA25050 $230.40

Dometic | Danfoss BD50F Refridgeration Compressor 12/24V ...

Danfoss compressor for direct 12/24V current hermetic compressors for mobile applications.

Danfoss BD50F Refridgeration Compressor 12/24V
WA25013 $395.95

Danfoss BD35F Refridgeration Compressor 12/24V
WA25014 $395.00

Refrigerators & Freezers

Dometic | Frame Kit Standard Mount For Coolmatic CR50

Original Waeco replacement part.

WA50501 $49.95

Dometic | Standard Mount Frame Kit for Coolmatic CR110

Allowing for secure installation of Waeco fridges from the CR unit range, the Waeco Fridge Standard Frame finishes the unit with stylish prominence. Gives the fridge a silver finish around the surround make the fitting look more attractive. Fridge is slightly raised out from the bulkhead. Standard Mount Frame Kit for Coolmatic CR110.

WA50111 $56.95

Dometic | Standard Mount Frame Kit for Coolmatic CR140

Allowing for secure installation of Waeco fridges from the CR unit range, the Waeco Fridge Standard Frame finishes the unit with stylish prominence. Gives the fridge a silver finish around the surround make the fitting look more attractive. Fridge is slightly raised out from the bulkhead. Standard Mount Frame Kit for Coolmatic CR140.

WA50141 $69.95

Dometic | Coolmatic CR50 Fridge/Freezer Front Opening 12/24V

The CoolMatic CR50 fridge is part of Waeco's premium range of leisure refrigerators, the CR50 fridge comes in a stainless steel effect finish and is suitable for motor homes, caravans, yachts and boats. The CR50 fridge range has cool blue lights inside, recessed door grips, functional cooling space, a separately insulated freezer compartment and a patented door locking mechanism. The premium range of fridges have been tested to tropical conditions of up to +43°C and can hold a temperature of -18°C in the freezer compartment and +5°C to +7°C in the rest of the refrigerator.

WA50500 $989.95

Dometic | CoolMatic CRX 50 Fridge/Freezer 3 in 1 Combination 50L

DOMETIC COOLMATIC CRX 50. Compressor refrigerator with stainless steel effect front, 12/24 volts DC. Storage volume 45l. Freezer compartment 4.4l. Average power consumption approx 40W. Temperature range approx. +12 to -15degC Dimensions (W x H x D): 380 x 534 x 447 mm. - 3-in-1 solution with removable freezer compartment: cooling, freezing or both at the same time. Intelligent electronic control of the compressor speed - up to 25% less energy consumption. Fan speed automatically adjusts to the ambient temperature - minimal noise. Perfect temperature control due to new designed soft touch control panel. Bright LED light with infrared sensor. Door lock with dual function (locking / ventilation). Door with stainless steel effect front (Easy-to-change decor panel). Bevelled edge on the backside for optimal utilisation of space on board. Standard or flush-mount installation frame available as accessory. 230-volt connection with low-priced mains adapter. -

WA05050 $1,074.99

Dometic I Coolmatic CR65 Fridge/Freezer Front Opening 12/24V

The CoolMatic CR65 fridge is part of Waeco's premium range of leisure refrigerators, the CR65 fridge comes in a stainless steel effect finish and is suitable for motor homes, caravans, yachts and boats. The CR65 fridge range has cool blue lights inside, recessed door grips, functional cooling space, a separately insulated freezer compartment and a patented door locking mechanism. The premium range of fridges have been tested to tropical conditions of up to +43°C and can hold a temperature of -18°C in the freezer compartment and +5°C to +7°C in the rest of the refrigerator.

WA50650 $1,157.99

Dometic I CoolMatic CRX 65 Fridge/Freezer 3 in 1 Combination, 65L

DOMETIC COOLMATIC CRX 65. Compressor refrigerator with stainless steel effect front, 12/24 volts DC. Storage volume 57l. Freezer compartment 7.5l. Average power consumption approx 45W. Temperature range approx. +12 to -15degC Dimensions (W x H x D): 448 x 525 x 492 mm. - 3-in-1 solution with removable freezer compartment: cooling, freezing or both at the same time. Intelligent electronic control of the compressor speed - up to 25% less energy consumption. Fan speed automatically adjusts to the ambient temperature - minimal noise. Perfect temperature control due to new designed soft touch control panel. Bright LED light with infrared sensor. Door lock with dual function (locking / ventilation). Door with stainless steel effect front (Easy-to-change decor panel). Bevelled edge on the backside for optimal utilisation of space on board. Standard or flush-mount installation frame available as accessory. 230-volt connection with low-priced mains adapter. -

WA05065 $1,194.99

Dometic I CoolMatic CRX 80 Fridge/Freezer 3 in 1 Combination 80L

DOMETIC COOLMATIC CRX 80. Compressor refrigerator with stainless steel effect front, 12/24 volts DC. Storage volume 78l. Freezer compartment 7.5l. Average power consumption approx 48W. Temperature range approx. +12 to -15degC525 Dimensions (W x H x D): 475 x 640 x 475 mm. - 3-in-1 solution with removable freezer compartment: cooling, freezing or both at the same time. Intelligent electronic control of the compressor speed - up to 25% less energy consumption. Fan speed automatically adjusts to the ambient temperature - minimal noise. Perfect temperature control due to new designed soft touch control panel. Bright LED light with infrared sensor. Door lock with dual function (locking / ventilation). Door with stainless steel effect front (Easy-to-change decor panel). Bevelled edge on the backside for optimal utilisation of space on board. Standard or flush-mount installation frame available as accessory. 230-volt connection with low-priced mains adapter. -

WA05080 $1,249.99

Dometic I Coolmatic CR110 Fridge/Freezer Front Opening 12/24V

The CoolMatic CR110 fridge is part of Waeco's premium range of leisure refrigerators, the CR110 fridge comes in a "stainless stee" effect finish and is suitable for motor homes, caravans, yachts and boats. The CR110 fridge range has cool blue lights inside, recessed door grips, functional cooling space, a separately insulated freezer compartment and a patented door locking mechanism. The premium range of fridges have been tested to tropical conditions of up to +43°C and can hold a temperature of -18°C in the freezer compartment and +5°C to +7°C in the rest of the refrigerator.

WA50110 $1,294.99

Dometic I Coolmatic CB40 Fridge/Freezer Top Loade ...

The Coolmatic CB40 is a top loading build in compressor fridge that has a thermostat for 2 star 10 deep freezing, This Coolmatic fridge can hold 2L standing bottles and can be used in all types of vehicles including boats and campers. The Coolmatic CB40 fridge freezer is also extremely efficient on energy consumption. -

WA400040 Coolmatic CB40 Fridge/Freezer Top Loader w/Built In Compressor 12/24V $1,294.99

Dometic I CoolMatic Drawer Fridge CRD 50 12/24V

The CRD-50 provides a gross capacity of 50L, including four litres for the freezer compartment. A sturdy pull out mechanism guarantees smooth operation at all times. With the matching installation frame, this drawer fridge is easy to install and comes ready for connection to 12V and 24V, for use in the cabin, the galley or on the flybridge. Designed for a temperature range between +10 and -15°C it consumes very little energy. Its power input is a mere 40W. Moreover, the cool cruise companion offers some practical technical features, including reliable low voltage and reverse polarity protection and a fully hermetic compressor with integrated control electronics. Built in dimensions: 380mm x 534mm x 447mm.

WA10050 $1,365.00

Dometic I Coolmatic CR140 Fridge/Freezer Front Opening 12/24V

The CoolMatic CR140 fridge is part of Waeco's premium range of leisure refrigerators, the CR140 fridge comes in a "stainless steel" effect front and is suitable for motor homes, caravans, yachts and boats. The CR140 fridge range has cool blue lights inside, recessed door grips, functional cooling space, a separately insulated freezer compartment and a patented door locking mechanism. The premium range of fridges have been tested to tropical conditions of up to +43°C and can hold a temperature of -18°C in the freezer compartment and +5°C to +7°C in the rest of the refrigerator.

Magna Industries I Propane Fuel Cylinder 16.4 Oz

Propane fuel cylinder 16.4 Oz

F620104 $11.25

Trident Marine I LPG Pigtail Hose Left hand 1/4" Thread 20"

Use to connect regulators to LPG cylinders (inside valve,left hand thread). Fully assembled and leak tested with solid brass: male POL cylinder fitting, 1/4" male inverted flare, and high pressure, thermoplastic LPG hose, UL listed assembly. 20" standard length.

T414012 $32.75

Trident Marine I LPG Supply Line Hose 5 ft ...

High quality hose that won't corrode or develop stress/fatigue cracks and is easy to install. This UL listed hose is fully assembled and leak tested with solid brass fittings, 3/8" female swivel flare each end.

T438382 LPG Supply Line Hose 5 ft $42.95
T438383 LPG Supply Line Hose 2 ft $33.95
T438384 LPG Supply Line Hose 10 ft $60.35
T438385 LPG Supply Line Hose 20 ft $121.49

Trident Marine I LPG Pigtail Hose Quick Coupling 1/4" Thread 20"

Use to connect wall mount regulators to cylinders with new type 1 valves (outside R.H. threads). Fully assembled, leak tested and UL Listed. 20" high pressure hose with 1/4" male inverted flare fitting X thermoplastic QCC nut for quick and easy hand tight connection. A controlled flow device will activate in case of a downstream gas system break (at 200cu ft/hour) and restrict propane gas flow (to 10 CFH at 100psi).

T001415 $46.30

Mobile living made easy.

Trident Marine | LPG Pigtail Connector For Remote Reulator 20"

Use to connect LPG cylinder to tank mount style regulator when it is remote wall mounted. Fully assembled and leak tested with solid brass male POL cylinder fitting x female POL receptacle, and 1/4"ID UL listed, high pressure, thermoplastic LPG hose.

T414021 $54.49

Trident Marine | Hose High Pressure For Propane G ...

Easily converts gas grill or other portable LPG appliances from small disposable bottles to larger refillable cylinder. This means you can use the same regulator for both.

Hose High Pressure For Propane Gas Grill w/Adapter 6 ft
T040407 $82.65

Trident Marine | Camping Gaz Adapter European Reg ...

European 'Camping Gaz' system adapter connects European (metric) regulators to U.S. propane tanks. Features: Attach female end to 'Camping Gaz' regulator and male end to U.S. tank valve. Specifications: Adapter assembled with solid brass U.S. male swivel POL fitting and European (metric) female M16 x 1.5 receptacle .

T901625 Camping Gaz Adapter European Regulator To US Cylinder Valve $95.15

Magma | LPG (Propane) Hose Conversion Kit 10 ft (3 m)

Used in conjunction with the correct type 3 control valve, this kit allows you to connect your Magma gas grill into your on board, pre regulated, low pressure LPG (propane) system. Includes all necessary brass fittings, safety shutoff valve and 10 feet (3m) of preassembled, leak tested hose.

MG10225 $107.95

Trident Marine | Camping Gaz Adapter US Regulator ...

European 'Camping Gaz' system adapter connects U.S. regulators to European (metric) propane tank valves. Features: Attach female end to U.S. regulator or pigtail POL (with valve 'Off') and male end to 'Camping Gaz' tank valve. Specifications: Adapter assembled with solid brass U.S. female POL receptacle, AGA ball valve with blue butterfly handle, and European (metric) M16 x 1.5 fitting with gasket.

T951615 Camping Gaz Adapter US Regulator To European Cylinder Valve $211.95

Propane Controls / Gas Control Systems

Magma | LPG Control Valve High Output Low Pressure Type 3

This low pressure control valve is designed to convert a Monterey gas grill from a type 1 control valve regulator and 1lb propane fuel canister to a pre regulated, low pressure, on board LPG (propane) systems. This stainless steel and brass control valve is designed to connect to the low pressure side of the regulator. Hose and tank fittings not included.

MG10224 $53.75

Magma | LPG Control Valve Medium Output Low Pressure Type 3

This low pressure control valve is designed to convert a Catalina gas grill from a type 1 control valve regulator and 1lb propane fuel canister to a pre regulated, low pressure, on board LPG (propane) systems. This stainless steel and brass control valve is designed to connect to the low pressure side of the regulator. Hose and tank fittings not included.

MG10223 $53.75

Magma | LPG Control Valve Low Output Low Pressure Type 3

This low pressure control valve is designed to convert all Marine Kettles, ChefsMate, and Newport gas grills from a type 1 control valve regulator and 1lb propane fuel canister to a pre regulated, low pressure, on board LPG (propane) systems. This stainless steel and brass control valve is designed to connect to the low pressure side of the regulator. Hose and tank fittings not included.

MG10220 $53.75

Trident Marine | Propane Gas Control Switch Panel 12V

Turns LP Gas ON and OFF from inside the galley. This new control panel is the only one on the market that can be used on 12V DC or 24V DC without the need of additional components and has a smaller footprint and is easy to install. -

T77031 $130.95

Trident Marine | Propane Gas Control System w/3/8" Brass Solenoid 12V

Propane Gas control system turns LP Gas ON and OFF from inside the galley. Metal panel has fuse, switch, and red LED function light, which is illuminated when switch, solenoid and gas are on ON. Comes with 3/8" brass solenoid. Draws 889 milliamps when ON and gas is in service.

T077050 $236.60

Propane Controls / Regulators

Trident Marine | LPG Regulator US Tank Mount Stage 1 w/Gauge

The most compact low pressure regulator that meets ABYC marine standard with gauge for required LPG system leak test. It is fully assembled and leak tested with 300psi gauge (low profile, water tight, stainless steel) and die cast zinc body with 3/8" FPT outlet.

T200411 $98.50

Propane Controls / Solenoid Valves

Quick | Gas Solenoid Valve 24V

Quick ® gas solenoid valve. Rated voltage 12V, coil power 12W. Connectors 1/2". Gas, fuel flow rate 100L/1h and a bypass function.

QK00521 $112.00

Trident Marine | LPG Solenoid Brass12V 1/4"

12V DC brass solenoid has full flow 5/16" orifice and 1/4" FPT ports. Connects to LPG regulator outlet and supply line with male Hex nipple and male flare adapter. UL Listed. Will not open with high pressure, and closes automatically with no or low electric current. Draws 790 milliamps when open. Use with 12V DC control panel.

T0770802 $132.95

Trident Marine | LPG Solenoid Brass 12V 3/8"

12V DC brass solenoid has full flow 5/16" orifice and 3/8" FPT ports. Connects to LPG regulator outlet and supply line with male Hex nipple and male flare adapter. UL Listed. Will not open with high pressure, and closes automatically with no or low electric current. Draws 790 milliamps when open. Use with 12V DC control panel.

T077062 $162.85

Propane Cylinders / Aluminum

Trident Marine | Propane Gas Cylinder Aluminium 10 lb ...

High strength, brushed aluminium LPG cylinders are light weight and maintenance free. They are just what recreational and commercial boaters need to end unsightly and dangerous rust and corrosion. Manufactured to D.O.T. specifications. New type 1 valves and overfill protection. For your safety all cylinders are shipped with plastic valve cover attached.

T000010 Propane Gas Cylinder Aluminium 10 lb $371.50
T000201 Propaner Gas Cylinder Aluminium 20 lb $367.15

Propane Cylinders / Composite

Trident Marine | Propaner Gas Cylinder Composite Fiberglass 11 lb ...

Lighter than aluminium and steel, this propane gas tank is made of a rugged, non corrosive three layer composite that was built with optimum safety in mind. It features a one piece seamless inner layer and a visible gas level. Ergonomic handles make it easy to carry and stack. Has a QCC thread on valve for QCC and POL connections.

T00011 Propaner Gas Cylinder Composite Fiberglass 11 lb $223.75
T00017 Propaner Gas Cylinder Composite Fiberglass 17 lb $238.75

Trident Marine | Propaner Gas Cylinder Composite Fiberglass 22 lb

Propaner Gas Cylinder Composite Fiberglass 22 lb. Viking Cylinders are built with safety as the first priority. Lighter than aluminum and steel, this propane tank is made of a rugged, non-corrosive three-layer composite that was built with optimum safety in mind. It features a one-piece seamless inner layer and a visible gas level. Ergonomic handles make it easy to carry and stack.

Overboard | Camera Case Zoom Lens Waterproof

Transform your zoom lens camera into an underwater model with the OverBoard waterproof zoom lens camera case, guaranteed submersible to 19ft/6m and offering protection from sand and dirt as well. Perfect for water based snaps or sandy beaches, this waterproof camera case features a clever zoom lens housing, so you can get really creative with your high spec camera without worrying about damaging it. The optical front lens and Lenflex rear window allow you to take ultra clear photos thanks to our 100% waterproof slide seal system. The handy wrap around window design also allows easy access and full use of all your cameras buttons and functions.

OB01103 $42.05

Overboard | Dry Tube Bag Waterproof Pink 20 L

Thanks to welded seams and a fold seal system, this small dry bag is 100% waterproof, suitable for quick submersion and even floats if dropped in the water. Made of nylon coated PVC tarpaulin, this waterproof dry bag is also super durable and easy to wipe clean, meaning it can take a bit of a beating. A fully adjustable and removable strap means you can carry this bag, hands free, whilst loading your craft or bringing your stuff to the beach.

OB01005 $43.35

Pelican | iPod Case Water Resistant White 5.88" x 4.06" x 2.12"

The i1010 is engineered with a special external headphone jack that allows users to protect their iPods while playing. It also features a molded rubber compartment that fits and protects the 1st and 2nd generation Apple ® Nano, Shuffle models. The lid has plenty of space to organize music-lovers' earphones and download cables. An additional convenient design feature on this case is an additional integrated strap loop to allow better tie off. A detachable reflective nylon strap is also included. The i1010 sports Pelicans' trademarked 'dual band' design and a high impact polycarbonate shell that stands up to some of the most punishing conditions. The strong latch with stainless steel pins keeps the case closed after drops and hard knocks, and the shock absorbing liner doubles as a weather resistant seal.

PC01010 $43.85

Pelican | Protector Case w/Foam Waterproof Orange ...

The Pelican case, with Pick 'n' Pluck foam, is an unbreakable, watertight, airtight, dustproof, chemical resistant and corrosion proof hard case used to carry any kind of equipment that needs to be protected from the elements. It is made of ultra high impact structural copolymer that makes it extremely strong and durable. It has a 0.25" (6.4mm) neoprene 'O' ring, easy open double throw latches that seal perfectly. It includes an automatic pressure equalization valve for quick equalization after changes in atmospheric pressure.

Palm Products | 285ML "Tritan" Whisky Glass w/Non-Slip Blue Bottom

Whisky glass , design by Marc Newson. Navy blue. Non-slip Unbreakable.285 ml. Â° 8,2 cm. h. 8 cm. Robert Wilson's vision was to create in collaboration with Marc Newson "the most glass-like, the most beautiful, the most user friendly and the highest quality unbreakable drinkware range available in the world. Marc Newson brings his award winning minimalist aesthetic to the creation of this unique range. "I simplify products to their essence; Designing them in a way that has not been done before to create a range that is unique in the world". The result is a beautiful and unique range of unbreakable drinkware - a true synergy of form and function. Marc Newson's sculptured shapes are dramatic and unique. They exhibit his signature flowing lines and fine sense of proportion. They are a pleasure to hold. The curved shapes sit naturally in the hand and they feel balanced with their glass-like weighed base. The Whisky, Highball, Wine and Flute blend as a family. The coloured bases add a further sense of drama and individuality They are a work of art that will bring pleasure to discerning users.

Shurhold's series of 6" (15cm) deck brushes that easily and positively lock into any Shurhold handle. Each brush is based out of a solid wood block and has a rubber wrap around bumper to prevent marking the surface. This brush has yellow polystyrene bristles with split end fibers, safe on gelcoat, clear coat, fiberglass and paint.

SS00960 $40.25

Shurhold | Swivel Pad Combo w/Synthetic Lambs Wool Cover

The swivel pad and lambs wool cover combo includes swivel pad base and synthetic lambs wool cover. Fits all Shurhold handles.

SS01710 $40.49

Shurhold | Handle Telescoping Aluminium 6 ft ...

All Shurhold handles are made of high strength, corrosion resistant, lightweight aluminium. Their Shur-lok quick release system positively locks quickly and easily with more than 40 different attachment heads. Telescoping handles provide excellent versatility by locking at different lengths for various needs. They come in two sizes.

SS00833 Handle Telescoping Aluminium 6 ft $42.50
SS00855 Handle Telescoping Aluminium 9 ft $54.65

Shurhold | Extra Soft Hull Brush Nylon Blue Bristle 8"

Shurhold's special application series of brushes are designed for more specialized work beyond just regular washing. This series includes attachments compatible with Shurhold handles. These are based out of a solid wood block with a rubber wrap around bumper to prevent marking any surface.

SS00310 $42.65

Shurhold | Deck Brush Extra Soft Blue Bristle 6"

Shurhold's series of 6" (15cm) deck brushes that easily and positively lock into any Shurhold handle. Each brush is based out of a solid wood block and has a rubber wrap around bumper to prevent marking the surface. This brush has blue nylon bristles ideal for delicate surfaces like Isinglass and Plexiglas.

SS00970 $44.65

Shurhold | Soft N Thirsty Mop Chamois Strips 5/8"

Prevent water spots on those hard to reach areas by using the Soft-n-Thirsty mop on any Shurhold handle. This string mop is made of 5/8" (16mm) wide strips of synthetic chamois. Not recommended for mopping diamond cut nonskid decks.

SS00113 $44.95

Shurhold | Landing Net Nylon 17" x 20" x 30" (43 cm x 51 cm x 76 cm)

Don't miss the big catch of the day by not having a landing net. This landing net is made with treated nylon and has a 17" x 20" x 30" (43cm x 51cm x 76cm) tangle resistant net. It fits into any Shur-lok handle and fits into small spaces.

SS01820 $50.45

Shurhold | Deck Brush Medium Yellow Bristle 10"

Shurhold's series of 10" (25cm) deck brushes that easily and positively lock into any Shurhold handle. Each brush is based out of a solid wood block and has a rubber wrap around bumper to prevent marking the surface. This brush has yellow polystyrene bristles for textured and non skid surfaces.

SS00985 $52.15

Shurhold | Deck Brush Soft Yellow Bristle 10"

Shurhold's series of 10" (25cm) deck brushes that easily and positively lock into any Shurhold handle. Each brush is based out of a solid wood block and has a rubber wrap around bumper to prevent marking the surface. This brush has yellow polystyrene bristles with split end fibers, safe on gelcoat, clear coat, fiberglass and paint.

SS00980 $52.15

Shurhold | Fishing Gaff Stainless Steel

This gaff is cast out of one piece of stainless steel and includes a safety spring guard to cover the sharp point when not in use. For light use only. Equipped with an adapter that attaches to any of four handles. Fish with the best, fish with Shurhold.

SS01804 $53.95

Shurhold | Squeegee Stainless Steel w/Rubber Strip 24"

Shurhold's 24" (61cm) stainless steel squeegee is the ideal solution to removing water and preventing water spots, especially from large surfaces like floors. They complete with channel, bracket and the Shurlok quick release adapter.

SS01424 $69.35

Shurhold | Deluxe Water Sprite Mop

Made of 1-3/8 inch wide strips that will never mold or mildew. Most absorbent mop available. Ideal for drying and preventing water spots on those hard-to-reach areas. Compatible with any Shurhold handle.

SS00117 $92.50

Shurhold | Dual action polisher kit - 120v ...

Included in this kit: Deluxe Canvas Storage Bag, Quick Change Velcro Backing Plate, Pad Wrench, Standard Side Handle, Deluxe D Handle, 1 Pair Replacement Carbon Brushes, 20 foot long power cord, GFCI Plug End. The design goal of Shurhold's Dual Action Polisher was to allow users to achieve the same high gloss, professional finish that the pros do with a rotary buffer/polisher, but in a unit that less-experienced, everyday users can operate with the same effectiveness.

SS03100 Dual action polisher kit - 120v $224.95
SS03200 Shurhold Dual action polisher kit - 240v $246.75

Starbrite

Redtree I Extenion Handle Wood w/Wood Threaded Tip 48"

Extension handle for rollers and all threaded brushes.

RT30148 $4.85

Starbrite I Wash Mitt Synthetic Wool w/Mesh Fibers

This glove style mitt is great for washing large areas in minimal time. The synthetic wool side holds a large amount of washing solution to make big jobs easy. The soft surface is perfect for fine finishes and will not scratch the surface. The surface is very durable and will last for years of maintenance free use. The mesh side is perfect for removing bugs, bird droppings, grime, algae, etc.

SB40037 $9.95

Starbrite I Sponge Cellulose Big Boat

Huge bail sponges, great for soaking up any liquid. 9" x 4 1/2" x 1 3/4".

SB40076 $12.95

Starbrite I Sponge Cellulose Big Boat

The best cellulose sponge made. Huge bail sponges great for soaking up any liquid. Absorbs over 1qt of liquid. 7 3/4' x 4 1/4" x 2 3/4".

SB40075 $15.59

High density Star prene fibers. Will fit all Extend-Abrush handles.

Scrub Brush Medium Wash Extend-A-Brush Blue Bristle
SB40011 $23.35

Scrub Brush Soft Wash Extend-A-Brush Yellow Bristle
SB40013 $23.35

Starbrite I Scrub Brush Extend-A-Brush White Bristle

High density Star prene fibers. Will fit all Extend-A-brush handles.

SB40010 $23.35

Starbrite I Extending Handle Extend-A-Brush 3ft-6ft

Telescoping shafts feature two non slip handgrips with positive twist lock to provide extension from 3ft to 6ft. Stainless steel.

SB40000 $38.55

Suction Lifters

Maritec I Suction Lifter 175 Single Suction

One handed operation. Indispensable for hull work or yacht cleaning from a dinghy. Very light design manufactured from high quality, wear free plastic, with a special suction rubber dia. 120mm. Holding power up to 40kg.

MR00001 $37.95

Maritec I Suction Lifter 103 Dual Suction Floatable

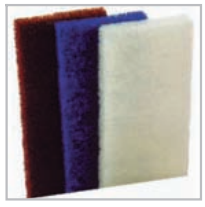

Indispensable for hull work or yacht cleaning from a dinghy. Very light design manufactured from high quality, wear free plastic, with a special suction rubber dia. 120mm. Holding power up to 80kg. Suction via 2 separate levers.

MR00002 $45.50

Swobbit

Swobbit I Scrub Pad Coarse Brown 2/pk

Multi purpose cleaning pads available only in coarse. 2 per pack.

FM55240 $9.40

Swobbit I Quik Dry Adapter For 14" & 18" Blades

Quik Dry Adapter allows you to use the 14" or 18" water blade with the Perfect Pole telescoping handle. Dry those hard to reach areas like decks, hardtops, roofs, hull sides and more, quickly and easily. Adapter is adjustable to 180°.

FM21215 $13.75

Swobbit I Universal Boat Hook

Universal Boat Hook is a multi-purpose tool for boaters, aiding in dock line retrieval, recovering overboard items and as a push pole for safer docking. Made of strong UV resistant polycarbonate. Uni-Snap quick release adapter snaps onto the Perfect Pole telescoping handle.

FM66650 $14.95

Swobbit I Dual Axis Swivel Plate Plastic

Swobbit system swivel plate features a dual axis 180° swivel for fast and efficient cleaning. Especially hard to reach areas whilst also following curves and contours. Hook and loop backing allows for quick and easy attachment of Swobbit scrubbing pads and accessories. Made from tough ABS plastic for superior durability and chemical resistance. Available with Uni-Snap quick release adapter.

FM55450 $24.55

Swobbit I Deck Brush Stiff Aqua Blue Bristle 7 1/2" (190 mm)

Ideal for teak and non skid decks, boat bottoms, stained, dirty textured surfaces requiring aggressive cleaning. Not recommended for glossy surfaces. 7 1/2" wide molded poly block with premium quality flared bristles set with corrosion resistant staples. Wrap around safety bumper protects surrounding areas.

FM77355 $33.95

Swobbit I Deck Brush Medium Orange Bristle 7 1/2" (190 mm)

Designed for cleaning teak and non-skid decks. Also great for cleaning canvas and cushions. Not recommended for glossy surfaces or plastics. 7 1/2" wide molded poly block with premium quality flared bristles set with corrosion resistant staples. Wrap around safety bumper protects surrounding areas.

FM77350 $33.95

Swobbit I Telescoping Handle Perfect Pole 3 ft (0.9 m) to 6 ft (1.8 m)

The Perfect Pole reaches a full 6ft (1.8m) when fully extended. The strongest, easiest to use telescoping pole. Patented Insta-Just tracking system. Made from aircraft-grade, heat-treated anodized aluminum tubing. Designed to work with Swobbit Uni-Snap accessories.

FM45650 $38.49

Swobbit I Quik Dry Water Blade 14"

Life's too short to chamois. Quik Dry Water Blade dries virtually any surface in 1/3 the time of chamois or squeegees. Soft medical grade silicone won't scratch paint, gelcoat or brightwork. Soft blade molds to contours whisking away water in one pass. Safe for all finishes including paint, fiberglass, windows and enclosures. Can be used with the Quik Dry Uni-Snap adapter.

FM21414 $39.25

Swobbit I Deck Brush Soft Green Bristle 7 1/2" (190 mm)

The soft flagged deck brush is a popular brush. Perfect for general purpose cleaning of most surfaces. 7 1/2" wide molded poly block with premium quality flared bristles set with corrosion resistant staples. Wrap around safety bumper protects surrounding areas. Not recommended for use with acids, solvents or high alkaline cleaners.

FM77345 $40.95

Swobbit I Deck Brush Extra Soft Purple Bristle 7 1/2" (190 mm)

Extra soft bristles for gentle cleaning of delicate surfaces. Safe for all finishes including painted and fiberglass finishes, windows and high-polish metals. 7 1/2" wide molded poly block with premium quality flared bristles, set with corrosion resistant staples. Wrap around safety bumper protects surrounding areas. Not recommended for use with solvents or alcohol.

FM77340 $40.95

Swobbit I Gaff Hook Stainless Steel

Machined stainless steel base and gaff hook provide the strength you need for your light duty fishing. Swobbit's stainless steel gaff hooks are designed for light duty use. Uni-Snap quick release adapter is designed to work with the Perfect Pole.

FM66670 $44.55

Swobbit I Telescoping Handle Perfect Pole 5 ft (1.5 m) To 9 ft (2.75 m)

The Perfect Pole reaches a full 9ft (2.75m) when fully extended. The strongest, easiest to use telescoping pole. Patented Insta-Just tracking system. Made from aircraft-grade, heat-treated anodized aluminum tubing. Designed to work with Swobbit Uni-Snap accessories.

FM45660 $50.15

Swobbit I Quik Dry Water Blade 18"

Life's too short to chamois. 18" is the biggest blade. Quik Dry Water Blade dries virtually any surface in 1/3 the time of chamois or squeegees. Soft medical grade silicone won't scratch paint, gelcoat or brightwork. Soft blade molds to contours whisking away water in one pass. Safe for all finishes including paint, fiberglass, windows and enclosures. Can be used with the Quik Dry Uni-Snap adapter.

FM21314 $54.95

Swobbit I Aquazorber Drying Mop 2" Strip

Top of the line drying mop. Made from imported material featuring 2" wide die cut strips for maximum absorbency. Recommended for drying, not cleaning or scrubbing especially on non-skid surfaces.

FM31216 $80.60

Vacuum Cleaners & Dusters

Camco I Mini Dustpan w/Whiskbroom

Whiskbroom snaps into dustpan when not in use. Hanger-hole for convenient storage. Small convenient size. Includes whiskbroom and dust pan. Whiskbroom is 10"W.

CO43945 $6.95

Lalizas I Vacuum Cleaner Sea Power w/5 m Cable 12V

This small sized vacuum cleaner is ideal for cleaning the interior of boats and cars. Includes a 5m power cord with 12V lighter plug, a standard wide mouth attachment for cleaning furniture and a crevice attachment.

LZ31403 $31.95

CONSTRUCTION MATERIALS

Carpets & Headliners

Lalizas I Carpet Blue w/Backing Width 120 cm

These carpets are designed to provide you with maximum comfort and safety when walking in your boat by creating a comfortable, elastic and anti slip walking surface. Manufactured according to international standards, they are a nontoxic and environment friendly product, especially designed for use in boats. These carpets are made of soft and durable PVC for extra resistance to seawater, fuel and oil spillage. Thanks to their UV stabilisers, they are suitable for areas exposed to sunlight. The loop layer is constructed, in order to trap dirt and filth, protecting the floor at the same time.

LZ57202 $14.95

Lalizas I Welcome Mat Blue w/White Letters Anti Slip 40 cm x 60 cm

These mats are designed to provide you with maximum comfort and safety when boarding your boat by creating a comfortable, elastic and anti slip walking surface. Manufactured according to international standards, they are a nontoxic and environment friendly product, especially designed for use in boats. These mats are made of soft and durable PVC for extra resistance to seawater, fuel and oil spillage. Thanks to their UV stabilisers, they are suitable for areas exposed to sunlight. Composites

Contourkore I Balsa Core Flexible Sheet Scrim & Score 3/4" x 2 ft x 4 ft

One side of the Balsa Core Flexible panel features a fiberglass fabric scrim (tri-scrim) while the other side features razor thin cuts length ways and width ways to create small blocks. This allows the panel to contour around curved surfaces and provide the ultimate flexible panel. Scrim allows a larger bonding area between the core and the GRP laminate. This increase in bonding area results in excellent skin to core adhesion which is necessary to provide high quality sandwich products.

FC517034 $59.49

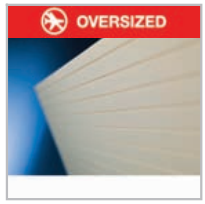

Nida-core | H8PP Honeycomb Polyester Scrim 10 mm (3/8") 4 ft x 7 ft ...

Nida-Core's line of lightweight plastic honeycomb core material doesn't just look good on the lab charts. Building with Nida-Core assures you that your boat is built with a lightweight, durable, plastic honeycomb ready to handle all kinds of stresses. A core material with unique properties, Nida-Core's structural honeycomb combines the strength and resilience of the special honeycomb sheet design, while also remaining a great sound damping material with excellent structure born, sound damping properties.

Diab Divinycell | Divinycell H45 Sandwich Core Pl ...

Divinycell ® H has been widely used over many years in virtually every application area where sandwich composites are employed. Divinycell ® H is compatible with virtually all commonly used resin systems (polyester, vinyl ester and epoxy) including those with high styrene contents. Its good temperature performance with high residual strength and good dimensional stability, makes Divinycell ® H ideal for hand laminating, vacuum bagging, RTM (resin transfer molding) and other closed molding processes. In its application range this product has the highest strength to density ratio. In addition the ductile qualities of Divinycell ® H make it ideal for applications subject to fatigue, slamming or impact loads. Where a more brittle core material might well shatter or delaminate as a result of an impact.

FC140344	Divinycell H45 Sandwich Core Plain Blue 3 lb 1/2" x 48" x 96"	$151.50

Nida-core | H8PP Honeycomb Polyester Scrim 38 mm (1-1/2") 4 ft x 7 ft

Nida-Core's line of lightweight plastic honeycomb core material doesn't just look good on the lab charts. They stand up to the tests of the real world. In laboratories the results can be controlled by highly skilled lab technicians, but when you are out in your boat on the water you need resilience to bumps and grinds that are accidental as well. Building with Nida-Core assures you that your boat is built with a lightweight, durable, plastic honeycomb ready to handle all kinds of stresses. A core material with unique properties, Nida-Core's Structural Honeycomb combines the strength and resilience of our special Honeycomb sheet design while also remaining a great sound damping material with excellent structure-born sound damping properties. The honeycomb cell walls are fused into the non-woven polyester scrim. That coupled with the scrim's affinity for virtually any resin or adhesive system provides exceptional bond and peel strength.

NC48038		$180.00

Coosa | Composite Sheet, Bluewater 26 1" - 4' x 8" ...

Bluewater 26 is a high-density (26 lb/cu ft), polyurethane foam board reinforced with layers of continuous strand fiberglass, as well as woven roving for extra stifness. It is a stronger and stiffer alternative to the Bluewater 20 (20 lb/cu ft), and can be used as a direct replacement for plywood in all structural applications. Bluewater 26 is Coosa's strongest and stiffest panel, yet still provides at least a 30% weight savings over plywood. - o Bluewater 26 has a density of 26 - 28 pounds per cubic foot. o Extremely low water absorption. o Will not rot. o Dimensionally stable. o A regular sharp carbide blade or bit is all you need to cut or drill Coosa Board. o Attach with screws, staples, or adhesives. o At least 30% lighter than a comparable piece of plywood, but with superior stiffness and strength. o Color coded: Blue.

CS60010	Composite Sheet, Bluewater 26 1" - 4' x 8"	$529.00
CS60012	Composite Sheet, Coosa Bluewater 26 1/2" - 4' x 8"	$425.00

Seadek I Camel Non-Skid Sheet 39" x 77" x 5mm w/P ...

Ensure optimum safety for your boat passengers, especially in high traffic areas. Layer the boat floor with SeaDek Sheet Materials for enhanced skid à SeaDek offers a complete line of sheets that are perfect for any area on a boat that requires improved non-skid or padding in areas frequently used for sitting or kneeling. These products protect boats' surfaces, preventing scratching and chipping. They also cover up surface imperfections, helping it look brand new. Made from soft, durable, UV resistant EVA foam specifically designed for the marine environment, they can be easily installed with SeaDek's marine grad, peel-and-stick adhesive backing. These products can be purchased individually or in multi-sheet kits and can be easily trimmed to fit.

DK12516 Camel Non-Skid Sheet 39" x 77" x 5mm w/Peel and Stick Backing $233.95

Seadek I Non-Skid Sheet 39" x 77" x 5mm Aqua Camo

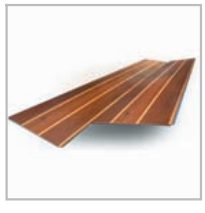

SeaDek offers a complete line of sheets that are perfect for any area on a boat that requires improved non-skid or padding in areas frequently used for sitting or kneeling. These products protect boats' surfaces, preventing scratching and chipping. They also cover up surface imperfections, helping it look brand new. Floorboards / HPL/PVC

Nautikflor I Teak Nautikwall Panel 1/2' x 4'

Made from 100% Marine Grade PVC. Fast and Easy to install. Lightweight water-resistant marine grade PVC. Beautiful wood grain texture finish. High UV protection with anti-skid surface. Can be varnished and polished. Will not rot, peel, or crack. Low maintenance and very easy to clean. -

NK10003 $83.50

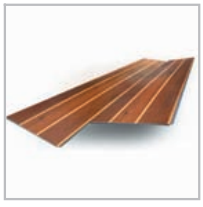

Lambri I Laminate Decor HPL Mahogany /Black Strip ...

The high pressure laminates offer many practical advantages and are the solution for floor areas where intense wear is expected. The topside of this floor plate consists of a 'high pressure laminate' (plastic HPL) plate with a wooden design and contrasting inlay. The plastic layer is colorfast, scratch resistant and maintenance free. Excellent for refinishing old floorboards. The laminates are 0.9mm thick and consist of a 55mm strip and a 5mm inlay.

LA41082	Laminate Decor HPL Mahogany /Black Strip 0.9 mm 244 cm x 122 cm	$149.95
LA41083	Laminate Modern HPL Teak /Cream Strip 0.9 mm 305 cm x 132 cm	$189.95

Nautikflor I NautikFlor Teak & Holly Flooring w/S ...

Made from 100% Marine Grade PVC, featuring a quick install "click" system. Fast and Easy to install. Lightweight water-resistant marine grade PVC. Beautiful wood grain texture finish. High UV protection with anti-skid surface. Can be varnished and polished. Will not rot, peel, or crack. Patented Locking Click system with seamless butt joint. Low maintenance and very easy to clean. Planks are 4.5mm thick and cover a surface of 2.7 square feet. Meets class "B" BFL, R10, and AC5 abrasion certifications.

NK10001	NautikFlor Teak & Holly Flooring w/Sound Reducer Underlay 35 sq. ft/Box	$382.50
NK10002	NautikFlor Teak & Black Flooring w/Sound Reducer Underlay 35 sq. ft/Box	$382.50

Plywood / Bruynzeel Hechthout

Brunzeel I Marine Plywood Hechthout A/B 4 mm 4 ft x 8 ft ...

Bruynzeel Hechthout ® marine grade plywood has a quality A/B rating, a 20 year guarantee and has been approved by Lloyd's Register. It is a water and weather resistant all Gaboon mahogany veneered board. Hechthout ® boards are used in yacht and ship building as well as for exterior construction projects. Hechthout ® is lightweight but strong, simple to install, easy to paint or clear finish, and does not split, making it suitable for a wide variety of applications.

LA01004	Marine Plywood Hechthout A/B 4 mm 4 ft x 8 ft	$79.95
LA01006	Marine Plywood Hechthout A/B 6 mm 4 ft x 8 ft	$116.49
LA01008	Marine Plywood Hechthout A/B 8 mm 4 ft x 8 ft	$143.25
LA01010	Marine Plywood Hechthout A/B 10 mm 4 ft x 8 ft	$158.29
LA01012	Marine Plywood Hechthout A/B 12 mm 4 ft x 8 ft	$195.98

Plywood / Douglas Fir

Douglas Fir Marine Ply, B-C Finish 1/2" 4 x 8' Sheet ...

Douglas Fir Marine Ply, B-C Finish.Plywood made from Douglas fir is a softwood plywood typically sold in 4-by-8 panels of varying thickness. Douglas fir is an evergreen common in many forested areas, and the plywood made from it is a common building product available in a range of grades and ratings for a variety of applications.

LA12050		$83.25
LA12075	Douglas Fir Marine Ply, B-C Finish 3/4" 4 x 8' Sheet	$98.50

Plywood / Eurolite

Eurolite I Marine Plywood 12 mm 4 ft x 8 ft ...

Made of 100% lightweight European poplar and weighs about 1/3 of conventional plywood (410-440 KG/m3). EuroLite offers builders a less expensive option for interior cabinetry and non structural applications. Defects are clipped off, core veneers and edge glued to provide a solid composition suitable for precision and CNC (Computer Numerical Controlled) cutting. Although this plywood is not recommended for structural applications, some customers have had positive results with certain projects.

LA12012	Marine Plywood 12 mm 4 ft x 8 ft	$122.98
LA12015	Marine Plywood Eurolite 15 mm 4 ft x 8 ft	$144.98

Plywood / Multiplex

Lambri I Okoume Multiplex w/Veneer 40 mm x 2500 mm ...

Top quality multiplex is used by boatbuilders to form those difficult curves or sugar scoop transoms. Okoume's unique characteristics guarantee an easily workable, screw tight andwater tight glued multiplex.

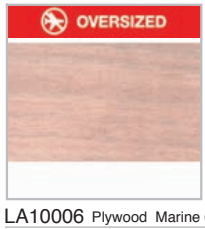

Okoume Multiplex w/Veneer 40 mm x 2500 mm
LA30040 $110.00

Okoume Multiplex w/Veneer 70 mm x 2500 mm
LA30070 $110.00

LA50005	Multiplex Flexible 5.5 mm 4 ft x 8 ft	$68.95

Plywood / Okume

Okoume I Plywood Marine 6 mm 4 ft x 8 ft ...

This is a very high quality plywood intended for both exterior and interior construction applications. It is a very hard plywood. This plywood is made up of a number of layers of rotary cut veneer. Important in the veneer selection is the following: All layers are fully glued and joined. In the case of Okoume plys, Fenol Glue (WBP) is used to ensure proper bonding in moist conditions.

LA10006	Plywood Marine 6 mm 4 ft x 8 ft	$73.80
LA10008	Plywood Okoume Marine 8 mm 4 ft x 8 ft	$88.95
LA10010	Plywood Okoume Marine 10 mm 4 ft x 8 ft	$107.50
LA10012	Plywood Okoume Marine 12 mm 4 ft x 8 ft	$111.95
LA10015	Plywood Okoume Marine 15 mm 4 ft x 8 ft	$134.00
LA10018	Plywood Okoume Marine 18 mm 4 ft x 8 ft	$153.95

Plywood / Okume BS1088

Okoume I Marine Plywood BS1088 4 mm 4 ft x 8 ft ...

Okoume Gaboon plywood is rated as BS 1088 and is a good product to be used for boat building and extreme environments. Okoume Gaboon is an African species that is very similar to Mahogany, and it has a very consistent appearance with a tight grain and is very light. It is also highly weather resistant. When used as a plywood that is treated with WBP melamine glue and laminated with a 100% Okoume Gaboon core, it is very durable, weighs little, and finishes like glass.

LA00004	Marine Plywood BS1088 4 mm 4 ft x 8 ft	$74.25
LA00005	Marine Plywood Okoume BS1088 5 mm 4 ft x 8 ft	$89.95
LA00006	Marine Plywood Okoume BS1088 6 mm 4 ft x 8 ft	$107.50
LA00008	Marine Plywood Okoume BS1088 8 mm 4 ft x 8 ft	$123.95
LA00009	Marine Plywood Okoume BS1088 9 mm 4 ft x 8 ft	$128.00
LA00010	Marine Plywood Okoume BS1088 10 mm 4 ft x 8 ft	$124.95
LA00012	Marine Plywood Okoume BS1088 12 mm 4 ft x 8 ft	$159.95
LA00015	Marine Plywood Okoume BS1088 15 mm 4 ft x 8 ft	$188.25
LA00018	Marine Plywood Okoume BS1088 18 mm 4 ft x 8 ft	$230.00

Polyurethane foam sheet

Clearcote I Polyurethane Foam R-5 2# 3/4" 4 ft x 8 ft ...

They are suitable for most sandwich core applications and are ideal for those which require insulating cores. This foam is easily cut and shaped with a sharp knife and sandpaper. Pattern making has never been quicker. It can also be glued together to form blocks as thick as necessary for shaping functional mold less type parts.

FC520044	Polyurethane Foam R-5 2# 3/4" 4 ft x 8 ft	$63.25
FC520544	Polyurethane Foam R-7 2# 1" 4 ft x 8 ft	$85.80
FC521044	Polyurethane Foam R-10 2# 1 1/2" 4 ft x 8 ft	$110.50
FC521544	Polyurethane Foam R-13 2# 2" 4 ft x 8 ft	$163.98

Starboard

King Plastic | Starboard White 48" x 96" x 1/2" Artic White ...

Starboard is a UV stabilized marine grade polymer sheet with excellent resistance to sun and saltwater and is the ideal material to produce such features and accessories as electronic boxes, cabinets, tool holders, cup holders, rod holder racks and more. Made to last the lifetime of the boat. Starboard will not rot, delaminate, swell or splinter, and the matte texture requires no painting, finishing or maintenance. It can also be easily cut, routed shaped and drilled with standard woodworking tools.

KP01248	Starboard White 48" x 96" x 1/2" Artic White	$333.49
KP01454	Starboard White 48" x 96" x 1/4" Artic White	$190.95
KP03448	Starboard White 48" x 96" x 3/4" Artic White	$500.00
TA01502	Starboard White 12" x 27" x 1/2"	$65.30

With frame, hinges and catch.

AR03006 $85.75

Teak / Teak Planks

Van De Stadt Bv | Burmese Teak FEQ 26mm ...

Only the best, Burmese Tectona Grandis, is what we sell at Island Water World. This genuine teak comes from the Burma/Thailand border, which is its natural habitat. Only teak from this area has a very fine silky texture, veiny grain and the rich golden color cherished by boat builders worldwide. It is extremely dense and resilient to weather changes because it has five times more natural oil than most other teaks. Teak was originally introduced to Trinidad in 1913 with seeds imported from Burma. But different soil, water and climatic conditions in Trinidad have produced teak trees markedly different to the ones from Indochina. The grain is coarser, oil content is lower and density and weight were greatly reduced. Color and grain pattern were also altered. True Burmese teak has a narrow, yellow/brown sapwood, which darkens over time. Its grain can be straight or wavy, and often has dark veining throughout its length. Its texture is rough and coarse, but mills to a fine, oily finish, and once sanded, is soft and velvety to the touch. Burmese teak is very strong and durable and superior to most teak found in other regions of the world. This teak is sold by the board foot.

LA70026 Burmese Teak FEQ 26mm $41.95
LA70052 Burmese Teak FEQ 52mm $41.95

Veneer

Lambri | Plywood Okoume w/Teak Veneer 6 mm 4 ft x 8 ft ...

Lambri ® factories BV are based in Amsterdam and have been involved in the wood and veneer business for more than 40 years. Using the latest production machinery, they develop and manufacture high quality products for the yacht building industry.

Plywood Okoume w/Teak Veneer 6 mm 4 ft x 8 ft
LA30006 $199.95

LA30008 Plywood Okoume w/Teak Veneer 8 mm 4 ft x 8 ft $268.95
LA30010 Plywood Okoume w/Teak Veneer 10 mm 4 ft x 8 ft $220.00
LA40007 Plywood Floorboard w/Teak & Holly Veneer 7 mm 4 ft x 8 ft $465.95
LA60001 Teak Veneer 1.5 mm 4 ft x 8 ft $158.95

EPOXY & OTHER RESINS

Epoxy JOTUN

Jotun | Epoxy Repair Filler Two Part A + B Liquid 0.5 L

Epoxy Repair is a two component, high density, epoxy spot filler, for small damages and cracks. It can be applied in relatively high film thickness (up to 20mm) and is suitable for repairing, holes and pores. Can be sanded easily and provides a smooth surface.

JT00091 $39.95

Epoxy MAS / Epoxy Resins

Mas Epoxies | Rapid Cure Epoxy Repair Mini Kit Two Part 8 oz ...

The one minute solution. Waterproof. Fast and permanent. Rapid Cure is great for quick repairs and bonding. Mix small amounts, no more than 1/2 oz each of the resin and hardener at a time. You'll have 30-45 seconds to use it. You can sand and handle bonded parts in 1 hour. Have the objects to be bonded ready before you begin to mix.

PH30100 Rapid Cure Epoxy Repair Mini Kit Two Part 8 oz $42.50
PH30101 Rapid Cure Epoxy Repair Mini Kit Two Part 16 oz $59.49

Mas Epoxies | Penetrating Epoxy Sealer 1.5 pint Kit

MAS Penetrating Epoxy Sealer is a low-viscosity epoxy formulation that penetrates deep into rotten or damaged wood, restoring structure and providing a solid base for additional repairs. The penetrating power of this epoxy resin system is superior to most competing products on the market, but can be dramatically improved by diluting it with common paint solvents such as denatured alcohol, lacquer thinner or acetone. The mixed epoxy and hardener may be diluted with as much as an equal volume of solvent.This simple solution doubles the penetrating power of the MAS penetrating Epoxy Sealer. MAS Penetrating Epoxy System is particularly valuable when damage is limited to a portion of an otherwise sound component; or in cases where the damaged piece would be impossible or too costly to replace. Cures in 12 hours at 70°F. Penetrates deep into rotten or damaged wood, restoring structure. Can be diluted with an equal volume of solvent for better penetration.

PH30210 $53.25

Mas Epoxies | Small Repair Kit 2:1 Flag Epoxy

MAS Epoxies FLAG Handy Repair Kit

PH30000 $54.95

Mas Epoxies | Flex-Mold Non Skid Repair System 10 ...

A repair system for molded in, non skid areas on your deck. Select a pattern to match your deck, prepare the surface, apply gelcoat to the area, lay the Flex-Mold pattern on, let it set, and peel it off. The Flex-Mold is a 'negative' pattern that mates to, and locks into place over your existing non skid. Wax the entire area, except the defect, new gelcoat will stick to the actual defect. The Flex-Mold is coated with green PVA, to serve as a release agent as well as barrier coat. The Flex-Mold can be used repeatedly as long as the PVA coating is intact. Once PVA has begun to come off, wash remaining PVA with water. Let it dry and spray 6 coats of PVA.

PH75772 Flex-Mold Non Skid Repair System 106 Small Oval Pattern $59.49

Mas Epoxies | Aqua Zone Underwater Epoxy Putty 2 Pint Kit

You can rest easy with Aqua Zone aboard your boat. This underwater-curing, emergency-repair putty is designed to help you get home safely in case something causes damage to your boat while youre on the water. You can also use it to repair wooden or concrete pylons that need structural reinforcement below the waterline.

PH31030 $78.35

Mas Epoxies | 2-Part Resin for Water Tanks 1 Gallon Kit

MAS Epoxies Potable Water Tank Epoxy Kit can change the way you design or build your next boat. Use it to create a custom water tank that is safe to store drinking water in and won't corrode with exposure to moisture like metal tanks. Use the space you are given and enjoy the weight savings that having a custom potable water tank can provide. Keep in mind that this product is designed for use with fiberglass cloth to create a new water tank and is NOT a water tank coating for existing tanks. Create a custom potable water tank that fits your design needs. Formulated entirely with substances that comply with U.S. FDA regulations 21 CFR 17.105 and 21 CFR 171.300 for adhesives and coatings that may be safely used as components of articles intended for use in packaging, transporting or holding food. Simple 2:1 mix ratio like many of your other favorite MAS Epoxies products.

PH30310 $128.98

Epoxy MAS / Hardeners

Mas Epoxies | Epoxy Slow Hardener Part Two Liquid 1/2 gal ...

Highly regarded epoxy resin hardener that's phenol free with modified amines. When used in conjunction with MAS epoxy resin it provides high reactivity and an extended gel time which allows for controlled and extended application periods. Special features exhibited by this product include blush free surfaces, good ultraviolet stability, smooth finishes in cured films, excellent osmotic resistance, and the ability to cure under high humidity. When large surfaces are to be coated or laminated MAS slow hardener is highly recommend. Slow formulation cures blush free and eliminates the need for time consuming wash downs during on going laminations and repetitive build coats. The low viscosity of MAS slow hardener (200-250 poise) when mixed with MAS resin is ideal for fast wet out of reinforcing fabrics. Fast hardener may be added to the slow hardener to speed up curing.

PH20064 Epoxy Slow Hardener Part Two Liquid 1/2 gal $100.75
PH20066 Epoxy Slow Hardener Part Two Liquid 1 pt $34.49
PH20073 Epoxy Slow Hardener Part Two Liquid 1 gal $170.45

Mas Epoxies | Epoxy Fast Hardener Part Two Liquid 1 gal ...

A low viscosity hardener that allows a quick wet out of the heavy reinforcing fabrics often used in repair applications. MAS non blushing fast hardener is a room temperature rapid hardener for use with MAS epoxy resins. Fast hardener can also be used as an accelerator for the slow or medium hardeners when customized cure times are required. Appropriate applications for fast include: bonding hardware, spot filling, and fairing. Additionally, the superior bonding strength of fast formulas is ideal for high strength secondary bonding applications such as structural tabbing and repair of laminations. The rapid cure time of fast allows overnight curing in low temperature conditions. Mixing more than 5oz of formula is not recommended unless rapid application techniques are incorporated. An induction time of 1-2 minutes is recommended prior to application of formula.

PH20113 Epoxy Fast Hardener Part Two Liquid 1 gal $170.45
PH20114 Epoxy Fast Hardener Part Two Liquid 1/2 gal $100.75
PH20164 Epoxy Medium Hardener Part Two Liquid 1/2 gal $103.25
PH20166 Epoxy Medium Hardener Part Two Liquid 1 pt $35.15

Mas Epoxies | Epoxy Medium Hardener Part Two Liquid 1 gal

A polyamine blend intended for moderate reactivity and resistance to amine blushing. Moderate pot life, gel, and thin film set times provide advantages when filleting and fairing. MAS epoxy/medium mixed with a thickener, gels and sets quickly enough to avoid draining and sagging while still allowing ample flow time for controlled application periods. This hardener is recommended when 'overnight' sandibility is more important than continuous laminating and open time (as provided by MAS slow hardener). This hardener will also provide a beautifully smooth, void free finish with great resistance to milking out during application and fogging in critical clear coating applications. MAS medium's cure speed may be adjusted by the addition of fast or slow hardeners. The 2:1 mix ratio of resin : hardener should be maintained, regardless of hardener blend.

PH20163 $174.65

Epoxy MAS / Laminating Resins

Mas Epoxies | Epoxy Resin Low-Vis Low Viscosity Part One Liquid 1 gal

This resin is non blushing, has low viscosity, and low odor. This resin system is a superior blend of low molecular weight epoxy resin and reactive diluents, designed to produce an easy flowing reliable system with low drip and no blush. It is typically used at room temperatures using your choice of hardeners (fast, medium and slow) in a 2:1 mix ratio, resin:hardener. This resin can be used in a huge variety of applications including boat hulls and structures which need to completely exclude moisture, as well as laminating and bonding of nearly all materials. When modified with fillers such as wood powder or colloidal silica the resin can be used as a filling and fairing compound with outstanding results.

PH11323 $132.45

Mas Epoxies | Epoxy Resin F.L.A.G. Medium Viscosi ...

F.L.A.G. resin is a 'medium' body resin specifically designed to perform as an adhesive and structural laminating foundation. The medium viscosity allows for the incorporation of fillers when fairing putties, gluing slurries and filleting systems are required. F.L.A.G. is more reactive than the low viscosity resin when mixed with medium hardener. This keeps fillets and fairing from slumping. F.L.A.G. resin is next day sandable when cured at 60°F. and higher with medium hardener. This resin may be used with all MAS hardeners, however, for filled applications the medium hardener is recommended.

PH10322 Epoxy Resin F.L.A.G. Medium Viscosity Part One Liquid 4 gal $426.75
PH10323 Epoxy Resin F.L.A.G. Medium Viscosity Part One Liquid 1 gal $110.15
PH10325 Epoxy Resin F.L.A.G. Medium Viscosity Part One Liquid 1 qt $40.95

Epoxy MAS / Pump Kits & Accessories

Mas Epoxies | Epoxy Mixing Sticks 10/pk

PH35019 $6.25

Mas Epoxies | Epoxy Mixing Sticks 100/pk

PH35020 $13.75

Mas Epoxies | Epoxy Pump Set Calibrated 2:1

Resin and hardener pumps are designed for convenient and accurate metering of all MAS Epoxies resin and hardeners. They are calibrated to deliver the proper working ratio with one full pump stroke of resin for each one full pump stroke of hardener. For use with 1 quart, 1 gallon, 4 gallon and 5 gallon size containers.

PH03081 $17.95

Epoxy SEA HAWK / Fillers & Powders

Sea Hawk | Microfiber Adhesive Filler F3 Light De ...

F3 Light Density adhesive micro fiber filler thickens to an off white color, great for bonding many substrates, especially wood. The mixture also creates a multipurpose adhesive for many other substrates in addition to providing excellent substrate wetting and penetrating characteristics. Increases impact and abrasion resistance.

NN00306 Microfiber Adhesive Filler F3 Light Density Off White Powder 6 oz $10.75

Sea Hawk | Adhesive Filler F2 Structural Off White Powder 1.7 oz ...

F2 Structural adhesive filler thickens to an off white color creating a general purpose thickening additive for bonding, gap filling and filleting. Mix to a workable consistency, allows for sag free and easy flow properties for vertical and overhead applications.

Adhesive Filler F2 Structural Off White Powder 1.7 oz
NN00301 $10.95

NN00302 Adhesive Filler F2 Structural Off White Powder 4.9 oz $29.25

Sea Hawk | Epoxy Adhesive Fiber Filler F1 High Lo ...

F1 High Load adhesive fiber filler thickens to a light grey color creating an easy to use adhesive designed for bonding hardware and other applications with dissimilar materials. This mixture will maximize bond strength for anticipated high loads.

Epoxy Adhesive Fiber Filler F1 High Load Light Grey Powder 15 oz
NN00202 $14.25

Sea Hawk | Fairing Filler F6 MicroSphere White Powder 5.2 oz

F6 MicroSphere fairing filler thickens to a white lightweight fairing compound for small to large areas. This closed celled structure can also be used for increased acoustic and thermal insulation.

NN00605 $15.95

Sea Hawk | Fairing Filler F5 Light Density Off White Powder 4 oz

F5 Light Density fairing filler thickens to a reddish brown color achieving an easy to sand and carve fairing compound while still remaining strong and light weight.

NN00504 $16.65

Sea Hawk | Adhesive Filler F4 Bridging Brown Powder 5.6 oz

F4 Bridging adhesive filler thickens to a brown color creating an easy to use adhesive with excellent gap filling and filleting qualities. This mixture blends with many different types of wood to allow for a natural looking fillet or gap fill.

NN00406 $19.95

Sea Hawk | Fairing Filler F3: Light Density MicroFiber Filler 17.2oz

F-3 Light Density Adhesive Micro Fiber Filler thickens to an off white color. Great for bonding many substrates, especially wood. The mixture also creates a multipurpose adhesive for many other substrates in addition to providing excellent substrate wetting and penetrating characteristics. Increases impact and abrasion resistance. Excellent for Laminating. Compare to West System 403 Microfibers Filler.

NN00317 $28.45

Sea Hawk | Fairing Filler F6 MicroSphere White Powder 14.9oz

F6 MicroSphere Fairing Filler thickens to a white color, creating a lightweight fairing compound for small to large areas. This product holds a feathered edge very well and is suitable for nearly every substrate. This closed celled structure can also be used for increased acoustic and thermal insulation. Excellent for fairing that is easy to sand. Compare to West System 410 Microlight Filler.

NN00606 $35.65

Sea Hawk | Fairing Filler F1: High Load Adhesive ...

F1 Hawk Epoxy High Load Adhesive Filler thickens to a light grey color creating an easy to use adhesive designed for bonding hardware and other applications with dissimilar materials. This mixture will maximize bond strength for anticipated high loads. This filler should be used as an additive with the Hawk Epoxy R1 Resin and a Hawk Epoxy Catalyst. Excellent for bonding hardware and general bonding applications where the greatest strength is needed. Compare to West System 404 High-Density Filler

NN00203 Fairing Filler F1: High Load Adhesive Light Grey Powder 43.5oz $37.35

Sea Hawk | Fairing Filler F5 Light Density Off White Powder 11.4oz

F5 Light Density Fairing Filler is part of the Hawk Epoxy system. This state-of-the-art epoxysystem is for building and repairing boats, planes, surfboards, canoes, and many other substrates. There are also a multitude of home construction and repair projects perfectly suited for HawkEpoxy. The foundation of our epoxy system is our R1 Epoxy Resin which fulfills all of the different application needs with its eleven-part catalyst and fairing options. Bonding, fairing, coating, waterproofing and air exchange reduction have never been simpler.

NN00506 $43.95

Epoxy SEA HAWK / Hardeners

Sea Hawk | Epoxy Fast Hardener C3 Part Two Liquid 0.8 qt ...

C3 Fast Cure catalyst is designed for construction and repairs with superior adhesion, strength, filling, and moisture barrier qualities at cooler temperatures and for a fast cure speed at room temperatures.

Epoxy Fast Hardener C3 Part Two Liquid 0.8 qt
NN00136 $40.55

Epoxy Fast Hardener C3 Part Two Liquid 0.4 pt
NN00137 $18.15

Sea Hawk | Epoxy Slow Hardener C2 Part Two Liquid 0.8 qt ...

C2 Slow Cure catalyst is designed for high strength bonding, coating and fiberglass applications with excellent moisture barrier characteristics when slower cure speed is required and during high temperatures.

Epoxy Slow Hardener C2 Part Two Liquid 0.8 qt
NN00126 $40.55

Epoxy Slow Hardener C2 Part Two Liquid 0.4 pt
NN00127 $18.15

Sea Hawk I Epoxy Ultra Slow Hardener C1 Part Two Liquid 0.33 gal ...

C1 Ultra Slow catalyst is designed for construction and repairs with superior adhesion, strength, bonding, filling, and moisture barrier qualities at higher temperatures and for a very slow cure speed at room temperatures.

Epoxy Ultra Slow Hardener C1 Part Two Liquid 0.33 gal
NN00115 $68.95

NN00119 Epoxy Ultra Slow Hardener C1 Part Two Liquid 0.66 pt $30.25

Sea Hawk I Epoxy Clear Finish Catalyst C5 0.33 Gallons/1.25l

Designed for use with Hawk Epoxy R1 Resin for very clear fiberglass cloth and coating applications with exceptional moisture barrier characteristics. Perfect for natural wood and carbon fiber clear coats with no blush. Longer working times in very warm temperatures. May be used under Sea Hawk marine wood varnish.

NN00138 $74.95

Sea Hawk I Epoxy Slow Hardener C2 Part Two Liquid .87 gal

C2 Slow Cure catalyst is designed for high strength bonding, coating and fiberglass applications with excellent moisture barrier characteristics when slower cure speed is required and during high temperatures.

NN00125 $164.75

Epoxy SEA HAWK / Pump Kits

Sea Hawk I Epoxy Pumps Kit 3/pk Size 1 and 2 (Qrt and Gal) ...

Used with Hawk epoxy R1 resin and Hawk epoxy catalysts to administer the proper amount of resin/ catalyst ratio without the need of measuring out individual Hawk epoxy components. Hawk pumps are properly calibrated to work with quart, gallon and 4.35 gallon resins and their hardeners.

Epoxy Pumps Kit 3/pk Size 1 and 2 (Qrt and Gal)
NN00703 $16.98

NN00733 Epoxy Pumps Kit 3/pk Size 3 (4.35 Gal) $18.40

Epoxy SEA HAWK / Resins

Sea Hawk I Epoxy Resin R1 Part One Liquid 1 gal ...

A premium blend, low odor epoxy resin used for general fiberglass repair and construction for superior adhesion, strength, bonding, filling, and moisture barrier. Must be used in combination with desired Hawk epoxy catalyst (ultra slow, slow cure, fast cure, or clear finish catalyst).

NN00103 Epoxy Resin R1 Part One Liquid 1 gal $87.95
NN00105 Epoxy Resin R1 Part One Liquid 1 qt $34.95

Sea Hawk I Epoxy Resin R1 Part One Liquid 4.35 gal

A premium blend, low odor epoxy resin used for general fiberglass repair and construction for superior adhesion, strength, bonding, filling, and moisture barrier. Must be used in combination with desired Hawk epoxy catalyst (ultra slow, slow cure, fast cure, or clear finish catalyst).

NN00102 $401.95

Epoxy WEST SYSTEM / Accessories

West System | Disposable Nitrile Gloves 832 2/pk ...

Lightweight, seamless nitrile gloves are more chemically resistant than latex gloves. Provide excellent protection. Retains good finger sensitivity and dexterity. More puncture resistant than conventional disposable gloves.

SH08320 Disposable Nitrile Gloves 832 2/pk $1.50
SH083204 Disposable Nitrile Gloves 832 4/pk $7.30

West System | Notched Spreader 809 Plastic White 4" x 4"

4" x 4" plastic spreader with 1/8", 3/16" and 1/4" notches on 3 sides.

SH08091 $1.50

West System | Fillable Caulking Tube 810

These applicators are great for injecting large amounts of epoxy, laying a lengthy bead of epoxy or making fillets. Large volume applicators for use with a standard caulking gun. Suitable for refilling during continuous use. Should be disposed of after epoxy cures. Holds approximately 10 fl.oz.

SH08102 $5.95

West System | Roller Covers 800 Foam 7" 2/pk

Soft, high density poly urethane foam roller, ideal for epoxy, paint and varnish application. Can be cut into shorter widths to match the application area. Can also be cut into brushes for tipping off fresh coats of epoxy. Covers are 7" wide. Sold in packages of two.

SH08002 $7.95

West System | Handy Repair Pack 101 Complete 1 Repair Kit

This #101 Handy Repair Pack is a convenient kit that contains enough material to complete one repair. Two 16g. packets of #105 Resin. Two 3.2g. packets of #205 Hardener. 3.5g. High Density Filler. 1 application brush. Ground shipping only.

SH01011 $17.35

West System | Epoxy Mini Pump Set 300

West System ® Brand has streamlined and simplified its mini pumps for convenient and accurate measuring. Gougeon Brothers, Inc. eliminated the four mini pump packages and combined them into a single package, that contains a 105 resin pump, a 205/206 hardener pump and a 207/209 hardener pump. The 300 Mini Pumps are for metering group size A, B and C resin and hardeners. As packaged, the pumps are ready to go into group size B containers. A package of extension tubes for group size A containers, is included in the set. Group Size C extension tubes are included in the 105-C resin and in the 207-SC or 209-SC packages. The new pumps should not be used with pumps with white heads because the new 300 Mini Pumps dispense a smaller volume per stroke than the original BC Mini Pumps. Because they have a shorter stroke and recover more quickly, the 300 Mini Pumps deliver about the same volume of resin and hardener in the same amount of time.

SH00300 $18.85

Epoxy WEST SYSTEM / Additives

West System | Color Pigment 501 Additive White Liquid 8 oz

Additives, which can be used to provide a base color for final finishing, tend to highlight flaws and imperfections otherwise overlooked. Pigments can interfere with epoxy's wetting qualities so should be used only with the second coat.

SH05010 $20.60

West System | Graphit Powder 423 Black 12 oz

A very fine black powder, which can be mixed with epoxy up to 10% volume to produce a low friction coating. Increases the scuff resistance and durability of a coating. Used in coating rudders, hull bottoms or in teak deck construction in place of traditional caulking.

SH04232 $22.85

Epoxy WEST SYSTEM / Epoxy Resins

West System | Epoxy Resin 105-C Part One Liquid 4.35 gal ...

The heart of West System ®. A clear light amber, low viscosity liquid epoxy resin specifically formulated to wet out and bond with wood, fiberglass and a variety of metals. With roller application it possesses excellent thin film characteristics in flowing out and self leveling without fish eyeing. Cures quite clear in a wide temperature range and can be sanded and shaped afterwards. It is an excellent adhesive when mixed with West System ® fillers to reduce sag and bridge builds.

SH01052 Epoxy Resin 105-C Part One Liquid 4.35 gal $499.95
SH01053 Epoxy Resin 105-B Part One Liquid 1 gal $119.70
SH01055 Epoxy Resin 105-A Part One Liquid 1 qt $49.55

Epoxy WEST SYSTEM / Fillers

West System | Microfibers 403 Adhesive Filler Off ...

A fine fiber blend, is used as a thickening additive with resin/hardener to create a multi purpose adhesive, especially for bonding wood. Epoxy thickened with microfibers gives good gap filling qualities while retaining excellent wetting/penetrating capabilities.

Microfibers 403 Adhesive Filler Off White Powder 6.0 oz
SH04030 $13.60
SH04032 Microfibers 403 Adhesive Filler Off White Powder 20 oz $31.70
SH04039 Microfibers 403 Adhesive Filler Off White Powder 20 lb $321.10

West System | Colloidal Silica Adhesive Filler 40 ...

A thickener used to control the viscosity of the epoxy. The most versatile filler often used in a combination with other fillers to control the working characteristics of an epoxy mixture. Can be used to prevent epoxy runoff on vertical or overhead surfaces, improve the consistency of fairing compounds and thickening bonding adhesive when filleting.

SH04060 Colloidal Silica Adhesive Filler 406 Off White Powder 1.7 oz $13.85
SH04062 Colloidal Silica Adhesive Filler 406 Off White Powder 5.5 oz $32.60
SH04063 Colloidal Silica Adhesive Filler 406-B Off White Powder 10lb $309.25

West System | High Densitiy Adhesive Filler 404 O ...

A thickener developed for maximum physical properties in hardware bonding where high cyclic loads are anticipated. It can also be used for filleting and gap filling where maximum strength is necessary. May be added to resin hardener at a rate of 20 to 30%.

High Densitiy Adhesive Filler 404 Off White Powder 15.2 oz
SH04040 $18.05

SH04042 High Densitiy Adhesive Filler 404 Off White Powder 43 oz $41.59
SH04049 High Densitiy Adhesive Filler 404 Off White Powder 30 lb $283.95

West System | Microlight Fairing Filler 410 Tan Powder 2 oz ...

The ideal low density filler for creating a light, easily worked fairing compound especially suited for fairing large areas. Mixes with greater ease than 407 and is approximately 30% easier to sand. It feathers to a fine edge and is also more economical for large fairing jobs. Not recommended under dark paint or other surfaces subjected to high temperatures. Cures to a tan color.

SH04100 Microlight Fairing Filler 410 Tan Powder 2 oz $19.95
SH04102 Microlight Fairing Filler 410 Tan Powder 5 oz $39.75
SH04109 Microlight Fairing Filler 410 Tan Powder 4 lb $361.25

West System | Filleting Blend Adhesive Filler 405 Brown Powder 8 oz

A strong, wood toned filler good for use in glue joints and fillets on naturally finished wooden interiors. Mixes easily with epoxy and lets you create fillets that are smooth and require little sanding.

SH04050 $20.05

West System | Low Density Fairing Filler 407 Micr ...

A blended microballoon based filler used to make fairing putties that are easy to sand or carve. Reasonably strong on a strength to weight basis. Cures to dark red/brown color.

Low Density Fairing Filler 407 Microballoon Red/Brown Powder 4 oz
SH04070 $21.05

Low Density Fairing Filler 407 Microballoon Red/Brown Powder 15 oz
SH04072 $48.90

SH04079 Low Density Fairing Filler 407 Microballoon Red/Brown Powder 14 lb $560.95

Epoxy WEST SYSTEM / Hardeners

West System | Epoxy Extra Slow Hardener 209-SB Pa ...

For general coating and bonding applications in extremely warm and/or humid conditions or when extended working time is desired at room temperature. Provides approximately twice the working time of 206 Slow Hardener. Forms a clear, amber colored solid with good physical properties and moisture resistance for bonding and coating applications. Not intended for clear coating.

SH02095 Epoxy Extra Slow Hardener 209-SB Part Two Liquid 0.33 gal $101.80

West System | Special Coating Hardener 207-SB Part Two 1/3 gal

This hardener was especially developed for use with West System ® brand 105 Resin, in coating applications where an exceptionally clear, moisture resistant, natural wood finish is desired. Cures to a light amber color, similar to traditional spar varnishes. An ultraviolet inhibiting additive improves the resistance of a West System ® 105/207 mixture to sunlight, but the cured epoxy surface will still require the additional protection of a quality UV filtering varnish.

SH02074 $101.80

West System | Epoxy Slow Hardener 206-C Part Two Liquid 1 gal ...

206 Slow Hardener is a low viscosity epoxy curing agent for use when extended working and cure time is needed or to provide adequate working time at higher temperatures. When combined with 105 Resin in a five part resin to one part hardener ratio, the cured resin/hardener mixture yields a rigid, high strength, moisture resistant solid with excellent bonding and coating properties. Not intended for clear coating. Cures to solid in 9 hours.

SH02063 Epoxy Slow Hardener 206-C Part Two Liquid 1 gal $183.80
SH02065 Epoxy Slow Hardener 206-B Part Two Liquid 1 qt $55.30
SH02067 Epoxy Slow Hardener 206-A Part Two Liquid 8 oz $25.60

West System | Epoxy Fast Hardener 205-C Part Two Liquid 1 gal ...

This hardener produces a rapid cure, which develops its physical properties quickly. The pot life is 10-15 minutes at 70°F when mixed at 5:1 resin/hardener. Provides rigid, high strength solid with excellent adhesive properties and an excellent moisture vapor barrier.

Epoxy Fast Hardener 205-C Part Two Liquid 1 gal
SH02053 $183.80

SH02055 Epoxy Fast Hardener 205-B Part Two Liquid 1 qt $55.30
SH02057 Epoxy Fast Hardener 205-A Part Two Liquid 8 oz $25.60

Epoxy WEST SYSTEM / Other Glues

West System | Six10 Thickened Epoxy Adhesive w/St ...

Six10 Adhesive gives you the strength and reliability of a two part West System ® epoxy, with the convenience of a single part product. Offered in a convenient, self metering cartridge, Six10 is for permanent, waterproof, structural gap filling and gluing. Bonds to wood, fiberglass, metals and masonry. With the included 600 static mixer attached, you can dispense fully mixed adhesive right where you need it, using a standard caulking gun. Working time is 42 minutes at 72°F, it cures to a solid in 5-6 hours and takes high loads in 24 hours. Cartridge contains 190ml (6.42oz) of resin and hardener.

SH06101 Six10 Thickened Epoxy Adhesive w/Static Mixer Cartridge 6.42 oz $26.80

West System | Epoxy Repair Kit G/Flex 655-K

This repair kit features plastic friendly G/flex 655 epoxy, and is assembled with the do it yourselfer in mind. Repair plastic canoes, kayaks and inflatables made from HDPE, LDPE, ABS, PVC or polycarbonate plastic. Each kit contains 8.4oz of pre thickened G/flex epoxy, protective gloves, mixing pallets and mixing sticks. Illustrated, detailed instructions explain how to repair splits and cracks in plastic boats, attach or repair reinforcement points on inflatable boats and repair pinhole leaks in inflatables.

SH06551 $35.99

West System | Aluminium Boat Repair Kit G/Flex 650-K

Repair leaky seams and rivets in aluminium boats with this kit. Each Aluminium Boat Repair Kit contains 8oz of G/flex 650 epoxy, adhesive filler, application syringes, mixing pots, sticks, protective gloves and illustrated, detailed, instructions.

SH06501 $35.99

West System | G/5 Five Minute Adhesive Two Part 32 oz

G/5 is an easy to use, 2 part resin/hardener adhesive system for quick repairs, tooling and general bonding. May be used in spot applications to hold parts in position while standard epoxy bonds cure. Bonds to wood, fiberglass and metal. Not recommended for long term bonds subject to high loads or moisture. One to one mixture, no pumps are required. Cures in 3-5 minutes.

SH08651 $59.95

Epoxy WEST SYSTEM / Tapes & Peelaway

West System | Episize Biaxial tape 727 Non Woven E Glass 4" x 10 ft

Ideal for tabbing and reinforcing. 15oz non woven E glass fabric. Two layers at a plus/minus 45° fiber orientation are held together by a light stitching. Flat, non crimped fibers yield reduced print through and higher stiffness than woven fabrics.

SH72710 $18.40

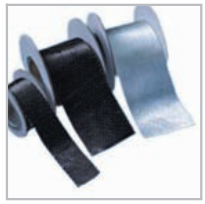

West System | Release Fabirc 879 Vacuum Bagging S ...

West System ® vacuum bagging release fabric is a tough, finely woven nylon fabric treated with a release agent. It is used to separate the absorber, breather, and vacuum bag from the laminate in vacuum bagging applications. Any excess epoxy bleeds through perforations and is peeled from the cured laminate along with the fabric itself. It is also used in hand lay up applications to allow more squeegee pressure and protect the lay up from contamination. West System ® release fabric peels easily and leaves a smooth textured surface, ready for bonding or finishing. It is not recommended for post cure temperatures over 120°F (49°C).

SH08792 Release Fabirc 879 Vacuum Bagging System Nylon 60" x 2 yd $45.05

West System | Episize Carbon Fiber Tape Unidirectional 1.5" x 12 ft ...

Carbon fiber unidirectional reinforcing tapes are used to improve tensile and compressive strength and stiffness in one direction while adding minimum thickness and weight. Fiber bundles are held in place by a polyester fill thread for easy handling and wet out.

Episize Carbon Fiber Tape Unidirectional 1.5" x 12 ft
SH70212 $70.45

SH70312 Episize Carbon Fiber Tape Unidirectional 3" x 12 ft $90.10

Gel-Coat

Clearcote | Wax Solution Tub 4 oz

Use wax additive in all gelcoats for tack free surface. Use 1 ounce per gal.

JS00021 $4.39

Marpro | Gel Coat No Wax Clear Two Part 1 qt ...

Gelcoat is a polyester coating that is applied to the mold surface and becomes an integral part of the finished product. Use to make fiberglass reinforced plastic parts and for repairs to existing gel coated parts.

JS00305 Gel Coat No Wax Clear Two Part 1 qt $31.50
RE01175 Gelcoat w/Wax & Hardener White 1 pt $25.25
RE01176 Gelcoat w/Wax & Hardener White 1 qt $31.95
RE01177 Gelcoat w/Wax & Hardener White 1 gal $87.95
RE01178 Gelcoat w/Hardener (Without Wax) White 1 gal $84.25
RE11171 Gelcoat Exterior Brushable 134330 White 1 qt $41.45

Mold Release

Meguiars | Maximum Mold Release Wax Tin 11 oz

This mold release wax is a blend of imported waxes specially formulated to provide a maximum number of releases per application.

LE88943 $23.95

Fiberglass Coatings Inc | PVA Mold Release Liquid 1 gal

Traditional alcohol based effective mold release with superior lay out qualities, designed for spray application (also suitable for roller or sponge), water soluble yet solvent resistant.

JS01003 $43.50

Other Epoxies & Hardeners / Epoxy Resins & Glues

Jb Weld | J-B SuperWeld Super Glue 2 x 2g Tubes/Card

J-B weld 0.2 oz. SuperWeld Cyanoacrylate Super Glue. SuperWeld is a specially formulated cyanoacrylate Super Glue that provides a strong, instant bond in just seconds. It works on multiple and hard to bond surfaces. The brush applicator allows for even and pin point surface application. Great for auto accessories, rubber, plastic, vinyl, leather, cloth and rear view mirror repair. Use on automotive, brick, concrete, epoxy and adhesives, fiberglass, metal and more.

JW33102 $2.25

Jb Weld I PlasticWeld Quick Set Epoxy Off White Syringe

PlasticWeld is a specially formulated two-part adhesive and epoxy filler system that provides for strong, lasting repairs. PlasticWeld will bond a variety of surfaces, such as metal, composites, fiberglass and others. PlasticWeld sets in 5 minutes at room temperature and is fully cured in 1 hour. Using a 1:1 mixing ratio, PlasticWeld combines to a tensile strength of 3200psi and cures to an off white color.

JW50132 $7.25

Jb Weld I ClearWeld Quick Setting Epoxy Clear Syringe

ClearWeld is a quick setting, multipurpose two part epoxy that provides a strong and lasting bond on most surfaces including tile, most plastics, ceramic, glass, wood and metal. ClearWeld is designed to cure with a clear, transparent bond when used at thicknesses of less than 15ml. ClearWeld has a 1:1 mixing ratio, sets in 5 minutes and will fully cure overnight. With a tensile strength of 3200psi, ClearWeld sets to a hard, permanent bond.

JW50112 $7.25

Jb Weld I KwikWeld Quick Set Steel Reinforced Epo ...

KwikWeld is a fast setting version of the original Weld, two part epoxy, cold weld system that provides strong, lasting repairs to metal and multiple other surface types. After mixing, it forms a permanent bond and can be shaped, tapped, filed, sanded and drilled after curing. KwikWeld has a 1:1 mixing ratio, sets in 6 minutes and is fully cured in 4-6 hours. KwikWeld cures to a dark grey color, is rated at a tensile strength of 2424psi and will withstand temperatures up to 300°F.

JW08276 KwikWeld Quick Set Steel Reinforced Epoxy Two Part Dark Grey Syringe $7.95

Jb Weld I WoodWeld Quick Set Wood Epoxy Two Part ...

WoodWeld is a fast setting two part epoxy system formulated for wood bonding and repairs. When fully cured it can be shaped, tapped, filed, sanded and drilled. It provides a lasting permanent bond that is stronger than the wood. WoodWeld has a 1:1 mixing ratio, sets in 6 minutes and cures in 1-3 hours. Rated at a tensile strength of 1800psi, WoodWeld cures to a light tan color.

JW08251 WoodWeld Quick Set Wood Epoxy Two Part Light Tan Tube 2/pk $7.95

Jb Weld I J-B WaterWeld Epoxy Putty 2oz Stick

WaterWeld will plug or seal leaks and patch holes and cracks in almost anything. Ideal for repairing plumbing, fuel tanks, tub and shower, drains, pool and spa, boats and potable water tanks; setup occurs even under water. After curing, it can be drilled, tapped, filed, sanded and painted. WaterWeld has a set time of 15-25 minutes and sets hard in one hour. WaterWeld cures to an off-white color, is rated at a tensile strength of 900 PSI and will withstand temperatures up to 300°F.

JW08277 $8.15

Jb Weld I SteelStik Epoxy Putty Stick 2 oz

SteelStik is a hand-mixable, steel-reinforced, non-rusting epoxy putty that quickly repairs or rebuilds anything made of metal. After mixing, it forms an industrial-strength polymer compound that can be molded into shapes or used to build up, patch and repair steel components. SteelStik sets in 3-5 minutes and after 60 minutes, can be drilled, tapped, machined, ground, filed and painted. SteelStik cures to a dark grey color, is rated at a tensile strength of 900 PSI and will withstand temperatures up to 300 degrees F.

JW08267 $8.25

Jb Weld I KwikWeld Quick Set Steel Reinforced Epo ...

KwikWeld is a fast setting version of the original J-B ® Weld two part epoxy, cold weld system that provides strong, lasting repairs to metal and multiple other surface types. After mixing, it forms a permanent bond and can be shaped, tapped, filed, sanded and drilled after curing. KwikWeld has a 1:1 mixing ratio, sets in 6 minutes and is fully cured in 4-6 hours. KwikWeld cures to a dark grey color, is rated at a tensile strength of 2424psi and will withstand temperatures up to 300°F.

JW50176 KwikWeld Quick Set Steel Reinforced Epoxy Dark Grey Syringe $8.75

Jb Weld I MinuteWeld Highstrength Multi-Purpose 2 ...

MinuteWeld is a special formulated, high-strength, two-part instant setting epoxy. MinuteWeld will set under most temperature conditions in one minute. MinuteWeld is designed to adhere to multiple surfaces and can be used on ceramic, tile, glass, stone, most plastics, wood and metal.

MinuteWeld Highstrength Multi-Purpose 2-Part Epoxy 25ml Syringe
JW50101 $8.95

Jb Weld I J-B HighHeat Epoxy Putty 2oz Stick

HighHeat is a hand mixable epoxy putty stick specifically formulated to bond and repair materials that will be exposed to high temperatures in automotive and industrial maintenance applications. It cures to a tough, hard bond with little to no shrinkage. This industrial-strength product outperforms conventional epoxy putties at high temperatures and sets in 1 hour at room temperature. After 8 hours, it can be drilled, tapped, machined, ground, filed and painted. HighHeat is rated at a tensile strength of 800 PSI and cures to a machine grey in color. It is able to withstand continuous heat exposure of 400°F and intermittent heat exposure to 550°F

JW08297 $9.75

Starbrite I Expoy Syringe Clear Double Syringe 1 oz

Convenient self metering syringe applicator. Bonds fiberglass, rubber, hard plastic, glass, fabric, ceramic, and metal. Fills cracks and holes, mounts components, seals seams. Resists most liquids. Crystal clear appearance after curing. Permanent strength up to 3400psi.

SB93401 $12.50

Marine Tex I Rapid Set Epoxy Waterproof Two Part Grey

Convenient tubes of Marine-Tex ® for emergency and permanent repairs. Cures in one hour at 72°F. One to one mix. Fills cracks and voids, repairs hardware and loose fasteners. Can be drilled, tapped, and sanded. Waterproof two part epoxy paste. For emergency and permanent repairs to wood, steel, aluminium and fiberglass.

TR03018 $14.15

Marine Tex I Marine-Tex Epoxy Putty Two Part w/Hardener Grey SML ...

Versatile epoxy putty for wide variety of repairs. Repairs damaged hulls and equipment stronger than before. Fixes gel coat chips and leaks in fuel tanks, water tanks, piping, engine blocks, cracked crank cases etc. Can be used in working temperatures of -40° to 250°F. Marine-Tex ® bonds to all metals, plastics, plywood etc. Handles like putty. Hardens like steel. Sands like wood. Formulation: Two part epoxy putty. Drying: 1/2hr pot life at 72°F, dries overnight.

TR01501 Marine-Tex Epoxy Putty Two Part w/Hardener Grey SML $18.95
TR01502 Marine-Tex Epoxy Putty Two Part w/Hardener Grey LRG $52.55
TR01511 Marine-Tex Epoxy Putty Two Part w/Hardener White SML $18.95
TR01512 Marine-Tex Epoxy Putty Two Part w/Hardener White LRG $52.55

Boatlife | Life Caulk, White 5.2oz Cartridge

A long lasting, permanently flexible marine polysulfide sealant which can be sanded, painted***, and used above and below the waterline. Tack-free in 1 to 3 days, excellent resistance to teak oils, gasoline, and diesel fuel. Ideal for teak decks, to bed deck and hull hardware, seal thru-hull fittings, and underwater seams. Will bond to fiberglass, wood, metal, glass, and itself. Cures to a firm flexible rubber seal with excellent waterproofing and adhesion qualities. Can be applied underwater for emergency repairs. Can be applied to damp surfaces. *** Not compatible with all paints, Sikkens, Cetol, Deks, Olje.

BL01372 $19.55

Starbrite | Epoxy Putty Stick 4 oz

Emergency repairs. Makes permanent and emergency repairs to fiberglass, wood, metal and plastic.

SB87104 $24.95

Starbrite | Epoxy/Aluminium Putty Stick 4 oz

Epoxy for emergency and permanent repairs to fuel and water tanks. Makes permanent and emergency repairs on aluminium boats, outdrives, fuel and water tanks and other aluminium parts. No boat should be without this item as it could be the product that saves you from sinking.

SB87004 $24.95

Marine Tex | FlexSet Epoxy Adhesive Two Part Doub ...

This unique two part adhesive adheres where others won't. Easily bonds to a wide range of materials, including PVC, hypalon ®, rubber, polyurethane, glass, acrylic, steel, fiberglass, polycarbonate, wood, and aluminium. May be applied above or below the waterline and in wet or dry areas. Cures to a tough flexible consistency. Excellent for inflatable boat repairs. Two part syringe kit 1oz. Drying: 3-4hrs to set, 24 hrs to cure at 72°F.

TR03071 FlexSet Epoxy Adhesive Two Part Double Syringe Sand-White 1 oz $25.95

Clearcote | Table Top Epoxy Resin Two Part Quart Kit ...

Table top resin hard polymer coating. Tough, high gloss, flexible finish. Stain resistant. For indoors use. Preserves indefinitely.

Table Top Epoxy Resin Two Part Quart Kit
L3885414 $31.95

Table Top Crystal Clear Epoxy Resin Kit 2 gal
PG01350 $175.49

Fiberglass Coatings Inc | Epoxy Resin Ultra 300LV Part A Liquid 1 gal ...

This two to one resin (two part A, one part B) is popular with many repair jobs for it's ease of use, longevity and smoothing qualities.

Epoxy Resin Ultra 300LV Part A Liquid 1 gal
JS30153 $77.55

Epoxy Resin Hardener Ultra 300LV Part B Liquid 1 gal
JS30154 $77.60

Clearcote | Epoxy Resin Gallon Kit Ultra 300LV

ClearCote Epoxy kit 300LV. A Side: Base resin. B Side: curing agent. A low viscosity epoxy designed for easy wet out, moderate pot life, and a good adhesion to a wide variety of materials. Gel time is 30 (+-2) minutes in a 100 gram mass.

RE136758 $106.95

Clearcote | Epoxy Putty Glue Kit 2 Part Tub 1 gal kit ...

This glue has the consistency of vaseline. Designed as a 1:1 mix. Exceptional adhesive will bond to any surface. 30 to 40 min pot life. After 24 hours can be glued or tapped. Properly cured in 7 days.

Repair Kits

Pettit Marine Paint | EZ-Tex Epoxy Repair Kit 4 oz

PETTIT PAINT EZ-Tex Marine Epoxy Repair Compound. Easy to use 1:1 mix ratio repair compound for cracks, gouges, voids and holes; High strength formula makes repairs permanent.100% waterproof when cured. Can be used above and below the waterline. Will not sag, shrink or run

PE71000 $16.95

Pettit Marine Paint | EZ-Tex Epoxy Repair Kit 16 oz

Pettit Paint EZ-Tex Marine Epoxy Repair Compound. Easy to use 1:1 mix ratio repair compound for cracks, gouges, voids and holes; High strength formula makes repairs permanent.100% waterproof when cured. Can be used above and below the waterline. Will not sag, shrink or run. Size: 16 oz.

PE71006 $42.55

Pettit Marine Paint | Splash Zone Compound Quart Kit A-788

Multi-Purpose Two Part Epoxy Repair Compound. So versatile, it has been called "The duct tape of the marine world. Use above or below waterline. Excellent for underwater repairs. Produces a rock-hard protective surface. Two-part multi-purpose epoxy patching and repair compound. Provides excellent protection against corrosion of metals. Stops erosion and deterioration of concrete or wood. A-788 Splash Zone is an extremely hard, abrasion and impact resistant, two-part epoxy patching compound. It applies like putty to seal, fill, patch, or re-build aluminum, wood, concrete, fiberglass, and steel. It can be applied in or out of water to repair boat hulls, buoys, seawalls, docks, bridge abutments, and more. Splash Zone provides excellent protection against corrosion of metals and erosion and deterioration of concrete or wood. Splash Zone's rock-hard surface can be drilled, tapped, or machined. Recommended for patching and repairing damaged underwater surfaces. Not for use in potable water.

PE07885 $73.50

Vinylester Resin

Clearcote | Vinyl Ester Resin 1 gal

Vinyl Ester resin is superior in every property as compared to all polyester resins. This product is used in high performance applications in which high-strength and maximum heat tolerance is necessary. This resin is extremely chemical resistant when cured. Similar in strength to epoxies with much increased stiffness.

RE131376 $90.95

FIBERGLASS MATERIAL

Bondo / Body Fillers

Bondo | Body Filler w/Red Cream Hardener Tub 1 qt

Bondo ® body filler shapes in minutes. Formulated to be a non shrinking, non reactive and permanently durable material for repairing metal, wood, steel, aluminium, fiberglass and concrete. Repairs dents, patches rust holes and leaks and restores chips quickly and easily. Includes red cream hardener.

DB00262 $19.75

Bondo / Cream Hardeners

3m | Bondo All Purpose Cream Hardener White Tube 2.7 oz

Contains a special formula for marine applications. Designed for use with polyester based putties. Superior quality mixes easily and prevents soft spots.

DB20058 $9.49

Bondo / Glass Body Fillers

Bondo | -Glass Body Filler w/Red Cream Hardener Tub 1 qt

Bondo ® glass body filler is a unique, fiberglass reinforced filler containing long, interlocking strands and fibers, which make it twice as strong as body filler. Repairs rusted out metal damaged hulls and eliminates the need for backing strips or fiberglass resin or cloth on small holes and rusted out areas. Waterproof. Includes 1oz of red cream hardener.

DB00272 $24.50

Bondo / Hair

Bondo | Hair Fiberglass Reinforced Filler w/Red C ...

Formulated with up to inch long strands of chopped fiberglass, Bondo ® Hair repairs one inch rust holes, shattered fiberglass, and dents where extra strength is required. At twice the strength of regular body filler, this filler is great for rebuilding missing pieces . For your toughest repairs. Bottom of Form

Hair Fiberglass Reinforced Filler w/Red Cream Hardener Tub 1 qt
DB00762 $26.50

Cabosil

Clearcote | Fumed Silica (Cabosil) Filler Powder 22 lb

Easy and efficient way to thicken polyester or epoxy resins to give a gelcoat like finish.

JS00005 $299.95

Chopped Fiber

Fiberglass Coatings Inc | Fiberglass Chopped Strand 1/4" Tub 1 qt

Chopped fiberglass fibers give added strength to resins. Used to make mulsh filler.

Alexseal | Fast Converter for Fairing Compound 202 2 Gallons C2017

Alexseal« Fairing Compound 202 is a solvent-free filler that is extremely easy to apply. This lightweight compound mixes easily, offers superior holding properties, minimizes trapped air pockets, and quickly sands to a smooth surface. For professional use only. Consult Alexseal technical data sheets for best performance. - o Excellent anti-sagging properties and sanding properties. o Designed to be easy to mix and apply. o Cured film provides an excellent surface for re-coating with other Alexseal yacht coating products o Cures with minimal shrinking. o Can be used on surfaces above and below the waterline. o If used below the waterline, 202 fairing compound must be sealed with Finishing Primer 401 or Protective Primer 101. This is a 2-part product: base and converter. Sold separately.

AZ20172 $343.35

Alexseal / Fillers & Fairing

Alexseal | Fairing Compound 2 part Epoxy Whiite 202 0.5 Gal P2094

ALEXSEAL Fairing Compound 202 is a solvent-free, epoxy-based, light-weight filler, which provides the ideal product for yachts that require filling and fairing. ALEXSEAL Fairing Compound 202 has excellent application, sanding and anti-sagging properties. It is designed to be easy to mix and apply, while the cured film provides an excellent surface for re-coating with other ALEXSEAL Yacht Coating products. ALEXSEAL Fairing Compound 202 is used for fairing all appropriately prepared surfaces and can be used for surfaces above and below the waterline. If ALEXSEAL Fairing Compound 202 is used below the waterline it must be sealed with ALEXSEAL Finish Primer 442.

AZ20944 $115.00

Alexseal | Fairing Compound and Primer 2 part Whiite 302 Gal P3002

ALEXSEAL Super Build 302 is an epoxy-based high build primer / surfacer which cures into a smooth easy to sand, water resistant coating. ALEXSEAL Super Build 302 has excellent spray characteristics and is fast drying to allow maximum efficiency while fairing. The cured film offers excellent mechanical resistance values. ALEXSEAL Super Build 302 is used to seal ALEXSEAL Fairing Compound 202 and to even out imperfections remaining after the filling and sanding process. It also is designed to be used as a smooth, non-porous surfacer prior to the application of ALEXSEAL Finish Primer 442.

AZ30023 $175.00

Alexseal / Flattening agent

Alexseal | Flattening Agent qt A5023

ALEXSEAL Flattening Additive is a matting paste for ALEXSEAL« Premium Topcoat 501. This product varies the degree of gloss without reducing the mechanical properties of the topcoat. ALEXSEAL Flattening Additive is ideal to use when a lower gloss level is desired to minimize glare and surface defects. ALEXSEAL Flattening Additive may be added to any ALEXSEAL« Premium Topcoat 501 color base. This product is designed for spray application. Brush application may result in an uneven flat or semi gloss finish. Off white paste which turns to the color choice of Premium 501 Topcoat Base when mixed. -

Antifouling / Interlux

Interlux | Pacifica Plus Antifouling Ablative Blue 1 gal ...

Pacifica Plus, is designed for those looking for a copper free antifouling. Recommended for aluminium boats. Pacifica Plus is a dual biocide antifouling that uses Biolux ® slime blocking technology to combat slime and Econea to ward off barnacles and zebra mussels. Because it wears away with use, the performance of Pacifica Plus is directly related to the amount of paint applied, a thin film thickness may lead to premature fouling.

IP02603	Pacifica Plus Antifouling Ablative Blue 1 gal	$277.25
IP02623	Pacifica Plus Antifouling Ablative Red 1 gal	$275.50
IP02633	Pacifica Plus Antifouling Ablative Black 1 gal	$275.50

Interlux | Trilux 33 Antifouling Ablative Blue 1 gal ...

The ideal aluminium boat bottom paint, Trilux ® 33 is Interlux ®'s new tin free antifouling paint, ideal for aluminum boats, outdrives, and outboards. Use for bright color or bright white finishes on underwater metals. Based on the latest Biolux ® technology for improved control of slime and algae growth, it replaces the older Trilux ® and Micron ® 33. Use Trilux ® 33 below the waterline on underwater boat hulls and parts in fresh, salt and brackish water. It can be applied by brush or roller. While it is specifically formulated for aluminum boats, engines, and drive parts, Trilux ® 33 works quite well on fiberglass, wood and other underwater metals.

IP00603	Trilux 33 Antifouling Ablative Blue 1 gal	$327.50
IP00633	Trilux 33 Antifouling Ablative Black 1 gal	$327.50
IP00683	Trilux 33 Antifouling Ablative White 1 gal	$327.50

Interlux | Micron 66 Antifouling Ablative Blue 3 gal ...

Micron ® is a long lasting self polishing copolymer that is formulated to provide powerful antifouling performance without using TBT. The patented self polishing copper acrylate, copolymer resin and Biolux ® technology enables Micron ® 66 ® to provide a level of antifouling protection not previously available in any paint system. Because Micron ® 66 ® polishes it will become smoother with use, which will reduce drag and fuel consumption. The polishing action of Micron ® 66 ® also reduces buildup of old spent coatings and minimizes sanding at reapplication. Micron ® 66 ® is for use below the waterline on fiberglass, wood and properly primed metal boat hulls and parts, in salt and brackish waters. Do not use in fresh water.

IP14701	Micron 66 Antifouling Ablative Blue 3 gal	$995.95
IP14703	Micron 66 Antifouling Ablative Blue 1 gal	$349.95

Antifouling / Pettit

Pettit Marine Paint | Alumaspray Plus Antifouling ...

Alumapray ® Plus is an aerosol antifouling copolymer paint for use on aluminum outdrives and outboard motors in fresh, salt or brackish water. Contains no copper compounds and will not cause galvanic corrosion. The chemical properties of this paint promote powerful slime resistance. Does not require recoating when hauling and relaunching. Alumaspray ® Plus is an ablative that cleans itself by washing away at a controlled rate in the water.

PE18631	Alumaspray Plus Antifouling For Aluminium Black Aerosol 10 oz	$54.49

Pettit Marine Paint | Dinghy Paint, Black

Inflatable boat paint 1841 is a waterbased antifouling bottom coating designed to give protection against algae, barnacles and all types of marine and fresh water fouling. It's waterbased formula results in an effective product that is easy to apply, environmentally responsive (exceeds even the most stringent air pollution regulations) and is safer to use. It withstands frequent trailering, beaching and launching while offering excellent antifouling protection and resistance to cracking, peeling and flaking on pvc or hypalon. - Use water to thin if necessary.

PE18415 $84.95

Pettit Marine Paint | Trinidad 75 High Copper Ant ...

Hard bottom paint with more cuprous oxide than any other bottom paint. Can be applied to fiberglass, wood, steel, lead and underwater parts. Apply two coats with brush, roller or spray for best results.

Trinidad 75 High Copper Antifouling Hard Blue 1 gal
PE10723 $252.95

Pettit Marine Paint | Vivid High Performance Brig ...

Antifouling bottom paint was dull and dirty looking until Vivid ®. Now you can have the brightest colors, the whitest white you have ever seen in bottom paint. Vivid ® provides a powerful, multi season, dual biocide antifouling. The product is hard and can be sprayed or burnished. Excellent for racing and performance boats. The product can be used for trailer boats and dry stored boats.

PE11613 Vivid High Performance Bright Color Antifouling Hybrid White 1 gal $350.00
PE11615 Vivid High Performance Bright Color Antifouling Hybrid White 1 qt $116.95

Antifouling / Polymarine Dinghy

Polymarine | Antifouling SP54 Hyplon & GRP Blue Liquid 1 L

SP54 hypalon antifouling is a fully flexible paint for use on hypalon material. Can also be used on non flexible surfaces such as GRP. Hull and tubes can be protected on your RIB with just one product. Developed using unique pseudo organic technology. Extensively tested, keeps virtually all hulls free from growth of algae, crustaceans and other unwelcome marine life Includes copper, linked with an extremely low friction technology SP54 offers a unique solution to an age old marine problem.

PO534270 $131.00

Antifouling / Propeller

Velox | Propeller, Stern Drive, Outdrive, Strut Primer 0.25L ...

Metal Primer Velox Prop is specially formulated to adhere perfectly to stainless steel, bronze or aluminum. Follow the instructions exactly for a good result. Only one coat of Velox Metal Primer needed.

Propeller, Stern Drive, Outdrive, Strut Primer 0.25L
VX10325 $36.95

Velox Propeller, Stern Drive, Outdrive, Strut Primer 0.5L
VX10350 $55.90

Forespar | Antifouling Lanocote Prop & Bottom 16oz

LanoCote« Prop & BottomÖ is an economical and very effective marine foul release coating. Produced by boaters for boaters, it is a well-tested marine foul release based on lanolin and other biodegradable additives. When applied according to directions to metal props and running gear, it can provide up to six months, or more in some cases, protection from the growth of algae, sea grass, and a wide variety of worms, corals and barnacles.

FO770035 $44.49

Velox | Prop, Stern, Outdrive, Strut. White Antifouling 0.25L ...

Antifouling Paint for Propellers & Underwater Running Gear. Formulated to Not be Degraded by Galvanic Currents.

Prop, Stern, Outdrive, Strut. White Antifouling 0.25L
VX20325 $73.50

Velox Prop, Stern, Outdrive, Strut. White Antifouling 0.5L
VX20350 $113.22

Prop-Prep Cleaner Eco-Friendly for PropSpeed

Prop-Prep Cleaner Eco-Friendly 500ml, for PropSpeed
P8706822 $42.80

Prop-Prep Primer Eco-Friendly 1l, for PropSpeed
P87076814 $92.50

Oceanmark | PropSpeed Foul Release Eco-Friendly 200ml Kit

Propspeed antifouling is a marine coating system designed to prevent marine growth from bonding to metal surfaces such as your prop. Propspeed paint gives your propellers a long-lasting ultra-smooth surface û preventing buildup from fouling that decreases your overall speed and engine power. To improve fuel economy and give your boat the pure power it needs, apply Propspeed today! Gives props and running gear a long-lasting ultra-smooth surface, which prevents fouling and increases boat speed. Keeps props and running gear free of fouling, which makes them more efficient and decreases fuel consumption. Reduces corrosion and lowers maintenance costs. Offers up to two years protection from fouling.

P18225615 $270.00

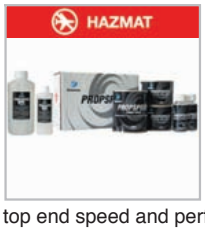

Oceanmark I PropSpeed Foul Release Eco-Friendly 500ml Kit

Propspeed antifouling is a marine coating system designed to prevent marine growth from bonding to metal surfaces such as your prop. Propspeed paint gives your propellers a long-lasting ultra-smooth surface û preventing buildup from fouling that decreases your overall speed and engine power. To improve fuel economy and give your boat the pure power it needs, apply Propspeed today! Gives props and running gear a long-lasting ultra-smooth surface, which prevents fouling and increases boat speed. Keeps props and running gear free of fouling, which makes them more efficient and decreases fuel consumption. Reduces corrosion and lowers maintenance costs. Offers up to two years protection from fouling. This Propspeed 200ml Kit comes complete with enough Propclean Wipes, Etching Primer and Propspeed Clear Coat to coat two propellers up to 23 inch in diameter. -

P18225607 $399.98

Oceanmark I PropSpeed Foul Release Eco-Friendly 1l ...

More Speed, Less Fuel, the Best Foul Release Coating on the Market Unlike conventional antifouling paint which does not adhere well to underwater metal, or when it does, reduces performance, this unique, environmentally-friendly, two-part coating system bonds to your boat's propeller and running gear with no recoating needed for a year or more. Its "foul release" formulation reduces drag by preventing marine growth from attaching, resulting in fuel savings, and improved top end speed and performance. -

P7844335 PropSpeed Foul Release Eco-Friendly 1l $529.98
P7844343 PropSpeed Foul Release Eco-Friendly 500ml $380.00
P7844350 PropSpeed Foul Release Eco-Friendly 200ml $250.00

Antifouling / Sea Hawk

Sea Hawk I Tin Booster 8 oz

Tin booster is a straight tin based binder loaded with tin. Its high strength will add an extra kick to any tin based antifouling. By increasing the amount of tin, you will also increase the effectiveness of the antifouling. Good for 2 gallons. Not for sale in the USA.

NN10007 $55.50

Sea Hawk I Talon Dark Blue Antifouling, Gallon ...

Single Season Semi-Hard Hybrid Ablative Antifouling - 6000 Series. Talon is a single season copper-based semi-hard hybrid ablative antifouling paint. Talon can be applied over most antifouling coatings and aggressively combats all types of fresh and salt water marine fouling. Value-priced single-season semi-hard hybrid ablative antifouling. 33.6% cuprous oxide - highest grade available. Consistent viscosity providing better flow and rolling ability. May be applied over other modified epoxy antifouling paints.

NN60303 Talon Dark Blue Antifouling, Gallon $125.00
NN60453 Talon Black Antifouling, Gallon $125.00

Sea Hawk I Islands 99 Antifouling Dual Biocide Ablative Blue 1 gal ...

Dual-Biocide - 1000 Series Ideal for both sail and powerboats alike, Islands 99 plus delivers effective dual-biocide antifouling power at an affordable price. It's unique formulation deters hard shell growth like barnacles and mussels while keeping soft growth such as algae, slime and grass at bay. Easy to apply and clean, Islands 99 plus bottom paint is ablative by nature to release its biocides at a controlled rate which repels fouling organisms for multiple seasons. Dual-Biocide. Controlled Release with PL3 Technology. Economical Multi-Season Protection. Fights Hard and Soft Growth. Specifically Designed for Harsh Caribbean Waters. This product may not be sold or applied in the United States. Please check with your respective Country for regulatory requirements regarding sale and use of the product. -

NN99023 Islands 99 Antifouling Dual Biocide Ablative Blue 1 gal $190.00
NN99053 Islands 99 Antifouling Dual Biocide Ablative Black 1 gal $190.00

Sea Hawk I Biocop TF Antifouling Dual Biocide Hard Ablative Red 1 gal

Biocop TF was developed as an alternative to tin based antifouling paints to protect against the harshest marine environments and provide maximum protection. A new dual biocide technology and revolutionary polymer binder system 'PL3' produces an engineered biocide that leaves no harmful effects on the environment. Biocop TF is considered the top performer amongst antifouling paints and is safe in salt or fresh water on boats of all sizes. Maximum protection available. Harder, self polishing boosted ablative antifoulant for longer life. Multi season performance. Lloyd's registry approved.

NN12013 $279.98

Sea Hawk I Islands 77 Plus Antifouling Tin Free H ...

Islands 77 Plus was developed as an alternative to tin based antifouling paints to protect against the harshest marine environments. Using the newest biocide technology, a revolutionary polymer binder system produces an engineered biocide release that leaves no harmful effects on the environment. The result is a multi season, self polishing paint that provides equivalent protection to tin based formulas.

NN77303 Islands 77 Plus Antifouling Tin Free Hard Ablative Dark Blue 1 gal $289.95

Antifouling / Spray Paints & Primers

Interlux | Primocon Underwater Primer Grey Aerosol 10 oz ...

Primocon ® is an anticorrosive primer for underwater metal surfaces, including hulls, running gear, and the lower units of outboards and inboards. It will provide an excellent barrier to reduce pitting of the metal from galvanic corrosion. An excellent primer for antifouling paint over sanded fiberglass. Also suitable as a barrier or sealer coat over incompatible or unknown antifoulings.

IP00985	Primocon Underwater Primer Grey Aerosol 10 oz	$33.95
IP09843	Primcon Underwater Primer Grey 1 gal	$143.95
IP09845	Primcon Underwater Primer Grey 1 qt	$45.25

Jotun | Black Aqualine Optima Prop Spray Antifouling, 400ml

For drives, propellers, flaps and other light-metal components below the waterline. It is important that the surface is cleaned and degreased (with Jotun Thinner No. 07) prior to application of Vinyl Primer and Aqualine Optima Spray. Black.

JT68029 $37.49

Interlux | Trilux 33 Antifouling Spray Paint Black Aerosol 16 oz ...

Trilux ® 33 aerosol is one of the highest performance aerosol antifouling paint available. It has been formulated specifically for aluminium outboards, outdrives and can be used on all underwater metals. Biolux ® technology is used to control slime growth. Prime metal with Primocon ®.

Trilux 33 Antifouling Spray Paint Black Aerosol 16 oz
IP00636 $45.95

IP00686 Trilux 33 Antifouling Spray Paint White Aerosol 16 oz $45.95

Jotun | Grey Aqualine Optima Prop Spray Antifouling, 400ml

For drives, propellers, flaps and other light-metal components below the waterline. It is important that the surface is cleaned and degreased (with Jotun Thinner No. 07) prior to application of Vinyl Primer and Aqualine Optima Spray.

JT68019 $46.50

AWLGrip / Auxilliary Products

Awlgrip | Pro Cure Accelerator X98 Liquid 2 oz ...

Pro-cure X-98 and Pro-cure X-138 are additive accelerators that may be used to decrease dry and cure times in Awlgrip ® and Awlcraft ® 2000 topcoats. Do not use in primers. Pro-cure X-138 may be used in both spray or brush applications. Mixing ratio is 1 liquid ounce per 2 gallons of mixed topcoat color base and converter. This is equivalent to 6 capfuls if measured using the screw top cap. X138 may be recoated or taped in 6 to 8 hours at 77°F. Pro-cure X-98 should only be used in spray applications. Pro-cure X-98 1/2 liquid ounce per 2 gallons of mixed topcoat color base and converter. This is equivalent to 3 capfuls if measured using the screw top cap. X-98 may be recoated or taped in 4 to 6 hours at 77 ®F.

Z073014	Pro Cure Accelerator X98 Liquid 2 oz	$25.75
Z073015	Pro Cure Inhibited Accelerator X138 Liquid 2 oz	$25.75

Awlgrip | Griptex Non Skid Particles 73012 Fine Powder 16 oz ...

Griptex Non Skid gives Awlgrip ® and Awlcraft ® 2000 topcoats a non skid texture for deck and step areas. Non Skid particles: Fine is Z7301251 (16oz/qt can). Coarse Z7301351 (15.5oz/qt can) and Z7301353 (3.9lbs/gal can). Extra Coarse Z7323751 (0.9lb/qt can). For spray application, add 8-10 oz (227-284g) by weight of Griptex Non Skid particles to each gallon (3.785L) of mixed color base and converter.

Z7301251	Griptex Non Skid Particles 73012 Fine Powder 16 oz	$57.35
Z7301351	Griptex Non Skid Particles 73013 Coarse Powder 16 oz	$62.25
Z7301353	Griptex Non Skid Particles 73013 Coarse Powder 3.9 lb	$180.45
Z7323751	Griptex Non Skid Particles 73237 Extra Coarse Powder 0.9 lb	$66.50

Awlgrip | Flattening Agent G3013 For Topcoats Liquid 1 gal ...

G3013 Flattening Agent reduces the gloss of Awlgrip ® or Awlcraft ® 2000 topcoats to a flat or semi gloss finish. Preferred application is by spray. Roller application will provide more uniform gloss than brushing. Mixing instruction: Thoroughly mix the color base and G3013 Flattening Agent. Then stir in the converter G3010. When one homogenous mixture is obtained, add the T0002 Reducer. For flat finish mixing ratio by volume is 1:1:1:1. Example: 8oz color base: 8oz G3013: 8oz G3010: 8oz T0002. For semi-gloss finish mixing ratio is by volume 1:1/2:1:1 Example: 8oz color base: 4oz G3013: 8oz G3010: 8 oz T0002.

ZG30133	Flattening Agent G3013 For Topcoats Liquid 1 gal	$212.15
ZG30135	Flattening Agent G3013 For Topcoats Liquid 1 qt	$72.75

AWLGrip / Awlbrite Varnish

Awlgrip | AwlsparClassic Spar Varnish M3131 Liquid 1 qt

Awlspar classic spar varnish is a phenolic, tung oil varnish used for brightwork protection against water and weather. For use above the waterline only. Color: Amber. Coverage: 700sq.ft/gallon (65m2) 70-100sq.ft/gallon (6.5 - 9 m2) at recommended DFT of 7-10 mils (175 - 250 microns). Recommended coats: 7-10. Recoatability: By itself: 3-4 hours, 36 hours maxi without sanding or scuffing. With Awlbrite ® Clear: 3 days minimum. Awlspar brush reducer T0016.

ZM31315 $53.95

Awlgrip | AwlBrite Clear Gloss Base J3005 Two Part Liquid 1 qt

Awlbrite ® Clear is a new buffable, higher build, three component low VOC clear urethane for marine brightwork. Awl brite ® provides a far more durable finish than varnish, is faster curing and is easy to apply. Above the waterline only. Do not apply Awlbrite ® Clear directly to bare wood. Color: Clear. Coverage: 930sq.ft/gallon (86m2) 93sq.ft (8.6m2) at DFT of 10 coats. Cure: 3 hours to recoat, maximum 36 hours without sanding or scuffing. 12 hours to light service, 7 days for full cure. Converter J3006. Brushing activator A0031. Spray Activator A0001.

ZJ30055 $109.15

Awlgrip | AwlBrite Clear Gloss Base J3005 Two Part Liquid 1 gal

Converter for use in brush or roller applications of Awlbrite Plus, clear base wood finishes . Mixed in a 2 base: 1 converter ratio.

ZJ30053 $327.00

AWLGrip / Awlcraft - Top Coats

Awlgrip | Awlcraft 2000 Topcoat F8063 Snow White ...

Awlgrip ® Awlcraft ® 2000 acrylic urethane metallic topcoat, part 'A' only. Awlcraft 2000 is a two component, fast drying acrylic urethane coating with long lasting gloss and color retention. Provides an easy to apply, buffable finish. Spray application only. Do not use below the waterline. Spray: Mix by volume two parts of Awlcraft ® 2000 topcoat base component with one part Awl-cat#2/G3010 spray converter to a smooth, homogenous mixture. Reduce 25%-33% with the spray reducer appropriate for conditions. Overall mix is 2:1:3/4-1 by volume.

AWLGrip / Awlwood - Wood Treatment

Awlgrip | Awlwood Brush Reducer T0201 Slow Evaporating Liquid 1 qt

Spray reducer is a fast evaporating thinner formulated to assist in spray application by reducing the viscosity of Awlwood MA, especially in cold conditions.

ZT02015 $47.95

Awlgrip | Awlwood MA Red Primer J7809 Liquid 1 qt ...

Awlgrip ® Awlwood MA primers are formulated to deeply penetrate the grain/wood, even tropical hardwoods and thus give longer lasting color stability and improved system adhesion. Awlwood MA primers have a chemical affinity for the wood and locks directly onto the wood structure, gives superior flexibility and unrivaled resistance to delamination at damage points. Penetrates deep into the wood grain allowing the natural color and grain of wood to shine through. Contains high performance colorants that impregnate the wood structure to mimic the toning's of the natural wood colorants. As natural color of wood fades due to white light, colorants take over and retain their initial color leaving the wood with a rich appearance.

ZJ78095	Awlwood MA Red Primer J7809 Liquid 1 qt	$121.45
ZJ98095	Awlwood MA Yellow Primer J9809 Liquid 1 qt	$121.45

Awlgrip | Awlwood MA Clear Gloss Finish J3890 Liquid 1 qt

Awlgrip ® Awlwood MA clear gloss finish features an inherently non yellowing polymer, further stabilised with high performance UV absorbers, giving long term clarity of film and excellent gloss and DOI retention. Awlwood MA gloss finish has an elastomeric nature of the cured film resulting in excellent toughness and abrasion resistance, giving amazing in service performance. When combined with Awlwood MA primers it gives outstanding performance extending re coat cycle time.

ZJ38905 $123.95

AWLGrip / Bare Metal Treatments

Awlgrip | Alodine 1201 Conversion Coating For Aluminium Liquid 1 gal

Z730013 $103.75

Alumiprep 33 Acid Based Etching Cleaner Liquid 1 qt
Z730015 $32.95

AWLGrip / Cleaners

Awlgrip | Awl-Prep 400 Surface Cleaner T0170 Slow ...

Use to wipe down finish primers and topcoats. General purpose, surface cleaner which evaporates five times slower than T0008. Use to wipe down final primed or topcoated surfaces before and after sanding. It will remove hand oils, light grease and other light surface contaminants. Use the two cloth method to apply and remove the solvent. The slower evaporation rate allows for larger areas to be cleaned in hot weather using the two cloth method without creating wipe marks. It is also excellent for removing tape residue, is non photochemically reactive and is recommended for use in warm weather.

ZT01703 Awl-Prep 400 Surface Cleaner T0170 Slow Evaproating Liquid 1 gal $63.35

Awlgrip | Awl-Prep Surface Cleaner T0008 Liquid 1 gal

Combination of solvents suspends contaminants so they can be wiped from the surface. Removes wax, oil, grease and mold release agents. For use on fiberglass or metal surfaces. Use two cloth method, changing cloths often.

ZT00083 $73.15

Awlgrip | Awl-Prep Plus Wax & Grease Remover T0115 Liquid 1 gal

A medium fast evaporating, strong, solvent designed to remove waxes, oils, and greases commonly found on painted surfaces, new or aged gelcoat, aluminium, or steel. Use before and after sanding the substrate prior to priming. Always de wax before sanding. Use the two cloth method to apply and remove T0115. Do not use T0115 on freshly applied primers or topcoats. T0115 is photochemically reactive.

ZT01153 $76.49

Awlgrip | Awlwash 73234 Concentrate Lquid 1 gal ...

Awlwash has been extensively tested in Awlgrip ®'s laboratories and in the harsh marine environment. All tests conclude that this product is what customers have requested for years, an effective detergent for cleaning yet still gentle for frequent use on Awlgrip ® and Alwcraft ® 2000. With regular cleaning, Awlwash will help avoid the build up of dirt and grease which can cause the finish to appear dull. Formulated to clean Awlgrip ® topcoats, Awlwash does not contain alkalis, acids or abrasives, unlike other 'marine soap' products that are not suitable for use on painted surfaces. Awlwash is 100% biodegradable.

Z732343 Awlwash 73234 Concentrate Lquid 1 gal $76.75
Z732345 Awlwash 73234 Concentrate Liquid 1 qt $24.95

Awlgrip | Awlcare Protective Polymer Sealer 73240 Liquid 1/2 gal ...

Awlcare is a protective polymer sealer formulated to protect and remove mild stains from Awlgrip ®, Awlgrip ® High Solids and Awlcraft ® 2000 topcoats. Contains no harsh abrasives and will not scratch the painted surface. It leaves a non yellowing protective polymer coating which lasts through multiple washings. Removes mild stains such as water spots and diesel soot. Increases resistance to attack from acid rain and other environmental pollutants.

Z732404 Awlcare Protective Polymer Sealer 73240 Liquid 1/2 gal $85.40
Z732406 Awlcare Protective Polymer Sealer 73240 Liquid 16 oz $28.45

AWLGrip / Converters

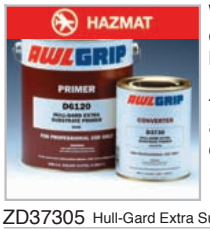

Awlgrip | Wash Primer CF Converter D3300 Liquid 1 qt

Wash Primer CF is a chromate free etch primer, based on 'controlled fusion' (CF) technology. CF technology is a unique chemical system that allows extended re coat times, removes the need for sanding prior to applying the next coat and also gives excellent substrate adhesion. This technology eliminates the requirement for high hazard chemicals and ensures a tightly fused inter coat layer between the CF based coating and the next applied coat. Mix ratio: Mix ratio by volume is 1 part D6600 to 1 part D3300. Reduction is not required as material is supplied at maximum allowable VOC.

ZD33005 $42.50

Awlgrip | Hull-Gard Extra Substrate Primer Conver ...

White two component epoxy. Primer is D6120 and converter D3730. Hullgard Extra Epoxy Primer is a holding primer, used as a base for subsequent fairing. It offers superb adhesion to properly prepared fiberglass, steel, aluminium and wood. For use above and below the waterline. Mix 1 gallon base with 1 quart converter.

ZD37305 Hull-Gard Extra Substrate Primer Converter D3730 White Liquid 1 qt $44.75
ZD61203 Hull-Gard Extra Substrate Primer D3730 White Liquid 1 gal $138.25

Awlgrip | Awl-Quik Sanding Surfacer D8003 Pale Ye ...

A two part epoxy primer system. A quick drying, medium build, easily sanded, two package epoxy primer/surfacer with excellent adhesion properties for wood and fiberglass substrates. Easy to apply by brush, roller or spray. Not to be used below the waterline. Color: Pale yellow.

Awl-Quik Sanding Surfacer D8003 Pale Yellow Base Two Part 1 gal
ZD80033 $212.35

Awlgrip | Ultra Build Epoxy Primer D8008 Two Part White Liquid 1 gal

Awlgrip ® Ultra Build primer D8008 is a two component epoxy primer with excellent sag resistance and excellent film build/filling capability. For use where high build and filling is required above the waterline.

ZD80083 $241.45

AWLGrip / Reducers

Awlgrip | Fast Spray Reducer T0001 Liquid 1 qt

Fast evaporating spray topcoat reducer.

ZT00015 $29.80

Awlgrip | Awl-Spar Epoxy Reducer T0016 Standard Spray Liquid 1 qt

Reducer for Awlspar varnish.

ZT00165 $30.20

Awlgrip | Awl-Brite Brushing Reducer A0031 Liquid 16 oz

Awlgrip ® Awlbrite brushing activator A0031, is used with Awlbrite clear urethane varnish when applying by brush. A0031 contains additives which stabilize the pot life of the mixture and initiate cure of the product.

ZA00316 $40.15

Awlgrip | Hot Weather Reducer T0005 Spray Liquid 1 qt

To reduce Awlgrip ® topcoats and improve flow and leveling when application and cure temperatures are above 85°F. It has a very slow evaporation rate and is most often used as an additive, blended with other spray reducers to improve flow.

ZT00055 $48.09

Awlgrip | Epoxy Primer Reducer T0006 Standard Spray Liquid 1 gal ...

A standard epoxy reducer for spray application of 545 primer, Awl-Quik, sprayable fairing compound, and high build epoxy primer. Also recommended for Hullgard epoxy primer.

Epoxy Primer Reducer T0006 Standard Spray Liquid 1 gal
ZT00063 $86.49

Epoxy Primer Reducer T0006 Standard Spray Liquid 1 qt
ZT00065 $30.25

Awlgrip | Standard Spray Reducer T0003 Liquid 1 gal ...

Is the standard thinner for spray applications of all Awlgrip ® urethane topcoats.

Standard Spray Reducer T0003 Liquid 1 gal
ZT00033 $95.65

Standard Spray Reducer T0003 Liquid 1 qt
ZT00035 $31.95

Awlgrip | Topcoat & Primer Reducer T0031 Slow Dry ...

For use with topcoats, 545 primer, and Awl-Quik sanding surfacer in brush/roller applications. Evaporates very slowly, keeping the paint film open, maximizing flow and leveling while minimizing brush marks and roller stipple.

Topcoat & Primer Reducer T0031 Slow Drying Brush & Roller Liquid 1 gal
ZT00313 $117.95

ZT00315 Topcoat & Primer Reducer T0031 Slow Drying Brush & Roller Liquid 1 qt $39.35

DinghyPaint, LiquidRubber

Inland Marine | Dinghy Topside Paint White Liquid 1 pt ...

Topside Paint ® is specially formulated to have the elasticity and UV resistance required for use with inflatable boats. Because inflatable boats expand in the hot sun and contract at night in the cooler temperatures, constantly flexing, ordinary paint or vinyl stick on numbers will not stay on an inflatable boat for more than a few weeks. Sealant is mixed into the Topside Paint ® to further enhance the airtight integrity of your inflatable.

IN00406 Dinghy Topside Paint White Liquid 1 pt $35.25
IN00415 Dinghy Topside Paint Grey Liquid 1 qt $59.95
IN00416 Dinghy Topside Paint Grey Liquid 1 pt $32.49
IN00426 Dinghy Topside Paint Blue Liquid 1 pt $33.95
IN00436 Dinghy Topside Paint Red Liquid 1 pt $33.95

Inland Marine | Sealant Kit For Inflatables Liquid 1 qt

Inland Marine Sealant ® is specially formulated for use with inflatable boats, rafts and tow toys. This sealant forms a bond with the interior fabric of the inflatable, stopping or 'sealing' slow leaks and preventing future leaks from developing. In one easy step, leaks are cured from the inside, which are virtually impossible to find from the outside. This is the only product of its kind which allows for future deflation of your inflatable (for storage, etc.) without the skin sticking to itself and making re inflation virtually impossible.

IN00205 $77.50

Inland Marine | Liquid Rubber White 1 qt ...

Liquid Rubber ® for re skinning inflatable boats, kayaks, rafts and tow toys. This is pure EDPM rubber in liquid form that cures to form a seamless, leak proof membrane. If your boat has lost some of its outer skin, even if the fabric is showing, Liquid Rubber ® will repair it. Use it to reinforce those heavy wear spots before they wear through, or even put a new bottom on your boat. The Liquid Rubber ® will flow to form a smooth satin finished area of pure rubber.

IN01500 Liquid Rubber White 1 qt $96.49
IN01600 Liquid Rubber Grey 1 qt $96.35

Fairing, Filling Bedding / 3M

3m | Acryl-White Putty White Tube 14.5 oz

Recommended for filling pinholes, scratches and other surface defects on a variety of automotive and marine surfaces. Its white color minimizes the possibility of color showing through the final coat as can happen when using colored putties beneath white paint. Other advantages include easy sanding, fast drying, spreads easily, and has low shrinkage.

MM05095 $31.50

3m | Marine Premium Filler Tub 1 pint ...

Exceptional water barrier. Use for filling and fairing of fiberglass, wood, aluminum and steel surfaces. Cures fast, sands easily.

MM46004 Marine Premium Filler Tub 1 pint $43.95
MM46005 Marine Premium Filler Tub 1 qt $75.45
MM46006 Marine Premium Filler Tub 1 gal $223.50

3m | Marine High Strength Repair Filler Tub 1 pint ...

Marine high strength repair filler for filling blisters and gouges in fiberglass laminate above and below the waterline. Contains fiberglass strands. Cures fast. Protects against osmosis.

Marine High Strength Repair Filler Tub 1 pint
MM46012 $72.95

Marine High Strength Repair Filler Tub 1 qt
MM46013 $110.75

Fairing, Filling Bedding / Epifanes

Epifanes | Epoxy Filler 1500 750 ml

A very strong two-component light-weight filler based on epoxy resins. Chemical and water resistant, shrink-free and low odor. Can fill up to 1.5 cm in one single application. Prior to use, stir each component separately and then thoroughly together until color is uniform. Do not use under 60*F./12*C. Best sandable properties are between 24 and 48 hours.Fiberglass - Steel - Wood - aluminum: in two-component epoxy systems above and below the waterline. Smaller repairs may also be topcoated with one-component primers/topcoats. Larger repair areas should always be topcoated with two-component Poly-urethane. May be followed by a one-component finish if desired.

BM20750 $55.25

Fairing, Filling Bedding / Interlux

Interlux | Bedding Compound, Natural Quart

Boatyard Bedding Compound is designed for bedding down deck hardware, molding cleats, padeyes, flanges, transoms, cabin trunks, keels, etc. Its surface hardens to make it receptive to paint, but remains soft and pliable underneath to provide waterproofing and flexibility. It prevents leaking and rotting between double planking joints.

IP02145 $57.85

Fairing, Filling Bedding / Jotun

Jotun | Finishing Filler Epoxy Two Part A + B Liquid 1 L

Finishing Filler is a two component smooth epoxy filler, for finishing jobs. Can be applied up to 3mm of film thickness, leaving a very smooth surface without pores. Can be sanded easily and provides a very smooth and uniform surface. Although it has a low absorption rate, it is necessary to seal the filler with an epoxy coating. Suitable as filler system in osmosis treatments and repairs. It should be noted that all fillers are more porous than epoxy paints, so in case of heavy rain after filler application, they may absorb some humidity. Therefore, it is necessary to let them dry for a couple of days before over coating in order to help evaporation and drying.

JT04545 $57.95

Fairing, Filling Bedding / Pettit

Pettit Marine Paint | Ez-Fair Lightweight Epoxy F ...

EZ-Fair Epoxy Fairing Compound 7050 is a lightweight, two-part epoxy putty designed for filling and smoothing surface imperfections above and below the waterline. The special resins used in EZ-Fair impart a high degree of water and chemical resistance to the product, making it an integral part of the Pettit Gelcoat Blister Repair System. In addition, EZ-Fair is the product of choice for fairing metal keels or any underwater surface. Use it for leveling uneven surfaces, filling gouges, scratches, or other damage on fiberglass, wood or metal surfaces. Its excellent chemical and water resistance make it the ideal choice for repairing blistered gelcoat in an osmotic blister repair system. EZ-Fair is non-sagging and non-shrinking and sands to a smooth finish. The quick-cure formula allows for multiple coats to be applied and sanded in a single day.

PE70505 Ez-Fair Lightweight Epoxy Fairing Compound Two Part 1.5 qt $92.75

Non-Skid

Epifanes | Nonskid Polyproplyene Beads 20 gr

Pre measured package for adding to 750g polyurethane or 750ml monourethane coatings.

BM50013 $9.55

Epifanes | Nonskid Deck Coating One Part White 750 ml ...

Exceptionally strong, urethane alkyd based, single part deck coating. Pre mixed with polypropylene beads. Two coats rolled will render a textured surface for long lasting nonskid protection.

Nonskid Deck Coating One Part White 750 ml
BM50010 $47.25

Nonskid Deck Coating One Part Grey 750 ml
BM50011 $45.95

BM50012 Nonskid Deck Coating One Part Cream 750 ml $47.50

Kiwigrip | Nonskid Deck Coating One Part White 4 L ...

KiwiGrip is a non slip marine deck coating. It is a completely durable anti skid coating designed for boat and outdoor use. It comes out of the can with a yogurt like consistency, but spreads quickly and easily with a proprietary roller. KiwiGrip offers a beautiful, consistent, grippy surface. By varying the application technique, the texture can be adjusted from 'fine' to 'aggressive'.

KI10003 Nonskid Deck Coating One Part White 4 L $179.95
KI10005 Nonskid Deck Coating One Part White 1 L $53.95
KI20003 Nonskid Deck Coating One Part Cream 4 L $179.98
KI20005 Nonskid Deck Coating One Part Cream 1 L $53.95
KI40003 Nonskid Deck Coating One Part Grey 4 L $179.95
KI40005 Nonskid Deck Coating One Part Grey 1 L $53.95

Paint Strippers / 3M

3m | Safest Stripper Paint & Varnish Remover Liquid 1 qt

The safest paint & varnish remover, great for indoor use as there are no harmful fumes. Excellent vertical cling, strips without harming wood. Lifts several coats of paint in one application.

MM10101 $19.10

Paint Strippers / Interlux

Interlux | Interstrip 299E Paint Remover 1 qt

Needs no water, no sandpaper, strips paints, antifoulings, enamels, varnish and polyurethane, on all metals, fiberglass, most plastics, epoxies, and woods. Thick enough to stay where you put it, overhead or vertically on boat. Excels at toughest jobs. If applied properly, Interstrip will remove all layers in one application. Remove with any scraper, knife or stubby brush.

IP92995 $49.95

Paint Strippers / Others

Savograin | SuperStrip Paint & Varnish Remover Liquid 1 qt ...

Heavy duty formula cuts through built up layers on wood, metal or masonry. For use on furniture and woodwork. Removes multiple layers of paint, varnish, enamel, lacquer, shellac, marine finishes and polyurethane. Non flammable.

SuperStrip Paint & Varnish Remover Liquid 1 qt
F36210354 $20.35

F36210370 SuperStrip Paint & Varnish Remover Liquid 1 gal $68.25

Kwik | Marine Paint & Varnish Remover 1 gal

Boat owners hail this paint and varnish remover has literally taken the boating industry by storm. Developed to meet the challenges of today's synthetic boat finishes that defy conventional paint removers.

F36212866 $50.95

Primers / Epifanes

Epifanes | Multi Marine Primer One Part White 750 ml ...

Epifanes Multi Marine primer is suitable for fiberglass or gelcoat above the waterline, offering maximum adhesion for one component yacht paints.

Multi Marine Primer One Part White 750 ml
BM40005 $37.25
Multi Marine Primer One Part Grey 750 ml
BM40055 $37.25

Epifanes | Epoxy Primer w/Zinc Phosphate Two Part White 750 ml

An anti-corrosive primer based on epoxy resin and zinc phosphate as the anti-rust agent. High build, high filling capacity and easy sanding. For use as a filling primer in a two component paint system on plywood and fiberglass and as an anti-corrosion primer in a two-component paint system on steel and aluminum. Fiberglass - steel - wood - aluminum: bonding and filling primer for interior and exterior use above and below the waterline. Also for maintenance of existing epoxy systems. Recoatable with epifanes polyurethane yacht coating, polyurethane primer, and epoxy filler.

BM40060 $60.50

Epifanes | Epoxy Marine Primer Two Part White 2000 ml

Two component anticorrosive primer based on epoxy resin and zinc phosphate. Corrosion resistant, good filling and good sanding.

BM40061 $143.55

Primers / Interlux

Interlux | Pre-Kote Undercoat & Primer 1 qt

Pre-Kote ® is an undercoater for Brightside ® polyurethane and other one part finishes. Microspheres are used to give Pre-Kote ® superior build whilst improving flow and sand ability. Method: Apply 1 to 2 coats, allow the necessary over coating time between applications. Sand between primer coats with 120 grade (grit) paper until translucent. Remove sanding residue with a rag dampened with brushing liquid 333. Apply finish coats. Sand with 220 grade paper between Pre-Kote ® and finish enamel. Coverage: 450sq ft per gallon by brush and 360sq ft per gallon by spray. Cure time at 95°F (35°C). Touch dry one hour.

IP02795 $44.95

Interlux | Epoxy Primekote 404 Two Part 1 qt

Epoxy Primekote ® is a multipurpose two part epoxy primer for use above the waterline. Epoxy Primekote ® is an excellent under coater for Perfection. It is used as a sanding surface to smooth rough layup and to resurface cracked and crazed gelcoat. Epoxy Primekote ® should also be used over clear epoxies to eliminate the effects of amine blush.

IP04045 $61.95

Interlux | Interprotect 2000E Kit Epoxy Barrier C ...

Interprotect ® 2000E is designed to reduce hull water absorption. Allows the application of complete protection and antifouling system in two days.

Interprotect 2000E Kit Epoxy Barrier Coat Two Part Grey 1 gal
IP20003 $167.95
Interprotect 2000E Kit Epoxy Barrier Coat Two Part Grey 1 qt
IP20005 $57.65
IP20023 Interprotect 2000E Kit Epoxy Barrier Coat Two Part White 1 gal $172.15
IP20025 Interprotect 2000E Kit Epoxy Barrier Coat Two Part White 1 qt $57.65

Interlux | Interprotect HS Kit Epoxy Barrier Coat Two Part Gray 1 gal

Interprotect HS Kit Epoxy Barrier Coat Two Part Gray 1 gal.

IP04233 $191.75

Primers / Jotun

Jotun | Vinyl Primer Spray w/Aluminium Pigment Aerosol 400 ml

Vinyl Primer spray is a one component, aluminium pigmented vinyl modified primer specially developed for areas to be coated with Aqualine Optima, such as stern drives, outboard engines, propellers, etc. Fast drying product.

JT00092 $26.95

Jotun | Xprimer Grey A + B 0.75L ...

A multi-purpose epoxy primer formulated for excellent adhesion on all surfaces and substrates and as an undercoat. This fast-drying primer is ideal for use on the hull, both above and below the waterline, and on all superstructure. XPrimer can be applied beautifully with spray gun, brush or roller. It dries quickly, and it's very easy to sand to a perfectly smooth surface ready for the topcoat.

JT80015 Xprimer Grey A + B 0.75L $35.95
JT80024 Xprimer Grey Component A 2L $93.50
JT80025 Xprimer White A + B 0.75L $35.49
JT80034 Xprimer Grey Component B 0.5L $23.49
JT80124 Xprimer White Component A 2L $93.50

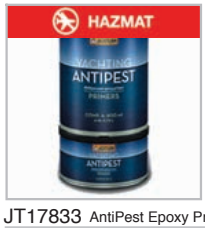

Jotun | Vinyl Primer w/Aluminium Pigment Fast Drying Liquid 2.5 L ...

Vinyl Primer is a one component, vinyl modified primer and sealer, aluminium pigmented for increased water resistance. Good adhesion to wood and previously applied antifouling, thus being the ideal sealer. Fast drying product.

Vinyl Primer w/Aluminium Pigment Fast Drying Liquid 2.5 L
JT07813 $62.95
JT07815 Vinyl Primer w/Aluminium Pigment Liquid Fast Drying 7.75 L $22.95

Jotun | AntiPest Epoxy Primer Two Part A + B Liquid 2.5 L ...

AntiPest is a two component epoxy, suitable as a long exposure undercoat for epoxy and polyurethane systems and designed to prevent osmosis in fiber glass hulls. AntiPest can be used both as primer for all types of substrates, including steel, fiber glass, aluminium and marine timber, and as well as intermediate adhesion undercoat, for polyurethane or antifouling on top of epoxy primers. The ideal product for priming gelcoat before applying antifouling.

JT17833 AntiPest Epoxy Primer Two Part A + B Liquid 2.5 L $103.95
JT17835 AntiPest Epoxy Primer Two Part A + B Liquid 0.75 L $32.49

Primers / Others

Rust-oleum | Stops Rust Metal Primer Aerosol 12 oz

A quality primer provides more than twice the rust prevention of enamel alone. Choose between sand able primers, rust preventive and heavy duty rusty metal primers.

F801987 $11.65

Primers / Pettit

Pettit Marine Paint | Underwater Metal Primer Kit ...

Underwater Metal Kit 6456 combines convenient sized containers of both our 6455/044 Metal Primer and 6627 Tie Coat Primer in one easy package. This kit is specifically designed for the painting of underwater metal running gear including shafts, struts, props, thru-hulls, and trim tabs. The system is suitable for use on all underwater metal running gear, including steel, stainless or galvanized steel, bronze, and aluminum. Kit contains 1 pint (16 FL.OZ.) 473mL of # 6627 Tie-Coat Primer, 8 FL.OZ. (236mL) of # 6455 Metal Primer, and 2 FL.OZ. (59 mL) of # 044 Activator.

PE64561 Underwater Metal Primer Kit Self Etching & Tie Coat Two Part $85.95

Pettit Marine Paint | EZ-Prime Undercoater White 1 gal ...

Use as a base coat whenever the surface to be painted is aged, cracked or, in anyway, less than smooth. Apply to fiberglass, wood and previously painted surfaces. Dries quickly and is easy to sand.

PE61493 EZ-Prime Undercoater White 1 gal $116.95
PE61495 EZ-Prime White 1 qt $40.95

Pettit Marine Paint | Specialty Tie Coat Primer O ...

General purpose, chlorinated rubber used as a primer on metal surfaces and as a tie coat between different types of coatings. Can be used above or below the waterline. Compatible with all antifouling and topside paints. Semi flat burnt orange color. Brush roll or spray.

Specialty Tie Coat Primer One Part Burnt Orange 1 gal
PE66273 $142.95
PE66275 Specialty Tie Coat Primer One Part Burnt Orange 1 qt $49.75

Pettit Marine Paint | Rustlok Steel Primer Rust R ...

A one part moisture, cured polyurethane coating that locks in and stops the spread of rust on galvanised, stainless steel and cast iron. Wets, seals and adheres to firmly attached rust. Forms a dense, water impervious barrier for maximum corrosion resistance.

Rustlok Steel Primer Rust Repair & Prevention One Part 1 gal
PE69803 $160.95
PE69805 Rustlok Steel Primer Rust Repair & Prevention One Part 1 qt $54.49

Pettit Marine Paint | Pettit Protect High Build Epoxy Primer two Part Grey

Prevent gelcoat blisters before they occur with this easy to use product. Designed for both the prevention of gel coat blistering and the repair of existing blisters. The Pettit Protect system combines a high film build of epoxy to minimize water absorption with excellent resistance to chemicals, water, corrosion and abrasion. Good for all substrates including fiberglass, aluminum, steel and other metals. One gallon kit.

PE47003 $169.95

Pettit Marine Paint | Metal Primer Self Etching Two Part 1 gal ...

Provides corrosion and rust resistance on steel and aluminium. A corrosion inhibiting pigment keeps the metal surface in good condition and enhances adhesion of primers and topcoats applied over metal. Not recommended for use on wood or fiberglass.

Metal Primer Self Etching Two Part 1 gal
PE64553 $169.98
PE64555 Metal Primer Self Etching Two Part 1 qt $72.50

Primers / Sea Hawk

Sea Hawk | Bottom Paint Primer High Build Rubber Based Yellow 1 gal

This high build, chlorinated, yellow rubber based primer is recommended for use over old copper based antifoulants before recoating. Provides excellent corrosion resistance over metal and fiberglass. A great insurance policy if old paint is unknown. It is also an excellent moisture vapor transmission barrier coat to protect the hull against corrosion and moisture damage.

NN12773 $99.50

Sea Hawk | Tuff Stuff Low VOC Epoxy Primer Kit

Sea Hawk Tuff Stuff Low VOC is an exceptionally high build, low-VOC, two-part marine epoxy primer that dries fast, letting you apply a complete barrier system and antifouling paint in just two days. The primer creates an overlapping, impermeable barrier that eliminates direct paths for water migration, but does so with an environmentally friendly low volatile orgnic compound formula. Overcoat with water-based* or solvent-based antifouling paint. - Tuff Stuff is extremely effective for blister prevention on fiberglass. Because it is resistant to oil and water, it makes a great bilge coating. It can be used for corrosion protection on most metals below the waterline, and for priming any metal.

NN12863 $147.50

Sea Hawk | Tuff Stuff High Build Epoxy Primer Kit 2 gal ...

Used to combat blister development on fiberglass boats, this high build epoxy primer uses micro sheet silicate technology and is the highest build epoxy primer on the market today. Tuff Stuff can be used over blistered fiberglass as a repair coat, and over un blistered fiberglass as a barrier coat. It protects metals from corrosion, is easy to apply and enables application of a complete barrier system and bottom paint in just two days.

NN012843 Tuff Stuff High Build Epoxy Primer Kit 2 gal $282.50
NN012845 Tuff Stuff High Build Epoxy Primer Kit 1/2 gal $92.95

Sealers / Interlux

Interlux | Interprime Wood Sealer Clear 1 qt

For exterior or interior use. Stops suction in the wood and seals grain. Two coats recommended.

IP10265 $37.15

Sealers / Others

Tip Top | Teak Sealer Liquid 1 qt ...

Tip Top Teak's Wood Oil sealer is designed to seal and protect clean teak. Easy to use. Extra long lasting. Restores and protects teak and other woods. Adds luster and beauty to your deck.

LE01001 Teak Sealer Liquid 1 qt $34.55
LE01002 Tip Top Teak Sealer Liquid 1 gal $92.25

Scandvik | Teak Wonder Dressing & Sealer Liquid 1 L ...

Teak wonder dressing and sealer will keep the splendid golden appearance without having to wash teak every day with fresh water. Applying this silicon based product seals the pores of the wood thus preventing the penetration of the dust and dirt that darken it, and also protects the natural teak oils against the ultraviolet rays that oxidize and discolor them. Prevents liquids such as diesel oil, fish blood, and paints from penetrating the wood. Does not smell once fully applied, does not become shiny or slippery, does not stick, dries rapidly and does not make or build up the surface. It is the clearest of treatments during application and becomes practically invisible once dry.

TW01001	Teak Wonder Dressing & Sealer Liquid 1 L	$38.95
TW01002	Teak Wonder Dressing & Sealer Liquid 4 L	$120.95

Semco Teak Products | Semco Sealer Classic Brown Quart ...

Seals and protects teak. A two-coat (wet-on-wet) initial application will generally last through the season.Can be renewed without deep cleaning or stripping.

SO10424	Semco Sealer Classic Brown Quart	$41.95
SO10434	Semco Sealer Classic Brown Gallon	$116.49

Semco Teak Products | Semco Sealer Goldtone Quart

Seals and protects teak. A two-coat (wet-on-wet) initial application will generally last through the season.Can be renewed without deep cleaning or stripping. - Goldtone: Gives wood the reddish-brown luster of freshly sanded teak

SO10124 $41.95

Semco Teak Products | Semco Teak Sealer Cleartone Gal

Seals and protects teak. A two-coat (wet-on-wet) initial application will generally last through the season.Can be renewed without deep cleaning or stripping. - Clear: Contains no pigment, looks like oil; not as weather resistant

SO10334 $116.49

Semco Teak Products | Semco Sealer Goldtone Gallon

Seals and protects teak. A two-coat (wet-on-wet) initial application will generally last through the season.Can be renewed without deep cleaning or stripping. - Goldtone: Gives wood the reddish-brown luster of freshly sanded teak

SO10134 $116.49

Sealers / Pettit

Z*spar | S-94 Acrylic Sealer Clear 1 qt

Designed for sealing open grain woods, such as mahogany, before using filler stains. It is also useful for sealing porous soft woods such as plywood before Z*Spar ® undercoat is applied. S-94 seals the grain of the wood to allow light sanding of wood fuzz in a few minutes and promotes uniform penetration of filler stain.

PE00945 $41.55

Sealers / Star Brite

Starbrite | Teak Oil Premium Gold Step Three Liquid 1 gal ...

Unique formula based on tung oil and space age polymers. Provides long lasting protection for teak surfaces. Easy to use. Contains ultraviolet absorbers to resist weathering. Fast drying. Lasts 4-6 times longer than standard teak oils.

Teak Oil Premium Gold Step Three Liquid 1 gal
SB85100 $113.25

SB85132 Teak Oil Premium Gold Step Three Liquid 32 oz $40.75

Solvents / 120 Brushing Thinner

Pettit Marine Paint | Brushing Thinner 120/T 1 gal ...

General purpose thinner for brushing enamels. Medium evaporating solvent. Also useful for wiping down surfaces.

PE91203	Brushing Thinner 120/T 1 gal	$67.95
PE91205	Brushing Thinner 120/T 1 qt	$27.75

Solvents / 121 Spraying Thinner

Pettit Marine Paint | Spraying Thinner 121/T 1 gal ...

Fast evaporating solvent for reducing standard enamels and under coaters for spray applications. Flashes out rapidly to allow sprayer to apply light tack coat prior to final coats.

PE91213	Spraying Thinner 121/T 1 gal	$75.50
PE91215	Spraying Thinner 121/T 1 qt	$30.95

Solvents / 202 Fiberglass Wash

Interlux | Fiberglass Solvent Wash 202 1 qt

Used to remove mold release agents, wax, oil and grease from the hulls of fiberglass boats. It is also an effective brush cleaner.

IP02025 $27.75

Solvents / 216 Special Thinner

Interlux | Special Thinner 216 1 qt

Fast evaporating solvent improves, drying in cold climates and facilitates spray applications. Excellent for removing sanding residue, wiping bare aluminium and general cleanup.

IP02165 $23.65

Solvents / 333 Brushing Liquid

Interlux | Brushing Liquid 333 Solvent 1 gal ...

Slow drying solvent eases brushing and improves flow with certain paint products. Extends drying time in hot weather.

IP03333 Brushing Liquid 333 Solvent 1 gal $64.50
IP03335 Brushing Liquid 333 Solvent 1 qt $27.15

Solvents / 433 Brush Ease

Interlux | Brush Ease 433 Solvent 1 qt

Slow drying solvent eases brushing and improves flow of copolymer paints such as Micron ® and Trilux ®.

IP04335 $24.50

Solvents / Acetone

Sunnyside | Acetone Liquid 1 qt ...

Acetone is a very fast evaporating, extremely flammable solvent. It can be used to dissolve many natural and synthetic gums, waxes, oils and dyes. It will readily mix with water, alcohols, esters, ether and other organic solvents.

RE01974 Acetone Liquid 1 qt $7.35
RE01975 Acetone Liquid 1 gal $23.25

Solvents / Adhesive Cleaners

3m | General Purpose Adhesive Cleaner Liquid 1 qt ...

Ideal for removing adhesive, silicone, wax, grease, tar and oil. Cleans up old adhesive marks from tape, glues, etc.

General Purpose Adhesive Cleaner Liquid 1 qt
MM08984 $29.95
General Purpose Adhesive Cleaner Aerosol 15 oz
MM08987 $19.75

Solvents / ColorGrade LacquerThinner

Sunnyside | Lacquer Thinner Liquid 1 qt ...

Fast evaporating, extremely flammable organic solvent mixture. It is designed for thinning lacquer and epoxy coatings, and is also recommended for clean up of spray guns and other application equipment.

RE05079 Lacquer Thinner Liquid 1 qt $8.75
RE05151 Lacquer Thinner Liquid 1 gal $20.50
RE05152 Lacquer Thinner Liquid 5 gal $94.25

Solvents / Denatured Alcohol

Sunnyside | Denatured Alcohol Solvent Liquid 1 qt ...

An ideal cleaner and thinner. Use to thin shellac, and to clean brushes and equipment.

RE05021 Denatured Alcohol Solvent Liquid 1 qt $7.95
RE05022 Denatured Alcohol Solvent Liquid 1 gal $18.95

Solvents / Epifanes Thinner

Epifanes | Brushing Thinners One Part 1000 ml ...

Epifanes one part thinners for brush applications, is to be used with the Epifanes one part mono urethane topside finishes, as well as one part primers and is the ideal thinners for Epifanes famous gloss clear varnish, wood finish gloss, matte and the rubbed effect varnish. Not to be used for the two part varnishes. Made from a pure white spirits for a clear application.

BM00205 Brushing Thinners One Part 1000 ml $16.35
BM00206 Brushing Thinners One Part 500 ml $15.29
BM00411 Spray Thinner One Part 1000 ml $18.95

Epifanes | Polyurethane Brushing Thinners Two Part 500 ml ...

Epifanes two part thinners, for brush application, is to be used with the Epifanes two part polyurethane topside finishes, and two part varnish. Ideal for surface prep and clean up.

Polyurethane Brushing Thinners Two Part 500 ml
BM00306 $20.25
Polyurethane Brushing Thinners Two Part 1000 ml
BM00307 $31.50

Epifanes | Polyurethane Spray Thinners Two Part 1000 ml

Epifanes two part thinners, for spray application, is to be used with the Epifanes two part polyurethane topside finishes, and two part varnish. Ideal for surface prep and clean up.

BM00305 $32.95

Solvents / Jotun Thinners

Jotun | Thinner 2 General Purpose Solvent For Alkyd/Oil Base Paints 1 L

General purpose thinner for most conventional alkyd or oil based paints.

JT22205 $15.25

Jotun | Thinner 7 General Purpose Solvent For Acr ...

General purpose thinner for acrylic and chlorinated rubber paints and antifouling compositions.

Thinner 7 General Purpose Solvent For Acrylic/Antifouling Paints 1 L
JT72205 $16.50

Jotun I Thinner 17 Epoxy Solvent Liquid 1 L

Thinner for epoxies and similar paint products.

JT17025 $17.50

Jotun I Thinner 18 Medium Evaporating Solvent Liquid 1 L

A medium evaporation solvent for polyester polyurethane products. Used in order to secure good flow and a high gloss finish.

JT18025 $26.50

Jotun I Thinner 12 Slow Evaporating Solvent Liquid 1 L

A high quality solvent with a slow rate of evaporation for polyester polyurethane products. For use when applying with brush or roller to ensure a good flow rate and a high finish coating.

JT12025 $27.50

Jotun I Thinner 7 General Purpose Solvent For Acr ...

This is a paint thinner. Designed to improve the flow of a range of Jotun acrylic, vinyl and antifouling coatings. Can also be used as cleaner for pumps and tools before and after painting.

Thinner 7 General Purpose Solvent For Acrylic/Antifouling Paints 5 L
JT72202 $69.95

Solvents / K-1 Kerosene

Sunnyside I Kerosene K-1 Liquid 1 gal

K-1 KERO SENE K-1 Grade heater and appliance fuel. Burns cleaner than most off-the-shelf kerosenes. Good for cleaning.

Y421066 $17.95

Solvents / MEK (Methyl Ethyl Ketone)

Usa I MEK Solvent Liquid 1 qt

A strong, medium drying solvent. It is an active solvent used in epoxies, lacquers, etc. Should only be used where specifically recommended by product manufacturer.

RE05036 $10.98

Solvents / Mineral Spirits

Marpro I Mineral Spirits Liquid 1 qt ...

Recommended thinner for oil based paints, enamels, varnishes and stains. Ideal for brush cleaning.

RE05002 Mineral Spirits Liquid 1 qt $9.75
RE05009 Mineral Spirits Liquid 1 gal $15.95

Solvents / Polypoxy 097 EpoxyThinner

Pettit Marine Paint I Epoxy Thinner 97 1 qt

Allows Polypoxy to flow smoothly but flashes out fast enough to prevent sagging. May be used for brush or spray application.

PE90975 $35.95

Solvents / Reducing Solvents

Interlux I Reducing Solvent 2316N For Spraying 1 qt ...

A slow evaporating solvent to be used in specific two part polyurethane and epoxy products. Ideal for brushing or rolling.

Reducing Solvent 2316N For Spraying 1 qt
IP23165 $25.75
IP23335 Reducing Solvent 2333 For Brush 1 qt $39.85

Solvents / Seahawk Reducers

Sea Hawk I Islands 44 Reducer 1 qt

Designed for hot climates. Islands 44 Reducer should be the only reducer used in Islands 44 Plus. Never thin paint more than 10%.

NN20315 $18.45

Sea Hawk I Hot Weather Reducer 1 qt

Designed for use in Cukote, Tropikote, Biocop and Sharkskin when temperatures are above 85°F. This will cause paint to dry slower in high heat. Never thin paint more than 10%.

NN20355 $21.95

Solvents / Styrene

Clearcote I Styrene Solvent Liquid 1 qt

Thins polyester resin for better wood penetration, thins gelcoat for spraying, use maximum of 25% by weight. Not for use with epoxy products.

JS00015 $16.95

Solvents / Toluene

Whitaker | Toluene Liquid 1 qt

Used for thinning resins, oils and certain primers and topcoats. Soluble in alcohol, not in water. Removes wax, grease, polish and dirt before painting. A medium speed thinner for epoxy resins and paints, acrylics and rubber based paints.

RE05032 $9.95

Solvents / Xylene

Sunnyside | Xylol Xylene Thinner Liquid 1 qt

A clear, odorless, aromatic, hydrocarbon solvent which has excellent solvency characteristics and a medium fast evaporation rate. Used for thinning, synthetic enamels, rubber cement, epoxy, and rubber based paints. Soluble in alcohol and not in water.

RE05027 $10.35

Spray Paints / Accessories

Preval | Spray System ...

The professional portable sprayer: just thin, mix, fill and spray. Each disposable spray gun sprays up to 16oz of product.

P194613 Spray System $7.60
P194621 Preval Power Unit Sprayer Refill $6.25

Spray Paints / All Purpose Enamel's

Crc | Spray Paint Enamel Gloss Black Aerosol 10 oz ...

All-purpose enamel spray paint and primer is a remarkably versatile, general purpose, quick dry, non-fading coating for use in exterior and interior applications. Use CRC all-purpose enamel on wood, metal, glass, masonry, plaster, wicker, pottery, paper and cloth in conjunction with CRC all- purpose enamel primer for highest durability.

CC18005 Spray Paint Enamel Gloss Black Aerosol 10 oz $13.25
CC18006 Spray Paint Enamel Gloss White Aerosol 10 oz $13.25
CC18008 Spray Paint Enamel Flat Black Aerosol 10 oz $13.25

Spray Paints / Engine Paints / Color Vision Enamel

Moeller Marine | Spray Paint Color Vision Neptune ...

Color matched to your engine's original color. Formulated for the marine environment. For use on all outboard and inboard engines, stern drive and lower unit applications. Approved for use up to 250°F.

Spray Paint Color Vision Neptune Black Aerosol 12 oz
TE00203 $11.95
Spray Paint Color Vision Caterpillar Yellow Aerosol 12 oz
TE00214 $11.95
TE00225 Spray Paint Color Vision General Motors Green Aerosol 12 oz $12.95
TE01115 Spray Paint Color Vision Chris Craft Blue Aerosol 12 oz $14.00
TE015211 Spray Paint Color Vision Sea Foam Gloss White Aerosol 12 oz $11.95
TE06972 Spray Paint Color Vision Fuel Tank Red Aerosol 12 oz $12.25
TE06973 Spray Paint Color Vision Volvo Green Aerosol 12 oz $12.95

Osculati | Spray Paint Marine Motor Acrylic Yanma ...

Heat and solvent resistant acrylic lacquer is formulated for the extended staying power boat engines need. Color matched to your engine's original color. For use on all outboard and inboard engines, stern drive, and lower unit applications.

Spray Paint Marine Motor Acrylic Yanmar Grey Aerosol 12 oz
OC5269220 $14.95
TE01258 Spray Paint Engine Acrylic Lacquer Mercury Phantom Black Aerosol 12 oz $10.95

TE06969 Spray Paint Engine Acrylic Lacquer Yamaha Metallic Blue Aerosol 12 oz $10.95
TE07003 Spray Paint Engine Acrylic Lacquer Yamaha Dark Blue Aerosol 12 oz $11.25

Moeller Marine | Engine Spray Paint High Heat Black Aerosol 12 oz ...

Color matched to your engine's color. Formulated for the marine environment. For use on all outboard and inboard engines, stern drive, and lower unit applications. Quick dry formula. Oil and gasoline resistant. High heat 1200°F.

Engine Spray Paint High Heat Black Aerosol 12 oz
ML25806 $18.75
ML25811 Engine Spray Paint High Heat White Aerosol 12 oz $14.75

Spray Paints / Primers

Moeller Marine | Sandable Primer Red Oxide Aerosol 12 oz

For surfaces above the waterline, including bare metal, steel, iron, fiberglass, and wood. Improves bonding of color coat. Helps fight rust.

ML25730 $11.75

Moeller Marine | Sandable Primer Grey Aerosol 12 oz

A quality primer that provides more than twice the rust prevention of enamel alone. Choose between sandable primers, rust preventive and heavy duty rusty metal primers.

ML025740 $11.75

Moeller Marine | Sandable Primer Cold Galvanising Green Aerosol 12 oz

For steel and iron surfaces, especially welded joints, above or below the water line, use Zinc Cold Galvanizing or Zinc Phosphate. This corrosive barrier contains a high percentage (95°) of zinc, for maximum resistance against solvents and abrasions.

ML25800 $12.95

Moeller Marine | Zinc Phosphate Primer, Green

Zinc Phosphate Primer Paint. Ideal for aluminum surfaces above or below the waterline. Etches into the aluminum, forming a strong surface/primer union that is resistant to corrosion. May also be used for steel and iron surfaces, especially welded joints, above or below the water line. This corrosive barrier contains a high percentage (95%) of zinc, for maximum resistance against solvents & abrasions. Provides an excellent resistance to the corrosive marine environment.

ML25802 $13.75

Crc | Instant Galvanize Aerosol 13 oz

Use CRC Instant Galvanize spray coating to fight rust and corrosion. Instant Galvanize sprays a zinc-rich coating that electrochemically bonds to ferrous metals. Provides protection of hot dip galvanize with on the job convenience. It works on scratched or abraded metal surfaces, as well.

CC06054 $17.45

Crc | Spray Primer Enamel Rust Proof Grey Aerosol 15 oz

A quality primer providing more than twice the rust prevention of enamel alone.

CC18150 $17.95

Spray Paints / Rustproof Enamel

Crc | Spray Paint Enamel Rust Proof Yellow Aerosol 15 oz ...

Rust resistant. Premium quality alkyd enamel, and the premier corrosion fighter in the marketplace. It is specifically formulated to resist rusting, peeling and fading. Fights weathering, salt spray and the most severe and demanding industrial conditions.

Spray Paint Enamel Rust Proof Yellow Aerosol 15 oz
CC18101 $17.95

CC18102 Spray Paint Enamel Rust Proof Blue Aerosol 15 oz $17.95
CC18106 Spray Paint Enamel Rust Proof White Aerosol 15 oz $17.95

Topsides / Epifanes / Monourethane Coatings

Epifanes | Monourethane Topcoat One Part White 750 ml ...

Years of testing and on vessel experience has proven this unique finish to be the most advanced, highly engineered, single part formulation, based on urethane alkyd resins, available. It gives incredibly hard urethane abrasion and chemical resistance with outstanding gloss, durability, color retention and U.V. protection.

BM30005 Monourethane Topcoat One Part White 750 ml $48.50
BM31015 Monourethane Topcoat One Part Cream 750 ml $48.50
BM31075 Monourethane Topcoat One Part Bright Blue 750 ml $48.50
BM31085 Monourethane Topcoat One Part Dark Blue 750 ml $48.50

Varnish & Woodtreatments / Deks Olje

Owatrol | Deks Olje D1 Saturating Wood Oil 1 L

Saturating wood oil for tropical woods. Matte finish. Refinishing: Deks Olje D.1 gives a rich transparent finish. All previous finishes must be removed. Wood should be clean and sanded before application. New wood: Sand lightly with #100 paper. Treat oily woods liberally with painter's naphta and allow to dry before application. Application: By brush or roller apply as much D.1 as the wood will absorb. A new coat should be applied every 15 minutes. When the last coat stands for 30 minutes, wipe the excess from the surface. Allow 3 days drying before putting the boat in service or continuing with DEKS OLJE D2.

DS010105 $43.50

Varnish & Woodtreatments / Epifanes

Epifanes | High Gloss Varnish Clear 500 ml ...

Epifanes clear varnish, known around the world, is considered the ultimate in a high gloss finish. This trusted varnish produces beautiful results. Formulated with a high solids content of Chinese tung oil, combined with non yellowing, modified alkyd resins and blended with a perfect balance of UV absorbers. It provides high build and superior gloss, flow and durability. Excellent flexibility and water resistance in all climates. Recommended usage: Exterior or interior, above water. Formulation: Traditional alkyd, 64% solids. Additives: UV inhibitors. Application methods: Brush, roll or spray. Drying Time: Tack free: 4 hrs. overcoat: 24 hrs. Number of coats recommended for bare wood: 7 or 8 coats. Color: Clear amber. Finish: Gloss coverage: 150 to 300sq ft per liter. Ask anyone who has ever used Epifanes High Gloss Varnish and you will learn why it is considered to be the world's best spar varnish.

BM00104 High Gloss Varnish Clear 500 ml $24.50
BM00105 High Gloss Varnish Clear 1000 ml $45.50

Epifanes | Rubbed Effect Varnish Interior 500 ml ...

Epifanes rubbed effect varnish is a quick drying, interior varnish which is resistant to moisture and chemicals, and provides optimum abrasion protection while providing a rich satin rubbed appearance.

BM00102 Rubbed Effect Varnish Interior 500 ml $27.50
BM00106 Rubbed Effect Varnish Interior 1000 ml $49.49

Epifanes | Rapid Clear 750ml

A UV resistant semi-gloss wood finish, based on modified alkyd/urethane resins. The answer for a quick and easy alternative to conventional varnish. For long-term protection and enhancement of all interior and exterior marine and household woods above the waterline. It bonds extremely well to teak and other oily woods, prevents discoloration and emphasizes the natural grain of the wood. Quick drying, excellent breathing properties, flexibility, maximum durability and longevity. To be used as quick drying, building and/or finishing system on all interior and exterior marine and household woods above the waterline. Also suited as quick drying primercoat prior to Epifanes Clear Varnish and Woodfinish Gloss (sand with 220). Maintenance of intact one and two-component varnish systems regardless of brand. Clear, high gloss appearance.

BM00518 $40.75

Epifanes | Rapid Coat Natural Wood 750 ml

Rapidcoat offers quick and easy wood protection without the hassle of sanding between coats. Almost identical to its companion product Rapidclear, the only difference is that Rapidcoat is lightly tinted giving the finish a rich warm color. Can be used for renewing weathered areas prior to applying a varnish system, or as a full system for those requiring a quick and easy semi gloss finish with maximum durability, U.V. protection and longevity. Provides an enhancing coat that bonds extremely well to teak and other oily woods, preventing discoloration and emphasizing the natural grain of the wood. It has great water resistance and flexibility. Only four to five coats need to be applied under most conditions and Rapidcoat can be applied every 5 to 6 hours. Maintenance is easy, simply clean the surface and re apply when needed.

BM00508 $40.75

Epifanes | One-component Orange Yacht Enamel 750 ml

One-component yacht coating based on oil modified alkyd resins. 52 Colors. See Epifanes Color chart. Ultra high gloss. Finishing coat for wood, steel, aluminum and fiberglass in conjunction with the appropriate primers. For interiors and exteriors above the waterline. Absolutely the best for traditional wood construction. Superior flow, gloss and durability. Excellent flexibility and water resistance in all climatic conditions. Fresh and salt water resistant. Vivid color brilliance. Outstanding wet edge and covering properties.

BM60215 $42.75

Epifanes | Polyurethane Varnish Kit Clear Satin Two Part 0.75 L

This two component, interior clear satin varnish has a rich satin sheen and excellent scratch and mechanical resistance. Suitable for all interior woodwork. Highly impervious to alcohol and onboard chemicals.

BM00108 $71.25

Epifanes | Polyurethane Varnish Kit Clear Gloss Two Part 0.75 L

This two component, clear finish varnish has an ultra high gloss finish and is completely clear. It can be used in exterior applications, but it's ideally suited for interior wood that is not subject to environmental expansion and contraction, or woods which are dimensionally stable.

BM00107 $71.25

Containers have flat bottoms for easy mixing. Graduations are provided in both ounce and metric measurements. Containers are solvent resistant and are safe for use with paints, pastes, and adhesives.

EN30916 Mix 'N Measure Container Tall 16 oz $0.95
EN41017 Mix 'N Measure Container 16 oz $0.95
EN41032 Mix 'N Measure Container Tall 1 qt $1.25
EN61086 Mix 'N Measure Container 2.5 qt $2.75
EN809160 Mix N' Measure Container 5 qt $4.45

3m I Plastic Spreader Yellow 4" ...

Dynatron(TM) Yellow Spreaders are long-lasting tools designed for the body repair professional. A special flexible spreading edge makes precise application of body fillers_ putties and glazes a breeze.

JS00344 Plastic Spreader Yellow 4" $1.25
JS00354 Plastic Spreader Yellow 5" $1.60
JS00364 Plastic Spreader Yellow 6" $1.85

Encore Plastics I Container Lid Fits 2.5 qt Containers

Lids prevent accidental spills, keep the paint clean and guard against skimming.

EN61000 $1.35

Gam I Paint Tray Liner Dimpled Plastic White 9"

Fits all standard 9" trays. Dimpled for even loading.

EN02105 $1.55

Encore Plastics I Mini Roller Paint Tray 4"

Solvent resistant. Reusable. 4" paint roller tray, for trim and mini rollers.

EN00512 $1.75

Gam I Roller Paint Tray Recycled Plastic Green 9"

9" economy roller tray.

EN02512 $3.30

West System I Reusable Mixing Sticks Recycable Plastic Black 8/pk

Reusable mixing sticks with one rounded end for filleting and one squared end for reaching mixing pot corners and scraping excess epoxy from surfaces. Wash and reuse.

SH08048 $4.25

Gam I Paint Power Mixer

Quickly mix enamels or antifouling paints. Heavy-duty spinner is for bottom paints. For use with 3/8" or larger drills.

P437749 $6.49

Redtree I Paint Roller Set Mini 4"

RT80040 $9.95

Encore Plastics I Bucket w/Pour Spout Yellow 12 qt

Mop bucket with pour spout.

EN12384 $9.95

Crc I Spray Bottle Trigger Spray 24 oz

CRC Industries 14021 empty trigger bottle.

CC14021 $10.25

Lalizas I Bucket Collapsible PVC 8.5 L

Strong and sturdy PVC fabric bucket with a metal ring around the top to hold it open. Will stand up right when filled with water without collapsing.

LZ99203 $10.95

Shurhold | Grate for Bucket SS02402

Shurhold bucket grate 2402.

SS02402 $14.50

Shurhold | White Bucket 5 gallons

Rope handle eliminates rusty bucket handles. Slightly tapered design allows stacking for compact storage. Fits most Shurhold brushes. Fit Shurhold bucket base. Made in the USA.

SS02451 $27.50

Rubber Bucket

Plastimo Rubber Bucket. Aluminium handle Capacity - 7 litres

PL14054 $32.89

SANDPAPERS & ABRASIVES

Disc Pads / Hookit

3m | Stikit Disc Pad 6" Medium EXT 5/8-24

Designed with a tough durable foam body for long pad life. Pad has 45 degree tapered edge for ease of sanding on contoured surfaces.

MM05576 $57.25

3m | Hookit Disc Pad 6" EXT 5/16-24

This disc pad is the other half of the hookit system. Light weight, shock resistant and well balanced.

MM35776 $59.75

3m | Stikit Disc Pad 8" Medium INT 5/8-11

Use with slow speed polisher/grinder. Ideal for use with fine grade abrasives for sanding primer on conformable surfaces.

MM05579 $105.75

3m | Hookit Backup Pad 7"

3M Hookit Backup Pad, 05717, 7 in x 3/4 in 5/8-11, 1 per case. Hookit Back-up pad allows for easy attachment, quick removal and accurate centering of single sided compounding or polishing pads.

MM05717 $109.50

Disc Pads / Polishing

3m | Wool Blend Buffing Pad Single Sided 9"

Single Sided Blended wool compounding pad used to refine P1200 and finer sand scratches and other paint surface defects. For use with 3MÖ Compounds and 3MÖ HookitÖ back up pads, PNs 05717 or 05718. Proven performer. Single Sided. Blended Wool. Use with 05717 or 05718 back up pad.

MM05711 $33.95

3m | Wool Polishing Pad Single Sided Yellow 9"

Single Sided Yellow Blended Wool Polishing Pad; removes compound swirl marks and fine paint surface defects. Use with 3M Machine Polishes and 05717 or 05718 3M Hookit Back Up Pad. Proven performer.

MM05713 $36.95

3m | Perfect-It Ultrafine Foam Polishing Pad Single Sided Inset 8"

Foam pad helps eliminate swirl marks on painted surfaces, even on difficult dark colors. Use this pad with Ultrafina SE (3M 06068 or 3M 06069) as a paint finishing step after swirl mark remover. The inset design provides for easy centering during attachment and edge protection during use.

MM05733 $39.95

3m | Superbuff 2+2, 9" Double-sided Compounding P ...

Double Sided Blended Wool Compounding pad used to refine P1200 and finer sand scratches and other paint surface defects. For use with 3MÖ Compounds and 3MÖ Adaptor, 05710. Proven performer.

Superbuff 2+2, 9" Double-sided Compounding Pad, Wool & Acrylic Blend
MM05704 $60.50

Grinding Discs - Rhynofib

Rhynofibre | Rhynofirbre Grinding Disc "A" 5" 16 Grit ...

For machine grinding of metalwork. Durable polyester fibre backing. High strength resin eliminates grit shredding. High initial cutting action. Anti clog coating extends working performance.

RY100016	Rhynofirbre Grinding Disc "A" 5" 16 Grit	$3.89
RY100024	Rhynofirbre Grinding Disc "A" 5" 24 Grit	$3.50
RY200016	Rhynofirbre Grinding Disc "A" 7" 16 Grit	$5.85
RY200024	Rhynofirbre Grinding Disc "A" 7" 24 Grit	$5.35

Hookit - Rhynogrip

Rhynogrib I Rhynogrip Hook & Loop Sanding Disc 6" 120 Grit ...

For and finishing of fillers, stoppers and primers. Fine sanding of primers, scuffing and rectifying clear coats. Sanding and finishing of composite materials. Sanding and finishing of wooden surfaces and wood coatings. Very good stock removal. Extra flexibility in the finer grits. Adaptable to shapes, edges and contoured surfaces. Anti-clogging lubricant layer. Longer life. Superior finish. High performance on hard materials. Nylon grip system.

Hookit / Abrasive Gold Form Sheets

3m I Purple Hookit File Sheet 220C Grade 4 1/2" x 30" ...

Designed for dry sanding. All the above sheets are 4 1/2" x 30" and feature the convenient hook & loop attachment system for Hookit fairing boards.

Purple Hookit File Sheet 220C Grade 4 1/2" x 30"
MM02631 $10.98

Purple Hookit File Sheet 180C Grade 4 1/2" x 30"
MM02632 $10.95

MM02633	Purple Hookit File Sheet 150C Grade 4 1/2" x 30"	$9.45
MM02634	Purple Hookit File Sheet 120C Grade 4 1/2" x 30"	$10.95

Hookit / Abrasive Regalite Sheets

3m I Purple Hookit File Sheet 80E Grade 4 1/2" x 30" ...

Green Corps Regalite sanding sheets have a special mineral coating bonded to durable "E" weight. Backing is designed to last long & cut fast.

Purple Hookit File Sheet 80E Grade 4 1/2" x 30"
MM02638 $11.79

Purple Hookit File Sheet 60E Grade 4 1/2" x 30"
MM02639 $11.95

MM02640	Purple Hookit File Sheet 40E Grade 4 1/2" x 30"	$12.50

Hookit / Fairing Boards 4 1/2&quot

3m I Hookit Marine Fairing Board 4 1/2" x 30"

Rigid fairing board designed for fairing, shaping, sanding and finishing boats, plugs and molds. Durable, lightweight construction that combines worker comfort and getting desired results quickly. Utilize 4 1/2" x 30" Hookit sheets.

MM83497 $87.75

3m I Hookit Marine Fairing Board Flexible 4 1/2" x 30"

Flexible fairing board designed for fairing, shaping, sanding and finishing boats, plugs and molds. Durable, lightweight construction that combines worker comfort and getting desired results quickly. Utilize 4 1/2" x 30" Hookit sheets.

MM83978 $91.95

Hookit / Hand File Boards

3m I Hookit Hand Fairing Board 2 3/4" x 16"

Firm plastic block with easy release hook face. Use with Hookit abrasives sheets 2 3/4" x 16 " for leveling of repair area. Provides a non-twisting flat sanding surface and a durable shop tool that resists most solvents. Embossed face allows easy attachment and removal of file sheet.

MM05744 $79.15

Hookit / Hookit Sheets

3m I Green Corps Hookit Regalite File Sheet 60E Grade 2 3/4" x 16 1/2"

High performance aluminum oxide cuts fast, lasts a long time, resists loading and leaves a consistent finish. Use these products with a soft interface pad to scuff sand before painting. Use them to remove runs, dust nibs and excess orange peel from topcoat finishes before repainting or buffing. Discs are easy to remove from backup pads. They are faster and easier to use than scuffing pads, and there's none of the dry time you get with wet sanding. 3M's Finishing Film discs have a super fine abrasive that levels surface imperfections like dust nibs, orange peel, and paint runs between coats.

MM00540 $2.55

Hookit / Imperial Hookit Discs

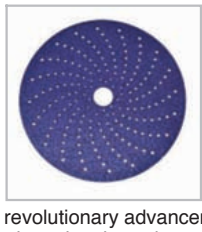

3m I Purple Clean Sanding Hookit Disc 5" P500C Grit ...

3M purple 5" clean sanding Hookit discs use a unique, precisely designed hole pattern which dramatically improves disc performance and dust extraction. This innovative, 3M abrasive is the first to use the logarithmic spiral design in conjunction with premium abrasive construction, resulting in the best performing abrasive available on the market. This pattern features hundreds of holes for better dust extraction and less loading. These discs last two to three times longer than standard discs, thus increasing productivity whilst saving time and money.

MM30472	Purple Clean Sanding Hookit Disc 5" P500C Grit	$1.40
MM30475	Purple Clean Sanding Hookit Disc 5" P320C Grit	$1.40

Cubitron II Clean Sand Hookit 6" Disc 80+ Grit ...

Triangular-shaped grain (right image) is electrostatically oriented to form sharp peaks, each acting like individual cutting tools that slice through paint and body filler, wear evenly, and provide long life and consistency. For speed, comfort and long life, nothing else comes close to the power of 3MÖ CubitronÖ II Abrasive Discs. Use for fine featheredging, last final sanding step before priming, or prepping before blending. 3MÖ CubitronÖ II Clean Sanding Discs are a revolutionary advancement in automotive abrasive technology. They feature triangular shaped ceramic mineral that: Cuts 30% faster than premium abrasives. Lasts up to twice as long. Delivers a finer, more uniform finish.

MM31366 $1.80

MM31367	Cubitron II Clean Sand Hookit 6" Disc 12+ Grit	$1.50

3m | Hookit Finishing Film Dust Free Disc 5" P600 Grit

High performance aluminum oxide cuts fast, lasts a long time, resists loading and leaves a consistent finish. Use these products with a soft interface pad to scuff sand before painting. Use them to remove runs, dust nibs and excess orange peel from topcoat finishes before repainting or buffing. Discs are easy to remove from backup pads. They are faster and easier to use than scuffing pads, and there's none of the dry time you get with wet sanding. Five holes for dust-free sanding. Use for scuffing the blend area before painting.

MM01055 $1.95

3m | Purple Hookit Disc 5" 40 Grit

For hard to remove areas, use this 3m hookit knowing this disc will out preform the others.

MM01729 $3.00

Hookit / Sanding Discs 6"

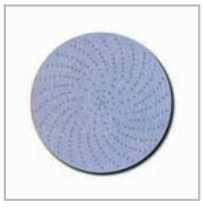

3m | Hookit Blue Abrasive Disc 6" 120 Grit

Blue abrasives' engineered ceramic mineral blend delivers best-in-class cut and life. The anti-loading design and the universal multi-hole pattern boost dust extraction. The overall result is extended disc life, improved productivity and a cleaner work environment. - 3M Blue Abrasives cut fast with consistent results. They are constructed with a blend of premium aluminum oxides and long-wearing synthetic ceramic mineral abrasive particles that cuts through paint and body filler with consistent results every time. Use the coarser gades for repairs and working with body fillers. Use the finer grades for featheredging around repair areas as well as for primer sanding when prepping for paint. - New Multi-Hole Pattern captures dust to reduce loading and also improves vacuum dust extraction over 6 and 7 hole patterns. The Multi-Hole Pattern also significantly extends the life of the disc. Hole pattern matches that of Festool Disc Pads. - Cuts fast with consistent performance. Stearate coating further reduces loading for improved performance. Upgraded bonding resins improve durability. Improves dust extraction efficiency compared to 6 and 7 hole patterns. Special guide holes in the disc [...] more at islandwaterworld.com

MM36174 $1.50

3m | Purple Clean Sanding Hookit Disc 334U 6" P320C Grit ...

3M purple 6" clean sanding Hookit discs use a unique, precisely designed hole pattern which dramatically improves disc performance and dust extraction. This innovative, 3M abrasive is the first to use the logarithmic spiral design in conjunction with premium abrasive construction, resulting in the best performing abrasive available on the market. This pattern features hundreds of holes for better dust extraction and less loading. These discs last two to three times longer than standard discs, thus increasing productivity whilst saving time and money.

They feature triangular shaped ceramic mineral that : Cuts 30% faster than premium abrasives. Lasts up to twice as long. Delivers a finer, more uniform finish.

MM31371 $2.25

3m | Hookit Finishing Film Disc 6" P1000 Grit ...

Gold abrasives are precision coated with high quality minerals and resins to deliver longer-lasting discs that cut through a variety of surfaces - including paint, primer, fiberglass, metal and SMC. 3M Gold abrasives produce uniform, consistent finishes.

MM00969 Hookit Finishing Film Disc 6" P1000 Grit $2.40
MM00971 Hookit Finishing Film Disc 6" P600 Grit $2.25
MM00978 Hookit Gold Disc 216U 6" P220A Grit $1.35

3m | Purple Finishing Film Hookit Disc 6" P1200 Grit

High performance aluminum oxide cuts fast, lasts a long time, resists loading and leaves a consistent finish. Use these products with a soft interface pad to scuff sand before painting. Use them to remove runs, dust nibs and excess orange peel from topcoat finishes before repainting or buffing. Discs are easy to remove from backup pads. They are faster and easier to use than scuffing pads, and there's none of the dry time you get with wet sanding. Levels orange peel, dust nibs or paint runs in all types of automotive paints. Appropriate for light sanding on refinish lacquer.

MM30668 $2.65

3m | Green Corps Hookit Regalite Disc 6" 80E Grit ...

Green Corps products are made with a blend of abrasives including our high performance ceramic abrasive grain. Cubitron mineral provides increased abrasive life and a faster cut rate when used on plastic filler. D and E weight backing makes these abrasive products extremely durable for sanding paint, metal, or fiberglass. Open coat construction reduces loading on fresh filler. Use for shaping plastic filler, removing paint around damaged areas and scratch refinement of bare metal.

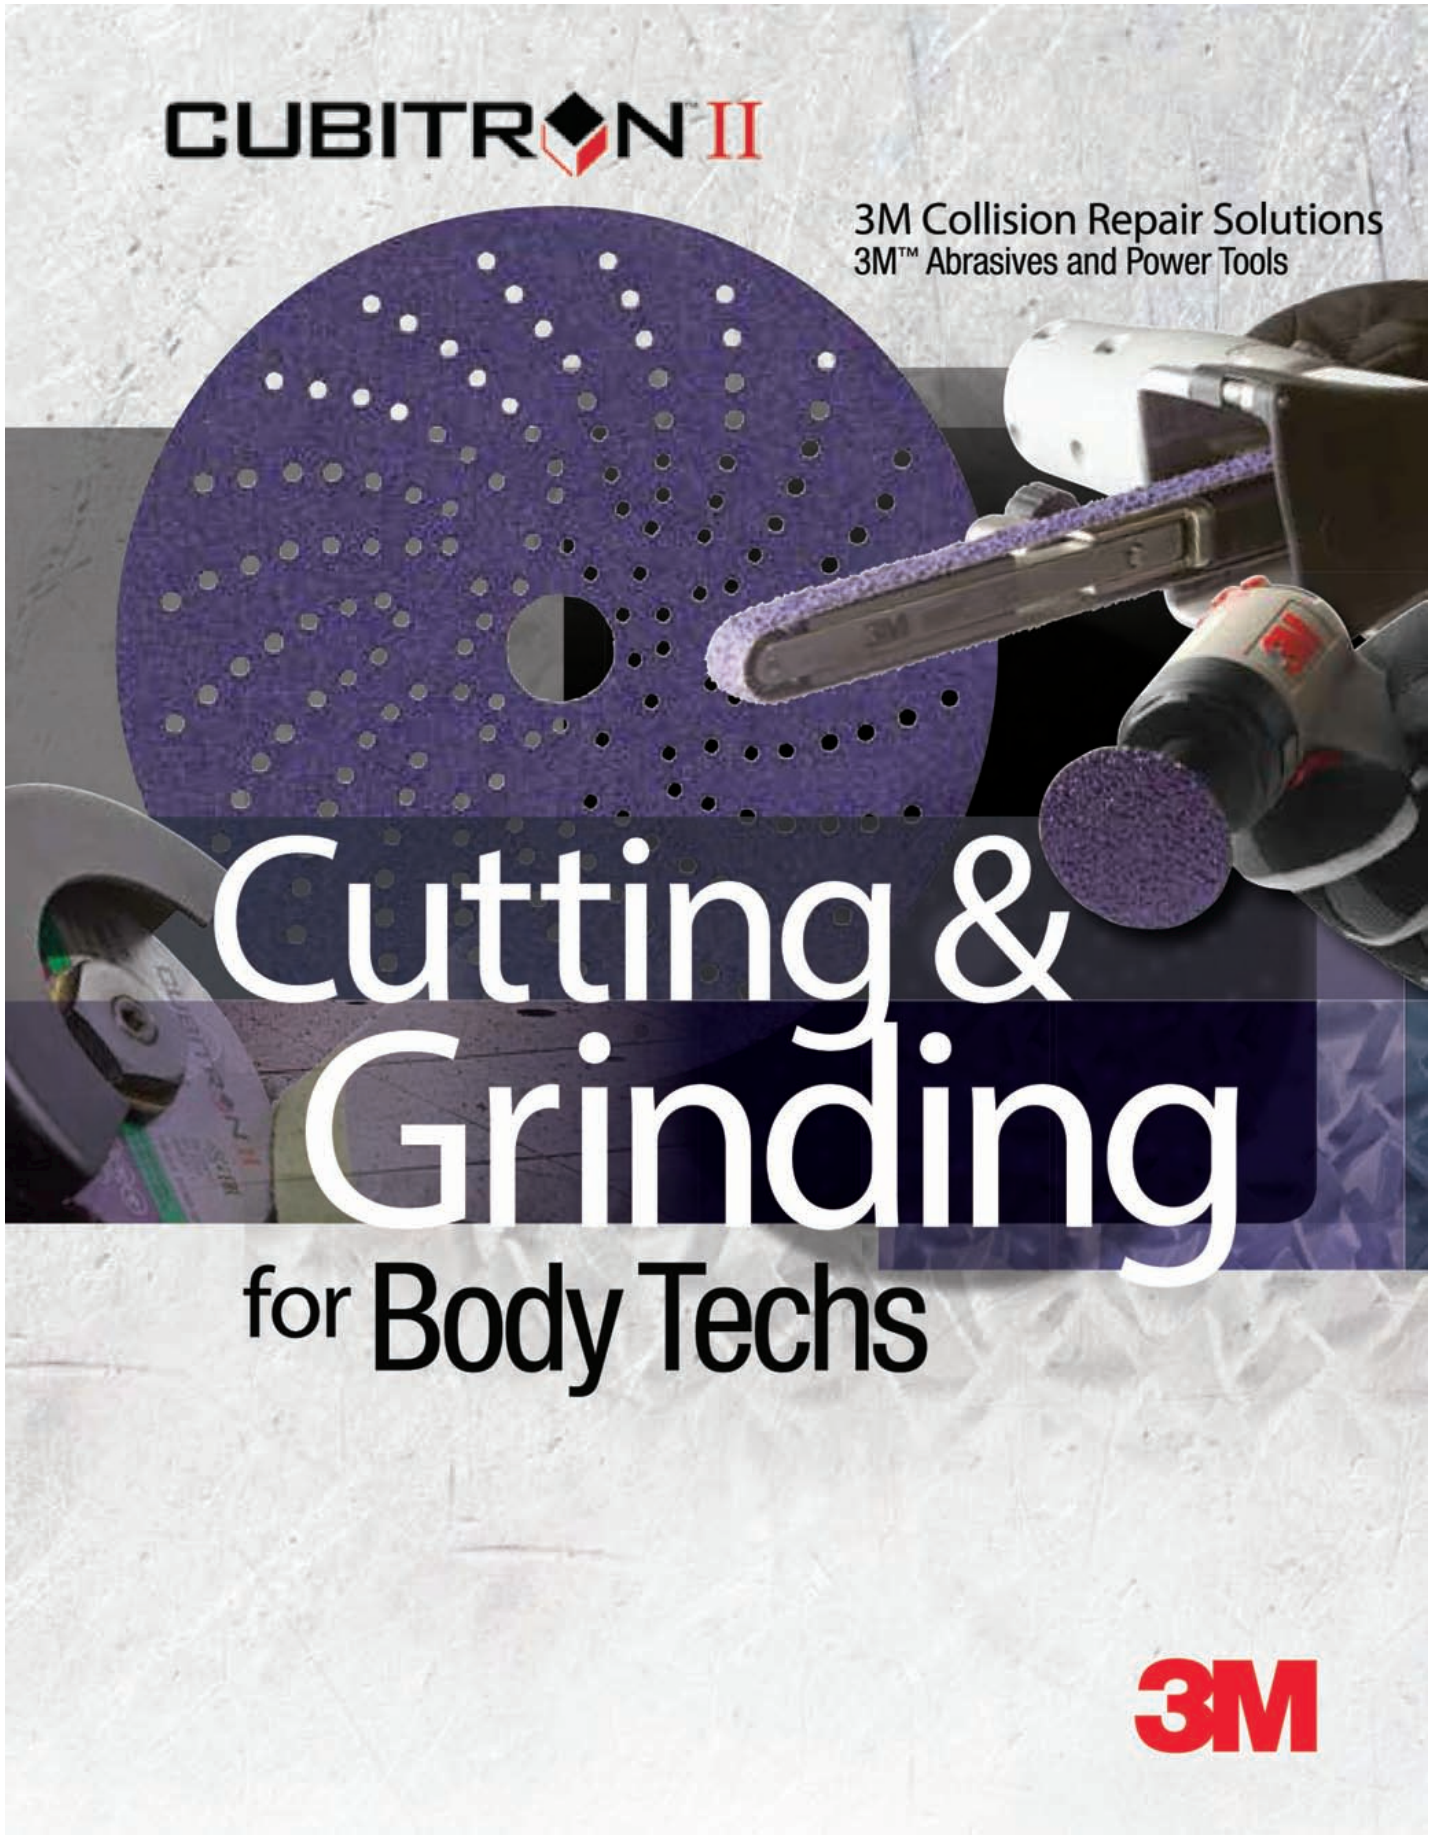

MM00512 Green Corps Hookit Regalite Disc 6" 80E Grit $3.15
MM00513 Green Corps Hookit Regalite Disc 6" 60E Grit $3.55
MM00515 Green Corps Hookit Regalite Disc 6" 40E Grit $3.95

3m | Cubitron II Clean Sand Hookit 6" Disc 180+ Grit

Use these 180+ grade discs for sanding plastic filler, rough featheredging or final sanding step before priming.

MM31374 $3.25

CUBITRON II
3M Collision Repair Solutions
3M™ Abrasives and Power Tools
Cutting & Grinding

Stikit / Abrasive Gold Sheets

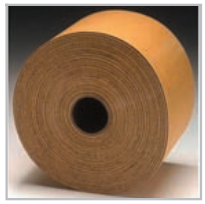

3m I Stikit Gold Sheet Roll P400A Grade 2 3/4" x 45 yds

Our 3MÖ StikitÖ Gold Sheet Roll 216U features continuous lengths of A-weight paper, easily cut to size to greatly reduce product waste. Aluminum oxide mineral abrasive delivers a sharp cut and uniform finish during collision repair. These sheet rolls feature StikitÖ adhesive backing, making them exceptionally fast and easy to attach and remove using power or hand sanding equipment.

MM02689 $0.85

3m I Stikit Gold Sheet Roll P180A Grade 2 3/4" x 45 yds ...

Coated aluminum oxide abrasive with pressure sensitive adhesive backing. Cut to desired length for vibrator sanders, fairing boards & sanding blocks.

Stikit Gold Sheet Roll P180A Grade 2 3/4" x 45 yds
MM02595 $0.85

Stikit Gold Sheet Roll P100A Grade 2 3/4" x 30 yds
MM02598 $1.25
MM02604 Sanding Sponge Softback Fine $4.10

MM02698 Stikit Gold Sheet Roll P80A Grade 4 1/2" x 20 yds $1.95

Stikit / Hand File Boards

3m I Stikit Hand Fairing Board 2 3/4" x 16"

A well-balanced, durable tool that is resistant to most solvents. It has a sturdy design that provides a non-twisting, flat sanding surface. The board has an embossed rubber face that allows adhesion release when used with Stikit sheets. 2 3/4" x 16 1/2".

MM05444 $84.35

Stikit / Imperial Purple Sheets

3m I Purple Stikit File Sheet 40E Grade 2 3/4" x 16 1/2"

2 3/4" x 16 1/2" sheets, purple in color with a heavy paper backing. A tough mineral designed to go down to bare metal. Sheets are constructed with a PSA for easy application and removal. Applications for 36E and 40E are rough shaping plastic filler and stripping paint down to metal.

MM00393 $2.85

Stikit / Resin Bond Sheets

3m I Green Corps Stikit Production File Sheet 80E ...

Pressure sensitive adhesive backing for easy application & removal from tool face. Special mineral coating provides for fast cutting abrasive life. Application & removal from tool face. Special mineral coating provides for fast cutting abrasive life.

Green Corps Stikit Production File Sheet 80E Grade 2 3/4" x 16 1/2"
MM02230 $1.65

MM02232 Green Corps Stikit Production File Sheet 36E Grade 2 3/4" x 16 1/2" $2.40

Stikit / Sanding Discs / Resin Bond

3m I Green Corps Stikit Production Disc 6" 40E Grit ...

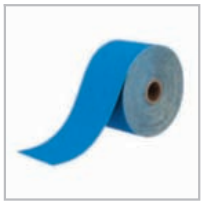

Green Corps products are made with a blend of abrasives including 3M's high performance ceramic abrasive grain which provides increased abrasive life and a faster cut rate when used on plastic filler. D and E weight backing makes these abrasive products extremely durable for sanding paint, metal, or fiberglass. Open coat construction reduces loading on fresh filler Use for stripping paint to metal, shaping and sanding plastic filler.

MM01547 Green Corps Stikit Production Disc 6" 40E Grit $3.20
MM01548 Green Corps Stikit Production Disc 6" 36E Grit $3.20
MM01549 Green Corps Stikit Production Disc 8" 80D Grit $4.10
MM01550 Green Corps Stikit Production Disc 8" 40E Grit $5.25
MM01551 Green Corps Stikit Production Disc 8" 36E Grit $5.80
MM01552 Green Corps Stikit Disc 255U 8" 24E Grit $4.15
MM01556 Green Corps Stikit Disc 255U 8" 60E Grit $4.25

Stikit / Sanding Discs / Stikit Blue

3m | Stikit Blue Abrasive Sheet Roll Grade 80 2.75" x 45yds ...

Best-in-class performance with the right balance of ceramic grain and aluminum oxide. Anti-loading coating helps prevent dust and debris from clogging the surface. Upgraded resins improve durability and finish. Adhesive-backed 3M Stikit Sheets are easy to attach and remove. Roll easily tears off at desired length for use with various block sizes. From body repair to paint prep, 3MÖ Blue Abrasives are all you need. Engineered with a ceramic mineral blend, 3M Stikit Blue Abrasive Sheet Rolls deliver best-in-class performance for a full range of automotive sanding applications. The roll tears easily to make sizing fast and easy for exactly what you need.

MM36217 Stikit Blue Abrasive Sheet Roll Grade 80 2.75" x 45yds $0.55
MM36222 Stikit Blue Abrasive Sheet Roll Grade 220 2.75" x 45yds $0.50

3m | Stikit Blue Abrasive Sheet Roll Grade 320 2.75" x 45yds

These 320 grade sheet roll s are used for featheredging and primer sanding. Finer finish and long lasting abrasive sheet roll for featheredging and primer sanding. StikitÖ backing for quick and easy pad attachment. Engineered ceramic mineral blend provides best-in-class performance using exactly the right balance of ceramic grain and premium aluminum oxide. Anti-loading coating improves abrasive life while upgraded resins improve durability and finish. Convenient sheet roll format to match sheet length to sanding block.

MM36225 $0.70

3m | Stikit Blue Abrasive Disc Roll 6" 220 Grit ...

3M Blue Abrasives are your go-to workhorse for the entire shop. - Built with a 3M engineered ceramic mineral blend, Blue Abrasives deliver best-in-class cut and life. - Our anti-loading design and the available universal multi-hole pattern extend the life of the abrasive for consistent performance. - A full line of discs and sheets is available in an array of sizes and grades for use throughout the repair process. Available in 3MÖ HookitÖ and StikitÖ attachment systems - from body repair to paint prep, BLUE is all you need.

MM36207 Stikit Blue Abrasive Disc Roll 6" 220 Grit $0.95
MM36210 Stikit Blue Abrasive Disc Roll 6" 320 Grit $0.95
MM36211 Stikit Blue Abrasive Disc Roll 6" 400 Grit $0.95

MM36204 $0.95

Stikit / Sanding Discs / Stikit Gold

3m | Stikit Gold Disc Roll 6" P80C Grit ...

Stikit gold discs have a strong "C" weight backing that provides excellent support for a tough and durable aluminum oxide mineral. These discs are aggressive, sharp, fast cutting and long lasting. The non-staining free-cut resists loading and the pressure-sensitive adhesive, ensures excellent, adhesion to Stikit pads. Excellent for gel coat, wood and plastic applications.

MM86468 Stikit Gold Disc Roll 6" P80C Grit $1.05
MM86469 Stikit Gold Disc Roll 6" P100C Grit $0.95

3m | Stikit Imperial Disc Roll 8" P120F Grit ...

A tough and durable aluminum oxide mineral, bonded with a full heat resistant resin to a strong "F" weight backing. The backing provides excellent shelling and tear resistance, thus increasing the life and performance of the disc. Excellent for scratch refinement after coarse sanding.

MM21785 Stikit Imperial Disc Roll 8" P120F Grit $2.60
MM21787 Stikit Imperial Disc Roll 8" 80F Grit $2.80
MM21788 Stikit Imperial Disc Roll 8" 60F Grit $3.25
MM21789 Stikit Imperial Disc Roll 6" 180F Grit $1.45
MM21791 Stikit Imperial Disc Roll 6" P120F Grit $1.50
MM21793 Stikit Imperial Disc Roll 6" 80F Grit $1.55
MM21794 Stikit Imperial Disc Roll 6" 60F Grit $1.75

SEALANT,ADHESIVE,COMPOUND

Accessories

Debond Corp | Marine Formula Liquid 4 oz

Marine FormulaÖ is a specially formulated, patented mixture that cleans and removes adhesives and sealants used on and in the boat.

DN000051 $23.49

Sika | Primer 209D Black Liquid 250 ml

A black, moisture sensitive liquid for the pretreatment of acrylic, polycarbonate, and painted surfaces prior to bonding with Sikaflex ® products.

SI209950 $57.95

Adhesives / 3M

3m | Weather Strip And Gasket Adhesive Tube 5 oz

A strong, flexible, rubbery adhesive that can withstand vibration, oil, grease, and extreme temperature variations. It can be used to bond weather stripping to car doors, trunks, T-tops, moon roofs and sun roofs. Excellent adhesive for holding paper, cork, or rubber gaskets in place during installation.

MM08001 $11.69

3m | 5200 Adhesive Sealant White Tube 3 oz ...

High performance polyurethane adhesive/sealant becomes tack free in 48 hours, and cures completely in 5-7 days. Retains its strength below & above the waterline. Stays flexible allowing for structural movement. Excellent resistance to weathering & salt water. Remains workable with trowel or spatula for up to 4 hours after application. Won't sag or flow in vertical or horizontal seams. Available in white or black.

MM05203 5200 Adhesive Sealant White Tube 3 oz $19.90
MM05205 5200 Adhesive Sealant Black Tube 3 oz $19.95
MM05206 5200 Adhesive Sealant White Tube 1 oz $11.55

3m I 4200 Adhesive Sealant Fast Cure White Tube 3 oz ...

A one-part, general all-purpose polyurethane that chemically reacts with moisture to deliver flexible bonds with good adhesion to wood, fiberglass, gelcoat, plastics and metals. Paintable and sandable. Forms watertight, weather-resistant seals on joints and boat hardware above and below the waterline. Not recommended for sealing wood decks. Note: For very high strength or irremovable bonds, use 3M 5200 sealant.

MM05260 4200 Adhesive Sealant Fast Cure White Tube 3 oz $20.55
MM05280 4200 Adhesive Sealant UV Fast Cure White Tube 3 oz $18.95

3m I Feathering Disc Adhesive Type II Tube 5 oz

Specially formulated to allow multiple disc applications without adhesive build up or paper delimitation. Discs remove easily and cleanly.

MM08051 $20.95

3m I 5200 Adhesive Sealant Fast Cure White Tube 3 oz

Fast cure - tack free 1 hour, cured 24 hours.

MM05220 $22.95

3m I General Trim Adhesive Clear Aerosol 18 oz

Fast drying high strength adhesive designed for bonding most types of trim used in boats, except unsupported vinyl. Excellent for fabric, upholstery foam, carpets. Good heat resistance.

MM08088 $28.95

3m I 5200 Adhesive Sealant White Cartridge 10 oz ...

High performance polyurethane adhesive/sealant becomes tack free in 48 hours, and cures completely in 5-7 days. Retains its strength below & above the waterline. Stays flexible allowing for structural movement. Excellent resistance to weathering & salt water. Remains workable with trowel or spatula for up to 4 hours after application. Won't sag or flow in vertical or horizontal seams. Available in white, black, tan and mahogany.

MM06500 5200 Adhesive Sealant White Cartridge 10 oz $29.95
MM06504 5200 Adhesive Sealant Black Cartridge 10 oz $32.98

3m I Super Trim Adhesive Yellow Aerosol 19 oz

A fast acting, high strength, aerosol contact adhesive designed for two-surface application. Resistant to heat and plasticizing oils and excellent for attaching vinyl, insulation, foam, padding and rubber parts to metal and other surfaces. Bonds can be made within minutes of application or as long as one hour later.

MM08090 $33.95

3m I 4200 Adhesive Sealant UV Fast Cure White Cartridge 10 oz ...

A one part, general all purpose polyurethane that chemically reacts with moisture to deliver flexible bonds with good adhesion to wood, fiberglass, gelcoat, plastics and metals. Paintable and sandable. Forms watertight, weather-resistant seals on joints and boat hardware above and below the waterline. Note: For very high strength or irremovable bonds, use 3M 5200 sealant. Not recommended for sealing wood decks. -

MM06560 4200 Adhesive Sealant UV Fast Cure White Cartridge 10 oz $33.95
MM06564 4200 Adhesive Sealant UV Fast Cure Black Cartridge 10 oz $33.95

3m I Super 77 Spray Adhesive Aerosol 16 oz

An aggressive high tack, high coverage, fast drying, transparent adhesive. Convenient, long bonding range, transparent adhesive for permanently attaching foils, carpeting, foams, paper, wood, metals etc.

MM21210 $35.95

3m I 5200 Adhesive Sealant Fast Cure White Cartridge 10 oz

Fast cure - tack free 1 hour, cured 24 hours

MM06520 $39.25

Adhesives / Boatlife

Boatlife I Life Seal Sealant Clear Tube 1 oz ...

Fast curing polyurethane, silicone adhesive sealant. Designed specifically for fiberglass boats. Permanently flexible, non shrinking. Outstanding adhesion to fiberglass, plastic metal and wood. Fast skinning (10 minutes) fast curing (24 hours). Can be used above or below the waterline.

BL01109 Life Seal Sealant Clear Tube 1 oz $9.95
BL01160 Life Seal Sealant Clear Tube 3 oz $14.25
BL01161 Life Seal Sealant White Tube 3 oz $14.25
BL01169 Life Seal Sealant Clear Cartridge 10 oz $26.75

Dap I Weldwood Contact Cement Liquid 3 oz ...

Contact Cement is a multi purpose, neoprene rubber adhesive that forms instant, high strength bonds on a variety of surfaces and has excellent water resistance. Forms strong bonds on contact to eliminate the need for clamps, temporary fasteners and long set times.

Y131012 Weldwood Contact Cement Liquid 3 oz $7.25
Y131066 Weldwood Contact Cement Liquid 1 pt $15.85
Y131067 Weldwood Contact Cement Liquid 1 qt $19.95
Y142103 Weldwood Contact Cement Liquid 1 gal $63.55

Jb Weld I MarineWeld Epoxy Compound Two Part Tube 1 oz each

Marine Weld is as strong as steel, and is water and weather proof. It's impervious to saltwater, chemcials, oil, acids and other corrosive materials. Marine Weldwill bond to virtually any clean, dry surface including: iron, steel, copper, aluminum, brass, bronze, pewter, porcelain, ceramic, marble, glass, concrete, fiberglass, wood, some plastics, and many more. MIxed at room temperature (70F), Marine Weld will set in 4-6 hours, and cure in 16-24 hours. Marine Weld is so versatile that is used by marine science to mend the shells of turtles injured by boat propellers.

F022152 $8.95

Elmer's I Carpenter's Wood Glue Weather-Tite 16 oz

Specifically formulated for wood, this glue grabs fast but allows repositioning. It can be painted, will not gum up from heat when sanded or sawed, cleans up with water, is non flammable, non toxic and has no harmful fumes.

F021016 $10.05

Adhesives / Sikaflex

Sika I Sikasil G White Silicone, 300ml Cartridge

Sika Sikasil SG20 High Strength Structural Silicone Adhesive. Often specified for very high profile building works, this reliable and industrial structural glazing sealant is highly recommended for bonding of solar modules and other high-demanding industrial applications with outstanding UV and weathering resistance. Fire rated (EN 11925-2 / DIN 4102-B1). Bonds excellent to glass, metals, coated metals, plastics and wood. Sikasil« SG-20 is a neutral-curing silicone adhesive. Cures with atmospheric moisture. Combines mechanical strength with high elongation.

SI200000 $12.98

Sika I Sikaflex 291i Marine Adhesive Sealant White Cartrige 300 ml ...

Excellent sealer, may be used for many light duty bonding applications, and is designed for above and below waterline use. It is a one component, low viscous, medium modulus, polyurethane based sealing/adhesive compound. Fast cure for quick jobs.

Sikaflex 291i Marine Adhesive Sealant White Cartrige 300 ml
SI291521 $19.25

SI291523 Sikaflex 291i Marine Adhesive Sealant Black Cartrige 300 ml $19.25

Sika I Sikaflex 295UV Adhesive Sealant Black Cartrige 300 ml ...

HAZMAT

Sikaflex ®295 UV marine window sealant and adhesive has been specially formulated for marine applications where resistance to direct sunlight is required. It has also been designed for bonding polycarbonate or acrylic windows or hatches.

Sikaflex 295UV Adhesive Sealant Black Cartrige 300 ml
SI00001 $21.50

SI295000 Sikaflex 295UV Marine Adhesive Sealant White Cartridge 300 ml $21.95

Sika I Sikasil SG-20 Black Structural Silicone Adhesive, 300ml Cartridge

Sikasil SG-20 is a neutral curing silicone adhesive, which combines mechanical strength with high elongation. It adheres to a wide range of substrates. - Sikasil SG-20 can be used for structural sealant glazing, bonding of solar modules and other high demanding industrial applications. Outstanding UV and weathering resistance. Excellent adhesion to glass, metals, coated metals, plastics and wood . Color: black.

SI107819 $25.50

Sika I Aktivator 205 Primer Clear 250 ml Bottle

HAZMAT

Sika Aktivator 205 Clear Cleaner is an adhesion promoting solution that is used for pretreatment of surfaces before sealing or bonding with Sikaflex products. It can be used on most substrates such as plastics, metal, paints, and lacquer finishes for a weather-resistant bond.

SI425180 $28.95

Sika I Marine Multiprimer 250ml ...

HAZMAT

Sika MultiPrimer Marine is used to improve the adhesion of Sikaflex adhesives on many substrates such as , wood (teak, mahogany, oregon pine and cork), metals such as aluminum and galvanized steel, plastics and paint-primed substrates. This primer is also suitable to enhance the adhesion of Sikasil sealants and adhesives on porous and nonporous substrates.

SI184779 Marine Multiprimer 250ml $50.25
SI407940 Sika Marine Multiprimer 30ml $21.50

Boatlife I Super Slick Sealant Smoother 30 ml

Super Slick Sealant Smoother is a new innovative product that aids in the finger tooling of caulks and sealants. Easy to use. Also, allows excess sealant to be easily removed from fingers. Safe to use on all BoatLIFE« sealants.

BL01023 $13.50

Boatlife I Life Calk Sealant White Tube 2.8 oz ...

This one part Thiokol base polysulphide sealant cures to a positive waterproof seal. Resists oil, gas, brine, water, weather and most chemicals. Stays seaworthy for years and years. Bonds to wood, fiberglass, metal and glass. No priming required except on oily woods such as teak.

BL01030 Life Calk Sealant White Tube 2.8 oz $16.45
BL01031 Life Calk Sealant Black Tube 2.8 oz $16.45
BL01033 Life Calk Sealant White Cartridge 10 oz $30.45
BL01034 Life Calk Sealant Black Cartridge 10 oz $30.45

Boatlife I Teak Deck Sealant Black Cartridge 10 oz

A revolutionary deck sealant. This 24 hour curing system is sand able and especially designed for teak deck seams. No priming necessary. Tack free in 30 minutes.

BL01252 $25.95

Boatlife I Liquid Life Seal Clear, 5.2oz Cartridge

Has same outstanding properties as Life Seal Sealant. Self leveling liquid formula for sealing fine cracks and seams. UV resistant. 24-hour cure. Perfect for plastic windshields.

BL01159 $30.75

Sealants / Others

Permatex I Form A Gasket No. 1 Sealant Tube 3 oz

Fast drying, hard setting sealant designed for sealing rigid materials and flanges, or patching holes and joints where permanent assembly is desired. Temperature range -65°F to 400°F (-54°C to 204°C), resists common shop fluids and fuels.

Y535160 $6.70

Jb Weld I Hi-Temp Red Silicone Gasket Maker & Sealant 3 oz

100 percent silicone. Temperature resistant up to 650 degrees. Made in USA. Set time 1 hour. Acetoxy technology.

JW31314 $6.95

Permatex | Form A Gasket No. 2 Sealant Tube 3 oz

Slow drying, non hardening sealant designed for sealing cut gaskets and stamped parts. Allows for easy disassembly if required. Temperature range -65°F to 400°F (-54°C to 204°C), resists common shop fluids and fuels. Use where sealing is more important than adhesion.

Y535165 $7.35

Red Devil | 100% Silicone Sealant Clear Cartridge 10.1 oz

100% Silicone Sealant is a superior quality, multi purpose formula that provides long lasting, weather resistant seals. It offers excellent adhesion, flexibility and durability and can be used on a variety of surfaces indoors or outdoors.

Y168100 $8.25

Red Devil | Foam & Fill Polyurethane Aerosol 20 oz ...

Triple expanding polyurethane foam sealant, insulates and seals out drafts, moisture and pests. Fills holes, cracks, and gaps to form an airtight, waterproof bond for windows, doorframes, around pipes, vents, outlets, foundations, etc. Can be sanded, painted or stained once cured. Achieves full expansion after one hour and fully cures after 24 hours. Tack free in 15 minutes.

F803918 Foam & Fill Polyurethane Aerosol 20 oz $15.75
F803921 Foam & Fill Polyurethane Aerosol 12 oz $11.25

Sealants / Sikaflex

Sika | Sikaflex 291i Marine Adhesive Sealant White Mini recharge 70 ml

Sikaflex 291i - 70ml. Ideal for all sealing/adhesive jobs on board, Sikaflex 291i is a fast curing, 1 component polyurethane based flexible adhesive sealant. Touch dry in 45 mins. Can be sanded or painted over in 4 days. Size: 70ml squeezy tube.

SI291522 $7.98

Teakdecking Systems

Teakdecking Systems | SIS-440 Teak Caulking Black ...

Deck caulking is a one part, paste like, neutral cure system which, when exposed to moisture in the air, reacts to form a tough, flexible, solid rubber compound. The sealant is a thixotropic material, which does not sag during cure, and when cured, has excellent temperature stability and chemical resistance. Because the sealant is neutral cure, it is non corrosive to all substrates.

TD00011 SIS-440 Teak Caulking Black Cartridge 10.3 oz $20.95
TD00012 SIS-440 Teak Caulking Grey Cartridge 10.3 oz $21.95
TD00013 SIS-440 Teak Caulking White Cartridge 10.3 oz $21.95

Teakdecking Systems | ECO-100 Teak Cleaner ECO Fr ...

ECO-100 Teak Cleaner powder is a new high performance, concentrated teak cleaner. Even though ECO-100 Teak Cleaner powder contains no acid, caustic sodas and phosphates, it is a very powerful and effective cleaner that cleans and brightens without removing the soft fibers of your teak. It mixes easily in water and is designed to not harm your teak, caulking, hardware or paint. This product has been formulated to be 100% environmentally friendly and represents the most advanced truly 'green' teak cleaner powder in the marine industry today. Kills mold and bacteria. Meets clean marina program.

TD01002 ECO-100 Teak Cleaner ECO Friendly Powder 2 lb $23.49
TD10040 ECO-100 Teak Cleaner ECO Friendly Powder 40 lb $218.50

Teakdecking Systems | Reefing Hook Caulk Remover

Used before re caulking, this tool is for removing caulk or other sealants from a seam. A razor knife should be used to free the caulk from the sides of the seam. The Reefing Hook is specially designed and constructed for long service life, and ease and speed of operation. You can remove most of the caulking, leaving minimal material for final hand sanding.

TD00001 $37.49

Teakdecking Systems | Seam Sander Vertical Adjust ...

Designed for vertical sanding of the sides of a seam, to remove old material before re caulking, the Seam Sander ensures the best possible preparation for new caulk to bond to the teak. The Seam Sander is specially designed and constructed for long service life, and ease and speed of operation. Use it to remove final residue of caulking, leaving a totally clean surface for the new caulk to bond to. Made of the finest quality steel and hardwood, Seam Sander is manufactured with a comfortable smooth grip and has an adjustable depth sanding surface, from 5mm to 22mm (1/5" to 7/8").

TD00002 Seam Sander Vertical Adjustable w/Comfortable Grip $60.65

Teakdecking Systems | ECO-300 Teak Cleaner ECO Fr ...

ECO-300 Teak Cleaner liquid has been formulated to be 100% environmentally friendly and represents the most advanced teak cleaning liquid in the marine industry today. It contains no acid, caustic sodas or phosphates and is non toxic to the user. ECO-300 Teak Cleaner liquid is designed to not harm your teak, caulking, hardware or paint. It is a NEW ready to use cleaner that cleans and brightens teak better than harsh chemical cleaners, restoring its original golden color. All ingredients are approved by the National Sanitation Foundation and meet requirements for a truly 'green' teak cleaner liquid. Biodegradable. Adheres to scrubbing pad. Meets clean marina program.

TD03003 ECO-300 Teak Cleaner ECO Friendly Liquid 1 gal $67.60
TD03005 ECO-300 Teak Cleaner ECO Friendly Liquid 1 qt $28.95

Teakdecking Systems | FE-180A Fitting Epoxy Two Part Kit 1 gal

Fitting Epoxy is a custom blended flexible mastic of high quality epoxy resins and activators and engineered fillers to yield a light weight, flexible and easily sanded system used for both fairing of deck substrates and the final glue down of deck panels. Cell like structure makes it an excellent sound and thermal insulator. The viscosity is formulated to be high enough to stay in place when used for fairing, but low enough to provide excellent wet out for bonding. Epoxy will cure in temperatures as low as 50°F.

TD18013 $179.95

Caulking Guns & Removers

Gam I Caulking Gun Power Pro ...

The Power Pro is a professional, smooth rod caulking gun that features a rotating barrel for hard to reach applications, a stop flow feature to avoid dripping and a nozzle clean out tool. The Skeleton is a basic hex rod gun. Both take all standard size cartridges.

GT00138 Caulking Gun Power Pro $15.49
HT46430 Caulking Gun Skeleton Pro $7.98

Other Tools

Hyde I Snap-Off Retractable Blade Utility Knife with Postive Lock

18mm blades are great for cutting heavier materials such as carpeting and drywall. One blade is included, with 8 sharp points per blade. To refresh the blade, simply snap off the point to reveal a fresh one. No tools required. All HYDE snap-off knives have built-in blade breakers for added convenience. Made of high-impact polystyrene. Hyde is America's favorite brand, chosen two to one by contractors for over 20 years.

HT42047 $3.95

21st Century I Hand Held Butane Lighter Refillable

Long reach refillable gas lighter.

F130110 $4.65

Truper I Hex Key Set Metric 13 Piece

13 piece metric hex set. Chrome vanadium steel hardened. Satin finish, dully polished. Convenient folding storage case. Sizes: 1.27mm, 1.5mm, 2.0mm, 2.5mm, 3.0mm, 3.5mm, 4.0mm, 4.5mm, 5.0mm,5.5mm, 6.0mm, 8.0mm, 10.0mm.

F431162 $6.60

Magma I Butane Refill Aerosol 5.6 oz

Butane gas refill for lighters.

F130000 $7.50

Port Supply I Butane Refill 3.38 ounces

This container holds 10 fl. oz./ 300 ml enough for 5 refills or 6 -10 hours of use. Must be used in all UST Stormproof lighters. High quality quadruple-refined butane fuel prevents clogging of fuel ports and provides for a cleaner burn. Features: Quadruple refined fuel, universal filling tube, and odorant added to detect leakage.

P254089 $10.95

Eklind I Hex-L Key Set w/Holder 18 Piece

These Hex-L keys are manufactured from the highest quality Eklind ® alloy steel. They are heat treated for maximum strength and finished to resist rust. Eklind ®'s superior quality provides maximum torque and prevents rounding out of the key or hex socket. Sets are contained in a compact molded holder that firmly retains each key in designated holes. Inch sizes: .050, 1/16, 5/64, 3/32, 7/64, 1/8 , 5/32, 3/16, 7/32, 1/16, 5/64, 3/32, 1/8 , 9/64, 5/32, 3/16, 1/4 , and 5/16.

Y181035 $14.55

Davis Instruments I Quick Fist Rubber Clamp

Securing your equipment just got a whole lot easier. Quick Fist ®, a one piece rubber clamp, is ideal for stowing or transporting tools. Quick Fist ® mounts easily to keep tools and equipment firmly in place. Ideal for off road trucks, boats, military equipment, ATVs, or any vehicle. Quick Fist ® clamps are made of heavy duty transportation grade rubber. They're UV resistant and withstand extreme heat or cold. Mount easily with #10 (5mm) bolts or screws. Terrific for marine use, since Quick Fist ® will not rust or corrode. Holds objects from 7/8" to 2 1/4" in diameter (22mm - 57mm). Each clamp supports approximately 22lb (10kg). Mounting base measures 7/8" x 2 3/4" (22mm x 70mm).

DI00540 $14.85

Ancor I Turbo Lite Torch Butane

The Turbo Lite is a compact torch with a piezo electronic ignition, that is child proof, and windproof flame that can be locked in the 'on' position. Powered by butane, inexpensive and readily available. Flame temperature up to 2500°F (1300°C).

AB702064 $15.49

Davis Instruments I Super Quick Fist Rubber Clamp

Super Quick Fist ® is ideal for holding fire extinguishers, oxygen cylinders, CO2 tanks, and other equipment. Mounts easily with three #10 (5mm) bolts or screws (not included). Can be mounted with strap facing any direction. Holds objects from 2 1/2" to 7 1/2" in diameter (64mm to 191mm). Each clamp supports approximately 50lb (23kg). Mounting base measures 7/8" x 6" (22mm x 152mm).

DI00544 $16.95

Stanely I Wood Chisel Set 150 Series Short Blade 3 Piece

3 piece wood chisel set contains 1/2" (12mm), 3/4" (18mm) and 1" (25mm) chisels. These chisels have full size shock absorbing handles with a no roll feature, durable precision ground cutting edges, heat tempered steel blades lacquer coated to resist rust and a bolster blade washer, to distribute load, added for strength.

Y258934 $20.95

Pocket Tools / Gerber

Gerber I Compact Multi Tool Bear Grylls Brushed Stainless

Introducing the Bear Grylls Compact multi tool belonging to the 'Survival Series' by Gerber. This collaboration brings together over 70 years of knife and gear expertise from Gerber and Bear Grylls' extensive outdoor survival and adventure experience to create a one of a kind line of knives, tools and gear. The Compact multi tool is a small tool set with some big feature. It's small and lightweight so it'll fit on a keychain or in a pocket with no problems at all. All the components are external and have nail nicks for easy access. The Compact multi tool features 10 stainless steel, weather resistant components: Needle nose pliers, fine edge knife, serrated knife, philips screwdriver, small flat screwdriver, medium flat screwdriver, lanyard ring, bottle opener, tweezers, wire cutters. it's the only compact multi tool with two full size blades on it and small enough for a keychain or pocket, yet packs a big punch when you need it most. At the age of 23, Bear Grylls entered the record books as the youngest Briton to have ever summited Mount Everest. From his time in the British Special Air Service (21 SAS), to hosting his survival television show all over the globe, to his position [...] more at islandwaterworld.com

GB000750 $21.75

Gerber I Paraframe I Open Frame Knife Fine Edge Stainless Steel

This general purpose knife, made with Gerber's legendary quality, is offered at an outstanding price. Its innovative frame lock mechanism is not only a nice safety feature, it also keeps the knife's construction simple. Open handled design makes cleaning easy. Smooth open and close action (left or right). Pocket clip keeps the knife readily available and is easily removed. Entire knife made of high quality surgical stainless steel.

GB48443 $33.49

Gerber I Scout Drop Point Folding Knife Bear Grylls

Whether you've watched his show Man vs. Wild or not the Scout Knife will be a do it all knife that is light, simple, and rugged. With a blade that locks in place, a belt/pocket clip and a serrated blade the Scout has all you need and nothing you don't. If it's good enough for Bear to use, it's good enough for you. Thin and lightweight folding knife, 1/2" serrated high carbon stainless steel drop point blade, ideal for edge retention and cutting rope, dual sided thumb stud, for easy single hand opening, ergonomic textured rubber grip, maximizes comfort and reduces slippage, lock back, locks blade securely in place and maximizes safety during closing. clip for convenient pocket carry and priorities of survival, a pocket guide that contains Bear's survival essentials.

GB000754 $38.75

Gerber I Remix Knife Aluminium

Lightweight, but strong, the one-hand opening Remix features a large finger hole for extra stability and grip. The anodized aluminum handles don't just look cool, they add support and corrosion resistance. Features: Anodized aluminum handle, open frame design, thumb stud, lightweight but strong.

GB41969 $40.25

Gerber I Paraframe II Open Frame Knife Serrated Stainless Steel

The largest of the eight knives in the Paraframe series, the Paraframe II is based on the same minimal frame lock design. It's a beautifully simple open frame knife with a serrated locking blade that is lightweight, easy to clean and opens effortlessly. Built with a smooth stainless steel handle and a clip for secure travel, the Paraframe II embodies everything that a larger everyday carry folder should be. Features: Frame lock handle design, lightweight open stainless steel handles and sturdy pocket clip.

GB48447 $43.50

Gerber I Multi Plier Suspension w/Nylon Sheath

The Gerber Suspension multi plier narrows the gap between pocket knife and toolbox. Inspired by Portland, Oregon's bridges, the Suspension has an open frame that belies its ability to support your emergency needs. Incredibly strong and packed with trusted tools, this multi plier opens quickly and locks each component in place while in use. And it's a sleek looking multi tool, because looks are important when you're cutting wires or tightening screws. Features: Stainless steel, closed length: 3.5" (8.9cm), open length: 6" (15.2cm), 1 phillips screwdriver, 2 flathead screwdrivers, bottle opener, can opener, scissors, wood saw, needle nose pliers, file, wire cutter. Other tools: Fine edge knife, serrated edge knife, lanyard hole. Sheath included. Weight: 6.7oz. Recommended use: Emergency repairs, home, auto, camping.

GB41471 $46.95

The largest size in the Evo series knives. Overall length: 21cm. Blade length: 8.9cm. Closed length: 11.7cm. The Gerber Evo Large Tanto knife sports a tactically styled Tanto blade and low rise pocket clip. The partially serrated blade of the Gerber Large Evo Tanto folding knife is made with surgical grade stainless steel and is treated for strength and corrosion resistance. The Gerber Evo Large Tanto folder knife has a liner lock mechanism for one handed closing and a finger flip for easy opening.

GB001755 $51.75

Gerber | Crucial Multi Tool Green

As stylish as your favorite knife, but packed with essential features like your favorite Gerber multi plier. Despite its compact, lightweight size, the Crucial Tool delivers big, full-function components. Features: Convenient clip, bottle opener, longer handle, better torque, liner lock. includes lifetime limited warranty. carries like a pocket knife, weighs a mere 5oz, v cut wire cutters and a flat head screw driver.

GB000238 $55.50

Gerber | Gator Folding Knife Clip Point Serrated ...

The handle is made of glass-filled nylon and it's covered with a rubberized alligator skin texture for a tacky, comfortable grip. The lock back clip point blade has a serrated edge and is forged from 420HC stainless steel. Sheathed in a heavy duty nylon case, the Gator is still one of Gerber's most popular folders. Features: Gator grip handle texture for maximum grip, lock back design and ballistic nylon sheath.

GB46079 Gator Folding Knife Clip Point Serrated Stainless Steel Blade w/Nylon Sheath $57.95

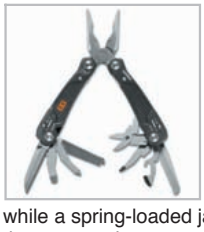

Gerber | Evo Multi Tool Titanium w/Nylon Sheath

Evo exudes simple style and features all outboard components, meaning there is no need to open handles to access tools. Each component is locking, making these tools among the safest out there. When you do need the pliers, spring loaded handles reduce user fatigue during extended use. Features: Lightweight aluminium handles, needle nose pliers, pinched style wire cutter, saw blade, cross driver, fine edge blade, scissors, small and medium flat drivers, bottle opener, can opener, serrated knife,and lanyard. Sheath material ballistic nylon.

GB41771 $59.95

Gerber | Ultimate Multi-Tool 12 Components Black

The ultimate multitool lives up to its name by offering 12 components, including needle nose pliers, both fine-edge and serrated knives, a saw, a Phillips screwdriver, small and medium flat drivers, a lanyard ring, a bottle opener, a can opener, scissors, and wire cutters. Lightweight and compact, with an open length of 6-3/10 inches, a closed length of 4 inches and an 8-4/5-ounce body, the ultimate multitool won't weigh you down. External components make for easy access, while a spring-loaded jaw provides simplified one-handed use. And thanks to the ergonomic textured-rubber grip, you'll enjoy maximum comfort without slipping. - As safe as it is practical, the ultimate multitool features Gerber's Safe.T.Plus system, which locks components into their usage position. A lightweight, military-grade sheath resists mildew as it protects the tool and makes it easier and safer to store.

GB000749 $70.95

Gerber | Outrigger XL Folding Knife Serrated

Cut. Strip. Pry. Slice. Where others see challenges, the Outrigger XL's partially serrated drop point 3.38" blade delivers solutions. Making quick work of daily tasks, the fine edge section offers clean, accurate cuts while the serrated portion smoothly dispatches rope, twine or an aluminium can, even after hours of use. The Assisted Opening 2.0 mechanism opens quickly and easily, with one hand or two, thanks to dual thumb studs atop the blade. When it's time to close up, just push the Plunge Lock for a positive release and smooth two handed closure.

GB001763 $74.25

Gerber | Multi Plier 600 Needlenose Stainless Steel

Needlenose components: Needlenose pliers, wire cutter, wire crimper, fine edge knife, serrated knife, cross point screwdriver, small, medium and large flat blade screwdrivers, lanyard ring, can opener, bottle opener, file, and ruler.

GB07530 $80.50

Gerber | Multi Plier 600 Basic Needlenose Black

Toughened up after receiving feedback from military users, the Gerber multi plier 600 now features Gerber's patented replaceable tungsten carbide wire cutters. When the cutters become dull or misshapen simply rotate the tungsten carbide cutters 120° and you've got yourself a good as new wire cutter. After three rotations, the entire cutter can be replaced. It's constructed of high quality stainless steel with a black oxide coating to prevent corrosion, and it includes Gerber's patented one handed opening pliers. The Multi Plier measures 6.61" overall when opened, 5.04" when closed, and it weighs 9oz. It is complemented by a ballistic nylon sheath. The Needlenose multi plier 600 is backed by a limited lifetime warranty, and it offers 14 fully locking components: Needlenose pliers, fine edge knife, serrated edge knife, philips driver, small flat driver, medium flat driver, large flat driver, ruler, lanyard ring, bottle opener, can opener, file, tungsten carbide wire cutters, wire crimper.

GB07550 $88.50

Gerber | Strata Multi Plier w/Sheath Brushed Stainless

Slim, sleek and packed with functionality, the Strata delivers spring loaded pliers, hungry carbide cutters and 13 outboard components including a clam package opening tool for those pesky plastic packages. Hose, Bilge VAC

Mpi Marine Products I Bilge Hose Standard Polyethylene 1 1/2" ...

Heavy corrugated polyethylene hose provides outstanding flexibility. Resists oily bilge acids and sea water. Custom molded cuff every foot for easy installation and clamping. Ideal for electric and manual bilge pumps and livewell aerators.

NR09112	Bilge Hose Standard Polyethylene 1 1/2"	$1.95
NR09118	Bilge Hose Standard Polyethylene 1 1/8"	$1.15

Mpi Marine Products I Bilge Vac Hose w/Helical Rod PVC Clear 3/4" ...

Smooth clear vinyl tube reinforced with black PVC helical rod. Hose produced from FDA approved compound suitable for potable water. Excellent flexibility for use as bilge pump discharge, livewell circulation and scupper drains.

Bilge Vac Hose w/Helical Rod PVC Clear 3/4"

NR08034		$2.19
NR08112	Bilge Vac Hose w/Helical Rod PVC Clear 1 1/2"	$3.60
NR08118	Bilge Vac Hose w/Helical Rod PVC Clear 1 1/8"	$3.00

Hose, Blower

Mpi Marine Products I Blower Hose Vinyl White 3" ...

For use in venting bilge gases and fumes. Strong, flexible construction of wire supported vinyl. Resistant to ozone, weather, and sunlight. Will not support a flame.

NR10300	Blower Hose Vinyl White 3"	$0.95
NR10400	Blower Hose Vinyl White 4"	$1.05

Hose, Conduit

Mpi Marine Products I Split Conduit Black 1/4" ...

Use as an electrical wiring harness or as protective insulation for hoses and pipes. Lightweight and crush resistant.

NR15014	Split Conduit Black 1/4"	$0.35
NR15038	Split Conduit Black 3/8"	$0.39

Hose, Fuel

Mpi Marine Products I Fuel Hose Type B2 1/4" ...

Excellent quality standard fuel hose meets or exceeds all requirements of new ISO 7469 and SAE J5127. For use in non enclosed engine compartments. Resistant to gasoline and alcohol enhanced fuels. Braided reinforcement provides excellent flexibility and bend radius.

NR39014	Fuel Hose Type B2 1/4"	$1.95
NR39038	Fuel Hose Type B1 3/8"	$2.40
NR39056	Fuel Hose Type B1 5/16"	$2.09
NR39058	Fuel Hose Type B2 5/8"	$4.35

Mpi Marine Products I Fuel Hose Type A1 1/2" ...

Premium quality fire retardant fuel hose meets or exceeds all requirements of new ISO 7840 and SAE J5127 standards required by USCG, ABYC and NMMA. Inner tube material provides extraordinary resistance to gasoline, diesel and alcohol enhanced fuels. Braided reinforcement provides excellent flexibility and bend radius.

NR36012	Fuel Hose Type A1 1/2"	$4.85
NR36014	Fuel Hose Type A1 1/4"	$3.30
NR36038	Fuel Hose Type A1 3/8"	$3.30
NR36056	Fuel Hose Type A1 5/16"	$3.35
NR36058	Fuel Hose Type A1 5/8"	$4.75

Mpi Marine Products I Fuel Hose Type A2 w/Helical Wire 1 1/2" ...

Premium quality fire retardant fuel hose meets or exceeds all requirements of new ISO 7840 and SAE J5127 standards required by USCG, ABYC and NMMA. Resistant to gasoline, diesel and alcohol enhanced fuels. Reinforced with helical wire between plies of nylon spiral cord. Provides strength and flexibility. Resistant to abrasion, heat and ozone.

NR36112	Fuel Hose Type A2 w/Helical Wire 1 1/2"	$13.89
NR39002	Fuel Hose Type A2 w/Helical Wire 2"	$26.40

Moeller Marine I Universal Fuel Line Assembly 3/8"

Customize your fuel line assembly to match the existing connector on your fuel tank. Assemblies use a compounded, EPA and CARB approved UV-resistant hose and primer bulb. Promotes maximum fuel flow. Includes fittings built to OEM Specifications for replacement parts. Uses o-ring construction on all fittings for tight, leak-free connections. Clamshell packaging is consumer accepted with self-selling graphics.

ML007485		$34.95

Hose, Gas- LPG

Sati Trading I LPG Hose Orange 8 mm

Propane/gas long length rubber hose. Temperature range: -25°C +70°C.

NR60516		$2.09

Hose, Sanitation

Sati Trading I Sanitation Hose Cordsteel WC White 20 mm ...

Smooth wall extra heavy duty hose for all sanitation system connections and other critical applications. Low water absorption compounds provide excellent odor resistance.

Sanitation Hose Cordsteel WC White 20 mm

NR05034		$2.95
NR05100	Sanitation Hose Cordsteel WC White 1"	$3.95
NR05112	Sanitation Hose Cordsteel WC White 38 mm	$4.85
NR05114	Sanitation Hose Premium PVC 1 1/4"	$4.50
NR05118	Sanitation Hose Premium PVC 1 1/8"	$3.95

Sati Trading I Sanitation Hose Premium w/Spiral Wire 38 mm

Extremely flexible hose for all sanitation system connections and other critical applications. Low water absorption compounds provide excellent odor resistance.

SAT53038		$14.95

Hose, Water / Hardwall

Mpi Marine Products | Water Hose Hardwall Premium ...

Premium quality marine water hose suitable for a variety of applications including engine water intake, and circulation, bilge discharge, livewell systems and other non fuel uses. A fully embedded helical wire provides strength and flexibility. Resists heat, ozone, mild acids, bilge oils and engine water. Color coded with green band.

NR01012	Water Hose Hardwall Premium w/Helical Wire 1/2"	$7.85
NR01034	Water Hose Hardwall Premium w/Helical Wire 3/4"	$7.95
NR01058	Water Hose Hardwall Premium w/Helical Wire 5/8"	$7.79

NR01138	Water Hose Hardwall Premium w/Helical Wire 1 3/8"	$10.65

Hose, Water / PVC Tubing

Mpi Marine Products | Clear Hose PVC 1/4"

Single extrusion, non toxic vinyl hose produced with FDA approved compound. Recommended for non pressurized cool water uses such as fresh water, sink, shower, livewell and refrigerator drain lines.

NR14014 $0.60

Brunger | Hose PVC Clear 3/16" ...

Clear FDA formulated PVC tubing for low pressure, cold water applications in drain and vent lines.

GS00360	Hose PVC Clear 3/16"	$0.75
GS00560	Hose PVC Clear 5/16"	$1.00

Hose, Water / Reinforced PVC Tubing

Sati Trading | Water Hose Clear Reinforced Cristalcord Clear 13 mm ...

Premium quality, heavy walled, marine water hose suitable for applications requiring non toxic, tasteless, odorless tubing for hot and cold water.

Water Hose Clear Reinforced Cristalcord Clear 13 mm
NR19012 $0.90

Water Hose Clear Reinforced Cristalcord Clear 19 mm
NR19034 $2.40

NR52600	Exhaust Hose Corrugated w/Wire Black 6"	$59.95

Sati Trading | Exhaust Hose Corrugated w/Wire 40 mm ...

Certified for wet exhaust and engine intake service. Synthetic textile fabrics, and steel spiral, black, abrasion, ozone, weather, heat and oil resistant rubber. Corrugated fabric finish. Formulated to withstand operating temperatures of maximum 120°C.

Exhaust Hose Corrugated w/Wire 40 mm
SAT52040 $18.80

SAT52045 Exhaust Hose Corrugated w/Wire 45 mm $19.30

Hose, Wet Exhaust / Hard Wall

Mpi Marine Products | Exhaust Hose Hardwall Premium w/Wire 1 1/2" ...

Certified for wet exhaust service. Heavy wall construction with multiple plies of nylon spiral cord prevents shock, wall collapse, panting and vibration. Resists engine exhaust, high temperatures and ozone. Formulated to withstand operating temperatures of 220°F continuous. Wire reinforcement provides additional strength for longer connections with excellent flexibility. Recommended for runs longer than four times the inside diameter of the hose. Color coded with blue band.

NR21112	Exhaust Hose Hardwall Premium w/Wire 1 1/2"	$10.75

Hose,Sternflex & Fittings

Mpi Marine Products | Sternflex Hose, Crush Resistant White 2"

Heavy walled vinyl construction offers excellent abrasion resistance. Resistant to bilge acids, fuel solutions and ultra violet rays. I.D.: 2". Bend radius: 3". Weight per CFT: 30.

NR02201 $6.30

Mpi Marine Products | Sternflex Hose Flexible Crush Resistant Black 2"

High quality, crush resistant plastic offers excellent flexing properties and abrasion resistance. Material is resistant to bilge acids, fuel solutions and ultra violet rays. For all bracket mounted outboard motors.

NR02200 $6.30

Mpi Marine Products | Flange Transon Mount Black 2"

Ideal for securing outboard hose and cable conduit to transom and running hydraulic pipes through it for protection. Threaded molded plastic grips conduit securely.

NR92200 $17.25

T-h Marine | Rigging Flange Hose Union, Black

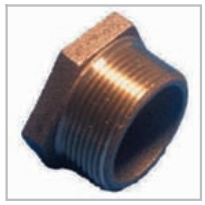

Split design of union allows installation on pre-rigged boats. Fuel hose port fits type A hose. Installs with TH rigging hose.

L00232 $23.49

Whale Quick Connect is a simple and practical system for adapting onboard freshwater systems. The PE-plastic pipes are cut to length, stuck in the connectors, done! Dismantling and reuse are possible without cost and without tools! Intended for cold and hot water (max 65Â°C and max. 6 bar). Connection material: white polypropylene.

MU150312 $15.75

Whale Pumps | Flexible Water Heater Connector Hos ...

The Whale Quick Connect fittings offer many benefits. All ensuring a high integrity, reliable, speedy plumbing system. Unique "Double Grippe" provides secure lifelong tube retention, even at excessive pressures. Collet has internal support ring ensuring 'O' ring seal is held in position and does not distort or leak under pressure. The innovative, tube supporting, "cage collet" design eliminates leaks where fittings are close to tight bends. High integrity, single piece moulding improves the reliability and strength of fittings. Outer sleeve incorporates collet cover, thus preventing accidental tube release. No collet clips are used thus reducing costs and speeding up installation time.

MU01519 Flexible Water Heater Connector Hose 1/2" NPT Male 1/2" BSP Female $18.75
MU01524 Quick Connect Stem Adapter Brass NPTM 1/2" $18.25

PUMPS

Bilge Pumps / Electric Non-Submersible

Jabsco | Bilge & Shower Pump Self Priming 12V

For bilge, livewell and general purpose applications that do not require a pressure switch. Diaphragm pump. Oil resistant parts allow pumping of diesel fuel. Flow rate: Nominal 16 litres per minute (3.5 gallons per minute). Self priming from dry up to 2.5m (7.8ft). Run dry without damage. Snap-in ports 3/4" (19 mm) hose barb or 1/2" (13 mm). 12V pump 7A draw @ 10 psi. Fuse breaker 15A. Service kit 18920-9053. Pumpgard strainer 46400-0000.

J317050092 $299.35

Jabsco | Shower & Bilge Pump Self Priming Light Duty 12V

Light duty shower and bilge pump. Quiet running and fully corrosion resistant. Supplied with pumpgard filter. Flow rate: Nominal 13 litres per min (3 gallons per min) Self-priming from dry up to 2m (6ft). Port type 19mm (3/4") hose barb. 7.5A. Fuse breaker 10A. Service kit 37182-0000. Pumpgard strainer 46400-0000.

J372021 $336.50

Jabsco | Bilge & Shower Pump Self Priming 24V

For bilge, livewell and general purpose applications that do not require a pressure switch. Diaphragm pump. Oil resistant parts allow pumping of diesel fuel. Flow rate: Nominal 16 litres per minute (3.5 gallons per minute). Self priming from dry up to 2.5m (7.8ft). Run dry without damage. Snap-in ports 3/4" (19 mm) hose barb or 1/2" (13 mm). 24V pump 4A draw @ 10 psi. Fuse breaker 10A. Service kit 18920-9053. Pumpgard strainer 46400-0000.

J317050094 $347.55

Jabsco | Shower & Bilge Pump Self Priming 12V ...

Shower drain and bilge pump. Quiet running and fully corrosion resistant. Supplied with pumpgard filter. Flow rate: Nominal 13 litres per min (3 gallons per min). Self-priming from dry up to 2m (6ft).

Shower & Bilge Pump Self Priming 12V
J372022012 $408.65
Jabsco Shower & Bilge Pump Self Priming 24V
J372022024 $379.75

Whale Pumps | IC Bilge Pump 12V

Complete pre wired bilge system including remote mount Gulper IC (Intelligent Control) pump and IC strainer with intelligent control built in. Small footprint strainer fits into very confined bilge spaces and is easy to install. Self-primes and runs dry. Non choke valves. No filter to block or clean. Secure fit: Strap ensures pump remains in place in harsh marine conditions. Fit and forget, it is maintenance free.

MU08284 $420.55

Jabsco | Bilge Pump Diaphragm 12V

This is a self-priming electric bilge pump. Dry suction lift 7ft (2.1m). Diaphragm design allows dry running. Flow rate 5.5 gallons per minute (21 liters per minute). Quiet operation. Ports: 3/4" slip on hose. Weight: 8lb (3.6kg). Draw 7A. Fuse breaker 10A. Service Kit 43990-0062.

J366801 $636.65

Bilge Pumps / Electric Submersible

Spx Johnson Pumps | Bilge Pump 500gph w/Dura-Port Fittings

These pump series consists of four different sizes. The basic version can be combined with either an automatic switch AS888, an electronic float switch or the Ultima Switch for automatic operation. The Cartridge Combo pumps are equipped with a non-clogging electronic float switch as standard. With an automatic switch installed, the pump automatically comes on when there is water in the bilge and shuts off when it is dry - For Cartridge bilge pumps 500, 750 and 1000 GPH and the Ultima Combo versions, we have improved the design with easy-to-install Dura-Port discharge ports to eliminate stress cracking caused by over-tightened hose clamps. The pumps will be delivered including both a straight and a 90Â° smooth elbow Dura-Port as well as a removable check valve. Both the Cartridge pumps and the Ultima Combo pumps may be manually operated via a bilge control panel. - Features - Compact, all-in-one motor/impeller unit No tools needed for maintenance Extremely energy efficient Water-cooled motor for long service intervals Meets the international standard, ISO 8849 marine

JP32503 $41.55

Rule | 500 Submersible Bilge Pump 24V ...

Especially popular on smaller craft, the Rule 500 pumps are unmatched in pumping power and longevity. Rule offers two bilge pump variations: Non-automatic which is activated by a float switch or panel switch and the automatic computerized switch that pumps every few minutes if there is impeller resistance, the pump runs until the water is cleared. Both have 12V or 24V options. Ports: 3/4" (19mm) discharge outlet. Rule 500 auto or non-automatic 12V, 1.9A. Fuse size 2.5A. 24V, 0.9A. Fuse size: 1.5A. Be careful height is different, the non-automatic size is 3 1/2" (89mm) x 2 3/8" (60.3mm) and weighs 9oz (260g). The automatic size is 4" (102mm) x 2 3/8" (60.3mm) and weighs 11oz (310g).

RU00026 500 Submersible Bilge Pump 24V $47.95

RU10250 500 gph Submersible Bilge Pump 12V $42.75

Rule | IL280 gph Plus Pump Centrifugal Submersible Inline 12V ...

Suitable for water, diesel transfer, deck shower, deck wash, fresh and salt water. Quick diesel transfer with no spillage. Continuous rating but should not be run dry for long periods. Flow rate to 4 gallons per minute. Pressure up to 14 psi. Includes spray nozzle, 4m cable with battery clips, 4m layflat hose.

IL280 gph Plus Pump Centrifugal Submersible Inline 12V

RU22801 $65.50

RU22804 IL280 gph Plus Pump Centrifugal Submersible Inline 24V $84.95

Rule | 1000 Submersible Bilge Pump 12V

This bilge pump is popular amongst boat builders and owners. It allows for 36 mounting variations and has a 1 1/8" discharge outlet. Equipped with gasoline resistant strainer base.

RU10201 $69.95

Rule | 360 Submersible Bilge Pump w/Non Mercury Float Switch 12V

Rule 360 with switch is a light, compact pump for ski-boats and small vessels. It has a tough plastic body with integral strainer.. One convenient package at a great price. Connections: for 19mm (3/4") bore hose. Dimensions: 90mm x 60mm base diameter. Fuse size: 2.5A. Output: Up to 23 liters per minute (5 gallons per minute). Maximum recommended discharge head 2m. Quick release inlet strainer allows rapid cleaning. Low amp draw conserves batteries. Ignition protected.

RU10244 $72.25

Rule | Submersible Bilge Pump 800GPH 24V 3/4" Hose

Rule 800 round submersible pump 24 volt DC. Connections: For 19mm (3/4") bore hose. Dimensions: 95mm high, 60mm base diameter. Fuse Size: 2.5 amp. Output: Up to 50 litres/minute (11 gallons/minute). Max. recommended discharge head 2m. Light, compact pump for ski-boats and small vessels. Tough plastic body. Quick release inlet strainer allows rapid cleaning. Low amp draw conserves batteries. Ignition protected. For automatic operation use Rule Float Switches.

RU00021 $73.25

Spx Johnson Pumps | 1000 gph Submersible Bilge Pump 12V

Compact, all in one motor/impeller unit. Extremely energy efficient. Water cooled motor for long service intervals. 500-1000 GPH pumps include a straight and 90° Dura-Port. Removeable check valve. Hose: 3/4". 12V 3.2A.

JP032903 $73.50

Spx Johnson Pumps | 1250 gph Submersible Bilge Pump 12V

The 1250 gallons per hour bilge pump incorporates some of the most advanced features in the industry, features developed from service in a wide variety of uses including racing, cruising, sport fishing, and demanding commercial duties. Improved the design with easy to install Dura-Port discharge ports to eliminate stress cracking caused by over tightened hose clamps. Both the Cartridge and the Ultima Combo pumps may be manually operated via the Johnson Pump bilge control panel.

JP42123 $82.25

Rule | -Mate 500 gph Submersible Automatic Bilge Pump 12V

The Rule-Mate consists of a powerful rule bilge pump and a new non-mercury float switch in a single housing. While fully automated, the pump will only turn on when the water level rises. Bore hose size 3/4".

RU10500 $94.95

Whale Pumps | Supersub Smart 650 Bilge Pump Low Profile Range 12V

This Supersub Smart 650 bilge pump is uniquely designed for narrow bilges. Is able to go where others cannot, ensuring that the pump can access water deep down in the bilge of the boat or difficult to reach areas under engines or in personal watercraft. It's high flow rate, and innovative technology place this pump in a class of it's own. The pump measures 2 1/8" high by 2 15/16" wide. The unique dimensions make this pump the lowest profile, automatic bilge pump on the market and the high 650 gallons per minute flow rate on such a compact pump is almost unheard of. It utilizes Whale's patented electric field sensor technology which senses the water level and automatically controls the pump, making it fully automatic.

MU05212 $98.25

LoPro Bilge Pumps

LOW PROFILE BILGE PUMPS FOR TIGHT SPACES

900 GPH / 3407 LPH

Designed to bring pumping power to tight spaces.
Rule's LoPro Series Bilge Pumps are only 2.4" (6cm) high. The LP900S model features two automated modes. The first one engages the pump when the water level reaches 2" (5 cm) or 1.3" (3.25 cm) (user choice); and the second one checks for water by briefly turning on the pump every 2.5 minutes. The LP900D model uses a traditional float and/or panel switch for operation.

- **Multiple modes of operation.** The LP900S features two automated modes of operation.
  - **High or low water sensing mode.** The pump starts when water reaches 2" (5 cm). By turning the motor cartridge upside down, the sensor is at 1.3" (3.25 cm)
  - **Electronic automatic mode.** Thepumpautomaticallyturnson every 2.5 minutes to check for water, and if it's detected the pump stays on until the water is gone.
- **Fully rotating discharge body.** The entire body swivels up to 180°, making the pump extremely easy to install.
- **Threaded discharge nozzle.** Multiple ports are available for this pump.
  - ¾" straight, ¾" right angle; 1", 1 1/8" - 19 mm, 25 mm and 28 mm
  - All ports are included in the aftermarket package
- **Backflow prevention.** New tricuspid check valves help prevent backflow.
- **Horizontal or vertical mounting.** The LP900S and LP900D feature a variety of mounting options to accommodate the boat's bilge.

Rule | 1100 gph Submersible Automatic Bilge Pump 12V

This 1100 gallons per hour, automatic, submersible pump offers impressive pumping for its size and cost. Competitive models in this pumping range are generally much larger and far more expensive. 1 1/8" (28mm) discharge port. Low amp draw conserves batteries. Ignition protected. No need for a separate float switch. Third wire for manual override or warning light.

RU10277 $167.50

Spx Johnson Pumps | 1250 Ultima Combo Bilge Pump 12V

The Ultima Combo combines the line of cartridge bilge pumps with automatic operation. The pump is equipped with the new Ultima switch. New digital technology uses the patented Mirus field effect detector cells, producing micro electrical fields that detect disruptions caused by water and fluids. Ultima activates at a 50mm (2") fluid level and deactivates at a 20mm (3/4") fluid level. An eight second delay prevents false starts. The Ultima switch is rated to handle all Johnson submersible pumps up to 20A at 12V. Capacity: 1250 gallons per minute.

Whale Pumps I Gusher Titan Manual Bilge Pump

Whale Gusher Titan, the powerful, lightweight bilge and waste pump that is capable of 105 liters per minute (28 gallons per minute). Easy to install. Self- priming, maximum priming height: 4 m (13.5 ft). Constructed from durable materials . Easily removable clamp for quick maintenance. Spring assisted outlet valve for easy priming. Lightweight pump with a light easy action. Model BP4402: Standard mount. Model BP4410: Bulkhead or through deck mount (deck plate included). Hose connections: 38mm (1 1/2") smooth bore hose connections. Service kit AK4400 neoprene parts and AK4419 nitrile parts for oil and diesel. Kits contains: Diaphragms and valves. Spare handle: AS4405.

MU04402 $212.95

Whale Pumps I Gusher 10 MK3 Manual Bilge Pump

Diecast alloy bilge pump. Robust, ideal for workboats, cruisers, offshore racing. Maximum priming height: 4m (13.5ft). Up to 65 liters per minute (17 gallons per head). Easy to install. MODEL BP3708 standard mount. BP3740 bulkhead, thru deck mounting. Suitable for diesel transfer with nitrile diaphragm and for manual pump out of effluent holding systems. Hose connections : 38mm (1 1/2"). Service Kit AK3706 neoprene parts and AK3714 nitrile parts for oil and diesel. Service kit contains: Diaphragms, valves, buffer, gasket ans screws. Deck plate kits: DP3804 alloy deck plate with lid or DP8904 plastic deck plate with lid. Spare handle: AS4405.

MU03708 $424.95

Blowers / In-Line

Jabsco I 3" Inline Blower 24v

The Rule 140 inline ventilation blower suitable for ventilating areas such as the engine room, bilge, galley and head. This blower is made from corrosion resistant materials, including a nickel plated motor, to extend life and maintain performance. The motor shaft is also sealed for moisture protection. All this makes the Rule 140 blower a very efficient ventilator which can handle high volumes of air flow. Despite handling such large volumes of air, this blower is quiet, compact and has a low current draw. The blower can be simply installed in any position on any flat surface to suit the application for which it is being used. This inline blower is designed for continuous duty.

J014024 $47.95

Circulation Pumps

March Pumps | Magnetic Drive Pump 893-04 Brush-Ty ...

The standard motor is a 0.006 Horsepower DC Brushtype Motor, available in 12 Volts. The 12 Volt Motor has an operating range from 0 to 14 Volts. The maximum internal pressure the pump can tolerate is 50PSI, and the maximum liquid temperature is 160 Fahrenheit or 71 Celsius. The March 893-04 centrifugal magnetic drive pump is capable of handling mild corrosive chemicals, acids, and solvents.

MP189345 Magnetic Drive Pump 893-04 Brush-Type Submersible 2.7 GPM 12V $299.98

Jabsco | Centrifugal Pump Plastic 12V

This circulating pump is perfect for galley, hot water systems, heating systems, windshield washing and applications where circulation is required. Auto uses, include circulation of intercooler coolant. Bolt in replacement for the stock intercooler Cyclone/Typhoon water pump. Brushless motor.

J595100012 $328.25

Spx Johnson Pumps | Johnson Centrifugal Pump CM10 ...

These centrifugal, magnetic drive pumps are mainly used for cooling systems in a marine environment. The heavy duty construction and a motor designed is for continuous running which means this pump can handle the toughest jobs.

Built with the highest quality standards and reliability in mind, every product is designed to suit your specific needs and requirements to maximize your enjoyment on the water. Features: 13.73 GPM open Flow. 110V AC 60Hz. 1/2" NPT ports for easy connection. 21 foot head. - Designed for applications that require a safe and leak free, continuous duty pump. Great for marine air conditioning circulation, Ice Makers, Hot water circulation, Livewell and Bait tank installations. Pump Head is manufactured in chemical resistant thermo-plastics - entirely non-metallic. UL listed, ignition and thermally protected fan cooled motor.

J436979 Non-submersible Magnetic drive centrifugal pump 110v, 95w 13gpm $403.95

March Pumps | Magnetic Drive Pump LC-3CP-MD Subme ...

Submersible seal less centrifugal magnetic drive pump. It is capable of generating a maximum flow of 8.5 gallons per minute at 4ft, and its maximum head is 19ft (or around 8psi). The LC-3CP-MD pump may be used submerged or not submerged. The standard motor is a 1 Phase 115V or 230V 0.028 horsepower motor, which can be run on either 50 or 60 hertz (there are performance differences between the hertz options). The March LC-3CP-MD centrifugal magnetic drive pump is capable of handling fresh water, salt water, and mild chemicals.

MP10003 Magnetic Drive Pump LC-3CP-MD Submersible 8.5 GPM 115V $413.75

March Pumps | Magnetic Drive Pump AC-5C-MD Non-Su ...

Seal less centrifugal magnetic drive pump. It is capable of generating a maximum flow of 60 liters per minute at 1ft, and its maximum head is 6M (or around 11psi). The standard motor is a 1 Phase 115V or 230V 0.125 horsepower fan cooled motor, which can be run on either 50 or 60 hertz (there are performance differences between the hertz options). The March AC-5C-MD centrifugal magnetic drive pump is capable of handling mildly or highly corrosive chemicals, acids, and solvents.

MP11002 Magnetic Drive Pump AC-5C-MD Non-Submersible Air Cooled 17 GPM 230V $437.00

March Pumps | Magnetic Drive Pump LC-3CP-MD Subme ...

Seal less centrifugal magnetic drive pump. It is capable of generating a maximum flow of 31 liters per minute at 1m, and its maximum head is 4.3m (or around 8psi). The LC-3CP-MD pump may be used submerged or not submerged. The standard motor is a 1 Phase 115V or 230V 0.05 horsepower motor, which can be run on either 50 or 60 hertz (there are performance differences between the hertz options). The maximum internal pressure the pump can tolerate is 25psi, and the maximum liquid temperature is 130 °F or 54°C. The March LC-3CP-MD centrifugal magnetic drive pump is capable of handling fresh water, salt water, and mild chemicals.

MP11003 Magnetic Drive Pump LC-3CP-MD Submersible 8.5 GPM 230V $445.00

Jabsco | Non-submersible Magnetic drive centrifug ...

Mag Drive Centrifugal Pump 21 GPM 110 Vac by JabscoÂ«. Whether you're a pro or boating for pleasure, make the most out of your boat and time on the water! Built with the highest quality standards and reliability in mind, every product is designed to suit your specific needs and requirements to maximize your enjoyment on the water. - Features: 21.13 GPM open Flow. 110V AC 60Hz. 3/4" NPT ports for easy connection. 18 foot head. Designed for applications that require a safe and leak free, continuous duty pump. Great for marine air conditioning circulation, Ice Makers, Hot water circulation, Livewell and Bait tank installations. Pump Head is manufactured in chemical resistant thermo-plastics - entirely non-metallic. UL listed, ignition and thermally protected fan cooled motor. -

J436981 Non-submersible Magnetic drive centrifugal pump 110v, 60w 21gpm $491.15

Jabsco | Centrifugal Pump Brass Sealless 8-12V

Brass sealless centrifugal pump. Magnetic drive hot water circulation pump. Flow rate: Up to 28 liters per minute (6.2 gallons per minute) at 0.12 bar (1.68 psi). Circulates water up to 80°C. Brass sealless centrifugal pump.

J595200000 $508.75

Jabsco | Centrifugal Pump Plastic Sealless 8-24V

Plastic sealless centrifugal pump. Commercial duty magnetic drive hot water circulation pump. Flow rate: Up to 26 liters per minute (5.7 gallons per minute)at 0.12 bar (1.68 psi). circulates water up to 80°C. Constructed of non-corroding materials. Handles aggressive liquids. Variable flow 5 settings. High efficiency. Low power consumption. Maintenance free. Quiet. Continuous rated.

J595300000 $547.95

March Pumps | Magnetic Drive Pump LC-5C-MD Submer ...

Submersible seal less centrifugal magnetic drive pump. It is capable of generating a maximum flow of 15 gallons per minute at 2ft, and its maximum head is 27ft (or around 11psi). The LC-5C-MD pump may be used submerged or not submerged. The standard motor is a 1 Phase 115V or 230V 0.125 Horsepower motor, which can be run on either 50 or 60 hertz (there are performance differences between the hertz options). The maximum internal pressure the pump can tolerate is 50psi, and the maximum liquid temperature is 130°F or 54°C. The March LC-5C-MD centrifugal magnetic drive pump is capable of handling fresh water, salt water, and mild chemicals.

MP496655 Magnetic Drive Pump LC-5C-MD Submersible 14.5 GPM 115V $857.55

MP496667 Magnetic Drive Pump LC-5C-MD Submersible 54.8 LPM 230V $1,034.15

Diaphragm Pumps

Jabsco | Par Max 1.9 Pressure Pump 25 Psi 12V ...

Par Max 1.9 water pressure system pumps have a built in bypass, resulting in less pulsation. Flow rate: 7 liters per minute (1.5 gallons per minute). Self-priming from dry up to 1.8m vertical lift. Smooth flow. Dry running capability. Soft noise absorbing mounts. Snap-fit port fittings 1/2" (13mm) hose barb. Max. Pressure 25 psi (1.7 bar). Reduces need for accumulator tank. 12V 3.5A. Fuse size 10A. 24V 2A. Fuse size 5A.

J312950092 Par Max 1.9 Pressure Pump 25 Psi 12V $150.95

J312950094 Jabsco Par Max 1.9 Pressure Pump 25 Psi 24V $157.75

Jabsco | Par Max 2.9 Pressure Pump 50 Psi 12V

Par Max 2.9 water pressure system pumps have a built in bypass, resulting in less pulsation. Flow rate: 11 litres per minute (2.9 gallons per minute). Self-priming from dry up to 3m (10ft). Smooth flow. Dry running capability. Soft noise absorbing mounts. Snap-fit port fittings 1/2" (13mm) hose barb. Max. Pressure 50 psi (3.4 bar). Reduces need for accumulator tank. 12V 4A. Fuse size 10A. Spare parts: Check valve assembly 18911-1030. Pressure switch (50 psi) 18916-1050.

J313950092 $163.35

Jabsco | Par Max 2.9 Pressure Pump 50 Psi 24V

Par Max 2.9 water pressure system pumps have a built in bypass, resulting in less pulsation. Flow rate: 11 litres per minute (2.9 gallons per minute). Self-priming from dry up to 3m (10ft). Smooth flow. Dry running capability. Soft noise absorbing mounts. Snap-fit port fittings 1/2" (13mm) hose barb. Max. Pressure 50 psi (3.4 bar). Reduces need for accumulator tank. 24V 2.2A. Fuse size 5A. Spare parts: Check valve assembly 18911-1030. Pressure switch (50 psi) 18916-1050.

J313950094 $170.65

Jabsco | Par Max 4.3 Water Pressure Pump 12V ...

Diaphragm pumps are self-priming and do not require pumped liquid for lubrication. They can run dry, liquid can be lifted 6 feet with no external check valves. Par Max 4: Four chamber diaphragm, and up to 4 outlets. Provides 4.3 gallons per minute. Ports are 1/2" threaded.

Par Max 4.3 Water Pressure Pump 12V

J316200092 $296.10

J316200094 Jabsco Par Max 4.3 Water Pressure Pump 24V $367.95

Jabsco | Par Max PLUS Pressure Controlled Pump 60 Psi 12V

PAR-MAXÃ– plus Next generation water pressure pumps. - Service up to five outlets with smooth flow and hassle-free operation - The high pressure capability of the new Jabsco Par-Max Plus Series water pressure pumps provides exceptional flow and consistent water pressure to easily handle the demand of multipleoutlets. All Par-Max Plus models include soft rubber mounts and quick connect fittings for ease of installation. Thepatented Par-Max Plus co-injected molded diaphragm and larger heavier duty motor brushes significantly extend pump life up to 50% longer than existing Jabsco Par-Max Series diaphragm pumps. - The Par-Max Plus series is self-priming up to 10' (3m) and can run dry without damage. It's manufactured fromcorrosion resistant materials, capable of handling the harshest marine environments. The Par-Max Plus series water pressure pumps are certified to EN ISO 8846 Marine (Ignition Protection).

J826000092 $307.75

Engine Cooling

Spx Johnson Pumps | Johnson Engine Cooling Pump F6B-9 Bronze

Pump body: Bronze. Ports: 1 1/4" hose. Cam: full standard, 1/2" optional. Impeller: Neoprene. Shaft seal: Lip type. Drive: Crankshaft pulley mounted. Replacement for Chevy Big Block, Alaska Diesel L6414A, Northern Lights 25-11030, Indmar.

JP024232 $356.25

Sherwood | Engine Cooling Pump G702 Bronze 1"

Sherwood Model G702 raw water engine cooling pump. For Onan 6.5 10kw. Onan # 132-0358. Impeller kit: 10077K. Inlet port: 1". Outlet port: 1"

PS00702 $464.50

Jabsco | Pedestal Pump Self Priming Bronze NPT 1"

Self-priming bronze pedestal impeller pump. Flow rate: Nominal 17.8 gallons per minute (80 litres per minute) at 1500 rpm. Self-priming from dry up to 7.8ft (2.4m). Constructed from marine quality bronze and stainless steel for ruggedness and reliability. Inexpensive to buy and operate. Easy to service and maintain. Will tolerate abrasive wear. Handles hard and soft solids without clogging. Can pump in either direction. Will not airlock. Body: Bronze. Impeller: Nitrile. Shaft: Stainless steel. Port 1" NPT Internal.

J007773 $561.50

Sherwood | Engine Cooling Pump M71 Bronze 1 1/4"

Raw water pump replaces Cummins #3907458, #3912019 and Sherwood M70. 4 Cylinder diesel/210 B. Inlet: 1 1/4". Outlet: 1 1/4". Replaces M70, M71-01. Impeller kit: 10615K. Minor repair kit: 23976. Major repair kit: 23977. Inlet port: 1 1/4". Outlet Port: 1 1/4".

PS00071 $656.00

Sherwood | Engine Cooling Pump GC1 Bronze 1 1/2"

Sherwood GC1 seawater pump for Cummins engines. Heavy duty design for pulley drive or long couple. Mechanical seal for extended seal life. Rear support bushing for load absorption. Ball bearing supported drive shaft. Neoprene impeller and Buna seal standard. Stainless steel shaft. GC1 Series pump shown. Minor repair kit: 23980. Major repair kit: 23981. Inlet port: 1 1/2". Outlet port: 1 1/2".

PS00001 $895.95

Sherwood | Engine Cooling Pump P1730C Bronze w/o Ports

Raw water pump replaces P1730X. Impeller kit: 17000K. Minor repair kit: 25124. Major repair kit: 25122. Inlet port: without ports. Outlet port: without ports.

PS01730 $915.50

Sherwood | Engine Cooling Pump P2708x Bronze w/o Ports

Sherwood P2708X engine cooling pump P2708X P-2708X. Cummins QSC. Port elbows not included.

PS02708 $990.95

Sherwood | Engine Cooling Pump GC5 Bronze 1 1/2"

Sherwood model GC5 raw water engine cooling pump. For Cummins diesel engines. Cummins # 3927684. Impeller kit: 15000K. Minor repair kit: 23980. Major repair kit: 23981. Inlet port: 1 1/2". Outlet port: 1 1/2".

PS00005 $1,104.65

Freshwater Manual Pumps

Aaa World Wide Enterprises | Economy Galley Foot Pump

Plastic foot pump, suitable for pumping freshwater and saltwater. Maximum output: 4 gallons per minute.

AT18551 $63.00

Whale Pumps | Babyfoot Galley Foot Pump

The Babyfoot pump is a self-priming, compact foot pump. Compact, low-cost, single acting. Useful in restricted spaces. Easy to install. Angled foot operation for more comfortable pumping. 8 liters per minute (2.2 gallons per minute). Hose connections: 13mm (1/2") barbed. Service kit: AK4615. The kit contains: Diaphragm, valves, 'O' rings, spring and screws. Maximum priming height: 1.5m (5ft).

MU04618 $76.95

Whale Pumps | Whale V-Pump MK6 Self Priming Verical Manual

Suitable for fresh and salt water. Ideal where space is limited. Angled spout and adjustable height. 8 liters per minute. Narrow mounting base allows installation for use between two sinks.

MU00650 $97.95

Whale Pumps | Flipper Pump MK4 ...

Can be installed on deck, through deck, on a bulkhead or through a bulkhead. Lightweight but robust construction in tough plastic. Easy access for cleaning and inspection (no tools required). Odor proof seals. High output pump: 75 liters per minute (20 gallons per minute). Maximum lift: 4.5 m (15 ft.) Maximum head: 4.5 m (15 ft). Rotatable body and inlet/outlet to suit the hose direction. Hose Connections: 38 mm (1 1/2"). Protected diaphragm and inspection port. Non choke valves. Suitable for pumping diesel. Service kit AK8050. Deck plate kit (Covered version) DP9906 & DP9905.

MU00418 Flipper Pump MK4 $134.25

MU00510 Henderson MK5 Manual Bilge Pump Universal $203.95

Whale Pumps | Gusher Galley Foot Pump MK3

A foot operated water pump that pumps fresh and salt water. Self-primes to maximum 2m (7ft) and operates dry without damage. Smooth double action. 15 liters per minute (4 gallons per minute). Multi directional inlet and outlet hose connections. Suitable for Quick Connect 15 mm and 1/2" flexible hose. 3 mounting options (including thru bulkhead). AK0553 service kit suitable for Mk3 only.

MU00550 $167.15

General Purpose Pumps

Jabsco | Water Puppy Pump Flexible Impeller 12V

Use for bilge pumping, livewell circulation, washdown and general pumping requirements. If bilge water contains significant amount of oil, the standard impeller should be replaced with impeller No. 6303-0003, which is an oil-resistant nitrile material. Can lift water up to 4 ft. Bronze pump head resistant to corrosive environments. 1/2" internal pipe thread and 1" external hose barb. 6.5 gallons per minute (32 liters per minute).

J186600 $257.40

Jabsco | Water Puppy Pump Flexible Impeller Commercial 12V ...

Commercial duty water puppy bronze DC pump. Use for bilge pumping, livewell circulation, washdown and general pumping requirements. For intermittent duty, motor may be reversed to empty bait tank. Flow: 8 gallons per min (30.4 liters per minute). Self-priming up to 1.2m (4ft). Small bilge debris present no problem to these bronze bodied, flexible impeller pumps. Ports: 1/2" internal pipe threads, 1" external hose barb, adapter for 3/4" external garden hose. Thread included. Dimensions: 3" (76mm) high, 6 7/8" (175mm) long. 12V, 11.5A, Fuse size 20A. 24V, 5A, Fuse size 10A. Impeller 6303-0003: Nitrile. Service kit 90061-0031 for impeller, 'O' ring and seal.

J186700123 Water Puppy Pump Flexible Impeller Commercial 12V $460.75
J186701 Jabsco Water Puppy Pump Flexible Impeller Commercial 24V $462.25

Jabsco | Centrifugal 'Cyclone' Pump Low Pressure 12V

A virtually silent running, low pressure, cyclone centrifugal pump. Flow rate: 100 litres per minute (22 gallons per minute)@ 1m head. Pressure up to 0.6 bar (8.7 psi). Heavy duty robust, stainless steel construction. Long-life DC motor. Rotatable head 90°. Anti-clogging impeller design. Port Type: 3/4" (19mm) Voltage: 12V DC.

J185104 $517.25

Jabsco | AC Utility Pump Bronze 115V

Bronze AC motor pump unit. Flow rate: up to 9.6 gallons/min, maximum head 40ft (17.3 psi). Self-priming from dry up to 2.4m (7.8ft) Features: Easy to service and maintain. Will tolerate abrasive wear. Handles hard and soft solids without clogging. Non pulsating flow.

Jabsco | Macerator Pump Serivce Kit 18598-1000

Service kit for 12V macerator pumps.

J185981 $92.15

Jabsco | Pump Service Kit 37182-0000

Spares parts for pump series 37201/37202. Service kit 37182-0000. Kit includes: connecting rod kit, diaphragm 37174-0000, valve set 30005-0000 and pulsation dampener 37179-0000.

J371821 $121.55

Jabsco | Major Pump Service Kit 50095-1000

Contains: Diaphragm. Diaphragm plate. Valve set. Pulsation damper.

J500951000 $135.50

Live Well Pumps

Rule | 500 Livewell Pump 12V

The 12V FC Tournament series pump is an innovative pump design. It includes new features like a quick one hand push-button motor cartridge removal system, rotatable base that allows you to position the discharge nozzle at any location, and threaded nylon hose barb attachments, which allow for various hose mounting options. Also included is a built-in dual port option, water-cooled housing and a positive snap motor cartridge locking mechanism. FC series seacock has a 1" straight pickup. Flow Rate 500 gallons per hour (1893 liters per hour).

J401501 $72.95

Rule I 500 Livewell Pump 12V

The 12V STC Tournament series pump is an innovative pump design. It includes new features like a quick one hand push-button motor cartridge removal system, rotatable base that allows you to position the discharge nozzle at any location, and threaded nylon hose barb attachments, which allow for various hose mounting options. Also included is a built in dual port option, water-cooled housing and a positive snap motor cartridge locking mechanism. STC series has a 4 3/4" straight pickup. Flow rate 500 gallons per (1893 litres per hour).

J401500 $79.85

Spx Johnson Pumps I 750 Livewell Pump 90 Degree Cartridge 12V

Livewell pumps in the 750 gallons per hour capacities have two different intake configurations of straight and 90°. Smaller profiles to fit in more confined spaces. Easy to change motor cartridge. Johnson pump cartridge aerator pumps offer the ease of convenience and years of reliable service.

JP038703 $85.95

Macerator Pumps

Shurflo I Macerator Pump 13 GPM 12V

Shurflo ®'s macerator pump is designed specifically for sanitation waste and fish box evacuations providing superior performance in harsh marine environments. The new pump incorporates a new seamless shell and splash proof design.

SR32001 $239.35

Spx Johnson Pumps I Johnson Macerator Pump 12V ...

This unit disposes of toilet waste with rotary cutter shredding waste. Pump body is phenol plastic with a steel cased motor complete with mounting bracket. Stainless steel shaft, with nitrile impeller and lip seal. Bronze shredder. 0.06kw motor. Inlet 38mm (1 1/2"). Outlet 25mm(1").

JP024453 Johnson Macerator Pump 12V $251.25
JP0244531 Johnson Macerator Pump 24V $285.50

Jabsco I Macerator Pump Self Priming 12V ...

Self-priming macerator pump, with run dry protection. This pump is the ideal solution for emptying holding tanks. Output up to 43 liters per minute (9 gallons per minute) at 3m total head. Maximum recommended total head 6m. 15 minute rated, for use with waste holding tanks up to 900 litres (200 gallons) capacity. Self-priming up to 0.6m vertical lift. Use also for emptying fish boxes and livewells (self-priming and grinding properties). Equipped with a new 4 blade design stainless steel cutter, it reduces particle size to 1/8" (3mm). Ports: Inlet 1 1/2 " (38mm) hose barb and 1 1/2" NPT (male). Outlet 1" (19mm) hose barb. 12V 16A. Fuse size 20A. 24V 8A. Fuse size 15A. Service kit 18598-1000 (fiber washer, stud, 2 gasket, impeller 6303-0003, body and seal).

J185901 Macerator Pump Self Priming 12V $287.25
J185902094 Jabsco Macerator Pump Self Priming 24V $304.55

Jabsco I Macerator Pump Self Priming 115V

The AC 115V 60hz macerator pump, is the ideal answer to waste handling problem. The macerator section grinds waste down to a particle size of 1/8" maximum so it can be pumped easily through a 1" hose discharge line. The pump is self-priming, permitting the unit to be mounted above or below the tank in a convenient location. Empty a 30 gal tank in only 3 min. This pump will macerate and pump all waste and tissue normally found in marine waste systems. It will not handle hard solid objects, sanitary napkins or rags. Port type: Inlet 1 1/2". External pipe thread outlet: 1" ID hose barb. Service kit: 18598-1000 (fiber washer, stud, 2 gasket, impeller 6303-0003, body and seal).

J186903 $1,086.75

Oil/Diesel Transfer Pumps / Electric

Jabsco I Drill Pump Kit 17215-0000

Use this self-priming pump for draining engine oil through a dipstick tube, scavenging jobs and many uses around the boat or home. Includes all the accessories required for changing oil through the dipstick tube

J172151 $74.75

Jabsco I Oil Change System w/Flat tank 3.5 gal & Pump 12V

Pump Body: Polypropylene, 3 Piston Design (Old Style Pump was a 2 Piston Design). Container: Flat plastic tank with 3.5 gallon capacity. Diaphragm: Geolast, oil resistant. Valves: Viton, oil resistant. Motor: 12V DC with integral power switch and power leads with alligator clips.

J178602012 $246.00

Walbro I Fuel Transfer Pump FR Series 12V

These FR series reciprocating fuel pumps are durable units suitable for commercial and industrial use. Designed for gasoline or diesel fuels and a wide variety of design configurations. An in pump fuel filter increases pump life if operated under dirty fuel conditions.

L1236802 $247.25

Shurflo I Oil Change System 12V

Incorporating Shurflo ®'s advanced motor technology that includes thermal overload protection, this oil change/winterizing system is self priming, easy to install and extremely versatile making perfect for a variety of uses including winterizing, oil changing and liquid transfer. One year warranty.

SR30004 $249.00

Walbro I Fuel Transfer Pump FR Series 24V

This FR series reciprocating fuel pumps is durable units suitable for commercial and industrial use. Designed for gasoline or diesel fuels and a wide variety of design configurations. An in pump fuel filter increases pump life if operated under dirty fuel conditions.

L1236803 $273.50

Flojet I 5 Diapragm Pump 4125 Series 12V

General purpose pumps are fitted with oil resistant elastomers, allowing pumping or transfer of diesel fuel, warm engine oil and liquids. Self-priming. May be mounted above the water line. Designed with heavy duty ball bearings, thermal overload protection and a continuous duty motor for long life. Provides quiet operation and smooth flow. Runs dry without harm to the pump. Voltage: 12V, 24V or 32V DC. Flow Rate: Up to 5 gallons per minute (18.9 liters per minute). Dimensions: 9.9" x 6.3" x 3.75" (252mm x 160mm x 95 mm). Strainer: Included with all models.

FJ41255021 $276.75

Spx Johnson Pumps | Oil Change Pump 12V w/Bucket

Insta-Lube Oil Change Package by SPX. Easy, Quick, No-Mess, No-Hassle Oil Change Package. Whether you're a pro or boating for pleasure, make the most out of your boat and time on the water! Built with the highest quality standards and reliability in mind, every product is designed to suit your specific needs and requirements to maximize your enjoyment on the water. Reliable, well designed & proven gear. pump technology. For marine or industrial applications. Portable & convenient. High temperature resistant dipstick tube. Heavy-duty alligator clips easily clamp directly onto battery. Use the easy pour spout to empty used oil in recycling container. 12 Volt.

JP65000 $289.00

Spx Johnson Pumps | Oil Change Pump 12V w/Reversi ...

Johnson Pump 10-24760-03 F3B-19 Oil Change Pump. Reversible rubber impeller pump with integrated quick reversing switch. Designed to remove old oil from the engine/fill new oil back into the engine. Designed to quickly fill or when reversed, drain a ballast tank at a rate of more than 45 L/min (12 GPM). Capable of pumping fresh or sea water the pump's robust design can handle the rigors of continues duty usage, is reversible, and has a built in thermal overload for added protection. Care not to run dry for extended periods of time will increase the pump longevity and ensure reliable performance for many years. Features: Oil-resistant impeller. Self-priming. Easy maintenance. Handle debris (bilge pumping). Specifications: Voltage: 12 V DC. Body: Bronze. Impeller: 09-843S-9. Seal: Lip seal. Connection: 3/8" NPT. Length: 6.7" (70mm). Width: 4.4" (113mm). Height: 4.5" (115mm). Weight: 4.5lbs (2.1kg).

JP24760 Oil Change Pump 12V w/Reversible Rubber Impeller $407.00

Jabsco | Oil Change Pump 12V ...

The Jabsco oil change pump is designed to be installed near a vessel's engine and permanently plumbed to the engine's oil pan. The pump can be used to remove old oil from the engine, then with the integral reversing switch, the flow direction can be changed to pump a measured amount of new oil back into the engine. The connection to the engine should be controlled by the 3/8" ball valve (provided)to guard against accidental oil discharge.

J178300012 Oil Change Pump 12V $424.10
J178300024 Oil Change Pump 24V $448.55

Jabsco | Vane Puppy Pump Light Duty 24V

This diesel transfer pump is ideal for transferring diesel fuel. It is self-priming to about three feet and can pump against a discharge head up to twenty feet. Flow rate: 6 gallons per minute (23 liters per minute), self-priming from dry up to 1m (3ft). The pump head may be mounted at 90° increments on the motor to allow mounting as needed. Shaft material: Stainless steel. Port type: 1/2" NPT female or 1" (25mm) hose barb. 18680-0940 light duty vane pump 24V, 5A. Fuse size 10A. Service Kit 90200-0001: 'O' ring, 5 vanes, rotor, seal.

J186800940 $511.55

Jabsco | Vane Puppy Pump Light Duty 12V

Primarily designed for transferring diesel and light oils. Pumps 5.5 gallons per minute and transfers diesel fuel from a 55 gal drum in 10 minutes. High torque motor with ball type shaft bearings. Bronze pump has ports with 1/2" internal pipe thread and 1" hose barb.

J186800920 $511.55

Jabsco | Vane Puppy Pump Reversible Rotary 12V

This pump is great for transferring diesel fuel, these pumps feature bronze bodies and vectra rotors and vanes that are not affected by petroleum products. Self-priming to 3' and can pump against a discharge head to 30' (Reversible model to 20'). Reversible pump features on-off reversing switch and is great for moving fuel between port and starboard fuel tanks. Flow rate: 6 gallons per minute (23 liters per minute). The pump head may be mounted at 90° increments on the motor to allow mounting as needed. Shaft material: Stainless steel. Port type: 1/2" NPT female or 1" (25mm) hose barb. 18680-1000 light duty vane pump 12V, 8A. Fuse size 15A. Service Kit 90200-0001: 'O' ring, 5 vanes, rotor, seal.

J186801000 $518.95

Jabsco | Diesel Transfer Pump Self Priming 12V

VR050 fuel transfer pump features: Faster refuelling 52 liters per minute (11 gallons per minute). High head capability 10 meters (32ft). Self priming up to 3 meters (9.6ft). Designed for refuelling medium sized diesel powered vehicles, typical tank sizes 200 to 500 liters (50 to 200 gallons) from drums. Suitable for diesel fuel, kerosene, paraffin, and hydraulic oils.

J501012 $571.75

Oil/Diesel Transfer Pumps / Manual

Lalizas | Siphon Hose Manual Self Priming 25 mm x 160 cm

Very unique self priming siphon with 160cm hose. Eliminates the risk of swallowing or inhaling harmful liquids. Easy to use. Just shake the siphon up and down rapidly and the built in check valve system primes the siphon. Works with many liquids such as water, gas, diesel, kerosene, thinners, paint, lubricants and solvents. Antistatic hose. Just set the pump end into your liquid and with a few shakes up and down you start the self priming action of the syphon. That's it, without any gas ending up in your mouth or on the ground.

LZ70003 $26.95

Aaa World Wide Enterprises | Multipurpose Hand Pu ...

Compact multipurpose hand pump does many draining and liquid transfer jobs yet is small enough to fit in tool or tackle box.

Multipurpose Hand Pump Self Priming Brass 9"

AT18533 $34.49

Whale Pumps | Easy Bailer Portable Pump Manual

Ideal for small boats and dinghies. Suitable for diesel transfer.

MU01935 $57.95

Jabsco | Little Pal Hand Pump

The Little Pal hand pump compact, multi purpose hand pump does many draining and liquid transfer jobs, yet is small enough to fit in tool or tackle box

J340601 $77.75

Jabsco | Handy Boy Hand Pump

Handy Boy self priming hand pump kit comes complete with adaptors, tubes, and hoses for dozens of applications. Ideal for engine crankcase pump out through the dipstick port, diesel fuel transfer, or bilge pump. Can also be used as an air pump to inflate air mattresses or blow out fuel lines.

J337991 $116.15

Pump Accessories / Accessories

Nuova Rade | Strainer, Horizontal Black Plastic, ...

Side entry bilge strainer. Hose + (mm) - 18/20/24. Output - Horizontal. Shape - Rectangular. Dimensions (mm) - 145x60x38.

Strainer, Horizontal Black Plastic, 145 X 60 X 38mm for 15 & 18mm Hose
LZ13942 $9.95

Jabsco | Bilge Strainer 3/4" 19mm Hose, Multi-Position

Connection for 19mm (+Ã¶) bore hose. Dimentions: -170mm long, 72mm wide, 60mm high. Prevents bilge debris from entering and choking pump suction hose or blocking pump.

J292901020 $26.95

Jabsco | Bilge Strainer 1-1/2" 38mm Hose, Multi-Position

Connection for 38mm (1+Ã¶) bore hose. 170mm long, 72mm wide, 60mm high. Prevents bilge debris from entering and choking pump suction hose or blocking pump.

J292901010 $28.75

Plastimo | Horizontal Round Strainer 25/38mm Hose

Horizontal strainer 25/28 mm.

PL418835 $40.25

Water Witch | Bilge Cycle Counter Digital Black Round 12V 2.25" x 2.5"

Pump cycle counters are used to foresee problems in the bilge. By comparing a counter's current cycle number against a known baseline cycle count, a worsening condition can be detected early. The BC100 Cycle Counter logs both of these pieces of information, by keeping current data and a 2 week cycle history available at the touch of a button. When the 'Display' button is pressed, the BC100 displays the pump count total since its last reset, followed by the total counts from the past 24 hour, 7 and 14 day periods. If the 24 hour, 7 day, or 14 day period cycle counts are flashing, it indicates that the power has been interrupted and the count for the period may be invalid. Another nice feature is that the display illuminates to alert you whenever the pump is running.

WW30100 $85.95

Rule | High Water Bilge Alarm 12V

The High Water bilge alarm consists of a float switch and an in-dash gauge that features both a visual and an audible 85dB alarm. This unit allows an unmanned compartment to be constantly monitored.

RU00033 $112.50

Spx Johnson Pumps | Shower Drain System 12V

A compact multiport, shower pump system meeting the higher demands of the boating industry. This unit incorporates an easily removable pump and inlet filter for cleaning which are visible through clear lid. The triple inlet ports allow connection to various hose sizes. As soon as water enters box the pump is activated and controlled by electromagnetic float switch. Suitable for showers, sinks, drains etc. For baths the lid requires extra sealing and venting. Lug fixing on base for floor mounting. 1000 gallons per hour, 12V.

JP010001 $193.75

Rule | Shower Drain System 12V ...

A compact, full capacity shower drain system. Automatically turns on after the water starts, and shuts off when the water is removed. Activated by a Rule-A-Matic ® float switch. Diameter: 8 1/4" x 11 1/4" x 5 1/2", (209.5mm x 286mm x 140mm). Flow rate: 11 gallons per minute (50 liters per minute). Multi ports: Inlet ports 3/4", 3/4", 1", 1 1/8", 1 1/2" (19mm, 19mm, 25mm, 28.6mm, 38mm). Discharge 3/4" (19mm). 12V 2.8A. Fuse size 5A . 24V 1.3A. Fuse size 2.5A.

RU00980 Shower Drain System 12V $195.95
RU09824 Shower Drain System 24V $210.25

Pump Accessories / Accumulator Tanks

Jabsco | Mini Accumulator Tank 0.6 L (25.5 oz) 0.7 psi ...

Compact pneumatic tank fits smaller systems or spaces. Allows for smoother faucet and shower flow by eliminating pulsations and water hammer, increasing pump life. The tank, which is pressurized to 10 psi, can be fine tuned to each system. Diameter 119mm x 337mm. Working volume: 1 liter.

Mini Accumulator Tank 0.6 L (25.5 oz) 0.7 psi
J305730003 $79.55
J305731 Accumulator Tank 1 L (33 oz) 10 psi $123.50

Jabsco | Pneumatic Accumulator Tank 2 gal (7 1/2 L) 75 psi

This large tank will smooth flow from faucets and shower, reducing pump cycling and eliminating pulsations and water hammer. Water is totally separated from air chamber and metal tank by a bladder and polypropylene tank liner. Mounts horizontally, vertically, or upside down. Working water volume: 0.9 gallon (3 1/2L). Mounts horizontally or vertically. Dia. 203mm x 320mm. Pre-pressurized to 20 psi. Tank may be fine tuned to cut-in pressure of pump.

J188101 $312.65

Shurflo | Accumulator Tank Stainless Steel 2 gal

Extend the life of your pump with this highly efficient, corrosion resistant, stainless steel accumulator tank. Minimizes motor heat rise, water hammer, switch operation and pump cycling. Smooth, steady flow and constant water temperatures are achieved with this high quality tank. This accumulator can be used anywhere smooth water flow is desired.

SR34002 $401.40

Sealand | Vaccum Tank For VacuFlush Toilet

The Sealand ® model 7291 VacuFlush vacuum tank stores the powerful vacuum force that evacuates the toilet bowl with every flush. Made of heavy gauge materials, impervious to corrosion. Flexible mounting options, install it vertically, horizontally or suspended from a ceiling. Includes clamps and cradle for floor or wall mount. 1 1/2" hose fittings. 25" mercury maximum. Use with any series of VacuFlush vacuum pumps.

DW29100 $639.95

Pump Accessories / In-Line Non Return Valves

Aaa World Wide Enterprises | In Line Non Return Valve 1" & 1 1/2"

Non return valve for both 1" and 1 1/2" ID hose.

AT11581 $11.25

Osculati | In Line Non Return Valve 1/2", 3/4" & 1"

Non return valve for 1/2", 3/4" and 1" ID hose.

OC1717653 $11.65

Lalizas | In Line Non Return Valve 3/4" & 1"

Non return valves are ideal for use with all bilge pumps. They feature a quick release clip, allowing you to service them easily and quickly. Their outlet connection allows the use of either a 3/4 to 1" hose.

LZ31345 $11.95

Osculati | In Line Non Return Valve 1", 1 1/4" & 1 1/2"

Non return valve for 1", 1 1/4" and 1 1/2" ID hose.

OC1717654 $14.95

Whale Pumps | In Line Non Return Valve 1" & 1 1/2" ...

Non return valves. Simple way to maintain prime in a suction or discharge line. Designed to fit in line. Suitable for use with manual or electric pumps . Available in 12mm (1/2"), 19mm (3/4"), 25mm (1"), and 38mm (1 1/2").

MU01215 In Line Non Return Valve 1" & 1 1/2" $28.49
MU01219 In Line Non Return Valve 3/4" $24.95

Jabsco | In Line Non Return Valve 1" ...

Jabsco in line non return valve.

J292951 In Line Non Return Valve 1" $28.95
J292952 In Line Non Return Valve 1 1/2" $28.95
J292953 In Line Non Return Valve 3/4" $28.95

Pump Accessories / In-Line Strainers

Aaa World Wide Enterprises | Economy In Line Strainer Large Mesh 3/4"

Keeps debris and particles from clogging your bilge pump, helping the pump run clearer, longer and cutting down on repairs. Uses clear plastic housing for quick inspection and easy cleaning. Available in 1/2" or 3/4" hose.

AT18521 $12.15

Jabsco | Repalcement Screen Fine Mesh 36138-0000

This fine mesh 50 replacement screen for the Pumpgard inline strainer keeps very small debris and particles from clogging your bilge pump, helping the pump run clearer, longer, and cutting down on repairs. Use in Pumpguard inline strainer 36400 series. These strainers have clear plastic housing for quick inspection and easy cleaning.

J361381 $15.65

Jabsco | Repalcement Screen Coarse Mesh 36139-0000

This coarse mesh 20 replacement screen for the Pumpgard inline strainer keeps very small debris and particles from clogging your bilge pump, helping the pump run clearer, longer, and cutting down on repairs. Use in Pumpguard inline strainer 36200 series. These strainers have clear plastic housing for quick inspection and easy cleaning.

J361391 $17.55

Jabsco | Strainer Service Kit, Stainless Steel Coarse mesh

Strainer Service Kit, Stainless Steel Coarse mesh. Jabsco 18753-0020.

J187530020 $20.15

Jabsco | Strainer Service Kit, Stainless Steel Fine Mesh

Strainer Service Kit, Stainless Steel Fine Mesh. Jabsco 18753-0040.

J187530040 $21.15

Jabsco | Pumpgard Inlet Strainer 20 Mesh Barbed-Barbed 3/4" ...

Prevents unnecessary pump breakdowns caused by particles in the water. Transparent housing allows instant inspection. Screw off top allows quick in-place cleaning and removal of debris. Mesh stainless steel filter screen.

Pumpgard Inlet Strainer 20 Mesh Barbed-Barbed 3/4"
J462001 $27.25
J464001 Pumpgard Inlet Strainer 20 Mesh Barbed-Barbed 3/4" $27.55
J464002 Pumpgard Inlet Strainer 40 Mesh Barbed-Barbed 1/2" $27.55
J464003 Par Max Pumpgard Inlet Strainer 40 Mesh Barbed-Plug In 1/2" $27.55
J464004 Fresh Water Pump Inlet Strainer 40 Mesh Thread-Thread 1/2" $27.55

Jabsco | Pumpguard Inline Strainer 20 Mesh 3/4"

This inline strainer keeps debris and particles from clogging your bilge pump, helping the pump run clearer, longer and cutting down on repairs. Uses clear plastic housing for quick inspection and easy cleaning. Ports are 3/4" barb.

J362001 $33.35

Jabsco | Pumpguard Inline Strainer 50 Mesh 1/2"

This inline strainer keeps debris and particles from clogging your bilge pump, helping the pump run clearer, longer and cutting down on repairs. Uses clear plastic housing for quick inspection and easy cleaning. Ports are 1/2" NPT male thread. Use 36138-0000 for fine screen mesh replacement part.

J364002 $36.49

Jabsco | Pumpguard Inline Strainer 50 Mesh 1/2"

This inline strainer keeps debris and particles from clogging your bilge pump, helping the pump run clearer, longer and cutting down on repairs. Uses clear plastic housing for quick inspection and easy cleaning. The 36400-0000 ports are 1/2" barb and the 36400-1000 ports are 1/2' thread.

J364001 $36.49

Pump Accessories / Switches

Spx Johnson Pumps | Bilge Float Switch Automatic

Regarded as one of most reliable float switches on the market. Its versatile use makes it useable with 6, 12, 24, or 32V DC bilge pumps. Micro switch uses no mercury. Comes with 5 year warranty.

MF26012 $24.50

Water Witch | 101 Bilge Switch Automatic 15A 12V

Mercury free, this bilge switch is simple to install and it mounts at any angle. Oils and fuels will not activate the switch, it has a Delay On feature to avoid false pump cycles and the Delay Off controls standing water level. It is electronic so no wear, sticking, or electrolysis to worry about. Pump dimensions: 2" x 1.34" x 1".

WW00101 $43.50

Rule | 3-Way Control Panel w/Fuse For Bilge Pumps 12V

This 3-Way switch panel controls any pump equipped with an automatic float switch. Toggle has three positions, automatic, off, or manual and has a "fail safe" spring return to "off" from the "manual" position. Panel is black stainless steel and has red indicator light and fuse holder.

RU00041 $49.15

Mpi Marine Products | Sure Bail Float Switch Automatic 12V

Electronic float switch starts pumps reliably. Features a dependable electronic, solid state relay switch sealed in a polyurethane foam float. May be operated manually by rotating the external shaft.

NR11100 $49.69

Rule | 3-Way Control Panel w/Fuse & Rocker Switch ...

This 3-Way lighted rocker switch panel controls any pump equipped with an automatic float switch. This unit features a black plastic panel. It has a built in fuse holder and an internally lighted rocker switch with three positions, automatic, off, or manual and has a "fail safe" spring return to "off" from the "manual" position.

3-Way Control Panel w/Fuse & Rocker Switch For Bilge Pumps 12V
RU00043 $50.50

Rule | 3-Way Control Panel w/Fuse For Bilge Pumps 24V

This 3-Way lighted switch panel controls any pump equipped with an automatic float switch. Toggle has three positions, automatic, off, or manual and has a "fail safe" spring return to "off" from the "manual" position. Panel is black stainless steel and has red indicator light and fuse holder.

RU00042 $51.15

Rule | -A-Matic Float Switch Bilge 12V

The Rule-a-matic ® switch Is the choice of many yachtsman and boat builders. It also features completely sealed metal capsules. Maximum 14A. 2" x 4 1/2" x 1 1/2".

RU10350 $53.75

Blue Sea | Water Resistant Bilge Pump Control Pan ...

Contura Water Resistant 12V DC Panel - Bilge Pump Control. Designed for flybridge and open cockpit applications. (ON)-OFF-AUTO Contura Switch. Watertight mounting gasket. Fuse holders accept commonly available AGC and MDL glass fuses. "ON" LED embedded in switch indicates pump is running. Completely wired and ready to install.

BS08263 Water Resistant Bilge Pump Control Panel w/Contura Switch 12V $58.95

Water Witch | 230 Bilge Switch Automatic 15A 12V. ...

A submersible electronic bilge pump switch which allows boat owners to forever rid themselves of the archaic outdated float switch. They have no moving parts, requires no adjustments and works in an oily bilge. This eliminates the chance of your battery dying or your pump burning out because of a failed mechanical switch.

WW23012 230 Bilge Switch Automatic 15A 12V. $64.50
WW23024 Water Witch 230-24 Bilge Switch Automatic 15A 24V. $71.49

Rule | -A-Matic Float Switch 40A 12V

The Rule-A-Matic ® represents the latest in innovation and design. New highly abrasion resistant wires exit the top, keeping them out of the water. Dual level anti clog water slots provide performance and protection. For use with pumps drawing up to 20A.

RU00040 $68.75

Spx Johnson Pumps | Ultima Switch Bilge 20A 12/24V

New digital technology uses the patented Mirus field effect detector cells, producing micro-electrical fields that detect disruptions caused by water and fluids. Detector cells are never in contact with the water, will not corrode and are not affected by oil or foreign debris. No moving parts, no mercury and no exposed sensors. Activates at a 2" fluid level and deactivates at a 3/4"inch fluid level. An eight second delay prevents false starts. Ultima switch is rated to handle pumps up to 20A at 12V or 24V.

JP36303 $70.95

Rule | Super Float Switch Bilge 12V

The Super switch is environmentally responsible. Completely metal sealed capsules enhance flawless operation. Designed for the toughest applications and backed by a two year warranty. Maximum 20A. 2" x 5" x 2".

RU10370 $79.75

Ultra Safety Systems | Ultra Pump Switch JR Automatic Bilge 12V ...

Automatic bilge float switch. 6 1/4" x 2 1/2" (1 1/4" on/off differential). Specify 12V at 15A U.L. or 24/32V at 10A U.L. (30A relay). Five year warranty.

Refrigeration Pumps

Flojet | Quad II Circulation Pump Diaphragm 12V

This is a continuous duty, low flow, low amp pump. Designed to self-prime up to 6ft suction lift. This pump is quiet running. The Quad II is able to run dry with no damage. Flow rate: up to 1.5 gallons per minute (5.7 liters per minute). Port size: 3/4" hose barb. Motor continuous use: 12V. Amp draw: 1.5A. As a self-priming feeder pump it is designed to maintain a steady supply of water to an R.O. unit. As a self-priming, low flow refrigeration circulation pump it is designed to eliminate air locks and loss of prime when the boat heals or is in rough seas. Service kit 20409-043.

J4105512 $228.15

Flojet | Quad II Circulation Pump Diaphragm 24V

This is a continuous duty, low flow, low amp pump. Designed to self-prime up to 6ft suction lift. This pump is quiet running. The Quad II is able to run dry with no damage. Flow rate: up to 2.0 gallons per minute (7.5 liters per minute). Port size: 3/4" hose barb. Motor continuous use: 24V. Amp draw: 1.3A. As a self-priming feeder pump it is designed to maintain a steady supply of water to an R.O. unit. As a self-priming, low flow refrigeration circulation pump it is designed to eliminate air locks and loss of prime when the boat heals or is in rough seas. Service kit 20409-043.

J4105524 $234.50

Washdown Pumps & Fittings

Hosecoil | Thumb Lever Nozzle w/Adjustable Spray Pattern

The Thumb Lever nozzle has an adjustable spray pattern with an on/off thumb flow control lever, and a soft contoured rubber grip for easy comfortable handling.

HS00810 $16.50

Hosecoil | Hose Self Coiling Flex Relief Blue 15 ft ...

HoseCoil ® 15ft and 25ft hoses are lightweight, self coiling hoses. The hoses are built with standard 3/4" field serviceable solid brass fittings. A HoseCoil ® hose is the perfect solution for using and storing a hose.

HS01511 Hose Self Coiling Flex Relief Blue 15 ft $32.95
HS03025 Hose Self Coiling Flex Relief Blue 25 ft $46.15

Hosecoil | Power Lever Nozzle w/Adjustable Spray Pattern

Power Lever nozzle is perfect for high volume applications. With an adjustable spray pattern with an on/off large handle flow control, and soft contoured rubber grip.

HS00820 $32.95

Hosecoil | Firehose Nozzle w/Adjustable Spray Pattern

HoseCoil ® Firehose nozzle works best for high volume applications. The nozzle is a chrome plated brass with a twist adjustable spray pattern.

HS00500 $41.25

Whitecap | Hose Self Coiling Flex Relief w/Nozzle Blue 50 ft

Polyurethane coiled hose with adjustable nozzle length. Light weight, easy to stow and easy to use. High quality brass fittings.

WC004421 $51.55

Whitecap | Hose Self Coiling Flex Relief w/PVC Mounting Case Blue 25 ft

Polyurethane coiled hose with adjustable nozzle length, PVC molded case and fitting accessories.Light weight, easy to stow and easy to use. High quality brass fittings. Mounting case dimensions 18" x 8".

WC00443 $130.25

Jabsco | Washdown Pump 60 Psi 12V

Jabsco washdown pump, 3 Chamber, 12V DC 32605 series. Flow rate to 4.0 gallons per minute (15 Litres per minute). Self-priming up to 6ft (1.8m). Sealed motor. Body: Glass filled polypropylene. Port type: 3/4" (19mm) hose barb. Shut off pressure: 60 psi (4.1 bar). Voltage: 12V DC. Motor: Permanent magnet. Weight: 5lb (2.1kg). Includes: Pumpgard intake strainer, pressure nozzle and port fittings. Does not include: Hose coil.

J326050092 $210.10

Jabsco | Par Max 3.5 Pressure Pump 40 Psi 12V ...

This conventional pressure switch controlled pump enjoys the same pulsation free 3 chamber diaphragm design as Par Max 2.9 & 1.9, but incorporates a heavy duty motor, giving higher flows & long life for such a small footprint. Like all Jabsco pumps it is inherently quiet, self-priming up to 3m (10ft) and can run dry without damage. Quick connect fittings: 2 x 1/2" male included. Flow rate: 2.9 gallons per minute (13 liters per minute). Shut off pressures from 20 psi (1.4 bar) to 40 psi (2.8 bar). Weight: 5.0lb (2.4kg). 12V model. Fuse 15A. 24V model. Fuse 10A. Spare parts: Pressure switch 18916-1025 (25 psi), 18916-1040 (40 psi). Check valve assembly 18911-1030.

J326000092 Par Max 3.5 Pressure Pump 40 Psi 12V $221.95
J326000094 Jabsco Par Max 3.5 Pressure Pump 40 Psi 24V $226.75

Spx Johnson Pumps | Washdown Pump Kit Aqua Jet 3.5 gpm 12v

Quiet and pulsation-free, the Aqua Jet five-chamber diaphragm pump provides the perfect deck wash solution for both small and medium sized recreation boats. This pump is the ideal choice for washdown applications, making clean-up faster and easier with a pressure of 70 psi (5 bar). This system is designed for use with any common quick-connect coil hose (sold separately). Features: 3.5 gpm, self-priming, wash down pump with 70 psi pumping power. Integrated pressure switch turns pump on and off automatically. Utilizes easy to use quick-connect fittings. Pump can run dry without damage. Suitable for both fresh and salt water. Includes: pump, inlet strainer and spray nozzle, and these male quick connect adapters - 1/2" NPT, 3/4" . GHT, 1/2" hose, 3/4" hose, 3/8" BSP .

JP133399 $230.95

Flojet | 4.5 Washdown Pump 4325 Series 12V ...

This is a heavy duty, deck wash pump. Self-priming, diaphragm pump up to 2.4m vertical lift. Flow rates up to 17 liters per minute (4.5 gallons per minute), pressure switch control, capable of pressures up to 2.8 bar (40 psi). Ideal for cleaning leisure boats, fish boxes, anchor chains and dinghies. All models include strainer, 'L' also includes a nozzle. Quick-connect plug-in ports for easy installation. Port type 3/4" hose and 3/4" thread included. 12V, 6.0A. 24V, 3.0A. Service kit 20409-043. Check valve assembly 20407-030. Pressure switch 02090-118.

FJ43251439 4.5 Washdown Pump 4325 Series 12V $328.15

FJ43253439 Flojet 4.5 Washdown Pump 4325 Series 24V $353.55

Spx Johnson Pumps | Washdown Pump Kit Aqua Jet 5.2 gpm 12v

19 l/min (5.2 GPM) wash down kit conveniently includes a high capacity Aqua Jet WD 5.2, 5 bar (70 psi), PUMProtector inlet strainer, spray nozzle, bulk head fitting with valve, 7.5 meters (25') of coiled wash down hose and an illuminated panel switch all in one package. Aqua Jet wash down pump kit makes it easy to add a wash down pump to any boat. - Features Whisper quiet operation Five-chamber construction Smooth flowing Self-priming Easy, low cost maintenance Quick-connect hose Integrated pressure switch Long service life

JP64534 $333.49

Jabsco | Washdown Kit 12VDC 6GPM SW70

Hot Shot Series w/25' HoseCoil 70 PSI high Pressure washdown Pumps - What makes the New Hotshot Series washdown pumps the weapon of choice for fish box, scaling, boat and anchor chain cleaning, and idea for the harshest marine environments? A hard-fought reputation backed by over 35 years ofoperational excellence - proven with over 7 million Jabsco diaphragm pumps in service worldwide. - The time for the next generation of Par-Max Series washdown pumps is now, and we didn't hold anything back.The new Hotshot Series robust five chamber, patented co-injected molded diaphragm and larger heavier dutymotor brushes significantly extend pump life up to 50% longer than existing Jabsco Par-Max Series diaphragmpumps. While other manufacturers claim extreme performance, Jabsco's Hotshot Series proves it with itsunmatched 6.0 GPM (22.7 lpm) model. - Jabsco Hotshot Series washdown pumps are available in 4.0 (15.1 lpm), 5.0 (18.9 lpm) and 6.0 GPM (22.7 lpm)with pressures up to 70 PSI (4.8 bar) and are self-priming up to 10ft. (3m).

J829060092 $358.95

Jabsco | Ultra 6 Washdown Pump 24V

6 GPM HotShot Washdown Kit - 24V DC, with Strainer, 25 ft Hose, and Nozzle.

Waste Pumps / Electric

Whale Pumps | Whale Watermaster Pump 45 Psi 24V

NEW Whale Watermaster Automatic Pressure Pump. For more than a decade we have refined our pressure pump designs to ensure long term reliability and efficient performance. The Whale Watermaster gives smooth consistent flow at a variety of outlets. - POWER - High flow rates at a variety of outlets. Smooth Constant Flow. Self Priming Up To 3m (10ft). - PERFORMANCE - Quiet Operation. Automatic Operation - Plug 'n' Play. Easy Installation - Suitable For 15mm Quick Connect Plumbing or +" threaded hose connections. Suitable For Use With Salt or Fresh Water. - PLUS PROTECTION - Fully Sealed Protective Motor Housing. Completely Integrated Electronics. IP65 Rated - No Water Ingress. Runs Dry Without Damage. Includes strainer to protect pump from debris.

MU01225 $160.25

Flojet | 3.3 Shower Drain Pump Self Priming Quad Series 12V

This is a transfer pump for shower and grey water. It runs dry without damage to pump. Available in 12V DC it includes plug in ports for easy installation. Two 1/2" barbs, 3/4" port fittings. 3.3 gallons per minute (12.5 liters per minute), 4A, 10 psi (0.7 bar).

FJ41051431 $208.50

Whale Pumps | Whale Gulper 220 Waste Pump 12V

This Gulper 220 shower drain and waste water is capable of pumping up to 14 liters per minute (3.7 gallons per minute). Can run dry without damage and pump a mixture of air and water. Especially designed to pump waste water, it has a large single diaphragm and non-choke valves. Quiet running. No filter. required, Self-priming up to 3 m (10 ft). Easy to install in confined spaces. Double outlet valves, ensuring continuous flow. The multi directional head ensures it can be mounted almost anywhere . Low power consumption. 12V pump. 2.4A. Fuse size: 5A. Hose connections: 19 mm (3/4"). Maximum head: 3m (10ft). Maximum self-priming: 3m (10ft). Maximum head and Lift: 4m (13.5ft).

MU01552 $281.15

Whale Pumps | Whale Gulper 220 Waste Pump 24V

This Gulper 220 shower drain and waste water is capable of pumping up to 14 liters per minute (3.7 gallons per minute). Can run dry without damage and pump a mixture of air and water. Especially designed to pump waste water, it has a large single diaphragm and non-choke valves. Quiet running. No filter. required, Self-priming up to 3 m (10 ft). Easy to install in confined spaces. Double outlet valves, ensuring continuous flow. The multi directional head ensures it can be mounted almost anywhere . Low power consumption. 24V pump. 1.2A. Fuse size: 2.5A. Hose connections: 19 mm (3/4"). Maximum head: 3m (10ft). Maximum self-priming: 3m (10ft). Maximum head and Lift: 4m (13.5ft).

MU01554 $289.50

Whale Pumps | Whale Gulper 320 Waste Pump 12V ...

Gulper 320 high capacity waste pump. Faster drainage. Whale Gulper technology non choke valve system for reliability. Easy installation. Easy maintenance, new patented reinforced Ezi clamp locking ring, simply twist and screw to lock pump head in desired position. Head rotates 360° to suit your installation. Three foot design for easy and secure fit to uneven surfaces. More secure installation, wrap around securing strap means that pump stays in place even under extreme vibration conditions. Barbed connections for either 19mm (3/4") or 25mm (1") hose size. Fuse size 10A, 12V and 5A, 24V.

MU02052 Whale Gulper 320 Waste Pump 12V $310.15

MU02054 Whale Gulper 320 Waste Pump 24V $310.15

Jabsco | Bilge Pump Self Priming Diaphragm 12V ...

Shower drain and bilge pump. Robust single diaphragm design sink and shower drain pump. Flow rate: Nominal 16 liters per minute (3.5 gallons per minute). Self-priming from dry up to 3m (10ft). Flexible installation. No filter required. Compact and simple design. Dry running capability. Port Type 19mm (3/4") hose barb. Weight 6.5lb (2.98kg). 12V 8A. Fuse size 10A. 24V 2.5A. Fuse size 5A. Service kit: SK880.

J508801100 Jabsco Bilge Pump Self Priming Diaphragm 24V $331.95

Spx Johnson Pumps | Viking Power 16 Bilge/Waste W ...

Compact shower drain, bilge and waste water pump. Specifically designed to pump waste water, the Viking Power 16 is an ultramodern, single-chamber self-priming diaphragm pump that can be set up in several different pump/motor configurations. - Perfect for installation in tight spaces, the Viking Power 16 can be installed anywhere after the drain outlet in the wastewater system or as a bilge pump in any leisure craft -- new or used. Compact, robust and adaptable the Viking Power 16 has KlickTiteÃ– XL connectors fitted as standard, literally making hose connections a snap! (Delivered with 1" & 3/4" hose and 1/2" BSP (NPT) KlickTiteÃ– XL connectors.) - The Viking Power 16 features non-choke valves, which means that no in-line filters are necessary. The pump can not only be run dry, it can also handle a mixture of air and water without difficulty. The Viking Power 16 is self-priming up to a height of 3 meters. - With its low pulse and muffled rubber bracket, this pump offers quiet operation. The Viking Power 16 has been built to last, and engineered for easy maintenance. When it comes time to replace the premium grade reinforced nitrile rubber diaphragm, you can put in a spare without [...] more at islandwaterworld.com

Whale Pumps | Whale Grey IC Waste Pump 12V ...

Complete pre wired grey waste system that automatically handles waste from multiple drains using the high capacity Gulper IC pump. Fast drainage up to 19 liters per minute. The soft start/stop protects the pump for long life. Fit and forget, maintenance free.

MU18284 Whale Grey IC Waste Pump 12V $503.95
MU18484 Whale Grey IC Waste Pump 24V $438.25

Spx Johnson Pumps | Viking Power 32 Bilge/Waste W ...

The Viking Power 32 and Viking Power Vacuum diaphragm pumps have been designed to meet the rigorous demands of the worldÃ†s leading manufacturers of boats, recreational vehicles and busses. Thanks to its single-chamber design and non-choke valves, the Viking Power 32, can be used to pump un-macerated sewage to a holding tank or transfer it onwards to a septic tank. The Viking Power Vacuum has double check-valves and can therefore also be used in vacuum toilet systems. Naturally, pumping ordinary shower or sink drain water or bilge water is no problem for either pump. - Like the Viking Power 16, this new pump has been engineered with a ball-bearing supported transmission for long service life. The pump can not only be run dry, it can also handle a mixture of air and water without difficulty. The Viking Power 32/Vacuum provides maximum flow of 32 liters per minute and is self-priming up to a height of 2.5 (32) or 3.5 (Vacuum) meters. - Although powered by an electric motor, this pump can also be cranked by hand in an emergency. The pump has been designed to prevent the leakage of unpleasant odors; and the Viking Power 32/Vacuum can be installed in a variety of different positions. [...] more at islandwaterworld.com

Waste Pumps / Manual

Whale Pumps | MKV Manual Sanitation Pump

Can be mounted in various orientations or positions: BP0527 Bulkead. BP0535 Thru Deck. Tough plastic housing keeps in nasty smells. Easy to clean (no tools required). Large unblockable valves. High quality ABS plastic. Maximum priming height: 4m (13.5ft). Maximum head: 4m (13.5ft). Flow 56 liters per minute (14.8 gallons per minute). Hose Connections: 38 mm (1 1/2") inlet/outlet. Service kit AK8050.

MU00535 $248.75

Water Pressure Systems

Flojet | 1.0 Mini Water Pump LF-12 Series 12V

Flojet's LF-12 series pumps are available as automatic (pressure switch) pump. This pump is ideal for smaller boats and caravans or anywhere a larger flow output is not required. Its twin chamber double diaphragm design means it can run dry for short periods without damage. Designed for intermittent duty, it has a 4ft (1.2m) lift and has 3/8" (10mm) pump inlet and outlet hose barbs. Delivers 4.3 liters per minute.

FJ12220201 $107.50

Jabsco | Par Max 2.9 Pressure Pump 40 Psi 12V

Par Max 2.9 pressure-controlled pump is a 12V DC multi diaphragm design, self priming to 1.8m vertical lift and can run dry without damage. Quiet running. Motor protected by automatic thermal overload cut-out. Includes bypass feature to provide smooth, quiet flow. No need for accumulator tank. Connections: 13mm (1/2") bore hose or push fit connectors CW193. Dimensions: 230mm long, 152mm wide, 110mm high. Fuse Size: 10A. Maximum Current: 4.4A. Output: 11 litres per minute (2.4 gallons per minute) open flow. Pressure switch: Cuts in at 1.4 bar (20 psi), cuts out at 2.7bar (40psi). Efficient, high flow, self-priming pump serving 2 or more outlets. Packaged dimensions: 17cm x 11cm x 34cm. Actual Weight: 1.80kg.

J313950392 $164.50

Jabsco | Smooth Flow Pump Controller VSD 12/24V

Provides smooth quiet water flow without pulsation. Variable speed drive (VSD) converts everyday pumps into sensor-controlled pumps that automatically adjust in real time to changes in pressure. As more or less flow is required the pump adjusts the voltage to your existing pump motor providing smooth and pulsation free water flow. Adjusts for multiple fixtures. Eliminates temperature variation. Eliminates need for space consuming accumulator tank. Works with most multi chamber diaphragm water pressure pumps. Easy to install. Simple in line installation. Runs on 12 or 24V DC input. Not compatible with Flojet 4405 and Jabsco 31295 and 31395 series pumps.

J317770000 $173.45

Shurflo | Aqua King Fresh Water Pump 3.0 GPM 12V

The Next Generation Shurflo ® Aqua King guarantees quiet and smooth performance while providing the ultimate in durability and reliability. Designed and built specifically for the harsh marine environment the Aqua King is equipped with a sealed switch and e-coated motor. The new design can operate at 55psi, which virtually eliminates cycling. Fittings included. Ignition protected. Thermally protected.

SR39010216 $174.05

Shurflo | Blaster II Washdown Pump 3.5 GPM 12V

The Blaster II is perfect for tough washdown applications, such as fish box, scaling, and anchor chain cleaning. These rugged self-priming pumps deliver high lift, can run dry without damage, and won't overheat with extended use. Pumps are ignition protected and switches are sealed against water damage. Includes Blaster nozzle and fittings that accept 1/2" I.D. hose.

SR423812 $199.75

Flojet | 2.8 Water Pressure Pump w/Internal Bypass 4405 Series 12V ...

This pressure controlled pump with an internal bypass, pumps 2.8 gallons per minute (12.5 liters per minute) and delivers smooth, steady water flow from 1 to 3 gallons per minute, without the need for an accumulator tank. The special internal bypass feature eliminates pulsating water and pressure switch chatter. Designed for up to 5 fixtures. Runs dry without harm to the pump. Includes plug-in ports for easy installations.

FJ44051431 2.8 Water Pressure Pump w/Internal Bypass 4405 Series 12V $209.25
FJ44053431 Flojet 2.8 Water Pressure Pump w/Internal Bypass 4405 Series 24V $232.95

Spx Johnson Pumps | Johnson Aqua Jet 3.5 Water Pr ...

The new generation of wash down pumps. 12V or 24V DC. Quiet and pulsation-free, the new Aqua Jet five chamber diaphragm pump from SPX Johnson provides the perfect deck wash solution for both small and medium sized leisure and commercial boats. With a pressure of 5 bar, clean-up is faster and easier than ever before. Features: Whisper quiet operation. Five chamber construction. Self-priming. Easy, low cost maintenance. Quick-connect hose or threaded connectors available. Inline strainer and trigger nozzle included as standard. Long service life.

JP13395 Johnson Aqua Jet 3.5 Water Pressure Pump 12V $214.95
JP1339903 Johnson Aqua Jet 3.5 Washdown Pump 12V $233.75

Shurflo | Blaster II 24v 3.5GPM Washdown Pump w/Fittings & Nozzle

The Shurflo 4238-141-E07 replaces the old 3901-3214 is a marine grade ignition protected 24v DC automatic pressure pump with 4 diaphragms in Santoprene and the valves in EPDM which make this pump suitable for pumping fresh or salt water, dilute herbicides as well as low concentrations of most weedicide and some insecticide sprays. Supplied with a sealed pressure switch with check valve, thermal overload protection and the ability to run dry without damage, this is a very usefull 24v DC pump. This pump will lift water from 1.8m and has a maximum flow rate of 13.2 litres per minute.

SR4238141 $217.50

Spx Johnson Pumps | Johnson Aqua Jet 5.2 Water Pr ...

The new generation of water pressure pumps. Quiet and pulsation free even at low speeds, the new Aqua Jet, five-chamber diaphragm pump, from Johnson SPX provides the perfect water pressure solution for both small and medium sized leisure and commercial boats. The pump is fitted with a built in pulsation dampening by-pass to control unwanted cycling and noise. Features: Whisper quiet operation. Five chamber construction. Self-priming. Easy, low cost maintenance. Quick-connect hose or threaded connectors available. Pressure switch standard. Long service life.

JP13406107 Johnson Aqua Jet 5.2 Water Pressure Pump 12V $313.95
JP13406108 Johnson Aqua Jet 5.2 Water Pressure Pump 24V $328.25

Whale Pumps | Whale Fresh IC Freshwaster Pump 24V

The new Fresh IC freshwater pump prevents rapid cycling without sacrificing flow and performance. Quick Connect inlet and outlet ports. Pumps 13 liters per minute. Feet rotate to suit existing installations. Ingress protection rating IP65. Freshwater pressure pump with automatic intelligent control built in. Monitors and responds to variations in the whole system eradicating water cycling, hammering and power spikes. Maintains performance and pressure throughout the system. Maintains flow in restrictive systems. Soft start protects the pump for long life. High performance at a range of outlets. Runs dry without damage. Consistent flow even at high back pressure. Eliminates the need for an accumulator tank. Strainer included. It provides 30% more flow and 45% more pressure in a typical shower than VSD pumps.

MU05084 $324.25

Jabsco | Par Max PLUS Pressure Controlled Pump 60 Psi 24V

Automatic water system pump. Self-Priming. Runs Dry Without Damage. Smooth Flow. Snap-in Ports. Pressure Switch Built-in. The Par-Max Plus Automatic Water System Pump is designed for self-contained boats and RV's with multiple fixture water systems. The system operates automatically. When a fixture is opened, the pump begins operation to provide a smooth flow from tank to faucet. Closing the faucet automatically shuts the pump off. Jabsco- Par-Max Plus Water System Pump 24V, Up To 6.0GPM, 60psi Switch, "Large Format" Snap-In Port Fittings.

SHURFLO Aqua King II Supreme 5.0 Fresh Water Pumps deliver quiet operation and smooth performance while providing the ultimate in durability and reliability. Features: Adjustable by-pass fresh water pump for multi-fixture applications. Pump designed for general fresh water transfer. 4-chamber diaphragm pump. Intermittent duty, permanent magnet motor. Can run dry without damage. Thermal overload protection with automatic restart. Ignition Protection 8846, CE, IMCI Certified.

SR4158163 $433.35

Jabsco | VFLO 5.0 Pressure Pump 25 Psi 12V ...

Jabsco ®'s V-FLO variable flow, constant pressure water pumps now feature the revolutionary new DiMOND technology designed to automatically diagnose and monitor all aspects of your pump's performance to prevent system failure. DiMOND incorporates eight specific modules designed to monitor, protect and prevent, allowing you to evaluate and respond to the problem before the pump or your boat are damaged. The DiMOND technology automatically runs diagnostics to detect common failures such as run dry, plumbing leaks, over current, under current, low voltage and over voltage. If the diagnostic discovers a problem, the pump will stop, identify the root cause, and provide the data you need to solve the problem. V-FLO is powered by a new variable speed drive that delivers the exact amount of water flow needed to perform a variety of onboard delivery tasks. Since the pump is constantly monitoring water flow and electrical current, it automatically adjusts itself as needed, ensuring that your systems are operating at peak efficiency.

Racor | Fuel Filter Element Cartridge 2020N-10 10 Micron

The New 2020N Turbine Series Filter Elements!. Racor Introduces the Redesigned 2020/2040 Fuel Filter/Water Separator Elements - In an effort to continually improve product design and functionality for customers, Racor has upgraded the Turbine Series fuel filter/water separator. They will fit in all previous 2020TM, 2020SM, 2020PM Applications. Improvements include: Improved bail design (bails moved to top of filter). No metal v-clip. Side seam creates less waste. Reverse compatible with all previous Racor Turbine models. Trusted Aquabloc media is used in the redesigned fuel filter water separator. The redesigned fuel filter water separator is manufactured on State-of-Art equipment in our new world class manufacturing center. Fits the following Racor Filters - 1000FH, 751000FHX, 731000FH, 771000FH, 791000FHV, 791000FHV, 1000MA, 1000MAM, 1003MA, 731000MA, 731000MAM, 751000MAX, 751000MAXM, 771000MA, 791000MAV filters.

Jabsco | Toilet Conversion Kit 29200-0120 12V

Electric flush pump conversion kit, converts all Par manually operated toilets to convenient electric operation. It also fits Brydon Boy and the RM-69 toilet models. Fits standard and regular bowl, left and right-handed installations. Simple rotary control for 'flush & discharge' or 'discharge only'. Self-priming pumps permit installation above or below waterline. Manual pump easy to refit if power supply fails. Once converted, the toilet is flushed by simply turning the large control knob on the top of the pump assembly. The self-priming flushing pump rinses the toilet bowl while the waste pump macerates and evacuates waste.

J291001 $608.75

Jabsco | Electric Toilet Conversion Kit 37010-0092 12V ...

The electric toilet base assembly offers an economical way to own an electric toilet because it utilizes existing manual toilet bowl and seat assembly. It can be fitted to the Raritan PH or Compact, Wilcox Crittenden, Groco HC, Par, Brydon, and virtually any other marine toilet using a 3 3/4" diameter bolt circle with a 4 hole pattern. The self-priming pump bowl rinses the bowl whilst the powerful macerator scavenger pump grinds up and pumps out waste. A built in backflow preventer is included. A heavy duty push button switch and 1 to 1 1/2" hose adaptor for the discharge port, plus all clamps and fasteners to complete the conversion are also included. Inlet: 3/4". Discharge: 1".

J370102 Electric Toilet Conversion Kit 37010-0092 12V $639.49
J370106 Electric Toilet Conversion Kit 37010-0097 24V $639.45

Available with either a compact white china bowl or larger yacht size bowl. The electric toilet is equipped with a dual function pump that eliminates having to mess with hand pumps and dry bowl valves. With the simple bush of a button, the self-priming flush pump rinses the bowl as the macerator and high capacity scavenger pump grinds up waste and pumps it out. Included with the toilet is a heavy duty push button switch and 1" to 1 1/2" hose adaptor for the discharge hose. Inlet 3/4". Outlet 1".

J370101 $713.95

Jabsco | Quiet Flush Electric Toilet Regulart Bowl 12V ...

The quiet flush toilet is as silent as a household toilet. May be mounted up to 3ft (1m) below the water line with proper plumbing to prevent flooding. Single button flush actuator - with dual function water level control switch. Features a powerful macerator discharge pump that breaks up waste and evacuates the toilet. Can be plumbed to any pressurized water system that can provide a 3 1/2 gallons per minute (13.5 liters per minute) flow rate. Supplied complete with 6ft (2m) of white hose to neatly connect the inlet bowl fitting to either the solenoid valve syphon breaker assembly or inlet pump. Water control solenoid valve with anti syphon breaker to prevent contamination of potable water supply. Available in regular or compact bowl sizes. Hygienic, pure white vitreous china bowl for ease of cleaning. Baked enamel seat and cover. High capacity waste macerator and bowl discharge pump.

J370451 Quiet Flush Electric Toilet Regulart Bowl 12V $905.55
J370451094 Quiet Flush Electric Toilet Regular Bowl 24V $905.55

Toilets / Manual

Lalizas | Portable Toilet w/10 L Waste Tank & Fresh 12 L

The portable toilet is suitable for interior and exterior use. It is self contained and it doesn't require any external water or power connections. It consists of two separate tanks, a fresh water holding tank of 12L capacity and a waste holding tank of 10L. The toilet is constructed of high density polyethylene with matt finish for greater resistance to scratches. The fresh water tank provides up to 50 flushes. The double sealed drain valve protects against leakages and odours. Heavy duty, corrosion resistant side latches lock the tanks together. Both waste and fresh water tanks are one piece construction; no seams required. The detachable waste holding tank can be easily emptied, without the use of any tools.

LZ11867 $134.95

Thetford | Porta Potti 260 Portable Toilet w/10 L ...

Replaces Porta Potti 135. Refreshed, modern appearance. Cleaner seat and cover design. More ergonomic carrying handle. Lid latch now standard. Redesigned valve handle, fill cap & pump.

Porta Potti 260 Portable Toilet w/10 L Waste Tank & Fresh 10 L
TH00260 $150.00

Thetford | Porta Potti 550P Portable Toilet w/21 ...

This durable large capacity Porta Potti ® allows maximum uses before emptying the 5 gallon holding tank. The high gloss finished 550P features a piston pump for positive water pressure flush rinsing of bowl. Built in deodorant storage with sealed valve to keep odors inside the holding tank keeps smell to a minimum when compared to traditional holding tanks systems. Easy to read level gauge lets you know when nearing full capacity. The 550P features a removable lid and seat for easy cleaning. Includes hold down kit.

TH24550 Porta Potti 550P Portable Toilet w/21 L Waste Tank & Fresh 15 L $243.85

Jabsco | Twist 'n' Lock Manual Toilet Compact Bowl

Jabsco is the world's largest manufacturer of small craft marine toilet systems and we have applied all our experience into our latest manual toilet refining the design that is used by nearly all boatbuilders worldwide. For extra safety and peace of mind the intuitive, simple to use, Twist 'n' Lock action handle guards against syphonic flooding and waste backflow. With one easy 90° turn of the handle, the lock is applied. Turning the handle back to the natural operating position opens the lock again. Crevice free contours and smooth mouldings for added hygiene. Automatic vacuum breaker for easier pumping. Angled pump housing and long stroke for more comfortable operation.

J290901 $308.95

Jabsco | Twist 'n' Lock Manual Toilet Regular Bow ...

Jabsco manual toilets are functional and stylish. While designed primarily for ease of operation and user convenience, the need for a clean uncluttered appearance was never overlooked. Jabsco set the standard for performance and appearance in an economical marine toilet. Pump assembly is angled forward to provide a natural smooth stroke. If desired, the pump and base can be assembled for left hand installation. External surfaces are smooth for easy cleaning. Base assembly is fully skirted to eliminate debris traps. Should the seal ever need replacing the external rod guide and seal can be easily removed without disassembling the pump.

J291201 Twist 'n' Lock Manual Toilet Regular Bowl, Right or Left Pump Installation $336.75

Raritan | Manual Toilet PHII Standard Bowl 12V

Simple design means economical, trouble free quiet operation. Powerful flushing action. Dry pumping is easier because air vent reduces back pressure.

RR10010 $651.00

INNOVATION
FROM HEAD TO BILGE

For more than 50 years, Xylem's innovative brands have left all other marine products in their wake. The powerful next-generation Rule® Bilge Pump, in fact, won the Innovation Award for mechanical systems at last year's IBEX Show. Rule's new LoPro Bilge Pump brings the same spirit of innovation to tight spaces. Even Jabsco's newest marine toilets are making waves with innovations that offer quiet comfort and convenience. Come see them all and more at this year's IBEX Show in September. Visit booth #1423.

Other Valves / Y Valves

Aaa World Wide Enterprises | Y-Valve (Diverter) Nylon 1 1/2"

A simple, inexpensive plastic three way diverter valve for bilge systems.

AT18612 $24.95

Forespar | Y-Valve (Diverter) Marelon 1 1/2" ...

Y-valves (diverter valves) are an essential piece of equipment whenever the flow of water or other fluid is required to be conveniently diverted, as in a marine head application where a holding tank is utilized. They are easily mounted to a bulkhead for such applications. These valves are operated by a simple 120° movement with positive stops provided between positions.

FO902000	Y-Valve (Diverter) Marelon 1 1/2"	$81.70
FO902001	Y-Valve (Diverter) Marelon 1"	$81.70

Jabsco | Lockable Y-Valve (Diverter)

For installation in waste discharge and bilge pump out systems. Waste can be pumped to holding tank or diverted overboard. In bilge systems 2 sections can be emptied with one pump. Fits 1 1/2" hose. Padlock not included.

J454901 $108.95

Seacocks / 3-Way Bronze

Apollo | 3-Way Diverter Valve w/Mounting Pads Bronze 1/2" ...

Fuel tank selection, fluid transfer and water tank selection are only a few ways to use this versatile diverter valve, it is ideal for applications requiring flow diversion. These valves have one inlet and two outlets, a quarter turn of the lever changes the valve position.

3-Way Diverter Valve w/Mounting Pads Bronze 1/2"

JR70603		$47.45

Osculati | Water Plug for Deck Washing, Maintains Pressure

Classic EVO multipurpose water plug for deck washing. For connection into the onboard water system (fresh water) or to the Washdown pump (salt water), it keeps the line under pressure; the washing hose is snapped-in onto the intake and activates the pump automatically. UV resistant ABS box, chromed brassmechanism.

OC1644155 $69.98

Osculati | Water Inlet w/Pressure Reducer and Cover

Classic EVO built-in pressure reducer. If using mains water supply (i.e. in a marina), the pressure can be reduced by up to 3 bar to prevent damage to the pipes.

OC1644153 $112.98

WATER & WASTE TANKS

Waste Tanks

Sealand | Holding Tank Replacement Filter

Eliminate foul odors that occur outside of your boat when the toilet is flushed. This filter is filled with activated charcoal and 'scrubs' the air clean as it passes through the vent filter. Simply splice into the vent line to install.

DW10001 $136.10

Sealand | Holding Tank Eco-Vent Filter

Sealand ECO Holding Tank Vent Filter w/Mounting Bracket, Hardware & Hose Adapters. - The innovative concave shape of the SeaLand ECO vent filter assures that malodorous gases are completely filtered through activated odor-adsorbing charcoal media. The result is more thorough odor elimination - and the assurance of more enjoyable boating. - Designed as a direct replacement for previous SeaLand and Dometic vent filters, the new ECO vent filter fits in the same installation brackets as older models. Hose adapters for the most popular vent hose sizes are included with the complete vent filter kit (309311001). Threaded adapters are also included for replacement on many older SeaLand holding tank systems with built-in vent filter. - Now constructed using recyclable plastics, all SeaLand ECO filter components are much more ecologically friendly than previous SeaLand filters and many other current vent filters. The polypropylene hose adapters (plastic #5) for hose sizes or connections that are not needed for an installation can be immediately recycled. The eventually-replaced filter cartridge - made of HDPE (plastic #2) - can also be recycled when properly disposed. - The universal filter [...] more at islandwaterworld.com

DW11001 $140.00

Sealand | Holding Tank SaniGuard Vent Filter

Holding tank vent filter with 5/8" hose connection. Designed for ease of installation on any existing holding tank system. When installed in the system the Dometic/SeaLand SaniGuard vent filter will remove the offensive odors from escaping through the vent thru hull. The finely calibrated media is 2.4 times more effective than other competitors filters. The holding tank should be equipped with a tank level monitor to prevent overfilling which will ruin the filter.

DW10002 $140.00

Water Tanks

Osculati | Flexible Water Tank Rectangular 64 cm x 102 cm 100 L ...

Utility water tanks made with special anti mold additive, doubled welding anti blast parts. The body is a mixed fabric nylon, with a special PVC for water and treated with special processes that leaves water odor less. Convenient, can be adapted any the shape. No maintenance required. It includes a water inlet and outlet 38mm, a 16mm valve for water bubbles. The tank is also supplied with tank inspection device.

OC5219602	Flexible Water Tank Rectangular 64 cm x 102 cm 100 L	$107.15
OC5219603	Flexible Water Tank Rectangular 64 cm x 135 cm 150 L	$127.75
OC5219604	Flexible Water Tank Rectangular 64 x 180 cm 210 L	$150.10

Plastimo | Flexible Water Tank Rectangle 55 1/16" x 27 1/2" 150 L ...

Flexible, light and form fitting, these tanks use a PVC bladder inside a tough, abrasion resistant, nylon outer envelope. Maintenance is easy because the inner bladder can be removed for cleaning and inspection. The bladder is slightly oversized so pressure is exerted on its nylon shell, rather than on the heat welded seams. Port sizes fittings: Inlet 1 1/2" 90° fill (38mm) situated on upper side of tank. Outlet: 1/2" straight fittings (12mm) valve is situated on underneath side of tank., except on triangular model the inlet and outlet are both on upper side of tank. Vent: No. Fitting Type: 90° hose barb rotates 360°. Height of tanks, when filled to capacity: 25cm.

PL16656	Flexible Water Tank Rectangle 55 1/16" x 27 1/2" 150 L	$142.55

PL16658	Flexible Water Tank Triangular 40.9" x 44.85" 40 L	$154.95
PL18033	Flexible Water Tank Rectangle 41 3/8" x 27 1/2" 100L	$127.50

WATERHEATERS

Round Tanks

Quick | Sigmar Compact Water Heater 110V 20 L ...

Sigmar marine's Compact is an innovative series of water heaters from 20 to 40 liters. Cased in a new sturdy compact plastic shell, with integrated mounting brackets and an 800W heating element. These water heaters offer the following advantages: Better thermal insulation, more insulation material covers the upper part of water heater where heat dissipation is normally greater. Quicker and simpler installation: no separate mounting brackets to be dismantled/remounted. Integrated bracket's occupy less space than equivalent cylindrical models with separate fastening brackets.

QK31218	Sigmar Compact Water Heater 110V 20 L	$495.00
QK31418	Sigmar Compact Water Heater 800W 110V 40 L	$631.50

Quick I Nautic Water Heater w/Heat Exchanger 110V 25 L

The heat exchanger used for Quick ® Nautic boiler B3 is AISI 316 stainless steel. The heat exchange capacity is notably higher than that achieved from other manufactures. The tank is made of 1.5mm gauge AISI 316 stainless steel welded with Argon shielding gas and hence highly resistant to corrosive agents. The electrical heating element is made of Incoloy. The thermal insulation is high density polyurethane foam injected between the cover and tank giving excellent heat retention properties. Tank mounting brackets or wall or floor mounted are stainless steel AISI 316 and are supplied as standard in each package.

QK32512 $595.00

Quick I Sigmar 60 L Compact Round Water Heater 220V 800W ...

Sigmar marine's Compact is an innovative series of water heaters. Cased in a new sturdy compact plastic shell, with integrated mounting brackets and an 800W heating element. These water heaters offer the following advantages: Better thermal insulation, more insulation material covers the upper part of water heater where heat dissipation is normally greater. The tank is made of 1.5 mm gauge 316 AISI stainless steel welded with Argon shielding gas and hence highly resistant to corrosive agents. The electrical heating element is made of incoloy steel. The thermal insulation is high density polyurethane foam injected between the cover and tank giving excellent heat retention properties

QK40100 $948.95

Quick I 60 liter Round Water Heater w/Heat Exchanger 220V 1200W

Casing in 304 Aisi stainless steel. Tank in 316 Aisi stainless steel. Benefits: High quality materials. Heat exchanger with wide exchange surface. Produces hot water from the electric element, that Is fitted with an adjustable safety thermostat. Relief non-return vale that allows discharging of the water heater in case of disuse. The heat exchanger used for QuickÂ« Nautic boilers is made up of a tube in 316 stainless steel which, thanks to its special coiled shape reduces its actual length of more than 3m. The heat exchange capacity is notably higher than that achieved from other manufacturers. The tank is made of 1.5mm gauge 316 AISI stainless steel welded with Argon shielding gas and hence highly resistant to corrosive agents. The electrical heating element is made of Incoloy steel. The thermal insulation is high density polyurethane foam injected between the cover and tank giving excellent heat retention properties.

Echo Tec I Watermaker 260 DML-1 DC System 1 x 40" ...

These desalination systems are made without 'bells and whistles' for live aboard offshore cruising. As with all other Echo Tec systems only highest quality proven raw materials are selected for ultimate reliability and ability to withstand continuous duty in a harsh marine environment. All wetted components, including the regulating pressure valve and all high pressure fittings, are made of Duplex stainless steel. No proprietary components are used, therefore you are not bound to purchase expensive consumables only available from the original manufacturer (except pH buffer element). Standard filters, chemicals and membranes can be obtained anywhere. Three years warranty on all parts/components except consumables. Duplex stainless steel high pressure pump head and R.O. pressure vessel guaranteed for life. Triplex plunger pump for low revolution and pulsation free raw water flow. Spring loaded automatic pressure regulator for constant working pressure. No energy recovery pumps, no electronic circuits. High rejection R.O. membranes with a three year pro rated warranty. Separate control panel for remote operation (except Econo Series). High pressure hoses with 'O' ring sealed Duplex [...] more at islandwaterworld.com

Echo Tec I Watermaker 900 BML-2 Belt Driven 2 x 4 ...

The belt driven systems are ideally suited where the main engine runs more than once a week. They produce 8-60gal per hour of fresh water even on a small yacht without a generator. Instead of draining your batteries you will charge them every time you run the engine and make tons of water at the same time. An additional pulley for the reasonably small high pressure pump on the motor is required. The supplied U brackets help to install the pump on the engine like a second alternator. These watermakers are equipped with a patented automatic pressure regulating valve. This device ensures constant working pressure on changing engine RPM, a must on every propulsion engine driven watermaker. All wetted components including the high pressure pump head, the regulator and all high pressure fittings are made from Duplex stainless steel. No proprietary components are used, therefore you are not bound to purchase expensive consumables only available from the original manufacturer (except pH buffer element). Standard filters, chemicals and membranes can be obtained anywhere. Three years warranty on all parts/components except consumables. Duplex stainless steel high pressure pump head and R.O. Echo Tec I Watermaker 1200 Pro-3 Semi Modular 3 x ...

Pro series is designed for ultimate reliability and ease of operation. It supplies small to medium sized commercial vessels and large yachts with high quality potable water. The newly engineered marine aluminium frame provides a tidy appearance while allowing easy access to the systems components for maintenance. Self contained or semi modular concept for space saving, fast and easy self installation. All control systems are electro mechanical. No electronic circuits close to seawater. Spring loaded automatic Duplex stainless steel pressure regulator. No leaking needle valves. High pressure hoses with 'O' ring sealed Duplex stainless steel fittings. No corroding or cracking compression fittings. RO pressure vessels with 'O' ring sealed Duplex stainless steel high pressure fittings, no cracking NPT end plugs. Corrosion resistant marine aluminum frame, epoxy primed and polyurethane top coated. Widely available commercial size sediment pre filters (10" x 4.5" Big Blue) are standard equipment. Custom system configuration for tight installations at no extra charge. Five years limited warranty on the Duplex stainless steel high pressure pump. Post treatment pH buffer/hardener element [...] more at islandwaterworld.com

BLOCKS & ORGANIZERS

Blocks - Barton / Heavy Duty Blocks

Barton Marine I High Load Block 1000 kg Break Load 12 mm ...

Manufactured from marine grade aluminium and 'Spectro' grey anodised for high UV stability and durability. Sheaves are precision tuned from solid 'Ertalyte' bar with a profile that is kind to modern ropes. Running on a large diameter center bearing for easy running under high loadings. Fitted with a stainless steel bow shackle to allow for snag free operation.

BN82100	High Load Block 1000 kg Break Load 12 mm	$106.75
BN82200	High Load Block 1600 kg Break Load 16 mm	$138.25
BN82300	High Load Block 3000 kg Break Load 18 mm	$222.50

Barton Marine I High Load Foot Block w/Cam 1600 k ...

Manufactured from marine grade aluminium and 'Spectro' grey anodised for high UV stability and durability. Sheaves are precision tuned from solid 'Ertalyte' bar with a profile that is kind to modern ropes. Foot blocks with cams are available in two sizes. Suitable for a multitude of uses, including locking control lines on headsail furling gear. Maximum holding power of cams: 50mm, 250kg; 65mm, 300kg.

BN82999	High Load Foot Block w/Cam 1600 kg Break Load 16 mm	$119.10

Blocks - Barton / High Load Eyes

Barton Marine I High Load Eye For Rope 10 mm ...

Available in 5 sizes. Manufactured in marine grade aluminium and finished in our unique hard 'Spectro' grey anodising. These lightweight high load eyes are suitable for a variety of uses on board, from lazy jacks, barber haulers, mast base tidies to stanchion lead eyes. The smallest size can be attached using a 3mm line with a bullseye diameter of 6mm. The largest size can be attached using a 16mm line with a bullseye diameter of 28mm.

BN60452	High Load Eye For Rope 10 mm	$18.10
BN60453	High load Eye For Rope 12 mm	$24.95

Barton Marine I High Load Eye For 22 mm Rope w/Dy ...

The High Load Eye combined with the Dyneema loop gives you a fast, efficient, simple and extremely strong solution to changing the direction of any line. The 'Spectro' anodised aluminium eye is designed to have very good wear resistant properties with low friction, this combined with the Dyneema loop gives you exceptional low weight to very high performance load ratio.

BN60461	High Load Eye For 22 mm Rope w/Dyneema Loop 230 mm	$104.15

Blocks - Barton / Size 1 Blocks

Barton Marine I Single Fixed Eye Block S1 700 kg ...

Size 1 blocks are single sized with plain sheaves. A strong lightweight range of blocks suitable for use on dinghies, or wherever a powerful compact multi purchase tackle is required. Sheave diameter: 30mm. Maximum rope diameter: 8mm.

BN01110	Single Fixed Eye Block S1 700 kg	$11.95
BN01130	Single Swivel Block S1 700 kg	$17.50
BN01131	Single Swivel Block S1 w/Becket 700 kg	$28.15

BN01230	Double Swivel Block S1 700 kg	$27.45

Blocks - Barton / Size 2 Blocks

Barton Marine I Single Fixed Eye Block S2 740 kg ...

Size 2 blocks are single sized with plain sheaves. A strong lightweight range of blocks suitable for use on dinghies, or wherever a powerful compact multi purchase tackle is required. Sheave diameter: 45mm. Maximum rope diameter: 8mm.

BN02110	Single Fixed Eye Block S2 740 kg	$14.95
BN02130	Single Swivel Block S2 370kg	$21.25
BN02160	Single Cheek Block S2 740 kg	$22.25
BN02230	Double Swivel Block S2 740 kg	$32.15

Blocks - Barton / Size 3 Blocks

Barton Marine I Single Fixed Eye Block S3 770 kg ...

Size 3 blocks are single sized with plain sheaves. A strong lightweight range of blocks suitable for use on dinghies, day boats and cruising yachts. Ideal for mainsheet, vang tackles, lead blocks or wherever a powerful and compact purchase tackle is required. Sheave diameter: 45mm. Maximum rope diameter: 10mm.

BN03110	Single Fixed Eye Block S3 770 kg	$17.10
BN03130	Single Swivel Block S3 770 kg	$22.95

Blocks - Barton / Size 4 Ball Bearing Block

Barton Marine I Single Fixed Eye Block S4 Ball Be ...

Size 4 ball bearing blocks are a strong lightweight range of ball bearing blocks suitable for use on dinghies, day boats and cruising yachts, or wherever a powerful compact multi purchase tackle is required. They now feature the all new Ball Race System. This super low friction Acetal sheave has Delrin ball bearings running on a large diameter center boss giving superb performance under high loads. Sheave: 58mm x 17mm. Maximum rope diameter: 12mm. Break load: 1260 kg.

BN04090	Single Fixed Eye Block S4 Ball Bearing w/Clevis Pin 1260 kg	$25.50
BN14150	Single Upright Block S4 Ball Bearing 1260 kg	$47.95
BN14160	Single Cheek Block S4 Ball Bearing 1260 kg	$41.25

Blocks - Barton / Size 5 Ball Bearing Block

Barton Marine I Single Fixed Eye Block S5 Ball Bearing 1500 kg ...

Size 5 ball bearing, cruiser blocks are a range of high load, ball bearing blocks that have been totally updated to give improved features and performance. The rugged construction features high quality injection molded side plates, with all the load carrying components manufactured from 316 grade stainless steel. Side plates are through bolted and riveted for added strength and security. Sheave 54mm x 17mm. Maximum rope diameter: 12mm. Break load: 1500 kg.

BN15110	Single Fixed Eye Block S5 Ball Bearing 1500 kg	$38.95
BN15130	Single Swivel Block S5 Ball Bearing 1500 kg	$78.25
BN15131	Single Fixed Eye Block S5 Ball Bearing w/Becket 1500 kg	$81.95
BN15170	Single Stand Up Block S5 Ball Bearing 1500 kg	$127.55
BN15220	Double Reverse Shackle Block S5 Ball Bearing 1500 kg	$77.25
BN15320	Triple Reverse Shackle Block S5 Ball Bearing 1500 kg	$88.50
BN15331	Triple Swivel Block S5 Ball Bearing w/Becket 1500 kg	$108.50
BN15430	Fiddle Swivel Block S5 Ball Bearing 1500 kg	$105.50
BN15431	Fiddle Swivel Block S5 Ball Bearing w/Becket 1500 kg	$104.95
BN15631	Fiddle Swivel Block S5 Ball Bearing w/Becket & Cam 1500 kg	$157.50

Blocks - Barton / Size 6 Ball Bearing Block

Barton Marine | Single Fixed Eye Block S6 Ball Bearing 2000 kg ...

Size 6 ball bearing, cruiser blocks are a range of high load, ball bearing blocks that have been totally updated to give improved features and performance. The rugged construction features high quality injection molded side plates, with all the load carrying components manufactured from 316 grade stainless steel. Side plates are through bolted and riveted for added strength and security. Sheave 60mm x 17mm. Maximum rope diameter: 12mm. Break load: 2000 kg.

BN16110	Single Fixed Eye Block S6 Ball Bearing 2000 kg	$49.45
BN16111	Single Fixed Eye Block S6 Ball Bearing w/Becket 2000 kg	$53.75
BN16130	Single Swivel Block S6 Ball Bearing 2000 kg	$85.25
BN16180	Single Variloc Block S6 Ball Bearing 2000 kg	$87.45
BN16220	Double Reverse Shackle Block S6 Ball Bearing 2000 kg	$81.95

Blocks - Barton / Snatch Blocks

Barton Marine | Snatch Block w/Stainless Steel Sn ...

Unique to Barton, these are probably the smallest block of this type available. Extremely compact and strong with a multitude of uses on cruising and racing yachts where a large heavy unit is not required.

Snatch Block w/Stainless Steel Snap Shackle Break Load 770 kg 10 mm
BN90101 $126.95

Snatch Block w/Stainless Steel Snap Shackle Break Load 1080 kg 12 mm
BN90301 $140.25

Barton Marine | Snatch Block w/Stainless Steel Sn ...

Easy open/close action high quality rugged construction still the best value snatch block available.

Snatch Block w/Stainless Steel Snap Shackle Break Load 2350 kg 16 mm
BN90401 $167.25

Blocks - Lewmar

Lewmar | Single Fiddle Synchro Block, 60mm Sheave ...

Lewmar's Synchro Blocks are engineered for speed, efficiency and superior handling. We use a combination of scientifically optimised block geometry, a free-spin bearing and self-aligning head to reduce friction and increase efficiency by up to 40% over budget blocks on mainsheet systems. Each component is perfectly synchronised with the movement of the rope, providing you with an easier, smoother transfer of power from deck to sail and less wear on your rope. Features: Stainless steel strap for improved strength and longer service life. Stiff glass fibre reinforced cheeks to prevent lines from wedging. Innovative design with "tool-free" sliding swivel locking mechanism.

LM29926031	Single Fiddle Synchro Block, 60mm Sheave w/Bearings 800Kg Working Load	$47.95
LM29926037	Single Fiddle Synchro Block w/Cam, 60mm Sheave w/Bearings 800Kg Working Load	$102.50

Lewmar | Single Synchro Block, 72mm Sheave w/Bear ...

Synchro blocks combine geometry, sheave ratios and a unique Free Spin bearing to deliver performance that's comparable to ball and roller bearing blocks used in racing, but at a more affordable price. With conventional blocks, one of the biggest losses in efficiency comes from the distortion of line as it wraps around the sheave. Synchro blocks provide the optimal ratio between line size, sheave diameter and the interface between rope and sheave. The result is larger sheaves with a smaller axle than exist on conventional blocks. Synchro blocks improve efficiency by nearly 5% on a single block at a load of 442lb. Calculated over a typical six-block mainsheet system, this approaches a 40% improvement over conventional blocks. Safe Working Load: 2420lbs. Weight: 6.98oz. Max. Line Size: 1/2".

LM29927201	Single Synchro Block, 72mm Sheave w/Bearings 1,100Kg Working Load	$55.25

Lewmar | Single HTX Block 50mm ...

10mm line. Years of design and manufacturing experience, combined with collaboration with boatbuilders, designers and sailors, has resulted in the new Lewmar HTX Blocks. Drawing upon the design of the racing blocks, HTX blocks are constructed from minimal alloy parts, Delrin side-thrust bearings providing enhanced reliability, high load capacity and large line size. Fully-adjustable three-position head. Exact images not available.

LM195001	Single HTX Block 50mm	$60.85
LM195002	Double HTX Block 50mm	$129.60
LM195004	Single HTX Block 50mm w/Becket	$92.95

Lewmar | Double Synchro Block, 60mm Sheave w/Bear ...

Synchro blocks combine geometry, sheave ratios and a unique Free Spin bearing to deliver performance that's comparable to ball and roller bearing blocks used in racing, but at a more affordable price. With conventional blocks, one of the biggest losses in efficiency comes from the distortion of line as it wraps around the sheave. Synchro blocks provide the optimal ratio between line size, sheave diameter and the interface between rope and sheave. The result is larger sheaves with a smaller axle than exist on conventional blocks. Synchro blocks improve efficiency by nearly 5% on a single block at a load of 442lb. Calculated over a typical six-block mainsheet system, this approaches a 40% improvement over conventional blocks. Safe Working Load: 1760lbs. Weight: 8.84oz. Max. Line Size: 3/8".

LM29926002	Double Synchro Block, 60mm Sheave w/Bearings 800Kg Working Load	$69.95

Lewmar | Single Fiddle Synchro Block, 72mm Sheave ...

Synchro blocks combine geometry, sheave ratios and a unique Free Spin bearing to deliver performance that's comparable to ball and roller bearing blocks used in racing, but at a more affordable price. With conventional blocks, one of the biggest losses in efficiency comes from the distortion of line as it wraps around the sheave. Synchro blocks provide the optimal ratio between line size, sheave diameter and the interface between rope and sheave. The result is larger sheaves with a smaller axle than exist on conventional blocks. Synchro blocks improve efficiency by nearly 5% on a single block at a load of 442lb. Calculated over a typical six-block mainsheet system, this approaches a 40% improvement over conventional blocks. Safe Working Load: 2420lbs. Weight: 8.8oz. Max. Line Size: 7/16".

LM29927231 Single Fiddle Synchro Block, 72mm Sheave w/Bearings 1,100Kg Working Load $74.95

Lewmar | Single HTX Block 60mm ...

13mm line. Years of design and manufacturing experience, combined with collaboration with boatbuilders, designers and sailors, has resulted in the new Lewmar HTX Blocks. Drawing upon the design of the racing blocks, HTX blocks are constructed from minimal alloy parts, Delrin side-thrust bearings providing enhanced reliability, high load capacity and large line size. Fully-adjustable three-position head. Exact images not available.

LM196001 Single HTX Block 60mm $75.95
LM196002 Double HTX Block 60mm $133.55
LM196004 Single HTX Block 60mm w/Becket $100.65

Lewmar | Single HTX Block 72mm ...

14mm line. Years of design and manufacturing experience, combined with collaboration with boatbuilders, designers and sailors, has resulted in the new Lewmar HTX Blocks. Drawing upon the design of the racing blocks, HTX blocks are constructed from minimal alloy parts, Delrin side-thrust bearings providing enhanced reliability, high load capacity and large line size. Fully-adjustable three-position head. Exact images not available.

LM197201 Single HTX Block 72mm $120.40
LM197202 Double HTX Block 70mm $227.50
LM197204 Single HTX Block 72mm w/Becket $212.50

Lewmar | Single Synchro Block, 90mm Sheave w/Bear ...

Synchro blocks combine geometry, sheave ratios and a unique Free Spin bearing to deliver performance that's comparable to ball and roller bearing blocks used in racing, but at a more affordable price. With conventional blocks, one of the biggest losses in efficiency comes from the distortion of line as it wraps around the sheave. Synchro blocks provide the optimal ratio between line size, sheave diameter and the interface between rope and sheave. The result is larger sheaves with a smaller axle than exist on conventional blocks. Synchro blocks improve efficiency by nearly 5% on a single block at a load of 442lb. Calculated over a typical six-block mainsheet system, this approaches a 40% improvement over conventional blocks. Safe Working Load: 4400lbs. Weight: 14.57oz. Max. Line Size: 9/16".

LM2992001 Single Synchro Block, 90mm Sheave w/Bearings 2,000Kg Working Load $125.25

Blocks - Ronstan / Core 60

Ronstan | Singe Block Core Series 60 2000 kg ...

Core blocks are a true all round solution. A tuned 2 stage bearing system provides excellent performance across the full working load range with an integrated thrust bearing feature and the resilience to handle high dynamic or static loads. Acetal sheave, alloy cheeks and stainless fixings complete the durable package. For reliability and a long service life, these blocks are the right choice for sheets, halyards and control line applications for cruising and racing. 60mm sheave dia., 12mm line dia., 1000kg. maximum MWL.

RN64100 Singe Block Core Series 60 2000 kg $121.45
RN64108 Halyard Block Core Series 60 2000 kg $115.95
RN64110 Single Block Core Series 60 w/Becket 2000 kg $137.55
RN64151 Single Foot Block Core Series 60 2000 kg $112.45
RN64202 Double Block Core Series 60 w/Non Swivel Head 2000 kg $211.75

Blocks - Ronstan / Low Friction Rings

Ronstan | Low Friction Ring 8 mm - 1000Kg ...

Compact and lightweight. Low friction. Deep, secure lashing groove. Durable. Simple, reliable design. Low maintenance. Ideal for deflecting lead lines or static load applications or Baber haulers, lazyjacks, cascading vangs.

RN809008 Low Friction Ring 8 mm - 1000Kg $16.50
RN809011 Low Friction Ring 11 mm - 2000Kg $19.50
RN809016 Low Friction Ring 16 mm - 3500Kg $21.75

Blocks - Ronstan / Orbit 30

Ronstan | Single Block Orbit Series 30 Ball Bearing 600 kg ...

Ball bearing Orbit blocks boast the highest strength to weight ratio available. This is achieved through all composite reinforced polymer materials and multiple attachment options. Their precision design provides the optimum number of ball bearings for minimum friction while weight reduction is achieved through the use of fiber reinforced composites in the block head, cleat arms and beckets. 30mm sheave dia., 8mm line dia., 300kg. maximum MWL.

RN35100 Single Block Orbit Series 30 Ball Bearing 600 kg $27.95
RN35101 Single Block Orbit Series 30 Ball Bearing w/Becket & Lashing Head 600 kg $19.50
RN35151 Single Cheek Block Series 30 Ball Bearing 600 kg $21.85

Ronstan | Double Block Orbit Series 30 Ball Bearing Non Swivel 900 kg

Ball bearing Orbit blocks boast the highest strength to weight ratio available. This is achieved through all composite reinforced polymer materials and multiple attachment options. Their precision design provides the optimum number of ball bearings for minimum friction while weight reduction is achieved through the use of fiber reinforced composites in the block head, cleat arms and beckets. 30mm sheave dia., 8mm line dia., 450kg. maximum MWL.

RN35202 $45.60

Ronstan | Triple Block Orbit Series 30 Ball Bearing 1100 kg ...

Ball bearing Orbit blocks boast the highest strength to weight ratio available. This is achieved through all composite reinforced polymer materials and multiple attachment options. Their precision design provides the optimum number of ball bearings for minimum friction while weight reduction is achieved through the use of fiber reinforced composites in the block head, cleat arms and beckets. 30mm sheave dia., 8mm line dia., 550kg. maximum MWL.

RN35302 Triple Block Orbit Series 30 Ball Bearing 1100 kg $58.45
RN35332 Triple Block Orbit Series 30 Ball Bearing w/Becket & Cleat 1100 kg $111.45

Blocks - Ronstan / Series 20

Ronstan | Single Block Series S20 Ball Bearing w/Loop 550 kg

Precision molded Acetal sheaves running on stainless steel or Torlon ® ball bearings provide high performance & low friction. Can be fitted with a shackle in either of two planes to allow correct alignment of the block. Use these blocks for almost all control line situations on small dinghies. Work well for lightly loaded control lines on larger boats as well. Can be used for outhauls, vangs, barberhaulers, Cunninghams, traveler controls, leach cords, lead car return tackles, and even flag halyards. 20mm sheave dia., 6mm line dia., 250kg. maximum MWL.

P1787191 $15.95

Ronstan | Single Block Series S20 Ball Bearing Swivel Shackle 550 kg

Precision molded Acetal sheaves running on stainless steel or Torlon ® ball bearings provide high performance and low friction. Use these blocks for almost all control line situations on small dinghies. Work well for lightly loaded control lines on larger boats as well. Can be used for outhauls, vangs, barberhaulers, Cunninghams, traveler controls, leach cords, lead car return tackles, and even flag halyards. 20mm sheave dia., 6mm line dia., 250kg. maximum MWL.

P1787118 $27.25

Ronstan | Double Block Series S20 Ball Bearing 700 kg

Precision molded Acetal sheaves running on stainless steel or Torlon ® ball bearings provide high performance & low friction. Two way head, can be fixed at 0 or 90°. Use these blocks for almost all control line situations on small dinghies. Work well for lightly loaded control lines on larger boats as well. Can be used for outhauls, vangs, barberhaulers, Cunninghams, traveler controls, leach cords, lead car return tackles, and even flag halyards. 20mm sheave dia., 6mm line dia., 350kg. maximum MWL.

P1787241 $43.15

Blocks - Ronstan / Series 29 Utility Blocks

Ronstan | Utility Single Block Series 29 600 kg

Stainless steel cheeks and Acetal sheaves ensure a long service life with virtually no maintenance. Hollow rivets in the block heads can be fitted with shackles, which can also be used to add a becket for extra purchase. 29mm sheave dia., 8mm line dia., 300kg. maximum MWL.

P538751 $13.75

Blocks - Ronstan / Series 30

Ronstan | Ball Bearing Single Block w/Becket Series 30

Low friction 2-stage ball bearing system provides consistent performance over the full working load range. High static and dynamic load capacity. Light weight. Versatile head fittings. Sheaves running on Acetal or TorlonÂ« ball bearings provide high performance & low friction. The 2-stage ball bearing system provides consistent performance over the full load range.Can be fitted with a shackle in either of two planes to allow correct alignment of the block.

RN30111 $39.75

Blocks - Ronstan / Series 40

Ronstan | All Purpose Single Block Series 40 1000 kg

All purpose (AP) blocks are a great all around solution. Self lubricating, Acetal polymer sheaves running on polished stainless steel races, perform equally well with dynamic loads and high static loads. For durability and a long service life, these blocks are the right choice for sheets, halyards and control line applications for cruising and racing. Captive Lock universal head can be fixed in either of two planes, or free to swivel as required. 40mm sheave dia., 10mm line dia., 400kg. maximum MWL.

P271754 $35.25

Ronstan | All Purpose Single Stand Up Block Series 40 800 kg

All purpose (AP) blocks are a great all around solution. Self lubricating, Acetal polymer sheaves running on polished stainless steel races, perform equally well with dynamic loads and high static loads. For durability and a long service life, these blocks are the right choice for sheets, halyards and control line applications for cruising and racing. Captive Lock universal head can be fixed in either of two planes, or free to swivel as required. 40mm sheave dia., 10mm line dia., 800kg. maximum MWL.

P271739 $40.45

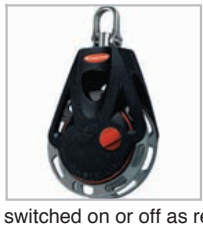

Ronstan | All Purpose Single Block Series 40 w/Becket 1000 kg

All purpose (AP) blocks are a great all around solution. Self lubricating, Acetal polymer sheaves running on polished stainless steel races, perform equally well with dynamic loads and high static loads. For durability and a long service life, these blocks are the right choice for sheets, halyards and control line applications for cruising and racing. Captive Lock universal head can be fixed in either of two planes, or free to swivel as required. Becket pin is removable so line can be spliced prior to fitting and is ingeniously locked into position without the use of a clevis pin, split ring or tools 40mm sheave dia., 10mm line dia., 400kg. maximum MWL.

RN41110 $42.50

Ronstan | Series 40 Orbit Block w/Ratchet, Manual Swivel

Now you can enjoy the flexibility of setting up your fitout exactly to suit yourself. Ronstan is the only company that offers a 40mm ratchet block with both auto and manual engagement models* With automatic models, the ratchet mechanism engages when load is applied, but switches off when it's released. This lets the sheet run out smoothly and freely-great for rapid easing of the sheet and for gybing asymmetric spinnakers. Manual modes allow the ratchet mechanism to be switched on or off as required. This is the preferred mainsheet set-up for many top sailors. * Selected Series 40 models. Awesome ratchet block holding power. Quite simply, Ronstan Ratchet Orbit BlocksÃ– have the highest holding power available. The sophisticated NC-machined sheave features Generation 2 of our patented sheave cross-hole geometry. The Series 40 delivers up to 14:1 holding power, almost double that of our nearest competititor. The unique sheave design has 8 gripping faces which directly resist loaded line movement. Traditional designs have an angled resistance to line movement. Our Generation 2 design has straight resistance faces which both distribute the load and minimise rope wear. These faces are [...] more at islandwaterworld.com

RN46100 $84.98

Ronstan | All Purpose Triple Block Series 40 1400 kg

All purpose (AP) blocks are a great all around solution. Self lubricating, Acetal polymer sheaves running on polished stainless steel races, perform equally well with dynamic loads and high static loads. For durability and a long service life, these blocks are the right choice for sheets, halyards and control line applications for cruising and racing. Head can be locked at 0 or 90° by removing the shackle and changing the head post orientation. 40mm + 24mm sheave dia., 10mm line dia., 700kg. maximum MWL.

P271671 $97.55

Ronstan | Triple Block Series 40 w/Becket

Exceptionally high working loads. Low maintenance, long service life. Self-lubricating sheave. Captive LockÃ– universal head. Slotted pin shackle eliminates fouled lines. Snap fit removable becket pin. Multi-position cleat arm. U.V. stabilised Acetal sheaves. Impact and U.V. resistant, fibre reinforced Nylon cheeks. Grade 316 stainless steel bearing race. Grade 316 stainless steel load strap and head fitting. Impact and UV resistant, fibre reinforced Nylon cheeks. Specifications: Sheave : 40 + 24 mm. Max. Rope: 8 mm. Pin: 5.0 mm. M.W.L. 400 kg. B. L. 1000 kg. Weight 164 g.

RN41312 $108.55

All purpose (AP) blocks are a great all around solution. Self lubricating, Acetal polymer sheaves running on polished stainless steel races, perform equally well with dynamic loads and high static loads. For durability and a long service life, these blocks are the right choice for sheets, halyards and control line applications for cruising and racing. Captive Lock universal head can be fixed in either of two planes, or free to swivel as required. Quick adjusting cleat arms require no tools to adjust and fix securely in position. Becket pin is removable so line can be spliced prior to fitting. 40mm + 24mm sheave dia., 8mm line dia., 400kg. maximum MWL.

P271648 All Purpose Fiddle Block w/Becket & Cam Cleat Series 40 1000 kg $123.95

Blocks - Ronstan / Series 50

Ronstan | All Purpose Single Block Series 50 Universal Head 1500 kg ...

Like with the other Ronstan blocks, series 50 blocks incorporate, smart features, with maximum working loads between 1100 and 5290 lbs depending on the block configuration. Sheaves are 50mm (2") precision molded U.V. stabilized acetal with acetal ball bearings and support a max line size of 1/2" (12mm). High load (HL) blocks can handle wire to 3/16" in diameter and have extruded nylatron sheaves. The pin diameter on the single blocks is 3/16" and on doubles/triples 1/4". Use these blocks for mainsheet, halyard, vang and spinnaker control applications on one design keelboats and sportboats to 33ft. Also ideal for many control lines on larger boats. Smart features available on the configurations in this series consist of captive lock, swivel, loop, and shackle heads, ringless keyhole becket pins, quick adjusting cleat angles, and rinsing cutouts. Double and triple blocks are supplied with a shackle and have formed loop heads, which can be attached directly to a line or attached to a shackle in three different ways.

P149687	All Purpose Single Block Series 50 Universal Head 1500 kg	$42.95
P149943	All Purpose Single Block w/Becket Series 50 1500 kg	$56.85

Blocks - Ronstan / Snatch Blocks

Ronstan | Single Snatch Block Acetal Sheave w/Trunnion 1000 kg

Snatch blocks are a tough and reliable solution for temporary leads and line deflection. Simple and quick to deploy, they can be easily opened when the load is released. The standard snap shackle head allows the block to swivel through 360°. Soft resilient cheeks reduce clatter and protect gelcoat and painted surfaces. Attachment point provided for shock cord hanger. Standard snap shackle provides the same swivel action and offers additional articulation from side to side. 51mm sheave dia., 12mm line dia., 500kg. maximum MWL.

P120543 $166.50

Ronstan | Single Snatch Block Acetal Sheave 1000 kg

SSnatch blocks are a tough and reliable solution for temporary leads and line deflection. Simple and quick to deploy, they can be easily opened when the load is released. The standard snap shackle head allows the block to swivel through 360°. Soft resilient cheeks reduce clatter and protect gelcoat and painted surfaces. Attachment point provided for shock cord hanger. Trunnion head snap shackle provides the same swivel action and offers additional articulation from side to side. 51mm sheave dia., 12mm line dia., 500kg. maximum MWL.

P148098 $174.50

Ronstan | Single Snatch Block Acetal Sheave 2000 kg

Snatch blocks are a tough and reliable solution for temporary leads and line deflection. Simple and quick to deploy, they can be easily opened when the load is released. The standard snap shackle head allows the block to swivel through 360°. Soft resilient cheeks reduce clatter and protect gelcoat and painted surfaces. Attachment point provided for shock cord hanger. Standard snap shackle provides the same swivel action and offers additional articulation from side to side. 64mm sheave dia., 12mm line dia., 1000kg. maximum MWL.

Ronstan | Single Snatch Block Roller Bearing Allo ...

Snatch blocks are a tough and reliable solution for temporary leads and line deflection. Simple and quick to deploy, they can be easily opened when the load is released. The standard snap shackle head allows the block to swivel through 360°. Soft resilient cheeks reduce clatter and protect gelcoat and painted surfaces. Attachment point provided for shock cord hanger.Trunnion snap shackle provides the same swivel action and offers additional articulation from side to side. 45mm sheave dia., 16mm line dia., 1500kg. maximum MWL. -

P120485 Single Snatch Block Roller Bearing Alloy Sheave w/Trunnion 3000 kg $244.50

Blocks - Wichard

Wichard | Sheave w/Delrin Bearings 55 mm

For dynamic operations, mainsail sheet, mainsail travelers, spinnaker sheets, genoa sheets, running backstay, deck organizers.

WI08005 $22.50

Wichard | Softlink 3.0, Soft Shackle w/2600Kg Breaking Load

SoftLink is a soft shackle developed by Wichard for recreational sailors looking for performance and ease of use. For the same strength, SoftLink is 4 or 5 times lighter than a 316L stainless steel shackle. No knowledge of ropework required. Replaces shackles and snap hooks. Easy to fit and easy to open. Remarkably light and strong. Re-usable.

WI21223 $32.85

Wichard | Softlink 5.0, Soft Shackle w/6000Kg Breaking Load

SoftLink is a soft shackle developed by Wichard for recreational sailors looking for performance and ease of use. For the same strength, SoftLink is 4 or 5 times lighter than a 316L stainless steel shackle. No knowledge of ropework required. Replaces shackles and snap hooks. Easy to fit and easy to open. Remarkably light and strong. Re-usable.

WI21225 $47.65

Wichard | Soft Shackle MXLEvo 10

Wichard's MXLEvo: Soft Attach Fairlead can be used as either a fairlead or a low-friction block, and has a variety of potential uses on both racing as well as recreational boats. It is designed for heavy load applications - mast foot, halyard tackle, barber hauler, or snatch blocks, but can also be used as a genoa lead block or fairlead, etc. - Economical and easy to use. Designed for heavy load applications. Lightweight, robust and highly compact. No need for maintenance. Adaptable to your deck plan. High quality materials - duplex-grade stainless steel and DyneemaÂ« SK78 . Available in 3 sizes: - wi21104 features: Height 1.2". Width 1.6". Thickness 1.0". Loop Length 6.1". Working Load 1763 lb. Breaking Load 4400 lb. Weight 1.4 oz (40 gm). Max. Rope Diameter 10 mm. - wi21105 features: Height 1.6". Width 2.1". Thickness 1.4". Loop Length 8.5". Working Load 3527 lb. Breaking Load 8375 lb. Weight 3.2 oz (90 gm). Max. Rope Diameter 12 mm. - wi21106 features: Height 1.9". Width 2.4". Thickness 1.6". Loop Length 10.0". Working Load 5500 lb. Breaking Load 11,000 lb. Weight 4.9 oz (140 gm). Max. Rope Diameter 16 mm.

WI21104 $72.45

Wichard | Soft Block MXL Anodised Aluminium w/3 m ...

When used in conjunction with heavy loads (mastfoot block, spinnaker tack point), normal friction blocks are heavy and take up space. This is a new soft block solution for ropes. The MXL is strong, reliable,light and fits anywhere. Applications: Mastfoot block. Snatch block. Spinnaker tack point. Genoa track. Mainsail outhaul. Barber hauler.

WI20603 Soft Block MXL Anodised Aluminium w/3 mm Dyneema Loop 8 mm $76.95

Wichard | Soft Shackle MXLEvo 12 ...

Wichard's MXLEvo: Soft Attach Fairlead can be used as either a fairlead or a low-friction block, and has a variety of potential uses on both racing as well as recreational boats. It is designed for heavy load applications - mast foot, halyard tackle, barber hauler, or snatch blocks, but can also be used as a genoa lead block or fairlead, etc. - Economical and easy to use. Designed for heavy load applications. Lightweight, robust and highly compact. No need for maintenance. Adaptable to your deck plan. High quality materials - duplex-grade stainless steel and DyneemaÂ« SK78 . Available in 3 sizes: - wi21104 features: Height 1.2". Width 1.6". Thickness 1.0". Loop Length 6.1". Working Load 1763 lb. WI21106 Soft Shackle MXLEvo 16 $132.75

Organizers & Blocks / Deck & Mast Organizers

Spinlock | Deck Organiser T38 w/2 Sheaves 38 mm ...

T-Series organisers lead multiple lines back from the mast to banks of powerclutches. Features and benefits: Minimal overall length. Efficient bearings reduces winch effort and increases halyard life. Modular end fairings for safe side loading. Asymmetric version for reduced deck space and weight saving. T38 and T50 can 'stack' for limited deck area or adding extra capacity. Vari camber feature: all T-Series organisers will follow the curve of the deck when fitted.

LK00382 Deck Organiser T38 w/2 Sheaves 38 mm $44.49
LK00383 Deck Organiser T38 w/3 Sheaves 38 mm $59.60
LK00384 Deck Organiser T38 w/4 Sheaves 38 mm $65.35
LK00502 Deck Organiser T50 w/2 Sheaves 50 mm $60.25
LK00503 Deck Organiser T50 w/3 Sheaves 50 mm $84.85
LK00504 Deck Organiser T50 w/4 Sheaves 50 mm $90.25

Barton Marine | Ball Bearing Deck Organiser S2 3 Sheave ...

Designed for use with clutches when leading lines to the cockpit. This range features aluminium construction in the new grey 'Spectro' anodized finish. Precision turned Ertalyte sheaves are scored to accept either rope or wire. Hollow stainless steel axles allow for easy and neat fastening. Available with three or four sheaves.

BN81683 Ball Bearing Deck Organiser S2 3 Sheave $69.25
BN81684 Ball Bearing Deck Organiser S2 4 Sheave $99.95

Barton Marine | Mase Base Organiser For 4 Blocks

The Barton Mast Base Organiser is finished in a unique 'Spectro' grey anodising for a long lasting finish. It accepts up to four double, tang blocks mounted on individual stainless steel swivel posts, but with just three deck fixing points. The unit is fitted close to the mast base to accept halyards, reefing lines and topping lift. Blocks not included.

BN81550 $86.75

Organizers & Blocks / Line Leads

Spinlock | Bulls Eye Self Aligning Up To 6 mm ...

Low profile control line guides. For guiding lines between two fixed points with little horizontal or vertical deflection. Guides extra lines to the cockpit cleats and clutches when no organiser sheaves are available. Double screw fitting. Stainless steel rope guide. Rakes low profile avoids snagging. Integral gasket sealed base.

LK03006 Bulls Eye Self Aligning Up To 6 mm $6.25
LK03010 Bulls Eye Self Aligning Up To 10 mm $6.45
LK030122 Bulls Eye Self Aligning Up To 12 mm $8.95
LK03016 Bulls Eye Self Aligning Up To 16 mm $8.75

Spinlock | Stanchion Furling Line Lead WL/1 ...

Compact furling line guide system. Reduces line friction during furling. Fairlead model WL/1 straightline guide for intermediate stanchions. Sheave model WL/2 for line entry and exit stanchions with unique tracker ball angle adjuster for perfect sheave alignment. Complete with fastenings, easy to fit.

LK04001 Stanchion Furling Line Lead WL/1 $17.75
LK04002 Stanchion Furling Line Lead WL/2 $37.75

Spinlock | Winchfeeder Sheave TWF 50 mm ...

For diverting lines aft of a clutch or jammer to an alternative winch. Useful for leading a line from a clutch on one side to an alternative winch. Very low 25mm (1") profile keeps winchfeeders safely out of traffic.

LK04050 Winchfeeder Sheave TWF 50 mm $76.80
LK04063 Winchfeeder Sheave TWF 63 mm $114.75

Organizers & Blocks / Spare Sheaves

Barton Marine | Plain Bearing Sheave 38 mm ...

Spare sheaves. A comprehensive range of plain and ball bearing sheaves as used throughout the complete Barton block range. Molded from acetal resin, the unique, super low friction ball race system features delrin balls running on a large diameter centre boss, which ensures an extremely low friction performance.

BN64806 Plain Bearing Sheave 38 mm $3.95
BN64808 Plain Bearing Sheave 44 mm $5.95
BN64813 Plain Bearing Sheave 58 mm $8.95
BN64815 Plain Bearing Sheave 72 mm $13.50
BN64906 Ball Bearing Sheave 38 mm $16.25
BN64907 Ball Bearing Sheave 44 mm $18.25
BN64914 Ball Bearing Sheave 64 mm $29.70

CLUTCHES AND JAMMERS

Barton / Cleats

Barton Marine | K Cam Pillar Fairlead Maxi Rope 10-14 mm

Pillar fairleads enable the cleats to be engaged from a variety of angles. Can be fitted either way around to achieve a lead from either in front or behind the cam. Stainless steel pillars add strength and wear resistance. Available in black.

BN70305 $21.20

Barton Marine | K Cam Cleat Maxi Rope 10-14 mm

"K" Cams are manufactured from a composite Kevlar/Zytal material. Accept lines up to 14mm diameter. The use of this exotic Kevlar/Zytal composite offers performance advantages over carbon fiber and conventional glass reinforced resins. "K" Cams are very strong, lightweight, have excellent wear resistance and a cam profile that makes them extremely efficient. For line entry/release even under load.

BN70300 $42.55

Barton / Clutches

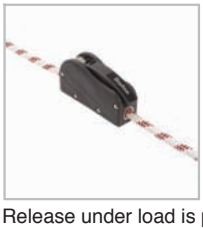

Barton Marine | Single Line Rope Clutch 10 mm ...

Manufactured from high grade plastics and aluminium. Has a true clutch mechanism that can easily be released under heavy loads. Lines can be drawn through the clutch in the locked position as the line moves freely in the direction of pull and is restricted from returning by a spring loaded cam mechanism. Clutches should be bolted to the deck approximately 2ft forward of winch, ensuring a fair lead both vertically and horizontally. This robust and strong unit will accept high loads with minimum of rope wear. They are suitable for use to secure halyards and control lines on boats up to 30ft and for lighter applications on larger yachts. Locking levers come in black, red or white. Maximum holding power: 350kgs. Maximum rope capacity: 10mm. Fastening diameter: 6mm.

BN80500 Single Line Rope Clutch 10 mm $97.95
BN80501 Double Line Rope Clutch 10 mm $183.75
BN80502 Tripple Line Rope Clutch 10 mm $216.45

Barton Marine | DO 550 Single Line Rope Clutch 8-12 mm ...

An all new design for cruising and racing yachts, offering a holding power of up to 550kg. Manufactured from modern lightweight materials, the D0 550 molded parts are from high grade plastics which are strong, light and impact resistant. Cams and bases are from marine grade aluminium, "Spectro" anodised for long life in the harsh marine environment. This true clutch mechanism allows line to be adjusted through the unit in the closed, locked position with minimal slippage, Release under load is positive and requires little effort. Stainless steel rope fairheads are fitted to both line entry and exit points, a feature which helps to prevent wear to both clutch and lines.

BN81500 DO 550 Single Line Rope Clutch 8-12 mm $109.75
BN81501 DO 550 Double Line Rope Clutch 8-12 mm $185.95
BN81502 DO 550 Triple Line Rope Clutch 8-12 mm $256.95

Lewmar

Lewmar | D2 Single Line Rope Clutch Superlock 12-14 mm ...

High load applications on boats up to 16.8m/55ft, low load and control line applications on larger boats. Still the only true clutch on the market that can be released under load. Safe working load: 1200kg. Minimum holding power: 1000kgs. Rope capacity: 12-14mm.

D2 Single Line Rope Clutch Superlock 12-14 mm
LM29101414 $127.50
LM29102414 D2 Double Line Rope Clutch Superlock 12-14 mm $251.75

Lewmar | D2 Single Line Rope Clutch Superlock 10-12 mm ...

High load applications on boats up to 16.8m/55ft, low load and control line applications on larger boats. Still the only true clutch on the market that can be released under load. Safe working load: 1200kg. Minimum holding power: 700kgs. Rope capacity: 10-12mm.

D2 Single Line Rope Clutch Superlock 10-12 mm
LM29101412 $141.15
LM29102412 D2 Double Line Rope Clutch Superlock 10-12 mm $234.15

Lewmar | D2 Triple Line Rope Clutch Superlock 12-14 mm

High load applications on boats up to 16.8m/55ft, low load and control line applications on larger boats. Still the only true clutch on the market that can be released under load. Safe working load: 1200kg. Minimum holding power: 1000kgs. Rope capacity: 12-14mm.

LM29103414 $341.25

Lewmar | D2 Triple Line Rope Clutch Superlock 10-12 mm

High load applications on boats up to 16.8m/55ft, low load and control line applications on larger boats. Still the only true clutch on the market that can be released under load. Safe working load: 1200kg. Minimum holding power: 700kgs. Rope capacity: 10-12mm.

LM29103412 $362.15

Ronstan

Ronstan | Cam Cleat Carbon Fiber Blue 5/16" for 2-8mm rope ...

Intensive development efforts have produced this range of cleats with unbeatable holding power, designed for easy cleating and releasing of control lines in every application and load condition. Through the use of advanced composites, these cleats achieve superior performance while overcoming the limitations of metal alloys.

P188633 Cam Cleat Carbon Fiber Blue 5/16" for 2-8mm rope $31.75
P188641 Cam Cleat Carbon Fiber Blue 1/2" 3-12mm $35.25
RN05420 Cam Cleat Carbon Fiber Blue 5/8" $65.15

Ronstan | Constrictor Textile Rope Clutch 8mm Rope ...

Unlike all conventional clutches the Constrictor system does not crush the rope between two metal surfaces. Instead, the loaded rope is held securely in a textile sock, itself attached to an anchor base. The rope runs freely through the sock in one direction, but is gripped instantly within the sock when running out in the opposite direction. Stronger: The standard Constrictor range provides 2x the holding power of conventional rope clutches, and custom solutions are available with holding power up to the break load of the rope! Lighter: At least 3x lighter than conventional rope clutches. No Abrasion or Rupture: The unique textile sock closes like an octopus on the line, providing effective load distribution and outstanding grip; a result of fibre-to-fibre contact that is far less aggressive than traditional metal cams. Safely Release Under Load: The line can quickly and easily be released under load without the need of a winch, simply by pulling the control lanyard. This can be an important safety consideration in situations where immediate release is required.

RN308001 Constrictor Textile Rope Clutch 8mm Rope $231.25
RN310001 Constrictor Textile Rope Clutch 10mm Rope $231.25
RN312001 Constrictor Textile Rope Clutch 12mm Rope $275.00

Spinlock / Cleats

Spinlock I PXR Cam Cleat Stage Adjustable Release Spring 2-6 mm ...

The easiest cleat to release under load. Compact roller action cam cleat for easy release of high performance control lines. Fast precise control for hand tensioned lines. Roller action ensures easy release under high load. Hard anodised alloy cam and base. Ideal for high performance lines. Micro size for small diameters. Three stage release control switch. Ideal for single line spinnaker hoist systems. Resists accidental re cleating.

LK02061	PXR Cam Cleat Stage Adjustable Release Spring 2-6 mm	$53.35
LK02062	PXR Cam Cleat Retrofit Stage Adjustable Release Spring 2-6 mm	$53.35
LK02063	PXR Cam Cleat Swivel Base 3 Stage Adjustable Release Spring 2-6 mm	$76.00
LK02064	PXR Cam Cleat Pivoting Sheave 3 Stage Adjustable Release Spring 2-6 mm	$83.75
LK08101	PXR Cam Cleat Stage Adjustable Release Spring 8-10 mm	$56.15
LK08102	PXR Cam Cleat Retrofit w/3 Stage Adjustable Release Spring 8-10 mm	$73.55
LK08103	PXR Cam Cleat Swivel Base 3 Stage Adjustable Release Spring 8-10 mm	$93.50

Spinlock / Clutches

Spinlock I XAS Rope Clutch Single 6-12 mm ...

Multi role clutch with excellent performance across a wide rope range. Perfect for racing yachts up to 27ft and cruising yachts up to 35ft. Features and benefits: Effortless release. Line friendly. High performance, small diameter version available for 4-8mm lines. Side mountable.

LK06121	XAS Rope Clutch Single 6-12 mm	$91.55
LK06122	XAS Rope Clutch Double 6-12 mm	$189.25
LK06123	XAS Rope Clutch Triple 6-12 mm	$293.75

Spinlock I XAS Rope Clutch Single 4-8 mm

Multi role clutch with excellent performance across a wide rope range Perfect for racing yachts up to 27ft and cruising yachts up to 35ft. Features and benefits: XAS0408 designed especially for holding high performance small diameter lines 4-8mm. Effortless release. Line friendly. Larger diameter version available for 6-12mm lines. Side mountable.

LK04081 $102.95

Spinlock I XTS Rope Clutch Single 6-10 mm ...

Specified as standard on production yachts worldwide and the choice of racing yachts inshore and offshore. Features and benefits: Extruded alloy handle with soft grip end. Secure handle lock in open or closed position. Side fairing accessory for side mounting version XTS-SMNT. Two versions offer wide line diameter range. Wide range of CAM upgrade options. Easy access to fasteners.

LK06101	XTS Rope Clutch Single 6-10 mm	$154.95
LK08141	XTS Rope Clutch Single 8-14 mm	$154.79
LK08142	XTS Rope Clutch Double 8-14 mm	$290.25
LK08143	XTS Rope Clutch Triple 8-14 mm	$417.95

Spinlock I XX Powerclutch Single Black 8-14 mm

This powerclutch holds loads 50% higher than any conventional clutch, with smooth and controlled release. The only secure clutch solution for genoa and spinnaker halyards on performance yachts from 35ft to 50ft. Features and benefits: New jaw profiles developed to work consistently across a wider range of blended rope covers. Optimised for high performance 8-12mm lines. Roller bearings give safe and controlled release under load. Easy on deck access for removing complete internal assembly, even when banked. Access ports for fresh water flushing. Side mounting version available.

LK08121 $588.95

Spinlock / Jammers

Spinlock I SUA Mini Rope Jammer Single 6-10 mm ...

For use with smaller winches. More power than a cam cleat, more compact than a powerclutch.

LK11101	SUA Mini Rope Jammer Single 6-10 mm	$67.50
LK11102	SUA Mini Rope Jammer Double 6-10 mm	$96.55
LK11103	SUA Mini Rope Jammer Triple 6-10 mm	$125.75

Spinlock I ZR Rope Jammer Single 10-14 mm

New Generation 'hands free' jammer technology for production boats.Features and benefits: Holds three line sizes 10,12 and 14mm. Holds 50% more line load than XTS. Kinder to ropes than a clutch. Easy access fastener holes. High tensile fasteners (M8 x 60mm A4-70) nuts and washers supplied. New overload protection technology. Replaceable jaw cartridge accessed with a single screw. Self-sealing deck fastening. Footprint matched to XX0812 which allows simple upgrade to the XX0812 for higher loads. Single units only.

LK10141 $384.40

Spinlock / Parts & Accessories

Spinlock I Labels For Rope Clutch XAS & XT ...

Clutch handle labels. English, French and German included.

LK01001	Labels For Rope Clutch XAS & XT	$5.95
LK01002	High Spec Labels For Rope Clutch	$44.09

Spinlock I Replacement Spring Arm For XAS & XA Rope Clutches

Replacement spring arm for XAS and XA clutches.

LK00295 $15.95

Spinlock I Replacement Handle For XA Rope Clutch

Replacement handle for XA clutches.

LK00165 $15.95

Spinlock I Replacement Handle For XAS Rope Clutch

Replacement handle for XAS clutches.

LK06125 $17.95

Spinlock I Base Upgrade XAS Rope Clutch 4-8 mm

Replacement or upgrade base for XA single unit clutches to give optimised holding on small diameter lines 4-8mm (5/32-5/16"). Strongly recommended for sports boat and other small boat high performance applications.

LK04080 $23.95

Spinlock I Cam Module For XA & XAS Rope Clutches 6-10 mm

Replacement CAM for XA and XAS powerclutches. Lines 4mm-12mm (5/32"-1/2").

LK06120 $28.25

Spinlock I Base Upgrade XTS & XCS Rope Clutch 4-8 mm

Replacement base for XTS, XCS XT, XC and XR clutches.

LK04090 $28.55

Spinlock I Replacement Side Fairings For XTS Clutches

Replacement side fairings for XTS clutches (pair).

LK08146 $31.50

Spinlock I Replacement Side Fairings For XA Rope Clutches ...

Replacement side fairings for XAS clutches (pair).

Replacement Side Fairings For XA Rope Clutches
LK00296 $32.15

Replacement Side Fairings For XAS Rope Clutches
LK06126 $32.49

Spinlock I XAS Rope Clutch Service Kit w/0612 Base

The complete service kit for XAS clutches. Kit includes XAS-CAM, XAS-SIDE, XAS-HDL, XAS-BASE0612. For line diameters 6mm-12mm (1/4"-1/2"). Note that the XAS-BASE0612 is only suitable for single unit XA clutches.

LK01201 $53.75

Spinlock I Cam Module For XT, XTS, XC & XCS Rope Clutches 8-14 mm

Replacement CAM for XTS, XCS, XT and XC powerclutches. Suitable for use with line diameters 8mm-14mm (5/16"-9/16").

LK08140 $65.55

Spinlock I Cam Module For XC & XCS Rope Clutches 12-16 mm

Replacement CAM upgrade for XCS & XC powerclutches. For use with lines 12mm-16mm (1/2-5/8"). Supplied with replacement mouldings and bullseyes.

LK12160 $79.95

Spinlock I XTS Rope Clutch Service Kit w/0814 Base

The complete service kit for XTS clutches. Includes replacement cam (CAM-0814), replacement base (X-BASE) and replacement handle (X-HDL).

LK01401 $86.49

Spinlock I Replacement Handle For XX Powerclutch

Replacement handle for XX0812 (2005 models onwards).

LK08125 $231.50

Spinlock I Replacement Jaw Set For XX Rope Powerclutches

For Mark 3 XX0812 (2011 models onwards). For XX0812 models 2005-2010 use XX-KIT for replacement jaws.

LK08120 $236.85

Wichard Boom Brake

Wichard I Gyb'Flex Rope 16 m ...

Wichard ® Gyb'flex specific line for use with Wichard ® Gyb'easy boom brake.

WI07148 Gyb'Flex Rope 16 m $142.50
WI07149 Gyb'Flex Rope 25 m $222.75

Wichard I Gyb'easy Boom Brake 600 g

Gybing remains one of the most challenging operations on a sailing boat even for experienced sailors and can possibly generate injuries and material damage. Gyb'Easy is an efficient and safe solution to reduce such risks. Thanks to the frictions of the specific line called Gyb'Flex passing over the boom brake, the boom is allowed to gybe smoothly and without jerks. The more the line passes over the openings, the more the friction is increased and hence the brake efficiency. The adjustment is made thanks to the tension of the line. 3 different positions exist for a better adaptation of the mainsail and wind conditions. It takes a few minutes to install it on an eye strap of the boom. Two different fittings can be implemented to fit with all the deck configurations.

WI07150 $408.75

DECK TRACK SYSTEMS

Barton / Ball, Beam, T-Tracks

Barton Marine I T Track End Cap 25 mm

Track end caps for T tracks. Fits 25mm T track. Travellers, end fitting and track are manufactured from high quality marine grade aluminium with our unique 'Spectro' grey anodised finish for added protection.

BN25901 $4.95

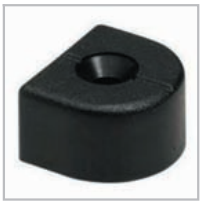

Barton Marine I TTrack End Cap 32 mm

Track end caps for T tracks. Fits 32mm T track. Travellers, end fitting and track are manufactured from high quality marine grade aluminium with our unique 'Spectro' grey anodised finish for added protection.

BN32901 $5.95

Barton Marine I Ball Bearing Track End Cap S2 24 mm 2/pk

Track end caps for drilled or sliding bolt tracks. Fits 24mm track. Travellers, end fitting and track are manufactured from high quality marine grade aluminium with our unique 'Spectro' grey anodised finish for added protection.

BN24001 $12.45

Barton Marine I Ball Bearing Track End Cap S3 30 mm

Track end caps for drilled or sliding bolt tracks. Fits 30mm track. Travellers, end fitting and track are manufactured from high quality marine grade aluminium with our unique 'Spectro' grey anodised finish for added protection.

BN30001 $15.25

Barton Marine I T Track Section 25 mm x 10 mm x 1.8 m ...

A popular range of genoa cars and sliders designed to run on 25mm (1")and 32mm (1 1/4") 'T' track. All are manufactured from high quality marine grade aluminium and finished with a unique 'Spectro' grey anodised finish for added protection. Stainless plunger stops with positive action. Molded nylon slide inserts ensure free running. Large, easy grip plunger knobs.

BN25030 T Track Section 25 mm x 10 mm x 1.8 m $117.95
BN25900 Plunger Stop For 25 mm T Track $28.49
BN32030 T Track Section 32 mm x 15 mm x 1.8 m $147.95
BN32050 T Track Section 32 mm x 15 mm x 3 m $212.55
BN32900 Plunger Stop For 32 mm T Track $36.10

Barton Marine I Drilled Ball Bearing Track Sectio ...

Hollow section extruded aluminium track for light weight yet retaining high load capacity. 'Spectro' grey anodised finish is extremely durable and adds to the friction free efficient performance of these products. Three styles of track are available: drilled, sliding bolt and beam. Drilled track is the most commonly used, drilled and countersunk at 100mm centers, with the first hole at 50mm from track end.

BN24030 Drilled Ball Bearing Track Section S2 26 mm x 15 mm x 1.8 m $125.55
BN30032 Sliding Bolt Track Section S3 30 mm x 19 mm x 1.8 m $151.75
BN30033 Beam Track Section S3 30 mm x 40.5 mm x 1.8 m $263.95
BN30040 Drilled Ball Bearing Track Section S3 30 mm x 18 mm x 2.2 m $269.95

Barton / Genoa Cars

Barton Marine I Genoa Car For 25 mm T Track

Features precision turned Ertalyte sheaves running on a large diameter center bearing, for friction free performance under load. Sheaves are designed with extra width to accept two sheets. The sheave axle is through bolted and riveted for extra strength.

BN25100 $101.49

Barton Marine I Genoa Car For 32 mm T Track ...

Features precision turned Ertalyte sheaves running on a large diameter center bearing, for friction free performance under load. Sheaves are designed with extra width to accept two sheets. The sheave axle is through bolted and riveted for extra strength.

BN32100 Genoa Car For 32 mm T Track $157.50
Heavy Duty Genoa Car For 32 mm T Track
BN32101 $251.75

Barton / Traveller Accessories

Barton Marine I Genoa Slider For 25 mm T Track ...

These sliders have a heavy duty stainless steel attachment loop, through bolted and riveted for extra strength.

BN25300 Genoa Slider For 25 mm T Track $36.25
Mainsheet Slider w/Loop For 32 mm T Track
BN32300 $52.95

Barton Marine I Traveller Control Line Block S2 ...

Barton control line block assemblies fit either car to achieve 4:1 purchase. Recirculating Delrin ball bearings, enabling adjustment even under heavy load. Extruded from marine grade aluminium, with a satin smooth 'Spectro' grey anodised finish. This is very resistant to scratches and surface damage and has a high UV stability. Size 2 is for yachts up to 12m. Size 3 is for yachts up to 15m.

BN24112 Traveller Control Line Block S2 $43.15
BN30112 Traveller Control Line Block S3 $73.03

Barton Marine I Traveller End Fitting S2 w/Internal Sheaves ...

The unique Barton modular system allows a wide variety of systems to be constructed, giving multiple control line and cleating options for track end fittings. These recirculating ball bearing travellers run on Delrin ball bearings. Size 2 is for yachts up to 12m. Size 3 is for yachts up to 15m.

Traveller End Fitting S2 w/Internal Sheaves
BN24110 $84.35
BN24114 Traveller End Fitting S2 w/Cleat $116.70
BN30110 Traveller End Fitting S3 w/Internal Sheaves $159.25
BN30114 Traveller End Fitting S3 w/Cleat $160.55

Barton Marine I Traveller Car S2 w/Internal Sheaves & Single Shackle ...

These recirculating ball bearing travellers run on Delrin ball bearings. Size 2 is for yachts up to 12m. Size 3 is for yachts up to 15m.

Traveller Car S2 w/Internal Sheaves & Single Shackle
BN24101 $149.95
Traveller Car S2 w/Internal Sheaves & Single Toggle
BN24105 $157.65
BN30101 Traveller Car S3 w/Internal Sheaves $264.50
BN30105 Traveller Car S3 w/Internal Sheaves & Single Toggle $277.09

Barton / Traveller Systems

Barton Marine | Laser Outhaul Assembly (Class Legal)

Outhaul assembly for Lasers

BN98076 $79.85

Barton Marine | Laser Kicker Assembly 15:1

Kicker Assembly 15:1 Kit for Laser. Equipment comprises: Barton base plate, Spectro anodised aluminium with three fixing bolts 00 930 Series 0 triple, swivel, cam block attached to base plate by shackle 00 110 Series 0 single fixed eye block attached to base plate by shackle 00 211 Series 0 double block with becket 01 091 Series 1 single tang block with becket and curved kicker key for boom 1.2m x 4mm dyneema for primary red control line 3m x 4mm line for secondary red control line - Fitting Instructions: Drill out the kicker mast tang attachment hole to 6mm, fit the base plate to the tang using the centre locating bolt and nut making sure that the triple swivel block is located lowest as per left photograph above. Locate the curved kicker key fitted to the single tang block into the boom fitting as per right photograph. Tie a loop or a series of knots into the secondary red control line to suit your preference for ease of use

BN98075 $213.75

Barton Marine | Traveller System 2:1 Purchase Kit ...

This New Ball Bearing Traveller System is a complete traveller system kit in a box. Supplied with 1.4m track, a 2:1 purchase traveller incorporating 70° angle cleat on ends, end caps, pilot track and fitting instructions. Low friction design ensures a clean line for an unobtrusive and practical enhancement onboard. Clear view packaging makes it quick and easy to purchase the correct system. For boats up to 36ft.

BN24900 Traveller System 2:1 Purchase Kit w/Cleats On End Fittings $490.50

Barton Marine | Traveller System 4:1 Purchase Kit ...

This New Ball Bearing Traveller System is a complete traveller system kit in a box. Supplied with 1.6m track, a 4:1 purchase traveller incorporating 70° angle cleat on ends, end caps, pilot track and fitting instructions. Low friction design ensures a clean line for an unobtrusive and practical enhancement onboard. Clear view packaging makes it quick and easy to purchase the correct system. For boats up to 36ft.

BN24901 Traveller System 4:1 Purchase Kit w/Cleats On End Fittings $622.79

Ronstan

Ronstan | Track Stop Slide w/Loop Series 32 For T ...

T-Track systems are high strength, low weight, simple and reliable. Slides have low friction liners to protect the track. Length 102 mm, M.W.L. 1000 kg, B. L. 2000 kg.

Track Stop Slide w/Loop Series 32 For T-Track Traveller System 2000 kg
RN73202 $67.95

Ronstan | Jib Lead Car Orbit Series 25 For T-Trac ...

Composite jib lead cars continue the design philosophy of the award winning Ronstan BB and RT Orbit Blocks, with virtually all metal components now replaced with high tech polymers and fiber equivalents. The car design has been modelled and optimised using finite element analysis and rapid prototyping techniques to achieve maximum strength to weight characteristics. Orbit Block models use a Dyneema ® Link which is 10 times stronger and lighter than steel, to provide the articulated connection between block and car. Length 102 mm, M.W.L. 500 kg, B. L. 1000 kg.

RN72537 Jib Lead Car Orbit Series 25 For T-Track Traveller System 1000 kg $106.95

Ronstan | Genoa Car Series 32 w/Track Stop For T- ...

T-Track systems are high strength, low weight, simple and reliable. Slides have low friction liners to protect the track. Can accommodate two sheets for easy headsail changes, and has a plunger stop that can be locked in the 'up' position. Length 146 mm, M.W.L. 1500 kg, B. L. 3000 kg.

Genoa Car Series 32 w/Track Stop For T-Track Traveller System 3000 kg
RN73231 $309.95

DECK WINCHES

Winch Handles

Lewmar | Winch Handle Holder

Lewmar's PVC winch handle pocket. Large capacity, better quality material than the Tawainese versions.

LM29140020 $23.35

Lewmar | Winch Handle Service Kit

Kits contain everything you need to rebuild the ball bearing handle or the locking mechanism of your handle.

LM29140011 $44.29

Lalizas | Wich Handle Locking w/ Speed Handle 25cm

Lalizas 10" aluminum locking winch handle.

LZ11861 $49.25

Lewmar I Winch Handle Standard Aluminium 8" ...

These ball bearing, alloy handles are now more powerful than ever before. The 8" handle is neat and compact for lower loads and very rapid action. The 10" is for heavier loads and produces the maximum power ratio for the winch.

Winch Handle Standard Aluminium 8"
LM29141010 $67.75

LM29141111 Winch Handle Lock In Aluminium 10" $117.60
LM29141120 Winch Handle Lock In Chrome 10" $142.85

Lewmar I Winch Handle Lock In Aluminium 8" ...

These ball bearing, lock in, alloy handles are now more powerful than ever before. The 8" handle is neat and compact for lower loads and very rapid action. The 10" is for heavier loads and produces the maximum power ratio for the winch.

LM29141011 Winch Handle Lock In Aluminium 8" $111.65
Winch Handle Standard Aluminium 10"
LM29141110 $100.95

Lewmar I Winch Handle One Touch Lock In Single Grip 8" ...

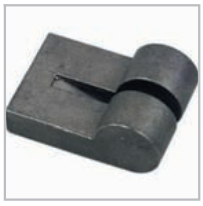

The Lewmar ® OneTouch winch handle is a new approach to winch handle design. Its patented OneTouch mechanism allows you to squeeze the release lever (which runs the entire length of the handle) and pull to unlock in one quick, easy motion. To lock in, simply squeeze and insert into winch. All it takes is one hand. So you can spend less time fiddling around and more time sailing.

LM29140040 Winch Handle One Touch Lock In Single Grip 8" $113.15
LM29140044 Winch Handle One Touch Lock In Single Grip 10" $144.75

Winch Parts & Accessories

Lewmar I Pawl 1264/8 LRG

Lewmar ® large pawl 1264/8 used in Lewmar ® 48ST and larger winches.

LM12648 $14.35

Lewmar I Torlon Balll Replacement Size 2 5/16" 10/pk

Size 2 Torlon ball spares.

LM29172021 $14.95

Lewmar I Winch Grease Waterproof Tube 100 g

Suitable for the lubrication of winches, windlasses, steering gears, bearings, trailer wheel bearings, hydraulic equipment, outboard engines and many other marine applications.

LM19701000 $25.25

Lewmar I Basic Winch Service Kit ...

For all two speed and self tailing winches to 44ST. Includes 2 circlips, 8 pawls, 12 pawls springs, 3 keys, 8 gear spindle sleeves, and 2 collets.

LM19700100 Basic Winch Service Kit $51.05
Two Speed & Self Tailing Winch Service Kit
LM19700200 $80.95

Lewmar I Pawls & Springs Kit

Standard large pawl and springs 50-60. Kit contains: 6 pawls, 12 pawl springs.

LM19700401 $59.95

Lewmar I Pawls & Springs Kit SML

Small pawl and springs 6-48-66.

LM19700501 $60.25

Lewmar I Three Speed Winch Service Kit

Kit includes: 18 x 1260/7 springs, 4 x 1260/8 pawls (small), 4 x 1264/8 pawls (large), 2 x 15137203 plungers, 2 x 15044113 springs, 1 x B2083 circlip, 2 x 15044106 closing rings, 2 x 15044111 plungers, 2 x 15044112 springs, 2 x 15137204 springs, 2 x B2075 circlips. -

LM19700300 $138.60

Winches - Self-Tailing

Lewmar I Evo Self Tailing Winch 30 ST Two Speed Black Alloy ...

Originating from the most successful line of winches ever, Lewmar ® EVO winches feature a sleeker self tailer drum with added grip, and can be easily maintained by the boat owner, without the use of special tools. The EVOlution model builds on the standard platform set by Lewmar ®'s Ocean winch with new field tested innovations including new styling, sizes, and finishes as well as easier installation. The wave spring self tailing design handles all line types, including thin modern lines. Lewmar ® EVO winches come in black, grey, or chrome and even include an arrow so non boaters know which way to load up the line. Long lasting, precision cut high quality alloys and metal complete this outstanding winch. Convertible to electric.

LM49530055 Evo Self Tailing Winch 30 ST Two Speed Black Alloy $1,209.49
LM49540055 Evo Self Tailing Winch 40ST Two Speed Black Alloy $1,387.50
LM49540056 Evo Self Tailing Winch 40ST Two Speed Chrome $1,422.50
LM49545055 Evo Self Tailing Winch 45ST Two Speed Black Alloy $1,930.79
LM49550056 Evo Self Tailing Winch 50ST Two Speed Chrome $2,860.00

Lewmar I Ocean Self Tailing Winch 46ST Single Speed Chrome

Lewmar ® Ocean Winch with a chrome bronze body and 'wavespring' self tailing. Design combines Lewmar ®'s renowned and gentle wave grip feature with self adjusting springs that adapt to a wide range of line diameters automatically. Perfect for modern smaller diameter exotic fiber lines as well as the traditional larger Dacron composites. Sleek feeder arm prevents jams. First gear ratios provide faster sail handling. Designed to optimize human biomechanical factors and reduce fatigue.

LM49046056 $1,946.85

Lewmar I Ocean Self Tailing Winch 48ST Two Speed Chrome

Lewmar ® Ocean winch with a chrome bronze body and 'wavespring' self-tailing. design combines Lewmar ®'s renowned and gentle wave grip feature with self adjusting springs that adapt to a wide range of line diameters automatically. Perfect for modern smaller diameter, exotic fiber lines as well as the traditional larger Dacron composites. Sleek feeder arm prevents jams. First gear ratios provide faster sail handling. Designed to optimize human biomechanical factors and reduce fatigue.

LM49048001 $2,818.29

MAST STEPS & MAST ACCS

Lalizas I Wooden Seat For Proffessional Bosun's Chair (LZ10210)

Wooden seat for bosun's chair.

LZ01169 $11.25

Wichard I Sail Chafe Protector White 6-10 mm

Protects against sail chafe on guardrails and stanchions. Easy snap fit. UV resistant molding. 70mm overall diameter, for wire diameter 6-10mm.

WI04107 $13.95

Aaa World Wide Enterprises I PVC Anti-chafe sprea ...

Protect your sails from ripping or tearing on your boat's spreaders with these PVC anti-chafe covers They feature a smaller frontal area for less wind resistance and have greater surface area on the end to reduce sail chafing. They install quickly and easily over spreader ends and shrouds, and secure with self bonding rigging tape.

AT74532 PVC Anti-chafe spreader boots. 15x54x120mm $15.25

Ronstan I Spreader/Life Line Roller, Snap together

Suits use on life lines, above spreaders and on back stays to assist tacking and prevent sail chafe. Snap-together design allows fitting to existing rigging. Includes location clips. Ronstan Spreader/life Line Roller.

RN00209 $16.25

Mast I Step Folding Grey ...

The mast step is manufactured from a special combination of nylon/glass fiber which, together with its design gives the step enormous strength. With a 3% additive, it makes the mast step UV resistant and prevents material degradation. The steps weigh only 165g each (weight is always a consideration for products up a mast), and when folded do not snag ropes or sails due to the snag free design. At anchor or on a mooring the steps do not rattle in the wind.

LD40404 Step Folding Grey $25.95
LD50505 Mast Step Folding White $25.95

Davis Instruments I LED Windex Light

Light up the reflector tabs and vane on your windex for easy viewing at night with windex light. Waterproof and non corroding silver parts give long life at just 120 ma current draw. Fits under Windex 15, Windex 10 or J-Base mounting socket.

DI03200 $31.95

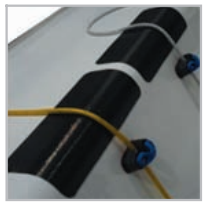

Barton Marine I Carbon Fiber Wear Disc, 208mm Diameter

Deck Protection Wear Disc. A simple & great looking solution to avoid damage to your boat through rope burn, chafe or impact. Made from carbon fiber with a high specification adhesive, this protective disc can be fixed to flat or curved surfaces. Each pad is backed with 3M 468MP transfer tape and 200MA adhesive for superior adhesion, resistance to immersion and exposure to saltwater. Can be trimmed to size as required. Full fitting instructions included. Disc Size: 208mm diameter. (Blocks & pad eye shown in image are not included. color may vary)

BN67151 $32.55

Barton Marine I Carbon Fiber Wear Pad, 208 x 98 mm 2 Pack

Deck protection wear pad. A simple & great looking solution to avoid damage to your boat through rope burn, chafe or impact. Made from carbon fibre with a high specification adhesive, these protective pads can be fixed to flat or curved surfaces. Each pad is backed with 3M 468MP transfer tape and 200MA adhesive for superior adhesion, resistance to immersion and exposure to saltwater. Can be trimmed to size as required. Full fitting instructions included. Pad Size: 208mm x 98mm

BN67150 $35.49

Davis Instruments I Windex Wind Vane 10 Sport 10" (25 cm)

Windex wind vanes continue to offer exceptional performance at the best value of any wind indicator worldwide. The secret is in the sapphire jewel suspension bearing, large fin low inertia vane, and easy to read, fully adjustable tacking tab system. Reflector tape on the vane and tacking tabs make Windex 10.Sport easy to see day and night. These vanes are sturdy and when installed properly and offer many years of use. They have been wind tunnel tested to wind speeds of 80knts.

DI03120 $44.95

Taylor Made I Spreader Boots LRG 7 1/2" x 2 7/8"

Protect your sails from ripping or tearing on your boat's spreaders with these soft injection molded, UV resistant, synthetic rubber spreader boots. They feature a smaller frontal area for less wind resistance and have greater surface area on the end to reduce sail chafing. They install quickly and easily over spreader ends and shrouds, and secure with self bonding rigging tape.

TY960027 $52.15

Lalizas I Bosuns Chair w/Side Pocket & Padded Wooden Seat Blue

This bosun's chair is made of tough PVC material and comes complete with safety sraps for added security, fitted side pockets for tools etc. and a padded wooden seat.

LZ10080 $56.95

Davis Instruments | Windex Wind Vane 15

Windex wind vanes continue to offer exceptional performance at the best value of any wind indicator worldwide. The secret is in the sapphire jewel suspension bearing, large fin-low inertia vane, and easy-to-read, fully adjustable tacking tab system. Windex is the perfect choice for all cruising and racing boats 15' (4.6 meters) and bigger. Reflector tape on the vane and tacking tabs make Windex 15 easy to see day and night. Windex vanes are sturdy and when installed properly, offer many years of use. They have been wind tunnel tested to wind speeds of 80 knots!Windex 15 has a 15" (38 cm) vane. Includes through-bolt or drill and tap mounting socket; 5/16" -18 stainless stud, washers and nut. Stands 12.75" (32 cm) tall and weighs just 3.6 ounces (101 g). A bird-proof spike extends another 10" (24 cm) above the vane to discourage birds from landing.

DI03150 $70.25

Lalizas | Professional Bosuns Chair w/Tool Holder ...

This Professional Bosun's Chair folds to your body shape with 4 webbing lifting straps. There is an additional waist strap for extra security and a strap to help keep your knees apart. The chair stows neatly into a nylon storage bag. This model is based on the old Solent leisure design. It has foam inserted between the grey nylon outer cover and the navy blue nylon lining for added comfort.

LZ10210 Professional Bosuns Chair w/Tool Holder & Optional Wood Seat (LZ01169) $85.25

Burke | Bosun's Chair Grey

Reinforced lifting loops. Crotch strap. Down haul/lazy guy attachment point. Padded timber seat. Synthetic webbing and material. High strength continuous load bearing strap. Two tool holder bags with lanyard rings. Back support with waist band.

BK32212 $86.95

Osculati | Bosuns Chair w/Side Pocket & Rigid Board Red

Suitable for mast climbing. Made of heavy red nylon fabric, filled with expanded foam, provides safety and at the same time gives freedom of movement. Fitted with a side object holder pocket and a tool rack. Available in one size only, fitted with heavy nylon cover and includes bag.

OC2309100 $120.95

Spinlock | Mast Pro Harness

The only harness designed especially for working at height on board a yacht. Latest generation mast harness dedicated especially for use in the marine environment. Secure, fully certified alternative to a bosun's chair. Quick adjust twin 'doubleback' buckles in marine grade stainless steel. Replaceable, extra tough leg strap covers protect against abrasion damage to harness. Ergonomic sculptured waist belt and super wide leg straps for added comfort and lumbar support. Neoprene buckle covers prevent snagging and rig damage. Replaceable elastic leg straps. Tripping spike pocket and tool attachment points.

LK92001 $169.95

ROPES

Rope - Dyneema/Spectra

Southern Ropes I GP12 -12-Strand, 4mm Single Brai ...

GP12 ropes. This rope is designed for high load applications where ultra-low stretch is required. The heat treatment and polyurethane coating applied increases the rope's abrasion resistance, prolonging its life. - Features: Extremely high strength-to-weight ratio. Safer than wire (low recoil). Floats. Hydrophobic. Low creep. Easy to splice. Resistance to kinking. Very high resistivity to UV and most chemicals. Coating reduces likelihood of snagging. -Applications: Wire rope replacement. Halyards. Check stays. Guys. Runner Tails. Kickers. Strops. Towlines. Winch lines.

SN03004 GP12 -12-Strand, 4mm Single Braid UHMwPE Rope w/Polyurethane coating $1.25

Rope - Technora & Dyneema

Southern Ropes | Rope Super-T Braid w/Technora & ...

This high performance sailing braid is designed for ultra low stretch applications requiring good heat management. The compact construction of the core provides rigidity in clutches and jammer, while the Technora ® in the cover increases tensile strength as well as abrasion resistance. The high UV rating of the Dyneema ® core means that the cover can be stripped without fear of a UV related loss in strength. Used for sheets, halyards, control lines, out/downhauls, guys, runner tails, kickers, reefing lines, furlers and travelers.

Other Speciality Tapes

3m | White Velcro Fastening System Hook & Loop

Heavy duty dual lock system. White color. Very high bond adhesive - UV and plasticizer resistant.

MM064880 $6.40

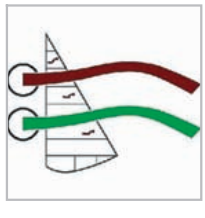

3m | Black Velcro Fastening System Hook & Loop

Heavy duty dual lock system. Black color. Very high bond adhesive - UV and plasticizer resistant.

MM064810 $6.75

Davis Instruments | Airflow Tels Ripstop Nylon

Lightweight, ripstop nylon Air Flow Tels attach to sails with waterproof adhesive locator discs. No holes required. Tels show the airflow across the sails, allowing you to trim sails for maximum performance. Each kit includes 14 Tels and full instructions on where to apply them and how to read them.

DI00950 $9.49

C C Marine | Riggers Tape White 25 mm x 10 m

Every rigger, or aspiring rigger, needs a roll of this tape which is used by shipyards and owners alike. Riggers tape is used for covering split pins, wire splices, cross tree ends and any other areas where chafe is encountered.

CM07001 $11.75

C C Marine | Rubbaweld Self Amalgamating Tape White 25 mm x 5 m ...

Self amalgamating marine tape. Waterproofing/corrosion protection of any fit ting. Electrical, radio connectors, deck glands, etc. Will also repair burst or leaking pipes including the emergency repair of burst engine cooling hoses. Makes neat and lasting terminations for rope ends. Temperature range 40°C to 100°C.

CM01001 Rubbaweld Self Amalgamating Tape White 25 mm x 5 m $13.25
CM01101 Rubbaweld Self Amalgamating Tape Black 25 mm x 5 m $13.25

3m | Velcro Fastening System Heavy Duty Clear

3MÃ– Dual LockÃ– Reclosable Fastener MP3560 is a clear acrylic adhesive on the back of a clear polypropylene reclosable fastener. 250 stems per square inch. .23 inch engaged thickness. Closure life 1,000. For indoor and outdoor use. Highest temperature performance, temperature resistance 220 degrees F. For use with metals (aluminum, stainless steel), glass, and high surface energy plastics (acrylic, polycarbonate, ABS).

MM064630 $14.75

C C Marine | VelcroTape Hook & Loop Self Adhesive White 20 mm x 1 m

Self adhesive backed hook and loop tape that has endless uses. For removable panels, cushioned locker covers and any other fitting that needs to be quick release and firm hold when in place.

CM09001 $14.75

C C Marine | Rubbaweld Mast Boot Tape Self Amalga ...

The perfect solution to waterproofing deck aperture for keel stepped masts. Creates flexible, long lasting, good looking professional job that will not leak. Fast and easy to apply, rapid welding.

Rubbaweld Mast Boot Tape Self Amalgamating White 100 mm x 3 m
CM02001 $29.95

3m | Velcro Fastening System Hook & Loop Black

Hook & loop and dual lock systems offer advanced closure alternatives to zippers, screws, snaps, hooks, bolts and more. Pressure sensitive. Adhesive backed. Hook & loop fastners. Bonds to most surfaces. Sold by the box.

MM06481 $62.75

Palms, Needles, Rope Guns

Lord & Hodge | Grommet Refills 1/4" Size 0 24 per Pack ...

Brass grommet refills with 24 or 12 brass uds. Used to repair canvas, tarpaulins, tents, awnings, sailcloth, lawn furniture and pool covers.

MC611031 Grommet Refills 1/4" Size 0 24 per Pack $3.45

TILLERS & BATTLESTICKS

Ronstan I Tiller Exention Clip Nylon For Tube 3/4" (20 mm)

Tiller or' battlestick' extension retaining clip, for 20mm (3/4") diameter tube.

RN01135 $4.45

Spinlock I Replacement Retaining Clip For Tiller Extension E-Series

Replacement tiller retaining clip 3E028A.

LK50103 $11.85

Ronstan I Tiller Extenion Universal Joint w/Snap On Cover Nylon

Smooth, uniform rotation in all directions and a quick, firm response to steering movements. The universal joint with snap on cover is designed to allow quick fitting and removal of the tiller extension from the fixed base. A curved surface adapter .

RN03133 $19.50

Spinlock I Tiller Extension w/Spinflex Joint Black 600 mm ...

Made from strong, lightweight anodised aluminium tube. UV resistant, extra tough, Spinflex joint that swivels freely through the full 360°. Spinflex holds tiller in helming position, 30° above horizontal for fast, reactive helming. Triple wave handle gives a choice of secure grip positions. Responsive 'feel' and precise helm control. Less wrist and grip fatigue.

LK50600 Tiller Extension w/Spinflex Joint Black 600 mm $44.29
LK50900 Tiller Extension w/Spinflex Joint Black 900 mm $48.95

Spinlock I Full Swivel Joint w/Fast Pin For Tiller Extension E-Series ...

E-Series tiller extension service kit. Includes E-Button, E-Clip and E-Sleeve.

Full Swivel Joint w/Fast Pin For Tiller Extension E-Series
LK50100 $65.25
Fast Pin Swivel Release Pin For Tiller Extension E-Series
LK50101 $23.95
LK50102 Service Kit For Tiller Extension E-Series $53.50

Ronstan I Tiller Extension BattlestickTelescoping 98"

Firm grip, precision control, Ronstan Battlestick tiller extensions provide the highest level of control, for quick, decisive helm response in every situation. The Evalon ® Grip is a firm non slip grip material that does not absorb water. End knob for safety and positive hand positioning. Large grip diameter contrasts ergonomically with mainsheet diameter to relieve fatigue. Tubes have a black anodised finish for corrosion protection. Telescopic version is available in four configurations, up to the maximum of 2490mm (98") long with 960mm (38") of adjustment. Urethane universal joint provides smooth, uniform rotation in all directions and a quick, firm response to steering movements.

RN03134 $123.75

Spinlock I Tiller Extension w/Swivel Joint Telescoping Silver 600-900 mm

Designed for the hardest conditions, to reduce the strain and increase the sheer enjoyment of helming. This is the compact solution for the smaller cockpit and ideal for hiking and fast tacking. Push button adjustment with Torlon ball locking mechanism and strong stainless steel swivel joint for precise control and it has an integral shock absorber.

LK50902 $174.40

Spinlock I Tiller Extension Handle Asymmetric Tel ...

The latest in lightweight, precision helming. Telescopic tiller extension, designed for the hardest conditions and increase the enjoyment of helming. The asymmetric grip improves helming performance in three ways: More feedback for accurate and precise control, more mobility maintains the best helming position for optimum trim and visibility and less fatigue correct helming position reduces back pain and improves concentration. Asymmetric grip fits the hand and supports the wrist on or off the wind. Two handed helming mode lets the arms relax into a more comfortable, elbows down position. Push button adjustment with Torlon ball locking mechanism. Strongly engineered stainless steel swivel joint for precise control. Removable fast pin for easy stowage. Integral shock absorber.

LK50901 Tiller Extension Handle Asymmetric Telescopic Silver 600-900 mm $228.95
LK51200 Tiller Extension Handle Asymmetric Telescopic Silver 750-1200 mm $276.25

ELECTRONICS

Acr Electronics | Personal Locator Beacon ResQLink w/GPS 406 MHz

At 4.6oz, the ResQLink distress beacon weighs less than a couple of energy bars. And topping just 3.9", it's smaller than the cell phone in your pocket. Small and mighty, the ResQLink PLB is a full powered, GPS enabled rescue beacon designed for anglers, pilots and back country sportsmen. Even in extreme conditions and situations, the ResQLink activates easily. Just deploy the antenna and press the ON button. With its powerful 66-channel GPS, the ResQLink guides rescuers to within 100m or less of your position. -

OS02880 $409.50

Acr Electronics | EPIRB GlobalFix V4 Cat 1 Class ...

The GlobalFIX V4 is a full-featured EPIRB loaded with high-efficiency electronics for performance you can count on, including an internal 66 channel GPS for faster acquisition from a cold start. A protective keypad cover helps prevent false activation, and the all-new, user-replaceable battery pack has a 10-year replacement interval - reducing the overall ownership cost and making replacement a breeze. The GlobalFIX V4 has two functional self-tests to monitor the beacon's transmission, power and battery performance and GPS acquisition. Pair these tests with ACR's 406Link.com optional testing portal (available for the Americas only) and receive satellite confirmation messages directly to your cell phone or email. GlobalFIX V4 offers the very latest in marine electronic lifesaving technology: Highly visible LED strobe - Energy efficient. Internal 66 channel GPS - Faster acquisition from a cold start. High efficiency electronics - Performance you can count on. User replaceable battery - 10 year battery life. Professional grade design - Engineered, tested and built for years of use in harsh environments. Simple manual activation - Keypad with protective cover to prevent false alarms.

OS02830 EPIRB GlobalFix V4 Cat 1 Class 2 406MHz - Hydrostatic Release $728.95
OS02831 EPIRB GlobalFix V4 Cat II Class 2 406MHz - Manual Release $582.75

Acr Electronics | Epirb GlobalFix iPro w/LED Stro ...

GlobalFix iPro sports a digital display that allows you to see all of the beacon's operational activities. The screen displays GPS lat/lon, operating instructions, usage tips, transmission bursts as well as battery power. The GlobalFix iPro is also the first EPIRB that offers dual GPS technology. Interface your iPro to your onboard GPS to ensure that your lat/lon is stored inside so the coordinates are transmitted in the first data burst. iPro's internal GPS is optimized for cold starts so that it will pinpoint your exact location faster than standard GPS enabled EPIRBs.

OS02846 Epirb GlobalFix iPro w/LED Strobe Cat 1 Hydrostatic Release 406 MHz $1,294.99
OS02848 Epirb GlobalFix iPro w/LED Strobe Cat 2 Manual Release 406 MHz $941.50

FLARES & SIGNAL DEVICES

Horns

Plastimo | Trumpet Fog Horn Plastic Red

Manual fog horn, red polyamide, highly resistant. Length 11.7".

PL16183 $6.95

Seasense | Safety Blaster w/Lanyard 115dB Floats

A light blow produces a sound that can be heard for over 1 mile. Will never rust. Corrosion Resistant. Impact Resistant . Works When Wet.

DF74062 $6.95

Seasense | Air Horn Mini Pump Blast One Mile Range 1.4 oz

Loud enough to be heard up to 1 mile away, the SeaSense ® mini air horn also offers a compact design for easy portability. The horn is impact resistant and features non flammable contents for safety and emits ozone safe air. The horn operates with the push of a button and meets USCG requirements.

DF74011 $9.49

Lalizas | Air Horn Refill Cannister 12 oz

Signal horn refill canister. Propellant: Hyrdrocarbon (non CFC) 380ml.

LZ10032 $12.95

Seasense | Air Horn Refill Cannister 8 oz

Refill can for Seasense ® air horns with the following model numbers: 50074005-Blue plastic air horn. 50074012-Chrome plated air horn. 50074004-Sport air horn. Non flammable. Ozone safe air. Meets USCG requirements.

DF74022 $16.95

Seasense | Air Horn Pump Blast One Mile Range LRG 8 oz

Easy to operate push button horn. Can be heard up to one mile away. Refill can available separately. 8oz. Non flammable. Ozone safe air. Meets USCG requirements. Impact resistant horn.

DF74005 $18.95

Seachoice | Air Horn Pump Blast

Meets USCG as a signal device. Safe for the ozone and 100% non flammable. The trumpet is made of a high impact plastic. 120 decibels at over 3ft.

L046311 $23.49

Lalizas | Air Horn Kit 380 ml (12 oz)

Signal horn and refiling canister in blister pack.

LZ10033 $25.95

Osculati | Horn Q Box Diaphragm Electromagnetic 12V

Q box diaphragm horn is an electromagnetic horn with ABS frame, and is front assembling.

OC2110400 $42.15

Lights

Revere | See-Me LED Strobe Light Compact Personal ...

This LED personal locator light attaches to PFD. Emits 360° light visible up to 3.4 miles. Ideal for paddlers and recreational boaters. USCG approved.

See-Me LED Strobe Light Compact Personal Locator Manual Waterproof
PW51152 $19.50

Spinlock | Lume-On Inflatable Life Jacket Illumination System, 2/Pack

Used in addition to approved lifejacket lights. 2 flashing LED Lights (pair) illuminate the inflated lifejacket bladder to increase visibility and aid location. Water activated - waterproof (IP68). Uses the inflated lifejacket bladder as diffuser to increase visibility. Compact design. Attaches and integrates only in lifejackets with separate bladder and cover construction. Sticks directly to underside of inflatable chamber. -

LK09502 $25.95

Electric Fuel | PFD Light SLX Automatic SOLAS

The Electric Fuel SLX is a fully automatic, water activated light that works in both fresh and salt water. It is lightweight, compact, and has two activation options, automatic activation upon immersion in fresh or salt water and options for manual on/off, or manual off. The bright LED bulb has a light intensity of 0.75 candela and flashes bright white 50-70 times per minute with an operating time of more than 8 hours of full light intensity.

PW80018 $34.95

Lalizas | LED PFD Light Safelite II Water Activated Flashing SOLAS

Safelite II lifejacket LED flashing light guarantees protection against the unnecessary use and battery loss, out of the water. This light is small in size and made in a lightweight compact design. It offers extra powerful LED light, for lower consumption and longer life. It also provides quick and easy installation. Safelite II fits and locks on 20-40mm lifejacket belts, providing security and stability against sudden panic moves. Its lithium battery gives more than 8 hours of continuous use. The Safelite II is made of durable plastic. It is waterproof and is encased in ultrasound welding and epoxy resin, for extra safety.

LZ71209 $34.95

Ust Brands | See-Me 2.0 LED Emergency Locator Lig ...

The See-Me Ö 2.0 LED Strobe is a U.S. Coast Guard-approved personal locator strobe that is visible up to 3.1 miles (5.0 km). It is designed for open water and recreational use.Unbreakable lifetime LED bulb never needs replacing. Provides 45 lumens of light; runs for 120 hours continuously. Strobe rate = 60 flashes per minute (1Hz). Runs for 120 continuous hours on one set of 2 x AA alkaline or lithium batteries. Exceeds USCG regulation: visible 3.1 miles (5km) on a dark, clear night; USCG requirement = a minimum of 1 nautical mile (1.9km) visibility. Easy twist On/Off allows for manual operation. Impact-resistant and submersible up to 1-foot (0.3m) for 24 hours per SOLAS testing. Designed to be attached to a Personal Flotation Device. Activates automatically upon submersion in water (will not unintentionally activate with rain, sea spray, or high humidity). Includes PFD clip. Lanyard cord and hook/loop strap included. Clips to most PFD inflation hoses. May be attached to other flotation devices or immersion suits with the included Velcro strapping or lanyard. Batteries: 2 x AA alkaline or lithium (not included). Size LxW: 5.5" x 1.5" (140 x 40mm). Weight: 4 oz. (113g) with [...] more at islandwaterworld.com

PW854075 See-Me 2.0 LED Emergency Locator Light Strobe, Water Activated $38.95

Revere | 10-Day Duro Lantern, Titanium

The Revere Supply Company has teamed up with Ultimate Survival Technology to provide you just that - the absolute best in survival gear. A smaller version of the popular 30 Day Lantern, the 10 Day Lantern from UST gets its name from the capability to run for an incredible 10 full days of continuous use on Low mode. This lantern also gets an impressive 26 hours of continuous use on High mode while producing 250 lumens of light 360 degrees around itself. This is an amazing lantern for camping or just to keep around the house for general use and power outages. The 10 Day Lantern is rugged with ABS plastic casing, coming in a variety of colors, and rubberized areas providing a tested 1 meter of impact resistance. The 10 Day Lantern is invaluable for long outdoor excursions. With the built in hook you can hang the 10 Day Lantern over a low hanging branch, set it to High mode to construct your camp site then switch it to Low mode to provide a nice dim light for as long as you need. The greatest part? You get these impressive brightness levels and runtimes all from convenient AA batteries.

PW20006 $51.95

Greatland Laser | Rescue Laser Flare Magnum w/Sight Ring

Designed to stow away in your survival gear or life raft!. Nighttime signaling up to 20 miles. Daytime signaling 1-3 miles. Operates 72 hours. Compact-Weighs only 6 oz. Long life red laser diode - 10000 hours meantime to failure. 2 AA batteries.

GL00240 $124.95

Acr Electronics | MOB Strobe Light Automatic

With 70,000 peak candlepower, these high intensity xenon strobe marker lights clearly mark crew overboard sites with each brilliant flash. It automatically rights itself and activates when in the water and begins strobing, operating for up to 60hr on a 6V lantern battery. Perfect for commercial marine, cruisers and any application needing a reliable COB light.

OS03940 $219.95

Smoke

Pains Wessex | Lifesmoke MK8 Distress Signal

The Lifesmoke MK8 is a flat top distress signal designed to be easy and safe to handle. It provides effective position marking during rescue operations and can be used to indicate wind direction, producing dense orange smoke for a minimum of 3 minutes. Safe used on oil or petrol covered water.

PW63240 $52.25

SOLAS Flares

Pains Wessex | Red Handheld Flare MK8 SOLAS

A hand held red flare designed to withstand exceptional environmental exposure and to perform reliably under extreme conditions. The flare is encased in a steel tube for safety to eliminate damage from burning ashes. For greater operational ease and safety, it is fitted with an integral pull, twist and strike firing mechanism. Additional features of this signal are that waterproofing is achieved without the use of sealing tapes, hence easier operation, and once ignited the flare will continue to operate if immersed in water. Specifications: Burns for 60 seconds at a minimum of 15,000 candela. Dimensions: 9.44" x 1.34". Weight: 9.7oz. Explosive content: 3.52 oz. USCG #s 160.021/34/0, 160.121/8/0 approved.

PW52610 $16.95

Pains Wessex | White Collision Handheld Flare 822 SOLAS

Hand held white flare designed to withstand exceptional environmental exposure and perform reliably under extreme conditions. The flare is encased in a steel tube for safety, which eliminates the risk of damage from burning material. For greater operational ease and safety, it is fitted with an integral pull wire ignition mechanism. It is used to provide early warning of a potential collision. Waterproofing is achieved through sealing tapes. It is easy to operate and burns for 60 seconds at a minimum of 10,000 candela. Telescoping handle contributes to safe handling.

PW52751 $22.25

Pains Wessex | Parachute Red Rocket Handheld Flare MK8A SOLAS

The red parachute rocket is a hand-held distress signal ejecting a parachute suspended red flare at 984ft altitude, major features include: An aluminium foil seal at the top and an 'O' ring at the bottom of the signal to give greater environmental protection. The trigger lever operation includes an un cocked striker mechanism and a safety pin to prevent inadvertent ignition. The rocket casing is of a tough plastic to ensure optimum protection and reliability in severe marine weather conditions. Long range parachute distress signal. For day and night use. Easy to operate. Visible up to 30 miles. Burns for 40 seconds at 30,000 candela at a height of 984ft. Approved to latest USCG and SOLAS specifications. Weight: 8.8oz. Dimensions: 11.5 x 1.25. This signal is approved by International Maritime Organization for use on ships of all types and in ship's lifeboats and life rafts. Although the signal is normally fired vertically to provide maximum range of visibility, in low cloud conditions (below 984ft), it is advisable to fire the rocket at an angle of 45° downwind.

PW50570 $51.35

USCG Flares

Orion | Red Aerial Flares High Performance 12 Gauge

This flare burns longer, goes higher and brighter than the standard 12 gauge signal. It is USCG approved as a day or nighttime signal. Reaches an altitude of up to 500ft. Burns with an average candlepower of up to 16,000 candela for an average burn time of up to 7 seconds. Exceeds USCG minimum requirements.

OL031121 $41.99

Orion | Red Handheld Flare USCG Approved

Short range flares help rescuers establish your location. Waterproof with built in protective handle. Includes four handheld flares. Average burn time: Nearly 3 minutes each (8 minutes, 54 seconds total). Average brightness: 700 candela. U.S. Coast Guard Approved for day and night use.

OL00864 $47.25

Orion | Pocket Rocket Kit w/Launcher, 4 Aerial Fl ...

Pocket Rocket Aerial Flares Kit w/Launcher. The perfect small boat or PWC aerial signal. This compact, safe signal is perfect for the inshore boater. Waterproof floating storage container includes a launcher and four red aerial flares. Waterproof Floatable Storage Container. Compact, Corrosion Resistant. 4 Red Aerial Flares. Average Candlepower: 10,000. Average Burn Time: 6.5 seconds each (19.5 seconds total). Altitude: 300 feet

OL00528 Pocket Rocket Kit w/Launcher, 4 Aerial Flares in Waterproof Storage Tube $57.25

Orion | Red Aerial Flares High Performance 25 Gauge

This flare burns longer, goes higher and brighter than the standard 25 gauge signal. It is USCG approved as a day or nighttime signal. Reaches an altitude of up to 375ft. Burns with an average candlepower of up to 35,000 candela for an average burn time of up to 7 seconds. Exceeds USCG minimum requirements.

OL03125 $80.60

Orion | Orange Handheld Smoke Flares

Orange smoke is the most dynamic, effective USCG approved daytime signal on the market. Each signal produces a large dense cloud and is perfect for boaters everywhere. Burns up to 1 minute each.

OL04600 $90.55

Orion | Coastal Alert/Locate Signal Set

Designed for the serious recreational boater who sometimes travels out of sight of land. Contains: 2 red handheld signals, (USCG approved day/night signal), 2 skyblazer self contained red meteors (USCG approved day/night signal), 1 signaling mirror with lanyard, 1 whistle with lanyard, 1 international orange mesh storage bag with zipper and clip.

OL00856 $94.50

Orion | Alert/Locate Coastal Flare Kit w/Accessories & Neoprene Case

This coastal kit comes in a neoprene floating case . It consists of a one 12 gauge flare gun with bandolier, 6 red high performance aerial flares, a whistle and one signal mirror. When combined with handheld red flares it makes the perfect kit for coastal boaters.

OL01013 $114.50

Weems & Plath | SOS Distress Light, Electronic Fl ...

Never buy flares again! The SOS distress light is the first and only led visual distress signal device that meets u.s. coast guard requirements to completely replace traditional pyrotechnic flares. Unlike traditional flares, this electronic flare never expires which solves the challenge of flare disposal. This floating electronic flare can be hand-held, tethered, or hoisted aloft. It runs up to 60 hours, unlike traditional flares which last minutes or less.

WE01001 SOS Distress Light, Electronic Flare USCG Approved w/Day Flag $167.25

Orion | Flare Gun w/Bandolier 25 mm ...

Start with this flare gun, build your own kit or add these to existing signals.

OL00583 Flare Gun w/Bandolier 25 mm $181.95

Flare Gun Basic w/4 Flares Red 12 Gauge

OL00584 $89.25

Orion | Alert/Locate Flare Gun & Signaling Kit Deluxe 12 Gauge

The Orion safety alert/locate plus 12 gauge flare gun, aerial, handheld and smoke signaling kit is the perfect kit for any inland or coastal boaters because it contains: 4 x 12 gauge high performance red aerial signals, 4 x handheld red signal flares and 2 x handheld orange smoke flares. All housed in a waterproof, floating storage case.

OL020121 $207.50

Orion | Alert/Locate Flare Gun & Signaling Kit Deluxe 25 Gauge

LZ197763 $63.75

Plastimo I Rescue Line w/Stow Bag Yellow 25m

Very simple to operate. A 20m retrieval line stowed in a bag, to connect the survivor to the boat. Equally useful in many circumstances, such as getting a line to a dock. The Rescue Line ® is weighted, so that it can be thrown with accuracy at a reasonable distance, even against strong winds. It features a grab loop at both ends, enabling both the rescuer and the survivor to remain attached to the line. Weight: 500g, breaking strain of line is 400kg.

PL27020 $74.75

Hammar I H20 Hyrostatic Release For Life Rafts SOLAS

Activated by water pressure, the H20 HRU will ensure that a life raft floats free from a sinking vessel when its operation is triggered at a release depth of between approximately 1.5 and 4 meters. A white strong rope is secured to the deck or life raft cradle and attached to the life raft lashing with a slip hook. If the ship sinks, water pressure will, within four meters, activate a sharp knife that cuts the white strong rope. The life raft will then float free. As the ship sinks, the life raft painter line will be stretched and the life raft will start to inflate. The Red Weak Line will then break and survivors can board the floating life raft. The Hammar ® H20 HRU needs no annual service, no maintenance and no spare parts but it must be replaced within two years of being installed onboard.

PW65009 $136.50

Plastimo I Personal Dan Buoy IOR Inflatable Hi Viz Yellow, 1.8m

In the event of a man overboard, the victim activates the inflation by pulling the toggle. The inflated dan buoy increases considerably the visibility of the victom. Yellow nylon, polyurethane coated. height above water when inflated 1.80m. Equipped with red and yellow flat (21x14 cm). Retro-reflective tapes. Lanyard. Oral inflation tube. Comes in a PVC pouch with belt attachment.

PL53482 $165.95

Lifesling I Lifesling2 Overboard Rescue System w/White Bag

Get your crewmember back onboard fast! Lifesling2 is Coast Guard approved and works better than a ring or horseshoe buoy because it can be towed to the overboard crewmember rather than the crewmember having to swim to it, this eliminates the danger of the crewmember coming in contact with the hull and propeller and it can be used as a lifting sling if the crewmember needs help out of the water. The Lifesling2 system consists of a flotation collar which is a blend of the traditional horseshoe buoy and a helicopter rescue sling. It's connected to 125 ft of multi-filament polypropylene retrieving line which allows the flotation to be towed or thrown to the overboard crewmember. The collar and line are stored for protection against the elements in a new more rigid and attractive vinyl storage bag. Graphics on the bag illustrate the instructions for recovering a person in the water.

P357635 $176.95

Plastimo I Rescue Sling w/Stow Bag Yellow 40m

The clever and exclusive design of the Rescue Sling ® consists in the retrieval line which is coiled on a reel, this avoids the line tangling or fouling, and makes the Rescue Sling ® the most efficient man over board recovery gear. Buoyancy of floatation belt: 10 kg, 40m m of yellow floating line, yellow storage bag with clips for rail attachment. Weight: 1.700kg, breaking strain of floatation belt: 700kg.

PL27027 $233.80

Plastimo I Dan Buoy IOR Telescopic w/Yellow Flag Orange

Ergonomic design and superior stability. Complies with the ISAF/ORC racing regulations. Features: 1 fiberglass telescopic dan buoy with 1/4 twist fastening. 1 ergonomic and shockproof cylindrical PVC floatation buoy, height 360mm, diameter 180mm/80mm. 1 man over board red and yellow flag 450mm x 350mm. 3m of floating rope to attach to a lifebuoy. 1 built in stainless steel ballast. 1 clip and lanyard to keep the flag rolled up.

PL55664 $276.95

Plastimo I Dan Buoy IOR Inflatable Hi Viz Yellow

The Inflatable IOR Dan buoy is designed for man overboard visibility. Provides 150 N buoyancy. Yellow nylon, polyurethane coated. Height above water (Dan Buoy Inflated): 1.98 m. ISAF-ORC compliant. Equipped with : Adjustable webbing sling seat for man-over-board to rest on. Grab handle. 0.75 cd automatically activated light, 8-hour duration. Red and yellow flag (32 x 20 cm). Retro-reflective tapes (200 cm°). A rigid ballast with V-shaped batten structure, acting like a keel for optimum stability. Drogue anchor (28 x 28 cm). Canister. -

Burke | Seabrake (Parachute Anchor) For Boats 35 ft To 55 ft ...

Like all good inventions Seabrake was born out of necessity in a life and death situation in Australia's notorious Bass Strait. Overwhelmed by 80ft seas and 100mph winds, Captain John Abernethy conceived the Seabrake principle when conventional drogues and sea anchors failed. Seabrake is approved by the Australian Maritime Safety Authority as a sea anchor: Solas certificate #4126 and is compliant with the AYF as an emergency steering device. Features: Sea and drift anchor. Emergency steering. Anti surfing/broaching device. Stabilizer under way. Stabilizer/anti-roll at anchor. Aid for vessels under tow. Aid for auto pilots. Aid for bar crossing. Spare man overboard harness. Seabrake has twice the drag as conventional sea anchors or drogues.

Stay Afloat I Plug Tub 7 oz

Used by first response emergency marine rescue operations, Stay Afloat is a non-hazardous, hand-applied, moldable, putty-like material that instantly plugs leaks in boat hulls and marine fittings. For above- or below-the-waterline use, it is a quick and easy way to plug a leaking thru hull or crack in the hull. The one-part formula is applied by hand, directly from the container with no mixing required. Formulation: Moldable polymer. Recommended Usage: Stopping water leaks above and below the waterline. Material Incompatibilities: Not recommended for inflatable boat inflation chamber repair. Removal: Mechanical removal.

P142114 $18.49

Nuova Rade I Black Polypropylene Day Anchor Ball, 350mm

LZ39553 $19.95

Plastimo I Wooden Plugs Conical Large Set 9/pk

Emergency bungs to stop water ingress. 9 wooden plugs. 3 x 110mm x 29-19mm taper. 3 x 110mm x 39-29mm taper. 3 x 110mm x 50-40mm taper.

PL10103 $20.50

Lalizas I 150cm Safety Line w/ Life-Link Clip

Safety harness tether for safety harness ISO 12401:2009. Their double action hook design prevents accidental opening whilst still offering superb single handed operation. The hook is also fully approved per ISO 9227.

LZ71147 $32.95

Osculati I Black Anchor Ball Inflatable

The anchor ball is internationally recognized signal for use when at anchor. Does not occupy space when deflated, is to be hoisted when the boat is anchored and if there is no steering two balls should be hoisted.

OC3065400 $38.25

Plastimo I Radar Reflector Tube Type w/Groove Shroud 58 cm x 5 cm

Effective tube radar reflector creating minimum windage. Lightweight and easy to hoist up the rigging.

PL25586 $40.45

Plastimo I Radar Reflector Tube Type w/Mounting Bracket 58 cm x 5 cm

Effective tube radar reflector creating minimum windage. Lightweight and features a mounting bracket.

PL25587 $45.75

Spinlock I Safety Line Two Clip 2 m w/Cow Hitch

Up to 50% lighter and more compact than conventional safety lines. Dry coated to reduce water absorption. Full strength, compact 16mm webbing. Lightened safety clips. Overload indicator. ISAF / ORC compliant. Yachting Australia Approved.

LK910021 $53.50

Osculati | Radar Reflector Tube Type w/Groove Shr ...

Effective tube radar reflector creating minimum windage. Lightweight and easy to hoist up the rigging. Sailboat version features a shroud or stay groove. Made of aluminium sheets crossed at several 90° angles in a plastic container, guaranteeing a reflecting surface up to 4 nautical miles.

Radar Reflector Tube Type w/Groove Shroud 600 mm x 100 mm
OC3223600 $67.05

Plastimo | Radar Reflector Tube Type w/Groove Shroud 59 cm x 10 cm

This compact multi angular radar reflector is accepted by professional mariners around the world for maximum radar visibility in all kinds of weather. 4 square meter reflective area.

PL39099 $68.25

Lalizas | Vest-Type Safety Harness with Chest D-Ring

Vestype Safety Harness, with chest D-ring.

LZ71152 $71.95

Davis Instruments | Echomaster Radar Reflector Standard Aluminium

The EchoMaster comes in a plastic case and folds flat for easy storage. Is made of stamped aluminium sheets with locking corner rivets. Echomaster radar reflectors return the same signal as reflectors costing hundreds of dollars more. The standard EchoMaster can be assembled around a backstay or wire rigging. Mounting holes in corner latches make sturdy attachment points for suspending from a bridle. Non anodized marine grade aluminium plates.

DI00152 $78.75

Plastimo | Standard Safety Harness w/Single Tethe ...

The fully adjustable model features adjustable chest and shoulder straps, stainless steel triangle attachment points, a back support that holds the shoulder straps in the correct position, reflecting tape and toggles for fastening onto a sailing jacket.

Standard Safety Harness w/Single Tether & 1 Snap Hook Adult LRG
PL31544 $105.05

PL31546 Adjustable Safety Harness w/Single Tether & 2 Snap Hook Adult $180.55

Spinlock | Safety Line Three Clip 2 m ...

Light, compact safety lines for performance sailing. Up to 50% lighter and more compact than conventional safety lines. Dry coated to reduce water absorption. Full strength, compact 16mm webbing. Lightened safety clips. Overload indicator displays when the load has exceeded 500kgs and the line needs replacing. Cow hitch (loop), elastic, 2 and 3 clip versions.

LK91003 Safety Line Three Clip 2 m $109.95

LK91012 Safety Line Two Clip Elasticated 2 m $75.25
LK91031 Safety Line Two Clip & One Link 2 m $99.95
LK91032 Safety Line One Clip & One Link Elasticated w/Cow Hitch 2 m $71.25

Wichard | Tether Elestic Webbing w/Stainless Stee ...

Elastic harness tether retracts from 2 to 1m when not in use providing great freedom of movement without dragging a hook on the deck behind you. It comes with two stainless steel carbine hooks and has a break load of 2080kg.

Tether Elestic Webbing w/Stainless Steel Carbine Hooks Blue 1 m To 2 m
WI07001 $120.50

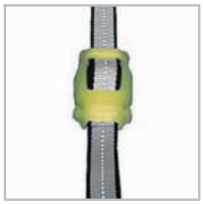

Plastimo | Elastic Tether Single w/2 Hooks 2m

The Plastimo tether comes with an elastic tether with 2 snap hooks extending 1-2 meters.

PL31564 $127.95

Wichard | Lyf'Safe Jackline Kit Polyester Webbing Reflective 11 m

Lyf'Safe kit includes: 2 webbing straps 1 end with a loop and 1 free end, 2 forged adjusters and 2 casings. Adaptable and universal, Lyf'Safe can be tailored to the length of the boat (using the adjuster) and can be fitted on to most deck fastenings (pad eyes, pullpit, pushpit, cleats). Ready to use and easy to install, Lyf'Safe does not require additional fastening components such as shackles. Reflective thanks to its reflective stripe and photoluminescent casings, Lyf'Safe can be easily identified when sailing at night. The adjuster casing can be locked to prevent any accidental adjustment or release of the webbing.
